## ANNEXURE TO NOTICE:

### Explanatory Statement pursuant to the provisions of Section 173 (2) of the Companies Act, 1956.

As required under Section 173(2) of the Companies Act, 1956, the following Explanatory Statement sets out all material facts relating to the items of Special Business specified in item no's 7 to 10 of the Notice of the Meeting.

#### Item No.7

The Board of Directors of the Company ("the Board") at its meeting held on 30<sup>th</sup> May,2011 on the recommendation of the HR & Compensation Committee and subject to the approval of the members, accorded their approval for re-appointment of Sri A V N Raju, as Wholtime Director for a further period of 5 (five) years with effect from May 30,2011 on the same terms of remuneration as he was drawing previously.

The broad particulars of remuneration proposed to be paid to the said Wholetime Director during the term of his office are as under

Name and Designation	Salary (Per month)	Perquisites and allowances	Exgratia	Commission
Sri A.V.N.Raju Wholetime Director of the Company	₹4.00 lakhs per month in the scale of ₹4.00 lakhs to ₹10.00 lakhs	75% of the monthly salary	As per the rules of the Company	0.5% of the net profits of the company computed in accordance with Section 349 &350 of the Companies Act, 1956

The perquisites and allowances payable to the aforesaid Wholetime Director shall include accommodation (furnished or otherwise) or house rent allowance in lieu thereof; house maintenance allowance, medical reimbursement; leave travel concession for self and family including dependents; club fees, accident / medical insurance, encashment of leave and such other perquisites and / or allowances, upto the amounts specified above and in addition he shall be eligible for reimbursement of actual expenses incurred towards utilization of gas, electricity, water, furnishing and repairs subject however to the condition that the overall remuneration paid is within the overall ceiling of remuneration stipulated in Sections 198 and 309 of the Companies Act, 1956.

Provision of car with chauffer for the purpose of Company's business and telephone as per the rules of the Company and the same would not be considered as perquisites.

The said perquisites and allowances shall be evaluated, wherever applicable, as per the Income Tax Act, 1961 or any rules thereunder (including any statutory modification(s) or re-enactment thereof, for the time being in force). However, the Company's contribution to Provident Fund, Superannuation or Annuity Fund, to the extent these singly or together are not taxable under the Income Tax Act 1961, and gratuity payable and encashment of Leave at the end of the tenure as per the rules of the Company shall not be included in the computation of limits for the remuneration which includes salary, perquisites and allowances.

The terms and conditions set out for re-appointment and payment of remuneration specified herein may be altered and varied from time to time by the Board of Directors "the Board" which term shall be deemed to include the HR & Compensation Committee constituted by the Board of the Company as it may, at its discretion deem fit. The Board is also entitled to revise the salary, perquisites and allowances payable to the said Wholetime Director of the Company at any time, such that the overall yearly remuneration payable to the said Wholetime Director shall not exceed the limits specified under Section 309 read with Schedule XIII to the Companies Act, 1956. (Including any statutory modification (s) or re-enactment thereof for the time being force) or any amendment made thereto.

The above may also be treated as an abstract of the terms of the contract between the Company and Sri A.V.N.Raju, Wholetime Director pursuant to Section 302 of the Companies Act, 1956.

None of the Directors is interested either directly or indirectly in the aforesaid resolutions excepting Sri.A.V.N.Raju, Sri.A.A.V.Ranga Raju, Sri.A.G.K. Raju, Sri.J.V.Ranga Raju, Sri. A.S.N.Raju, and Sri.N.R.Alluri.

The Board of Directors recommend the resolution as set out at item No. 7 of the Notice for your approval.

#### **Item Nos.8 & 9**

The Members of the Company at the Annual General Meeting held on 31<sup>st</sup> August, 2006 have authorized the Board of Directors of the Company to borrow and create charge for securing the loans/borrowings availed from time to time from the lenders/banks/institutions etc., such sum or sums of money which together with the monies already borrowed by the company may exceed the aggregate of the Paid-up Capital of the Company and its free reserves, provided that the total amount so borrowed and outstanding at any time shall not exceed ₹10,000 Crores (Rupees Ten Thousand Crores Only).

In order to meet the increasing long term working capital requirements and for financing the present and future projects of the company, the Board of Directors request the Members to accord their consent to borrow monies and create charge for securing the loans/borrowings availed from time to time from the lenders/banks/institutions etc., to such extent upto a maximum limit of ₹15,000 crores (Rupees Fifteen thousand Crores only) as per the provisions of the Companies Act, 1956.

Under Section 293 (1) (d) and (a) of the Companies Act,1956 consent of the Members is necessary to enable the Board of Directors to borrow monies and create charge, which will exceed the aggregate of the Paid-up Capital of the Company and its free reserves.

The Board of Directors recommend the resolutions as set out at item No's.8 & 9 of the Notice for your approval.

None of the Directors of the Company is in any way concerned or interested in the resolutions.

**Item No.10**

Your company is presently engaged mainly in the business of construction, engineering and related infrastructure development works/contracts. The Mining Division of the company has been executing the contracts relating to removal of over burden awarded by the Singareni Coleries and Mahanadi Coal Fields. Keeping in view the opportunities for growth for private sector players in the coal mining industry and especially in the business relating to mining of coal and coal washeries, the Company proposes to expand its area of operations in the mining sector. The present sub clause 3 of Clause III (C) (Other Objects) of the Memorandum of Association permits the Company to take up the proposed activities.

Under Section 149 (2A) of the Companies Act 1956 approval of the shareholders of the Company is necessary by way of a special resolution before commencement of any of the activities mentioned under the "Other Objects" [Clause III (c)] contained in the Memorandum of Association of the Company.

The Board of Directors recommend the resolution as set out at item No. 10 of the Notice for your approval.

None of the Directors of the Company is in any way concerned or interested in the resolution.

### Our new logo

Inspired by the idea of progress and positive impact, our logo is a vivid, energetic and memorable mark. It is a confident symbol of our progress and that of our stakeholders'. The logo with its rich colours cue corporate scale and vibrancy. It has been handcrafted for us, to reflect the unique way in which we collaborate with our stakeholders, to shape progress and outcomes, by bringing together many elements – teams, resources, businesses, services, skills and stakeholder interest – in a perfectly united and unified way.

### Our new name

We started our journey with the name Nagarjuna Construction Company Limited. With this beginning, we have progressed and have created significant value for all our stakeholders. In every company's history, there comes a time when we need to future proof the identity of our brand to serve unfolding business opportunities. Today we are not just a construction company. We are a company that contributes to India's progress through landmark infrastructure projects which are beyond just the realm of construction.

Therefore, we found a compelling need for changing our name as well. We have evolved as a leading mother brand with BOT, realty and international businesses. To build a better link between the parent company and the group companies, we have opted for a change of name as NCC Limited which encompasses all that we do today and aspire to do in the future.

*Dear fellow Stakeholders,*

**Nagarjuna Construction Company Limited is now NCC Limited!**

At NCC, we understand that we play an important role as an engine of growth and a partner in success for thousands of individuals, families and businesses. We built this company with a focus on serving the common man through the commissioning of world-class infrastructure that would enhance life quality.

Having emerged from the economic crisis, we now have the opportunity to address a question that I often hear: "What is NCC doing towards strengthening infrastructural asset creation?"

