NOTES:

1. The Explanatory Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 relating to the Special Business to be transacted at this AGM is annexed hereto.
2. All documents referred to in the accompanying notice and explanatory statement will be kept open for inspection at the Registered Office of the Company at 206, Ajnara Bhawan, D-Block Market, Vivek Vihar, Delhi-110095 on all working days between 10.00 a.m. to 01.00 p.m. prior to date of Annual General Meeting.
3. The Notice of 18th Annual General Meeting and the Annual Report 2020-2021 of the Company, circulated to the members of the Company, will be made available on the Company's website at www.jalantransolutions.com
4. Electronic copy of the Annual Report for 2020-2021 is being sent to all the members whose email IDs are registered with the Company/Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report for 2020-2021 is being sent in permitted mode.
5. Members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants or with Company or with the Registrar and Share Transfer Agent of the Company (in case of Shares held in physical form).
6. Members are requested to notify any change in their addresses to the Company or Registrar and Share Transfer Agent of the Company immediately. Members holding shares in electronic form are requested to advise change of addresses to their Depository Participants.
7. Members may also note that the Notice of 18th Annual General Meeting and the Annual Report 2020-2021 will also be available on the Company's website at www.jalantransolutions.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office at 206, Ajnara Bhawan, D-Block Market, Vivek Vihar, Delhi-110095 for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost.
8. Members are requested to provide their client ID and DP ID numbers at the meeting for easy identification.
9. Members desiring any information concerning the accounts are requested to address their questions in writing to the Company at its registered office at 206, Ajnara Bhawan, D-Block Market, Vivek Vihar, Delhi-110095, at least 7 (Seven) days before the date of the Meeting so that the information required may be made available at the Meeting.
10. Register of Members and Share Transfer Books will remain closed from Thursday, 23rd September, 2021 to Thursday, 30th September, 2021 (both days inclusive) for the purpose of holding 18th Annual General Meeting.
11. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers/copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s Kfin Technologies Private Limited.

12. Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, as amended upto date, Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is pleased to provide its members the facility to exercise their right to vote on the resolutions proposed to be passed in the 18th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by NSDL.

The instructions for the Shareholders for remote e-voting are as under and through video conferencing (VC) or other audio visual means (OAVM):

=====

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the EGM/AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing EGM/AGM through VC/OAVM.

2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this EGM/AGM. However, the Body Corporate are entitled to appoint authorised representatives to attend the EGM/AGM through VC/OAVM and participate thereat and cast their votes through e-voting.

3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the EGM/AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-

Voting to its Members in respect of the business to be transacted at the EGM/AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the EGM/AGM will be provided by NSDL.

6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the EGM/AGM has been uploaded on the website of the Company at www.jalantransolutions.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. National Stock Exchange of India Limited and www.nseindia.com respectively and the EGM/AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

7. EGM/AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.

8. The company has engaged NIVIS CORP SERVE LLP for Video conferencing system through cisco webex and e voting services through NSDL. In case any member required help regarding e voting or joining of Meeting through VC or OAVM can contact with Nivis corpserve llp, Ms Swapnil at info@nivis.co.in, or at 01145201005.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Monday, 27th September, 2021 from 09:00 a.m. (IST) till Wednesday, 29th September, 2021 up to 5.00 p.m. (IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 23.09.2021, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 23.09.2021.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote

through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<p>1. If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the “Beneficial Owner” icon under “Login” which is available under “IDeAS” section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on options available against company name or e-Voting service provider - NSDL and you will be re-directed to NSDL e-Voting website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p> <p>2. If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com/. Select “Register Online for IDeAS” Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</p> <p>3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your</p>

	<p>sixteen digit demat account number held with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on options available against company name or e-Voting service provider - NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>
Individual Shareholders holding securities in demat mode with CDSL	<ol style="list-style-type: none"> Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/loginor www.cdslindia.com and click on New System Myeasi. After successful login of Easi/Easiest the user will be also able to see the E Voting Menu. The Menu will have links of e-Voting service provider i.e. NSDL. Click on NSDL to cast your vote. Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43or NIVIS CORP SERVE LLP info@nivas.co.in or at 011-45201005

B) Login Method for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

c) How to retrieve your 'initial password'?

