Date : January 31, 2020

Circular Ref. No: 05/2020

All Members,

Sub: User Id – Additional facilities for Trading Members

This is in continuation to Exchange consolidated circular NSE/MSD/34638 dated April 13, 2017 regarding matters relating to User Id. As an ongoing endeavour towards providing better services to the Members, the Exchange is pleased to announce the following:-

1. Bulk upload facility for CTCL id modification:

- a. Trading members are required to report to Exchange any changes in the CTCL id terminal details on account of changes in user details.
- b. Members can now place CTCL bulk modification request through 'ENIT' under option Trade > Member Reporting Pre Trade > CTCL Bulk Upload.
- c. A detailed guideline is available on the same path.
- d. The details of the fields which can be modified is provided in Annexure 1.
- e. The effective date of modification would be the subsequent date of submitting the request.

2. Bulk upload facility for DMA id deactivation:

- a. Members are required to update details pertaining to deactivation of the DMA terminal given to client for trading purpose.
- b. Members can now place their bulk DMA deactivation request through 'ENIT' under option Trade > Member Reporting Pre Trade > DMA Bulk Upload.
- c. A detailed guideline is available on the same path.
- d. The effective date of deactivation would be the subsequent date of submitting the request.

3. CTCL location mapping within same city for user type NON-NEAT :

- a. In order to provide redundancy for CTCL users, provision to map multiple CTCL users across multiple connectivities within the same location is currently made available to Trading members.
- b. Exchange is pleased to extend the aforesaid facility to multi-lock CTCL users across multiple connectivities within same city with multiple vendors for user type Non-Neat.
- c. Members can use this facility through ENIT under option Trade > Member Reporting Pre Trade > CTCL ULC Mapping.
- d. Members may please note in cases where the NEAT CTCL ID is disabled / shifted to another TAP IP in a different location, the CTCL location mapping facility shall stand withdrawn automatically.

The circular shall be effective from start of business hours of February 03, 2020.

Members are requested to take note of the above and take advantage of the new facilities.
