

ITI LIMITED

**61st ANNUAL REPORT
2010 - 2011**

Dear Shareholders,

Welcome to the 61st Annual General Meeting of ITI Ltd. The Notice related to this Meeting, Directors' Report, Audited Annual Accounts together with the Auditor's Report, Comments of the Comptroller and Auditor General of India on the accounts of the Company are already with you and with your permission, I shall take them as read. Further, I am pleased to inform you that the Company has complied with the guidelines on Corporate Governance for CPSEs.

The financial year, 2010-11 had been a mixed bag for your Company. We achieved good financial results but ended the year with lower sales revenues when compared to FY 2009-10. Your Company reported a net loss of Rs. 358 crores in the year 2010-11 which is lowest ever loss reported by ITI in the last nine years (excluding grants), i.e. from 2002-03 to 2010-11. The net loss for the financial year 2010-11 has come down by 22 % as against the corresponding period of the previous year when the Company registered a net loss of Rs. 459 crores.

ITI's expenditure in important areas like employee cost, financing expenses etc came down during 2010-11 as compared to 2009-10. The Company was able to reduce the expenses on all fronts. However, the sales declined in 2010-11 as orders from the major customers BSNL and MTNL got squeezed.

However, it is a matter of pleasure that efforts to look at opportunities beyond BSNL and MTNL started bearing positive results. ITI and Registrar General of India (RGI) signed an agreement on National Population Register (NPR) project recently. The prestigious project, under the Ministry of Home Affairs, is being executed by ITI Palakkad as a consortium with BEL and ECIL. The duration of the project is about 18 months. ITI has received an order from Ministry of Rural Development for conducting the socio-economic survey of 40 crore population. The scope of the project includes door-to-door data collection in bilingual language by using Hand Held Device, managing the data collection centers at the Tehsil level, generation of soft copy of draft and final list, up-loading of the data to the NIC Server and scheduling of filed activities in consultation with the State officials for the door-to-door data entry. The Palakkad Plant is executing the project and will be supported by other Plants and offices for the overall implementation of the project across the country. ITI Palakkad is also looking forward to strengthen its ties with Indian Space Research Organization (ISRO) by working on some of their projects.

During the year, ITI and Centre for Development of Telematics (C-DOT) signed an agreement to evaluate, discuss and negotiate contractual relationship concerning the Transfer of Technology for Gigabit Passive Optical Network (G-PON) System. The co-operation in this product line will be used for developing indigenous manufacturing of the product in ITI. ITI and C-DOT have developed wide range of land line exchanges for the national network which is a success story for both the organizations.

During the year, ITI made its entry into the power reforms sector by winning the prestigious order from Tamil Nadu Electricity Board (TNEB) for setting up of IT infrastructure for collection of baseline energy and revenue data of the identified towns and setting up of Data Centers and customer care center. The objective is to establish baseline data systems, IT applications for energy accounting and auditing, IT based consumer care services along with common requirements and services for covering the entire Restructured Accelerated Power Development Reforms Program (R-APDRP) Scheme covering 110 towns across Tamil Nadu.

Your Company's Regional Office, Hyderabad bagged an order from Advanced Numerical Research and Analysis Group (ANURAG), DRDO for upgradation of the Centre for High Performance Computing and Research (CHITRA) computing facility. ANURAG's computer is placed at CHITRA. The cluster of computers (280 nodes) enhances high level performance computing facility in the country which includes design for aircraft and airborne system simulation, molecular modeling and bio informatics applications.

ITI's prestigious ASCON III project, started in 2004, is nearing completion and the Company is expecting the completion certificate from the customer very soon.

ITI's Bangalore Plant is looking forward to produce and market high quality organic gas. Known as "Serigas", it can be connected to standard cooking gas stove and can be used for cooking and for other thermal applications. Your Company is happy to be associated in this Green Venture and hopeful that it succeeds. ITI has also shown interest in the Government of India's semiconductor fabs project as the Company has resources in terms of land, infrastructure and also the manpower to undertake such projects.

