ANNEXURE III of BOARD REPORT **Management Discussion and Analysis**

Economy

Indian Economy

The Fiscal Year 2023–2024 continued to present a mixed bag of prospects and challenges. While global geopolitical uncertainties continued to affect inflation, interest rates, and the supply chain, domestic activity showed resilience on the strength of robust domestic demand. The Indian economy has shown resilience in the face of global challenges, growing by 8.2% in FY 2023–2024, mostly due to government policies and initiative that prioritize infrastructure and continued investment. Improved industrial capacity utilization, real estate and car industry buoyancy, robust lending momentum, robust corporate balance sheets, increased tax receipts, and manageable inflation rates are all contributing to the Indian economy's development prospects.

India's growth story momentum is expected to continue in the coming fiscal year, with sustained domestic demand, lowering inflationary pressures, focused fiscal outlays by the government, and a strong manufacturing rebound. Private industrial capital spending was measured in FY 2023-24, and it is expected to increase in the coming fiscal year due to ongoing global supply chain diversification trends and investors' response to the government's Production Linked Incentive (PLI) scheme to boost key targeted manufacturing industries. However, headwinds from geopolitical tensions, volatility in international financial markets, geo-economics fragmentation, ongoing sea route trade interruptions, and extreme weather events pose risks to the otherwise optimistic outlook. India, with its structural changes, increasing physical and digital infrastructure, and resilient business and consumer confidence, is in a better position to handle these various difficulties and emerge stronger.

Industry Structure and Development & Outlook:

India's power sector is undergoing significant reforms to achieve financial stability, operational efficiency, and greater integration of renewable energy for a cleaner future. The Government of India aims to reach 500GW of non-fossil fuel-based electricity generation capacity by FY30 from an operational capacity of 181 GW as of December 2023¹. To achieve this, regions with high solar and wind potential need to be connected to the Inter-State Transmission System (ISTS) for efficient power evacuation to demand centers. The draft National Electricity Plan has envisaged 170 transmission schemes with a total estimated cost exceeding Rs. 3.13 trillion for inter-state transmission and around Rs. 1.61 trillion for intra-state systems during the five years from FY23 to FY27.²

Electricity is among the most critical components of infrastructure, crucial for the economic growth and welfare of nations. The existence and development of adequate power infrastructure are essential for the sustained growth of the Indian economy. India has set ambitious targets for renewable energy generation capacity and is on track to achieve these targets. Also, the government is striving towards strengthening an existing system through the RDSS scheme.

India's power sector is one of the most diversified in the world. Sources of power generation range from conventional sources such as coal, lignite, natural gas, oil, hydro, and nuclear power to viable non-conventional sources such as wind, solar, and agricultural and domestic waste. Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity in the country, massive addition to the installed generating capacity is required.

India has one of the largest and most complex power sectors in the world. Over the past few decades, the country has witnessed a remarkable evolution. Today, almost every citizen has access to grid electricity. Power deficiency has decreased sharply, and the installed renewable energy capacity has reached a fourth of the total capacity.

Crucial to this evolution, the Electricity Act, 2003 which enabled a primarily state-owned sector riddled with mounting losses and debt to move towards a more comprehensive system. The Electricity Act, 2003 introduced many new policy features such as the introduction of competition through open access, multi-year tariff frameworks, distribution franchisees, de-licensing generation, the establishment of renewable purchase obligations, and the creation of independent regulatory bodies.

Opportunities and Threats

Opportunities

- **Growing Infrastructure Investment:** India’s increasing investment in infrastructure development presents substantial opportunities for our business of power transmission and distribution services. The government’s focus on expanding energy infrastructure and improving grid reliability aligns with our business offerings.
- **Government Initiatives:** Various government schemes, such as the Pradhan Mantri Sahaj Bijli Har Ghar Yojana (Saubhagya) and the Ujjwal Bharat initiative, focus on expanding electricity access and development of smart grid. These initiatives can create new business opportunities for our services.
- **Industrial Growth:** The industrial sector in India is expanding, driven by policies promoting manufacturing and industrialization. This growth creates opportunities for our industrial EPC services business in sectors such as manufacturing, oil and gas, and utilities.

