All Participants,

Launch of E-IPO 2.0

The Exchange is pleased to announce the launch of **E-IPO 2.0**, an upgraded version of the existing E-IPO platform. This new platform is designed to provide a highly secure, modern and user-friendly experience for all stakeholders involved in the IPO lifecycle, effective from **November 02, 2026**.

Key Enhancements in E-IPO 2.0

E-IPO 2.0 incorporates several strategic upgrades aimed at improving efficiency, security and usability:

- **Modernized UI/UX:** A revamped interface aligned with current industry standards to enhance user experience and ease of navigation.
- **Enhanced Security:** Implementation of modern JWT (JSON Web Token) authentication protocols to ensure robust data security and integrity.
- **Improved Performance & Scalability:** Optimized architecture to support higher transaction volumes and ensure seamless processing during peak demand periods.
- **Technological Alignment:** Overall alignment with contemporary technological standards to future-proof the platform.

Scope of Initial Launch (Phase 1)

The initial phase of the E-IPO 2.0 launch will support the following product categories:

1. Mainboard IPOs
2. SME IPOs

Other products and features will be made available in subsequent phases as part of the ongoing development roadmap of E-IPO 2.0.

National Stock Exchange of India Limited

Access to EIPO 1.0 remains available for market participants. However, we strongly recommend migrating to **E-IPO 2.0** while taking into consideration the following co-existence and migration guidelines:

- E-IPO 1.0 will remain available in parallel for Mainboard IPOs, SME IPOs and other existing products and features.
- For ease of user convenience for Mainboard IPOs and SME IPOs, bids placed from E-IPO 1.0 platform will be accessible from E-IPO 2.0 and vice versa.

The FAQs pertaining to E-IPO 2.0 are attached as **Annexure 1**. All market participants are requested to perform end-to-end validations to ensure seamless connectivity and transaction processing.

We appreciate your cooperation in ensuring a smooth transition to the upgraded platform.
