MANAGEMENT DISCUSSION & ANALYSIS REPORT

The purpose of this discussion is to provide an understanding of business of the Company, financial statements and a composite summary of performance of our business. Management Discussion and Analysis (MDA) is structured as follows:

COMPANY OVERVIEW

Shivaum steel limited is a well-known name in the Steel & iron industry. It manufactures iron and steel products such as structural steel, plates and coils. Our company was established in 1982, and we have been in this business since 45 years. we've grown steadily over the last three decades to have large godowns at Kalamboli, Taloja and Panvel besides the one at Reay Road. The company explored new regions, sectors and customers during the year thus adding to the number of parts produced. We have MOUs with and are authorized dealers of both SAIL and JSPL along with official dealerships of Monnet Ispat and Vandana Ispat, allowing us to maintain a varied and complete range of products to satisfy every need of all our customers. Our future plans include expanding into certain other MS products as well as alloy steels.

The company performed quite well despite subdued results of the 1st quarter due to the tremors of lockdowns & uncertainties. The projections for the current year FY 2022-23 are quite optimistic and hopefully we will be putting up all time high performance subject to the conditions that the COVID-19 situation and Russia-Ukraine war do not go beyond present level.

OUR VISION

- To achieve consistent growth through superior customer service, quality and commitment. We aim to be relentless in the pursuit of customer satisfaction and employee excellence.
- For our customers, we aim to be a compelling place to purchase from by consistently providing quality products at low prices, as conveniently as possible. For our associates and employees, we aim to be easy and enjoyable to work with by providing exceptional commitment to their target goals.
- For our shareholders, we aim to protect their interests at large by maintaining high standards of Corporate Governance.

OUR MISSION

- To be the first and last place our customers need to look for all their steel needs.

GLOBAL ECONOMY

As of October 2021, as per provisional data released by world steel organisation, India was the world's second-largest producer of crude steel, with an output of 9.8 MT. In FY22 (till January), the production of crude steel and finished steel stood at 98.39 MT and 92.82 MT, respectively. In FY22, crude steel production in India is estimated to increase by 18%, to reach 120 million tonnes, driven by rising demand from customers. The growth in the Indian steel sector has been driven by the domestic availability of raw materials such as iron ore and cost-effective labour. Consequently, the steel sector has been a major contributor to India's manufacturing output.

INDIA HAS REGISTERED STERLING PERFORMANCE IN STEEL PRODUCTION AS PER STATISTICS RELEASED TODAY.

In 2021, recovery from the pandemic shock turned out to be stronger than expected in many regions, despite continuing supply chain issues and COVID waves. However, a sharper than anticipated deceleration in China led to lower global steel demand growth in 2021. For 2022 and 2023, the outlook is highly uncertain. The expectation of a continued and stable recovery from the pandemic has been shaken by the war in Ukraine and rising inflation.”

STEEL INDUSTRY SCENARIO - INDIA:

The Indian steel industry recorded crude steel production of 120.01 MnT in FY 2021-22, despite pandemic-induced disruptions in Q1 FY 2021-22. Led by a sharp recovery in demand in developed markets and production cuts in China, steel prices rose sharply in H1 FY 2021-22 in domestic as well as global markets. Prices moderated in Q3 FY 2021- 22 and have remained volatile following the start of the Russia-Ukraine crisis.

In a de-regulated, liberalized economic/market scenario like India the Government's role is that of a facilitator which lays down the policy guidelines and establishes the institutional mechanism/structure for creating conducive environment for improving efficiency and performance of the steel sector.

In this role, the Government has released the National Steel Policy 2017, which has laid down the broad roadmap for encouraging long term growth for the Indian steel industry, both on demand and supply sides, by 2030-31. The Government has also announced a policy for providing preference to domestically manufactured Iron & Steel products in Government procurement.

MAJOR INVESTMENTS IN THE STEEL SECTOR – INDIA

The steel industry and its associated mining and metallurgy sectors have seen major investments and developments in the recent past. According to the data released by the Department for Promotion of Industry and Internal Trade (DPIIT), between April 2000-December 2021, Indian metallurgical industries attracted FDI inflows of US\$ 16.1 billion.

In FY22, demand for steel is expected to increase by 17% to 110 million tonnes, driven by rising construction activities.

Some of the major investments in the Indian steel industry are as follows:

- In October 2021, Tata Steel was planning to set up more scrap-based facilities that will have a capacity of at least a billion tonnes by 2025.
- In October 2021, JSW Steel invested Rs. 150 billion (US\$ 19.9 million) to build a steel plant in Jammu and Kashmir and boost manufacturing in the region.
- In October 2021, Arcelor Mittal and Nippon Steel Corp.'s joint venture steel firm in India, announced a plan to expand its operations in the country by investing ~Rs. 1 trillion (US\$ 13.34 billion) over 10 years.
- In August 2021, Tata Steel announced to invest Rs. 8,000 crore (US\$ 1.08 billion) in capital expenditure to develop operations in India in FY22.
- In August 2021, Arcelor Mittal announced to invest Rs. 1 lakh crore (US\$ 13.48 billion) in Gujarat for capacity expansion.
- In August 2021, Tata Steel announced to invest Rs. 3,000 crore (US\$ 404.46 million) in Jharkhand to expand capacities over the next three years.
- In August 2021, Jindal Steel & Power Ltd. announced plans to invest US\$ 2.4 billion to increase capacity over the next six years to meet the rising demand from customers.
- In the next three years from June 2021, JSW Steel is planning to invest Rs. 47,457 crore (US\$ 6.36 billion) to increase Vijayanagar's steel plant capacity by 5 MTPA and establish a mining infrastructure in Odisha.
- In June 2021, Mr. T.V. Narendran, the newly elected CII president and MD of Tata Steel, in an interview with The Telegraph, stated that steel companies have firmed their plans to invest ~Rs. 60,000 crore (US\$ 8.09 billion) over the next three years—this is was the biggest private sector investment plan announced in recent times.
- In June 2021, Shyam Metalics and Energy Ltd. (SMEL) announced that the company is planning to double its production capacity at an estimated investment of ~Rs. 2,894 crore (US\$ 389.72 million) through brownfield expansion at two of its units in the next 3-4 years.
- In April 2021, in a virtual roundtable conference organised by the Indian Chamber of Commerce, Mr. Shin Bongkil, the South Korean Ambassador to India, announced that POSCO, the South Korean steel giant, is planning to set up an integrated steel plant in Odisha at an investment of US\$ 12 billion, which would make it the country's biggest FDI project.
- In May 2021, JSW Steel signed a Memorandum of Understanding (MOU) to conduct a feasibility study with its strategic alliance partner JFE Steel Corporation to establish a Grain-oriented Electrical Steel Sheet Manufacturing and Sales JV Company in India.
- In May 2021, JSW Steel announced the steel-making expansion at its Vijayanagar plant by 5 MT every year to 17 MT every year by the financial year ending March 2024.
- In March 2021, JSW Steel completed its takeover of debt-ridden Bhushan Power and Steel Ltd., boosting the former's overall output to 21.5 mtpa. JSW Steel's has 18 mtpa of capacity, which will hit more than 26 mtpa with the addition of BPSL and a doubling of capacity at JSW Steel's Dolvi steel mill to 10 mtpa.

- In March 2021, Arcelor Mittal Steel signed Rs. 50,000 crore deal with Odisha government to setup a steel plant in the state.
- In February 2021, Tata Steel BSL collaborated with FarEye, a software logistics firm, to improve its digital transformation process.
- In a move towards becoming self-reliant, Indian steel companies have started boosting steel production capacity. To this end, SAIL announced the doubling of its capacity at 5 of its steel plants in September 2020.
- For FY20, JSW Steel set a target of supplying around 1.5 lakh tonnes of TMT Rebars to metro rail projects across the country.
- JSW Steel has planned a US\$ 4.14 billion capital expenditure programme to increase its overall steel output capacity from 18 million tonnes to 23 million tonnes by 2020.
- Ministry of Steel plans to invest US\$ 70 million in the eastern region of the country through accelerated development of the sector.
- The production capacity of SAIL is expected to increase from 13 MTPA to 50 MTPA in 2025 with total investment of US\$ 24.88 billion.
- Tata Steel has decided to increase the capacity of its Kalinganagar integrated steel plant from 3 million tonnes to 8 million tonnes at an investment of US\$ 3.64 billion.

Considering the vital role India plays in world trade and its untapped market, most major steel manufacturers are looking to set-up their own integrated steel plants and distribution channels, or upgrade existing ones to better take advantage of the future potential.

GOVERNMENT INITIATIVES

Keeping in mind the critical role the steel sector plays in national infrastructure; the Indian Government regularly revises its policies and provides incentives so as to ensure steady growth of the steel industry. Along with the boost in Infrastructure spending, the government has also kept a keen eye on the global market to make sure domestic manufacturers are not always at a disadvantage. Some of the other recent government initiatives in this sector are as follows:

