Sub: Member Surveillance Dashboard

In order to facilitate effective surveillance mechanisms at the Member level, the Exchange is pleased to introduce Member Surveillance Dashboard.

It aims to provide information about alerts on orders/trades which are abnormal in nature. Trading Members are required to submit their response on each of these alerts.

Surveillance dashboard is divided into the following 4 parts:

1. Information Dashboard
2. Alert / Monitoring Dashboard
3. Exchange communication
4. Transactional escalation from TM to the Exchange

For detailed understanding of the same, members are requested to refer manual attached as **Annexure 1**.

Access:

Members can access Member Surveillance Dashboard by using the below URL:
