MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW

The Gems & Jewellery industry has acquired prominence over the years in the country, given its dual utility of improving aesthetics as well as investment. The Gems & Jewellery sector plays a significant role in the Indian economy, contributing around 7% of the country's GDP and 15.71% to India's total merchandise exports. One of the fastest growing sectors, it is extremely export oriented and labour intensive.

India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. India and China are the largest consumers as well as the largest manufacturers of the gold jewellery in the world. However, India is the largest player in diamond cutting and polishing. 12 out of 14 diamonds sold in the world are either polished or cut in India. A major chunk of gold jewellery manufactured in India is for domestic consumption, whereas a major portion of polished diamonds or finished diamond jewellery is exported. Moreover, India exports 75% of the world's polished diamonds, as per statistics from the Gems and Jewellery Export Promotion Council (GJEPC). India's Gems and Jewellery sector has been contributing in a big way to the country's foreign exchange earnings (FEEs). UAE, US, Russia, Singapore, Hong Kong, Latin America and China are the biggest importers of Indian jewellery.

The net exports from India rose from USD 15.66 billion in FY 2004 - 05 to USD 30.96 billion in FY 2018 - 19 at a Compound Annual Growth Rate (**CAGR**) of 4.99% over FY 2005 - 19. In FY 2020, India exported USD 23.82 billion worth of cut and polished diamonds, at a CAGR of 5.56%. India's share in the global diamond market is 65% in value terms, 85% in volume terms and 92% in number of pieces. India's gems and jewellery imports increased at a CAGR of 5.93% from USD 11.63 billion in FY 2004 - 05 to USD 26.05 billion in FY 2018 - 19.

India's gems and jewellery industry is one of the largest in the world contributing almost 29% to the global jewellery consumption. Its market size is about USD 75 billion as of 2017 and is expected to reach USD 100 billion by 2025. This sector currently employs over 4.64 million people and is expected to employ 8.23 million by 2022.

SEGMENT WISE PERFORMANCE

The Company is a single product entity, viz jewellery and is engaged in the business of manufacturing, sales and trading of jewellery. Jewellery is however, further segregated into gold, diamond, silver etc. Based on geographical areas, the Company has one operating segment i.e. domestic sales. The share of domestic sales in the revenue from operations of the Company during FY 2019-2020 was Rs.

53,46,99,844/-. The segment wise revenue and results of the Company as on March 31, 2020 on are as under:

(Rupees)	
Revenue	Amount
Domestic Sales	53,46,99,844
Net sales/income from operations	53,46,99,844
Segment Results:	
Profit before tax and interest from each segment	1,60,05,169
Net Profit for the year	1,20,96,679

OPPORTUNITIES AND THREATS

The Indian jewellery market is a very interesting market. At one end of sphere the expenditure on jewellery as a part of overall wedding expenditure is increasing and as per some reports the expenditure on jewellery constitutes nearly 35 - 40% of overall wedding expenditure. The trousseau of any Indian bride is even today incomplete without matching jewellery. The gold and other traditional jewellery items like Polki and Kundan continues to remain the favourite for wedding wear. On the other end jewellery is gradually becoming a life style and fashion accessory as well. This has increased the number of times when a jewellery item is purchased and has therefore also led the jewellers to invest into, create and stock more of light weight, relatively low priced and diamond studded jewellery items in addition to traditional wedding jewellery.

The sector is witnessing changes in customer preferences due to adoption of western lifestyle and their demand for new designs and varieties in jewellery. Further, rising quality awareness of customers has also provided a fillip to the organized retail segment, which is banking on its 'reliability' and 'quality' to compete against the highly fragmented unorganized jewellers.

The increase in the gold prices in the recent years has provided an incentive to the customers for recycling of their old jewellery and has also lowered the cost of acquisition of new jewellery. For the jewellers old jewellery acts as a source of raw material and also reduces their cash requirements in the sense that they are able to procure their raw material in kind only.

