Download Ref No : NSE/MSD/38241

Date : July 05, 2018

Circular Ref. No : 22/2018

To All Members,

Sub: POP Network changes – Service Mode selection- Extension of timeline

This is in continuation to our circulars NSE/MSD/37818 dated May 23, 2018, NSE/MSD/37884 dated May 31, 2018 and NSE/MSD/37967 dated June 08, 2018 regarding submission of purchase order under managed service mode.

Based on continuous request from members, Exchange will be reopening the ENIT system for uploading the purchase order from **July 07, 2018 to July 16, 2018**. Members who intend to opt for managed service mode for their existing Leased Line scenarios and have not been able to submit valid purchase order are requested to upload the purchase order as per Annexure 1 via ENIT (path: Membership > TCP IP Scenario > Purchase order).

Members may kindly note that in the purchase order the delivery address (Customer Location) should be the existing B point/member location where the connectivity line is terminating. In case of any discrepancy, the purchase order shall not be processed.

All active leased line scenarios for which purchase order is not uploaded by members within the specified timelines shall be deemed to have opted for self-service mode. Hence, members are requested to take advantage of this opportunity as this facility shall not be extended or reopened hereafter.
