

National Stock Exchange of India Ltd.
Proprietary Trading Module on ENIT
User Manual

Procedure for submitting below requests through ENIT

- A. Default Location Activation
- B. Change In Default Location
- C. Pro Enablement
- D. Pro Disablement

Pro trading:

Exchange has provided facility on member portal to handle requests for proprietary account trading applications electronically. Further, it may be noted that digital signature is imperative for accepting the applications through member portal. Hence, it is mandatory that all the applications sent electronically through member portal contain digital signature as allotted by the Exchange to authorized personnel of the trading firm. Trading members may send the application for availing proprietary account trading facility by logging in Member portal.

Members are required to send their request for proprietary enablement, proprietary disablement, default location activation and change in default location through the facility on NSE ENIT electronically.

To whom:

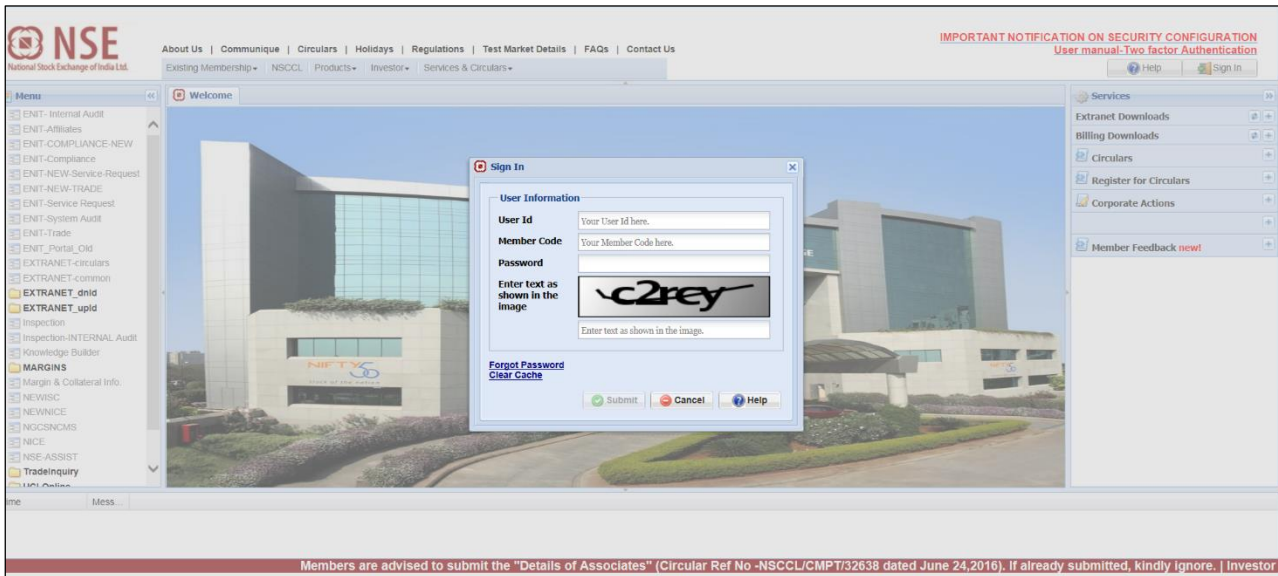

To all the members who has the proprietary trading membership.

Software requirements:

