CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Bharti Enterprises Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Bharti Enterprises Limited** (hereinafter referred to as "the Holding Company" or "the Company") and its associate, which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated statement of Profit and Loss including Other Comprehensive Income, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory statement (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements and on the other financial information of the associate, as referred to in the Other Matters paragraph below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associates as at March 31, 2022, the consolidated loss including other comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the Consolidated Financial Statements and our auditor's report thereon. The Board Report is expected to be made available to us after the date of our audit report.

Our opinion on the Consolidated Financial Statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the Board Report identified above when it becomes available and, in doing so, consider whether the Board Report is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Company and its associate are responsible for assessing the ability of the Company and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company and its associate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Company and its associate are responsible for overseeing the financial reporting process of the Company and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to the Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Standalone Financial Statements of such entities included in the Consolidated Financial Statements of which we are the Independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other

auditors, such other auditors remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- a. The Consolidated Financial Statements includes the Company's share of total comprehensive income of Rs.70,917 thousands for the year ended March 31, 2022, as considered in the Consolidated Financial Statements, in respect of an associate, whose separate financial statements have not been audited by us. These separate financial statements have been audited by other auditors whose report have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the associate and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to aforesaid associate, is based solely on the reports of other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order, 2020") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1, a statement on the matters specified in the paragraph 3 and 4 of the Order, 2020. In our opinion and according to the information and explanations given to us, the Companies (Auditor's Report) Order (CARO) is not applicable to the Company included in the Consolidated Financial Statements. Accordingly, Clause (xxi) of paragraph 3 of the Order 2020 is not applicable to the Company.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements of the associate as mentioned in Other Matter paragraph, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
 - b. in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and report of other auditors;

- c. the consolidated balance sheet, the consolidated statement of profit and loss and the consolidated cash flow statement dealt with in this report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- d. in our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e. on the basis of written representations received from the directors of the Holding Company as on March 31, 2022 and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate company incorporated in India, none of the directors of the Company and its associate company incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act;
- f. with respect to the adequacy of the internal financial controls with reference to the Consolidated Financial Statements of the Company and its associate incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure 1" to this report.; and
- g. with respect to the Other Matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditors on separate financial statements of the associate as mentioned in Other Matters paragraph:
- i) The Consolidated Financial Statements has disclosed the impact of pending litigation on the consolidated financial position of Company and its associate. Refer Note No. 30 of the Consolidated Financial Statements;
 - ii) The Company and its associate did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its associate.
 - iv) (a) The management of the Holding Company has represented to us that, to the best of it's knowledge and belief, and on the basis of report of the statutory auditors of its associates company incorporated in India, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its associate to or in any other person(s) or entity (ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented to us that, to the best of it's knowledge and belief, and on the basis of report of the statutory auditors of its associates company

incorporated in India, other than as disclosed in the notes to the accounts, no funds have been received by the Company or its associate from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances and on the basis of report of the statutory auditors of its associates company incorporated in India, nothing has come to our notice that has caused us to believe that the representations under clause g(iv)(a) and g(iv)(b) above contain any material mis-statement.
- v) The Holding Company or its associate has neither declared nor paid any dividend during the year.

Annexure 1 to the Independent Auditor's Report

Referred to in paragraph 2(f) under the heading "Report on other Legal and Regulatory requirements" of our report on the Consolidated Financial Statements of Bharti Enterprises Limited as of and for the year ended March 31, 2022.

Report on the Internal Financial Controls with reference to the Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

Opinion

In conjunction with our audit of the Consolidated Financial Statements of the Company and its associate as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to the Consolidated Financial Statements of **Bharti Enterprises Limited** ("the Holding Company" or "the Company"), and its associate company which are companies incorporated in India, as of that date.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors referred to in Other Matters paragraph below, the Holding Company and its associate which are the companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the Consolidated Financial Statement and such internal financial controls were operating effectively as at March 31, 2022, based on the internal control with reference to the Consolidated Financial Statement criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by The Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10)

of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the Consolidated Financial Statements of the Holding Company and its associate which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to the Consolidated Financial Statements

A Company's internal financial control with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control with reference to the Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Consolidated Financial Statements may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the associate company which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not qualified in respect of this matter.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

1. Corporate Information

Bharti Enterprises Limited (Formerly Bharti Ventures Limited) ("the Company") is a company domiciled and incorporated in India under the provisions of the Companies Act, 1956 on November 21, 2005. Its primary activity being rendering management consultancy services.

2. Summary of Significant Accounting Policies

2.1. Basis of Preparation

These consolidated financial statements ('financial statements') have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by the Ministry of Corporate Affairs.

The Financial Statements are authorized for issue by the Company's Board of Directors on May 30, 2022.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity are referred below.

All the amounts included in the financial statements are reported in Indian thousands of Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by all the company entities, to all the periods presented in the said financial statements.

2.2. Basis of Measurement

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Current versus Non-current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

2.4. Critical Accounting Estimates, Assumptions and Judgements

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

2.5. Foreign Exchange Transactions

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period –

- Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in profit or loss in the period in which they arise.

2.6. Property Plant and Equipment (PPE)

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates) and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

Depreciation is provided on straight line method, at the rates determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013, whichever is higher. Accordingly, the Company has used the following rates: -

Name of Asset	Useful Life (in Years)
Vehicles	5
Office equipments	5

Assets of Rs. 5,000 or less are fully depreciated in the year of purchase.

2.7. Investment Property

Investment property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.8. Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

Current Tax: - The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date in the respective countries where the Company entities operate and generate taxable income. The payment made in excess / (shortfall) of the respective company entities' income tax obligation for the period are recognised in the balance sheet as current income tax assets / liabilities.

Deferred Tax: - Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.10. Revenue

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts, volume rebates and taxes or duties collected on behalf of the government.

Services: -

Management fees is recognised on accrual basis over the point of service.

Interest: -

Interest Income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash flows over the expected life of financial instrument, to the gross carrying amount of the financial assets or to the amortized cost of the financial liability. Interest income on investment in fixed deposit is recognized on time proportion basis at the contractual rate.

Dividend: -

Dividend income is recognized when the Company's right to receive payment is established on or before the balance sheet date (Provided that it is probable that the economic benefit will flow to the company).

2.11. Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets.
- Level 2: Significant inputs to the fair value measurement are directly or indirectly observable.
- Level 3: Significant inputs to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

Financial Assets/Liabilities with a demand feature

The fair value of a financial assets/liabilities with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

2.12. Financial Instrument

2.12.1. Recognition, Classification and Presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.12.2. Measurement - Non-derivative Financial Instruments

I. Initial Measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

II. Subsequent Measurement - Financial Assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets measured at Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial Assets at Fair Value through Profit or Loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

III. Subsequent Measurement - Financial Liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

IV. Investment in Associates and Joint Ventures

An associate is an entity, over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a type of joint agreement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of any arrangement, which exists only when decision about the relevant activities require unanimous consent of the parties sharing control.

Investment in joint venture and associates are accounted for using equity method from the date on which Company obtains joint control over the joint venture / start exercising significant influence over the associate. The said investment are tested for impairment at least annually and whenever circumstances indicate that their carrying values may exceed the recoverable amount (viz. higher of fair value less costs to sell and the value-in-use).

2.12.3. Derecognition

The financial liabilities are derecognized from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.12.4. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of cash and cash equivalents.

2.13. Provision and Contingent Liability

- i. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
- ii. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

- iii. A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.
- iv. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14. Earnings / (Loss) Per Share

Basic Earnings per share is computed by dividing the net profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating Diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15. Leases

Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

In the statement of profit and loss lessees present interest expense on the lease liability and depreciation on the right-of-use asset. In the cash flow statement, cash payments for the principal portion of the lease liability and its related interest are classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liability are presented within operating activities.

2.16. Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonuses, contribution to plans, defined benefit plans, compensated absences, deferred compensation and share-based payments. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

Defined Contribution Plans

The contributions to defined contribution plans are recognized in profit or loss as and when the services are rendered by employees. The Company has no further obligations under these plans beyond its periodic contributions.

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. The contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

Defined Benefit Plans

In accordance with the local laws and regulations, all the employees in India are entitled for the Gratuity plan. The said plan requires a lump-sum payment to eligible employees (meeting the required vesting service condition) at retirement or termination of employment, based on a pre-defined formula.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations less the fair value of plan assets (being the funded portion). The present value of the said obligation is determined by discounting the estimated future cash outflows, using interest rates of government bonds.

The interest income / (expense) are calculated by applying the above mentioned discount rate to the plan assets and defined benefit obligations liability. The net interest income / (expense) on the net defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the net defined benefit liability are recognized directly in the other comprehensive income in the period in which they arise. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions), the return on plan assets (excluding interest). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

Other Long-term Employee Benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.17. Cash Flow Statements

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

2.18. Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each reporting date of there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an amount of an asset (or cash generating unit) exceeds its recoverable amount. The recoverable amount is greater of the asset's (or cash generating units) net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised amount of the asset over its remaining useful life.

BHARTI ENTERPRISES LIMITED**Notes to consolidated financial statements for the year March 31, 2022***(All amounts are in Rs. thousand unless stated otherwise)***Financial Instruments****Financial risk management****Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its receivables and financing activities, including deposits with banks, mutual funds.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting financial obligations due to shortage of funds. The company exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On demand	Within 1 year	1-5 years	More than 5 years	Total	Carrying amount
As at March 31, 2022

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

30. Contingent liabilities to the extent not provided for in respect of:

Particulars	As at March 31, 2022	As at March 31, 2021
Income Tax*	56,585	56,585

*Rs.56,585/-thousands represent demand for the A.Y. 2005-06 of Teletech Services India Pvt. Ltd. (erstwhile Associates). The company had deposited Rs. 4,029/- thousand under protest.

31. There are no capital commitments outstanding as on March 31, 2022 (March 31, 2021: Nil) as certified by the management.

32. Indian Accounting Standard (Ind AS-116): Disclosures on Leases are as follows:

32.1 Company as Lessee:-

Lease contracts entered into by the Company primarily pertains to building taken on lease for office space and for staff accommodation. The Company did not have any lease restrictions and commitment towards variable rent as per the contract.

During the year ended March 31, 2022, Lease liability and Right of Use assets has been reassessed on account of lease modification w.r.t waiver of escalation of lease rental for one year and the same has been accounted in accordance with Ind AS 116.

The principal portion of the lease payments have been disclosed under cash flow from financing activities.

32.2 The following is the summary of practical expedients elected on initial application:

- The Company had used a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 was applied only to contracts that were previously identified as leases under Ind AS 17.

