All members,

### Dummy Securities in Master Files

In the continuous endeavour to optimize and strengthen the trading platform, Exchange shall perform internal order/trade activity every trading day before start of market hours as part of pre-market sanity checks.

In view of the above, dummy securities shall be incorporated in security master files viz security\_eg.txt, and nnf\_security\_eg.dat. Securities having last 7 characters of its symbol as "NSETEST" shall be identified as dummy securities for this purpose.

In this regard, market participants are requested to note that inclusion of dummy securities/symbols in security master files are purely intended for internal testing of the Exchange, hence, market participants shall ignore receipt of any such data in the form of report/feed/broadcast. Any reference/processing/activity/consumption and consequent results on the said data shall be at their own discretion/risk. In no event will NSE, its officers or employees be liable for decision made or action taken in reliance of the said data.

The above change is live and shall be effective until further notice.
