All Members,

Enhancement in Extranet Functionality - Update

This is in continuation to Exchange circular NSE/MSD/53891 dated September 29, 2022 introducing Enhanced Extranet Functionality.

Based on members feedback, Exchange has updated API specification document (attached as Annexure 1) for accessing the Extranet facility for file transfers. Members shall now be allowed to create multiple users and their individual password for accessing the Extranet API.

The procedure to create multiple user credentials and segment wise release dates with URLs for UAT / LIVE environments shall be shared subsequently.
