Annexure 1

Important instructions regarding mock trading session

1. Refer to Exchange circular download ref no NSE/MSD/40008 dated January 22, 2019 for Interactive Connectivity Parameters.
2. Installation procedure for NEAT and NEAT+ is available on extranet path /faocommon/Installation_Procedure.
3. All the outstanding orders shall be purged before the start of each trading session. Members using NNF software should clear the outstanding orders in their systems before the start of each trading session.
4. Members having approved algorithmic software can participate in the mock session in order to adhere to circular 41/2018 (Download No. 38935) dated September 21, 2018.
5. Trades resulting from this session shall not attract any obligation in terms of funds and/or pay-in and/or pay-out.
6. **Members are requested to note that reports namely “DDMMYYYY_TMCODE.txt.gz” & “MOD_DDMMYYYY_TMCODE.txt.gz” shall be downloaded on the extranet folder on Saturday June 15, 2019 for testing purposes only. Members opting for interoperability are required to refer the updated content of these reports as attached as Part C of this circular. There shall be no change in structure of these reports.**
7. **Members are requested to note that NOTIS application shall not be available during the mock session.**
8. Kindly participate actively in the mock trading session from all trading software and re-login into live environment to check the connectivity and to avoid login problems on Monday, June 17, 2019.
9. Members are requested to note that the existing versions of NEAT F&O 9.4.6 and NEAT+ 7.3.2 shall continue from June 17, 2019 till further notice.
10. Kindly refer to the website of NSE at www.nseindia.com for any information which may be updated by the Exchange on the mock trading session.
11. In case of any queries please call Toll Free no: 1800 266 0053.
