Effective Date of above changes. The proposed change as stated above will come into effect from the close of business hours on **13/09/2024 (“Effective Date”)**.

Exit Option: Unit holders who are not in agreement with the proposed change and wish to redeem are given an option to exit i.e., redeem their units or switch to other Schemes of Sundaram Mutual Fund available for subscription without payment of exit load for a period of 30 (thirty) days between 14/08/2024 and 12/09/2024 (both days inclusive). **Unitholders may note that the offer to exit is merely an option and not compulsory.**

Since the proposed merger shall not in any manner change the features/provisions of the Scheme, the interest of the Unit-holders of the Scheme will not be adversely affected. The Unit Holders who do not wish to consent to the merger described above, are provided an option to exit their investment from the Scheme at the prevailing net asset value (“NAV”) without any exit load, for a period of 30 (thirty) days between 14/08/2024 and 12/09/2024(both days inclusive). However, for investments made during the exit window period, there will be no waiver of exit load. The NAV applicable, for investors who choose to exercise the exit option would be based on the date/time of receipt of redemption/switch request during business hours on a business day. The Exit Option can be exercised between 14/08/2024 and 12/09/2024 (both days inclusive) and up to 3.00 pm on 12/09/2024), by submitting the redemption/switch request at any of the SAMC /RTA Branches or through electronic modes such as Sundaram Mutual Fund website (www.sundarammutual.com) or other platforms like Stock Exchanges, MFU, Fintech portal, etc.

You can submit transaction requests by visiting www.sundarammutual.com for switch / redemptions. For units held in dematerialised mode, the redemption/switch request will have to be submitted to the respective Depository Participant. It may be noted that the redemption/ switch transactions shall not be processed if the unit holders have not complied with PAN/KYC requirements. The redemption proceeds will be mailed / credited within 3 business days of receipt of valid redemption request. Investors are advised to read the scheme related documents of the target schemes carefully before deciding the switch transactions. If the unitholders of the Fund do not exercise their exit option by 3:00 pm on 12/09/2024, they shall be deemed to have consented to the merger. However, any redemption/Switch outs post the closure of exit window period will be processed with applicable load, if any.

Unitholders may note that the offer to exit is merely an option and not compulsory. However, the exit option will not be available to those unitholders who have pledged their units and on which the Mutual Fund has marked a lien unless the release of pledge is obtained and communicated to the SAMC / RTA branches before applying for redemption/switch. If not, such lien or encumbrance will continue the units allotted in the scheme on account of merger. Unit holders holding Units in dematerialized form may approach their Depository Participant for such changes. In case units have been frozen/locked pursuant to an order of a government authority or a court, such exit option can be executed only after the freeze/lock order is vacated and on receipt of valid redemption request to those unitholders who choose to exercise their exit option. Please refer to the Scheme Information Document for further details on the schemes. In case of unit holders of any of the schemes, who had registered for SIP/STP/SWP/IDCW Transfer have consented to continue their investments i.e., do not opt for the exit option, then such SIP/STP/SWP/IDCW Transfer registrations will continue to be processed in the target option. However, unit holders who do not wish to continue the SIP/STP/SWP/IDCW Transfer, must apply for cancellation of their registrations.

However, redemption and/or switch of units from the Fund during the exit window period shall be considered as redemption and will result in short term/long term capital gain/loss in the hands of the unit holders depending on the period of holding of the investment.

In view of the individual nature of tax consequences, unit holders are advised to consult the professional tax advisor with regard to tax and other financial implications arising out of their participation in merger of schemes.

As a result of the above merger, no new plans/ options will come into effect. On the date of completion of merger, the options will cease to exist and the unitholders of the existing options as on the effective date will be allotted units in the corresponding option as mentioned in the table. It may be noted that there are no changes in the Scheme.

The expenses related to the proposed merger as outlined above will not be charged to the unitholders of the scheme.