It is matter of pride that ITI bagged the "Top Telecom Turnkey Company of the Year 2011" award from Voice and Data, an influential Indian communications magazine. Such awards should boost your Company's morale.

But all this is not enough. ITI's order-book position needs to improve much more to achieve better results and even possible turn-around in next two years. Your Company has been making losses for the last several years. We have been discussing various issues concerning financial, production, R&D, HR challenges and austerity measures that are necessary in the circumstances.

We are trying our best for new business opportunities in defense, banking, solar, LED lighting and railways. We have to reduce our over-dependency on BSNL and MTNL and concentrate on diversification of products to improve the Company's bottom-line. The thrust areas of ITI's MoU signed recently with DoT aims at ITI coming back to profits. The Company is also required to adhere to implementation schedules of all the orders bagged by it and reduce the liquidated damages (LD).

I and my team are happy to inform you that ITI's revival proposal is with the Board for Industrial & Financial Reconstruction (BIFR). The Operating agency for Draft Rehabilitation Scheme (DRS) is State Bank of India. In case the proposal is approved and accepted by the Government, our priority will be to revive all our manufacturing units. BIFR has put ITI case on the fast track.

The Ministry of Communications and IT has also formed a committee to develop business synergy between the PSUs and autonomous organizations under its administrative control for better financial health of these organizations i.e. BSNL, MTNL, ITI, C-DOT and C-DAC. We see a thrust on the indigenous equipment manufacturing and have lot of hope in the new telecom policy being formulated by the Government.

I am grateful to the Government of India, Department of Telecommunications, Telecom Commission, BSNL, MTNL, TCIL, all departments of Central and State Governments, Defence and other valued customers, depositors, bond holders, banks, financial institutions, overseas collaborators, Auditors, Committee on Public Undertakings (COPU), Standing Committee on Information Technology and Standing Conference of Public Enterprises (SCOPE) for their continued co-operation and support. I also take this opportunity to extend my thanks to all the employees and shareholders for their support and understanding.

DIRECTORS' REPORT

To
The Members
ITI Limited

Your Directors have pleasure in presenting the 61st Annual Report of the Company together with Audited Accounts and Auditors' Report thereon for the year ended 31st March 2011.

ITI Limited has reported a net loss of ₹358 Crs in the financial year 2010-11 which is the lowest ever loss (without considering grants) reported by the Company in the last nine financial years. The net loss have come down by 22% from a net loss of ₹459 Crs. reported in the financial year 2009-10.

PERFORMANCE:

The Company was having MoU target of ₹8000 Crs. (sales) for the year 2010-11. Against this MoU target, the Company has achieved Sales and Production of ₹2139 Crs. and ₹2052 Crs. during the year 2010-11 as against ₹4660 Crs. and ₹4630 Crs. respectively during the previous year 2009-10. The decline in overall performance was due to paucity of orders from its major customers i.e. BSNL & MTNL.

The Company's loss has come down from ₹459 Crs. for the previous year 2009-10 to ₹358 Crs. for the year 2010-11. Contribution for the year 2010-11 is ₹160 Crs. as compared to ₹309 Crs. for the year 2009-10.

The Company had entered the year 2010-11 with an Order Book position of ₹2078 Crs. and Advance Purchase Order of ₹ 349 Crs. During the year 2010-2011, the Company received fresh order of ₹ 864 Crs. only.

The Company has signed MoU of ₹ 5300 Crs. (Level-3) for the year 2011-12 with projected gross margin of ₹ 138 Crs. and Net Profit/loss at par.

HIGHLIGHTS:

- The turnover for the year 2010-11 is mainly constituted from GSM-WZ, GSM-SZ, G-PoN, STM, DWDM, ADSL-CPE and Defence and IT solutions.
- The Company is executing Turnkey Project of Registrar General of India (RGI) for creation of Multi Purpose National Identification Card under National Population Register (NPR57) project for the country.
- Company received order for execution of Restructured Accelerated Power Development Reforms Program (RAPDRP) of value ₹ 307 Crs. from Tamil Nadu Electricity Board (TNEB).

