Date : March 20, 2019

Circular Ref. No: 08/2019

All Members,

Sub: Connectivity - POP network changes – Surrender of leased line

This is further to Exchange circular NSE/MSD/ 40310 dated February 26, 2019 regarding surrender of existing member connectivity under old POP.

Members under the below scenarios are once again urged to surrender their existing connectivity under old POP by eod of March 25, 2019.

Migration order was not placed by the member **or** such order if placed are not being processed further due to commercial/technical reasons based on member consent

Such members are requested to follow the below steps for successfully placing surrender request via ENIT;

- 1) Disablement/Shifting of the user ids if any on the said Tap IP. (path: Trading > User ID requests > Shifting/Disable of NEAT User id)
- 2) Removal/Replacing of Multilocking request, in case any user is multi-locked with the said Tap IP (path: Trading > User ID requests > Multiple Lock NEAT User ID)
- 3) Cancellation of pending request if any against the said Tap IP in ENIT (path: Membership > TCP IP Scenario > Cancellation)
- 4) Surrender of Tap ip request (path: Membership > TCP IP Scenario > Surrender)

Members may please note, Exchange shall initiate the surrender process of any such pending leased lines on their behalf post aforesaid timeline. Further, such termination shall be undertaken disregarding the existence or otherwise of replacement lines. Additionally, active User ids or multilocking shall be disabled on such connectivity, if it exists.

Hence, members are sincerely urged to adhere to the timelines mention in this circular as the Exchange will not be responsible for any inconvenience caused to the members due to the disablement of any user ids by the Exchange after the said date.