My answer is that we are improving our ability to support the well-being of those we serve. To provide solutions that spread the largest good to the widest number.

Taking a decisive step in this direction and in order to build a strong brand for the Company, we changed our name from Nagarjuna Construction Company Limited to NCC Limited.

## New name, new identity

At NCC, this evolved identity will reinforce commitment to our vision, values and principles. Our employees are energised to grow our businesses. Our brand is stronger and more recognisable. Our insights into managing large-scale infrastructural projects are deeper than before. Our order book is healthier than before. A new NCC is taking shape.

The year 2010-11 was one of investment – a time to rebuild our brand and infrastructure with a view to generate sustainable growth. The timing was just right on account of challenges like a slowdown in public and private sector orders, delayed financial closure for most large projects, land acquisition issues and hardening interest rates, even as long-term fundamentals remained robust.

In this context, our renewed brand identity reinvigorated us and will enable

us to address the opportunities of a brighter tomorrow.

## Economy

The Indian economy grew at 8.6% in 2010-11, the fastest in the last three years. The fiscal deficit stood at 4.7% of GDP, which is well within the revised target of 5.1% of GDP, owing to better tax collection, government expenditure cuts and BWA license auction. Going forward, in 2011-12, the economy is expected to grow at 9%, though concerns for inflationary pressures and tightening monetary control by RBI, slowing down of the economy persists.

Going forward we expect increased government spending in the infrastructure sector.

The investment in infrastructure is likely to be about 7.55% of GDP during the Eleventh Five Year Plan (2007-12). A preliminary assessment suggests that investment in infrastructure during the Twelfth Five Year Plan (2012-17) would need to be of the order of about USD 1,025 billion to achieve a share of 9.95% as a proportion of GDP, according to the Planning Commission. At least 50% of the investment should come from the private sector. The Twelfth Plan, therefore, would require a huge participation from the private sector to create and maintain newer infrastructure, particularly in road, power, airport and seaport sectors.

This presents a huge opportunity for all

private sector infrastructure enterprises, including our Company.

A number of initiatives were taken in the course of the Eleventh Plan to accelerate the pace of investment in infrastructure. In particular, the government undertook several initiatives for standardising documents and processes for structuring and award PPP projects in a transparent and competitive manner.

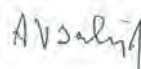

The Union Budget 2011-12, allocated USD 48.78 billion for infrastructure, an increase of 23.3% over 2010-11. The Planning Commission already projected an investment of USD 459.12 billion for the Eleventh Plan, which was more than twice the investment during the Tenth Plan.

These figures clearly indicate the government's emphasis on infrastructure development as one of the inevitable instruments for changing the face of growing India.

## Final words

In closing, I wish to thank our employees for their commitment. We will continue to deliver value in the hands of all those who own a part of us, invest in us, work with us and depend upon us. We promise to grow our topline and bottomline in 2011-12 and beyond.

Sincerely,

**Dr. A.V.S. Raju**

## Answering shareholder questions

“Despite a challenging environment, we executed ₹ 60,170 million worth of projects in 2010-11 and accelerated topline growth by 6% to ₹ 62,299 million. This momentum is expected to be sustained.”

**A.A.V. Ranga Raju, Managing Director, NCC Limited, looks back to look ahead.**

**Q.** What are the macro challenges faced by the infrastructure industry at present?

**A.** Though the Indian infrastructure sector will continue to retain its importance as a critical economy driver, a number of macro-level changes will continue to alter its nature. With nearly USD 1 trillion expected to be invested in the sector over the Twelfth Plan, the average ticket size of projects will increase with the following implications:.

- Critical planning will become supremely important even before the first brick is laid
- Proper policy-level intervention will be critical for complete land acquisition for projects
- All project stakeholder views will need to be aligned for unifying direction
- A strong focus will be needed for project financial closure
- Consortium-level bidding will gain traction for larger complex projects
- Revenue forecasts will need to be more precise to strengthen the investment climate
- Ecology will need to be aligned with economy

A fresh mindset will be required to capitalise on these changing realities.

**Q.** What was the rationale in effecting an identity change?

**A.** Challenging times call for creative responses. The external sectoral environment faced strong headwinds on account of an order slowdown by public and private sector enterprises, land acquisition challenges, rising interest rates and high inflation. We believe these are temporary blips; the long-term prospects of the infrastructure and construction industries remain bright.

We felt that a new mindset was necessary to address these challenges. In view of this, we changed our name to NCC Limited and introduced a new logo. NCC will now represent a holistic infrastructure institution with an encompassing presence across the construction pie. NCC will also stand as our corporate umbrella over our infrastructure division (NCC Infra; 100% owned by NCC), real estate (NCC Urban; 80% held by NCC and the rest by NCC promoters) and international businesses (NCC International; 100% owned by NCC).

**Q.** What were some of the principal highlights of 2010-11?

**A.** In the face of slowing orders, we strengthened our execution skills to capitalise on the rebound. As a result, we

reported a 6% growth in our gross turnover to ₹ 6,230 cr in 2010-11.

In a significant development, we operationalised our first BOT toll road project, the Bangalore elevated toll way, during the year under review.

We also bought 55% stake in a 1,320 MW merchant power project at Krishnapatnam, which has a capex of ₹ 7,000 cr and 3:1 debt-equity ratio. We fully tied-up the debt for the project and expect significant EPC orders to flow into our power division.

## Q. What is your future growth strategy?

**A.** At NCC, we are implementing four growth strategies.

**Rewiring the organisation for growth**

**Reframing our categories**

**Exploit our operational capabilities**

**Drive down costs without compromising quality**

**Rewiring the organisation:** Having the right people, processes and structures are critical to support our other strategies.

We strengthened our talent pool through recruitment. We are planning to link annual bonuses and long-term incentive plans with revenues and incomes.

**Reframing our categories:** We created more self-contained business units with greater accountability. We now have 11 business divisions focused on capturing value from their respective sectors. We are creating business plans for each to enhance their overall performance.

**Exploit our operational capabilities:** We are emphasising a lot on planning, strengthening our employee base and training them. Also, we are adding state-of-the-art equipment, thus putting newer technologies at work, which strengthens our execution capabilities. This also helps to increase the overall project quality, along with scheduled delivery of the project.

**Drive down costs without compromising quality:** Material and finance costs rose last year, and with a tightening monetary policy, it appears that prices will rise further. We do not have much control over it. Therefore, we need to cut down on costs without compromising on the quality of work, in order to remain competitive. We pursued various measures to control cost like improving asset utilisation, better inventory management, controlling overheads to keep it as low as possible and also by

exercising better working capital management, which we hope will reap good results going forward.

## Q. What is the basis for your sectoral optimism?

**A.** It is interesting to note that in the approach paper for the Twelfth Five-Year Plan period (2012-17), infrastructure investments are being estimated at an unprecedented USD 1 trillion, almost double the investment committed for the Eleventh Plan. New initiatives are expected to be rolled out in terms of enhanced public-private partnership projects (PPP), build-operate-transfer (BOT) and build-own-operate-transfer (BOOT) projects.