The Company does not perceive any major or predictable threats except that the retail jewellery is already a working capital intensive business and the demand for jewellery is now increasing beyond the traditional wedding jewellery. This increase in the range and variety of jewellery demanded by the customers requires additional investment in inventory. Also though the diamond jewellery has higher margins it also has a much longer cash conversion cycle vis a vis gold and all of these factors have only increased the working capital intensity of the jewellery business.

OUTLOOK

The organized jewellers are expected to grow at 10-11% through Fiscal 2022 and this growth will continue to be based on:

- i) continuing shift from unorganized towards organized players;
- ii) longer duration promotional schemes; and
- iii) fresh showroom additions.

At the same time operating profitability is expected to remain stable at around 5% despite the aggressive promotional schemes and new showroom openings on account of sales mix shifting towards diamonds and diamond studded jewellery which have higher margins. The increasing number of Indian middle class with a commensurate increase in the disposable income is expected to lead to an increase in the jewellery demand.

RISKS AND CONCERNS

The Company has well defined systems and procedures for managing its operational risks, which includes a system of movement of jewellery through specialized courier agency, strong room and CCTVs and armed guards at all its showrooms. The entire inventory of the Company is insured. The Company has cash pick up arrangements with leading banks, with transit insurance. The Company is also exposed to price risk movements in gold. However, it has put rigorous systems and procedures in place to take care of these concerns. The Company has in place a risk management framework that helps in anticipating, identifying and evaluating business risks and challenges across the Company and finding ways to mitigate them.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has effective internal control system in place, which are regularly reviewed by independent Internal Auditors of the Company and the internal audit reports are periodically reviewed by Audit Committee. The Company has also put in place adequate internal financial controls with reference to the financial statements commensurate with the size and nature of operations of the Company. Based on the assessment carried out by an independent agency and the evaluation of the results of the assessment, the Board of Directors and Auditors are of the opinion that the Company has adequate internal controls over financial reporting that are operating effectively as of March 31, 2020.

FINANCIAL PERFORMANCE

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 and the applicable Rules, as amended from time to time and other pronouncements / provisions of the applicable laws. The salient parameters of the financial performance of the Company during the year under review are as under:

FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31st MARCH 2020

INDEPENDENT AUDITORS' REPORT

To

The Members of

SHUBHLAXMI JEWEL ART LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Shubhlaxmi Jewel Art Limited** ("the Company") which comprise the Balance Sheet as at 31st March 2020, the statement of profit and loss and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 and of the profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw your attention to Note 22 which explains the uncertainties and the management's assessment of the financial impact due to lock-downs and other restrictions and conditions related to the COVID 19 pandemic situation, for which definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to communicate in our report.

Net realizable value of inventories:

Inventory of stock in trade is valued at lower of cost or net realizable value (estimated selling price less estimated cost to sell). Considering the volatility in the selling price of precious metals, which is dependent upon various market conditions, determination of the net realizable value involves significant management judgment and therefore, has been considered as a key audit matter.

Auditor's response:

We have obtained an understanding of the determination of the net realizable values and assessed and tested the reasonableness of the significant judgments applied by the management.

We have compared the cost of stock in trade with the estimated net realizable value and evaluated the design of internal controls relating to the valuation of inventories.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are, therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation preclude public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of written representations received from the directors as on 31st March 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020, from being appointed as a director in terms section 164(2) of the Act;
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure – B may be referred;
 - g) Remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;

- iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

- 1 In respect of fixed assets:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - b. The fixed assets were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No discrepancies were noticed on such verification.
 - c. The title deeds of immovable properties are held in the name of the Company.
- 2 The inventories were physically verified by the management at reasonable intervals during the year. No material discrepancies were noticed on such physical verification carried out by the Company.
- 3 The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act.
- 4 The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, investments, guarantees and security, to the extent applicable.
- 5 The Company has not accepted any deposits within the meaning of the provisions of section 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder with regard to the deposits accepted from the public. No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- 6 The Central Government has not prescribed maintenance of the cost records under section 148(1) of the Companies Act, 2013.
- 7 In respect of statutory and other dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Custom Duty, Cess, Goods & Service Tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Shubhlaxmi Jewel Art Limited** ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note: 1

1 Significant Accounting Policies:

1.1 Basis of Accounting:

The financial statements have been prepared in accordance with the recognition and measurement principles laid down in the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.

