Annexure – 1

Important Instructions regarding mock trading:

1. Refer to Exchange consolidated circular download ref no NSE/MSD/61777 dated April 26, 2024 for Interactive Connectivity Parameters.
2. Trades resulting from this session shall not attract any obligation in terms of funds and / or securities pay-in and/or pay-out. Members are requested not to transfer any data files for this session.
3. All the outstanding orders shall be purged before the start of each trading session. Members using NNF software should clear the outstanding orders in their systems before the start of each trading session.
4. Kindly participate actively in the mock trading session from all trading software and re-login into live environment to check the connectivity and to avoid login problems on Tuesday, April 15, 2025.
5. Kindly refer to the website of NSE at www.nseindia.com for any information which may be updated by the Exchange on the mock trading session.
6. With reference to Exchange circular NSE/ISC/51355 Dated February 18, 2022 issued by Investor Services Cell and updated from time to time, only valid and compliant UCC uploaded by members before cut-off time in UCC system and approved by Exchange shall be available for trading in the mock session. In case of any queries for status of UCC and/or reporting, members may connect with UCI team. (uci@nse.co.in)
7. Unique Client Code (UCC) will not be validated for the Order entry during contingency time if any.
8. Members are requested to note that NOTIS application shall not be available in mock trading session.

Annexure 2

Pre-requisites / General guidelines for participating in the Mock environment

All members eligible to trade in SLBM in live market are enabled for participating in the mock trading sessions with their existing user ids, IP and Box Id mapping that of the live environment. Accordingly, members are requested to ensure the following:

1. You are able to successfully telnet the Exchange host from the IP you wish to participate.
2. The Box ID with appropriate messages has been created on the IP in the SLBM you wish to participate.
3. In case you wish to participate via Non-NEAT frontend (NNF) applications, kindly ensure that the User Id is of type dealer, is converted for NNF and is mapped with the IP.
4. Members are required to set appropriate branch and / user limits from their corporate manager terminal in the SLBM, prior to placing orders in the Mock.
5. Members are requested to send requests via email pertaining to following activities with the details of User ID and segment for Exchange action only for the purpose of Mock participation.
 - a. Pro enablement
 - b. CTCL conversion (only dealer ID can be converted)
 - c. Password Reset for Corporate Manager user id
 - d. Unlocking of Corporate Manager user id
6. Password Reset / Unlocking of all other types of user ids should be done from the corporate manager user id by the member in the SLBM.

Annexure – 3

Important guidelines in case of switchover of trading system to Disaster Recovery (DR) Site

1. Kindly note below points after switch over to DR site:
 - a. Trades of primary site will be available in Previous Trades window.
 - b. Trades can be modified/cancelled using Multiple Trade Modification and Cancellation window respectively.
 - c. Messages of primary site will be available in TWS Message Area.
2. If user renames or deletes the User folder and re-login the NEAT terminal, then data of primary site shall not be available in the functional window as mentioned above point.