32.3 Following are the changes in the carrying value of right of use assets for the year ended March 31, 2022:

Particulars	Building
Cost as on April 1, 2020	236,295

Balance as at March 31, 2021	141,777
Additions	-
Adjustment on account of lease modification	(7,575)
Deletion	-
Depreciation	(44,734)
Balance as at March 31, 2022	89,468

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Depreciation on right-of-use assets is as follows:

Description	Year ended March 31, 2022	Year Ended March 31, 2021
Building	44,734	47,259
Total	44,734	47,259

32.4 Break-up of current and non-current lease liabilities as at March 31, 2022:

Particulars	As at March 31, 2022	As at March 31, 2021
Current lease liabilities	54,122	49,826
Non-current lease liabilities	58,789	112,912
Total	112,911	162,738

32.5 The following is the movement in lease liabilities during the year ended March 31, 2022:

Particulars	As at March 31, 2022	As at March 31, 2021
Opening Balance	162,738	201,037
Adjustment on account of lease modifications	7,575	-
Payment of lease liability	53,165	53,168
Finance cost accrued during the year	10,913	14,869
Closing Balance	112,911	162,738

32.6 The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2022 on an undiscounted basis:

Particulars	As at March 31, 2022	As at March 31, 2021
Less than one year	61,029	61,029
One to five years	61,029	122,059
More than five years	-	-
Total	122,058	183,088

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

32.7 The Company does not have any lease restrictions and commitment towards variable lease rent as per the contract.

32.8 The Company has no commitments towards Leases yet to be commenced as on March 31, 2022.

32.9 The Company has elected not to recognise ROU and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises lease payments on a straight-line basis over the lease term. During the year ended March 31, 2022, the Company has incurred Rs. 6,000 (March 31, 2021: Rs. 24,000) relating to short term leases.

32.10 The Company has not sub-leased any of the assets taken on lease.

33. Figures less than Rs. 500/- are shown as "0".

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

34. Investment in equity instruments of entities which are neither subsidiaries nor joint ventures are designated at fair value through other comprehensive income as these investments are treated as strategic long term investments held for long term benefits. The management has no intention to part away with these investments in near future.

39. Capital Management

Capital includes equity attributable to the equity holders of the Parent. The primary objective of the company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

No changes were made in the objectives, policies or processes during the year ended March 31, 2022 and March 31, 2021.

40. During the year ended March 31, 2022, the Company does not have any transactions with Companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956.

41. Income tax disclosure

Expiry profit of unused tax losses and unused tax credits		

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Particulars	As at March 31, 2022	As at March 31, 2021
Unused tax losses (Long Term Capital Loss) shall expire on:-		
March 31, 2021	-	7011
March 31, 2022	-	812,170
March 31, 2026	25,864	25,864
	25,864	845,045
Unused tax losses (Short Term Capital Loss) shall expire on:-		
March 31, 2022	-	1,303,735
	-	1,303,735
Unused tax losses (Business Loss) shall expire on:-		
March 31, 2023	15,759	15,949
March 31, 2027	1,082	1,127
	31,943	-
	48,784	17,076

42. Standards issued but not effective until the date of authorization for issuance of the said financial statements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification, which would have been applicable from March 31, 2022.

43. A joint application in respect of the proposed composite scheme of arrangement ("Scheme") between M/s Bharti General Ventures Private Limited and Bharti Enterprises Limited was filed before the Hon'ble National Company Law Tribunal, Bench at Chandigarh ("NCLT") on March 4, 2022 involving the following:

- i. Amalgamation of M/s Bharti General Ventures Private Limited ("Transferor Company") with and into M/s Bharti Enterprises Limited ("Transferee Company"), with effect from 1st November, 2021 i.e. Appointed Date; and
- ii. Thereafter, reduction of equity share capital of the Transferee Company by an amount of Rs. 10,400,000/- thousands divided into 1040,000,000 equity shares of Rs. 10/- each from existing equity share capital of the Transferee Company as appearing in its provisional financial statements as at October 31, 2021.

The matter was listed for hearing before the Hon'ble NCLT on April 25, 2022 wherein the Bench Members were pleased to reserve their Order.

44. The Company is having accumulated losses of Rs. 14,892,813/- thousands against shareholders' funds of Rs. 10,413,000/- thousands which has resulted in negative net worth as on date. This may raise doubts regarding the Company's ability to continue as a going concern, which is dependent on continuing financial support from its parent company. The parent company has committed to provide continuous financial support to the Company for its continuance in the foreseeable future. Further, the Company has filed an amalgamation scheme with NCLT on March 4, 2022 for amalgamating the associate of its parent Company namely Bharti General Ventures Private Limited which may result in positive net worth of the Company after taking into effect. Based on the above mitigating factors, management is of the view that the financial statements should continue to be prepared on going concern basis, and accordingly no adjustments have been made to the carrying values or classification of assets and liabilities in the financial statements.

BHARTI ENTERPRISES LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

50. The outbreak of Coronavirus (COVID) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at March 31, 2022. However, the impact assessment of COVID is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

As per our report of even date.

BANSAL & CO. LLP

CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Bharti Enterprises Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Bharti Enterprises Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, notes to the Standalone Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the Standalone Financial Statements and our auditor's report thereon. The Board Report is expected to be made available to us after the date of our audit report.

Our opinion on the Standalone Financial Statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Board Report identified above when it becomes available and, in doing so, consider whether the Board Report is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order, 2020") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we

give in the Annexure 1, a statement on the matters specified in the paragraph 3 and 4 of the Order, 2020.

2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the balance sheet, the statement of profit and loss and the cash flow statement dealt with in this report are in agreement with the books of account;
 - d. in our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. on the basis of written representations received from the directors as on March 31, 2022 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act;
 - f. with respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2" to this report; and
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigation on its financial position in its Standalone Financial Statements. Refer Note No. 30 of the Standalone Financial Statements;
 - ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity (ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause g(iv)(a) and g(iv)(b) above contain any material mis-statement.
- v) The Company has neither declared nor paid any dividend during the year.
3. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of the Section 197 of the Act.

Annexure 1 to the Independent Auditor's Report referred to in paragraph 1 under the heading "Report on other Legal and Regulatory requirements" of our report on the Standalone Financial Statements of Bharti Enterprises Limited as of and for the year ended March 31, 2022.

Based on the audit procedure performed for the purpose of reporting a true and fair view on the Standalone Financial Statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

1. (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.

(B) The Company does not have any Intangible Assets. Accordingly, clause (i)(a)(B) of paragraph 3 of the Order, 2020 is not applicable to the Company.
- (b) Property, Plant and Equipment have been physically verified by the management during the year. As explained to us, no material discrepancies were noticed on such physical verification as compared to the book records. In our opinion the frequency of verification is reasonable having regard to the size of the Company and nature of its activities.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Standalone Financial Statements are held in the name of the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, clause (i)(d) of paragraph 3 of the Order, 2020 is not applicable to the Company.
- (e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, clause (i)(e) of paragraph 3 of the Order, 2020 is not applicable to the Company.
2. (a) Owing to the nature of business operation there is no inventory at any time during the year. Hence, clause (ii) of paragraph 3 of the Order, 2020 is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crores rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point during the year. Accordingly, clause (ii)(b) of paragraph 3 of the Order, 2020 is not applicable to the Company.
3. According to the information and explanations given to us, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, during the year. Accordingly, clause (iii) of paragraph 3 of the Order, 2020 is not applicable to the

Company to that extent. The Company has made investment during the year, which in our opinion, is not prejudicial to the Company's interest.

4. In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee, or security as specified under section 185 of the Act. Further, the Company is an Investment Company within the meaning of Section 186 of the Act. Accordingly, clause (iv) of paragraph 3 of the Order, 2020 is not applicable to the Company.
5. As per the information and explanations given to us, the Company has not accepted any deposits or which are deemed to be deposits from the public within the meaning of Section 73 to Section 76 or any other relevant provisions of the Act and the rules framed there under during the year. Accordingly, clause (v) of paragraph 3 of the Order, 2020 is not applicable to the Company.
6. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, in respect of services rendered by the Company. Accordingly, clause (vi) of paragraph 3 of the Order, 2020 is not applicable to the Company.
7. (a) According to the information and explanations given to us and on the basis of our verification of records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of aforesaid dues were in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues referred to in clause 7(a) above which have not been deposited with the appropriate authorities on account of any dispute except as mentioned below:

Name of the Statute	Nature of Dues	Period to which it relates	Amount (in Rs. thousands)	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	AY 2005-06	Rs. 56,585 (Amount deposited under protest Rs. 4,029)	ITAT (Delhi)

8. According to the information and explanations given to us, there are no transactions, which are not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, clause (viii) of paragraph 3 of the Order, 2020 is not applicable to the Company.
9. (a) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest

thereon to any lender. Accordingly, clause (ix)(a) of paragraph 3 of the Order, 2020 is not applicable to the Company.

- (b) According to the information and explanations given to us, the Company is not declared as wilful defaulter by any bank or financial institution or other lender.
 - (c) On the basis of an overall examination of the balance sheet of the Company, in our opinion and according to information and explanation given to us, the Company has applied the term loans for which they were obtained.
 - (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
 - (e) According to the information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, clause (ix)(e) of paragraph 3 of the Order, 2020 is not applicable to the Company.
 - (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures companies. Accordingly, clause (ix)(f) of paragraph 3 of the Order, 2020 is not applicable to the Company.
10. (a) On the basis of an overall examination of the balance sheet of the Company, in our opinion and according to information and explanation given to us, the Company has not raised any money by way of initial public offer or further public offer (including debts instruments) during the year. Accordingly, clause (x)(a) of paragraph 3 of the Order, 2020 is not applicable to the Company.
- (b) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has made private placement of fully optionally convertible debentures during the year in accordance with the requirements of section 42 of the Act and amount raised have been used for the purpose for which the funds were raised. Further, the Company has not made any preferential allotment of shares or convertible debentures (fully, partially or optionally convertible) during the year.
11. (a) During the course of our examination of the books of accounts and records carried out in accordance with the generally accepted auditing practices and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause (xii) of paragraph 3 of the Order, 2020 is not applicable to the Company.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 188 of the Act where applicable and the details of such transactions have been disclosed in the standalone financial statements, as required by the applicable accounting standards. Further, the requirements as stipulated by the provisions of section 177 of the Act are not applicable to the Company.
14. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with any of the directors or persons connected with him. Accordingly, clause (xv) of paragraph 3 of the Order, 2020 is not applicable to the Company.
16. According to the information and explanations given to us the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, Clause (xvi)(a), (xvi) (b) and (xvi) (c) of paragraph 3 of the Order 2020 is not applicable to the Company. Further, the Group has not more than one CIC as part of the Group.
17. In our opinion and according to the information and explanations given to us, the Company has incurred cash losses of Rs.1,332,127 thousands in the financial year. However, the Company has not incurred cash losses in the immediately preceding financial year.
18. According to the information and explanations given to us, there has not been any resignation of the statutory auditors during the year. Accordingly, Clause (xviii) of paragraph 3 of the Order 2020 is not applicable to the Company.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that there exist material uncertainty as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. Reference is also drawn to Note 45 of the Standalone Financial Statements which explains the mitigating factors to establish Company's ability to continue as a going concern.

20. In our opinion and according to the information and explanations given to us, the Company is not required to spend any amount on account of Corporate Social Responsibility. Accordingly, Clause (xx) of paragraph 3 of the Order 2020 is not applicable to the Company.

Annexure 2 to the Independent Auditor's Report referred to in paragraph 2(f) under the heading "Report on other Legal and Regulatory requirements" of our report on the Standalone Financial Statements of Bharti Enterprises Limited as of and for the year ended March 31, 2022.

Report on the Internal Financial Controls with reference to the Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

Opinion

We have audited the internal financial controls with reference to the Standalone Financial Statements of Bharti Enterprises Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial control with reference to the Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and

operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to the Standalone Financial Statements

A Company's internal financial control with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control with reference to the Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

1. Corporate Information

Bharti Enterprises Limited (Formerly Bharti Ventures Limited) ("the Company") is a company domiciled and incorporated in India under the provisions of the Companies Act, 1956 on November 21, 2005. Its primary activity being rendering management consultancy services.