NEW PRODUCTS :

- National Population Registration (NPR) project: ITI is one of the three Public Sector Undertakings short listed by RGI (Registrar General of India) for providing Multi Purpose National ID cards. The job involves collection of citizen's data including biometrics followed by issue of ID cards. Recently ITI had received an order to the tune of ₹750 Crs. from RGI for the above project. It is expected that this project will give a substantial turnover in the coming 2 to 3 years with good value addition.

- **G-PON:** ITI is currently manufacturing G-PON equipments at Raebareli Plant in technical collaboration with M/s Alphion Corporation, USA. ITI is the first Indian Company to secure TSEC Certification for this product. Orders received from BSNL have already been executed and further orders are expected. Recently, ITI has also entered into Non-Disclosure Agreement (NDA) with C-DOT to manufacture C-DOT developed G-PON equipments.
- **Next Generation Networks:** Next Generation Network (NGN) is a Soft Switch based Telecommunication network capable of providing services, viz., Voice, Data & Video by encapsulating them into packets. Manufacturing of IP TAX equipment - Class IV, Trunk automatic exchange and Class V, local exchange, based on Soft Switch architecture is planned. BSNL and MTNL's plans to migrate their TDM switches to NGN in order to provide new services to customers will boost the NGN market.
- **Carrier Ethernet:** Carrier Ethernet is the next generation transport technology for high bandwidth packet access for internet and business communication. ITI is in the process of finalising a technology partner for this product to address anticipated tender from BSNL. The defence project of Network for Spectrum is also expected to have a huge requirement for Carrier Ethernet switches.
- **HSDPA (High Speed Data Packet Access):** With the successful auction of 3G spectrum, 3G networks are getting deployed and hence there is a huge demand for customer premises equipments like 3G HSDPA Data Cards. ITI is planning to address various opportunities coming from this product.
- **Non-Telecom products :**
 - (A) **Solar power equipments for rural BTS sites:** Manufacturing of Solar power equipments for rural BTS sites is under consideration which will help for better penetration of mobile communication into rural areas where availability of power is a major constraint. ITI has successfully demonstrated its capability in this area and is going ahead for upgrading its facility to meet demand.
 - (B) **LED Lighting Products:** ITI Mankapur plant is planning to take up the manufacturing of LED Lighting products. Huge market potential is available for this product considering the benefits of very low power consumption and longer life of LED Lighting systems.

HUMAN RESOURCE DEVELOPMENT:

During 2010-11, the company, continuing its robust approach to achieve turnaround, besides focus on Technology and Business, greater focus was on the Skill upgradation in the areas of Telecom, Information Technology and Organization Development at all levels in

the organization. HR-ED Centres at Corporate and Plant levels were committed to build and mobilize internal expertise for designing / developing technological and management development programmes and in this direction the Centres have notably succeeded by achieving an 'outstanding rating' against the Company MOU target on criteria - Skill upgradation.

Primarily, to keep in pace with and indigenize the advancements in Telecom and Information technologies in-house training programmes were conducted on various topics of core technologies viz., 3-G & 4-G, GPON, GEAPON, WIMAX, NGN, MPLS / VPN. Intensive in-depth training programme on Computer Networking was conducted both for Northern and Southern Plants. Conducting of e-Procurement training programmes to facilitate implementation of company-wide e-tendering is a milestone in the company. Also number of training programmes to enhance the operation skills on Computers were conducted for the benefit of all employees.

729 employees have been imparted training in the areas of Telecom Technology and similarly 730 employees have been trained in Information Technology areas achieving 948.5 and 1695 training mandays respectively.

