Circular Ref. No: 027/2024

All Members,

**Sub: Regarding NCMS API & Discontinuation of NCMS EXE in F&O Segment.**

This is in continuation to NCL circular NCL/CMPT/54826 dated December 15, 2022, regarding introduction of API Facility in NCMS FO for clearing members wherein facility for Trade & Action download/Inquiry was provided in UAT environment and also to NCL circular NCL/CMPT/55778 dated February 25, 2023, wherein the said API was introduced in live environment.

Further to the above, NCL vide its circular NCL/CMPT/58851 dated October 10, 2023, provided additional facilities of CP trade approval/rejection and CP modification in the UAT environment w.e.f **October 10, 2023**. NCL shall be releasing these additional facilities in LIVE environment as well.

Members may note that NCMS exe is planned to be decommissioned by **30th April 2024**.

Accordingly, all Members are required to extensively test the API and ensure smooth transition from NCMS exe to NCMS API. The detail for initiating testing is already provided in above mentioned circulars.