(i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

(ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join General Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to manoifcs@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or “[Physical User Reset Password?](#)” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to (AMIT VISHAL Name of NSDL Official) at evoting@nsdl.co.in or SWAPNIL at NIVIS CORP SERVE LLP at info@nivis.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to compsec@jalantransolutions.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to compsec@jalantransolutions.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THEEGM/AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the EGM/AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the EGM/AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the EGM/AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the EGM/AGM. However, they will not be eligible to vote at the EGM/AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the EGM/AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE EGM/AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the EGM/AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for **Access to NSDL e-Voting system**. After successful login, you can see link of “VC/OAVM link” placed under “**Join General meeting**” menu against company name. SECRETARIAL AUDIT REPORT

Form No. MR-3

For the Financial Year ended 31st March, 2021

Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appoint and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

JALAN TRANSOLUTIONS (INDIA) LIMITED

206 Ajnara Bhawan D-Block Market

Vivek Vihar, New Delhi- 110095.

We have conducted the secretarial audit of the compliance of applicable statutory provision and adherence to good corporate practice by **JALAN TRANSOLUTIONS (INDIA) LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the JALAN TRANSOLUTIONS (INDIA) LIMITED books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representative during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on **31st March 2021** ('Audit Period') complied with the statutory provision listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

We have examined the books, papers, minute books, forms and returns filed and other records maintained by JALAN TRANSOLUTIONS (INDIA) LIMITED ("the Company") for the financial year ended on 31st March 2021 according to the provisions of:

- (i) The Companies Act 2013 (The Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standard issued by The Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meeting.
- (b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that, having regard to the compliance system prevailing in the company and on examination of the relevant documents and records in pursuance thereof, on the test check basis, Company has complied with the following laws applicable specifically to the Company:

- a) Carriage by Road Act, 2007 and Carriage by Road Rules, 2011
- b) Central Motor Vehicles Act, 1988 and Central Motor Vehicles Rules, 1989 (as amended from time to time).

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

- The Company is registered under Carriage by Road Act, 2007 and Carriage by Road Rules, 2011. As per the provisions of Section 3(7)(c), Company is required to file such information or return as prescribed within one hundred and twenty days after the thirty-first day of March every year but the Company has not filed any information or the required return annually.
- The Company has issued Share Capital during the year 2017-2018, but no proof of payment of stamp duty as required under the provisions of the Indian Stamp Act, 1899 has been provided.
- M/s Jain Kumawat & Co, Chartered Accountants, Internal Auditor of the Company issued an Internal Audit Report on 28.06.2021 for the financial year 2020-2021 as per the requirement of the provisions of the section 138 of Companies Act 2013 read with Rule 13 of the Companies (Accounts) Rules, 2014.
- The Statutory Auditors of the Company has resigned from the post of Statutory Auditors on 25th March, 2021.

- The Compliance Officer cum Company Secretary has resigned from their post on 27th March, 2021.
- The Company has lost its two directors under this second wave of Covid-19 pandemic, Mr. Rajesh Jalan, Managing Director on 19th April, 2021 and Mrs. Pushpa Jalan, Director on 17th April, 2021.
- During the Year, The Union Bank of India (Previously known as Corporation Bank) has taken the physical possession of the secured properties of the Company u/s 13(4) of SARFASI Act.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors. The changes in composition of the Board of Directors that took place during the period under review were carried out in compliance with provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda item before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting Members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Further due to covid-19 pandemic and other related constraints in-depth analysis was not possible for the Auditors so Audit Report is based on the limited data analysis.

Note: This report is to be read with our letter of even date which is annexed as 'Annexure A' and form an integral part of this report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Jalan Transolutions (India) Limited, started its progressive journey in 2003 as a two-wheeler transport solution provider with a renowned Multinational Automobile Company. Over the years, the Company has emerged into one of the leading automobile transportation companies in Northern India and expanded its network across the country that allows it to deliver clients' shipment on time with greater safety and ease, through its IT enabled and value-added services, a fleet of about 400 Company Owned Trucks and extensive network. Company also provides Full Truck Load (FTL) & Less than Truck Load (LTL) services. Company has Technology Collaboration with Quikhop to increase transparency on each step and achieve greater visibility. Majority of trucks are GPS enabled and centralized information technology network provides seamless real-time monitoring of our operations and consignment bookings and delivery status. Ability to provide timely delivery and quality service is the key to our reputation and further expansion of goods transportation business. The Company has In-house Truck Service Station - Jalan Business Centre located in Dharuhera, Haryana, having connectivity with 3 national highways.

ECONOMIC OVERVIEW

Industry & Growth

Logistics is regarded as the backbone of the economy, providing efficient and cost effective flow of goods on which other commercial sectors depend. Logistic industry in India is evolving rapidly, it is the interplay of infrastructure, technology and new types of service providers, which defines whether the logistic industry is able to help its customers reduce their costs in logistic sector and provide effective services.

