The merger shall be effective after the close of business hours on June 09, 2017 (Record Date or Effective Date). Accordingly, the Transferor Scheme would cease to exist from the close of the business hours on June 09, 2017 and the NAVs of the Surviving Scheme, shall continue to be published from June 12, 2017 onwards post giving effects of the merger. The Growth and Dividend Options under Principal Index Fund - Midcap shall merge with the respective Growth and Dividend Options under Principal Index Fund - Nifty.

Consequent to aforesaid merger, there will be no change in the name or other attributes of the Surviving Scheme and accordingly, interest of unitholders of Surviving Scheme is not adversely affected. The investment objective, asset allocation and investment pattern, annual scheme recurring expenses and all other provisions as contained in the Scheme Information Document ('SID') of the Surviving Scheme will remain unchanged post the merger. The proposed merger will not be treated as change in fundamental attributes of Surviving Scheme in terms of SEBI Circular No. Cir/IMD/DF/15/2010 dated October 22, 2010. Thus, no new scheme will come into existence as a result of the aforesaid merger.

In this regard, individual communication has been dispatched to Unitholders of Principal Index Fund - Midcap, existing in the Register of Unitholders of our Registrar & Transfer Agents, M/s. Karvy Computershare Pvt. Ltd. Such of those Unitholders who do not receive the communication can contact the Registrar - M/s. Karvy Computershare Private Limited.

The Unitholders who may not be in agreement with the proposed merger can opt to redeem or switch their investment from the Transferor Scheme without payment of any exit load, during the notice period indicated herein. In case of unitholders who had registered for special products SIP/STP/SWP in the Transferor Scheme and decide to continue to remain invested then such registration for SIP/STP/SWP will be processed under the Surviving Scheme for balance tenure / installments as per terms and conditions of the respective special products subsequent to merger. Kindly note that an offer to exit from Transferor Scheme is merely optional and is not compulsory.

No action needs to be taken by Unitholders, who have no objection to the proposed Merger, and it would be deemed that such Unitholders have consented to the same. The continuing Unitholders of Principal Index Fund - Midcap as at the end of business hours on June 09, 2017 will be allotted units (basis the NAV of June 09, 2017 of Principal Index Fund - Nifty), in lieu of the value of their existing units in the Principal Index Fund - Midcap and consequently terms, conditions and features of Principal Index Fund - Nifty shall prevail. An account statement reflecting the same shall be issued to the continuing unitholders.

The exit option will not be available to unitholders who have pledged or encumbered their units in the Transferor Scheme and the PMF has marked pledge / lien on units in its record unless the release of pledge / lien is obtained and communicated to the Fund / Registrar, Karvy Computershare Private Limited before submitting redemption / switch-out requests. - Securities Transaction Tax (STT) on redemption/switch out of units, if any, exercised during the exit option period shall be borne by AMC.
- Please note that the aforesaid tax neutrality on consolidation/merger of mutual fund schemes is subject to the following:
 - Consolidation/merger should be in accordance with SEBI (Mutual Funds) Regulations, 1996.
 - Units are held as 'Capital assets'. The amendment is silent where the units are held as 'stock-in trade'.