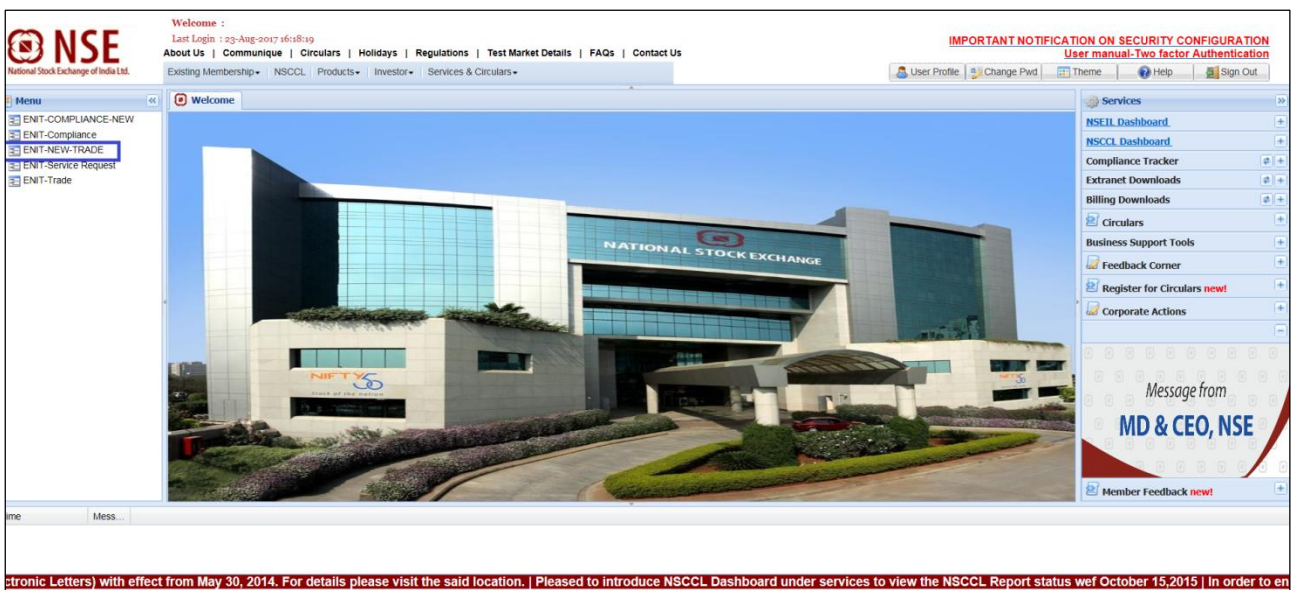

- Google Chrome (preferred)
- Internet Explorer 11.0

Access:

- Members should login through the below link to log in into ENIT.
<https://www.connect2nse.com/MemberPortal/>
- Member can login through member portal by entering User ID and password.

- When user logs in, below screen will be displayed
- Click on 'ENIT- NEW- TRADE'

- Go to the path: **Trade > Pro Trading**

Pro Trading module has below functionalities (as shown in the below image):

- I. Pro Trading Request
- II. Pro Activity Report
- III. Pro Trade Status Report
- IV. Default Location Status Report
- V. Default Location Activity Report

I. Pro Trading Request

- Trade > Pro Trading > Pro Trading Request**

- A. Default Location Activation
- B. Change In Default Location
- C. Pro Enablement
- D. Pro Disablement

IV. Default Location Status Report

- Default Location Status Report has been provided on the ENIT front-end. Members may use this option to view the final status of their 'New Default Location' and 'Change in Default Location' request as on current date.

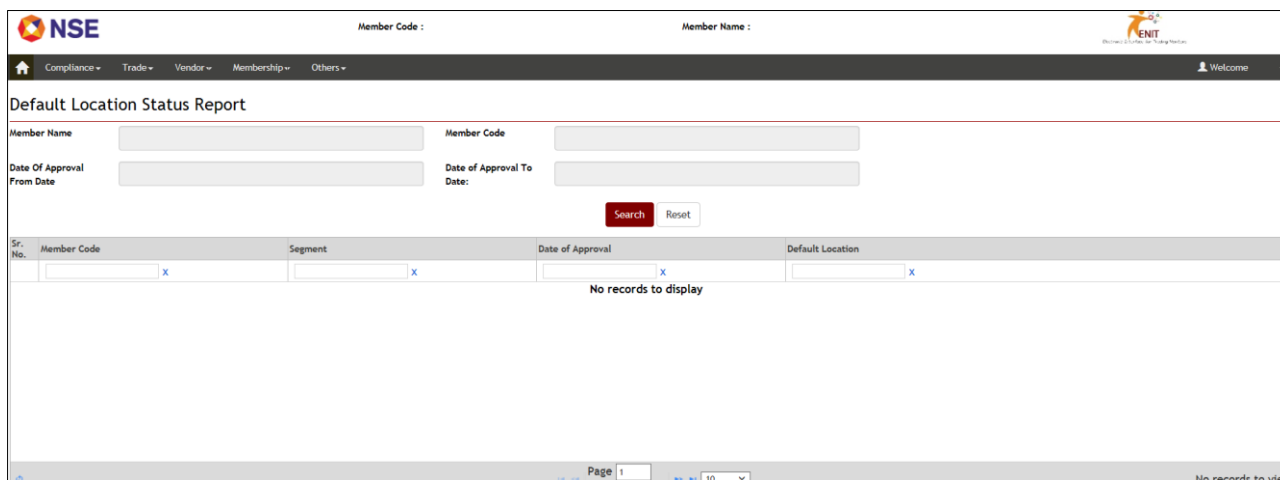

Trade > Pro Trading > Default Location Status Report

The screenshot shows the NSE ENIT front-end interface. The 'Trade' menu is open, and 'Default Location Status Report' is highlighted. The main content area displays a table with columns: ENTITY, National Stock Exchange, National Securities Depository Limited, Provisional GST Id, ARN Number, and PAN. The table contains two rows of data for 'Maharashtra-400051'.

ENTITY	National Stock Exchange	National Securities Depository Limited	Provisional GST Id	ARN Number	PAN
			27AAACN1797L120	AA271216007256G	AAACN1797L
			27AAACN2642L12E	AA271216007418C	AAACN2642L

Below the table, there are sections for 'Alerts' and 'Reminders', both displaying 'No Records Found.'

The screenshot shows the 'Default Location Status Report' search and results page. It includes search filters for Member Name, Member Code, Date Of Approval From Date, and Date of Approval To Date. A 'Search' button is present. The results table has columns: Sr. No., Member Code, Segment, Date of Approval, and Default Location. The table is currently empty, displaying 'No records to display'.

Sr. No.	Member Code	Segment	Date of Approval	Default Location
No records to display				

At the bottom, there is a pagination bar showing 'Page 1' and 'No records to view'.

V. Default Location Activity Report

- Members can view their submitted request status for Default Location and Change in default location requests through the option 'Default Location Activity Report'.