Global Economic

Global economic activity continues to firm up. The global output is estimated to have grown by 3.7 percent in 2017, which is 0.1 percentage point faster than projected in the fall and ½ percentage point higher than in 2016. The pickup in growth has been broad based, with notable upside surprises in Europe and Asia. Global growth forecasts for 2018 and 2019 have been revised upward by 0.2 percentage point to 3.9 percent. The revision reflects increased global growth momentum and the expected impact of the recently approved U.S. tax policy changes.

India Economic

Year 2021 has been a challenging year for the Indian economy. Since year 2016-17 GDP growth rate is declining and tumbled down to 11 years low of 4.2% in FY2021 from 8.2% in FY2016-17. Various factors like weak demand from rural India, stress on financial sector, continued slowdown in manufacturing and weak private consumption have been the key reasons for the declining GDP growth rate. During the year, key economic indicators such as freight movement, credit flow, domestic sales of commercial vehicles and passenger cars and other indicators remained subdued. This trend is further exacerbated by the Covid-19 induced lockdowns in FY2021 and the GDP is expected to degrow in the current year.

The Covid-19 pandemic has impacted economies across the world, and India is no different. The crisis has resulted in loss of millions of jobs in India and huge reverse migration across India. It has had a huge impact on sectors like tourism, hospitality, restaurants, aviation, and

malls. With the infection continuing to spread, there is little clarity on when things will return to normal.

Indian government has taken unprecedented fiscal and monetary actions to help the economy. Government announced a huge financial package to alleviate distress in the economy. The package includes Rs.1.7 lakh Cr of free food grains to the poor, Rs.1.5 lakh Cr to aid the agriculture and allied sectors, Rs. 3 lakh Cr collateral free loans to MSME and huge liquidity enhancing measures taken by RBI. The Indian GDP is expected to decline this year. The exact impact on economy growth is uncertain and the recovery will depend upon the production of Covid-19 vaccine and effectiveness of policy measures taken by the government to support the economy.

Impact of Covid-19

Covid-19 has hit the Indian economy as it was gradually recovering from a slowdown and showing some signs of growth. Economic activities significantly dropped down during the year due to Covid-19 as all the non-essential businesses were shut down.

The fall in economic activities have impacted the cash flow and liquidity position of many businesses and individuals, which subsequently impacting their debt servicing capabilities. Self employed people and small businesses in tourism, travel industry and retailing have been impacted the most.

Indian Logistic Sector

Logistics is regarded as the backbone of the economy, providing efficient and cost-effective flow of goods on which other commercial sectors depend on. The sector comprise of shipping, port-services, warehousing, rail, road and air freight, express cargo and other value-added services. The global logistics market currently generates over USD 8 trillion annually and represents around 11% of global GDP.

The Indian logistics sector comprises inbound and outbound segments of the manufacturing and service supply chains. Companies in India currently outsource an estimated 52% of their logistics requirement.

Transport is a crucial function of the logistics industry, accounting for 50-60% of the market size, followed by warehousing and storage, comprising another 25-30% of the total market. The rest of the market constitutes value-added and freight forwarding services. The size of Indian warehousing industry is estimated at over Rs.550 billion.

Of this, the industrial warehousing and retail industry accounts for more than half of the total market share, comprising over 515 million square meters, with market value of Rs.300 billion, while agri warehousing, is estimated to be 121.39 mt or Rs.100 billion. Road transport, with 60% share, dominates the logistics industry, followed by railways 32%, waterways 7%, and air cargo 1%.

Emergence of Covid-19

Towards the end of the financial year, the World Health Organisation (WHO) declared Covid-19 a pandemic and the outbreak, which infected millions, has resulted in deaths of a significant number of people globally. Covid-19 is seen having an unprecedented impact on people and economies worldwide.

The Company is taking all necessary measures in terms of mitigating the impact of the challenges being faced in the business. The Company is working towards being resilient in order to sail through the current situation.

The Company operates its business in conformity with the highest ethical and moral standards and employee centricity. In view of the outbreak of the pandemic, the Company undertook timely and essential measures to ensure the safety and well-being of its employees at all its plant locations, various branch offices and the head office. The office based employees were allowed to work from home by providing adequate digital and other assistance. The Company observed all the government advisories and guidelines thoroughly and in good faith.

