This is pursuant to NSE Circular No. 147/2026 (Download no. NSE/FAOP/77185) dated October 30, 2026, regarding Adjustment of Futures and Options contracts in the security INFY. The following action with regards to clearing and settlement would be taken by clearing corporation in this regard.

1. Action by the clearing corporation in respect of Futures contracts:

Adjustment of futures contracts available in INFY shall be carried out based on the reference rate of the relevant futures contracts on Nov 02, 2026 (last cum-dividend date). Subsequent to such processing, open positions shall be carried forward at the daily settlement price less Rs.26/- (dividend amount) for the respective futures contract.

From Nov 03, 2026 (ex-dividend date), daily mark to market settlement of futures contracts with the underlying security as INFY would continue as per normal procedures.

Begin of day margins on Nov 03, 2026, would be computed for the futures contract with underlying as INFY based on the adjusted carry forward value. Subsequently, intra-day margins would be computed based on the relevant traded prices at the time the intra-day span risk parameter files are generated.
