VISION

is all about looking ahead

At Rupa & Company Limited, we have always looked beyond the apparent. We have identified possibilities and have turned them into opportunities. We have preserved and have had the conviction to creatively transform and morph ourselves with our vision to create our own reality, because we believe in the thought that the....

Empires of the future are the empires of the mind.

For decades, we have been a vanguard of creating quality innerwear for the masses and redefining the fashion in the innerwear industry of India. In doing so, we not only gained noteworthy insights into the consumer aspirations, but also have created a niche position of our flagship brands.

The dynamics in Indian Knitwear, Textile and Apparel industry is rapidly changing. With the arrival of international brands, rising income base, fast evolving preferences, lifestyle upgradation, etc., the Indian consumer have now started to shift from price sensitivity to brand sensitivity and their preference for bold colours and innovative designs are some of the key trends to have emerged in these segments.

Rupa, India's leading innerwear brand, has embarked upon a hypothesis shifting strategy, that marked diverse product offerings to its consumers ranging from a mere innerwear to casualwear, specialised womenwear, kids-wear, thermalwear and fashionwear products

and further sub-divided them into super-premium, premium, medium, and economy segments. It has further allowed the Company to leverage its strengths & capabilities and also enabled the Company to pursue opportunities ahead.

The thrust of its vision and pioneering spirit through diverse product offering, incisive marketing strategies has led to the evolution of a new paradigm in its business - a conviction to grow internationally. Amid these shifting dynamics, the Company has also focused to grow through acquisitions and reassuring the customers that their evolving aspirations will be catered with more enthusiasm.

Underlying this vision is the USP of the Company to take its capabilities and knit itself with international shores.

Rupa & Company Limited, a story of noteworthy transformation

Even when you are reading this Report, Rupa products have been sold across several verticals of the globe – Approximately, 6 products per second.

From a mere innerwear company to a national fashionwear powerhouse to a dynamic global knitwear, textile & apparel company.

A company with diversified brands, products and locationale portfolios, serving the second most populous country in the world.

A KNIT INSIDE THE WORLD OF RUPA

The roots of Rupa & Company Limited dates back to 1985 when the innerwear products were just limited to local manufacturers. The Company formed by 3 first generation entrepreneurs, Mr. Prahlad Rai Agarwala, Mr. Ghanshyam Prasad Agarwala and Mr. Kunj Bihari Agarwal with a vision of taking the innerwear to the masses and making it available as a big label brand even to the fashion-conscious consumer.

At Rupa & Company Limited, we endeavour to meet the rising aspirations of the society and create brands that are accepted across every vertical. The Company is one of the most preferred brand in the market with product verticals including mens, womens and kids innerwear; infantwear; knitted bermudas and loungers; winterwear; footwear; leggings for women and other fashionwear.

The Brands of the Company are endorsed by leading celebrities including Hrithik Roshan, Ranveer Singh and Bipasha Basu.

KNITTED TO EXCEL

At Rupa & Company Limited, meters of knitted garments equals million dollar smiles on stakeholders face.

FOUNDERS' STATEMENT

“Cusp of unprecedented knitted opportunities”

It gives us the confidence to embrace emerging opportunities and sustain our forward motion.

Taking a fresh perspective is part of our journey to achieve progress, deliver growth and create value in a sustainable manner. Looking back, when we had set an ambitious target of becoming a ₹1000 crores Company, we were confident to achieve the same backed by our agile and highly responsive approach of recognising opportunities.

With a sharp sense of optimism and defined vision, today we have creatively transformed and created those opportunities into admirable realities. The fact that every part of the Company has contributed handsomely to this endeavour is

indicative of not only the effectiveness of our chosen business strategy and foresight, but also of the flawless execution, efficiency and single-mindedness with which everyone in the Company has embraced these business objectives. Today, with revenue of more than ₹1,000 crores and a market capitalisation of more than ₹2,350 crores, we hope to sustain the growth momentum and stakeholders satisfaction, while offering a varied level of products in the innerwear, casualwear & fashionwear space and strive to make our presence stronger amongst textiles and apparel manufacturer-cum-retailer not only in the domestic front but also at global destinations.

Knitting our strengths

In the textile and fashion industry space, customer expectations are fast changing and one need to exceed them, by constantly offering newer degree of products, offering greater level of comfort & brand satisfaction - ensuring a great shopping experience at different touch points. The Companies which have a long-term vision, creative mindset and a strong financial prudence & discipline can only build and sustain a scalable business model.

At Rupa & Company Limited, our creative and brand appealing capabilities had set industry benchmarks in the past, and we are committed to build on our achievements. Today, we have expanded our spectrum to the fast growing domestic and international fashion and apparel industry space. We have ambitious plans to tap the immense potential of the consumer expectations and we remain upbeat due to these un-precedented opportunities due to a number of reasons:

One, we have created a business model around our receptive understanding of what the shopper would need. The outcome is that we are constantly future-facing, focusing not much on what had succeeded in the past, but what is likely to satisfy consumer's expectation.

Two, we leveraged on our potential and rich experience in the innerwear industry space to create products which not only proved to be the forte of our quality but also proved to be groundbreaking amongst the industry.

Three, India has been a middle-class consumer based nation, with a vast section of consumer staying at varied geographies, thus, the demand profile for consumer keeps changing. With a diverse product portfolio, catering not only to average Indian rural or urban class consumer, our

Company also meet the demand expectations from the upper and upper middle-class consumer too. Our Company has classified products into super-premium, premium, medium, and economy segments through various sub-brands under the umbrella brand Rupa which includes Frontline (sub-brands: Ribline, Kidz, Hunk, Air, Xing, Interlock, Skywings and Expando), Euro (Inners and Casuals), Bumchums, Jon, Torrido, Softline (Bra, Panties, Leggings and Camisoles), Femmora (Leggings, Camisoles, T-shirts, Lounge Wear), Macroman, Macrowoman, Macroman M-series, Thermocot, Imoogi, Footline.

Four, in a country where not being able to service customer needs immediately and comprehensively can mean the loss of a customer, we widened and deepened our distribution network from urban to semi urban to rural. We accelerated our growth by taking the brand to more diverse location and people. Today, we have 4 central warehouses; 8,000 Stock Keeping Units (SKUs); 6 Exclusive Business Outlets (EBO); 20 branch offices; 1,000 dealer network; 1,18,000 retailers and various e-commerce portals that stock and sell the products of our Company. The combination of these initiatives – rural and urban – made it possible for the Company to sell nearly 6 units every second.

Five, our strengthened market share is generated through focused brand building, celebrity endorsements, prudent pricing and product superiority, creating a compelling volume-play business for our Company. 'Macroman M-series' a Premium Innerwear, Sportswear and Leisurewear brand, endorsed by the famous celebrity and bollywood star Hrithik Roshan, 'Rupa Frontline' a Premium Innerwear, endorsed by Ranveer Singh and Rupa Softline Leggings, endorsed by Bipasha Basu. The Company has also increased its brand awareness by supporting various sports activities.

Six, we acquired exclusive license from French Connection Limited to develop, manufacture, market and sale for their innerwear products with the Brand name 'FCUK' in India through our Wholly-owned Subsidiary.

People Company

The belief that 'great people create great organizations' has been at the core of the Company's approach to its people. We continued to make significant investments for training in the areas of marketing excellence, customer service and building capabilities for organized retail trade. Human Resources always have been, and shall continue to be,

central to the growth of our Company. We are continuously making efforts in the development of Human Resource through a series of employee-friendly measures aimed at talent acquisition, development, motivation and retention. Our endeavour is to develop a culture where a sense of belongingness and ownership of work are the key motivating factors and provide world class training to create a world-class work force.

Sense of optimism

The increasing relevance of our brands and their global acceptance is a outcome of our belief that fashion for a cause is a people friendly proposition that will find far reaching acceptance. With innovative designs, improved & integrated manufacturing facilities, marketing, expanded network of

retail outlets, financial strength & managerial bandwidth to operate in multiple and diverse geographies, we are confident to achieve our strategic vision.

Message to shareholders

'Rupa' is not only a Company of strongly-held convictions, but also with the ability and willingness to act on those convictions to maintain its value proposition with all its stakeholders.

Prahlad Rai Agarwala

Ghanshyam Prasad Agarwala

Kunj Bihari Agarwal

FROM CUSTOMERS DELIGHT TO MULTI LOCATIONAL WEAR

The globe is our canvas today. We enjoy long-standing relationships with our customers. We enjoy leadership position in our chosen geographies. Leveraging years of experience, we have developed a keen perception of the markets we operate in. Consequently, our varied product profile has always been bolstered by unique strategies that go a long way in forging an indelible market presence.

At Rupa & Company Limited we believe that in order to be trendsetters, we need to constantly evolve newer strategies for retailing. We need to engage ourselves with customers who are the core of our business towards achieving our goals. We do so through a large number of stores that sell our products. The process of making our products as fashion merchandise is only successful through the joint effort from our salesperson to retailers to customers who makes a complete value chain. We are also increasing our reach with more retailers to make our products available at the right time and at the right place

more than
1,000
dealers network

more than
1,18,000
retailers

and at the remotest part of the country. We are also selling our products through e-commerce. E-commerce selling platform in India is booming at a rapid pace and it is believed that e-retailing will generate more than a mammoth \$150 billion of revenue by 2020 and fashion e-retailing will generate \$38 billion of revenue. We aspire to be one of the largest contributors in the innerwear, casualwear and fashionwear through e-commerce.

For decades, our Company has focused itself to the geographies within India. In last few years, we have widened our geographical footsteps to global destinations with two main objectives: one, to moderate risks associated by being largely present in a single geography and second, to cater our products to the aspiring population which was willing to pay more for better products and for newer brands. What started as a cautious experiment is now a growing business priority. This made the products of the Company available at right place at the right time and at the right prices.

***ZAMANE KO
DIKHANA HAI.***

FROM INNERWEAR TO COMFORTWEAR

A sneak-peak at 'Rupa' where it all began

Until the mid-sixties, the innerwear story in India was rather a complacent one. A number of organized sectors and localised brands kept churning out mediocre products. The consumers were less than satisfied but had no option readily available. However, a dormant desire for better innerwear remained there through the years. With a vision to provide a comfortable innerwear wearing experience at affordable price, our Company initially started manufacturing innerwear & casualwear and further expanded the product-line to include female innerwear. The products quality were further upgraded and a new line of products were launched which not only focused on comfort, but also matched the likes of international apparels for domestic consumers.

The consumer behaviour in India makes it one of the most challenging market places in the world. It is one of the most culturally diverse country in the world with inconsistency in income levels thereby adding an extra breadth of complexity to the market. Amongst this, innerwear is becoming increasingly a fashion accessory. The future of the innerwear market has become more lucrative and positive. Thus, the market, with the entry of new brands is set for a buoyant trend.

Over the years, our Company has demonstrated an ability to understand the unmet needs of a customer and respond to changing consumer preferences. We believe that a solid brand identity can tell an important story, set expectations, gain attention and foster relationships. Our Company have created brands that achieved success and emerged as a domestic market leader. A brand story can transform an intangible idea into a concrete asset. With this our continued thrust of marketing through leading celebrities, in-movie advertising, featuring the brand through sporting activities, innovative packaging also led to the acceptance of our products at both urban and rural consumers mind-set.