FINANCIAL OVERVIEW

The performance of the Company for the financial year ended March 31, 2020, is as follows:

- Total revenue from operations at Rs. 1679.38 lakh for the year ended March 31, 2021, as against Rs. 1854.58 lakh for the corresponding previous period,
- The cost of Raw Materials/Revenue for the financial year ended March 31, 2021 were Rs 1636.98 lakh as against Rs 1729.90 lakh for the corresponding previous period,
- The Employee expenses for the financial year ended March 31, 2021 were Rs 27.56 lakh as against Rs. 36.57 lakh for the corresponding previous period,
- The other expenses for the financial year ended March 31, 2021 were Rs. 872.22 lakh as against Rs 1188.95 lakh for the corresponding previous period,
- The EPS (Earning per Share) for the financial year ended March 31, 2021 was Rs. (9.36) for a face value of Rs 10 per share, as against Rs. (3.02) for the corresponding previous period.

RESOURCES AND LIQUIDITY

As on March 31, 2021, the net worth stood at Rs. 296.03 lakh. The cash and cash equivalents at the end of March 31, 2021 were Rs. 12.82 lakh.

RISKS AND CONCERNS

The Company is in continuous process of strengthening its risk management framework which identifies and evaluates business risks and opportunities. The Company recognizes that risks need to be identified at the right time, managed adequately and mitigation plans needs to be prepared to protect the interest of the stakeholders. Managing these risks actively is also a pre-requisite to achieve business objectives and enable sustainable growth of the Company. The exercise to design the risk management framework is aimed at effectively mitigating the Company's various business and operational risks. The Company has a risk management policy for identification and assessment of risks which is monitored by the Audit Committee of the Company. The Committee closely monitors the process and suggests suitable measures to mitigate the risks. The risks may be caused due to the internal or external factor and necessary precautionary measures are taken by the Company to negate the impact of probable risk. The major risks of the Company are as follows:

Economic Risk

Company's business may be affected by interest rates, changes in Government policy, taxation and other economic developments affecting India. The Company has defined conservative internal prudential norms. The Company ensures a favorable debt/equity ratio, moderate liquidity, strong clientele with timely payment track record and focus on select markets to minimize the impact in adverse conditions. The Company has geographically diversified thereby reducing its dependency on one market.

Trade Risk

Our business can be affected by the rise and fall in the levels of cargo in the country. Given the projected growth in the Indian economy and expected recovery in global trade, rising spending in the infrastructure and manufacturing space and increasing per capita and disposable income, it is estimated that demand will continue to rise steadily. The Company is also focusing on this business, a relatively high margin segment which is essentially dependent on timely delivery of cargo in India. Thus, we believe we have adequate mitigation in place for trade risk.

Regulatory Risk

If we are unable to obtain required approvals and licenses in a timely manner, our business and operations may be adversely affected. We require certain approvals, licenses, registrations and permissions for operating our business. We may encounter delays in obtaining these requisite approvals, or may not be able to obtain such approvals at all, which may have an adverse effect on our revenues. However, the Government has come up with several initiatives to boost the sector and has planned massive investments in the infrastructure sector. As all industry predictions suggest that this will be the trend in the future as well and given our own experience in obtaining such permissions, we do not expect this risk to affect us materially in the coming years.

Liability Risk

The liquidity risk may come in the way of smooth operation of the Company due to one or the other reasons. Whenever there is blockage of funds in the hands of customers, the liquidity crunch is likely to happen. Although wholehearted support from the bankers strengthen the hands of the Company to face the liquidity risk, the company leaves no stone unturned to avoid the possibility of liquidity risk.

Execution Risk

The Company has undertaken number of trips for customers in the last year and several more are in the pipeline. Execution is largely dependent upon project management skills and timely delivery. Any delay in implementation can impact revenue and profit for that period. Our implementation schedules are in line with the plans. Emergency and contingency plans are in place to prevent or minimize business interruptions. Therefore, we do not expect this risk to affect us materially in the future. Concerns like complex tax structure, infrastructure bottlenecks, retaining talent and unprecedented natural and man-made disasters and political/social turmoil which may affect our business, remain. However, these are threats faced by the entire industry. With superior methodologies and improved processes and systems, the Company is well positioned to lead a high growth path.

OPPORTUNITIES AND THREATS

The most essential challenge faced by the industry today is insufficient integration of transport networks, information technology & distribution facilities. Regulations exist at a number of different tiers, is imposed by national, regional and local authorities. However, the regulations differ from city to city, hindering the creation of national networks.

Logistics sector in India is a highly disorganized sector, its perception as a manpower-heavy industry and lack of adequate training institutions has led to a shortfall in skilled management and client service personnel. There is a lack of IT standard, equipment and poor systems integration.

