All Members,

Encryption/Decryption of Interactive Messages – Rollout Plan Update

This is in reference to circular [NSE/MSD/59984](#) dated December 28, 2023 regarding mandatory rollout plan of Encryption of interactive messages for all segments.

Currently, Exchange has provided a coexistence phase for accepting both encrypted and non-encrypted message traffic, after which Exchange shall discontinue the non-encrypted message flow.

Members may note that the discontinuation date of non-encrypted flow of interactive messages is now revised due to change in monthly contingency drill/mock session from March 02, 2024 to March 16, 2024 as per circular NSE/MSD/60678 dated February 14, 2024 :

Segment	Revised discontinuation of non-encrypted flow in LIVE Environment
FO	March 16, 2024 (mock) i.e. LIVE from March 18, 2024
CD	March 16, 2024 (mock) i.e. LIVE from March 18, 2024
CM	March 16, 2024 (mock) i.e. LIVE from March 18, 2024
CO	March 16, 2024 (mock) i.e. LIVE from March 18, 2024
SLBM	March 16, 2024 (mock) i.e. LIVE from March 18, 2024

Members are urged to take advantage of the extended timelines and **ensure readiness of their migration plan for Direct connection via NNF for handling the changes of Encryption interactive messages**. There shall not be any further extension beyond the aforesaid date.

All other details as mentioned in aforementioned circular shall remain unchanged.