KNITTING QUALITY TO VISIBILITY

Quality and reliability are two parallel imperatives. Reliability matches the quality factor through the inherent design, quality of raw materials used, meticulousness of manufactured product and inner comfort of the consumer when the product is in-use. A strong focus on them by any organisation leads to its 'success'.

At Rupa & Company Limited, we believe that brand endures only if quality sustains. Our Company being involved in the business of textile and apparel industry (innerwear, casualwear, fashionwear), it is of paramount importance to align the products with stringent qualitative and performance related parameters. Our Company has made prudent investments to benchmark its products with those that are the best in the industry. We have always focused on delivering world-class quality across our product range. This single-minded effort through last five decades have culminated into a strong relationship with all our customers. Our quality control personnel examine and inspect every aspect of the production (before process, in process & after process) and supply chain with stringent intermediate checks, resulting in the supply of world-class products to our customers.

Our products are benchmarked to international standards. Our Company is also an exclusive licensee of SUPIMA, the premier organisation of American Pima Cotton growers. The coveted SUPIMA certification is given only to very select manufacturers of high-quality apparel, whose products are made from 100% American Pima Cotton.

The zeal towards maintaining & harnessing quality focus into the organisational culture has made Rupa & Company Limited won several accolades and awards :

- a) The Economic Times with MRSS India have ranked Rupa & Company Ltd among one of the Best Corporate Brands of 2016.

- b) The Economic Times had ranked Rupa & Company Ltd among one of the Best Brands of 2014.
- c) RUPA – An International Trade Mark: India became member of MADRID Protocol on 8th July 2013. **RUPA Trademarks are now Registered in more than 50 Countries.**
- d) Textile conclave 2013 – **Brand India - Largest Producer Knitting Sector** - Fabric by the then Union Textile Minister.
- e) Only Company with **Limca Book of Records for last 13 Years** being the Largest Manufacturer of Hosiery Products in India.
- f) **Business Leadership Award 2013** by Times Research in association with Z- Business.
- g) In December, 2011 at London, RUPA was conferred as

Indian Power Brand.

- h) Master Brand Award by CMO Asia in Association with CMO Council, USA.
- i) India's Most Impactful Brand chosen by Indian Consumer as STAR BRAND INDIA - 2010-11.
- j) Conferred with the 'Award for Brand Leadership' in Fashion and Lifestyle by the World Brand Conference 2010.
- k) Conferred with Platinum Award (Consumer Durables - Textiles/Apparel/Luxury category) for the Best Annual Report, 2011-12 by the League of American Communication Professional (LACP), USA.
- l) Thermocot, the first branded winter wear in India won the Texcellence Award for Best Winter Knitwear Brand, 2003-04.

AWARDS GALORE

State of Company's Affairs and Future Outlook

The Company achieved a turnover of ₹ 1013.03 crores in Financial Year 2015-16 as against ₹ 969.07 crores in 2014-15, i.e. registering a growth of 4.54% in Revenue from Operations over the last year. During the year, the Profit before Interest, Depreciation and Tax stood at ₹ 135.10 crores as against ₹ 138.87 crores during the previous year. The Net Profit for the year 2015-16 stood at ₹ 77.95 crores, after inclusion of Exceptional Item i.e. Dividend received from Subsidiary Company, as compared to ₹ 65.71 crores during the previous year, a growth of 18.63% over the last year.

Report of the Board of Directors

for the Financial Year ended March 31, 2016

The Company is engaged in the Manufacturing, Branding and Marketing of Men's and Women's Innerwear, Thermal wear and Casual wear for kids and all sections of the society, like, Economy, Mid-Premium, Premium and Super-Premium. It has over 18 brands and 8000 SKUs (Stock Keeping Unit), having a strong brand recall. In order to nurture its brands, the Company has been consistently involved in robust advertisement & brand promotion activities, thereby spending extensively on brand communication. To enhance the brand recall of its Thermal wear, the Company recently launched a new ad campaign for its Thermal wear brand 'Torrido'. The Company has been aggressively focusing on the Premium segment ('M-series'), which offers higher operating margins. To sustain higher margins, it has been expanding its Premium products category, which attracts relatively higher pricing power. To create brand awareness and reach customers directly, it has also opened EBOs (Exclusive Business Outlet) for M-Series. The Company has been constantly reinventing itself by launching new brands and leveraging its existing brands by extending new product lines. The Company is also looking at leveraging its brand equity by entering into the Kids Innerwear segment and has launched the 'Kidline' brand. The Company has a presence in the infant wear segment through its brand 'Bumchum Tots'.

In innerwear industry, the Company is a leader having a distribution network across India. The Company has a PAN-India presence with a large distribution network consisting of 4 central warehouses, 6 EBOs, 20 branches, 1000 dealers and more than 1,18,000 retailers. It is also looking at enhancing availability through presence in e-commerce, MBOs (Multi-Brand Outlet) and LFRs (Large Format Retail Store). The Company is also looking forward to open Rupa EBOs through the franchise route across India and expand its retail footprint.

The Company has manufacturing facilities situated at Howrah Domjur, Tirupur, Bengaluru and Ghaziabad. The Company has sales offices situated at Kolkata, Patna, Varanasi, Mumbai, Jaipur, Indore, Delhi, Ghaziabad, Kanpur, Bengaluru, Tirupur and Hyderabad.

The Indian innerwear market is estimated to grow at 13% to reach ₹ 59,540 crores by 2023. Innerwear appears to be a potential growth category.

The Company believes in the overall development of the innerwear and casual wear industry across India through its innovative designs, superior product quality, ability to create a sustainable business model, initiatives to nurture the in-house talent and zeal towards the healthy creation of stakeholders' value. To overcome the various economical challenges, the Company from time to time revisits its marketing strategy. The Company has always been responsive towards the changing fashion needs by introducing new line of products across all segments.

Subsidiaries

The Company has the following 3 (three) Wholly-owned Subsidiaries as on March 31, 2016:

- i) Euro Fashion Inners International Private Limited, which was engaged in selling hosiery products under the brand name "EURO", which are premium products, designed for the fashion conscious consumers. The Business Operations of Euro Fashion Inners International Private Limited has been transferred to its Holding Company through a Business Collaboration Agreement w.e.f. April 1, 2014.

During the year under review, the Revenue from Operations, including Other Income, was ₹ 7.31 lacs as against ₹ 1911.86 lacs during the previous year. Net Loss during the year was ₹ 7.75 lacs as compared to the Profit of ₹ 162.46 lacs during the previous year.

- ii) Imoogi Fashions Private Limited, which is engaged in manufacturing, processing and selling hosiery and outer casual wear products, especially for children up to the age of 12 years under the brand name "Imoogi".

During the year under review, the Revenue from Operations, including Other Income, was ₹ 246.35 lacs as against ₹ 501.22 lacs during the previous year. Net Profit during the year was ₹ 53.23 lacs as compared to ₹ 83.49 lacs during the previous year.

Statement on Declaration given by Independent Directors under Section 149(7) of the Act

All Independent Directors have given declaration that they meet the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16 of the Listing Regulations (Clause 49 of the erstwhile Equity Listing Agreement).

Number of Meetings of Board of Directors

During the Financial Year 2015-16, 5 (five) meetings of the Board of Directors were held, details of which are given in the Corporate Governance Report, which forms part of this Annual Report.

Separate Meeting of Independent Directors

During the year under review, the Independent Directors met on March 11, 2016, *inter alia*, to:

- review the performance of Non-Independent Directors and the Board as a whole;
- review the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-executive Directors;
- assess the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively & reasonably perform their duties.

Annual Evaluation of Performance

Pursuant to the provisions of the Act and the Listing Regulations (Clause 49 of the erstwhile Equity Listing Agreement), the Nomination and Remuneration Committee has laid down the criteria for performance evaluation on the basis of which the Board has carried out evaluation of its own performance, the performance of Board Committees and of the Directors individually.

The Independent Directors of the Company, without the participation of Non-Independent Directors and members of management, in their separate meeting have reviewed the performance of Non-Independent Directors and the Board as a whole and also the performance of the Chairperson of the Company. The review of performance of Non-Independent Directors was done, after discussing with them, on various parameters, such as, skill, competence, experience, degree of engagement, ideas & planning etc. The Board performance was reviewed on various parameters, such as, adequacy of the composition of the Board, Board culture, appropriateness of qualification & expertise of Board members, process of identification and appointment of Independent Directors, inter-personal skills, ability to act proactively, managing conflicts, managing crisis situations, diversity in the knowledge and related industry expertise, roles and responsibilities of Board members, appropriate utilization of talents and skills of Board members, etc. The evaluation of the Chairperson of the Company was conducted on various parameters such as leadership quality, capability, availability, clarity of understanding, governance & compliance and degree of contribution, etc.

Report of the Board of Directors

for the Financial Year ended March 31, 2016

The Nomination and Remuneration Committee of the Board, based on the report of the Independent Directors, have evaluated the performance of the Non-Independent Directors. The Committee members also evaluated the performance of the Independent Directors of the Company considering their requisite skills, competence, experience and knowledge of the regulatory requirements relating to governance such as roles and responsibilities, the Code of Conduct of the Company, including the Code for Independent Directors, the erstwhile Equity Listing Agreement, the Act, the Listing Regulations etc.

The Board of Directors of the Company, based on the report of the Independent Directors and the Nomination and Remuneration Committee, have evaluated the performance of the Board and of the individual Directors. The Board also carried out the evaluation of performance of its Committees on various parameters, such as, adequacy of meetings in enhancing the effectiveness of the Committee, existence of a defined set of objectives/ terms of reference, etc.

The process of review and evaluation of performance of Board, it's Committees and of individual Directors was found to be satisfactory.

Risk Management Policy

The Company has a Risk Management Policy which lays down the framework for identification and mitigation of various risks. The specific objectives of the Risk Management Policy are to ensure that all the current and future material risk exposures of the Company are identified, assessed, quantified, appropriately mitigated and managed, and to establish a framework for the Company's risk management process.

The Risk Management Framework emphasises on proper analysing and understanding of the underlying risks before undertaking any transactions. This enables proper assessment of all risks and ensures that the transactions and processes conform to the Company's risk appetite and regulatory requirements.

The Risk Management Policy is discussed at the meeting of the Board of Directors. The management accepts the suggestions put forward by the Directors of the Company with regard to mitigation of risks that may arise in future. Further, in the opinion of the Board, there are no factors which threaten the existence of the Company.

Report of the Board of Directors

for the Financial Year ended March 31, 2016

Internal Financial Control Systems with reference to Financial Statements and its Adequacy

The Company has adequate Internal Financial Control systems and procedures which are commensurate with the size and nature of business. It is ensured that all the assets are safeguarded, protected against loss and all transactions are authorized, recorded and reported correctly. The Internal Financial Control systems of the Company are monitored and evaluated and reviewed by the Audit Committee.

