Circular Ref. No: 30/2022	

All Members,

Enhancement in Extranet Functionality

This is in reference to Item 5.1 of Part B of Exchange circular NSE/CMTR/44481 dated May 27, 2020 and Item 4.1 of Part B of Exchange circulars NSE/FAOP/44482, NSE/CD/44483 and NSE/COM/44484 dated May 27, 2020.

Exchange currently provides Extranet facility to members to access common and member specific data via Lease Lines (IP address for IP enabled users) and internet users (<ftp://ftp.connect2nse.com>) using member specific login or guest login credentials. Apart from the above, access is also available via Extranet folder in Member Portal.

Exchange is pleased to announce introduction of API specification document (attached as Annexure 1) for accessing the Extranet facility for file transfers. The segment wise release dates for UAT and LIVE environments for the API shall be shared subsequently. The access via API shall be available via internet as well as lease lines and new URL's to connect via API shall be made available for this purpose.

Please find attached as Annexure 2; the list of files currently made available for respective segments as provided in NSEIL dashboard which shall be accessible from the New API. Apart from the files and paths mentioned, the common files and folders for NEAT/NEAT Plus/NEAT Adaptor/UDP/NA Analysis tool applications, Installation Procedure, Test Environment folders etc. shall also be accessible from the new API.

Accordingly, Members may please note that access to Extranet for internet users via Internet FTP (<ftp://ftp.connect2nse.com>) and usage of Guest login credentials (for lease line and internet ftp) is planned to be discontinued w.e.f December 31, 2022. Please note that access of Extranet folders via Member Portal shall continue to be available.

In context with Annexure 2 and common files /folders as referred above, Members are requested to provide their valuable feedback and observations with regards to the API document at msm@nse.co.in
