All Members,

Sub: NSCCL Clearing Management Systems (NCMS) – Debt Segment

NSCCL is providing an interface 'NSCCL Clearing Management System' whereby the members can carry out the activities of trade confirmation. The interface shall facilitate trading members to view the confirmation status of trades executed through them.

The trade confirmation window shall be open between 17:00 hours and 17:30 hours to clearing members.

Members would be required to undertake the following for getting on board the new system:

1. The executable (EXE) shall be available for downloaded from <https://www.connect2nse.com/> from Friday, June 02, 2017, 10 p.m. onwards.
2. To avail this facility, members shall be required to request the Clearing Corporation for user login as per the format attached as Annexure 1.
3. Once the EXE is installed, application will pop up systems configuration window in which the URL needs to be set as [https://www.connect2nse.com.](https://www.connect2nse.com/)
4. The help file explaining the features available after installation in set up folder of NCMS.

The new EXE will be effective for trades done from Jun 05, 2017.