The Directors have laid down Internal Financial Controls to be followed by the Company and that such Internal Financial Controls are adequate and were operating effectively. In this regard, the Board confirms the following:

1. Systems have been laid to ensure that all transactions are executed in accordance with management's general and specific authorization.
2. Systems and procedures exist to ensure that all transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements, and to maintain accountability for aspects and timely preparation of reliable financial information.
3. Access to assets is permitted only in accordance with the management's general and specific authorization. No assets of the Company are allowed to be used for personal purposes, except in accordance with the terms of employment or except as specifically permitted.
4. The existing assets of the Company are verified/ checked at reasonable intervals and appropriate action is taken with respect to any differences, if any.
5. Proper systems are in place for prevention and detection of frauds and errors and for ensuring adherence to the Company's policies.

Further, the certificate from Managing Director (MD) and Chief Financial Officer (CFO) in terms of Regulation 17(8) of the Listing Regulations provided in this Annual Report also certifies the adequacy of the Internal Control systems and procedures.

Statutory Auditors and Auditors' Report

M/s. S. R. Batliboi & Co. LLP, Chartered Accountants, has been appointed as the Statutory Auditors of the Company for a period of 4 (four) years from the conclusion of the 29th AGM of the Company until the conclusion of the 33rd AGM of the Company for the Financial Year 2017-18. Further, the Board recommends the Members to ratify the said appointment of M/s. S. R. Batliboi & Co. LLP, Chartered Accountants, as the Statutory Auditors of the Company for the Financial Year 2016-17 at the ensuing AGM of the Company. The notes on accounts referred to in the Auditors' Report are self-explanatory and therefore, do not call for any further explanations/ comments.

Details in respect of Fraud

During the Financial Year 2015-16, the Auditors have not reported any fraud as prescribed under Section 143(12) of the Act.

The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer.

Report of the Board of Directors

for the Financial Year ended March 31, 2016

Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of this Report

No material changes and commitments affecting the financial position of the Company have occurred between the end of the Financial Year of the Company and the date of this Report.

Details of significant and material orders passed by the Regulators/ Courts/ Tribunals impacting the going concern status and the Company's operations in future

No such significant and material order has been passed by any Regulator/ Court/ Tribunals against the Company which will impact the going concern status and the Company's operations in future.

Deposits

The Company has not accepted any deposit within the meaning of Section 73 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 during the year ended March 31, 2016.

Particulars of loans, guarantees or investments under Section 186 of the Act

The Company did not give any loans or guarantee or made any investments under Section 186 of the Act.

Particulars of Contracts or Arrangements with Related Parties

There are no materially significant related party transactions made by the Company which may have potential conflict with the interest of the Company. All contracts/ arrangements/ transactions entered by the Company during the Financial Year 2015-16 with related parties were in the ordinary course of business and on an arm's length basis and were reviewed by the Audit Committee of the Board. Further, during the Financial Year, the Company has not entered into any contract/ arrangement/ transaction with related parties which could be considered material in accordance with the Company's policy of Materiality of Related Party Transactions.

The policy on dealing with Related Party Transactions is available on the website of the Company at, <http://rupa.co.in/site/wp-content/uploads/2015/10/policy-on-related-party-transactions.pdf>

Corporate Governance Report

The Corporate Governance Report, in terms of Regulation 34(3) read with Schedule V of the Listing Regulations, forms part of this Annual Report.

The Company has obtained a certificate from the Statutory Auditors of the Company regarding compliance of conditions of Corporate Governance and the same forms part of this Annual Report.

Declaration by Managing Director to the effect of compliance with the Code of Conduct by the Board members and Senior Management Personnel forms part of this Annual Report.

Management Discussion and Analysis Report

The Management Discussion & Analysis Report, in terms of Regulation 34 read with Schedule V of the Listing Regulations, forms part of this Annual Report.

Disclosures under Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013

The Company is committed to provide a safe & conducive work environment to its employees and has formulated 'Policy for Prevention of Sexual Harassment' to prohibit, prevent or deter any acts of sexual harassment at workplace and to provide the procedure for the redressal of complaints pertaining to sexual harassment, thereby providing a safe and healthy work environment.

However, during the period under review no such incidence has been reported.

Report of the Board of Directors

for the Financial Year ended March 31, 2016

Directors' Responsibility Statement

To the best of our knowledge and belief and according to the information and explanations obtained by us, we hereby make the following statements in terms of Section 134(3)(c) and 134(5) of the Act:

- (i) that in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- (ii) that such accounting policies as mentioned in notes to the annual accounts have been selected and applied consistently and judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2016 and of the profit of the Company for that period;
- (iii) that proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities has been taken;
- (iv) that the annual accounts has been prepared on a going concern basis;
- (v) that proper systems to ensure compliance with the provisions of all applicable laws are in place and that such systems were adequate and operating effectively; and
- (vi) that internal financial control to be followed by the Company are in place and that such internal financial controls are adequate and are operating effectively.

The observations of the Auditors as regards internal financial controls were taken note of by the Audit Committee. While the observations as regards packing materials, constituting approximately 29% of the total purchases as per financial statements under reference, have been noted for appropriate implementation by the Company, based on the extent of supervision by senior management, nature and complexity of operations, the Audit Committee was of the view that the Auditors' comment as regards practice for issuing purchase orders was based on observations of a very limited and non-recurring nature. The Audit Committee was of the view that the existing internal control on placement of purchase orders, given the existing hierarchy of authorizations for procurement, was commensurate with the nature and extent of the Company's operations.

Acknowledgement

We thank our customers, vendors, bankers, stakeholders and the Government for their continued support during the year. We place on record our appreciation of the contribution made by our employees at all levels. Our consistent growth is possible because of their hard work, solidarity, co-operation and support.

Annexure to the Board's Report

Annexure – I

Particulars of Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

*[Pursuant to Section 134(3)(m) of the Companies Act, 2013
read with Rule 8(3) of the Companies (Accounts) Rules, 2014]*

(A) Conservation of Energy

- (i) Steps taken or impact on conservation of energy:
 - (a) Condensed water from the steam is recycled to heat water, thereby, saving energy.
 - (b) Installation of a Heat Recycling System whereby the heat from the discharged affluent is trapped and used for heating of normal water from 30 to 65 degrees without using any extra energy.
- (ii) Steps taken by the Company for utilising alternate sources of energy: Instead of furnace oil, diesel or wood, the Company uses paddy husk as fuel for the boiler. This reduces the carbon footprint considerably and is considered to be green fuel.
- (iii) Capital investment on energy conservation equipments: Nil

(B) Technology Absorption

- (i) Efforts made towards technology absorption: The Company has always been aware of the latest technological developments and adapted them to make products more cost effective and to attain high levels of quality.
- (ii) Benefits derived through use of machines: By using new technology, the Company is being able to get more accuracy in cutting fabrics, resulting in huge savings of fabrics, thus, leading to reduced consumption. At the same time, it also helps the Company to reduce the number of days of work in progress. Also, there is an improvement in the quality.
- (iii) In case of imported technology (imported during the last three years reckoned from the beginning of the Financial Year):
 - (a) Details of technology imported: The Company has imported machines with the latest and updated technology. 5 (five) Cutting machines have been imported - 2 (two) from Morgan Tecnica SPA, Italy and 3 (three) from Bierrebi Italia SRL, Italy.
 - (b) Year of import: 2012-13 and 2013-14
 - (c) Whether the technology has been fully absorbed: Yes
- (iv) Expenditure incurred on Research and Development: Nil

(C) Foreign Exchange Earnings and Outgo

Foreign Exchange earned in terms of actual inflows during the year: ₹ 17,72,68,916/-

Foreign Exchange outgo during the year in terms of actual outflows: ₹ 3,45,16,750/-

Note: Independent Directors are being paid sitting fees only.

[@] Appointed on November 5, 2015.

[§] For the period from August 13, 2014 to March 31, 2015, for the Financial Year 2014-15.

[#] For the period from November 14, 2014 to March 31, 2015, for the Financial Year 2014-15.

[^] For the period from February 18, 2015 to March 31, 2015, for the Financial Year 2014-15.

^{*} For the period from April 1, 2015 to December 21, 2015, for the Financial Year 2015-16.

Annexure to the Board's Report

(ii) The median remuneration of employees of the Company during the Financial Year was ₹ 1,51,469/-. Further, there has been no increase in the same.

(iii) Number of permanent employees on the rolls of Company as on March 31, 2016 was 576.

(iv) Relationship between average increase in remuneration and the Company's performance:

Revenue from Operations for the year 2015-16 was ₹ 1013.03 crores as compared to ₹ 969.07 crores for 2014-15. Net Profit was ₹ 77.95 crores in 2015-16 as against Net Profit of ₹ 65.71 crores in 2014-15. The remuneration during the year 2015-16 was in line with the Company's performance as well as at par with the market competitiveness considering the nature & size of industry and overall business affordability. Every year, the increase in salaries of the employees of the Company is decided on the basis of individual performance, Company's performance and a benchmarking exercise with similar profile organizations.

(v) Comparison of the Remuneration of the KMP against the performance of the Company:

Revenue from Operations increased by 4.54%, whereas Profit after Tax increased by 18.63% during the Financial Year as compared to the previous year. The remuneration of KMP has been shown in the table in clause (i) above. The remuneration of KMP increased by 21.29% from ₹ 104.22 lacs in 2014-15 to ₹ 126.41 lacs in 2015-16. The decrease in remuneration of Managing Director (KMP) shown in the said table is due to non-availing of perquisites by him during the year. The remuneration of KMP is in line with the performance of the Company.

(vi) (a) Variations in the Market Capitalization of the Company, Price Earnings (P/E) Ratio as at the closing date of the Financial Year 2015-16 and previous Financial Year:

Financial Year	NSE		BSE	
	P/E Ratio	Market Capitalization	P/E Ratio	Market Capitalization
31.03.2015	25.85	1698.64 crores	25.79	1693.87 crores
31.03.2016	27.90	2174.60 crores	28.00	2182.15 crores

(b) Percentage increase over/ decrease in the market quotations of the shares of the Company as compared to the rate at which the Company came out with the last public offer:

The Company had come out with the public issue in 1995-96 at ₹ 25/- per equity share of nominal value of ₹ 10/- each, at a premium of ₹ 15/- per share. Further, the Company had sub-divided each equity share of nominal value of ₹ 10/- each into 10 (ten) equity shares of ₹ 1/- each on April 9, 2011. As on March 31, 2016, the closing market price of 1 (one) equity share was ₹ 273.45. Therefore, an amount of ₹ 25/- for 1 (one) equity share invested in said public issue in 1995-96 would be worth 10 (ten) equity shares of ₹ 273.45 per share aggregating to ₹ 2734.50 per share as on March 31, 2016, after considering the said sub-division, representing 10838% increase over the said public issue price.

(vii) Average percentile increase made in the salaries of employees other than the managerial personnel in the Financial Year 2015-16 was 9.85%, whereas the decrease in the managerial remuneration for the same Financial Year was 14.95%. The managerial remuneration is linked to market trend and industry segment composition.

(viii) During the Financial Year 2015-16, no employee in the Company received remuneration in excess of the highest paid Director.

(ix) The key parameters for the variable component of remuneration availed by the Directors are considered by the Board of Directors based on the recommendations of the Nomination and Remuneration Committee as per the Remuneration Policy of the Company.

