**Sub: Adjustment of Futures and Options contracts in the security UPL LIMITED (UPL)**

In pursuance of Byelaws of NSE Clearing pertaining to Clearing and Settlement of deals, SEBI circular reference SMDRP/DC/CIR-8/01 dated June 21, 2001, Circular no. 053 (Download no. NCL/CMPT/61801) dated April 29, 2024 and Circular no. 149/2024 (Download no. NSE/FAOP/65194) dated November 22, 2024 are hereby informed the procedure for adjustment of Futures and Options contracts in the underlying security UPL LIMITED (UPL), on account of Rights Issue.

The methodology for computation of 'adjustment factor' for the corporate action shall be as given by Circular no. 149/2024 (Download no. NSE/FAOP/65194) dated November 22, 2024. The following action would be taken by NSE Clearing in this regard.

**1. Action by the Clearing Corporation in respect of Futures Contracts:**

All open positions in Futures contracts with the underlying security as UPL existing after end of day on November 25, 2024, will be adjusted as under:

**Positions:** The adjusted positions shall be arrived at by multiplying number of contracts in the pre adjusted position by the adjusted market lot. The adjusted market lot shall be as per the Circular no. 149/2024 (Download no. NSE/FAOP/65194) dated November 22, 2024.

**Futures Price:** The adjusted futures price would be based on the settlement price of the relevant futures contracts on November 25, 2024. Adjusted futures price shall be settlement price of relevant futures contracts on November 25, 2024, multiplied by 'adjustment factor'.

**Adjusted value:** In order to avoid difference arising due to rounding off of adjusted settlement price, the carry forward/adjusted value shall be computed by multiplying pre adjusted futures long/short quantity with pre adjusted settlement price. Accordingly, all positions in futures contracts with the underlying security as UPL would be marked-to-market on November 25, 2024, based on the daily settlement price of the respective futures contract. Further, the adjusted positions would be carried forward at the adjusted value.

From November 26, 2024, daily mark to market settlement of futures contracts with the underlying security as UPL would continue as per normal procedures.

## **2. Action by Clearing Corporation in respect of Options Contracts:**

All open positions in Options contracts with the underlying security as UPL existing after end of day on November 25, 2024, will be adjusted as under:

The adjusted positions shall be arrived at by multiplying number of contracts in the pre adjusted position by the adjusted market lot. The adjusted market lot shall be as per the Circular no. 149/2024 (Download no. NSE/FAOP/65194) dated November 22, 2024.

## **3. Members are advised to note the following in respect of Futures and Options contracts on underlying security UPL.**

Position details of Futures and Options contracts with the underlying security as UPL would be provided in Position files for trade date November 25, 2024, would indicate final positions in the relevant contracts (without adjustment) on November 25, 2024.

The following two additional files will be provided, at the end of the day on November 25, 2024:
