To All Vendors,

Digital submission of Vendor Applications

The Exchange is pleased to announce the introduction of online application facility for Exchange Empanelled Vendors via dedicated electronic vendor interface at <https://connect2nse.com/ENITInternal/VendorLogin.jsp>. This initiative is aimed at achieving efficient and easy submission of Vendor applications to the Exchange with increased vendor convenience.

Initially, Vendors shall be able to file their CTCL and Algo applications online. Going forward this facility shall be extended to all other Non-NEAT Front-end (NNF) products as well. The online status of this application would be available at the path *Product Approval>MIS Report*. The process for submitting applications is being provided in detail as a User Manual under *Product Approval>CTCL Approval*.

To access this portal Vendors will need IE 9 and above, preferably IE 11. Vendors will also need a valid digital certificate or E-token procured from a certifying Authority (CA) of their Authorized signatories.

Each Vendor will be required to apply for their respective User id's in the format specified in Annexure I. On activation of the User id, Vendor shall be able to proceed with submission of application online.

This facility shall be effective from start of business hours on February 20, 2017. Vendors are requested to take note of the above and take advantage of the new facility.