(x) We hereby affirm that the remuneration paid is as per the Remuneration Policy of the Company.

(xi) The Managing Director and the Whole-time Directors of the Company do not receive commission from its Wholly-owned Subsidiaries.

Annexure to the Board's Report

Annexure – III

Policy on Appointment and Remuneration

This Policy reflects the Company's objectives for good corporate governance as well as sustained and long-term value creation for stakeholders. This Policy will also help the Company to attain Board diversity and create a basis for succession planning. In addition, it is intended to ensure that –

- a) The Company is able to attract, develop and retain high-performing and motivated executives in a competitive international market;
- b) The executives are offered a competitive and market aligned remuneration package, with fixed salaries being a significant remuneration component, as permissible under the applicable law;
- c) Remuneration of the executives is aligned with the Company's business strategies, values, key priorities and goals.

Board Diversity Criteria

In the process of attaining optimal Board Diversity, the following criteria need to be assessed:

(i) Optimum Composition

- a. The Board shall have an optimum combination of Executive and Non-executive Directors and not less than 50 (fifty) percent of the Board of Directors comprising Non-executive Directors.
- b. At least half of the Board should comprise of Independent Directors (where the Chairman of the Board is executive) or at least one-third of the Board consisting of Independent Directors (where the Chairman of the Board is Non-executive).
- c. In any case, the Company should strive to ensure that the number of Independent Directors do not fall below 3 (three) so as to enable the Board to function smoothly and effectively.
- d. The Company shall have at least 1 (one) Woman Director on the Board to ensure that there is no gender inequality on the Board.

(ii) Functional Diversity

- a. Appointment of Directors to the Board of the Company should be based on the specific needs and business of the Company. Appointments should be done based on the qualification, knowledge, experience and skill of the proposed appointee which are relevant to the business of the Company.
- b. Knowledge of and experience in domain areas such as finance, legal, risk, management, etc. should be duly considered while making appointments to the Board level.
- c. While appointing Independent Directors, care should be taken as to the independence of the proposed appointee.
- d. Directorships in other companies may also be taken into account while determining the candidature of a person.
- e. Whole-time Directors of the Company may be considered to head functional area/ business division of the Company based on his/ her expertise of the function/ division.

(iii) Stakeholder Diversity

The Company may also have Directors on its Board representing the interest of any financial institution or any other person in accordance with the provisions of its Articles of Association and/ or any agreement between the Company and the nominating agency.

Principles for selection of Independent Directors

The nomination of the Independent Directors of the Company shall be in accordance with the principles as stated hereunder and other relevant provisions of applicable law:

- (a) is a person of integrity and possesses relevant expertise and experience;
- (b) is or was not a promoter of the Company or its holding, subsidiary or associate company and not related to promoters or Directors in the Company, its holding, subsidiary or associate company;
- (c) has or had no pecuniary relationship with the Company, its holding, subsidiary or associate company, or their promoters or Directors, during the two immediately preceding Financial Years or during the current Financial Year;
- (d) none of whose relatives has or had pecuniary relationship or transaction with the Company, its holding, subsidiary or associate company, or their promoters, or Directors, amounting to 2% or more of its gross turnover or total income or fifty lakh rupees or such higher amount as may be prescribed, whichever is lower, during the two immediately preceding Financial Years or during the current Financial Year;

Annexure to the Board's Report

- (e) neither himself nor any of his relatives—
- (i) holds or has held the position of a key managerial personnel or is or has been employee of the Company or its holding, subsidiary or associate company in any of the three Financial Years immediately preceding the Financial Year in which he is proposed to be appointed;
 - (ii) is or has been an employee or proprietor or a partner, in any of the three Financial Years immediately preceding the Financial Year in which he is proposed to be appointed, of (a) a firm of auditors or company secretaries in practice or cost auditors of the Company or its holding, subsidiary or associate company; or (b) any legal or a consulting firm that has or had any transaction with the Company, its holding, subsidiary or associate company amounting to 10% or more of the gross turnover of such firm;
 - (iii) holds together with his relatives 2% or more of the total voting power of the Company; or
 - (iv) is a chief executive or director, by whatever name called, of any non-profit organisation that receives 25% or more of its receipts from the Company, any of its promoters, Directors or its holding, subsidiary or associate company or that holds 2% or more of the total voting power of the Company;
- (f) shall possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations or other disciplines related to the Company's business.

Overall criteria for selection of Executives

The assessment for Senior Management will be done on the basis of below parameters by the concerned interview panel of the Company—

a) **Competencies:**

- Necessary skills (Leadership skill, Communication skills, Managerial skills etc)
- Experiences & education to successfully complete the tasks
- Positive background reference check

b) **Capabilities:**

- Suitable or fit for the task or role
- Potential for growth and the ability and willingness to take on more responsibility
- Intelligent & fast learner, Good leader, Organizer & administrator, Good analytical skills, Creative & innovative

General policies for remuneration

The various remuneration components would be combined to ensure an appropriate and balanced remuneration package. The remuneration components are –

- Fixed, base remuneration (fixed supplements)
 - Short-term incentives, i.e., performance-based pay (variable)
- The fixed remuneration would be determined on the basis of the role and position of the individual, including professional experience, responsibility, job complexity and local market conditions. The short-term incentives motivates and rewards high performers who significantly contribute to sustainable results, perform according to set expectations for the individual in question, and generates stakeholder value within the group.
- Any fee/ remuneration payable to the Non-executive Directors of the Company shall abide by the following norms –
- i. Such Director(s) may receive remuneration by way of fee for attending meetings of the Board or Committee thereof or for any other purpose whatsoever as may be decided by the Board, as permissible under applicable law;
 - ii. An Independent Director shall not be entitled to any stock option and may receive remuneration only by way of fees and reimbursement of expenses for participation in meetings of the Board or Committee thereof and profit related commission, as may be permissible under the applicable law.

The detailed policy is available in the website of the Company at http://rupa.co.in/site/wp-content/uploads/2015/10/Remuneration_Policy.pdf.

Annual Report on CSR Activities

[Pursuant to Clause (o) of sub-Section (3) of Section 134 of the Companies Act, 2013 (the Act) and Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014]

1. **A brief outline of the Company's CSR policy, including overview of projects or programs undertaken/ proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs:**

Rupa & Company Ltd ("the Company") operates with a strong belief that giving back to the society and contributing towards its sustainable development is every organizations responsibility. The Company and its people are committed to society, ecology and environment. The Company also realizes that caring for the society, country and the planet is not philanthropy or generosity— *it is the very way of doing sustainable business.*

CSR Committee's Vision is "improving lives in pursuit of collective development and environmental sustainability." This vision should encompass all CSR activities of the Company. CSR Committee's Mission is primarily to pursue initiatives directed towards enhancing welfare measures of the society based on long term social and environmental consequences of the CSR activities. Within the above mission, the CSR Committee chooses Priority Projects from time to time. The objective is not only to guide the Company and its people to indulge in social activities but also to integrate the business processes with social processes. The Company believes that the CSR Policy of the Company is the Company's faith in socially inclusive and sustainable business as the way of doing business.

During the Financial Year 2015-16, the Company has contributed significantly for making available safe drinking water at public places. Further, it has also contributed towards eradicating poverty, health care and livelihood enhancement projects. In order to serve the society, the Company has also forayed into the field of education by setting up the Sobhasaria Engineering College in Sikar, Rajasthan. The Company also provides vocational training to the needy through the trust, Rupa Foundation.

The CSR Policy of the Company is available on the website of the Company at: <http://rupa.co.in/site/wp-content/uploads/2015/10/corporate-social-responsibility-policy.pdf>

2. **The Composition of the CSR Committee:**

Mr. Prahlad Rai Agarwala - Chairman

Mr. Kunj Bihari Agarwal - Member

Mr. Vinod Kumar Kothari - Member

3. **Average net profit of the Company for the last 3 (three) Financial Years: ₹ 95,98,66,467/-**
4. **Prescribed CSR Expenditure (two per cent of the amount as in item 3 above): ₹ 1,91,97,329/-**
5. **Details of CSR spent during the Financial Year:**
 - i) Total amount to be spent for the Financial Year: ₹ 1,91,97,329/-
 - ii) Amount unspent: Nil
 - iii) Manner in which the amount spent during the Financial Year is detailed below:

SECRETARIAL AUDIT REPORT

for the year from April 1, 2015 to March 31, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Rupa & Company Limited
Metro Tower, 8th Floor,
1, Ho Chi Minh Sarani,
Kolkata - 700 071

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Rupa & Company Limited** (hereinafter called the “Company”). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the period covered by our audit, that is to say, from April 01, 2015 to March 31, 2016 (hereinafter referred to as “Audit Period”), complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanisms in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on March 31, 2016 and as shown to us during our audit, according to the provisions of :

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment and External Commercial Borrowings;
5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) viz :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 – **Not applicable during the review period;**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – **Not applicable during the review period;**
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **Not applicable during the review period;**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – **Not applicable during the review period;** and
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Annexure to the Board's Report

6. Laws specifically applicable to the industry to which the Company belongs, as identified by the management, that is to say:
 - a. Environment Protection Act, 1986;
 - b. The Air (Prevention & Control of Pollution) Act, 1981;
 - c. The Water (Prevention & Control of Pollution) Act, 1974;
 - d. The Legal Metrology Act, 2009;
 - e. Intellectual Property Acts;
 - f. Consumer Protection Act, 1986

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard - 1 & Secretarial Standard - 2 issued by ICSI.
- (ii) The Equity Listing Agreements entered into by the Company with the National Stock Exchange of India Ltd & BSE Ltd.

The Company has further confirmed that during the Audit Period they have not contravened any of the provisions of the above specific laws and had obtained all the requisite registrations, permits and licenses.

During the Audit Period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

We further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Woman Director and Independent Directors. The changes in the composition of the Board of Directors that took place during the Audit Period were carried out in compliance with the provisions of the Act.
2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
4. During the Audit Period, the Company has not incurred any specific event/ action that can have a major bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards, etc.

Procedure for monitoring and ensuring compliance with General Laws

We have been informed that a proper procedure has been laid down to monitor and ensure compliance with general laws. On perusal of the documents provided by the Company, we observed that the Company has a system of ensuring compliance with applicable laws. The Company Secretary of the Company also provides an internal compliance certificate which is placed in the Board Meetings.

Our Secretarial Audit Report for the financial year ended March 31, 2016 of even date is to be read along with the annexure to this letter.

Thanking you,

For **Nidhi Bagri & Company**

Management Discussion and Analysis

Industry Structure and Development

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). According to the Economic Survey 2015-16, the Indian economy will continue to grow more than 7% in 2016-17.

The improvement in India's economic fundamentals has accelerated in the year 2015 with the combined impact of strong government reforms, RBI's inflation focus supported by benign global commodity prices.

India was ranked the highest globally in terms of consumer confidence during October-December quarter of 2015, continuing its earlier trend of being ranked the highest during first three quarters of 2015, as per the global consumer confidence index created by Nielsen.

Market size

According to IMF World Economic Outlook Update (January 2016), Indian economy is expected to grow at 7-7.75% during Financial Year 2016-17, despite the uncertainties in the global market. The Economic Survey 2015-16 had forecasted that the Indian economy will grow by more than 7% for the third successive year 2016-17 and can start growing at 8% or more in next two years.