- In October 2021, the government announced guidelines for the approved specialty steel production-linked incentive (PLI) scheme.
- In October 2021, India and Russia signed an MoU to carry out R&D in the steel sector and produce coking coal (used in steel making).
- In July 2021, the Union Cabinet approved the production-linked incentive (PLI) scheme for specialty steel. The scheme is expected to attract investment worth ~Rs. 400 billion (US\$ 5.37 billion) and expand specialty steel capacity by 25 million tonnes (MT), to 42 MT in FY27, from 18 MT in FY21.
- In June 2021, Minister of Steel & Petroleum & Natural Gas, Mr. Dharmendra Pradhan addressed the webinar on 'Making Eastern India a manufacturing hub with respect to metallurgical industries', organised by the Indian Institute of Metals. In 2020, 'Mission Purvodaya' was launched to accelerate the development of the eastern states of India (Odisha, Jharkhand, Chhattisgarh, West Bengal and the northern part of Andhra Pradesh) through the establishment of an integrated steel hub in Kolkata, West Bengal. Eastern India has the potential to add >75% of the country's incremental steel capacity. It is expected that of the 300 MT capacity by 2030-31, >200 MT can come from this region alone.
- In June 2021, JSW Steel, CSIR-National Chemical Lab (NCL), Scottish Development International (SDI) and India H2 Alliance (IH2A) joined forces to commercialise hydrogen in the steel and cement sectors.

- Under the Union Budget 2022-23, the government allocated Rs. 47 crore (US\$ 6.2 million) to the Ministry of Steel. The budget's focus is on creating infrastructure and manufacturing to propel the economy.
- In addition, enhanced outlays for key sectors such as defence services, railways, roads, transport and highways would provide impetus to steel consumption.
- In January 2021, the Ministry of Steel, Government of India, signed a Memorandum of Cooperation (MoC) with the Ministry of Economy, Trade and Industry, Government of Japan, to boost the steel sector through joint activities under the framework of India–Japan Steel Dialogue.
- The Union Cabinet, Government of India approved the National Steel Policy (NSP) 2017, as it intends to create a globally competitive steel industry in India. NSP 2017 envisage 300 million tonnes (MT) steel-making capacity and 160 kgs per capita steel consumption by 2030-31.
- The Ministry of Steel is facilitating the setting up of an industry driven Steel Research and Technology Mission of India (SRTMI) in association with the public and private sector steel companies to spearhead research and development activities in the iron and steel industry at an initial corpus of Rs. 200 crore (US\$ 30 million).
- The Government of India raised import duty on most steel items twice, each time by 2.5% and imposed measures including anti-dumping and safeguard duties on iron and steel items. An export duty of 30% has been levied on iron ore (lumps and fines) to ensure supply to the domestic steel industry remains unhampered and is not compromised.
- The government's focus on infrastructure and a further likely acceleration in rural economy and infrastructure is expected to lead to an increased growth in demand for steel.
- The Union Cabinet, Government of India approved the National Steel Policy (NSP) 2017, as it intends to create a globally competitive steel industry in India. NSP 2017 envisages a 300 million tonnes (MT) steel-making capacity and 160kgs consumption per capita of steel by 2030-31.
- The Ministry of Steel is facilitating setting up of an industry driven Steel Research and Technology Mission of India (SRTMI) in association with the public and private sector steel companies to spearhead research and development activities in the iron and steel industry at an initial corpus of Rs. 200 crore (US\$30 million).
- The Government of India also raised import duty on most steel items twice, each time by 2.5 per cent and imposed measures including anti-dumping and safeguard duties on iron and steel items.

OPPORTUNITIES FOR GROWTH

- The National Steel Policy, 2017 envisage 300 million tonnes of production capacity by 2030-31. The per capita consumption of steel has increased from 57.6 kgs to 74.1 kgs during the last five years. The government has a fixed objective of increasing rural consumption of steel from the current 19.6 kg/per capita to 38 kg/per capita by 2030-31.
- As per Indian Steel Association (ISA), steel demand will grow by 7.2% in 2019-20 and 2020-21.
- Huge scope for growth is offered by India's comparatively low per capita steel consumption and the expected rise in consumption due to increased infrastructure construction and the thriving automobile and railways sectors. India is looking to modernize, expand and accommodate the aspirations of a growing population through urbanization and industrialization. Thus, steel consumption growth is expected to rise on account of government expenditure on infrastructure and manufacturing in the long run.

SECRETARIAL AUDIT REPORT
Form No. MR-3

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
M/s. Shiv Aum Steels Limited
CIN: L27105MH2002PLC135117
Address: Office No. 515, The Summit Business Bay,
Opp. Cinemax & WEH Metro Station,
Andheri East, Mumbai-400093.

I, have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Shiv Aum Steels Limited** (CIN: L27105MH2002PLC135117) (hereinafter called the “Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering financial year ended on **31st March, 2022**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

INDEPENDENT AUDITOR'S REPORT

To the Members of

SHIV AUM STEELS LIMITED

Opinion

We have audited the financial statements of **Shiv Aum Steels Limited** ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit/loss and its cash flows for the year ended on that date,

- a) In the case of the balance sheet, of the state of affairs of the company as at March 31, 2022
- b) In the case of the Profit and Loss Account, of the profit for the period ended on that date and
- c) In the case of cash flow statement, for the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Accounting Standards (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards (AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in '**Annexure B**'.
- g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. No dividend have been declared or paid during the year by the company.

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shiv Aum Steels Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