2. Summary of Significant Accounting Policies

2.1. Basis of Preparation

These standalone financial statements ("financial statements") have been prepared to comply in all material respects with the Indian Accounting Standard ("Ind AS") notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by the Ministry of Corporate Affairs.

The Financial Statements are authorized for issue by the Company's Board of Directors on May 30, 2022.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity are referred below.

All the amounts included in the financial statements are reported in Indian thousands of Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by all the company entities, to all the periods presented in the said financial statements.

2.2. Basis of Measurement

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Current versus Non-current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

2.4. Critical Accounting Estimates, Assumptions and Judgements

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

2.5. Foreign Exchange Transactions

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period –

- Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in profit or loss in the period in which they arise.

2.6. Property Plant and Equipment (PPE)

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates) and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

Depreciation is provided on straight line method, at the rates determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013, whichever is higher. Accordingly, the Company has used the following rates: -

Name of Asset	Useful Life (in Years)
Vehicles	5
Office equipments	5

Assets of Rs. 5,000 or less are fully depreciated in the year of purchase.

2.7. Investment Property

Investment property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.8. Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

Current Tax: - The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date in the respective countries where the Company entities operate and generate taxable income. The payment made in excess / (shortfall) of the respective company entities' income tax obligation for the period are recognised in the balance sheet as current income tax assets / liabilities.

Deferred Tax: - Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.10. Revenue

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts, volume rebates and taxes or duties collected on behalf of the government.

Services: -

Management fees is recognised on accrual basis over the point of service.

Interest: -

Interest Income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash flows over the expected life of financial instrument, to the gross carrying amount of the financial assets or to the amortized cost of the financial liability. Interest income on investment in fixed deposit is recognized on time proportion basis at the contractual rate.

Dividend: -

Dividend income is recognized when the Company's right to receive payment is established on or before the balance sheet date (Provided that it is probable that the economic benefit will flow to the company).

2.11. Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets.
- Level 2: Significant inputs to the fair value measurement are directly or indirectly observable.
- Level 3: Significant inputs to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

Financial Assets/Liabilities with a demand feature

The fair value of a financial assets/liabilities with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

2.12. Financial Instrument

2.12.1. Recognition, Classification and Presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.12.2. Measurement - Non-derivative Financial Instruments

I. Initial Measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

II. Subsequent Measurement - Financial Assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets measured at Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial Assets at Fair Value through Profit or Loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

III. Subsequent Measurement - Financial Liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

IV. Investment in Associates and Joint Ventures

An associate is an entity, over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a type of joint agreement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of any arrangement, which exists only when decision about the relevant activities require unanimous consent of the parties sharing control.

Investment in joint venture and associates are accounted for using equity method from the date on which Company obtains joint control over the joint venture / start exercising significant influence over the associate. The said investment are tested for impairment at least annually and whenever circumstances indicate that their carrying values may exceed the recoverable amount (viz. higher of fair value less costs to sell and the value-in-use).

2.12.3. Derecognition

The financial liabilities are derecognized from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.12.4. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of cash and cash equivalents.

2.13. Provision and Contingent Liability

- i. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
- ii. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

- iii. A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.
- iv. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14. Earnings / (Loss) Per Share

Basic Earnings per share is computed by dividing the net profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating Diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15. Leases

Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

In the statement of profit and loss lessees present interest expense on the lease liability and depreciation on the right-of-use asset. In the cash flow statement, cash payments for the principal portion of the lease liability and its related interest are classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liability are presented within operating activities.

2.16. Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonuses, contribution to plans, defined benefit plans, compensated absences, deferred compensation and share-based payments. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

Defined Contribution Plans

The contributions to defined contribution plans are recognized in profit or loss as and when the services are rendered by employees. The Company has no further obligations under these plans beyond its periodic contributions.

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. The contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

Defined Benefit Plans

In accordance with the local laws and regulations, all the employees in India are entitled for the Gratuity plan. The said plan requires a lump-sum payment to eligible employees (meeting the required vesting service condition) at retirement or termination of employment, based on a pre-defined formula.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations less the fair value of plan assets (being the funded portion). The present value of the said obligation is determined by discounting the estimated future cash outflows, using interest rates of government bonds.

The interest income / (expense) are calculated by applying the above mentioned discount rate to the plan assets and defined benefit obligations liability. The net interest income / (expense) on the net defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the net defined benefit liability are recognized directly in the other comprehensive income in the period in which they arise. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions), the return on plan assets (excluding interest). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

Other Long-term Employee Benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.17. Cash Flow Statements

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the year ended March 31, 2022

2.18. Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each reporting date of there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an amount of an asset (or cash generating unit) exceeds its recoverable amount. The recoverable amount is greater of the asset's (or cash generating units) net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised amount of the asset over its remaining useful life.

Depreciation	-	-
Profit/(Loss) from investment properties	-	-

(iii) Restrictions on realisability and contractual obligations

The Company has no restrictions on the realisability of its investment properties and no contractual obligations to either purchase, construct or develop investment properties or for repairs, maintenance and enhancements.

(iv) Fair value

	As at March 31, 2022	As at March 31, 2021
Investment properties		
- Land at Thuvavi, Taluka Dabhoi, District Vadodara (Gujarat)	*	*
- Land at Palaswada, Taluka Dabhoi, District Vadodara (Gujarat)	*	*

* All parcels of land owned by the Company are situated in Gujarat. In view of slowdown in real estate and industrial activities, the circle rates are not reflective of the fair value. Further, the fair value cannot be determined realistically in the absence of transactions of similar properties (including size) in the vicinity of the subject properties. The management is of the opinion that no impairment/ adjustments is required towards the carrying value of investment in properties.

BHARTI ENTERPRISES LIMITED**Notes to standalone financial statements for the year March 31, 2022***(All amounts are in Rs. thousand unless stated otherwise)***Financial Instruments****Financial risk management****Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its receivables and financing activities, including deposits with banks, mutual funds.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting financial obligations due to shortage of funds. The company exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On demand	Within 1 year	1-5 years	More than 5 years	Total	Carrying amount
As at March 31, 2022

Total	10,545,000	15,093,193	122,059	-	25,760,252	25,739,902

Market risk**Currency risk:**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not significantly exposed to currency risk.

Interest rate:

The Company uses a mix of cash and borrowings to manage the liquidity and fund requirement of the Company. The Company is not exposed to interest rate risk.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

30. Contingent liabilities to the extent not provided for in respect of:

Particulars	As at March 31, 2022	As at March 31, 2021
Income Tax*	56,585	56,585

*Rs.56,585/-thousands represent demand for the A.Y. 2005-06 of Teletech Services India Pvt. Ltd. (erstwhile Associates). The company had deposited Rs. 4,029/- thousand under protest.

31. There are no capital commitments outstanding as on March 31, 2022 (March 31, 2021: Nil) as certified by the management.

32. Indian Accounting Standard (Ind AS-116): Disclosures on Leases are as follows:

- 32.1 Company as Lessee:-

Lease contracts entered into by the Company primarily pertains to building taken on lease for office space and for staff accommodation. The Company did not have any lease restrictions and commitment towards variable rent as per the contract.

During the year ended March 31, 2022, Lease liability and Right of Use assets has been reassessed on account of lease modification w.r.t waiver of escalation of lease rental for one year and the same has been accounted in accordance with Ind AS 116.

The principal portion of the lease payments have been disclosed under cash flow from financing activities.

- 32.2 The following is the summary of practical expedients elected on initial application:

- The Company had used a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 was applied only to contracts that were previously identified as leases under Ind AS 17.

- 32.3 Following are the changes in the carrying value of right of use assets for the year ended March 31, 2022:

Particulars	Building
Cost as on April 1, 2020	236,295
Additions	-
Disposals	-
Depreciation till March 31, 2021	(94,518)
Balance as at March 31, 2021	141,777
Additions	-
Adjustment on account of lease modification	(7,575)
Deletion	-
Depreciation	(44,734)
Balance as at March 31, 2022	89,468

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Depreciation on right-of-use assets is as follows:

Description	Year ended March 31, 2022	Year Ended March 31, 2021
Building	44,734	47,259
Total	44,734	47,259

32.4 Break-up of current and non-current lease liabilities as at March 31, 2022:

Particulars	As at March 31, 2022	As at March 31, 2021
Current lease liabilities	54,122	49,826
Non-current lease liabilities	58,789	112,912
Total	112,911	162,738

32.5 The following is the movement in lease liabilities during the year ended March 31, 2022:

Particulars	As at March 31, 2022	As at March 31, 2021
Opening Balance	162,738	201,037
Adjustment on account of lease modifications	7,575	-
Payment of lease liability	53,165	53,168
Finance cost accrued during the year	10,913	14,869
Closing Balance	112,911	162,738

32.6 The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2022 on an undiscounted basis:

Particulars	As at March 31, 2022	As at March 31, 2021
Less than one year	61,029	61,029
One to five years	61,029	122,059
More than five years	-	-
Total	122,058	183,088

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

32.7 The Company does not have any lease restrictions and commitment towards variable lease rent as per the contract.

32.8 The Company has no commitments towards Leases yet to be commenced as on March 31, 2022.

32.9 The Company has elected not to recognise ROU and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises lease payments on a straight-line basis over the lease term. During the year ended March 31, 2022, the Company has incurred Rs. 6,000 (March 31, 2021: Rs. 24,000) relating to short term leases.

32.10 The Company has not sub-leased any of the assets taken on lease.

33. Figures less than Rs. 500/- are shown as "0".

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2022

- for the year	-	366
Deferred tax		
- Origination & reversal of temporary differences	6,241	(3,677)
	6,241	(3,677)
Income tax expenses	6,241	(3,311)

The reconciliation between the amount computed by applying the statutory income tax rate to the profit before tax and the income tax charge is summarized below:

	For the Year ended	
	March 31, 2022	March 31, 2021
Profit/(loss) before tax	(1,376,388)	18,148
Tax expenses @ company's domestic rate of 25.168% (Previous year @ 25.168%)	(346,409)	4,567
Effect of:		
Depreciation	-	1
Mark to Market on Mutual Fund	-	(235)
Inadmissible Expenses	311,447	8,265
Admissible Expenses	(13,380)	(13,147)
Income set off with accumulative Losses	-	(12,401)
Lease Property	-	9,639
Deductible temporary difference not recognised	31,898	-
Others	22,685	-
Income tax Expenses	6,241	(3,311)

Unrecognized deductible temporary difference, unused tax losses and unused tax credits.

Deferred tax assets have not been recognized in respect of followings items, because it is not probable that future taxable profit will be available against which the company can use the benefit therefrom.

Particulars	As at March 31, 2022	As at March 31, 2021
Tax effect on deductible temporary differences	17,392	15,042
Tax effect on unused tax losses (Long Term Capital loss)	25,864	845,045
Tax effect on unused tax losses (Short Term Capital loss)	-	1,303,735
Tax effect on unused tax losses (Business loss)	48,784	17,076
Net Deferred tax assets/ Liabilities	92,040	2,180,898
Expiry profit of unused tax losses and unused tax credits		

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Particulars	As at March 31, 2022	As at March 31, 2021

March 31, 2021	-	7011
March 31, 2022	-	812,170
March 31, 2026	25,864	25,864
	25,864	845,045
Unused tax losses (Short Term Capital Loss) shall expire on:-		
March 31, 2022	-	1,303,735
	-	1,303,735
Unused tax losses (Business Loss) shall expire on:-		
March 31, 2023	15,759	15,949
March 31, 2027	1,082	1,127
	31,943	-
	48,784	17,076

42. **Standards issued but not effective until the date of authorization for issuance of the said financial statements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification, which would have been applicable from March 31, 2022.