Foreign Direct Investment (FDI) in India has increased by 29% during October 2014-December 2015 period post the launch of "Make in India" campaign, compared to the 15-month period before the launch.

The Nikkei/ Markit Manufacturing Purchasing Managers' Index (PMI) for February 2016 was reported at 51.1, indicating expansion in Indian manufacturing activity for a second month in a row, as both domestic and foreign demand increased due to lower prices.

The steps taken by the Government in recent times have shown positive results as India's Gross Domestic Product (GDP) at factor cost at constant (2011-12) prices 2015-16 is ₹ 113.5 trillion (US\$ 1.668 trillion), as against ₹ 105.5 trillion (US\$ 1.55 trillion) in 2014-15, registering a growth rate of 7.6%. The economic activities which witnessed significant growth were 'financing, insurance, real estate and business services' at 11.5% and 'trade, hotels, transport, communication services' at 10.7%.

According to a Goldman Sachs report released in September 2015, India could grow at a potential 8% on average during fiscal 2016 to 2020 powered by greater access to banking, technology adoption, urbanisation and other structural reforms.

Textile Industry

The Indian Textiles Industry, currently estimated at around US\$ 108 billion, is expected to reach US\$ 223 billion by 2021. The Industry is the second largest employer after agriculture, providing employment to over 45 million people directly and 60 million people indirectly. The Indian Textile Industry contributes approximately 5% to India's GDP and 14% to overall Index of Industrial Production (IIP).

The Indian Textile Industry has the potential to reach US\$ 500 billion in size according to a study by Wazir Advisors and PCI Xylenes & Polyester. The growth implies domestic sales to rise to US\$ 315 billion from currently US\$ 68 billion. At the same time, exports are implied to increase to US\$ 185 billion from approximately US\$ 41 billion, currently.

The future for the Indian Textile Industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players venturing into the Indian market. The organised apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13% over a 10-year period.

Innerwear Category

The Innerwear category is one of the high growth categories in the apparel market and promises growth and innovation. The increase in income levels, along with higher discretionary spending, growing fashion orientation of consumers and product innovations by the innerwear market have turned innerwear from a traditionally utilitarian item to an essential fashion requirement. The size of the Indian innerwear market is INR 15,870 crores (USD 2.9 billion); the category is also

Management Discussion and Analysis

growing at an impressive CAGR of 12% and is expected to reach INR 27,900 crores (USD 5.1 billion) by 2017. The women's innerwear market, which is driven by value-added innerwear products, contributes around 60% to the market. The growth of the innerwear category is primarily centered in urban India. The trend towards western outfits, combined with the demand for occasion and outfit-based innerwear, is acting as a boost for the market. The demand for innerwear with higher functionality and greater comfort is rising fast. The market for innerwear product variations like seamless intimates, plus size inner wear, body shape enhancers, etc. is burgeoning in the metros and mini metros.

The Men's Innerwear Market

The men's innerwear market, worth INR 6,330 crores (USD 1.2 billion) is characterized by the presence of numerous Indian and international brands catering to different segments of the market. Though many fashion/ apparel players have extended their existing brand labels in menswear to men's innerwear as well, but the product recall of players with focus solely on innerwear products is comparatively higher. The various sub-categories of men's innerwear include vests, briefs/ boxers, basic t-shirts, shorts/ pyjamas, sleepwear and activewear. Consumers mostly purchase branded products for vests and brief/ boxers, which are the largest category offerings from leading innerwear brands. On the basis of product pricing, this market is further sub-divided into super premium, premium, medium and economy segments. The economy segment contributes around 56% to the market, while the mid-price segment makes up 30%, the remaining 14% comes from premium and super premium segments. The premium and mid-price segments are expected to witness a higher growth rate within this market. In these segments, the consumer seeks higher fashion orientation and higher comfort, as well as a strong brand name. The younger consumers in the metros engage with brands primarily within the premium segment. It has been observed that consumers in the Tier I cities play across segments, i.e. premium as well as mass segment; however, the premium segment largely fuels the aspiration quotient. In the mid-price and economy segments, value for money, easy availability and comfort play a vital role in the consumers' purchase decisions. These consumers, of men's innerwear, can be segregated into four groups on the basis of their attitude towards innerwear products and their buying behavior. These are: Young Aspirers, Discerning Urbanites, Optimistic Pursuers and Corporate Climbers. The Young Aspirer group comprises men employed in high-paying jobs, who have high disposable incomes; they are ambitious and demonstrate a keenness to purchase branded innerwear. The Discerning Urbanite group consists of men employed in well-paying jobs, but they evaluate value on a benefit and convenience metric rather than purely on price. They engage with innerwear brands for the promise of quality and show no qualms paying a premium when quality is assured. The Optimistic Pursuer group includes men from smaller cities who are eager to pursue a prosperous lifestyle; they aspire to have a metro-like life and they seek opportunities to experiment with aspirational brands. The Corporate Climber group of consumers is made up of men who dream big and are keen to make a place for themselves. They have high aspirations, thus, they want to engage with brands. But with limited disposable incomes, these people are cautious buyers.

The Women's Innerwear Market

The women's innerwear market, worth INR 9,540 crores (USD 1.7 billion), is one of the fastest growing categories within women's apparel. This category is growing at a CAGR of 14%, and is expected to reach INR 18,380 crores (USD 3.4 billion) by 2017. The women's innerwear market is considered to be more dynamic, with many design variation and the regular introduction of innovative products. Contrary to men's innerwear where a consumer comes across advertisements for several brands on a daily basis, brand promotion and advertising activities are comparatively lower in women's innerwear.

The sub-categories in women's innerwear include brassieres, panties, camisoles, basic t-shirts, shorts/ pyjamas, sleepwear, activewear and maternity wear. Consumers in this category mostly purchase branded brassieres and panties, which constitute more than 90% of the category mix. However, the penetration of brands is comparatively low for other sub-categories like camisoles, sleepwear, etc. When it comes to price-wise segmentation, the women's innerwear market is dominated by products of mid-price and economy segment. These segments together contribute 80% of the market, while the remaining 20% comes from the premium and super premium segments. Like men's innerwear, the mid-price and premium segments are expected to grow more rapidly within women's innerwear categories. On the basis of demographics, behavior traits, lifestyle activities and purchase patterns, the typical consumers of the women's innerwear market can be divided into three distinct categories: Urbane Enthusiasts, Exuberant Seekers and Thriving Homemakers. The Urbane Enthusiasts consists of young women employed in well-paying jobs who engage themselves with brands. The consumers in the Exuberant Seekers category live in the mini metros and tend to be ambitious and keen to make a mark for themselves.

Management Discussion and Analysis

They are normally keen to experience modern retail formats and try aspirational innerwear brands. Consumers belonging to the Thriving Homemaker category generally live in the smaller cities. As homemakers, they do not have high disposable incomes and are primarily value seekers.

Future Outlook

Simply put, the future of the apparel market and the innerwear category looks promising. At the same time, fashion retailers have to face some daunting challenges prior to tapping the extant opportunities. Rising real estate costs, increasing power tariffs and supply chain inefficiencies are some of the issues that have to be tackled with utmost prudence. The growth story of Indian consumption is expected to revive in the medium to long term, but it will require improvements in the overall business performance and managerial prudence of the highest degree to benefit from this growth. To emerge a winner in a market marked by the presence of multiple players, brands and retailers have to optimize their business operations by addressing the challenges and harnessing market opportunities. Understanding the psyche of the Indian consumer, amalgamating the Indian style of functioning with western management techniques and tailoring fashion offerings to defined consumer segments, are some of the key areas upon which fashion and innerwear players have to focus.

The Indian apparel market has demonstrated resilience and growth in an environment characterized by slow economic growth. The domestic apparel market, which was worth INR 2,07,400 crores (USD 38 billion) as of 2012, is expected to grow at a compound average growth rate (CAGR) of 9% over the next decade. Further, the recent omission of excise duty on branded apparel has provided an impetus to retailers in terms of the overall market sentiment.

The Menswear Market

With a market size of INR 87,500 crore (USD 16 billion) in 2012, menswear is the largest segment in India's apparel market, accounting for 42% of the overall market. In comparison, womenswear makes up 38%, while kidswear comprises 20% of the market.

Market Size and Growth Projections

The menswear market can be divided into various categories including woven shirts, trousers, denims, winterwear, innerwear, t-shirts, suits, activewear, ethnic wear and dailywear. The woven shirts category is the single largest within the menswear market, followed by trousers and denim. The menswear market is expected to grow at a CAGR of 8.5% over the next five years to reach INR 1,31,000 crores (USD 24 billion) by 2017.

High Growth Categories

Denim, activewear and t-shirts are high growth categories within menswear segment with CAGRs of 16%, 14% and 12%, respectively. Despite the not so optimistic economic scenario of 2012, the demand for denim is growing among men, especially the younger generation. The entire denim market of India hinges around the men's denim segment which contributes 80% to the market. The heightened acceptance of casual or 'Friday' dressing, and the penetration of denim into Tier II and Tier III cities and rural India are contributing to the growth of men's denim in India. The activewear category primarily constitutes of sportswear, gymwear and swimwear. Increasing health consciousness has made sports, gym,

Management Discussion and Analysis

jogging, swimming, yoga, etc. an essential part of modern life, especially in metros, as a result of which the demand for activewear is on the rise within Indian menswear market. The shift from formal attire to comfort-oriented casual attire is driving the market for men's t-shirts, alongside the demand for denim.

Market Trends

Menswear consumers are in a phase of transition; they no longer want to stick to wearing apparel of defined styles and silhouette but also want to experiment with the look of the clothing. The demand for occasion-specific clothing is rising within the menswear segment, e.g., the modern Indian male can be seen in activewear at the gym in the morning; in formal shirts, trousers and suits during office hours; in smart casuals in the evening; and in dailywear/ sleepwear at night. The demand for ethnic dressing at special occasions like marriages and social functions is also a distinct trend. Many brands have specifically forayed into men's ethnicwear to cater to this demand.

The menswear segment is also witnessing an increase in the demand for colored bottomwear. In addition to the traditional colors, viz. black, blue, brown and grey, Indian men have started experimenting with newer colors like red, green, orange, etc. Almost all domestic and international brands have started offering men's bottomwear in newer colors; they are also optimistic about the growth of colored trousers and denim.

Another interesting trend in the menswear market is the steady growth in the premium tailoring segment comprising the fashion designers and the bespoke/ luxury segment. Customers in the super premium segment are willing to pay a premium to ensure that their tailor-made clothing reflects their own personality and also helps them differentiate themselves and get noticed.

The Womenswear Market

The INR 78,500 crores (USD 14.4 billion) worth womenswear market contributes 38% of the total apparel market of India. The growth of this market is more rapid than the menswear market. With the relatively lower penetration of brands and the growing disposable income of modern women, this segment has become the focus of many Indian and international brands.

