Circular Ref. No:29/2023	

All Members,

Test Market Environment – Landing point location change for terminating lease line

This is in partial modification to Exchange circular reference no. NSE/MSD/44809 dated June 29, 2020 regarding test market environment – changes in connectivity for dedicated lease line terminating at landing point.

Exchange is migrating test market landing point from existing Mumbai to Chennai location. Accordingly, all new and existing participants i.e. Empanelled Vendors (EV), Application Service Providers (ASP's), Registered Foreign Independent Software Vendors (FISV's) and Prospective members of Exchange shall now connect the Test market environment via landing point in data center at NSE STT Chennai site i.e.

Particulars	Existing Location	Proposed Location
Lease Line termination address	National Stock Exchange of India Ltd., 5th floor, Kohinoor City, Tower – 1, Commercial – II, Kirod Road, Off. L. B. S. Marg, Kurla (W), Mumbai – 400 070	National Stock Exchange of India Ltd., STT Global Data Centers India Private Limited, Dev DC adjacent to Data Centre 2, Floor no. 7, Plot No. 226, Red Hills Road, Kallikuppam, Ambattur, Chennai-600053
Connectivity Vendors	TCL and Bharti	Airtel, Jio, Sify, TCL

In this regards, please note the following:

- All **Existing participants** i.e. EV, ASP's, FISV's and prospective members connectivity terminating at landing point in data center at **Kohinoor site** need to **mandatorily shift** their existing links to NSE STT Chennai site by **July 31, 2023**.
 - o Accordingly, test market participants i.e. EV, ASP's, FISV's and prospective members need to apply either new links or shift their existing connectivity **Link to NSE STT Chennai by submitting application as per Annexure E**.

National Stock Exchange of India Limited

- Upon commissioning of the new line at NSE STT Chennai, the participants can surrender their existing lease line link at Kohinoor site.
- Kindly ensure to complete the migration on or before July 31, 2023, else the Exchange shall consider the links as surrendered and disconnect the Links at Kohinoor site without further notice.
- Henceforth all EV, ASP's, FISV's and prospective members applying for access to test market environment at landing point shall have to connect NSE STT Chennai site via Ethernet Copper RJ45 handoff technology with bandwidth of 4 Mbps / 10 Mbps dedicated leased lines.
- The revised prerequisites and process for granting access to Empanelled Vendors / ASP's / FISV's is attached as **Annexure A** and application format is attached as **Annexure B**.
- The revised prerequisites and process for granting access to prospective member is attached as **Annexure C** and application format is attached as **Annexure D**.

All other details per circulars NSE/MSD/41283 dated June 11, 2019 and NSE/MSD/42917 dated December 16, 2019 shall remain same.