At NCC, we are attractively placed to capitalise on this potential. Our net worth of ₹ 23,787 million as on 31 March 2011, strengthens our pre-qualification capability for large, complex and margin-accretive projects. With an order book of ₹ 16,180 cr (as on 31 March 2011), and attractive opportunities unfolding in our space, we expect to grow our turnover by 15% to ₹ 7,200 cr on a consolidated basis in 2011-12.

The brief profiles of the major subsidiaries of the Company which are into infrastructure development, real estate & urban infrastructure development, power and the international subsidiaries are detailed here in below.

### NCC Infrastructure Holdings Limited (NCC INFRA)

NCC Infra is an infrastructure development company promoted by your Company as a wholly owned subsidiary for undertaking investments in infrastructure projects and also for development of Infrastructure Projects independently and through Government concessions, largely focusing on long term infrastructure projects with stable revenue streams. NCC Infra has made investments in the Energy and Transportation sectors. Currently NCC Infra has five road projects, two Hydro Power Projects and one Thermal Power project under its fold. Out of the five

road projects, four projects were completed and the fifth project is on the verge of completion. During the year NCC Infra has participated in the bids for new Road Projects and Transmission Lines Projects under BOT /BOOT / BOOM basis.

### NCC Urban Infrastructure Limited (NCC URBAN)

NCC Urban is a Subsidiary of your Company primarily focusing on Urban Infrastructure Projects such as development of Residential & Commercial complexes, SEZs, Integrated Townships and Complexes with advanced building techniques. The Company has been certified for: ISO 9001 : 2000, ISO 14001 : 2004 & OHSAS 18001 : 1999.

Among others, NCC Urban has developed the National Games Housing Complex Project in Ranchi, Jharkhand. The Company has also acquired lands in and around Bangalore, Chennai, Goa, Gurgaon, Hyderabad, Kakinada, and Raipur for its Real Estate projects.

### NCC Power Projects Limited (NCCPPL)

The 2X 660MW Thermal Power Project being developed by NCCPPL at Sompeta has suffered a temporary setback on account of local issues. The environmental clearance granted for the project was quashed and the Company has filed a review petition before the National Green Tribunal and the Company is hopeful of a favourable outcome.

Keeping in view the coal linkage and other infrastructural facilities already available the Company has taken necessary steps for acquiring Nelcast Energy Corporation Ltd., (NEL) which has received majority of the requisite approvals for setting up 2X660MW Thermal Power Project at Krishnapatnam near Nellore. The Project is being jointly developed by NCC and Gayatri Groups. The total project cost is estimated to be ₹ 7,047 crores and is to be funded with an equity of ₹ 1,762 crores and debt of ₹ 5 285 crores. NEL is in the process of being merged with NCCPPL.

### **Himachal Sorang Power Limited**

Himachal Sorang Power Limited is a subsidiary of the Company and is engaged in the implementation of the 100 MW run of the River Hydro Electric Project by utilizing the waters of the River Sorang, a tributary of the river Sulej. The project is under execution and the commercial operations are expected to commence by the end of March, 2012.

### **International Presence**

Your Company has created a niche in infrastructure markets of the GCC, within a short time, through its subsidiaries in the Sultanate of Oman and UAE. Creation of equipment & competent manpower resources proactively since inception has been well received by the Government departments in these countries, enabling the Subsidiaries garner major

construction contracts in the Transportation, Water Pipelines and Buildings sectors aggregating over ₹ 6,000 crores within a short period. The international business is carried on through two flagship entities viz., Nagarjuna Construction Company International LLC in Oman and Nagarjuna Contracting Company LLC., in Dubai.

The major projects executed / being executed by the above subsidiaries of your Company include DEWA Water Pipeline, Dubai, Villas at Al Alin, Abu Dhabi, Al Batina Coastal Road, Al Amerat Quriyat Road, Wadi Adai Amerat Road and several villas at Quriyat City.

### **Subsidiary Financials**

In accordance with the general circular issued by the Ministry of Corporate Affairs, Government of India, the Balance Sheet, Profit and Loss Account and other documents of the subsidiary companies are not being attached with the Balance Sheet of the Company. The Company will make available the Annual Accounts of the subsidiary companies and the related detailed information to any member of the Company who may be interested in obtaining the same. The annual accounts of the subsidiary companies will be kept open for inspection at the Registered office of the Company and that of the respective subsidiary companies.

### **Consolidated financial statements**

In compliance with Clause 32 of the

Listing Agreement entered into with the Stock Exchanges by the Company and in compliance with the Accounting Standards AS-21 and AS-27 on consolidated financial statements, read with the Accounting Standard AS-23 on Accounting for Investments in Associates, your Directors have pleasure in attaching the consolidated financial statements for the financial year ended March 31,2011, which form a part of this Annual Report.

A separate report on Management Discussion and Analysis pursuant to the Clause 49 of the Listing Agreement forms part of this Annual Report.

### **Secretarial Audit Report**

As a measure of good corporate governance practice, the Company has appointed M/s. KSR & Co, Practising Company Secretaries to conduct Secretarial Audit of records and the documents of the Company. The Secretarial Audit Report for the Financial Year ended 31st March, 2011 is provided in the Annual Report.

### **Group**

The names of the promoters and the entities comprising the 'Group' are disclosed in the Annual Report for the purpose of the SEBI (Substantial Acquisition of Shares and Takeover) Regulations,1997.

### **Corporate Governance**

In pursuance of Clause 49 of the Listing Agreement entered into with the stock exchanges, a separate section on Corporate Governance has been

incorporated in the Annual Report for the information of the shareholders, A certificate from the Auditors of the Company regarding compliance of the conditions of Corporate Governance as stipulated under the said Clause 49 also forms a part of this Annual Report.

### **Corporate Social Responsibility**

You will be glad to note that your Company has established a public

charitable trust, "NCC Foundation" as part of its Corporate Social Responsibility. NCC Foundation has joined hands with the Govt. of A.P and has constructed 155 houses at Antervedipalem, East Godavari District, Andhra Pradesh for the poor and the needy under the 'Indiramma Housing Scheme.

# Management discussion and analysis

## Economy

India's GDP growth for FY2010-11 is estimated to be 8.5% on account of lower than expected 7.8% GDP growth in the quarter ended March 2011, which is the lowest in the past five quarters. In fact, there has been consistent deceleration in the pace of growth from robust 9.4% in the quarter ended March 2010 to 9.3% in the quarter ended June 2010, which gave way for 8.9% growth in the quarter ended September 2010 and 8.3% in the quarter ended December 2010. Now, even 8% is broken down, and the country has settled with mere 7.8% growth in GDP in the quarter ended March 2011.

The growth which is fastest in three years has come on the back of a sharp recovery in farm output, but high inflation remains an area of concern. A growing economy would help the country's annual per capita income which expanded by 17.9 per cent to ₹ 54,835 at current prices in 2010-11, as compared to the Quick Estimates for the year 2009-10 of ₹ 46,492.

GDP at factor cost at current prices in the year 2010-11 is estimated at ₹ 73,06,990 crore, showing a growth rate of 19.1 per cent over the Quick Estimates of GDP for the year 2009-10 of ₹ 61,33,230 crore, released on 31st January 2011.