Whereas the Government gave emphasis on building world-class road networks and creation of logistics parks, the company had also converted its fleet's strength in specially designed

fleets. Currently 100% fleets of Company are CMVR complied trucks and engineered to lift loads with minimum on road damages.

The Company understands the emerging requirements of technology enhancement to manage fleets, cost control and third party tie up. During the year company had make agreement with Quikhop Logistic Solutions Ltd. to manage back loads from markets and to organize the sector in best interest of company.

Transportation dominates supply chain management in automobile

Among the various segments of the supply chain, transportation accounts for about 75-80% of the total supply chain management market for automobiles. Transportation is used in both inbound as well as outbound part of the supply chain, as the vehicles as well as the components are required to be transported to and from several locations. However, warehousing (including VAS and in-factory logistics) which accounts for about 20-25% of the total supply chain management market for automobiles is majorly required in the inbound part of the supply chain rather than on the outbound.

The Indian Government's increased focus on infrastructure

The CRISIL Report estimates investments of approximately ₹10.3 trillion in roads (national highways, state roads and rural roads) between Fiscals 2018 and 2022. In case of railways, the investment numbers are estimated at ₹6.7 trillion between Fiscals 2016 and 2020. Significant investments by the GOI to improve rail and road infrastructure are expected to improve the overall logistics scenario across India.

The Indian Government to also focus on new transportation avenues

India's railways and roadways collectively accounted for approximately 87% of the total freight movement. Weighed down by the sheer load, the rail and road networks have been grappling with severe congestion. This has led the GOI to identify other alternatives to reduce congestion. Inland waterways and coastal shipping are both fuel and cost efficient, thereby reducing cost of logistics. The GOI is, therefore, promoting schemes such as Sagarmala and inland waterways as well as working towards developing an integrated, multi-modal logistics and transport policy for optimum and efficient utilization of all modes of transport. (Source: CRISIL Report.)

THREATS

- Competition from local and multinational players
- Execution risk
- Regulatory changes

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has initiated adequate internal control procedure commensurate with the nature of its business and size of its operations. An Audit committee constituted with two independents and one executive director. To conduct independent audit on quarterly basis, which covers all the key areas of operations our company is considering appointing an independent Internal Auditor. All significant audit observations and follow up actions thereon are reported to the audit committee. The Audit committee met four times during the financial year under review.

The Board of Directors of the Company have adopted various policies such as Related Party Transactions Policy, Whistle Blower Policy, Policy to determine the materiality of event and such other procedures for ensuring the orderly and efficient conduct of its business for

safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

HUMAN RESOURCE DEVELOPMENT

Human resources are the most valued assets of the Company. They work individually and collectively contributing to the achievement of the objectives of the business. The relation between the employees and the Company remained cordial throughout the year. Your Company's corporate culture and the vision and values help unite the workforce and provide standards for how your Company conducts the business. The Company has 07 (Seven) permanent employees on the rolls of Company as on March 31, 2020.

CAUTIONARY STATEMENT

Estimate and expectations stated in this Management Discussion and Analysis may be "forward-looking statement" within the meaning of applicable securities, laws and regulations. Actual result could differ materially from those expressed or implied. Important factors that could make difference to your Company's operations include economic conditions in the government regulations, tax laws, other statutes and other incidental factors.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF JALAN TRANSOLUTIONS INDIA LIMITED

I. Report on the Audit of the Standalone Financial Statements

1. Opinion

- A. We have audited the accompanying Standalone Financial Statements of JALAN TRANSOLUTIONS INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

- a) The standalone financial statements which describe management's assessment of the impact of the outbreak of COVID-19 pandemic on its business operations and financial statements. The said assessment made by the management is highly dependent upon the circumstances as they evolve in subsequent period.
- b) The Union Bank of India had taken physical possession of the secured properties of the company u/s 13(4) of the SARFAESI Act. As per the management, the

respective loans are under the process of settlement and respective adjustments will be booked after the final settlement with the bank.

- c) Trade receivable Rs.3632.72 Lakh is neither confirmed by the party nor management has sound record to make its recovery, as per our examination on test basis of books of accounts we observe that company is nominal/lessor possibly to make its recovery of trade receivable outstanding as on balance sheet date.

Our opinion is not modified in respect of the matters.

4. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

- A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

- C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in
 - i) planning the scope of our audit work and in evaluating the results of our work; and
 - ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit we report that:

- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except the operational advance, advance pending as imprest with staff, trade Receivable outstanding as on balance sheet date is not confirm and provision has been made as per the opinion of the board of director.
- B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account
- D. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
- E. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is

disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- F. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to financial statements.
- G. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- H. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure A” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JALAN TRANSOLUTIONS INDIA LIMITED**. ("The Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Jalan Transolutions (India) Limited	
NOTES TO FINANCIAL STATEMENTS	
NOTE - 1	
1.1 Overview	The Standalone financial statement comprise financial statement of Jalan Transolutions (India) Limited for the year Ended on 31st March, 2021. The company is a public company domiciled in India and is incorporated under the provision of the Companies Act ,2013 and rule 8 of the companies incorporation rules 2014. . Its share listed on National Stock Exchange of India,Jalan Transolutions (India) Limited incorporated on 07.04.2003 is engaged in the transportation business. The registered Office of the company is located at 206, Ajnara Bhawan, D-Block Market, Vivek Vihar, Delhi –110095.
1.2 Basis of Preparation of Financial Statements	
i) Compliance with Ind AS	The financial statements of Jalan Transolutions (India) Limited ('the Company') have been prepared in accordance with India Accounting Standards (Ind As) notified under Section 133 of the Companies Act, 2013 ('the Act') read together with Rule 3 of the Companies (India Accounting Standards) Rules, 2015 and other relevant provisions and amendments of the Act.
	The financial statements are presented in India Rupees which is also the company's functional currency. all amounts have been rounded off to the nearest rupees, unless otherwise indicated.
	All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Act.
	The Accounting Policies adopted in the preparation of the financial statements are consistent with those of the previous year.
	The financial statements for the period ended 31st March, 2021 were authorised and approved for issue by the Board of Directors on 30th June, 2021.
ii) Basis of Measurement	The financial statements have been prepared on the historical cost basis except for the following material items in the statement of financial position:
	<ul style="list-style-type: none"> defined benefit plans-plan assets are measured at fair value; and certain financial assets and liabilities and contingent consideration that is measured at fair value.
1.3 Use of Estimates	The preparation of the financial statements is in conformity with Ind AS which requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statement and reported amount of revenues and expenses during the period. Application of accounting policies that require critical accounting estimate involving complex and subjective judgments and the use of assumptions in these financial statements. Accounting estimate could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.
NOTE - 2	Accounting Policies
	The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all years presented, unless otherwise stated. The presentation of financial statements require the use of certain accounting estimates. The areas where significant judgment and estimates have been made in preparing the financial statements and their effects are disclosed.
	(i) Revenue
	(a) Revenue from the transportation business is recognized by reference to the stage of completion. When the contract outcome cannot be measured reliable, revenue is recognised only to the extent that the expenses incurred are eligible to be recovered.
	(b) Interest Income
	Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
	(c) Other Income
	Other income is recognized on an accrual basis only when there is certainty of collection.

	(ii) Property, Plant and Equipment	
		Items of property, plant and equipment stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.
		Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
		Depreciation and Amortisation methods, estimated useful lives and residual value
		Depreciation is charged on the assets as per Written Down Value method at rates worked out based on the useful lives and in the manner prescribed in the Schedule II to the Companies Act, 2013. The depreciation method, useful lives and residual value are reviewed at each of the reporting date. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which the asset is ready for use (disposed off). The residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount
	(iii) Investment Properties	
		Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.
		Investment properties to be depreciated in accordance to the class of asset that it belongs and the life of the asset shall be as conceived for the same class of asset at the Company.
	(iv) Intangible Assets	
		Intangible assets are recognized, when it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. An intangible asset shall be measured initially at cost. Intangible assets are subsequently measured at cost less accumulated amortization and any accumulated impairment losses. Intangible does not include any software which is integral part of the related hardware.
		The Company should assess whether the useful life of an intangible asset is finite or infinite. A useful life is infinite, when based on all relevant factor analysis, there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows. An intangible asset with a finite useful life is amortised and those with an infinite useful life are not amortised.
		The amortisation period and the amortisation method for intangible assets are reviewed at financial year end.
	(v) Provisions, Contingent Liabilities and Contingent Assets	
		Provision is made when there is a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there should be made a reliable estimate of an obligation. However, In case of the penal interest and overdue charges payable to borrower on account of overdue installment is being recognised at the time of final settlement of Loan.
		Contingent Liabilities are disclosed if a present obligation arising from a past event when it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Contingent liabilities are not recognized but are disclosed in the notes. If the possibility of an outflow of resources is remote, disclosure is not required.
		A contingent asset is a possible asset that arises from past events and whose existence will be Companyed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are neither recognized nor disclosed in the Financial Statements. However, when the realization of income is virtually certain, then the related asset is recognized. A contingent asset is disclosed, when an inflow of economic benefits is probable.
	(vi) Cash Flow Statement	
		Cash flow are reported using the indirect method, whereby net profits before tax is adjusted for the effect of transaction of non-cash nature and any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating, investing and financing activities are segregated.