Threats

- **Economic Uncertainty:** Funding for projects and expenditures related to infrastructure can be impacted by economic swings, such as inflation and currency volatility. These ambiguities could affect our earnings and profitability.
- **Regulatory Changes:** Frequent changes in regulations and compliance requirements can lead to increased operational costs and potential delays in project execution.
- **Competition:** With multiple companies vying for market share, the infrastructure and EPC sectors are extremely competitive. Our market position and profit margins may be impacted by increased competition.
- **Supply Chain Vulnerabilities:** Supply chain disruptions, such material shortages or logistical problems, can cause delays in projects and raise expenses. Our operations may be impacted by regional logistical difficulties as well as supply chain problems.
- **Technological Disruptions:** Staying on top of technological advancements is crucial for maintaining a competitive edge and ensuring operational efficiency. Rapid changes in technology can offer new opportunities, streamline processes, and create innovative solutions, but they also require ongoing investment and adaptation.

3. Debt service coverage ratio has been increased primarily due to increase in profitability as well as loan repayment capacity.
4. Return on equity ratio has been significant increase in equity share capital due to increase in net profit during the year.
5. Net capital turnover ratio has been increased primarily due to increase Turnover as compared to working capital.
6. Return on Capital Employed has been increased due to increase in EBIT during the year as compared to previous year
7. Return on investment has been generated this year due to profit on sale of wholly owned subsidiary during the year.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIVIANA POWER TECH LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Viviana Power Tech Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditors' Report hereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Financial Statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls System in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v) The company has neither declared nor paid any dividend during the year; hence the provisions of the Section 123 of the Act are not applicable.
- vi) Based on our examination which included test checks, the company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Viviana Power Tech Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VIVIANA POWER TECH LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31st MARCH 2024

NOTE 1 Viviana Power Tech Limited ("the Company") was originally incorporated as private limited company in the year of 2014 under the provisions of the Companies Act, 2013. Subsequently the company was converted in to the Public Limited company and the name of the company changed from Viviana Power Tech Private Limited to Viviana Power Tech Limited vide a fresh certificate of incorporation dated 14/05/2022.

The Company is engaged in the business of Erection and installation of Power Transmission and Maintenance of Power Stations.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles in India. The applicable mandatory Accounting Standards (as amended) specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 of India have been followed in preparation of these financial statements.

(b) Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from estimates. Differences between the actual results and the estimates are recognised in the period in which the same are known/materialised.

(c) Revenue Recognition

(i) Sales

1) Sale of Goods;

In case of sale of goods, revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

2) Sale of Services;

In case of Completed service contract revenues are recognised immediately when the service is provided and approved by the contractee, whereas in case of Proportionate completion of contract revenue is recognised proportionately by reference to the performance of each act.

The collection of Goods and Service Tax by company on behalf of government are not economic benefits to the Company and hence they are excluded from the revenue and in case of services, the revenue is recognised when the benefits are transferred.

(ii) Interest Income

Interest income is recognized on accrual basis except when realization of such income is uncertain.

(iii) Dividend

Dividend income is recognized when the right to receive payment is established.

VIVIANA POWER TECH LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31st MARCH 2024

(iv) Insurance Claims

Insurance and other claims are recognised only when it is reasonably certain that the ultimate collection will be made.

(d) Property Plant and Equipment:

Property, Plant & Equipment (PPE) comprises of Tangible assets and Capital Work in progress. PPE are stated at cost, net of tax/duty credit availed, if any, after reducing accumulated depreciation and accumulated impairment losses, if any; until the date of the Balance Sheet. The cost of PPE comprises of its purchase price or its construction cost (net of applicable tax credit, if any), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management and decommissioning costs. Direct costs are capitalized until the asset is ready for its intended use and includes borrowing cost capitalised in accordance with the Company's accounting policy.