GDP at factor cost at constant (2004-05) prices in the year 2010-11 is now estimated at ₹ 48,77,842 crore (as against ₹ 48,79,232 crore estimated earlier on 7th February, 2011), showing a growth rate of 8.5 per cent (as against 8.6 per cent in the Advance Estimates) over the Quick Estimates of GDP for the year 2009-10 of ₹ 44,93,743 crore,

While services such as trade, hotel, transport and communications improved to 11% in 2010-11 from 9.7% in 2009-10, the manufacturing remains static at 8.8% year on year.

Mining and quarrying has been estimated to grow by 6.2%, compared to 6.9% a year ago, while electricity, gas and water production has grown up by 5.1%, as against 6.4% in the previous fiscal.

Gross Fixed Capital Formation (GFCF) at current prices is estimated at ₹ 23,22,097 crore in 2010-11 as against ₹ 20,16,186 crore in 2009-10.

In 2010-11, India's trade deficit was of the order of US\$ 104 billion. According to revised estimates, fiscal deficit in 2010-11 is pegged at 4.7 percent of GDP and was lower than the government's revised target of 5.1 percent due to 3G/BWA spectrum windfall, strong export growth performance and increased tax realizations. The original target was 5.5 percent projected earlier.

As regards GDP growth in the year 2011-12, initial estimates provided by the Finance Ministry indicate that the economy would better its performance and touch the 9 percent mark.

However, as things stand today, meeting this target looks increasingly difficult. What is particularly worrisome is the negative growth seen in case of the capital goods segment in the last three months.

With the RBI making it clear that it would maintain its anti-inflationary stance, some amount of growth will have to be sacrificed if inflation is to be brought under control in a more sustainable manner. Besides the tight monetary policy stance, the other major downside risk to GDP growth in 2011-12 is further escalation in global oil prices. Given the evolving situation, we can expect GDP growth in 2011-12 to be in the range of 8 to 8.5 percent.

## Construction & Infrastructure

The construction sector in 2010-11 stood at ₹ 591,864 crores at current prices by economic activity, showing a growth of 18 percent over previous year's ₹ 501,706. But the overall contribution to the GDP decreased marginally to 8.1 percent compared to 8.2 percent last year.

At the constant prices (2004-05), the construction sector showed a growth of 8.1 percent in 2010-11 compared to 7 percent growth in 2009-10. It

contributed ₹ 384,629 (7.9 percent) to the GDP at constant prices.

In 2010-11, the topline growth was subdued for most construction companies. In addition, the rise in cost of debt hit earnings growth.

The increase in competitive pressure is taking a toll on operating margins while a rising cost of debt would further dent earnings. At the same time, the current challenging situation has had positive fallout in that companies have renewed their focus on cash management, leading to working capital reduction.

Monetary tightening over the past couple of months along with volatility in commodity prices has induced delays in capex decisions. Once the macro environment begins to improve, government sector and private sector capex activity will pick up.

We also expect state government investment to gather pace, now that elections in some large states are over. However, the focus on containing the fiscal deficit (both at the central and state level) is likely to limit such spends. In terms of central government outlay, we expect the momentum in road project awards to continue and hope for speedier investment activity from the railways (given its far-reaching

implications on the Indian economy) in FY12.

## A. INDUSTRY OVERVIEW Roads

Roads are a vital infrastructure, and despite improvements, the sector still needs efforts to upgrade the quality as well as the length of India's national highway network.

Last year the ministry managed to award roughly 5,083 km of highway projects but could only push construction to 1,780 km against a target of 2,500 km. This translates to construction of about 5 km a day, which falls short of the 20 km a day target that the government eventually wants to meet in the coming years. Since 2004-05, 26,883 km of national highways have been completed against 8,918 km in the 5 years preceding this period.

This year NHAI is targeting to award around 7,300 kms out of which approximately 1,000 kms has already been awarded and is geared to award another 800kms per month in the next quarter.

Prime Minister Mr. Manmohan Singh has urged the Road Ministry that it should work towards a target of

awarding 10,000kms of roads ever year by building a shelf of 10,000 km of projects and ensure that it prepares a detailed project report of another 15,000 km for the year.

NHAI also plans to introduce e-tendering in August 2011, and launch project monitoring through GIS-based satellite imagery from September 2011 which will help in faster awarding of project and will also ensure that timelines of the project are adhered to.

The Planning Commission provided an outlay of ₹ 1,06,659 cr for roads in the Eleventh Plan.

The outlay for 2011-12 is ₹ 27,500 cr as against ₹ 25,465 cr for 2010-11 and ₹ 18,632.75 cr for 2009-10.

Therefore, going forward we can witness increased activity in awarding of road projects.

## Buildings and housing & Real Estate

The residential real estate segment accounts for about 5-6 percent of the country's GDP. Despite this, the country's housing shortage is estimated at 26.53 million houses in the Eleventh Five Year Plan.

In the Union Budget 2011-12, the government increased urban development allocation from ₹ 30.6 bn to ₹ 54 bn, allocation to Housing and Urban Poverty Alleviation was raised from ₹ 8.5 bn to ₹ 10 bn, allocation to Indira Awas Yojna was increased to ₹ 100 bn and for Rajiv Awas Yojna from ₹ 1.5 bn to ₹ 12.7 bn.

The relaxed FDI rules implemented by

Indian government have attracted more foreign investors and real estate in India. The revised investor friendly policies allowed foreigners to own property, and dropped the minimum size for housing estates built with foreign capital to 25 acres (10 hectares) from 100 acres (40 hectares). The overseas firms welcomed these modifications and they can now put up commercial buildings as long as the projects surpass 50,000 square meters (538,200 square feet) of floor space.

Affordable housing will be a key factor in driving the sector. 2011 is expected to be a positive year for the real estate sector. The revival is expected to be driven by infrastructure growth, which in turn, can accelerate real estate activities both in the residential as well as commercial spaces

## Water & Environment

In 2010 India generated about 60 million tonnes of municipal solid waste and 51,723.8 million litres of liquid waste per day, a significant opportunity for water supply, sanitation and waste management projects. By January 2011, 565 water supply, 70 solid waste management, 73 sewerage and 79 storm water drainage projects had been approved by Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT).

Under the JNNURM scheme, some 151 water supply, 42 solid waste management, 111 sewerage and 71 storm water drainage projects had been approved.

Water supply and sanitation projects

approved under the JNNURM (as on December 2010)

(₹ billion)		
Sector	Projects sanctioned	Sanctioned project cost
Water supply	151	1,957.00
Sewerage	111	1,483.41
Stormwater drainage	71	847.11
Solid waste management	42	224.53
<b>Total</b>	<b>375</b>	<b>4,512.06</b>

## Irrigation

For 2011-12, the Ministry of Water Resources proposed an annual outlay of ₹ 14,000 cr for Accelerated Irrigation Benefit Programme (AIBP) with a view to complete ongoing irrigation/multipurpose projects and create an additional irrigation potential of 1.05 million hectares and 15 major/medium projects. A sum of ₹ 500 cr was proposed for command area development and water management programmes.