Management Development programmes were conducted in areas of HR, Finance, Materials Management, Quality, and Vigilance Management to mention a few. 1283 employees have been trained achieving nearly 1495.5 training mandays through these MDPs. General Awareness programmes on topics like health care, safety, resource / energy management etc., benefited 587 participants. Company has nominated nearly 37 executives for external training with renowned institutions.

In a nutshell, during the year, the company has trained over 3366 employees and achieved 4575 training mandays in 131 training programmes.

Corporate HR (ED) has set a milestone employing Real Time Video Conferencing methodology in conducting high end technology programmes like NGN, Transmission Technology etc., covering all the Plants targeting more than 150-200 participants in a stretch. It needs no mention that Company has gained considerable opportunity costs through employing high-tech methodology, developing and engaging internal resource persons and minimizing sponsoring nominations for external training programmes.

INDUSTRIAL RELATIONS

The Industrial Relations scenario in the Company was cordial during the year. Employees' Union and Officers' Association extended their co-operation and support in ensuring smooth work flow and helped to meet the Company's objective.

OFFICIAL LANGUAGE:

All Units / Offices have established Check-points in their concerned offices to make more efforts for effective

Implementation of the Official Language Policy, monitored by the Official Language Implementation Committees constituted in every Unit / Office.

The Progress of Implementation of Official Language in our Corporate Office as well as in our all subordinate Units / Offices is also being periodically reviewed by the OLIC Committee of Corporate office.

On this occasion many officers/Non-officers of ITI Limited, Bangalore based Units / Offices participated in these competitions and more than 14 Officers / Non-Officers have got the prizes. On the TOLIC Meeting & valedictory function held on 07.12.2010, the President, TOLIC were given the cash prizes and certificate to the winning participants.

"Hindi Fortnight" was celebrated and Hindi Workshops were organised for encouraging progressive use of Hindi during 2010-11. Company's website has been made bilingual (i.e. English and Hindi).

VIGILANCE :

During the year, Vigilance Department functioned as an effective part of Management. The main focus of the vigilance activities was to sensitize the employees towards transparent, ethical and professional approach towards

their duties and responsibilities. Greater emphasis was laid on preventive vigilance. CVC guidelines and Government policies in this regard have been followed.

To achieve the above objectives, the following steps were taken to increase transparency in dealing with vendors / suppliers as under:

- a Tenders and Notice Inviting Tenders are invariably put on website along with Government of India website.
- b The procedures for vendor registration are also put on company website.

The company observes Vigilance awareness week from 25th October to 1st November at all units of ITI Limited including its administrative offices as well as corporate Office.

The Vigilance department gives more importance to preventive vigilance, scrutinizes the documents and conducted surprise checks in sensitive departments. These actions had good impact for creating a corruption free environment.

RIGHT TO INFORMATION:

The Right to Information Act, 2005 has enabled all the citizens to seek information from a Public Authority. Since introduction of the Act, a mechanism has been drawn to process all requests received by Corporate Office/ Units under the Act. ADDENDUM TO THE DIRECTORS REPORT