1.2 Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.3 Fixed Assets:

Tangible Assets are stated at cost less depreciation, All the costs incurred till the date of the assets ready for use, including installation and substantial modification to the fixed assets are capitalized and included in the cost of the respective assets. Depreciation is provided on Straight Line Method in the manner specified in the Schedule II in accordance with the provisions of section 123(2) of the Companies Act, 2013.

1.4 Inventories:

Inventories are valued at cost or net realizable value, whichever is lower. Cost is determined on the following basis:

- i. Packing materials – on weighted average basis;
- ii. Stock in trade - at material cost plus direct expenses.

1.5 Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably be measured.

Revenue from sale of goods are recognized when significant risks and rewards of ownership are passed the buyer, which generally coincides with dispatch of goods. Goods & Service Tax is collected on behalf of the Government and therefore, excluded from the revenue.

1.6 **Goods and Service Tax:**

Purchased of goods and fixed assets are accounted for net of GST input credits., wherever applicable.

1.7 **Employee Benefits:**

Post-employment benefit plans:

- i) **Defined Contribution Plan:** Contribution for provident fund are accrued in accordance with applicable statutes and deposited with the Regional Provident Fund Commissioner.
- ii) **Defined Benefit Plan:** The liability in respect of gratuity and leave encashment is determined using Projected Unit Credit Method with actuarial valuation carried out as at balance sheet date. Actuarial gains are recognised in full in the profit and loss account for the period in which they occur.

Short-term employee benefits: The undiscounted amount of short-term benefits expected to be paid in exchange for services rendered by employee is recognised during the period when the employee renders the service.

1.8 **Borrowing Costs:**

Net cost of borrowed funds for the projects till completion are capitalized and included in the cost of fixed assets. Other borrowing costs are recognized as expenses in the period in which they are incurred.

1.9 **Taxation:**

Provisions are made for current tax based on tax liability computed in accordance with relevant tax rates and tax laws. Deferred tax is recognized, subject to the consideration of prudence, on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

1.10 **Earning per Share:**

Basic earning per share is computed by dividing the net profit attributable to equity shareholders for the year by weighted average number of equity shares outstanding during the year.

1.11 **Provision and Contingencies:**

The Company creates a provision when there is present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow or where a reliable estimate of the obligation can not be made.

21. Balances for trade receivables, trade payables and for advances are subject to confirmations from the respective parties. In absence of such confirmations, balances as per books have been relied upon by the Auditors.
22. In the last week of March 2020, an outbreak situation arose in India and other countries of the world on account of COVID2019. The Company has considered such outbreak situation as subsequent event to the Balance Sheet date i.e., March 31, 2020 in terms of AS-4 "Contingencies and Events Occuring After the Balance Sheet Date" and has assessed the operational and financial risk on going forward basis.

In assessing the impact on the recoverability of financial and non-financial assets, the extent to which the COVID19 pandemic will impact the Company's operations and financial results will depend on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID19 outbreak and any action to contain its spread or mitigate its impact whether government mandated or elected by the Company. The management will continue to closely monitor any material changes arising out of future economic conditions and impact on its business.

23. Deferred tax liability of ₹2,95,000 arising during the year, a major component of which is due to timing difference related to depreciation charged in the accounts and as claimed under the Income Tax Act, is charged to the profit & loss account. Details of the balance of ₹1,13,000 are as under:

Particulars	₹
Depreciation	11,304
Disallowance u/s 43B of the Income Tax Act	(1,24,304)
Total	(1,13,000)

24. The management of the Company has, during the year, carried out technological evaluation for identification of impairment of assets, if any, in accordance with the Accounting Standard AS-28. Based on the Judgment of the management and as certified by the Directors, no provision for impairment is found to be necessary in respect of any of the assets.
25. As the Company's business activity, in the opinion of the management, falls within a single primary segment subject to the same risks and returns, the disclosure requirements of Accounting standard AS-17 "Segment Reporting" are not applicable.