Under the National Mission on Micro Irrigation (NMMI) a total area of 8.22 lakh ha. has been covered under irrigation. The outlay under this scheme increased from ₹ 1,000 cr in 2010- 11 to ₹1150.00 cr in 2011-12

## Electrical

The total power generating capacity in India reached 173.6 GW as on March 2011. The Ministry of Power targets to increase power capacity from 78,700 MW in the 11th Five Year Plan to 100,000 MW in the 12th Five-Year Plan, of which around 60 percent will be derived from the private sector. The

huge addition to power generation capacity opens opportunities for EPC contractors.

The transmission substation size in India increased from 46,621 MVA during VI Plan to 316,112 MVA during 12th Plan. By 2012, the power transmission lines are estimated to reach 2, 93,372 ckm and sub-station capacity is estimated to increase about 41 percent to 428,000 MVA to address capacity constraints.

Further, investment in the T&D sector is expected to increased from ₹ 4, 27,000 cr in the Eleventh Plan to ₹ 6, 40,000 cr in the Twelfth Plan respectively

## B. OPPORTUNITIES AND STRENGTHS

## C. RISK AND CONCERNS

### Overview

NCC has launched the Enterprise Risk Management (ERM) Process which is a holistic, integrated, structured and disciplined approach to managing risks with the objective of maximizing shareholder's value. It aligns strategy, processes, people & culture, technology and governance with the purpose of evaluating and managing the uncertainties faced by the organization while creating value. Effective risk management allows NCC to:

1. have increased confidence in achieving its desired goals and objectives;
2. effectively constrain threats to acceptable levels;

3. take informed decisions about exploiting opportunities

NCC realizes the need to better understand, anticipate and mitigate business risks in order to minimize the frequency and impact of risks. As the Company contends with the new responsibility for risk management, it is looking for greater assurance that there is a system in place, with well-documented, effective mitigation plans and accountability, which provides relevant information for decision making to the appropriate people in a timely manner.

### *Guiding Principles for NCC's Risk Management Framework*

The ERM is based on the following key principles:

1. **Shareholder value based:** Risk management will be focused on sustaining the creation of shareholder value and protecting the same against erosion.
2. **Embedded:** Risk management will be embedded in existing business processes to facilitate management of risks across processes on an ongoing basis.
3. **Supported and Assured:** Risk management will provide support in establishing appropriate processes to ensure that current risks are being managed appropriately and assurance is provided to the relevant stakeholders over the effectiveness of these processes.
4. **Reviewed:** The effectiveness of the risk management program will be

reviewed on a regular basis to ensure its relevancy in a dynamic and changing business environment.

### **Risk Management Process**

The Risk Management process adopted by NCC comprises of the following steps –

1. Risk Identification with focus on Strategic, Operational Financial, and Compliance
2. Risk Prioritization to identify the key risks for the business
3. To nominate Risk Champions who will own and monitor the risks on an ongoing basis
4. To develop a robust monitoring mechanism at the enterprise level to monitor the mitigation plans

During the year, the Board has reviewed the process and the Risks that have been identified for the business.

A process has been institutionalized in the organization through which Internal Audit will review the implementation of the Mitigation plans and update the Board periodically.

### **D. INTERNAL CONTROL SYSTEM**

The Company has adequate and robust system of internal controls to help management review the effectiveness of the financial and operating controls and assurance about adherence to company's laid down systems and procedures. Checks and balances are in place and are reviewed at regular intervals to ensure that transactions are properly authorized and reported

correctly. The Board and the management periodically review the findings and recommendations of the Auditors and take necessary corrective actions whenever necessary.

# Auditors' Report

The members of

**NCC LIMITED**

(Formerly Nagarjuna Construction Company Limited)

1. We have audited the attached Balance Sheet of NCC Limited (Formerly Nagarjuna Construction Company Limited) as at March 31, 2011, the Profit and Loss Account and the Cash Flow Statement for the year ended on that date, both annexed thereto, in which are incorporated the returns from Oman and Nepal branches and certain Joint Ventures ("the Branches") audited by other auditors. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003 (CARO) issued by the Central Government of India in terms of section 227(4A) of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
  - a) we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the Branches not visited by us. The Branch Auditors Reports have been forwarded to us and appropriately dealt with;
- c) the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account and with the audited returns from the Branches;
- d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in compliance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956;
- e) in our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2011;
  - (ii) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
  - (iii) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.
5. On the basis of written representations received from the directors, as on March 31, 2011 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2011 from being appointed as a director in terms of section 274(1)(g) of the Companies Act, 1956.

# Annexure to the Auditors' Report

(Referred to in paragraph 3 of our report of even date)

- (i) In respect of its fixed assets:
  - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
  - (b) The fixed assets were physically verified during the year by the management in accordance with a programme of verification, which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, the discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
  - (c) The fixed assets disposed off during the year, in our opinion, do not constitute substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.
- (ii) In respect of its inventories:
  - (a) According to the information and explanations given to us, the Management has physically verified the inventory during the year. In our opinion, having regard to the nature of business and location of stocks, the frequency of verification is reasonable.
  - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
  - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt in the books of account.
- (iii) (a) According to the information and explanations given to us, the Company has granted secured or unsecured loans repayable as per the terms, aggregating ₹ 1147.06 million to six parties during the year covered in the Register maintained under Section 301 of the Companies Act, 1956. The maximum amount involved during the year was ₹ 5558.68 million (seven parties) and the year end balance of the loans granted to such parties was ₹ 5476.10 million (seven parties).
- (b) In our opinion and according to the information given to us, the terms and conditions of such loans are prima facie not prejudicial to the interests of the Company.
- (c) The receipts of principal amounts and interest have been regular during the year.
- (d) Based on the revised contractual terms in respect of inter corporate loans, there are no overdue amounts.
- (e) According to the information and explanations given to us, the Company has not taken loans, secured or unsecured from Companies, firms or other parties covered in the Register maintained under section 301 of the Companies Act, 1956. Accordingly, paragraphs (iii) (e) (f) and (g) of CARO are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal system.
- (v) In respect of contracts or arrangements entered in the register maintained in pursuance of section 301 of the Companies Act, 1956 to the best of our knowledge and belief and according to the information and explanations given to us:
  - (a) The particulars of contracts or arrangements referred to in section 301 that need to be entered in to the register, maintained under the said section have been so entered.
  - (b) In our opinion, the transactions (excluding loans reported under paragraph (iii) above) exceeding the value of ₹ 5 lakhs in respect of any party during the year have been made at prices which are prima facie reasonable having regard to the prevailing market prices at the relevant time, where such market prices are available.
- (vi) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, the provisions of para 4(vi) of CARO are not applicable to the Company.
- (vii) In our opinion, the internal audit function carried out during the year by firms of Chartered Accountants appointed by the management have been commensurate with the size of the company and the nature of its business.

## Annexure to the Auditors' Report (Contd.)

(viii) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records for any of the products or activity of the company.

(ix) In respect of statutory dues:

(a) According to the information and explanations given to us, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income Tax, Wealth Tax, Sales Tax, Service Tax, Custom Duty, Excise Duty, Cess and any other material statutory dues applicable to it

with the appropriate authorities during the year.

(b) According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2011 for a period of more than six months from the date they became payable.