Market Size and Growth Projections

The womenswear segment comprises various categories that includes saree, salwar kameez, innerwear, blouse, winterwear, sleepwear, tops/ shirts, trousers, skirts, denim, t-shirts, etc. Indian ethnicwear, which includes saree, salwar kameez and blouse, is the biggest category within the segment with a 75% share of the entire womenswear market. The market is expected to grow at a CAGR of 9% for the next five years to reach a figure of INR 1,21,400 crores (USD 22.3 billion) by 2017.

High Growth Categories

Denim, innerwear, and tops/ shirts/ t-shirts are the high growth categories within the womenswear segment, a consequence of the growing acceptance of women's westernwear in the Indian market. Denim is growing at a CAGR of 17%, women's innerwear at 14%, and tops/ shirts/ t-shirts at 11%. Denim is penetrating deeper among women in the metros and mini metros, especially among the younger generation. Even working women in smaller cities have started accepting denim as a casual outfit. The growing focus of retailers and brands on women's denim will also contribute to its further penetration. The high growth of the innerwear category is driven by the transition of innerwear from a utility-based product to an aspirational one.

Market Trends

With increasing women in the workforce and the growing economic independence of women, the demand for women's westernwear is at an all-time high, thanks to which women's westernwear is emerging a clear winner in the womenswear market. This trend is expected to continue as more women enter into the workforce or aspire to follow the lifestyle of working women. Within working women, there is a clear trend indicating the growing acceptance of women's dresses and western formal wear. The working women in the metros and mini metros, in addition to traditional sarees and salwar kameez, are moving towards dresses, formal suits and business attire. Though these markets may remain relatively small, they are expected to grow rapidly.

Management Discussion and Analysis

Despite the trend of consumers moving away from ethnicwear, some sub-categories within women's ethnicwear are emerging as promising business opportunities. The demand for contemporary ethnicwear with trendy look and comfort elements is accelerating. Even the traditional ethnicwear sub-category is witnessing the entrance of a growing number of organized players who assure the desired quality and right fit. The fusion of western style and cuts and even knitted fabrics with basic Indian ethnic designs is another noticeable trend in the womenswear market.

Opportunities

- The Indian innerwear market continues to be underpenetrated and thereby holds immense business opportunities;
- Growing penetration of organized retail market;
- With increasing disposal incomes and customers' willingness to shell out more for better quality innerwear products, resulting into distinctive shift from price sensitivity to brand sensitivity;
- Consumers' becoming more aspirational and brand savvy because of increasing fashion consciousness;
- Increasing urban population and women corporate workforce;
- Improving connectivity with villages generating awareness for better quality of life and fashion;
- Increasing local sourcing by global brands/ retailers in India.

Threats

- Emerging multi-national brands and their entry to the Indian market;
- Increasing apparel imports from other countries;
- Impact of global economic slowdown on India's consumption;
- Higher costs involved in brand building;
- E-commerce penetration & B2C.

Risks and Concerns

Cotton yarn and fabric accounts for approximately 70% of the total raw material cost. If the Company is unable to mitigate the impact of the increase in raw material prices it will have an adverse impact on the Company's profitability. Also, too many price hikes will take a toll on the volume growth of the Company.

The textile industry is a highly labour intensive industry and lack of availability of skilled labour will hinder its expansion plans.

The improving Indian demographics have given credence to the Indian consumption story. Any blip in economic growth for an elongated period will impact the discretionary spends thereby negatively impacting the earning potential of the Company.

Changing customers' preference rapidly from one brand to another makes it difficult for a Company to establish a permanent connect and in gaining brand loyalty, consequently, leading to loss of business to its competitors.

The Company is exposed to normal industry risk factors of competition, economic cycle and uncertainties in the international

Management Discussion and Analysis

and domestic markets and credit risk. The Company manages these risks, by maintaining a prudent financial profile and by following healthy business and risk management practices.

Internal Control System and their Adequacy

The Company has an adequate system of Internal Control System commensurate with its nature of business and size of operations to safeguard and protect from loss, unauthorized use or disposition of Company's resources. The transactions are properly authorized, recorded and reported to the management. Systems and procedures exist to ensure that all transactions are recorded as necessary to permit preparation of Financial Statements in conformity with Generally Accepted Accounting Principles (GAAP) or any other criteria applicable to such statements, and to maintain accountability for aspects. The internal audit process reviews the in-system checks, covering significant operational areas regularly. The Company's Audit Committee reviews the Internal Audit Report submitted by the Internal Auditors. Suggestions for improvements are considered and the Audit Committee follows up on the implementation of corrective actions. The Audit Committee also invites the Statutory and Internal Auditors for regular meetings to ascertain their views on the adequacy of Internal Control System and keeps the Board of Directors informed of its observations from time to time.

Accounting Treatment

In the preparation of Financial Statements, the treatment as prescribed in the Accounting Standard has been followed.

Human Resources

The Human Resources (HR) function is instrumental in creating and developing human capital in alignment with the Company's requirement. One of the key focus areas in the Company's objective is to groom and to train employees. It imparts specialized and technical training to its employees at regular intervals, which enrich their knowledge, skill and competency to perform their job effectively and efficiently. The Company firmly believes that employee motivation, development and engagement are key aspects of good HR management. Further, the focus is on enriching the quality of life of its employees, developing their potential and maximizing their productivity. The HR strategy enables the Company to attract, integrate and retain the best talent required for driving its business growth. This also encourages employees to shoulder more responsibilities and take part in the growth of the Company's business. As on March 31, 2016, the number of permanent employees was 576. The industrial relations were also cordial during the period under review.

Cautionary Statement

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations are 'forward-looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations includes economic conditions affecting demand/ supply and price conditions in the markets in which the Company operates, changes in Government regulations, tax laws, statutes and other incidental factors.

Corporate Governance Report

Company's Philosophy on Code of Governance

Corporate Governance is a system by which corporate entities are directed and controlled, encompassing the entire mechanics of the functioning of a Company. Good Corporate Governance practices are a *sine qua non* for sustainable business that aims at generating long term value to all its shareholders and other stakeholders.

The Company believes that strong governance standards, focusing on fairness, transparency, accountability and responsibility are vital not only for the healthy and vibrant corporate sector growth, but also for inclusive growth of the economy. The Company has always focused on good Corporate Governance, which is a key driver of sustainable corporate growth and long term value creation for its stakeholders. The Company has measures to periodically review and revise the Corporate Governance practices by subjecting business processes to audits and checks that measures up to the required standards. The Company believes that Corporate Governance is not just limited to creating checks and balances; it is more about creating organizational excellence leading to increasing employee and customer satisfaction and shareholder value. The Company always endeavors to leverage its human and capital resources to translate opportunities into reality, create awareness of corporate vision and spark dynamism and entrepreneurship at all levels.

Listing Agreement

The Securities and Exchange Board of India ('SEBI'), on September 2, 2015 notified SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), which were made effective from December 1, 2015. Accordingly, all listed entities were required to enter into fresh Listing Agreement within 6 (six) months from the date of notification of the said Regulations with the Exchanges with which the securities of the Company are listed. The Company has entered into fresh Listing Agreement with National Stock Exchange of India Limited (NSE) and BSE Limited (BSE). The Company has complied with the provisions of Clause 49 of the erstwhile Equity Listing Agreement for the period up to November 30, 2015 and thereafter, complied with the provisions of the new Listing Regulations, as applicable to the Company.

Board of Directors

The Board of Directors ('Board') of your Company provides leadership, strategic guidance and independent view to the Company's management while discharging its responsibilities. The Board consists of distinguished persons having requisite knowledge and expertise in business & industry, corporate governance, corporate finance, taxation, legal matters, strategic & risk management, marketing, etc.

Composition of the Board

The Board of the Company have an optimum combination of Executive Directors and Non-executive Directors, including Independent Directors and Women Director, meeting with the requirement of Regulation 17(1) of the Listing Regulations and Section 149 of the Companies Act, 2013 ('the Act') read with the allied rules. On March 31, 2016, the Board consists of 12 (twelve) Directors, 6 (six) of whom are Independent Non-executive Directors, constituting 50% of the Board's strength, 5 (five) Executive or Whole-time Directors, who are also Promoters of the Company and 1 (one) Additional Director Executive, Non-Promoter. The Chairman is an Executive Director.

^{*}Only covers Membership/ Chairmanship of Audit Committee and Stakeholders' Relationship Committee of other Public Limited Companies.

[^]Appointed as an Additional Director Executive on November 5, 2015.

The number of Directorships, Committee Membership(s)/ Chairmanship(s) of all Directors is within the limits as prescribed under the Act and the Listing Regulations.

Board Procedure

The Board meets at least once in a quarter to review the quarterly business and the financial performance of the Company apart from other Board business. However, the Board's function is not limited to matters requiring approval of the Board statutorily. The Board is involved in all the important decisions relating to the Company and policy matters, strategic business plans, new avenues of investment and expansion, compliance with statutory/ regulatory requirements, major accounting provisions, etc. The Independent Directors provides an effective monitoring role and plays an important role in deliberations at the Board and Committee Meetings and bring to the Company their expertise in the fields of business, corporate governance, strategic & risk management, finance, management and law.

The Company, from time to time, takes several initiatives for its Independent Director to familiarize them with the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company, etc. The detail of familiarization programme is disclosed on the website of the Company. The same can be accessed at http://rupa.co.in/site/wp-content/uploads/2015/10/Familiarization_Programme_for_Independent_Directors.pdf.

The Meetings of the Board are generally convened at the Company's Registered Office at Kolkata. In case of urgency or when the Board Meeting is not practicable to be held, the matters are resolved via circular resolution as permitted by law, which is noted and confirmed in the subsequent Board Meeting. However, no circular resolution was passed during the year under review.

The Board Meetings are generally scheduled well in advance and the notice of the same is given in writing to each Director. The Board papers, comprising the agenda backed by comprehensive background information, are circulated to the Directors in advance as prescribed by the law, to enable the Directors to take an informed decision and, in exceptional cases, the same is tabled at the Board Meeting. The Board is also free to recommend the inclusion of any matter for discussion in consultation with the Chairman and with the consent of majority of the Directors present in the Meeting, including one Independent Director.

Corporate Governance Report

To enable the Board to discharge its responsibilities effectively, the members of the Board are briefed at the Board Meeting on the overall performance of the Company. The information as specified in Regulation 17(7) of the Listing Regulations is made available to the Board, wherever applicable.

The Minutes of the Board Meetings are circulated to all the Directors and confirmed at the subsequent Meeting. The Minutes of the Meetings of the Committees of the Board are placed before the Board Meeting of the Company for its review. Also, the Minutes of the Board Meetings of the Subsidiary Companies are placed at the Board Meetings of the Company for its review.

Disclosures

i) **Disclosure on materially significant related party transactions, that may have potential conflict with the interests of the Company at large**

There are no materially significant related party transactions made by the Company with its subsidiaries, its promoters, directors or management, or their relatives, etc. that may have potential conflict with the interests of the Company at large. Further, disclosure of transactions with related parties is set out in Note 40 in Notes to the Financial Statements, forms part of this Annual Report.

