2. This Statement which is the responsibility of the Company's management and approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial information is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration referred to in paragraphs 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under Section 133 of the Act, as amended read with relevant rules issued thereunder and other recognised accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 and Regulation 52, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