	(vii) Current versus Non- Current Classification
	The Company presents assets and liabilities in statements of financial position based on current/non-current classification. The Company classifies an asset as current when it is:
	<ul style="list-style-type: none"> • Held primarily for the purposes of trading • Expected to be realized within twelve months after the reporting period or • Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
	All other assets are classified as non-current.
	The Company classifies a liability as current when:
	<ul style="list-style-type: none"> • It is expected to be settled in normal operating cycle • It is held primarily for the purposes of trading • It is due to be settled within twelve months after the reporting period or • There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
	The Company classifies all other liabilities as non-current.
	Deferred tax assets and liabilities are classified as non- current assets and liabilities.
	(viii) Employment Benefits
	(a) Short Term Employee Benefits
	Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' service up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligation in the balance sheet.
	(b) Post-Employment Benefits
	Defined Contribution Plan:
	The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contribution are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.
	Defined Benefit Plan:
	The liability or asset recognised in the balance sheet in respect of defined gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.
	The present value of the defined obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the year on government bonds that have terms approximating to the related obligation.
	(c) Long Term Employee Benefits
	The liabilities for un-availed earned leaves are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Therefore, these are measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the year using the projected unit credit method. The benefits are discounted using the market yields at the end of the year that have terms approximating to the terms of assumptions are recognised in profit or loss.
	(ix) Taxation
	Tax expense comprises current and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 and other applicable laws.
	Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.
	Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date.
	Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

	(x) Trade and Other Payables
	Trade and other payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade payables are classified as current liabilities if payment is due within twelve months and if not, they are presented as non-current liabilities.
	(xi) Inventories
	Items of inventories are measured at lower of cost and net realisable value. Inventories are only includes stores and spares and which are essential for providing maintenance facility services. Inventories are determined on FIFO basis.
	(xii) Trade Receivables
	Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.
	(xiii) Cash and cash equivalents
	Cash and cash equivalents include cash in hand, at banks and deposits with banks with original maturity of 3 months or less.
	(xiv) Impairment of Assets
	An asset is impaired when its carrying amount exceeds its recoverable amount. An entity should assess at the end of each reporting period whether there exists any indication, the entity should estimate the recoverable amount of the asset. If there is an indication that an asset may be impaired, then the remaining useful life, the amortisation method and the residual value needs to be reviewed and adjusted even if no impairment loss is recognized for the asset.
	(xv) Earnings Per Share
	Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.
	(xvi) Segment Reporting
	Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) as defined by Ind AS- 108, "Operating segment". Company's income and expenses including interest are considered as part of un-allocable income and expenses which are not identifiable to any business segment. Company's asset and liabilities are considered as part of un-allocable assets and liabilities which are not identifiable to any business.
	(xvii) Fair Value Measurement
	The Company measures financial instrument at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer or transfer liability takes place either:
	(a) In the principal market for the asset or liability ,or
	(b) In the absence of a principal market, in the most advantageous market for the asset or liability.
	The Principal or the most advantageous market must be accessible to the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The company uses valuation techniques that are more appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable input and minimizing the use of unobservable inputs.

	(xviii)	Financial Risk Management Objectives and Policies
		The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets comprise trade and other receivables, and cash that arrive directly from its operations.
		The Company is exposed to credit risk and liquidity risk.
		The Company's senior management oversees the management of these risks.
		The Management Committee reviews and agrees policies for managing each of these risks which are summarized below:
		Credit Risk:
		The Company is exposed to credit risk from its operating activities (primarily for trade receivables) and from its financing activities, including deposits with banks and financial institutions.
		• Trade Receivables
		Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of the customer is assessed and individual limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.
		• Cash Deposits
		Risk from balances with banks are managed by maintaining the balances with highly reputed commercial banks only.
		Liquidity Risk:
		The Company monitors its risk to a shortage of funds on a regular basis through cash forecast.

28 Financial risk management

i) Financial instruments by category

For amortised cost instruments, carrying value represents the best estimate of fair value.

