Circular Ref. No: 71/2019

All Members,

Sub: Connectivity – Digital acceptance of request for category E and O

This is further to Exchange circular NSE/MSD/42014 dated August 30, 2019 regarding introduction of connectivity category “E” and “O”. Members are requested to note that from the start of business hours December 9, 2019 requests (new links & message rate change) for these categories shall be accepted from ENIT.

National Stock Exchange of India Limited (“NSEIL”) strongly recommends its members to plan their interactive and broadcast configuration in such a way that at any point of time the bandwidth utilization is not more than 75%. NSEIL further recommends its members to build resilience and redundancy in their subscription to market data broadcast provided by NSEIL, to ensure continuity of their business operations. NSEIL has made enabling provisions for members to implement redundancies by providing two sources of data and/or data recovery mechanisms. Members shall be solely responsible for implementing and maintaining redundancy for market data broadcast subscribed from NSEIL. NSEIL shall not be held liable in any manner whatsoever including but not limited to for any disconnection, excess bandwidth utilization, related latency issues’ etc. which arises out of the member’s decisions on market data broadcast configurations.