COMPANY'S REPLIES TO STATUTORY AUDITOR'S OBSERVATIONS IN THEIR REPORT

Point No	Statutory Auditor's Observations	Company's Remarks
7a	As stated in Accounting Policy No. 3.0 on Valuation of Inventories, Manufactured items and items lying as Work in Progress are valued at the lower of cost and net realizable value. However in Bangalore plant stocks amounting to ₹15.74 Crores have been carried at cost due to difficulty in ascertaining the Net Realisable Value. We are unable to ascertain the quantum of reduction in the value of inventory if any and consequent impact on the financial statements.	Noted.
7b	The Company has not provided for a sum of ₹26.85 Crores being penalty levied for non-payment of guarantee fee. This has resulted in understatement of Loss and Current Liabilities to the extent of ₹ 26.85 Crores.	The Company has taken up with Ministry for waiver of Guarantee Fees and penalty thereon. The matter is under active consideration of the Ministry.
7c	Balances in the accounts of creditors, debtors, claims & expenses recoverable, loans & advances, deposits, goods with third parties and other payables are subject to reconciliation, confirmation, and consequential adjustments (Refer Note no.13).	This fact is covered in Schedule 10 – Note No.13 of the company accounts.
7d	Interest & penalty leviable for non-remittance of statutory dues, on the sales recognized on provisional basis, delayed / short remittance of other statutory dues and non deduction of TDS as per the provisions of Income Tax Act 1961 is not ascertainable.	All known liabilities have been accounted for. There are no cases of non-deduction of TDS to the best of our knowledge.
7e	The Company has not provided for interest on royalty payable to C-DOT. (Refer Note no.7)	Interest on Royalty payable to C-DOT has not been provided in view of substantial dues (which are more than the royalty amount) outstanding for a long time from C-DOT on account of Rent payable for our premises leased out to them.
7f	The impact of the observation in Para 7b has resulted in understatement of loss and understatement of liabilities to the extent of ₹ 26.85 Crores. The impact of the observations in Para 7a and Paras 7c to 7e if any on financial statements is not ascertainable.	Response to all comments 7a to 7e is already made.
ib	According to information and explanation given to us, all fixed assets have been physically verified by the management in a phased manner except for Rae Bareilly, R & D, and Regional Offices. No material discrepancies in physical verification have been reported to us.	Noted for compliance.
vi	Company has its own Internal Audit department. However, in our opinion the internal audit needs to be strengthened in terms of personnel, coverage, scope of the work and regular reporting in order to be commensurate with size and nature of its business.	Company is making efforts to strengthen the Internal Audit Department and improve coverage, extent and scope of the internal audit work.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. INDUSTRY STRUCTURE, OPPORTUNITIES, THREATS AND FUTURE OUTLOOK

The Indian telecommunications industry is one of the fastest growing in the world. The industry has witnessed consistent growth during the last year on the back of rollout of telenetworks by operators, auction of third-generation (3G) and broadband wireless access (BWA) spectrum, network rollout in semi-rural areas and increased focus on the value added services (VAS) market. According to the Telecom Regulatory Authority of India (TRAI), the number of telephone subscriber base in the country reached 846.32 million at the end of March 31, 2011. The booming domestic telecom market has been attracting huge amounts of investment which is likely to accelerate with the entry of new players and launch of new service. The 'Indian Telecom Industry' services are not confined to basic telephone but it manufactures a vast range of telecom equipment using state-of-the-art technology. Customers are now at their peaks on choice of operators and the various kinds of services they desire. To remain competitive, telecom Companies have to transform their operations, re-engineer business processes and deploy flexible technology architecture that can accommodate business and regulatory demands easily. Broadband and wireless networks, as well as the likely convergence of various technologies and standards, will drive the telecom market growth in India in the coming years.

With state-of-the-art manufacturing facilities spread across six locations and a countrywide network of marketing/service outlets, the Company offers complete range of telecom products and total solutions covering the whole spectrum of Switching, Transmission, Access and Subscriber Premises equipment. In tune with the technology trend, ITI has continued to manufacture mobile equipment based on GSM (Global System for Mobile).

Opportunities and Threats:

ITI and its consortium partner Spanco Ltd implemented Orissa State Wide Area Network (OSWAN), a flagship project of Orissa Government under the National e-governance plan (NeGP). The project is valued at ₹69.80 Crores. This turnkey project includes supply, installation, commissioning and operation of State Wide Area Network on Build Own Operate Transfer (BOOT) basis for five years. Further, ITI has been awarded another SWAN project of Mizoram State.

ITI has signed an agreement with Centre for Development of Telematics (C-DoT) concerning transfer of technology for C-DoT Gigabit Passive Optical Network (G-PON) System. This association between ITI and C-DoT will strengthen and develop the indigenous technologies on a commercial scale.

