

Annexure 2

Details on Call Money mechanism on eIPO Platform

- Call Money is a mechanism on eIPO platform for collection of ASBA bids for payment of Balance Money for partly specified securities issued by the listed entity.
- Self-Certified Syndicate Banks (SCSBs) and Trading Members having (3-in-1 type accounts) having NSE eIPO login can participate in the above mechanism.
- Bids can be placed through manual and bulk upload option. (Refer Annexure 3 and Annexure 4 respectively for more details).
- Bid Modification/ Deletion shall be allowed during the issue period.
- Trading Members having (3-in-1 type accounts) shall have to register under the below tab→MANAGE→BANK MASTER and select specific bank after accepting the terms and conditions from Member Admin Login.
- Existing Trading Members having (3-in-1 type accounts) already registered on eIPO platform shall have to accept the updated terms & conditions to avail the above functionality.
- The Call Money mechanism can be accessed through web based eIPO platform from the existing URL as mentioned below.
