Circular Ref. No: 07/2019	

All Members,

Sub: Connectivity - POP network changes – Final extension of deadline

This is in continuation to Exchange circular NSE/MSD/40093 dated January 31, 2019 regarding Connectivity- POP network changes.

Members are requested to note that the project implementation date is being extended and finalised up to March 31, 2019. In lieu of the extension, no application processing fee will be applicable for any connectivity request received through ENIT upto March 31, 2019.

In order to ensure timely and efficient commissioning of the new leased lines under migration, members are requested to ensure adherence to the schedule provided by Sify Technologies Ltd and also confirm site readiness, internal cabling and access to Sify Technologies Ltd personnel and Telecom service provider for link delivery. In case the migration for new lease lines is not completed as per the scheduled date, members will be solely responsible for the non-availability of such lines after the scheduled date.

Further, members who have not placed migration order are once again urged to surrender their existing connectivity under old POP. Exchange shall initiate the process with HCL Comnet Ltd on behalf of members for surrender/termination of any such pending leased lines without any further notice. Such termination shall be undertaken disregarding the existence or otherwise of replacement lines.

Member are sincerely urged to adhere to the timelines mention in this circular as the Exchange will not be able to accommodate any migration after the project timelines.

For and on behalf of