ITI has made its entry into the power reforms sector by winning the prestigious order from Tamil Nadu Electricity Board (TNEB) for setting up of IT infrastructure for collection of baseline energy and revenue data of the identified towns and setting up of customer care center for covering the entire Restructured Accelerated Power Development Reforms Program (R-APDRP) Scheme. The order value is ₹307.27 Crores.

ITI has entered into agreement with Scalene Greenergy Corporation Limited, Bangalore, to produce and market high quality organic gas, known as Serigas, it can be connected to standard cooking gas stove and can be used for cooking and for other thermal applications for domestic use as well as for Captive power generation.

ITI has been looking for various business opportunities in area such as New Generation Network (NGN), Broadband for Panchayat, Infrastructure at Rural Sites for Mobile Connectivity, Defence Products, LED Lighting Business and Solar Power Solutions as an existing as well as diversified products.

In the changing environment, the Company has identified the following threats:

- Intense competition due to large number of international players.
- Open market competition with MNCs like ZTE, Huawei, Alcatel-Lucent, Nokia, Ericsson, Siemens etc.
- Rising prices of Input.
- Keeping pace with technology change,
- Private Participation in the Industry,
- Exorbitant cost for sourcing of Technology.
- Low price realisation in telecom sector.

Future Outlook:

ITI is putting thrust on diversified businesses. The Company is focusing on the National Population Register (NPR) project and is also expecting a good business in the Unique Identification (UID) project. ITI is also planning to

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd..)

address Government of India Projects like 'Broadband to Panchyats' and Rural Connectivity

ITI has been exploring various options of introducing renewable energy Green Products like Fuel Cell Based Power Plants and Solar Panels for Powering telecom Towers.

Your Company is laying emphasis on training and redeployment of manpower for faster skill formation in new areas to ensure that ITI remains highly competitive in the growing convergence era, which is one of thrust area of MoU which was signed with Telecom Commission for the year 2011-12. Other areas are quality, technology upgradation reduction of non-performing assets and realization of sundry debtors.

ITI's revival plan envisages re-alignment and upgradation of manufacturing infrastructure and building a solutions and services business and diversification with focus on IT and telecom software and exports.

SCHEDULE 10**NOTES ON ACCOUNTS (Contd..)**

- 18 With reference to Accounting Policy No. 6, Depreciation has been charged on Fixed Assets over their assessed useful life as under:

Fixed Assets		(Years)
(i)	(a) Building (other than factory buildings)	50
	(b) Factory building	28
	(c) Purely temporary erections	Year of construction
	(d) Building with dwelling units each with plinth area not exceeding 80 sqm.	13
(ii)	Furniture & Fittings	10
(iii)	Plant & Machinery	
	(a) General Rate (on double shift basis)	10
	(b) Special Rate : - Data Processing Machines including Computers	6
(iv)	Roads and compound Walls	10
(v)	Office Machinery and Equipment	7
(vi)	Vehicles	7
(vii)	Assets costing less than Rs.5,000/- are depreciated @ 100%	
(viii)	However, in respect of assets having original cost of Rs.50,000/- and above, a residual balance of Rs.5/- has been retained in the books.	
19	Company has not adopted the enhanced estimated useful life of the asset, suggested by registered valuer as this would have resulted in not complying with the requirement of charging minimum depreciation contemplated by schedule XIV of Companies Act, 1956. Consequently company charged off Rs.25.09 Crores (Previous year 25.34 crores) as depreciation on revalued asset for the year. However this has no effect on the losses of the year, as this amount is transferred from the revaluation reserve.	

20 Construction/ Turnkey Contracts:

The company for the financial year 2010-11 has recognised revenue on Construction/ Turnkey contracts based on stage of completion as determined with respect to completion of physical proportion of the contract as certified and furnished by Company's Engineers. Consequently,

AUDITOR'S REPORT

TO THE MEMBERS OF ITI Ltd.

