Circular Ref. No: 60 /2020

All Members,

Sub: Digital acceptance of change in mapping of colocation and ASP request

In furtherance of our resolve to enhance member experience and ease, the Exchange is pleased to announce a facility for acceptance of change in mapping of Colocation and Application Service Provider (ASP) requests through our dedicated electronic member interface 'ENIT'.

Members can log into Member portal and access the module at path: Trade > User Id Request > Branch Shift. The process for submitting such applications is being provided in detail as a User Manual on the same path. The status of such applications would be available on ENIT at path: Trade > User Id Request > Neat User id request report (request type: Branch Shift).

Members are requested to note the below while placing such request:

1. A Corporate manager (CM) /Branch manager (BM) should be present on the destination connectivity.
2. Existing Pro facility on the users (Colo/ASP) will not change.
3. Order Limits on the users (Colo/ASP) will get reset. Hence, members are required to set the appropriate limits of such users prior to trading through existing facility from CM/ BM terminal.(For details refer Help files in the NEAT / NEAT Plus terminal).

This circular shall be effective from start of business hours of August 11, 2020.