(c) According to the information and explanations given to us, details of disputed, income tax, wealth tax, sales tax, service tax, customs duty, excise duty and cess which have not been deposited as on March 31, 2011 on account of any dispute are given below:

## Schedules forming part of the Accounts

### Schedule IX ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

#### I. SIGNIFICANT ACCOUNTING POLICIES

- a) The Accounts have been prepared on accrual basis under historical cost convention in accordance with the Generally Accepted Accounting Principles in India and the provisions of the Companies Act, 1956.

b) **Fixed Assets and Depreciation**

Fixed Assets are stated at cost of acquisition, less accumulated depreciation thereon. Depreciation is provided on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956 except for construction accessories which are depreciated at 20% p.a. based on useful life determined by the Management. Leasehold improvements are amortised over the period of lease. Intangible assets are amortised over a period of five years

Fixed assets in joint venture operations, which are accounted to the extent of the Company's interest in the venture, are depreciated on Straight Line Method / Written Down Value Method at the rates prescribed in Schedule XIV of the Companies Act, 1956 or at higher rates as stated below:

	Description	Straight Line Method	Written Down Value Method
1)	Plant and Machinery	4.75%	15% - 25%
2)	Furniture and Fixtures	6.33%	10% - 20%
3)	Office Equipments	4.75%	15% - 25%
4)	Computers	16.21%	60%
5)	Tools and Equipments	4.75%	15% - 25%
6)	Construction Vehicles	—	15% - 25%
7)	Construction Accessories	20%	15% - 25%
8)	Office Vehicles	9.50%	15% - 25%

c) **Borrowing Costs:**

Borrowing Costs that are attributable to acquisition, construction or production of a qualifying asset are capitalised as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time i.e., more than 12 months to get ready for its intended use. All other borrowing costs are charged to revenue.

d) **Impairment of Assets:**

The carrying amount of assets, other than inventories is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets is estimated. The recoverable amount is the greater of the asset's net selling price and value in use which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

e) **Investments:**

Investments are classified as long term and current investments. Long Term Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value.

f) **Inventories**

**Raw Materials:**

Raw Materials, construction materials and stores & spares are valued at weighted average cost. Cost excludes refundable duties and taxes.

**Work in Progress:**

- Project Division: Work-in-Progress is valued at the contract rates less profit margin / estimates.
- Light Engineering Division: Work-in-Progress is valued at lower of cost and net realisable value.

## Schedules forming part of the Accounts

---

### Schedule IX ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

---

- iii) Property Development: Properties under development are valued at cost. Cost comprises all direct development expenditure, administrative expenses and borrowing costs. Land held for resale is valued at lower of cost and net realisable value.

#### Finished Goods:

Finished goods of Light Engineering Division are valued at lower of cost and net realisable value.

#### g) Employee Benefits

Liability for employee benefits, both short and long term, for present and past services which are due as per the terms of employment are recorded in accordance with Accounting Standard (AS) 15 'Employee Benefits' notified by the Companies (Accounting Standards) Rules, 2006

##### Defined Benefit Plan

##### i) Gratuity

In accordance with the Payment of Gratuity Act, 1972 the Company provides for gratuity covering eligible employees. Liability on account of gratuity is:

- covered partially through a recognised Gratuity Fund managed by Life Insurance Corporation of India and contributions are charged to revenue; and
- balance is provided on the basis of valuation of the liability by an independent actuary as at the year end.

##### ii) Compensated Absences

Liability for compensated absence is treated as a long term liability and is provided on the basis of valuation by an independent actuary as at the year end.

In respect of Oman branch employees, end of service benefit is accrued in accordance with terms of employment. Employee entitlements to annual leave and gratuity are recognized on actual basis and charged to profit and loss account

##### Defined Contribution Plan

##### iii) Superannuation

The Company makes monthly contribution to an approved superannuation fund covered by a policy with Birla Sunlife Insurance Company Limited. The Company has no further obligation beyond the monthly contribution.

##### iv) Provident Fund

Contribution to Provident fund (a defined contribution plan) made to Regional Provident Fund Commissioner are recognised as expense.

#### h) Revenue Recognition

- i) Project Division: Revenue from construction contracts is recognised by reference to the percentage of completion of the contract activity. The stage of completion is determined by survey of work performed and / or on completion of a physical proportion of the contract work, as the case may be, and acknowledged by the contractee. Future expected loss, if any, is recognised as expenditure.
- ii) Property Development: Revenue is recognised when the Company enters into an agreement for sale with the buyer and all significant risks and rewards have been transferred to the buyer and there is no uncertainty regarding realisability of the sale consideration.

#### i) Joint Venture Projects:

- i) In respect of Joint Venture Contracts in the nature of jointly controlled operations, the assets controlled, liabilities incurred, the share of income and expenses incurred are recognized in the agreed proportions under respective heads in the financial statements.
- ii) Assets, Liabilities and Expenditure arising out of contracts executed wholly by the Company pursuant to a joint venture contract are recognised under respective heads in the financial statements. Income from the contract is accounted net of joint venturer's share under turnover in these financial statements.

## Schedules forming part of the Accounts

### Schedule IX ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

- iii) Share of turnover attributable to the Company in respect of contracts executed by the other joint venture partners pursuant to Joint Venture Agreement, is accounted under Turnover in these financial statements.

**j) Foreign exchange translation and foreign currency transactions**

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognised in the Profit and Loss account.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Profit and Loss Account.

Foreign branches are classified as non-integral foreign operations. Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at the end of the respective month. All resulting exchange differences are accumulated in a separate account 'Foreign Currency Translation Reserve' till the disposal of the net investments.

**k) Leases**

The Company's leasing arrangements are mainly in respect of operating leases for premises and construction equipment. The leasing arrangements range from 11 months to 10 years generally and are usually cancellable /renewable by mutual consent on agreed terms. The aggregate lease rents payable are charged as rent in the Profit and Loss Account.

**l) Taxes**

- i) Current Tax: Provision for Current Tax is made based on taxable income computed for the year under the Income Tax Act, 1961.
- ii) Deferred Taxes: Deferred Tax is accounted for by computing the tax effect of timing differences which arise during the year and reverse in subsequent periods. Deferred tax assets are recognized and carried forward only to the extent that there is a certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realized

**m) Contingency Reserve**

The Company transfers to Contingency Reserve out of the Profit and Loss Appropriation Account such amounts as the Management considers appropriate based on their assessment to meet any contingencies relating to substantial expenditure incurred during the maintenance period of a contract, non-realisation of contract bills earlier recognised as income and claims, if any, lodged by the contractees or by sub-contractors or by any third party against the Company in respect of completed projects for which no specific provision has been made.

**n) Earnings per Share**

The Company reports basic and diluted earnings per share in accordance with Accounting Standard (AS) 20, Earnings Per Share notified by the Companies (Accounting Standards) Rules, 2006. Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti dilutive

**o) Provisions, Contingent Liabilities and Contingent Assets**

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are neither recognised nor disclosed in the financial statements.