43. **Segment Reporting**

Considering the nature of the company's business, its activities, its internal financial reporting, element of risks and returns, there is only one operating segment within the meaning of Ind AS 108 - "Operating Segment".

44. A joint application in respect of the proposed composite scheme of arrangement ("Scheme") between M/s Bharti General Ventures Private Limited and Bharti Enterprises Limited was filed before the Hon'ble National Company Law Tribunal, Bench at Chandigarh ("NCLT") on March 4, 2022 involving the following:

- i. Amalgamation of M/s Bharti General Ventures Private Limited ("Transferor Company") with and into M/s Bharti Enterprises Limited ("Transferee Company"), with effect from 1st November, 2021 i.e. Appointed Date; and
- ii. Thereafter, reduction of equity share capital of the Transferee Company by an amount of Rs. 10,400,000/- thousands divided into 1040,000,000 equity shares of Rs. 10/- each from existing equity share capital of the Transferee Company as appearing in its provisional financial statements as at October 31, 2021.

The matter was listed for hearing before the Hon'ble NCLT on April 25, 2022 wherein the Bench Members were pleased to reserve their Order.

45. The Company is having accumulated losses of Rs. 14,892,813/- thousands against shareholders' funds of Rs. 10,413,000/- thousands which has resulted in negative net worth as on date. This may raise doubts regarding the Company's ability to continue as a going concern, which is dependent on continuing financial support from its parent company. The parent company has committed to provide continuous financial support to the Company for its continuance in the foreseeable future. Further, the Company has filed a amalgamation scheme with NCLT on March 4, 2022 for amalgamating the associate of its parent Company namely, Bharti General Ventures Private

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Limited which may result in positive net worth of the Company after taking into effect. Based on the above mitigating factors, management is of the view that the financial statements should continue to be prepared on going concern basis, and accordingly no adjustments have been made to the carrying values or classification of assets and liabilities in the financial statements.

46. Related Party Disclosures

49. The outbreak of Coronavirus (COVID) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at March 31, 2022. However, the impact assessment of COVID is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

As per our report of even date.

Independent Auditor's Report

To the Members of Bharti Enterprises Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Bharti Enterprises Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon

Branches :

Mumbai: Premises No. 7 & 8, Ground Floor, Wing-A, Raghavji Building, 15/17, Raghavji Road, Gowalia Tank, Mumbai-400026, Ph. : 9999668270
Bhopal : Nyaya Sangat, E-7/119, IInd Floor, Lala Lajpat Rai Society, Arera Colony, Bhopal-462016 (MP) Ph. : 0755-4076725, 2769224/5, Mob: 9425393729
Dehradun : 1st Floor, C-4, Rich Look, Near LIC Building, Haridwar Road, Dehradun, Uttarakhand, Mob. : +91 9811151506

In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. However, under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Financial Statements of the Company for the year ended March 31, 2020 were audited by another firm of Chartered Accountants under the Companies Act 2013 who, vide their report dated August 27, 2020, expressed an unmodified opinion on those Financial Statements.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.
- (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the Directors of the Company is disqualified as on March 31, 2021 from being appointed as a Director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to the Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure II".
- (g) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197 of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of the Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigation on its financial position in the Financial Statements- Refer Note 30 to the Financial Statements.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to Investor Education and Protection Fund by the Company.

Annexure I to Independent Auditors' Report

Referred to in Paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" section of report of even date on the Financial Statements for the year ended on March 31, 2021 of **Bharti Enterprises Limited**:

Based on the audit procedure performed for the purpose of reporting a true and fair view on the Financial Statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

(b) Fixed assets have been physically verified by the management during the year. As explained to us, no material discrepancies were noticed on such physical verification as compared to the book records. In our opinion the frequency of verification is reasonable having regard to the size of the Company and nature of its activities.

(c) According to the information and explanation given to us the title deed of immovable property under the head "Investment Property" is held in the name of the Company.
2. Owing to the nature of business operation there is no inventory at any time during the year. Hence, clause (ii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
3. During the year the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Hence, clause (iii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 are not applicable to the Company.
4. According to the information and explanations given to us and in our opinion, the Company has complied with provisions of section 185 and section 186 of the Companies Act, 2013 in respect of grant of loan, making investment and providing guarantee or security as applicable.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under during the year. Accordingly, clause (v) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.

6. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of services rendered by the Company. Hence, clause (vi) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
7. According to the information and explanations given to us
- (a) The Company has been generally regular in depositing to the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, Goods and Services Tax and other statutory dues to the extent applicable to it. According to the information and explanations given to us, no undisputed amounts in respect of aforesaid statutory dues were in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
- (b) There were no dues of Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Goods and Services Tax which have not been deposited on account of any dispute except as follows:

Name of the Statute	Nature of the dues	Amount of demand (Rs. In thousands)	Period to which Demand relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	56,585 /- (Amount deposited under protest : Rs. 4,029)	AY 2005-06	ITAT (Delhi)

8. According to the information and explanations given to us, the Company has not obtained any loan or borrowing from any bank or government during the year. Further, the Company has not defaulted in repayment of dues to financial institution and debenture holders during the year.
9. On the basis of an overall examination of the balance sheet of the company, in our opinion and according to information and explanation given to us, the company has not obtained any term loan or raised any money by way of initial public offer or further public offer during the year. Accordingly, clause (ix) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.

10. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
11. In our opinion and to best of our information and according to the explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, clause (xii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements, as required by the applicable accounting standards. Further, the requirements as stipulated by the provisions of section 177 of the Act are not applicable to the Company.
14. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has made private placement of the fully optionally convertible debentures during the year in accordance with the requirements of section 42 of the Companies Act, 2013 and the amount raised have been used for the purpose for which the funds were raised.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause (xv) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
16. According to the information and explanation given to us the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditor's Report referred to in paragraph 2(f) under the heading "Report on other Legal and Regulatory requirements" of our report of even date on the Financial Statements of Bharti Enterprises Limited

Report on the Internal Financial Controls with reference to the Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the Financial Statements of **Bharti Enterprises Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Financial Statements and such internal financial controls were operating effectively as at March 31, 2021, based on the internal financial control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by The Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

Meaning of Internal Financial Controls with reference to the Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Financial Statements includes those policies and procedures that-

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and those receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

1. Corporate Information

Bharti Enterprises Limited (Formerly Bharti Ventures Limited) ("the Company") is a company domiciled and incorporated in India under the provisions of the Companies Act, 1956 on 21st November, 2005. Its primary activity being rendering management consultancy services.

2. Summary of Significant Accounting Policies

2.1. Basis of Preparation

These standalone financial statements ('financial statements') have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 & 2017 issued by the Ministry of Corporate Affairs.

The Financial Statements are authorized for issue by the Company's Board of Directors on May 26, 2021.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity are referred below.

All the amounts included in the financial statements are reported in Indian thousands of Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by all the company entities, to all the periods presented in the said financial statements.

2.2. Basis of Measurement

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Current versus Non-current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.4. Critical Accounting Estimates, Assumptions and Judgements

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

2.5. Foreign Exchange Transactions

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period –

- Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in profit or loss in the period in which they arise.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

2.6. Property Plant and Equipment (PPE)

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates) and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred.

Depreciation is provided on straight line method, at the rates determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013, whichever is higher. Accordingly, the Company has used the following rates: -

Name of Asset	Useful Life (in Years)
Vehicles	5

Assets of Rs. 5,000 or less are fully depreciated in the year of purchase.

2.7. Investment Property

Investment property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

2.8. Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

Current Tax: - The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date in the respective countries where the Company entities operate and generate taxable income. The payment made in excess / (shortfall) of the respective company entities' income tax obligation for the period are recognised in the balance sheet as current income tax assets / liabilities.

Deferred Tax: - Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.10. Revenue

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts, volume rebates and taxes or duties collected on behalf of the government.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

Services: -

Management fees is recognised on accrual basis over the point of service.

Interest: -

Interest Income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash flows over the expected life of financial instrument, to the gross carrying amount of the financial assets or to the amortized cost of the financial liability. Interest income on investment in fixed deposit is recognized on time proportion basis at the contractual rate.

Dividend: -

Dividend income is recognized when the Company's right to receive payment is established on or before the balance sheet date (Provided that it is probable that the economic benefit will flow to the company).

2.11. Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets.
Level 2: Significant inputs to the fair value measurement are directly or indirectly observable.
Level 3: Significant inputs to the fair value measurement are unobservable.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

Financial Assets/Liabilities with a demand feature

The fair value of a financial assets/liabilities with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

2.12. Financial Instrument

2.12.1. Recognition, Classification and Presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.12.2. Measurement - Non-derivative Financial Instruments

I. Initial Measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent Measurement - Financial Assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets measured at Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial Assets at Fair Value through Profit or Loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

III. Subsequent Measurement - Financial Liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

IV. Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investment in Subsidiaries, associates and Joint Venture at cost less impairment loss (if any)

2.12.3. Derecognition

The financial liabilities are derecognized from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.12.4. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of cash and cash equivalents.

2.13. Provision and Contingent Liability

- i. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
- ii. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.
- iii. A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

- iv. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14. Earnings / (Loss) Per Share

Basic Earnings per share is computed by dividing the net profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating Diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15. Leases

Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

In the statement of profit and loss lessees present interest expense on the lease liability and depreciation on the right of-use asset. In the cash flow statement, cash payments for the principal portion of the lease liability and its related interest are classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liability are presented within operating activities.

2.16. Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonuses, contribution to plans, defined benefit plans, compensated absences, deferred compensation and share-based payments. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

Defined Contribution Plans

The contributions to defined contribution plans are recognized in profit or loss as and when the services are rendered by employees. The Company has no further obligations under these plans beyond its periodic contributions.

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. The contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

Defined Benefit Plans

In accordance with the local laws and regulations, all the employees in India are entitled for the Gratuity plan. The said plan requires a lump-sum payment to eligible employees (meeting the required vesting service condition) at retirement or termination of employment, based on a pre-defined formula.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations less the fair value of plan assets (being the funded portion). The present value of the said obligation is determined by discounting the estimated future cash outflows, using interest rates of government bonds.

The interest income / (expense) are calculated by applying the above mentioned discount rate to the plan assets and defined benefit obligations liability. The net interest income / (expense) on the net defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the net defined benefit liability are recognized directly in the other comprehensive income in the period in which they arise. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions), the return on plan assets (excluding interest). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

Other Long-term Employee Benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

2.17. Cash Flow Statements

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

2.18. Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each reporting date of there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an amount of an asset (or cash generating unit) exceeds its recoverable amount. The recoverable amounts is greater of the asset's (or cash generating units) net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised amount of the asset over its remaining useful life.

