Circular Ref. No: 09/2022	

All Members,

Sub: Message limit for Commodity Derivatives Segment

This is in continuation to Exchange circular NSE/MSD/39530 dated November 29,2018. As per the aforesaid circular a standard 100 messages per box were allotted to IPs that are intended to be used for commodity segment.

Exchange is now pleased to inform that the standard message limit has been relaxed to 120 messages per box for Commodity segment, irrespective of the message category of the connectivity. There shall be no additional charges for these messages.

Existing members enabled in Commodity Derivatives segment will be allotted 120 messages per box and 50 users capacity on existing IPs for Commodity segment.

The Exchange reserves the right to withdraw the above facility at any time with a prior notice of one month through a circular. In case of withdrawal, the message bifurcation for the connectivity will have to be realigned by the members through ENIT as per Exchange circular NSE/MSD/38932 dated September 21, 2018. In case of inability to realign the messages within the time frame provided by the Exchange, the Exchange shall have the right to withdraw the message/ user capacities allocated to the Boxes of Commodity segment under the above facility.

The circular shall be effective from April 01, 2022 and applicable till further notice.
