In continuance of surveillance review and with a view to ensure market safety and safeguard the interest of investors, the Exchange has decided to take the following actions:

In pursuance of Capital Market Segment Trading Regulations Part - A, 2.6, trading in the securities given in the Annexure will be available in Trade for Trade segment (series: BE) at a price band of 5% or lower with effect from June 08, 2017 (Thursday).

Members are requested to note that the said securities shall consequently not be available in rolling segment (series: EQ).

Members are requested to take adequate precaution while trading in the above securities, as the settlement will be done on trade-to-trade basis and no netting off will be allowed. The criteria for shifting securities to/from trade for trade segment are available on website.

Further, it may also be noted that the transfer of security for trading and settlement on a trade-to-trade basis is purely on account of market surveillance and it should not be construed as an adverse action against the concerned company.

For any clarifications, members are advised to contact Mr. Sareesh Korothe or Mr. Ashish Tiwari or Ms. Vibha Kallianpur.
