IMPORTANT INFORMATION

The Offer is personal to each prospective bidder (including individuals, funds or otherwise) registered with the broker of the Stock Exchanges who makes a bid (each a **"Bidder"**) and neither the Offer nor this Notice constitutes an offer to sell or invitation or solicitation of an offer to buy, to the public, or to any other person or class of persons requiring any prospectus or offer document to be issued, submitted to or filed with any regulatory authority or to any other person or class of persons within or outside India.

The Offer is being made in reliance on the OFS Guidelines and subject to the guidelines, circulars, rules and regulations of the Stock Exchanges. There will be no "public offer" of the Offer Shares in India under applicable law in India including the Companies Act, 2013 and the rules and clarifications issued thereunder (the **"Companies Act"**) or in any other jurisdiction. Accordingly, no documents have been or will be prepared, registered, filed or submitted for approval as a "prospectus" or an offer document with the Registrar of Companies and/or SEBI and/or the Stock Exchanges or any other statutory / regulatory / listing authority, in India or abroad, under applicable laws, including the Companies Act, 2013, the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended, and no such document will be circulated or distributed to any person in any jurisdiction, including in India.

On August 5, 2016, the Insurance Regulatory and Development Authority of India (**"IRDAI"**) had issued the Insurance Regulatory and Development Authority of India (Listed Indian Insurance Companies) Guidelines, 2016 (**"Listed Indian Insurance Companies Guidelines"**), which were applicable to all insurance companies whose equity shares are listed on stock exchanges, and to the allotment / transfer process pursuant to a public issue. Subsequently, the IRDAI issued the Insurance Regulatory and Development Authority of India (Registration, Capital Structure, Transfer of Shares and Amalgamation of Insurers) Regulations, 2024 (**"Registration Regulations"**), through which the IRDAI consolidated and repealed several regulations governing the registration, issuance of capital, transfer of shares and amalgamation of insurance companies, into a single regulation. In May 2024, the IRDAI also notified the Master Circular on Registration, Capital Structure, Transfer of Shares and Amalgamation of Insurers, 2024 (**"Master**

 मंदाकिनी बलोधी/MANDAKINI BALODHI
 निदेशक/Director

Circular”), to supplement the provisions of the Registration Regulations and provide clarifications and timelines in respect of certain compliance requirements, including in respect of event-based filings such as for listing on a stock exchange. The Registration Regulations now govern, amongst other things, the transfer of shares of listed Indian insurance companies, including the matters set out below.

The Registration Regulations contemplate, amongst other things, filing of self-certification of fit and proper criteria with the insurer when equity shares of an insurer exceeding 1% but less than 5%, of the paid up equity share capital of the insurer, which shall be considered as deemed approval of the IRDAI for purposes of Section 6A(4)(b)(iii) of the Insurance Act, 1938. However, any acquisition of equity shares which shall, or is likely to, take the aggregate holding of such person in the insurer to more than 5% of the paid-up equity share capital of the insurer would require prior approval of the IRDAI. Once such approval has been obtained, any subsequent acquisition by such person which shall, or is likely to, take the aggregate holding of such person to not more than 10% of the paid-up equity share capital of the insurer would not require fresh prior approval of the IRDAI; however, any subsequent acquisition which shall, or is likely to, take the aggregate holding of such person to more than 10% of the paid-up equity share capital of the insurer would require fresh prior approval of the IRDAI. Notwithstanding the above, even where the acquisition or aggregate holding of any person is proposed to be less than 5%, if the insurer suspects that dubious methods have been adopted to circumvent the 5% threshold with a view to acquiring a controlling interest, the insurer is required to make a reference to the IRDAI, and the IRDAI may require such person to comply with due diligence and fit and proper criteria. While the Insurance Act, 1938 has been amended by the Sabka Bima Sabki Raksha (Amendment of Insurance Laws) Act, 2025 to increase this approval threshold from 1% to 5%, consequential changes to the Registration Regulations have not been implemented yet.