We have audited the Balance Sheet of ITI Ltd, as on 31st March 2011, the Profit and Loss Account and the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain a reasonable assurance about whether the financial statements are free from material misstatement. An audit also includes examining, on test basis, evidence supporting the amounts and disclosures in financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditors Report) Order, 2003 and as Amended by Companies (Auditors' Report Order 2004), issued by the Government of India in terms of sub section (4A) of section 227 of the Companies Act, 1956, and on the basis of the books and records of the company as we considered appropriate and according to information and explanations given to us, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.

Further to our comments in the Annexure referred to above, we report that:

1. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit
2. In our opinion, proper books of accounts as required by the law have been kept by the company so far as appears from our examination of those books. Proper returns adequate for the purpose of our audit have been received from branches/units not visited by us.
3. The reports on the accounts of the units audited by other auditors have been forwarded to us and have been appropriately dealt with by us in preparing our report.
4. The Balance Sheet, Profit and Loss Account and Cash Flow Statements referred to in this report are in agreement with the books of account and with the audited returns from the units.

5. In our opinion, The Balance Sheet, Profit and Loss Account and Cash Flow Statements dealt with by this report comply with the accounting standard referred to in Section 211(3C) of the Companies Act 1956.

6. Disclosure in terms of clause (g) of sub section (1) of section 274 of the Companies Act, 1956 is not required for Government Companies as per Notification No. GSR 829 (E) dated 21st October 2003 issued by the Department of Company Affairs:

7.a. As stated in Accounting Policy No. 3.0 on Valuation of Inventories, Manufactured items and items lying as Work in Progress are valued at the lower of cost and net realizable value. However in Bangalore plant stocks amounting to Rs. 15.74 Crores have been carried at cost due to difficulty in ascertaining the Net Realisable Value. We are unable to ascertain the quantum of reduction in the value of inventory if any and consequent impact on the financial statements.

7.. The Company has not provided for a sum of Rs. 26.85 Crores being penalty levied for non-payment of guarantee fee. This has resulted in understatement of Loss and Current Liabilities to the extent of Rs. 26.85 Crores.

7.c. Balances in the accounts of creditors, debtors, claims & expenses recoverable, loans & advances, deposits, goods with third parties and other payables are subject to reconciliation, confirmation, and consequential adjustments (Refer Note no.13).

7.d. Interest & penalty leviable for non-remittance of statutory dues, on the sales recognized on provisional basis, delayed / short remittance of other statutory dues and non deduction of TDS as per the provisions of Income Tax Act 1961 is not ascertainable.

7.e. The Company has not provided for interest on royalty payable to C-DOT. (Refer Note no.7)

7.f. The impact of the observation in Para 7b has resulted in understatement of loss and understatement of liabilities to the extent of Rs. 26.85 Crores.

The impact of the observations in Para 7a and Para's 7c to 7e if any on financial statements is not ascertainable.

AUDITOR'S REPORT (Contd..)

Subject to the effect on the financial statements of the matters referred to in the preceding paragraphs, in our opinion and to the best of our information and according to explanations given to us, the financial statements read together with notes thereon and the accounting policies give the information required by the Companies Act 1956 in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India:

- i) In case of the Balance Sheet of the state of affairs of the company as at 31st March 2011
- ii) In case of the Profit and Loss Account, of the loss for the year ended on that date, and
- iii) In case of the Cash Flow Statement, of the Cash Flows for the year ended on that date.

Further to our opinion, Attention is drawn to Note 6 to the Financial Statements "regarding the payment of wage

revision arrears amounting to Rs.165 Crores in a phased manner on the improvement of the profitability position and also generation and availability of funds, for which no provision has been made in view of BIFR declaring the company as SICK. The Company has included the amount under Draft Rehabilitation Scheme submitted to BIFR".