# Auditors' Report

THE BOARD OF DIRECTORS OF  
NCC LIMITED (Formerly Nagarjuna Construction Company Limited)

1. We have audited the attached Consolidated Balance Sheet of NCC Limited (Formerly 'Nagarjuna Construction Company Limited') ('the Company'), its subsidiaries and jointly controlled entities (collectively referred as 'the Group') as at March 31, 2011 and the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement of the Group for the year ended on that date both annexed thereto in which are incorporated the returns from the Oman and Nepal branches and certain Joint Ventures, audited by other auditors. The Consolidated Financial Statements include investments in associates accounted on the equity method in accordance with Accounting Standard-23 (Accounting for Investments in Associates in Consolidated Financial Statements) and jointly controlled entities accounted in accordance with Accounting Standard-27 (Financial Reporting of Interests in Joint Ventures) as notified under the Companies (Accounting Standards) Rules, 2006. These financial statements are the responsibility of the Company's Management and have been prepared by the management on the basis of separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. (a) As stated in Note 2 (a) of II of Schedule X, the financial statements of one subsidiary and one jointly controlled entity have not been considered in preparation of consolidated financial statements, for reasons stated therein.
- (b) We did not audit the financial statements of certain subsidiaries and three jointly controlled entities, whose financial statements reflect Group's share of total assets of ₹ 13,528.48 million as at March 31, 2011, Group's share of total revenue of ₹ 10,263.01 million, Group's share of net cash flows of ₹ 656.08 million for the year ended on that date as considered in the Consolidated Financial Statements and associates whose financial statements reflect the Group's

share of loss of ₹ 0.36 million for the year ended on that date. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts included in respect of these subsidiaries and jointly controlled entities is based solely on the report of other auditors.

- (c) As stated in Note 2 (b) of II of Schedule X, the financial statements of two Jointly Controlled entities and a partnership firm, whose financial statement reflect Group's share of total assets of ₹ 1,205.91 million as at March 31, 2011, Group's share of total revenue of ₹ 3.74 million, Group's share of net cash flows of ₹ (29.82) million for the year ended on that date as considered in the Consolidated Financial statements on the basis of financial statements prepared by the management.
- (d) As stated in Note 2 (c) of II of Schedule X, the financial statements of six associates, whose financial statement reflect Group's share of profit of ₹ 8.20 million for the year then ended have been considered on the basis of financial statements prepared by the management.
4. We report that the Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard-21 (Consolidated Financial Statements), Accounting Standard-23 (Accounting for Investments in Associates in Consolidated Financial Statements), and Accounting Standard-27 (Financial Reporting of Interests in Joint Ventures) as notified under the Companies (Accounting Standards) Rules, 2006.
5. Based on our audit and on consideration of separate audit reports on individual financial statements of the Company, its aforesaid subsidiaries, joint ventures and associates and to the best of our information and according to the explanations given to us, subject to paragraph 3 (a), 3(c) and 3(d) above and note 16 of II of schedule X, in our opinion the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2011;
  - (ii) in the case of the Consolidated Profit and Loss Account, of the profit of the Group for the year ended on that date; and
  - (iii) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Schedule	<b>X</b>	<b>ACCOUNTING POLICIES AND NOTES ON ACCOUNTS</b>
----------	----------	--

---

## I. SIGNIFICANT ACCOUNTING POLICIES

### 1. Principles of Consolidation

The consolidated financial statements relate to NCC Limited (formerly Nagarjuna Construction Company Limited) ("the Company"), its subsidiary companies and jointly controlled entities (the "Group"). The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and unrealised profits or losses on intra-group transactions as per Accounting Standard (AS) 21 - "Consolidated Financial Statements" notified by the Companies (Accounting Standards) Rules, 2006.
- b) Interest in jointly controlled entities have been consolidated by using the 'proportionate consolidation' method as per Accounting Standard (AS) 27 - 'Financial Reporting of Interests in Joint Ventures' notified by the Companies (Accounting Standards) Rules, 2006.
- c) In case of associates where the Company directly or indirectly through its subsidiaries holds more than 20% of equity, Investments in associates are accounted under the equity method as per Accounting Standard (AS) 23 - "Accounting for Investments in Associates in Consolidated Financial Statements" notified by the Companies (Accounting Standards) Rules, 2006.
- d) The financial statements of the subsidiaries, the jointly controlled entities and the associates used in the consolidation are drawn up to the same reporting date as that of the Company, i.e. March 31, 2011 except one Associate.
- e) The excess of cost to the Company, of its investment in the subsidiaries and the jointly controlled entities over the Company's share of equity is recognised in the financial statements as Goodwill and tested for impairment annually.
- f) The excess of the Company's share of equity of the subsidiaries and jointly controlled entities on the acquisition date, over its cost of investment is treated as Capital Reserve.
- g) Minority interest in the net assets of the consolidated subsidiaries is identified and presented in consolidated balance sheet separately from current liabilities and equity of the company.  
Minority Interest in the net assets of consolidated subsidiaries consists of:
  - i) The amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and
  - ii) The minorities' share of movements in the equity since the date the parent subsidiary relationship came into existence.
- h) Minority interest in the net profit for the year of consolidated subsidiaries is identified and adjusted against the profit after tax of the group.
- i) Intra-group balances and intra-group transactions and resulting unrealised profits/loss has been eliminated.
- j) In case of foreign subsidiaries being non-integral foreign operations, revenue items are consolidated at monthly average of exchange rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in "Foreign Currency Translation Reserve".
- k) The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements.

2. Investments in subsidiaries, jointly controlled entities and associates not considered for consolidation have been accounted as per Accounting Standard (AS) 13- "Accounting for Investments" notified by Companies (Accounting Standards) Rules, 2006.

### 3. Other significant accounting policies:

- a) The Consolidated Accounts have been prepared on accrual basis under historical cost convention in accordance with the Generally Accepted Accounting Principles in India and accounting standards prescribed in Companies (Accounting Standards) Rules, 2006 to the extent applicable.
- b) **Fixed Assets and Depreciation:** Fixed Assets are stated at cost of acquisition, less accumulated depreciation thereon. Depreciation is provided on straight line method / written down value method (in respect of one subsidiary) at the rates

## Schedules forming part of the Consolidated Accounts

### Schedule X ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

prescribed in Schedule XIV of the Companies Act, 1956 except for construction accessories which are depreciated at 20% p.a. based on useful life determined by the Management. Leasehold improvements are amortised over the period of lease. Intangible assets are amortised over a period of five years.

Fixed assets in joint venture operations, which are accounted to the extent of the Company's interest in the venture, are depreciated on Straight Line Method / Written Down Value Method at the rates prescribed in Schedule XIV of the Companies Act, 1956 or at higher rates as stated below:

	Description	Straight Line Method	Written Down Value Method
1)	Plant and Machinery	4.75%	15% - 25%
2)	Furniture and Fixtures	6.33%	10% - 20%
3)	Office Equipments	4.75%	15% - 25%
4)	Computers	16.21%	60%
5)	Tools and Equipments	4.75%	15% - 25%
6)	Construction Vehicles	-	15% - 25%
7)	Construction Accessories	20%	15% - 25%
8)	Office Vehicles	9.50%	15% - 25%

The Cost of Concessionaire Asset of a jointly controlled entity is amortised over the period of 8 years as per the concession agreement entered into with the Public Works Department, Government of Karnataka and Karnataka Road Development Corporation Limited.

**Capital Work in Progress:** In respect of "Concessionaire Assets" all costs incurred towards construction are accumulated under capital work in progress till the completion of construction.

