All Members,

Sub: Connectivity – Wireless last mile option for POP and MPLS Leased Lines

Exchange offers POP and MPLS based Leased Lines as WAN connectivity mechanisms to its members. The Exchange continuously reviews and enhances its connectivity framework to empower its members in their business operations. It has been a constant endeavour of the Exchange to provide widespread reachability of connectivity infrastructure to the members. In pursuit of the same, the Exchange is now pleased to introduce Wireless Last Mile connectivity option for POP & MPLS links.

Wireless option shall be available for members whose locations are non-feasible for wired connectivity. In such cases, existing selected telecom service providers in POPs & MPLS shall verify wireless feasibility at member location and provide charges for the same. The feasibility and associated charges payable for wireless last mile shall be communicated to respective member. Basis member's confirmation for wireless last mile option and charges, NSE shall provide go-ahead to service provider for implementation. All existing processes for members seeking POP/MPLS based connectivity shall remain same.

Based on feasibility, wireless last mile connectivity shall be offered by below existing telecom service providers, as selected by members:

Mode	Telecom Service Providers
MPLS	Bharti, TCL, Vodafone
POP based Leased Lines	Bharti, TCL, MTNL/BSNL

A circular regarding rate chart of the service providers shall be issued separately.

Members should note that National Stock Exchange of India Limited ("NSEIL") is only a facilitator of this service. Neither NSEIL nor its directors, managers, officers, employees or agents, guarantee the functioning of the connectivity, SLAs, uptime etc. ("Service") provided by Network Integrators and last mile telecom service providers.