Particulars	March 31, 2021	March 31, 2020
	Amortised cost	Amortised cost
Financial assets		
Trade receivables	3,631.31	4,402.97
Cash and cash equivalents	12.82	4.92
Total	3,644.12	4,407.89
Financial liabilities		
Borrowings	4,351.63	4,624.89
Trade payable	542.36	546.13
Total	4,893.99	5,171.02

ii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables, Loan from institutions and financial assets measured at amortised cost. The Company continuously monitors defaults of customers related to Trade receivable and other Advances which is out standing from long time and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk on financial reporting date

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

Asset group	Basis of categorisation	Provision for expenses credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans, security deposits, trade receivables and other financial assets.	12 month expected credit loss/ Life time expected credit loss
Moderate credit risk	Loans and other financial assets	12 month expected credit loss
High credit risk	Loans, other financial assets and trade receivables	12 month expected credit loss/ Life time expected credit loss

Assets under credit risk –

Credit rating	Particulars	March 31, 2021	March 31, 2020
A: Low	Cash and cash equivalents, other bank balances, loans, and other financial assets	12.82	4.92
C: High Credit Risk	Trade receivables after doubtful provision Rs 1872.62 (Previous year Rs. 1070.12 Lacs) for unsecured for realization of Trade Receivable	3,631.31	4,402.97

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Credit risk related to trade receivables are mitigated by closely monitoring the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Company assesses increase in credit risk on an ongoing basis for amounts receivable that become past due.

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes loans and advances, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

ii) Concentration of trade receivables

Particulars	March 31, 2021	March 31, 2020
Trade Receivables	3,631.31	4,402.97

b) Credit risk exposure**(i) Provision for expected credit losses**

The Company provides for expected credit loss based on lifetime expected credit loss mechanism for loans and advances, deposits and other investments-

March 31, 2021

Particulars	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment
Cash and cash equivalents	12.82	0%	-	12.82
Other bank balance	-	0%	-	-
Trade receivables	3,631.31	0%	-	3,631.31
Other non-current assets	50.38	0%	-	50.38
Loans	-	-	-	-

March 31, 2020

Particulars	Estimated gross	Expected	Expected credit	Carrying
Cash and cash equivalents	4.92	0%	-	4.92
Other bank balance	-	0%	-	-
Trade receivables	4,402.97	0%	-	4,402.97
Other non-current assets	65.29	0%	-	65.29
Loans	-	-	-	-

In respect of trade receivables, the company recognises a provision for lifetime expected credit loss.

The credit risk for cash deposits with banks and cash and cash equivalents is considered negligible, since the counterparties are reputable banks with high quality external credit ratings. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognized commercial banks and are not past due. The carrying amounts disclosed above are the Company's maximum possible credit risk exposure in relation these deposits.

Other financial assets being security deposits and others are also due from several counter parties and based on historical information about defaults from the counter parties, management considers the quality of such assets that are not past due to be good.

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

C) Market Risk**a) Interest rate risk****i) Liabilities****Interest rate risk exposure**

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii) Assets

The company's fixed deposits are carried at fixed rate. Therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

29 Capital management

- Safeguard their ability to continue as a going concern, and
- Maintain an optimal capital structure to reduce the cost of capital

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Particulars	March 31, 2021	March 31, 2020
Total borrowings	719.89	761.70
Less : cash and cash equivalent upto the extent of debt above	12.82	4.92
Net debt	707.07	756.77
Total equity	296.03	1,657.17

38 COVID-19

Due to outbreak of COVID-19 globally and in India, the Company has made an initial assessment of its likely adverse impact on business and its associated financial risks. The Company is in the business of Road Transportation/Logistics Services which is an essential service, By taking a number of proactive steps and keeping in view the safety of all its stakeholders, the Company has ensured the availability of its Logistics Services/Transportation Services and has continued to supply transportation during the period of covid-19. The Company believes that the impact due to the outbreak of COVID-19 is likely to be short-term in nature and does not anticipate any medium to long-term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. Impact assessment of COVID-19 is a continuing process considering the uncertainty involved thereon. The company will continue to closely monitor any material changes to the future economic conditions.

39

In the opinion of the management, the trade receivables, current assets, loans and advances and trade payables are approximately of the value stated if realized in the ordinary course of business. The provisions for all the known liabilities are adequate.

Balances of trade receivables, trade payables, loans/ advances given and financial and non financial assets and liabilities are subject to reconciliation and confirmation from respective parties. The balance of said trade receivables, trade payables, loan/ advances given and financial and non financial assets and liabilities are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reason as above stated.

40
