Circular Ref. No : 140/2017	

All Members,

Sub: Introduction of 'NSCCL-MASS'

NSCCL is pleased to introduce a new information gateway for members 'NSCCL-MASS'.

NSCCL-MASS shall be the information gateway for members to communicate online with NSCCL. NSCCL-MASS is a comprehensive solution encompassing network, software application, support and information and shall integrate all existing applications (Margins, NCIS, NCMS, etc.) into a common gateway.

NSCCL-MASS application facilitates-

1. Single Sign on (SSO) enabling access to multiple applications with one set of login credentials.
2. Dashboard Widgets allowing members to view segment wise information with respect to margin, collaterals, etc.
3. To access NSCCL-MASS from anywhere via Internet. Further, members connecting via lease line will have to connect using IP <https://172.19.125.79/login>.

With effect from December 26, 2017, 'Margins' application for all segments shall be provided in the NSCCL-MASS wherein members shall be provided an option of selecting premium or non-premium margin services. This facility shall be made operational in parallel with the existing connect2nse-Margins application. The existing billing structure as applicable for premium services shall continue to be applicable till March 31, 2018.

For activation of NSCCL-MASS, members are requested to submit the application to NSCCL in format attached as Annexure I with immediate effect.

The existing Margin application for all segments shall be discontinued **with effect from March 31, 2018**.

The release of other applications shall be intimated separately.

**For and on behalf of
National Securities Clearing Corporation Ltd.**