BHARTI ENTERPRISES LIMITED**Notes to financial statements for the year ended March 31, 2021***(All amounts are in Rs. thousand unless stated otherwise)***Financial Instruments****Financial risk management****Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its receivables and financing activities, including deposits with banks, mutual funds.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting financial obligations due to shortage of funds. The company exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On demand	Within 1 year	1-5 years	More than 5 years	Total	Carrying amount
As at March 31, 2021						
Short Term Borrowing-Redeemable Preference Share issued	4,750,000	-	-	-	4,750,000	4,750,000
Short Term Borrowing-Optionally Convertible Debentures	5,795,000	-	-	-	5,795,000	5,795,000
Loan	-	15,000,000	-	-	15,000,000	15,000,000
Trade Payables	-	314	-	-	314	314
Lease Liabilities	-	61,029	122,059	-	183,088	162,738
Other Financial Liabilities	-	31,850	-	-	31,850	31,850
Total	10,545,000	15,093,193	122,059	-	25,760,252	25,739,902
As at March 31, 2020						
Short Term Borrowing-Redeemable Preference Share issued	4,750,000	-	-	-	4,750,000	4,750,000

Other Financial Liabilities	-	28,691	-	-	28,691	28,691
Total	8,175,000	82,545	183,088	-	8,440,633	8,405,415

Market risk**Currency risk:**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not significantly exposed to currency risk.

Interest rate:

The Company uses a mix of cash and borrowings to manage the liquidity and fund requirement of the Company. The Company is not exposed to interest rate risk.

Notes to the Financial Statements for the year ended March 31, 2021

All amounts are in Rs. Thousands unless stated otherwise

30. Contingent liabilities to the extent not provided for in respect of:

Particulars	As at March 31, 2021	As at March 31, 2020
Income Tax*	56,585	56,585

*Rs.56,585/-thousands represent demand for the A.Y. 2005-06 of Teletech Services India Pvt. Ltd. (erstwhile Associates). The company had deposited Rs. 4,029/- thousand under protest.

31. There are no capital commitments outstanding as on March 31, 2021 (March 31, 2020 Nil) as certified by the management.

32. Indian Accounting Standard (Ind AS-116): Disclosures on Leases are as follows:

32.1 Company as Lessee:-

Lease contracts entered into by the Company primarily pertains to building taken on lease for office space and for staff accommodation. The Company did not have any lease restrictions and commitment towards variable rent as per the contract.

During the previous year, on adoption of new standard resulted in recognition of 'Right of Use'(ROU) asset of Rs. 236,295 and a lease liability by the same amount. The principal portion of the lease payments have been disclosed under cash flow from financing activities. The lease payments for operating leases as per Ind AS 17 - Leases, were earlier reported under cash flow from operating activities. Company has no borrowing, as such rate (8.3%) at the date of initial application had been considered as weighted average incremental borrowing rate for calculation of present value of lease liability.

On application of Ind AS 116, the nature of expenses had changed from operating lease payment/rent in previous periods to depreciation cost for the right-to-use asset and finance cost for interest accrued on lease liability.

The effect of Implementation of Ind AS-116 is insignificant on the profit for the year and earnings per share.

32.2 The following is the summary of practical expedients elected on initial application:

- The Company had used a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 was applied only to contracts that were previously identified as leases under Ind AS 17.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

All amounts are in Rs. Thousands unless stated otherwise

32.3 Following are the changes in the carrying value of right of use assets for the period ended March 31, 2021:

Particulars	Building
Balance as at April 1, 2019	-
Reclassified on account of adoption of Ind AS 116	-
Reclassification of investment property	-
Additions	236,295
Deletion	-
Depreciation	47,259
Balance as at March 31, 2020	189,036
Balance as at April 1, 2020	189,036
Reclassified on account of adoption of Ind AS 116	-
Reclassification of investment property	-
Additions	-
Deletion	-
Depreciation	47,259
Balance as at March 31, 2021	141,777

Depreciation on right-of-use assets is as follows:

Description	Year ended March 31, 2021	Year Ended March 31, 2020
Building	47,259	47,259
Total	47,259	47,259

32.4 Break-up of current and non-current lease liabilities as at March 31, 2020:

Particulars	As at March 31, 2021	As at March 31, 2020
Current lease liabilities	49,826	38,299
Non-current lease liabilities	112,912	162,738
Total	162,738	201,037

32.5 The following is the movement in lease liabilities during the Year ended March 31, 2021:

Particulars	As at March 31, 2021	As at March 31, 2020
Opening Balance	201,037	-
Additions	-	236,295
Payment of lease liability	53,168	53,167
Finance cost accrued during the period	14,869	17,909
Closing Balance	162,738	201,037

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

All amounts are in Rs. Thousands unless stated otherwise

- 32.6 The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2021 on an undiscounted basis:

Particulars	As at March 31,2021	As at March 31,2020
Less than one year	61,029	53,167
One to five years	122,059	183,088
More than five years	-	-
Total	183,088	236,255

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

- 32.7 The Company does not have any lease restrictions and commitment towards variable lease rent as per the contract.
- 32.8 The Company has no commitments towards Leases yet to be commenced as on March 31, 2021.
- 32.9 The Company has elected not to recognise ROU and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises lease payments on a straight-line basis over the lease term. During the Financial Year 2020-21, the Company has incurred Rs. 24,000 (March 31, 2020: Rs. Nil) relating to short term leases.
- 32.10 The Company has not sub-leased any of the assets taken on lease.
33. Disclosures under Micro Small and Medium Enterprise Development Act, 2006 :

Particulars	As at March 31, 2021	As at March 31, 2020
a) The principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier as at the end of each accounting year. Interest Nil (P.Y. Nil)	-	-
b) The amount of interest paid by the buyer in terms of Section 16 of the Micro Small and Medium Enterprise Development Act, 2006, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been but beyond the appointed day during the year) but without adding the interest specified under Micro Small and Medium Enterprise Development Act, 2006.	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date When the interest dues as above are actually paid to the small enterprise for the purpose of disallowance As a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006.	-	-

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

All amounts are in Rs. Thousands unless stated otherwise

34. Figures less than Rs.1,000/- are shown as "0".
35. Investment in equity instruments of entities which are neither subsidiaries nor joint ventures are designated at fair value through other comprehensive income as these investments are treated as strategic long term investments held for long term benefits. The management has no intention to part away with these investments in near future.

36. Capital Management

Capital includes equity attributable to the equity holders of the Parent. The primary objective of the company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

No changes were made in the objectives, policies or processes during the year ended March 31, 2021 and March 31, 2020.

37. Defined Contribution Plan

In accordance with Indian law, all eligible employees of Bharti Enterprises Limited in India are entitled to receive benefits under the provident fund plan in which both the employee and employer (at a determined rate) contribute monthly to Government administered pension fund. The contributions made by the Company and the shortfall of interest, if any, are recognized as an expense in profit or loss under employee benefit expenses.

The Company contributed 8,508 and 7,003 for the year ended March 31, 2021 and March 31, 2020, respectively to the provident fund.

Defined Benefit Plan

The Company operates a defined benefit retirement plan under which the Company pays certain defined benefit by way of gratuity to its employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement/termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Company.

Risk exposure: The plan typically exposes the Company to number of actuarial risks, the most significant of which are detailed below:

Investment risk: The plan liabilities are calculated using a discount rate set with references to government bond yields as at end of reporting period; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The investments in plan assets are made in accordance with pattern of investment prescribed by central government and ensures that the funds are invested in a balanced mix of investments comprising central government securities, state government securities, other debt instruments as well as equity instruments. Most of the plan

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

All amounts are in Rs. Thousands unless stated otherwise

investments is in fixed income securities with high grades and in government securities. The Company has a risk management strategy, which defines exposure limits and acceptable credit risk rating.

Interest risk: A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's debt instruments.

Life expectancy: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during their employment. A change in the life expectancy of the plan participants will impact the plan's liability.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Attrition rate: The present value of the defined benefit plan liability is impacted by the rate of employee turnover, disability and early retirement of plan participants. A change in the attrition rate of the plan participants will impact the plan's liability.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:-

a) Economic Assumptions

Particulars	As at March 31, 2021	As at March 31, 2020
Discounting Rate	6.79	6.90
Future Salary Increase	7.50	7.50

b) Demographic Assumption

Particulars	For the year ended March 31, 2021	For the year ended March 31, 2020
i) Retirement Age (Years)	58	58
ii) Mortality rate inclusive of provision for disability**	100% of IALM (2012-14)	100% of IALM (2012-14)
iii) Ages		
Upto 30 Years	26	12
From 31 to 44 Years	24	10
Above 44 Years	25	0

**Assumption regarding future mortality are set based on actuarial advance in accordance with published statistics (i.e. IALM 2012-14 Ultimate). These assumptions translate into an average life expectancy in years at retirement age.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

*All amounts are in Rs. Thousands unless stated otherwise***c) Actuarial Method:**

Projected unit credit (PUC) actuarial method is used to assess the plan's liabilities of exit employees for retirement, death-in-service and withdrawals (Resignations/ Terminations).

Under the PUC method, a projected accrued benefit is calculated at the beginning of the period and again at the end of the period for each benefit that will accrue for all active member of the plan. The projected accrued benefit is based on the plan accrual formula and upon service as of the beginning or end of period, but using member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the projected accrued benefits as on the date of valuation.

Amounts recognized in statement of profit & loss in respect of the defined benefit plan are as follows:-

Particulars	For the year ended March 31,2021	For the year ended March 31, 2020
Current Service Cost	3,403	2,166
Net Interest Cost	1,943	1,675
Components of defined benefit costs recognized in profit and loss account	5,346	3,841
Re-measurement on the net defined benefit liability:		
Actuarial (Gain)/ Loss for the year on PBO	(1,898)	4,300
Actuarial (Gain)/ Loss for the year on Asset	-	-
Components of defined benefit costs recognized in Other Comprehensive Income	(1,898)	4,300
Total	3,448	8,141

The current service cost and the net interest expense for the year are included in the 'Employee benefits expense' line item in the statement of profit & loss. The re-measurement of the net defined benefit liability is included in other comprehensive income.

Amounts included in the balance sheet arising from the entity's obligation in respect of the defined benefit plan is as follows:

Particulars	For the year ended March 31,2021	For the year ended March 31, 2020

Independent Auditor's Report

To the Members of Bharti Enterprises Limited
(Formerly Bharti Ventures Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Bharti Enterprises Limited** (formerly Bharti Ventures Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we **do not** express any form of assurance conclusion thereon.

www.vkaindia.com

In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. However, under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.
 - (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the Directors of the Company is disqualified as on March 31, 2020 from being appointed as a Director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to the Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure II".
 - (g) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197 of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of the Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigation on its financial position in the Financial Statements- Refer Note 29 to the Financial Statements.

Vikas Kochhar & Associates
Chartered Accountants

- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to Investor Education and Protection Fund by the Company.

Annexure I to Independent Auditor's Report

Referred to in Paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" section of report of even date on the financial statements for the year ended on March 31, 2020 of **Bharti Enterprises Limited** (formerly Bharti Ventures Limited):

Based on the audit procedure performed for the purpose of reporting a true and fair view on the Financial Statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

(b) Fixed assets have been physically verified by the management during the year. As explained to us, no material discrepancies were noticed on such physical verification as compared to the books and records. In our opinion the frequency of verification is reasonable having regard to the size of the Company and nature of its activities.

(c) According to the information and explanation given to us the title deed of immovable property under the head "Investment Property" is held in the name of the Company.
2. Owing to the nature of business operation there is no inventory at any time during the year. Hence, clause (ii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
3. During the year the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Hence, clause (iii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 are not applicable to the Company.
4. According to the information and explanations given to us and in our opinion, the Company has not granted any loans or provided any guarantees or security to the parties covered under section 185 of the Companies Act, 2013. Further, the Company has complied with the provisions of section 186 of the Companies Act, 2013 in respect of investments made.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under during the year. Accordingly, clause (v) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
6. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of services rendered by the Company. Hence, clause (vi) of

paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.

