All Members,

Sub: Enablement – Digital submission of additional segment request

The Exchange is pleased to announce a facility for acceptance of additional segment enablement requests of Capital Market segment, Futures & Options segment and Currency Derivatives segment through our dedicated electronic member interface 'ENIT'. This initiative is aimed at achieving efficient and easy submission of the enablement applications to the Exchange.

Members can place the request from the path: Membership > Enablement > Additional Segment. The process for submitting the application is being provided in detail as a User Manual on the above path. The online status of the application would be available on the path Membership > Enablement > Request Status.

This facility shall be effective from start of business hours of September 03, 2019. For convenience of the members a detailed FAQ in this regard is annexed.

Members are requested to take note of the above and take advantage of the new facility.