ANNEXURE TO AUDITOR'S REPORT

(Referred to in paragraph 3 of our report of even date)

- i)
 - (a) Company has maintained proper records showing particulars including quantitative details and situation of fixed assets, but requires updation so as to reflect original cost, depreciation to date, impairment loss and details of revaluation so as to tally with the figures shown in the books of account.
 - (b) According to information and explanation given to us, all fixed assets have been physically verified by the management in a phased manner except for Rae Bareli, R & D, and Regional offices. No material discrepancies in physical verification have been reported to us.
 - (c) According to information and explanations given to us the company has not disposed off substantial part of the fixed assets so as to affect its going concern status.
- ii)
 - (a) According to information and explanations give to us the inventories (excluding the stocks with third parties) have been physically verified by the management at reasonable intervals.
 - (b) According to information and explanation given to us the procedure for physical verification inventory followed by the management needs to be codified and strengthened in order to be reasonable and adequate in relation to the size of the company and the nature of its business.
 - (c) According to information and explanation given to us the company is maintaining proper records of inventory. No material discrepancies were noticed on physical verification of inventory.
- iii)
 - (a) Company has neither granted nor taken any loans, secured or unsecured to / from companies, firms or other parties covered in the register maintained under Sec 301 of Companies Act 1956. Accordingly clauses (iii) (b) to (iii) (g) paragraph 4 of the order are not applicable for the current year.
 - (b) According to information and explanation given to us company has adequate internal control procedures commensurate with the size of the company and the nature of its business for the purchase of inventory, fixed assets & sale of goods. According to our information, no major weaknesses in internal control requiring correction have been reported.
- iv)
 - (a) According to the information and explanation given to us no transactions have been entered during the year that need to be entered into the register maintained under Section 301 of the Companies Act of 1956. Hence, our comments regarding the reasonableness of prices having regard to the prevailing market price at the relevant time under clause 4 (v) (b) does not arise.
- v) According to the information and explanations given to us company has not accepted any deposits from the public requiring compliance with the directives issued by the RBI and the provisions of Section 58A and 58 AA of the Companies Act 1956 and the rules framed there under. The National Company Law Tribunal has passed no order.
- vi) Company has its own Internal Audit department. However, in our opinion the internal audit needs to be strengthened in terms of personnel, coverage, scope of the work and regular reporting in order to be commensurate with size and nature of its business.
- vii) According to our information the Central Govt. has not prescribed any cost records under Sec. 209 (1) (d) of the Companies Act 1956.
- viii)
 - (a) Company has been generally regular in depositing undisputed statutory dues with the appropriate authorities except for statutory dues on sales set on provisional basis, the PF dues of Rae Bareli and Naini unit.

ANNEXURE TO AUDITOR'S REPORT (Contd..)

- (b) According to information and explanation given to us, following undisputed statutory dues are in arrears for more than 6 months and remain unremitted on 31.3.2011.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER
SECTION 619(4) OF THE COMPANIES ACT, 1956 ON THE ACCOUNTS OF ITI LTD.
FOR THE YEAR ENDED 31 MARCH 2011**

The preparation of financial statements of ITI Ltd. for the year ended 31 March 2011 in accordance with the financial reporting framework prescribed under the Companies Act, 1956 is the responsibility of the Management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 619 (2) of the Companies Act, 1956 is responsible for expressing opinion on these financial statements under Section 227 of the Companies Act, 1956 based on independent audit in accordance with the auditing and assurance standards prescribed by their professional body the Institute of Chartered Accountants of India. This is stated to have been done by them vide their Audit Report dated 12 August 2011.

I on the behalf of the Comptroller and Auditor General of India have conducted a supplementary audit under Section 619 (3) (b) of the Companies Act, 1956 of the financial statements of ITI Ltd. for the year ended 31 March 2011. The supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and Company personnel and a selective examination of some of the accounting records. On the basis of my audit nothing significant has come to my knowledge which would give rise to any comment upon or supplementary to Statutory Auditor's Report under Section 619 (4) of the Companies Act, 1956.
