This eLog generated will supersede AOF document and Member will not be required to upload the AOF document for the Client Master. Once the eLog authentication process is completed by all the holders in Client Master, Member will be allowed to place order in non-Demat mode provided all other validations are fulfilled by the Client. For Demat mode customer, uploading AOF and FATCA will be required only if they wish to transact in non-demat mode. Also, UCC authentication email will not be sent in such cases.

In case Client has not received the eLog mail, an option has been provided in member login to resend the authentication link to the client for authentication.