7. According to the information and explanations given to us

(a) The Company has been generally regular in depositing to the appropriate authorities undisputed statutory dues including including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, Goods and Services Tax and other statutory dues to the extent applicable to it. According to the information and explanations given to us, no undisputed amounts in respect of aforesaid statutory dues were in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.

(b) There were no dues of Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Goods and Services Tax which have not been deposited on account of any dispute except as follows:

Name of the Statute	Nature of the dues	Amount of demand (□ In thousands)	Period to which Demand relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	56,585 /-(Amount deposited under protest : 4,029/-)	AY 2005-06	ITAT (Delhi)

8. According to the information and explanations given to us, the Company has not obtained any loan or borrowing from any financial institution, bank or government. Further, the Company has not defaulted in repayment of dues to debenture holders during the year.

9. On the basis of an overall examination of the financial statements of the Company, in our opinion and according to information and explanation given to us, the Company has not obtained any term loan or raised any money by way of initial public offer or further public offer during the year. Accordingly, clause (ix) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.

10. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

11. In our opinion and to the best of our information and according to the explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, clause (xii) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.

13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements, as required by the applicable accounting standards. Further, the requirements as stipulated by the provisions of section 177 of the Act are not applicable to the Company.
14. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has made private placement of the fully optionally convertible debentures during the year in accordance with the requirements of section 42 of the Companies Act, 2013.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause (xv) of paragraph 3 of the Companies (Auditors Report) Order, 2016 is not applicable to the Company.
16. According to the information and explanation given to us the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditor's Report referred to in paragraph 2(f) under the heading "Report on other Legal and Regulatory requirements" of our report of even date on the Financial Statements of Bharti Enterprises Limited

Report on the Internal Financial Controls with reference to the Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the Financial Statements of **Bharti Enterprises Limited** (Formerly Bharti Ventures Limited) ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Financial Statements and such internal financial controls were operating effectively as at March 31, 2020, based on the internal financial control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by The Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

Meaning of Internal Financial Controls with reference to the Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Financial Statements includes those policies and procedures that-

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and those receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

1. Corporate Information

Bharti Enterprises Limited (Formerly Bharti Ventures Limited) ("the Company") is a company domiciled and incorporated in India under the provisions of the Companies Act, 1956 on 21st November, 2005. Its primary activity being rendering management consultancy services & promoting agro business.

2. Summary of significant accounting policies

2.1. Basis of preparation

These standalone financial statements ('financial statements') have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 & 2017 issued by the Ministry of Corporate Affairs.

The Financial Statements are authorized for issue by the Company's Board of Directors on 14th August 2020.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity are referred below.

All the amounts included in the financial statements are reported in Indian thousands of Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by all the company entities, to all the periods presented in the said financial statements.

2.2. Basis of measurement

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.4. Critical accounting estimates, assumptions and judgements

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

2.5. Foreign Exchange Transactions

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period –

- Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in profit or loss in the period in which they arise.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

2.6. Property Plant and Equipment (PPE)

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates) and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred.

Depreciation is provided on straight line method, at the rates determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013, whichever is higher. Accordingly, the Company has used the following rates: -

Name of Asset	Useful Life (in Years)
Vehicles	5

Assets of Rs. 5,000 or less are fully depreciated in the year of purchase.

2.7. Investment Property

Investment property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.8. Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

Current Tax: - The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date in the respective countries where the Company entities operate and generate taxable income. The payment made in excess / (shortfall) of the respective company entities' income tax obligation for the period are recognised in the balance sheet as current income tax assets / liabilities.

Deferred Tax: - Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

2.10. Revenue

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts, volume rebates and taxes or duties collected on behalf of the government.

Services: -

Management fees is recognised on accrual basis over the point of service.

Interest: -

Interest Income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash flows over the expected life of financial instrument, to the gross carrying amount of the financial assets or to the amortized cost of the financial liability. Interest income on investment in fixed deposit is recognized on time proportion basis at the contractual rate.

Dividend: -

Dividend income is recognized when the Company's right to receive payment is established on or before the balance sheet date (Provided that it is probable that the economic benefit will flow to the company).

2.11. Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

- Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets.
Level 2: Significant inputs to the fair value measurement are directly or indirectly observable.
Level 3: Significant inputs to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

Financial assets/liabilities with a demand feature

The fair value of a financial assets/liabilities with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

2.12. Financial Instrument

2.12.1. Recognition, classification and presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.12.2. Measurement - Non-derivative financial instruments

I. Initial measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent measurement - financial assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial assets measured at amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial assets at fair value through other comprehensive income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial assets at fair value through profit or loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

III. Subsequent measurement - financial liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

IV. Investment in Subsidiaries, Associates and Joint Ventures.

The Company has accounted for its investment in Subsidiaries, associates and Joint Venture at cost less impairment loss (if any)

2.12.3. Derecognition

The financial liabilities are derecognized from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.12.4. Cash and cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of cash and cash equivalents.

2.13. Provision and Contingent Liability

- i. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

- ii. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.
- iii. A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.
- iv. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14. Earnings / (Loss) Per Share

Basic Earnings per share is computed by dividing the net profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating Diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15. Leases

Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

On transition, lessees can choose between full retrospective application or a simplified approach that includes certain reliefs and does not require a restatement of comparatives. In addition, as a practical expedient entities are not required to reassess whether a contract is, or contains, a lease at the date of initial application.

Under Ind AS 116 lessees recognise a lease liability reflecting future lease payments and a 'right-of-use asset' for almost all lease contracts. This is a significant change compared to Ind AS 17, under which lessees were required to make a distinction between a finance lease (on balance sheet) and an operating lease (off balance sheet). Ind AS 116 gives lessees optional exemptions for certain short-term leases and leases of low-value assets.

In the statement of profit and loss lessees present interest expense on the lease liability and depreciation on the right of-use asset. In the cash flow statement, cash payments for the principal portion of the lease liability and its related interest are classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liability are presented within operating activities.

2.16. Employee benefits

The Company's employee benefits mainly include wages, salaries, bonuses, contribution to plans, defined benefit plans, compensated absences, deferred compensation and share-based payments. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

Defined contribution plans

The contributions to defined contribution plans are recognized in profit or loss as and when the services are rendered by employees. The Company has no further obligations under these plans beyond its periodic contributions.

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. The contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

Defined benefit plans

In accordance with the local laws and regulations, all the employees in India are entitled for the Gratuity plan. The said plan requires a lump-sum payment to eligible employees (meeting the required vesting service condition) at retirement or termination of employment, based on a pre-defined formula.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations less the fair value of plan assets (being the

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

funded portion). The present value of the said obligation is determined by discounting the estimated future cash outflows, using interest rates of government bonds.

The interest income / (expense) are calculated by applying the above mentioned discount rate to the plan assets and defined benefit obligations liability. The net interest income / (expense) on the net defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the net defined benefit liability are recognized directly in the other comprehensive income in the period in which they arise. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions), the return on plan assets (excluding interest). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

Other long-term employee benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.17. Cash Flow Statements

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

2.18. Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each reporting date of there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an amount of an asset (or cash generating unit) exceeds its recoverable amount. The recoverable amount is greater of the asset's (or cash generating units) net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised amount of the asset over its remaining useful life.

Financial Instruments

Financial risk management

Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its receivables and financing activities , including deposits with banks, mutual funds.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting financial obligations due to shortage of funds. The company exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On demand	Within 1 year	1-5 years	More than 5 years	Total	Carrying amount
As at March 31, 2020						
Short Term Borrowing-Redeemable Preference Share issued	4,750,000	-	-	-	4,750,000	4,750,000

Market risk

Currency risk:

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not significantly exposed to currency risk.

Interest rate:

The Company uses a mix of cash and borrowings to manage the liquidity and fund requirement of the Company. The Company is exposed to interest rate risk because Company has given loan at floating interest rate.

As on March 31, 2020 , Loan (Assets) of Rs. Nil/- thousand [As on March 31, 2019 , Loan (Assets) of Rs. 26,000/- thousand] was subject to floating interest rate.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

All amounts are in Rs. Thousands unless stated otherwise

29 Contingent liability not provided for in respect of:

Particulars	As at March 31, 2020	As at March 31, 2019
Income Tax*	56,585	56,585

*Rs.56,585/-thousands represent demand for the A.Y. 2005-06 of Teletech Services India Pvt. Ltd. (erstwhile associates). The company had deposited Rs. 4,029/- thousand under protest.

30. There are no capital commitments outstanding as certified by the management.

31. Indian Accounting Standard (Ind AS-116): Disclosures on Leases are as follows:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The company adopted Ind AS 116 "Leases" with effect from April 1, 2019, applied to all lease contracts existing on April 1, 2019 using the modified retrospective method, using the cumulative effect method and hence the comparative information is not restated.

31.1 Company as Lessee:-

Lease contracts entered into by the Company primarily pertains to building taken on lease for office space and for staff accommodation. **The Company does not have any lease restrictions and commitment towards variable rent as per the contract.**

During the year, on adoption of new standard resulted in recognition of 'Right of Use'(ROU) asset of Rs. 236,295 and a lease liability by the same amount. The principal portion of the lease payments have been disclosed under cash flow from financing activities. The lease payments for operating leases as per Ind AS 17 - Leases, were earlier reported under cash flow from operating activities. Company has no borrowing, as such rate (8.3%) at the date of initial application has been considered as weighted average incremental borrowing rate for calculation of present value of lease liability.

On application of Ind AS 116, the nature of expenses has changed from operating lease payment/rent in previous periods to depreciation cost for the right-to-use asset and finance cost for interest accrued on lease liability.

The effect of Implementation of Ind AS-116 is insignificant on the, profit for the year and earnings per share.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

All amounts are in Rs. Thousands unless stated otherwise

31.2 The following is the summary of practical expedients elected on initial application:

- a) The Company has used a single discount rate to a portfolio of leases with similar characteristics.
- b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- d) Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

31.3 Following are the changes in the carrying value of right of use assets for the year ended March 31, 2020:

Particulars	Building
Balance as at April 1, 2019	-
Reclassified on account of adoption of Ind AS 116	-
Reclassification of investment property	-
Additions	236,295
Deletion	-
Depreciation	47,259
Balance as at March 31, 2020	189,036

Depreciation on right-of-use assets is as follows:

Description	Year Ended March 31, 2020
Building	47,259
Total	47,259

31.4 Break-up of current and non-current lease liabilities as at March 31, 2020 :

Particulars	As at March 31,2020
Current lease liabilities	38,299
Non-current lease liabilities	162,738
Total	201,037

31.5 The following is the movement in lease liabilities during the year ended March 31, 2020:

Particulars	As at March 31,2020
Balance as at April 1, 2019	
Additions	236,295
Payment of lease liability	53,167
Finance cost accrued during the period	17,909
Balance as at March 31, 2020	201,037

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

All amounts are in Rs. Thousands unless stated otherwise

- 31.6 The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2020 on an undiscounted basis:

Particulars	As at March 31,2020
Less than one year	53,167
One to five years	183,088
More than five years	-
Total	236,255

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

- 31.7 The company does not have any lease restrictions and commitment towards variable lease rent as per the contract.
- 31.8 Company has no commitments towards Leases yet to be commenced as on 31.03.2020.
- 31.9 The company has not sub-leased any of the assets taken on lease.
32. Disclosures under Micro Small and Medium Enterprise Development Act, 2006 :

Particulars	As at March 31, 2020	As at March 31, 2019
a) The principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier as at the end of each accounting year. Interest Nil (P.Y. Nil)	-	18
b) The amount of interest paid by the buyer in terms of Section 16 of the Micro Small and Medium Enterprise Development Act, 2006, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been but beyond the appointed day during the year) but without adding the interest specified under Micro Small and Medium Enterprise Development Act, 2006.	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date When the interest dues as above are actually paid to the small enterprise for the purpose of disallowance As a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006.	-	-

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

All amounts are in Rs. Thousands unless stated otherwise

33. Figures less than Rs.1000/- are shown as "0".

34. Investment in equity instruments of entities which are neither subsidiaries nor joint ventures are designated at fair value through other comprehensive income as these investments are treated as strategic long term investments held for long term benefits. The management has no intention to part away with these investments in near future.

