### INCREASE IN BORROWING LIMITS UNDER SECTION 180(1)(C) OF THE COMPANIES ACT, 2013

Angel One Limited ("**the Company**") avails credit facilities (fund based and non-fund based) from various banks/financial institutions/ body corporate(s) to meet its working capital requirements.

The table below illustrates growth in the business of the Company across client Base, ADTO, ADTO market share and Average client funding over the trailing nine quarters upto June 2022:

Business Metrics	June 2022	March 2020	Growth
Client Base (mn)	10.4	1.8	5.7x
ADTO (Rs. trn.)	9.8	0.4	22.9x
ADTO market share (%)	21.2	6.4	1480 bps
Average client funding (Rs. Bn)	15.6	4.7	3.4x

With this multi fold increase across all parameters, the requirement for borrowings (funded and non-funded) has also increase significantly. The Company has recently got a long-term rating upgrade from CRISIL A+ to CRISIL AA- and retained its top notch short term rating of CRISIL A1+, basis its consistently strong business performance.

The Company avails fund-based facilities in the form of overdraft, cash credit, demand loan, commercial papers, term loans etc. from various banks, financial institutions, body corporate(s) to onward lend to its clients in the form of trade receivables (T+7); and margin trading facility ("**MTF**") (under the extant regulatory framework which permits a broker to borrow upto 5X its liquid network<sup>#</sup>). With its liquid net worth pegged at Rs. 12.4 bn as at March 2022, the Company can borrow upto Rs. 62 bn. to meet its growing requirement of MTF to its clients. It may be noted, that since the trade receivables (T+7) and MTF is in the nature of lending business, the traditional debt-equity ratio is not applicable to the Company. Accordingly, the Company seeks to enhance its ability to avail more funded facilities from banks, financial institutions, other sources etc. These borrowings are back-to-back arrangements towards the aforesaid client funding, with a healthy net interest margin ("**NIM**") contribution to the business. As on June 30, 2022, the Company has a very healthy debt service coverage ratio of 14.4x and interest coverage ratio of 13.25x. Since, the borrowings are a back to back arrangement and the client funding is extremely granular with a strong underlying collateral, with adequate margins and managed by a very robust risk management system, the Company expects the ratios to remain in line with its past performance, even with these potentially higher borrowings. Over the last many years and across various cycles, the Company has never seen delinquencies in its MTF book.

Further, the Company also avails non-fund based facilities in the form of bank guarantees ("**BGs**") to manage margin obligations for its clients with various exchanges. These BGs are the most optimal instruments to manage margin obligations, which have become more granular due to the recent regulatory changes, especially pertaining to margin segregation and reporting at client level. BGs are low-cost financial instruments with 50% exposure of the lender.

The Company foresees a great opportunity to further increase its market share by accepting non-cash margin of its clients and placing its own capital in the form of BGs with the exchanges to meet the margin

obligations, thus leading to increase in requirement of non-fund based facilities. Accordingly, the Company seeks to enhance its ability to avail more BGs in line with its growth of business.

INDIA  
2022

Section 180 (1) (c) of the Companies Act, 2013 permits the Company to borrow money along with the money already borrowed by the Company, except the temporary loans obtained from the Companies banker in ordinary course of business, beyond the paid-up capital and free reserve of the Company, only if the same is approved by the Members of the Company. Hence it is proposed to increase the maximum borrowing limits upto Rs. 8,000 crores (Rupees Eight Thousand crores only).

In view of the above, the Board of Directors recommends the resolution to be passed by Special Resolution.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives is concerned or interested in the passing of the Resolution except to the extent of their shareholding, if any in the Company.

The Board recommends passing of the Special resolution as set out at Item No. 2 of the accompanying Notice for approval by the Members of the Company.

**INCREASE IN LIMITS UNDER SECTION 180(1)(A) OF THE COMPANIES ACT, 2013**

Considering the need of the Company for additional funds for its existing and future financial requirements to support its business operations. As proposed the Company is desirous of raising finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which taken, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and the free reserves of the Company. Section 180 (1)(c) of the Companies Act, 2013 permits the Company to borrow money along with the money already borrowed by the Company, except the temporary loans obtained from the Companies banker in ordinary course of business, beyond the paid-up capital and free reserve of the Company, only if the same is approved by the Members of the Company.

In order view of the above and to facilitate securing of the borrowings made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting. Hence, it is proposed to increase the limits upto Rs. 8,000 crores (Rupees Eight Thousand crores only) from the earlier sanctioned limits.

The Board of Directors recommends the resolution to be passed by Special Resolution. None of the Directors and Key Managerial Personnel of the Company or their respective relatives is concerned or interested in the passing of the Resolution except to the extent of their shareholding, if any in the Company.

The Board recommends passing of the Special resolution as set out at Item No. 3 of the accompanying Notice for approval by the Members of the Company.