- c) **Borrowing Costs:** Borrowing Costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalised as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time i.e., more than 12 months to get ready for its intended use. All other borrowing costs are charged to revenue.
- d) **Impairment of Assets:** The carrying amount of assets, other than inventories is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets is estimated. The recoverable amount is the greater of the asset's net selling price and value in use which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.
- e) **Investments:** Investments are classified as long term and current investments. Long Term Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value.
- f) **Inventories**
  - Raw Materials:**  
Raw Materials, construction materials and stores & spares are valued at weighted average cost. Cost excludes refundable duties and taxes.
  - Work in Progress:**
    - i) **Project Division:** Work-in-Progress is valued at the contract rates less profit margin / estimates.
    - ii) **Light Engineering Division:** Work-in-Progress is valued at lower of cost and net realisable value.
    - iii) **Property Development:** Properties under development are valued at cost. Cost comprises all direct development expenditure, administrative expenses and borrowing costs. Land held for resale is valued at lower of cost and net realisable value.
    - iv) **Real Estate Projects:**
      - 1) Completed properties held for sale are stated at the actual cost or net realizable value, whichever is lower.
      - 2) Construction Work-in-progress is valued at cost. Cost is sale value less profit margin.

## Schedules forming part of the Consolidated Accounts

### Schedule X ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

#### Finished Goods:

Finished goods of Light Engineering Division are valued at lower of cost and net realisable value.

#### g) Employee Benefits

Liability for employee benefits, both short and long term, for present and past services which are due as per the terms of employment are recorded in accordance with Accounting Standard (AS) 15 'Employee Benefits' notified by the Companies (Accounting Standards) Rules, 2006

#### Defined Benefit Plan

##### i) Gratuity

In accordance with the Payment of Gratuity Act, 1972 the Company provides for gratuity covering eligible employees. Liability on account of gratuity is

– covered partially through a recognised Gratuity Fund managed by Life Insurance Corporation of India and contributions are charged to revenue; and

– balance is provided on the basis of valuation of the liability by an independent actuary as at the year end.

##### ii) Compensated Absences

Liability for compensated absence is treated as a long term liability and is provided on the basis of valuation by an independent actuary as at the year end.

In respect of Oman branch employees, end of service benefit is accrued in accordance with terms of employment. Employee entitlements to annual leave and gratuity are recognized on actual basis and charged to profit and loss account

#### Defined Contribution Plan

##### iii) Superannuation

The Company makes monthly contribution to an approved superannuation fund covered by a policy with Birla Sunlife Insurance Company Limited. The Company has no further obligation beyond the monthly contribution.

##### iv) Provident Fund

Contribution to Provident fund (a defined contribution plan) made to Regional Provident Fund Commissioner are recognised as expense.

#### h) Revenue Recognition

i) **Project Division:** Revenue from construction contracts is recognised by reference to the percentage of completion of the contract activity. The stage of completion is determined by survey of work performed and / or on completion of a physical proportion of the contract work, as the case may be, and acknowledged by the contractee. Future expected loss, if any, is recognised as expenditure.

ii) **Annuity Income:** Annuity is recognised on accrual basis in accordance with the provisions of the concession agreement.

iii) **Toll Income:** Fee collection from the users of the facility is accounted for as and when the amount is due and recovery is certain. Revenue from sale of passes to local traffic is accounted for as and when such passes are sold.

iv) **Real Estate Project:** Revenue from the sale of properties is recognised on transfer of all significant risks and rewards of ownership to the buyers, which coincides with the entering into a legally binding agreement and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However, if at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on the basis of percentage completion method, measured on the basis of percentage of actual cost incurred including proportionate land cost bears to the total estimated cost of the project under execution. Revenue comprises the aggregate amount of sale price as per the terms of the agreement entered into with the customers. The recognition is subject to reaching 25% of physical progress measured in terms of estimated cost. The estimate of cost and saleable areas is reviewed periodically by the management and any effect of changes in estimates is recognised in the period of changes. Further, on periodical review if any project is expected to incur loss, the entire loss is recognised immediately.

Cost in relation to the above includes cost of land, development cost, project over heads, borrowing cost and all cost

### Schedule **X** ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

incurred for bringing the property to marketable condition or its intended use.

**v) Management fees:** Management fee is accounted on accrual basis in accordance with the terms of the agreement.

**i) Joint Venture Projects:**

i) In respect of Joint Venture Contracts in the nature of jointly controlled operations, the assets controlled, liabilities incurred, the share of income and expenses incurred are recognised in the agreed proportions under respective heads in the financial statements.

ii) Assets, Liabilities and Expenditure arising out of contracts executed wholly by the Company pursuant to a joint venture agreement are recognised under respective heads in the financial statements. Income from the contract is accounted net of joint venturer's share under turnover in these financial statements.

iii) Share of turnover attributable to the Company in respect of contracts executed by the other joint venture partners pursuant to Joint Venture Agreement, is accounted under Turnover in these financial statements.

**j) Foreign exchange translation and foreign currency transactions**

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognised in the Profit and Loss account.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Profit and Loss Account.

Foreign branches are classified as non-integral foreign operations. Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at the end of the respective month. All resulting exchange differences are accumulated in a separate account 'Foreign Currency Translation Reserve' till the disposal of the net investments.

**k) Leases**

The Company's leasing arrangements are mainly in respect of operating leases for premises and construction equipment. The leasing arrangements range from 11 months to 10 years generally and are usually cancellable/renewable by mutual consent on agreed terms. The aggregate lease rents payable are charged as rent in the Profit and Loss Account.

**l) Taxes**

i) **Current Tax:** Provision for Current Tax is made based on taxable income computed for the year under the applicable tax laws.

ii) **Deferred Taxes:** Deferred Tax is accounted for by computing the tax effect of timing differences which arise during the year and reverse in subsequent periods. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

**m) Grants**

Equity support received from National Highways Authority of India for meeting capital cost of the project is treated as Capital Reserve.

**n) Contingency Reserve**

The Company transfers to Contingency Reserve out of the Profit and Loss Appropriation Account such amounts as the Management considers appropriate based on their assessment to meet any contingencies relating to substantial expenditure incurred during the maintenance period of a contract, non-realisation of contract bills earlier recognised as income and claims, if any, lodged by the contractees or by sub-contractors or by any third party against the Company in respect of completed projects for which no specific provision has been made.

**o) Earnings per Share**

The Company reports basic and diluted earnings per share in accordance with Accounting Standard (AS) 20, Earnings Per Share notified by the Companies (Accounting Standards) Rules, 2006. Basic earnings per equity share is computed by

## Schedules forming part of the Consolidated Accounts

### Schedule X ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.

**p) Provisions, Contingent Liabilities and Contingent Assets**

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are neither recognised nor disclosed in the financial statements.

## Schedules forming part of the Consolidated Accounts

Schedule **X** ACCOUNTING POLICIES AND NOTES ON ACCOUNTS (Contd.)

### 18. Segment Reporting

The Company's operations predominantly consist of construction / project activities. Hence there are no reportable segments under Accounting Standard – 17. During the year under report, substantial part of the Company's business has been carried out in India. The conditions prevailing in India being uniform, no separate geographical disclosures are considered necessary. The Company's operations outside India do not qualify as reportable segments as the operations are not material.

### 19. Earning Per Share

Sl. no.	Particulars	31.03.2011	31.03.2010