The policy on Related Party Transactions and policy for determining 'material' subsidiaries has been uploaded on the website of the Company. The same can be accessed at <http://rupa.co.in/site/wp-content/uploads/2015/10/policy-on-related-party-transactions.pdf> and http://rupa.co.in/site/wp-content/uploads/2015/11/Policy_on_Determination_of_Materiality.pdf, respectively.

ii) **Details of non-compliance by the Company, penalties, strictures imposed on the Company by Stock Exchanges or SEBI or any statutory authority, on any matter related to capital markets, during the last 3 (three) years**

The Company has complied with all requirements of the Listing Agreements entered into with the Stock Exchanges as well as the Regulations and Guidelines of SEBI. Consequently, there were no strictures or penalties imposed on the Company by either SEBI or the Stock Exchanges or any statutory authority for non-compliance of any matter related to the capital markets during the last 3 (three) years.

Corporate Governance Report

iii) **Establishment of Vigil Mechanism, Whistle Blower Policy and affirmation that no personnel have been denied access to the Audit Committee**

In terms of Regulation 22 of the Listing Regulations and Section 177 of the Act, read with the Rules made there under, the Company has established a Vigil Mechanism and framed a 'Whistle Blower Policy'.

Audit Committee looks into the complaints raised, if any and their redressal. No personnel have been denied access to the Audit Committee and there were no cases reported during the Financial Year ended March 31, 2016.

The Policy has been uploaded on the website of the Company. The same can be accessed at, <http://rupa.co.in/investors/corporate-governance/whistle-blower-policy/>.

Non-Compliance with the requirements of Corporate Governance Report

There has been no non-compliance with any of the requirement of Corporate Governance Report as prescribed under Regulation 34, read with Para C of Schedule V of the Listing Regulations.

Compliance with the discretionary requirements under Listing Regulations

All the mandatory requirements of the Listing Regulations are being complied with and the Discretionary or Non-mandatory requirements prescribed under the Listing Regulations are adopted wherever necessary. The Company has adopted the following discretionary requirements:

- The Auditor's Report on the Company's Financial Statements is unmodified.
- The Company has appointed separate person for the post of Chairman and Managing Director.
- The report of the Internal Auditors is placed before the Audit Committee on a quarterly basis and the same is reviewed by the Audit Committee.

Compliance with Corporate Governance Requirements

The Company has complied with the Corporate Governance requirements as specified in the Listing Regulations.

Nomination

Individual shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the depository participants as per the bye-laws and business rules applicable to NSDL and CDSL. Nomination forms can be obtained from the Company's RTA and can be downloaded from the website of the Company. The same can be accessed at <http://rupa.co.in/investors/investor-services/nomination-form/>.

Electronic Clearing Service

The SEBI has made it mandatory for all the Companies to use the bank account details furnished by the depositories for crediting dividends through Electronic Clearing Services (ECS) to the investors wherever ECS and bank details are available. In the absence of ECS facility, the Company is required to print the bank account details on the dividend warrants and in the absence of bank account details the Company shall print the address of the investors on such payment instructions. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the money in the accounts specified on the dividend warrants and ensures safety for the investors.

However, Members who wish to receive dividend in an account other than the one specified while opening the Depository Account, may notify their DPs about any change in the bank account details.

Demat suspense account/ unclaimed suspense account

There were no shares underlying in the demat suspense account or unclaimed suspense account.

Corporate Governance Report

Auditors' Certificate regarding compliance with the conditions of Corporate Governance

To

The Members of

Rupa & Company Limited

We have examined the compliance of conditions of Corporate Governance by Rupa & Company Limited, for the year ended on March 31, 2016, as stipulated in Chapter IV of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreement of the said Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the provisions as specified in Chapter IV of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreement of the said Company with Stock Exchanges.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

FINANCIAL STATEMENTS

Independent Auditor's Report

To the Members of
Rupa & Company Limited

Report on the Financial Statements

We have audited the accompanying Standalone Financial Statements of Rupa & Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, in which are incorporated the returns for the year ended on that date audited by the branch auditors of the Company's branches at Tirupur unit.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Independent Auditor's Report

2. As required by section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- (c) The report on the accounts of the branch offices of the Company audited under Section 143 (8) of the Act by branch auditor has been sent to us and have been properly dealt by us in preparing this report;
- (d) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from branches not visited by us;
- (e) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (f) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure 2**" to this report;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 11 & 33 to the Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Other Matter

The accompanying financial statements include total assets of ₹ 1,49,26,13,885 as at March 31, 2016, and total revenues and profit before tax of ₹ 1,09,04,62,469 and ₹ 44,64,83,441 for the year ended on that date, in respect of two branches, which have been audited by branch auditors, whose financial statements, other financial information and auditor's reports have been furnished to us. Our opinion, in so far as it relates to amounts and disclosures included in respect of these branches is based solely on the report of such branch auditors. Our opinion is not modified in respect of this matter.

Annexure 1 to the Independent Auditor's Report

Annexure 1 referred to in paragraph 1 of the section on “Report on other legal and regulatory requirements” of our report of even date

- (i) (a) The Company has maintained proper records of fixed assets, except for quantitative details which the Company is in the process of updating.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the Company.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year. Inventories lying with outside parties have been confirmed by them as at year end.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products/services of the Company.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, custom duty, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in few cases. The provisions related to excise duty are not applicable to the Company.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, investor education and protection fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions related to excise duty are not applicable to the Company.
- (c) According to the records of the Company, the dues outstanding in respect of sales tax, income tax, custom duty, wealth tax, service tax, excise duty, value added tax & cess on account of any dispute, are as follows :-

Name of the statute	Nature of dues	Amount (₹)	Period to which the amount relates	Forum where dispute is pending
The Central Sales Tax Act, 1956	Demand relating to non-submission of C forms and other documents	44,50,608	2005-06	West Bengal Commercial Taxes Appellate & Revisional Board
The West Bengal Value Added Tax Act, 2003	Demand relating to non- submission of Local forms and other documents/dispute	11,15,690	2009-10	West Bengal Commercial Taxes Appellate & Revisional Board
The Income Tax Act, 1961	Disallowance of certain expenses	13,29,509	Assessment Year 2009-10 and 2011-12 to 2013-14	Commissioner of Income Tax (Appeals)

Annexure 1 to the Independent Auditor's Report

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to financial institutions and banks. Further, the Company did not have any dues to government or debenture holders during the year.
- (ix) According to the information and explanations given by the management, the Company has not raised any money by way of initial public offer/ further public offer and debt instruments. Further, term loans were applied for the purposes for which the loans were obtained.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable Accounting Standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the Balance Sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and, not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with them as referred to in Section 192 of the Companies Act, 2013.
- (xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Annexure 2 to the Independent Auditor's Report

Annexure to the Independent Auditor's Report of Even Date on the Standalone Financial Statements of Rupa & Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Rupa & Company Limited ("the Company") as of March 31, 2016, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Annexure 2 to the Independent Auditor's Report

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2016:

- (a) The Company's internal control system relating to reconciliation of packing material inventory were not operating effectively which could potentially result in misstatements of packing material inventory and consumption;
- (b) The Company's internal financial controls over timely issuance of purchase orders and their approval were not operating effectively which could potentially result in the Company recording unapproved purchases.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2016.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the Company's branches at Tirupur unit, is based on the reports of the branch auditors.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the Standalone Financial Statements of Rupa & Company Limited, which comprise the Balance Sheet as at March 31, 2016, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. This material weakness was considered in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 Standalone Financial Statements of Rupa & Company Limited and this report does not affect our report dated May 30, 2016, which expressed an unqualified opinion on those financial statements.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

1. Corporate Information

Rupa & Company Limited (the Company) is a public company domiciled in India. Its shares are listed on the National Stock Exchange of India Ltd. and Bombay Stock Exchange Ltd. The Company is primarily engaged in manufacture of hosiery products in knitted undergarments, casual wears and thermal wears. It also has a Power Generation Unit operated on Windmill process.

2. Summary of Significant Accounting Policies

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.2 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.3 Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs, if capitalization criteria are met, and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of fixed assets are required to be replaced at intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on fixed assets is provided under Straight Line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated over their useful lives; the remaining asset is depreciated over the life of the principal asset. The Company has used the following rates to provide depreciation on its fixed assets.

Class of Assets	Useful Lives estimated by the management (Years)
Factory Buildings	30
Non-factory Buildings	60
Plant and Equipments	10 to 15
Computer and Data Processing Equipments	3 to 6
Furnitures and Fixtures	10
Vehicles	8
Office Equipments	5

Notes to the Financial Statements

as at and for the year ended March 31, 2016

The management has estimated, supported by independent assessment by professionals, the useful lives of certain plant and equipment as 10 years. These lives are lower than those indicated in schedule II.

Leasehold land is amortized on a straight line basis over the period of lease, i.e., 90 years.

2.4 Intangible Assets

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful economic lives.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit & Loss. The useful lives over which intangible assets are amortised are as under:

Assets	Useful Life (in years)
Copyrights & Trade marks	10
Computer software	5

2.5 Borrowing Costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

2.6 Impairment

The carrying amount of assets (tangible and intangible) is reviewed at each balance sheet date, to determine if there is any indication of impairment based on the internal/external factors. An impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount which is the greater of net selling price and value in use of the respective assets. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and risk specific to the asset. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

2.7 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the long-term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.8 Inventories

Raw materials and packing materials are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials is determined on specific identification basis except packing materials, accessories and dyes and chemicals which are determined on weighted average basis.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of Work-in-progress (measured in kgs) is determined on specific identification basis and cost of work-in-progress (measured in pieces) and cost of finished goods is determined on Retail sales price method.

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of traded goods is determined on First in First out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.9 Foreign Currency Transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the period in which they arise.

Forward Exchange Contracts

The premium or discount arising at the inception of forward exchange contracts entered into to hedge an existing asset/liability, is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit & Loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract are recognised as income or as expense for the period.

2.10 Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of goods : Revenue from sale of goods is recognised upon passage of title to the customers, in accordance with the Sales of Goods Act, 1930. Sales are net of discounts, rebates and sales taxes. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenues.

Sale of Services : In contracts involving the rendering of services, revenue is measured using the completed service method.

Interest : Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividend : Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

Export Incentives : Export incentives are recognised when the right to receive such incentives as per the applicable terms is established in respect of the exports made and when there is no significant uncertainty regarding the ultimate realisation / utilisation of such incentives.

Insurance and other claims due to uncertainty in realisation are accounted for on acceptance basis.

2.11 Retirement and Other Employee Benefits

- (i) **Provident & Pension Fund** : Retirement benefits in the form of Provident and Pension Funds are defined contribution schemes and are charged to the statement of profit and loss of the period when the contributions to the respective funds are due. The Company has no obligation other than contributions to the respective funds. The Company recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the selected service.
- (ii) **Gratuity** : The company operates defined benefit plan for its employees, viz., gratuity. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses are recognized in full in the period in which they occur in the statement of profit and loss.
- (iii) The leave balances of the employees are only encashable during the year and cannot be accumulated and carried forward to next year.

2.12 Taxes on Income

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

2.13 Provisions and Contingent Liabilities

Provisions : A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

Contingent Liabilities : A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

2.14 Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

2.15 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that the company will comply with the conditions attached to them, and the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate.

Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

Government grants of the nature of promoter's contribution are credited to Capital reserve and treated as a part of Shareholder's funds.

