Circular Ref. No: 122/2022

All Members/ Custodians,

Sub: Update regarding reporting for Short Allocation of Collaterals

This is further to the circular no. 088/2022 dated August 02,2022 (Download No: NCL/CMPT/53167) and circular no. 093/ 2022 dated August 11,2022 (Download No: NCL/CMPT/53279) wherein the file format along with reason codes was specified for members to report amount of client collateral available against such segment wise short allocation of collateral.

The facility for uploading the short allocation reporting files which was made available in Extranet as per circular no. NCL/CMPT/53167, is now being shifted and made available in NMASS. The user manual for accessing the same is attached as Annexure. Once the file is uploaded, it can be checked whether the same is processed or not and the response file will be made available post completion of processing from NMASS interface itself. The files uploaded shall be processed at regular intervals.

- The members can report back multiple records for same record with different reason codes. In such cases the amount reported by the member shall be considered as sum across all such valid records.
- The members can also report records with same reason code multiple times, in which case the last reported record will overwrite the earlier reported record.
- The files shall be validated for accuracy and members shall be provided return files along with response reason codes. The file format for which shall be as under: -

a) Clearing Member Reporting Return Files (Shall have records for TM Prop/CP)

- File Name for success file - <F>_SA_CMR_<MEMBER CODE>_<DDMMYYYY>_nn.CSV
- File Name for rejected file - <F>_SA_CMF_<MEMBER CODE>_<DDMMYYYY>_nn.CSV