Depreciation of PPE commences when the assets are ready for their intended use. Depreciation is provided on the cost of PPE (other than properties under construction) less their residual values, using straight line method (SLM) over the useful life of the PPE as stated in the Schedule II to the Companies Act, 2013. Useful Life of each class of PPE as prescribed under Part C of Schedule II to Companies Act.

Sr No.	Asset Description	Useful Life
1	Plant and Machinery	15 Years
2	Furniture & Fixtures	10 Years
3	Computers	3 Years
4	Office Equipments	5 Years
5	Vehicle	8 Years
6	Building (Others)	3 Years

(e) Intangible Assets and amortisation

Intangible Assets are recognized only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized over the estimated period of benefit, not exceeding ten years.

(f) Impairment of Assets

Intangible assets with finite useful life acquired separately, are recognized only if it is probable that future economic benefits that are attributable to the assets will flow to the enterprise and the cost of assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets under development includes the cost of assets. Intangible assets are amortized over the estimated period of benefit, not exceeding ten years.

VIVIANA POWER TECH LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31st MARCH 2024

(g) Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The basis of determining the value of each class of inventory is as follows:

Inventories		Cost Formula
1	Raw materials	At cost on First-In-First-Out basis.
2	Raw material in Transit	At invoice value
3	Work in process	Cost represents raw material, labour and appropriate proportion of manufacturing expenses and overheads as per stage of completion.
4	Consumables, Stores and spares	At cost

(h) Investments

Investments are either classified as current or long term based on the management intention at the time of purchase. Current investments are stated at lower of cost or fair value. Long term investments are shown at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

However, when there is decline, other than temporary in the value of long term investment, the carrying amount is reduced to recognize the decline.

(i) Borrowing Costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings.

General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets up to the date the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

(j) Employee Benefits

a) Post employment benefits

i) Defined Contribution plan

The company's contribution plan to defined contribution plan paid/payable for the year is charged to the Statement of Profit and loss.

ii) Defined Benefit plan

The Liabilities towards defined benefit schemes are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period of occurrence of such gains and losses. Past service cost is recognized immediately to the extent of benefits are already vested and otherwise it is amortized on straight-line basis over the remaining average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as reduced by the plan assets.

VIVIANA POWER TECH LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31st MARCH 2024

b) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability. These benefits include salary, wages, bonus, performance incentives etc.

c) Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized on the basis of unutilized leave balances at the end of the year.

(k) Taxes on Income

Tax expense for the year comprises current tax and deferred tax.

(i) Current Tax

The provision for taxation is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income-tax Act, 1961.

(ii) Deferred Tax

Deferred tax assets and liabilities are recognized on timing differences, being the differences between taxable incomes and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods using tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets, other than on unabsorbed depreciation and carried forward losses, are recognised only if there is reasonable certainty that they will be realised in the future. Deferred tax assets in respect of unabsorbed depreciation and carry forward losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realize such losses. Deferred Tax assets are reviewed at each balance sheet date for their realisability.

(l) Leases

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to Statement of Profit and Loss.

(m) Provisions, Contingent Liabilities and Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are neither recognized nor disclosed.

Claim Against the Company not acknowledged as debt*	11.49	11.49

* The company has awarded subcontract to Mr. Bhupesh Mittal to provide civil work services worth Rs. 27.81 lacs for the project initiated by the State of Haryana under its solar policy. The contractor has raised bill of Rs. 7.12 lacs for the initial work done and the same has been paid by the company. However, after covid lock down the work was suspended. After lock down the work was started again but due to policy issues with Government of Haryana, work was stopped again. The contractor, thereafter raised demand of Rs. 11.49 lacs for the material procured by him. However, as no bills pertaining to that has been provided by the contractor, the company has not accepted his claim. We have been informed that the management is in process of resolving the dispute and hence, no provision as been made of the above in books of account.