35. **Capital Management**

Capital includes equity attributable to the equity holders of the Parent. The primary objective of the company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

No changes were made in the objectives, policies or processes during the year ended March 31, 2020 and March 31, 2019.

36. **Defined Contribution Plan**

In accordance with Indian law, all eligible employees of Bharti Enterprises Limited in India are entitled to receive benefits under the provident fund plan in which both the employee and employer (at a determined rate) contribute monthly to Government administered pension fund. The contributions made by the Company and the shortfall of interest, if any, are recognized as an expense in profit or loss under employee benefit expenses.

The Company contributed 7,003 and 3,866 for the year ended March 31, 2020 and 2019, respectively to the provident fund.

37. **Defined benefit plan**

The Company operates a defined benefit retirement plan under which the Company pays certain defined benefit by way of gratuity to its employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement/termination of employment or death of an employee, based on the respective employees' salary and years of employment with the Company.

Risk exposure: The plan typically exposes the Company to number of actuarial risks, the most significant of which are detailed below:

Investment risk: The plan liabilities are calculated using a discount rate set with references to government bond yields as at end of reporting period; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The investments in plan assets are made in accordance with pattern of investment prescribed by central government and ensures that the funds are invested in a balanced

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

All amounts are in Rs. Thousands unless stated otherwise

mix of investments comprising central government securities, state government securities, other debt instruments as well as equity instruments. Most of the plan investments is in fixed income securities with high grades and in government securities. The Company has a risk management strategy, which defines exposure limits and acceptable credit risk rating.

Interest risk: A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's debt instruments.

Life expectancy: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during their employment. A change in the life expectancy of the plan participants will impact the plan's liability.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Attrition rate: The present value of the defined benefit plan liability is impacted by the rate of employee turnover, disability and early retirement of plan participants. A change in the attrition rate of the plan participants will impact the plan's liability.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:-

a) Economic Assumptions

Particulars	As at March 31, 2020	As at March 31, 2019
Discounting Rate	6.90	7.65
Future Salary Increase	7.50	7.00

b) Demographic Assumption

Particulars	For the year ended March 31, 2020	For the ended March 31, 2019
i) Retirement Age (Years)	58	58
ii) Mortality rate inclusive of provision for disability**	100% of IALM (2012-14)	100% of IALM (2006 - 08)
iii) Ages		
Upto 30 Years	12	27
From 31 to 44 Years	10	16
Above 44 Years	0	14

**Assumption regarding future mortality are set based on actuarial advance in accordance with published statistics (i.e. IALM 2012-14 Ultimate). These assumptions translate into an average life expectancy in years at retirement age.

BHARTI ENTERPRISES LIMITED (Formerly Bharti Ventures Limited)

CIN No. U93000DL2005PLC142756

Notes to the Financial Statements for the year ended March 31, 2020

*All amounts are in Rs. Thousands unless stated otherwise***c) Actuarial Method:**

Projected unit credit (PUC) actuarial method is used to assess the plan's liabilities of exit employees for retirement, death-in-service and withdrawals (Resignations/Terminations).

Under the PUC method, a projected accrued benefit is calculated at the beginning of the period and again at the end of the period for each benefit that will accrue for all active member of the plan. The projected accrued benefit is based on the plan accrual formula and upon service as of the beginning or end of period, but using member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the projected accrued benefits as on the date of valuation.

Amounts recognized in statement of profit & loss in respect of the defined benefit plan are as follows:-

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Current Service Cost	2,166	2,642
Net Interest Cost	1,675	1,677
Components of defined benefit costs recognized in profit and loss account	3,841	4,320
Re-measurement on the net defined benefit liability:		
Actuarial (Gain)/ Loss for the year on PBO	4,300	(4,103)
Actuarial (Gain)/ Loss for the year on Asset	-	-
Components of defined benefit costs recognized in Other Comprehensive Income	4,300	(4,103)
Total	8,141	217

The current service cost and the net interest expense for the year are included in the 'Employee benefits expense' line item in the statement of profit & loss. The re-measurement of the net defined benefit liability is included in other comprehensive income.

Amounts included in the balance sheet arising from the entity's obligation in respect of the defined benefit plan is as follows:

Note: The amount of transactions / balances are without giving effect to the IND AS adjustment on account of fair valuation / amortization.

43. During the year 2019-20, Corporate Social Responsibility (CSR) Committee was formed by the Company to monitor CSR related activities. The Company is required to contribute Rs. Nil (March 31, 2019: NIL) for CSR initiatives in accordance with Section 135 read with Schedule VII to the Companies Act, 2013.
44. The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31 March 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

TEL. : +91 - 120 - 4241000, FAX : +91-120-4241007
E-MAIL : taxaid@jcbhalla.com**INDEPENDENT AUDITOR'S REPORT****TO THE BOARD OF DIRECTORS OF BHARTI ENTERPRISES LIMITED****Report on the Audit of the Interim Financial Statements****Opinion**

We have audited the accompanying Interim Financial Statements of **Bharti Enterprises Limited** ("the Company"), which comprise the Balance Sheet as at December 31, 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the nine months period then ended, and notes to the Interim Financial Statements including significant accounting policies and other explanatory information (hereinafter referred to as "the Interim Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Interim Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS 34") and other accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2022, its loss, total comprehensive income, changes in equity and its cash flows for the nine months period ended on that date.

Basis for Opinion

We conducted our audit of the Interim Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Interim Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Interim Financial Statements.

Responsibilities of Management and those charged with governance for the Interim Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Interim Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS 34 and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Interim Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Interim Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the Interim Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Interim Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Interim Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing our opinion on the effectiveness of the Company's internal financial controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Interim Financial

Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Interim Financial Statements, including the disclosures, and whether the Interim Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Others Matters

The Financial Statements of the Company for the year ended March 31, 2022 and quarter ended 30 June 2022, were audited by another firm of Chartered Accountants under the Companies Act 2013 who, vide their report dated May 30, 2022 and August 10, 2022 respectively, expressed an unmodified opinion on those Financial Statements

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

1. Corporate Information

Bharti Enterprises Limited (Formerly Bharti Ventures Limited) ("the Company") is a company CIN NO. U93000HR2005PLC097214 domiciled and incorporated in India under the provisions of the Companies Act, 1956 on November 21, 2005. Its primary activity being rendering management consultancy services.

2. Summary of Significant Accounting Policies

2.1. Basis of Preparation

These standalone financial statements ('financial statements') have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by the Ministry of Corporate Affairs.

The Financial Statements are authorized for issue by the Company's Board of Directors on February 13, 2023.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity are referred below.

All the amounts included in the financial statements are reported in Indian thousands of Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by all the company entities, to all the periods presented in the said financial statements.

2.2. Basis of Measurement

These financial statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments and provisions which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3. Current versus Non-current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.4. Critical Accounting Estimates, Assumptions and Judgements

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

2.5. Foreign Exchange Transactions

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period –

- Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in profit or loss in the period in which they arise.

2.6. Property Plant and Equipment (PPE)

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates) and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred.

Depreciation is provided on straight line method, at the rates determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013, whichever is lower. Accordingly, the Company has used the following rates: -

Name of Asset	Useful Life (in Years)
Vehicles	5
Office equipments	5

Assets of Rs. 5,000 or less are fully depreciated in the year of purchase.

2.7. Investment Property

Investment property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.8. Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

Current Tax: - The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date in the respective countries where the Company entities operate and generate taxable income. The payment made in excess / (shortfall) of the respective company entities' income tax obligation for the period are recognised in the balance sheet as current income tax assets / liabilities.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

Deferred Tax: - Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Current and deferred tax is recognised in statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.10. Revenue

Revenue is measured at the fair value of the consideration received or receivable, taking into account the contractually defined terms of payment net of returns and allowances, trade discounts, volume rebates and taxes or duties collected on behalf of the government.

Services: -

Management fees is recognised on accrual basis over the point of service.

Interest: -

Interest Income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash flows over the expected life of financial instrument, to the gross carrying amount of the financial assets or to the amortized cost of the financial liability. Interest income on investment in fixed deposit is recognized on time proportion basis at the contractual rate.

Dividend: -

Dividend income is recognized when the Company's right to receive payment is established on or before the balance sheet date (Provided that it is probable that the economic benefit will flow to the company).

2.11. Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets.
- Level 2: Significant inputs to the fair value measurement are directly or indirectly observable.
- Level 3: Significant inputs to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

Financial Assets/Liabilities with a demand feature

The fair value of a financial assets/liabilities with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

2.12. Financial Instrument

2.12.1. Recognition, Classification and Presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories:

- a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) Those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

2.12.2. Measurement - Non-derivative Financial Instruments

I. Initial Measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent Measurement - Financial Assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets measured at Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial Assets at Fair Value through Profit or Loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

III. Subsequent Measurement - Financial Liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

IV. Investment in Associates and Joint Ventures

An associate is an entity, over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a type of joint agreement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of any arrangement, which exists only when decision about the relevant activities require unanimous consent of the parties sharing control.

Investment in joint venture and associates are accounted for using equity method from the date on which Company obtains joint control over the joint venture / start exercising significant influence over the associate. The said investment are tested for impairment at least annually and whenever circumstances indicate that their carrying values may exceed the recoverable amount (viz. higher of fair value less costs to sell and the value-in-use).

2.12.3. Derecognition

The financial liabilities are derecognized from the balance sheet when the underlying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.12.4. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of cash and cash equivalents.

2.13. Provision and Contingent Liability

- i. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

- ii. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.
- iii. A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.
- iv. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.14. Earnings / (Loss) Per Share

Basic Earnings per share is computed by dividing the net profit / (loss) after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating Diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.15. Leases

Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

In the statement of profit and loss lessees present interest expense on the lease liabilities and depreciation on the right of-use asset. In the cash flow statement, cash payments for the principal portion of the lease liabilities and its related interest are classified within financing activities. Payments for short-term leases, leases of low-value assets and variable lease payments not included in the measurement of the lease liabilities are presented within operating activities.

2.16. Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonuses, contribution to plans, defined benefit plans, compensated absences, deferred compensation and share-based

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

payments. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

Defined Contribution Plans

The contributions to defined contribution plans are recognized in profit or loss as and when the services are rendered by employees. The Company has no further obligations under these plans beyond its periodic contributions.

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. The contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

Defined Benefit Plans

In accordance with the local laws and regulations, all the employees in India are entitled for the Gratuity plan. The said plan requires a lump-sum payment to eligible employees (meeting the required vesting service condition) at retirement or termination of employment, based on a pre-defined formula.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations less the fair value of plan assets (being the funded portion). The present value of the said obligation is determined by discounting the estimated future cash outflows, using interest rates of government bonds.

