Department : Inspection

Download Ref No: NSE/INSP/45900

Date : September 30, 2020

Circular Ref. No: 60/2020

To,
The STP centralised hub
All the STP service providers
All Members

Sub: Modifications in the STP messaging formats on account of implementation of the Stamp Duty

This is in continuation to the SEBI circular no. DNPd/Cir-28/04 dated September 28, 2004, and SEBI/DNPd/143542 /Cir-43/08 dated November 06, 2008 with respect to the STP messaging formats. In consultation with SEBI, it has been decided that stamp duty would be incorporated as a separate field in the Straight Through Processing (STP) system with effect from January 01, 2021. Accordingly, appropriate changes to the messaging standards are as under

1. Message types that shall be modified are IFN515, IFN540, IFN541, IFN542, IFN543 as per **Annexure I**
2. A Qualifier shall be used to identify Stamp Duty Amount: "STAM", Stamp Duty.
3. The change in the ISO Structure for the impacted message types shall be as follows:

M	16R		AMT	Start of block	
M	19A	Amount	:4!c//3!a15d	To identify the Stamp Duty	For Stamp Duty: Qualifier: "STAM" (4 Upper case Characters) Narrative: "INR" (3 Upper Letters) Amount: upto 15 digits (including decimal places and decimal sign) comma has to be used as decimal sign and is mandatory. Integer part of amount must contain atleast one digit.
M	16S		AMT	End of block	

4. Stamp Duty Block shall be placed after the Brokerage Amount Block in the stated Message Types. (IFN515, IFN540, IFN541, IFN542 and IFN543)
5. Stamp Duty block will be mandatory amount block in IFN515 and optional amount block in IFN540, IFN541, IFN542 and IFN543

6. If the Contract Note (issued by means of IFN515) is rejected on the basis of Stamp Duty amount, then existing reason rejection code "NARR" is to be used in the "Tag70D Narrative" field and "Tag 24B Reason" code.
7. Members issuing contract note for clients through STP shall send a separate tax invoice in accordance with GST guidelines containing Invoice Reference Number (IRN) and QR Code. Accordingly, no changes are proposed in the STP message formats issued from time to time w.r.t. the GST requirements.
8. Members need to ensure that Stamp Duty (STAM), Securities Transaction Tax (STT), Goods & Service Tax (GST) need to be stated in the specified fields for these statutory levies in the contract note issued through Straight Through Processing (STP) system.
9. Accordingly, STP centralised hub, and the STP service providers are directed to make the necessary changes to their STP system to ensure the above.
10. Members are directed to make necessary changes consequent to the above.

**For and on behalf of
National Stock Exchange of India Limited**

Pranav Tanna
Chief Manager-Inspection
