Sub- Introduction of One Time Password (OTP) based Two-Factor Authentication (2FA) mechanism for NMF Trade Member Portal

In order to enhance the security measures, the current questionnaire based 2FA mechanism shall be replaced with an OTP based 2FA mechanism for login into NMF Trade Member Portal.

As a one-time registration exercise, upon login, members will be presented with a screen to update the official email address and mobile number. The Member is required to set valid mobile number for each user id. Also while creating new user, mobile number is now made mandatory along with e-mail ID. ADMIN may update registered e-mail address or mobile number of other users through the ADMIN login. Member shall update the email address and mobile number of ADMIN user through the menu Settings-> User Info or by sending an email to msm@nse.co.in

Members are advised to ensure the following

- Please register an official mobile number and email address of the user
- Do not use personal/common mobile numbers and email addresses to avoid any misuse
- OTP shall not be shared with anyone, in any case
- Disable all users that are not active and/or no-longer associated with your organization, to avoid any misuse

Members may further note that there will be a revision in the length of password from 8 characters to 12 characters.

User manual is provided as Annexure 1. The above changes in 2FA shall be implemented w.e.f. January 17, 2020 post market hours.

All Members are requested to take note of the same.