2.16 Segment Reporting

Based on the synergies, risks and returns associated with business operations and in terms of Accounting Standard – 17, the Company is predominantly engaged in a single segment of Garments & Hosiery goods and related services during the year. The analysis of geographical segments is based on the areas in which customers of the Company are located.

2.17 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.18 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

	2015-2016	2014-2015
33. Contingent Liabilities		
a) Demands / claims by various government authorities and others not acknowledged as debts and contested by the government		
Income Tax matters	14,80,370	15,67,760
Sales Tax matters	55,66,298	5,71,14,600
*	70,46,668	5,86,82,360
b) Bank Guarantees outstanding	2,40,67,000	2,47,34,424
c) Letter of Credits issued by the Banks	–	2,58,74,301
d) During the year 2013-14, the Company had challenged, before the Hon'ble High Court of Calcutta, the imposition of entry tax by the State Government of West Bengal on receipt of materials from outside the state on the ground that such imposition of entry tax is ultra vires / unconstitutional. The Company has received a favorable interim order dated June 5, 2013 and the matter is presently sub judice. Accordingly, the liability of ₹ 3,24,14,820 (31st March, 2015: ₹ 23,563,135) has not been provided for	3,24,14,820	2,35,63,135

* The management believes that it is possible but not probable that action will succeed and accordingly no provision there against is considered necessary

34. As per information available with the company there are no suppliers covered under Micro, Small and Medium Enterprise Development Act, 2006. As a result, no interest provision/ payment have been made by the company to such creditors, if any.

35. Employee Benefit (Defined Benefit Plan)

The Company has a defined benefit gratuity plan. Every employee who has completed at least five years or more of service is entitled to Gratuity on terms as per the provisions of The Payment of Gratuity Act, 1972. The Company has got an approved gratuity fund which has taken an insurance policy with Life Insurance Corporation of India (LIC) to cover the gratuity liabilities.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the plan.

Notes to the Financial Statements

as at and for the year ended March 31, 2016

(Amount in ₹)

Independent Auditor's Report

To the Members of
Rupa & Company Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Rupa & Company Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), comprising of the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as ‘the consolidated financial statements’).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 (“the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2016, their consolidated profit, and their consolidated cash flows for the year ended on that date.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We/ the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the auditors who are appointed under Section 139 of the Act and of its subsidiary companies incorporated in India, none of the directors of the Group's companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporated in India, refer to our separate report in "Annexure 1" to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group – Refer Note 11 and 32 to the consolidated financial statements;
 - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

Other Matter

The accompanying consolidated financial statements include total assets of ₹ 1,59,02,63,514 as at March 31, 2016, and total revenues and net cash inflows of ₹ 1,10,85,05,887 and ₹ 1,06,10,614 for the year ended on that date, in respect of 3 subsidiaries and certain branches of the Holding Company, which have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and branches, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and branches, is based solely on the reports of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Annexure 1 to the Independent Auditor's Report

Annexure 1 to the Independent Auditor's Report of Even Date on the Consolidated Financial Statements of Rupa & Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Rupa & Company Limited as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Rupa & Company Limited (hereinafter referred to as the "Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, "the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Annexure 1 to the Independent Auditor's Report

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on the report issued by other auditors on internal financial controls system over financial reporting in case of its subsidiary companies and certain branches, which are companies incorporated in India, the following material weaknesses have been identified as at March 31, 2016:

- (a) The Holding Company's internal control system relating to reconciliation of packing material inventory were not operating effectively which could potentially result in misstatements of packing material inventory and consumption;
- (b) The Holding Company's internal financial controls over timely issuance of purchase orders and their approval were not operating effectively which could potentially result in the Company recording unapproved purchases.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the holding company's annual or interim consolidated financial statements will not be prevented or detected on a timely basis.

In our opinion, the Holding Company, its subsidiaries and certain branches, which are incorporated in India, have, in all material respects, maintained adequate internal financial controls over financial reporting as at March 31, 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the internal financial controls over financial reporting were operating effectively in the Holding Company, its subsidiaries and certain branches, which are companies incorporated in India as of March 31, 2016.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to these three subsidiary companies and certain branches, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under Section 143(10) of the Act, the consolidated financial statements of the Holding Company, which comprise the Consolidated Balance Sheet as at March 31, 2016, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 30, 2016 expressed unmodified opinion.

Notes to the Consolidated Financial Statements

as at and for the year ended March 31, 2016

1. Principles of Consolidation

The Consolidated Financial Statements which relate to Rupa & Company Limited (the "Company") and its subsidiaries (together referred to as the "Group") have been prepared on the following basis:

- The financial statements of the Company and its subsidiaries are consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenditure, after fully eliminating intra group balances, intra group transactions and any unrealized profit / loss included therein, in accordance with Accounting Standards (AS-21), "Consolidated Financial Statements".
- The excess/shortfall of cost to the Company of its investments in the subsidiary companies, over the net assets at the time of acquisition in the subsidiaries as on the date of investment is recognized in the financial statements as goodwill/capital reserve as the case may be.
- The subsidiary companies considered in the financial statements are as follows:

Name	% of Voting power as on 31.03.2016	% of Voting power as on 31.03.2015	Country of Incorporation
Euro Fashion Inners International Pvt. Ltd.	100%	100%	India
Imoogi Fashions Pvt. Ltd.	100%	100%	India
Oban Fashions Pvt. Ltd.*	100%	—	India

* Incorporated during the year

- The consolidated financial statements have been prepared using uniform accounting policies, except stated otherwise, for like transactions and are presented, to the extent possible, in the same manner as the Company's standalone financial statements.
- The financial statements of the group entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Company i.e. year ended March 31, 2016.

2. Summary of Significant Accounting Policies

2.1 Basis of preparation

The financial statements of the Group have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.2 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.3 Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs, if capitalization criteria are met, and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of fixed assets are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Notes to the Consolidated Financial Statements

as at and for the year ended March 31, 2016

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on fixed assets is provided under Straight Line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated over their useful lives; the remaining asset is depreciated over the life of the principal asset. The Group has used the following rates to provide depreciation on its fixed assets.

Class of Assets	Useful lives estimated by the management (Years)
Factory Buildings	30
Non-factory Buildings	60
Plant and Equipments	10 to 15
Computer and Data Processing Equipments	3 to 6
Furnitures and Fixtures	10
Vehicles	8
Office Equipments	5

The management has estimated, supported by independent assessment by professionals, the useful lives of certain plant and equipment as 10 years. These lives are lower than those indicated in schedule II.

Leasehold land is amortized on a straight line basis over the period of lease, i.e., 90 years.

2.4 Intangible Assets

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful economic lives.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit & Loss. The useful lives over which intangible assets are amortised are as under:

Assets	Useful Life (in years)
Copyrights & Trade marks	10
Computer software	5

2.5 Borrowing Costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

2.6 Impairment

The carrying amount of assets (tangible and intangible) is reviewed at each balance sheet date, to determine if there is any indication of impairment based on the internal/external factors. An impairment loss is recognized wherever the carrying amount of assets exceeds its recoverable amount which is the greater of net selling price and value in use of the respective assets. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and risk specific to the asset. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there

Notes to the Consolidated Financial Statements

as at and for the year ended March 31, 2016

are separately identifiable cash flows. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

2.7 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the long-term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.8 Inventories

Raw materials and packing materials are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials is determined on specific identification basis except packing materials, accessories and dyes and chemicals which are determined on weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of Work-in-progress (measured in kgs) is determined on specific identification basis and cost of work-in-progress (measured in pieces) and cost of finished goods is determined on Retail sales price method.

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of traded goods is determined on First in First out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.9 Foreign Currency Transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the period in which they arise.

Forward Exchange Contracts

The premium or discount arising at the inception of forward exchange contracts entered into to hedge an existing asset/liability, is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit & Loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract are recognised as income or as expense for the period.

Notes to the Consolidated Financial Statements

as at and for the year ended March 31, 2016

2.10 Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of goods : Revenue from sale of goods is recognised upon passage of title to the customers, in accordance with the Sales of Goods Act, 1930. Sales are net of discounts, rebates and sales taxes. The Company collects sales taxes and Value Added Taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenues.

Sale of Services : In contracts involving the rendering of services, revenue is measured using the completed service method.

Interest : Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

Dividend : Dividend income is recognized when the company’s right to receive dividend is established by the reporting date.

Export Incentives : Export incentives are recognised when the right to receive such incentives as per the applicable terms is established in respect of the exports made and when there is no significant uncertainty regarding the ultimate realisation / utilisation of such incentives.

Insurance and other claims due to uncertainty in realisation are accounted for on acceptance basis.

2.11 Retirement and Other Employee Benefits

- (i) **Provident & Pension Fund :** Retirement benefits in the form of Provident and Pension Funds are defined contribution schemes and are charged to the statement of profit and loss of the period when the contributions to the respective funds are due. The Company has no obligation other than contributions to the respective funds. The Company recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the selected service.
- (ii) **Gratuity :** The company operates defined benefit plan for its employees, viz., gratuity. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses is recognized in full in the period in which they occur in the statement of profit and loss.
- (iii) The leave balances of the employees are only encashable during the year and cannot be accumulated and carried forwarded to next year

2.12 Taxes on Income

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Notes to the Consolidated Financial Statements

as at and for the year ended March 31, 2016

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

2.13 Provisions and Contingent Liabilities

Provisions : A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities : A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

2.14 Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

2.15 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that the company will comply with the conditions attached to them, and the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate.

Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

Government grants of the nature of promoter's contribution are credited to Capital reserve and treated as a part of Shareholder's funds.

2.16 Segment Reporting

Based on the synergies, risks and returns associated with business operations and in terms of Accounting Standard – 17, the Company is predominantly engaged in a single segment of Garments & Hosiery goods and related services during the year. The analysis of geographical segments is based on the areas in which customers of the Company are located.

2.17 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.18 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Notes to the Consolidated Financial Statements

c) Letter of Credits issued by the Banks	—	2,58,74,301
d) During the year 2013-14, the Company had challenged, before the Hon'ble High Court of Calcutta, the imposition of entry tax by the State Government of West Bengal on receipt of materials from outside the state on the ground that such imposition of entry tax is ultra vires / unconstitutional. The Company has received a favorable interim order dated June 5, 2013 and the matter is presently sub judice. Accordingly, the liability of ₹ 3,24,14,820 (31st March, 2015: ₹ 23,563,135) has not been provided for	3,24,14,820	2,35,63,135

* The management believes that it is possible but not probable that action will succeed and accordingly no provision there against is considered necessary

33. As per information available with the company there are no suppliers covered under Micro, Small and Medium Enterprise Development Act, 2006. As a result, no interest provision/ payment have been made by the company to such creditors, if any.

34. Employee Benefit (Defined Benefit Plan)

The Group has a defined benefit gratuity plan. Every employee who has completed at least five years or more of service is entitled to Gratuity on terms as per the provisions of The Payment of Gratuity Act, 1972. The Group has got an approved gratuity fund which has taken an insurance policy with Life Insurance Corporation of India (LIC) to cover the gratuity liabilities.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the plan.

(Amount in ₹)

	2015-2016	2014-2015
Statement of profit and loss