Accordingly, bidders intending to acquire Offer Shares such that the aggregate shareholding of the bidder in the Company exceeds 1% but remains less than 5%, of the paid-up equity share capital of the Company pursuant to the Offer would be required to comply with the requirement of self-certification of ‘fit and proper’ criteria by filing the same with the Seller and the Company prior to the allotment / transfer of such Offer Shares pursuant to the Offer. However, in case of bidders intending to acquire Offer Shares in the Offer such that the aggregate holding of such bidder in the Company would increase to more than 5% of the paid-up equity share capital of the Company, such acquisition would require prior approval of the IRDAI prior to applying to this Offer.

The Bidders acknowledge and agree that any buy order or bid shall be made solely on the basis of publicly available information and any information available with SEBI, Stock Exchanges, Company’s website or otherwise in public domain, together with the information contained in this Notice. The Offer is subject to the further terms set forth in the contract note to be provided to the prospective successful Bidders. Bidders should consult their own tax advisors regarding the tax implications to them of acquiring the Offer Shares. By submitting a bid in connection with the Offer or receiving the Offer Shares, Bidders will be deemed to have acknowledged that none of the Seller’s Brokers, the Seller, the Company nor any of their respective shareholders, directors, officers, employees, counsel, representatives, agents or affiliates, have provided the Bidders with any tax advice or otherwise made any representations regarding the tax consequences of purchase, ownership and disposal of the Offer Shares, and that the Bidders have obtained their own independent tax advice and evaluated the tax consequences in relation to the Offer Shares.

This Notice is for information purposes only and is neither an offer nor invitation to buy or sell nor a solicitation of an offer to buy or sell any securities, nor shall there be any sale securities, in any jurisdiction (collectively, “**Other Jurisdictions**”) in which such offer, solicitation or sale is or may be unlawful whether prior to registration or qualification under the securities laws of any such jurisdiction or otherwise. This Notice and the information contained herein are not for publication or distribution, directly or indirectly, in or to persons in any Other Jurisdictions unless permitted pursuant to an exemption under the relevant local law(s) or regulation(s) in any such jurisdiction and the Seller does not take any responsibility for the unauthorised publication or distribution by any person in any Other Jurisdictions. Prospective purchasers should seek appropriate legal advice prior to participating in the Offer.

securities law of Other Jurisdictions. The Offer Shares are being offered and sold (a) in the United States only to "qualified institutional buyers" (as defined in Rule 144A under the Securities Act) ("QIBs" and each a "QIB") pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, and (b) outside the United States in "offshore transactions" as defined in, and in reliance on, Regulation S under the Securities Act ("Regulation S"). **Prospective purchasers in the United States are hereby notified that the Seller may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A under the Securities Act.**

The purchasers of Offer Shares are hereby advised that any resale of Offer Shares must be made in accordance with the registration requirements of the Securities Act or otherwise pursuant to an available exemption from such registration requirements.

No determination has been made as to whether the Company has been, is, or will become a passive foreign investment company ("PFIC") within the meaning of Section 1297 of the United States Internal Revenue Code of 1986, as amended, for U.S. federal income tax purposes. No analysis has been undertaken to determine if the Company is a PFIC, and if the Company has been, is, or will be treated as a PFIC in any taxable year U.S. taxpayers that hold the Offer Shares (directly and, in certain cases, indirectly) may be subject to significant adverse tax consequences. In addition, U.S. taxpayers would also be subject to additional U.S. tax form filing requirements, and the statute of limitations for collections may be suspended if the taxpayer does not comply with such filing requirements. Certain holders may be able to mitigate these consequences by making a "mark-to-market" election (if available). The PFIC rules are complex. Prospective purchasers should consult their own tax advisors regarding the U.S. federal, state and local tax implications to them of acquiring the Offer Shares.
