To All Trading Members,

Sub: “Advisory for Stockbroker – Member onboarding for CERT-In Cyber Swachhta Kendra (CSK)”

In recent times, there has been a surge in cyber-attacks in organizations across the globe impacting the continuity of their business operations and causing sensitive data leakage through malware infections at end point computing devices. To mitigate such malware and botnet infections, CERT-In has launched an initiative named ‘Cyber Swachhta Kendra’ (CSK), which provides information and enables organizations to disinfect the computing devices using free-of-cost malware and botnet cleaning tools.

In view of the above and to create a secure cyber eco-system, Stockbrokers having more than 50,000 active traded clients and also providing Internet Based Trading platform are required to onboard themselves on ‘**Cyber Swachhta Kendra**’ Platform by November 6, 2023.

Other members (not part of the above criteria) can also voluntarily subscribe to the services and avail actionable information intelligence from CSK. For receiving the reports/alerts from Cyber Swachhta Kendra on daily basis, Stockbrokers are required to follow the guidelines as given in **Annexure I** for onboarding Stockbroker on Cyber Swachhta Kendra Portal.
