All Participants / Custodians,

Sub: Introduction of 'N_{SCCL}-MASS' for functionalities currently available in Collateral Interface for Members (CIM)

This is further to our circular dated December 22, 2017, wherein NSE Clearing Limited had introduced a new information gateway for members '**N_{SCCL}-MASS**'.

We are pleased to inform that the CP Code Activation/Deactivation functionality currently available in CP Operations module in CIM shall also be introduced in '**N_{SCCL}-MASS**' with effect from December 17, 2018 and will be available in parallel in CIM till January 11, 2019.

It may be noted that to access the above functionality in '**N_{SCCL}-MASS**', the Super admin needs to provide access to Admin users and the Admin Users needs to specifically assign role access to the users. The User Manual for assignment of roles in '**N_{SCCL}-MASS**' is given in **Annexure I**.