The interest income / (expense) are calculated by applying the above mentioned discount rate to the plan assets and defined benefit obligations liability. The net interest income / (expense) on the net defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the net defined benefit liability are recognized directly in the other comprehensive income in the period in which they arise. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions), the return on plan assets (excluding interest). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

Other Long-term Employee Benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.17. Cash Flow Statements

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing

BHARTI ENTERPRISES LIMITED

Notes to the Standalone Financial Statements for the period ended December 31, 2022

or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

2.18. Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each reporting date of there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an amount of an asset (or cash generating unit) exceeds its recoverable amount. The recoverable amount is greater of the asset's (or cash generating units) net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised amount of the asset over its remaining useful life.

Financial Instruments**Financial risk management****Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its receivables and financing activities, including deposits with banks, mutual funds.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting financial obligations due to shortage of funds. The company exposure to liquidity risk arises primarily from mismatch of the maturities of financial assets and liabilities. The company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	On demand	Within 1 year	1-5 years	More than 5 years	Total	Carrying amount

Total	14,718,614	24,307,375	7,561,029	-	46,587,019	46,477,207

Market risk**Currency risk:**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not significantly exposed to currency risk.

Interest rate:

The Company uses a mix of cash and borrowings to manage the liquidity and fund requirement of the Company. The Company is not exposed to interest rate risk.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

30. Contingent liabilities to the extent not provided for in respect of:

Particulars	As at December 31, 2022	As at March 31, 2022
Income Tax*	56,585	56,585

*Rs. 56,585 thousand represent demand for the A.Y. 2005-06 of Teletech Services India Pvt. Ltd. (erstwhile Associates). The company had deposited Rs. 4,029/- thousand under protest.

31. Capital commitments outstanding as on December 31, 2022 is Rs. 1,521,812 as certified by the management.

32. Indian Accounting Standard (Ind AS-116): Disclosures on Leases are as follows:

32.1 Company as Lessee:-

Lease contracts entered into by the Company primarily pertains to building taken on lease for office space and for staff accommodation. The Company did not have any lease restrictions and commitment towards variable rent as per the contract.

During the period ended December 31, 2022, Lease liabilities and Right of Use assets has been reassessed on account of lease modification w.r.t waiver of escalation of lease rental for one year and the same has been accounted in accordance with Ind AS 116.

The principal portion of the lease payments have been disclosed under cash flow from financing activities.

32.2 The following is the summary of practical expedients elected on initial application:

- The Company had used a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 was applied only to contracts that were previously identified as leases under Ind AS 17.

32.3 Following are the changes in the carrying value of right of use assets for the period ended December 31, 2022:

Particulars	Building
As at April 1, 2021	236,295
Additions	-
Depreciation till March 31, 2021	(44,734)
Adjustment on account of lease modification	(102,093)
Balance as at March 31, 2022	89,468
Additions	-
Adjustment on account of lease modification	(7,575)
Depreciation	(30,710)
Balance as at December 31, 2022	51,183

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

Depreciation on right-of-use assets is as follows:

Description	Year ended December 31, 2022	Year Ended March 31, 2022
Building	30,710	44,734
Total	30,710	44,734

32.4 Break-up of current and non-current lease liabilities as at December 31, 2022:

Particulars	As at December 31, 2022	As at March 31, 2022
Current lease liabilities	14,944	58,789
Non-current lease liabilities	55,634	54,122
Total	70,578	112,911

32.5 The following is the movement in lease liabilities during the half year ended December 31, 2022:

Particulars	As at December 31, 2022	As at March 31, 2022
Opening Balance	112,911	162,738
Adjustment on account of lease modifications	(7,575)	(7,575)
Payment of lease liabilities	(40,082)	(53,165)
Finance cost accrued during the period/year	5,324	10,913
Closing Balance	70,578	112,911

32.6 The table below provides details regarding the contractual maturities of lease liabilities as at December 31, 2022 on an undiscounted basis:

Particulars	As at December 31, 2022	As at March 31, 2022
Less than one year	59,063	61,029
One to five years	15,046	61,029
More than five years	-	-
Total	74,109	122,058

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

32.7 The Company does not have any lease restrictions and commitment towards variable lease rent as per the contract.

32.8 The Company has no commitments towards Leases yet to be commenced as on December 31, 2022.

32.9 The Company has elected not to recognise ROU and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises lease payments on a straight-line basis over the lease term. During the period ended December 31, 2022, the Company has incurred Rs. Nil (March 31, 2022: Rs. 6,000) relating to short term leases.

32.10 The Company has not sub-leased any of the assets taken on lease.

33. Figures less than Rs. 500/- are shown as "0".

34. Investment in equity instruments of entities which are neither subsidiaries nor joint ventures are designated at fair value through other comprehensive income as these investments are treated as

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

strategic long term investments held for long term benefits. The management has no intention to part away with these investments in near future.

36. Disclosure under Micro Small and Medium Enterprise Development Act, 2006 :

Particulars	As at December 31, 2022	As at March 31, 2022
a) The principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier as at the end of each accounting year.	-	-
b) The amount of interest paid by the buyer in terms of Section 16 of the Micro Small and Medium Enterprise Development Act, 2006, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been but beyond the appointed day during the year) but without adding the interest specified under Micro Small and Medium Enterprise Development Act, 2006.	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date When the interest dues as above are actually paid to the small enterprise for the purpose of disallowance As a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006.	-	-

37. Disclosure of ratios as per schedule III (division II) of Companies Act, 2013:

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

S. No.	Name	Description	December 31, 2022	March 31, 2022
1	Current Ratio	Current Assets / Current Liabilities	0.77	0.85
2	Debt - Equity Ratio	Total Debt / Shareholder's Equity	(6.47)	(10.34)
3	Debt Service Coverage Ratio	Earnings available for debt service / Debt Service	(0.02)	(0.01)
4	Return on Equity Ratio	Net profit/(Loss) after taxes / Shareholders Fund	(24.94%)	(30.84%)
5	Inventory Turnover Ratio	NA	NA	NA
6	Trade Receivable Turnover Ratio [^]	Net Credit Sales / Average Accounts Receivables	8.51	49.59
7	Trade Payable Turnover Ratio	NA	NA	NA
8	Net Capital Turnover Ratio	Net Sales / Working Capital	(0.01)	(0.02)
9	Net Profit Ratio (%)	Net Profit/(Loss) / Net Sales	(1500.53%)	(1,115.65%)
10	Return on Capital Employed	Earnings before interest and taxes / Capital Employed	(3.33%)	(0.31%)
11	Return on Investment	$\frac{\{MV(T_1) - MV(T_0) - \text{Sum}[C(t)]\}}{\{MV(T_0) + \text{Sum}[W(t) * C(t)]\}}$	Nil	Nil

- Reasons for change in corresponding ratios:

Debt - Equity Ratio: The debt has been reduced and loss accumulation increased due to loss for the period, causing the ratio to decline.

Trade Receivable Turnover Ratio[^]: The revenue booked is for half year and simultaneously debtor had increased due to unbilled revenue for nine months ended December 2022, causing the ratio reduce sharply.

Net Profit (Loss) Ratio (%): The revenue from the operation is for nine months corresponding to year of revenue which is causing to decrease the ratio.

Return on Capital Employed: The increase in EBIT has caused to difference in the ratio.

38. Trade receivable

Ageing for trade receivable outstanding as at December 31, 2022 is as follows:

(vi) Disputed Trade receivables - credit impaired	-	-	-	-	-	-	-

39. Capital Management

Capital includes equity attributable to the equity holders of the Parent. The primary objective of the company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

No changes were made in the objectives, policies or processes during the period ended December 31, 2022 and year ended March 31, 2022.

40. During the period ended December 31, 2022, the Company does not have any transactions with Companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956.

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

*All amounts are in Rs. Thousands unless stated otherwise***41. Income tax disclosure**

The reconciliation between the amount computed by applying the statutory income tax rate to the profit before tax and the income tax charge is summarized below:

The major components of income tax expense are:

Income Tax Note

The major components of income tax expense are:

	For the Period/Year ended	
	December 31, 2022	March 31, 2022
Current income tax		
- for the Period/year	-	-
Deferred tax		
- Origination & reversal of temporary differences	(49)	6,241
	(49)	6,241
Income tax expenses	(49)	6,241

The reconciliation between the amount computed by applying the statutory income tax rate to the profit before tax and the income tax charge is summarized below:

	For the Period/Year ended	
	December 31, 2022	March 31, 2022
Profit/(loss) before tax	(1,491,954)	(1,376,388)
Tax expenses @ company's domestic rate of 25.168% (Previous year @ 25.168%)	(375,495)	(346,409)
Effect of:		
Inadmissible Expenses	357,750	311,447
Admissible Expenses	-	(13,380)
Deductible temporary difference not recognised	10,088	31,898
Others	7,657	22,685
Income tax Expenses	(49)	6,241

Unrecognized deductible temporary difference, unused tax losses and unused tax credits.

Deferred tax assets have not been recognized in respect of followings items, because it is not probable that future taxable profit will be available against which the company can use the benefit therefrom.

Particulars	As at December 31, 2022	As at March 31, 2022
Tax effect on deductible temporary differences	17,392	17,392
Tax effect on unused tax losses (Long Term Capital loss)	25,864	25,864
Tax effect on unused tax losses (Short Term Capital loss)	-	-
Tax effect on unused tax losses (Business loss)	48,784	48,784

42. **Standards issued but not effective until the date of authorization for issuance of the said financial statements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification, which would have been applicable from September 30, 2022.

43. **Segment Reporting**

Considering the nature of the company's business, its activities, its internal financial reporting, element of risks and returns, there is only one operating segment within the meaning of Ind AS 108 - "Operating Segment".

44. A joint application in respect of the proposed composite scheme of arrangement ("Scheme") between M/s Bharti General Ventures Private Limited and Bharti Enterprises Limited was filed before the Hon'ble National Company Law Tribunal, Bench at Chandigarh ("NCLT") on March 4, 2022 involving the following:

- i. Amalgamation of M/s Bharti General Ventures Private Limited ("Transferor Company") with and into M/s Bharti Enterprises Limited ("Transferee Company"), with effect from 1st April, 2022 i.e. Appointed Date; and
- ii. Thereafter, reduction of equity share capital of the Transferee Company by an amount of Rs. 10,400,000/- thousands divided into 1040,000,000 equity shares of Rs. 10/- each from existing equity share capital of the Transferee Company as appearing in its provisional financial statements as at October 31, 2021.

The matter was listed for hearing before the Hon'ble NCLT on April 25, 2022 wherein the Bench Members were pleased to reserve their Order.

45. The Company is having accumulated losses of Rs. 16,394,326 thousands against shareholders' funds of Rs. 10,413,000/- thousands which has resulted in negative net worth as on date. This may raise doubts regarding the Company's ability to continue as a going concern, which is dependent on continuing financial support from its parent company. The parent company has committed to

BHARTI ENTERPRISES LIMITED

Notes to the Financial Statements for the period ended December 31, 2022

All amounts are in Rs. Thousands unless stated otherwise

provide continuous financial support to the Company for its continuance in the foreseeable future. Further, the Company has filed a amalgamation scheme with NCLT on March 4, 2022 for amalgamating the associate of its parent Company namely Bharti General Ventures Private Limited which may result in positive net worth of the Company after taking into effect. Based on the above mitigating factors, management is of the view that the financial statements should continue to be prepared on going concern basis, and accordingly no adjustments have been made to the carrying values or classification of assets and liabilities in the financial statements.

46. Related Party Disclosures
