## 7.6 ABOUT THE ISSUER

### (a) Overview and a brief summary of the business activities of the Issuer

APMDCL is the nodal company of the State of Andhra Pradesh and has been granted the rights for mining and exploration of valuable minerals both within and outside the State of Andhra Pradesh.

APMDCL, though fully equipped to carry out integrated mining operations is presently following a model where the mining operations are delegated to a selected Mine Developer and Operator (MDO) on a contractual basis after the APMDCL provides them with the mining land free of encumbrances.

At present the Company is active in mining Barytes Mineral, along with minor minerals such as Granite, Ball Clay etc. It has also forayed into mining of thermal coal, coking coal, Beach Sand Minerals, Iron ore giving itself a well-diversified product mix.

On Consolidated basis, the Company has achieved revenue from operations of ₹ 3840.59 crore for the financial year ended 31st March 2024 as against ₹ 2101.91 crore in previous year, registering 82.71% rise over the previous year. Consolidated Earnings before Finance Cost, Taxes, Depreciation and Amortisation (EBITDA) grew by 88.85 % to ₹ 1645.43 crore in FY 2023-24 compared to ₹ 871.3 crore in FY 2022-23. After providing for taxation of ₹ 374.38 crore, the Company registered a Net Profit of ₹ 1063.19 crore in FY 2023-24 compared to ₹ 591.26 crore in previous year.

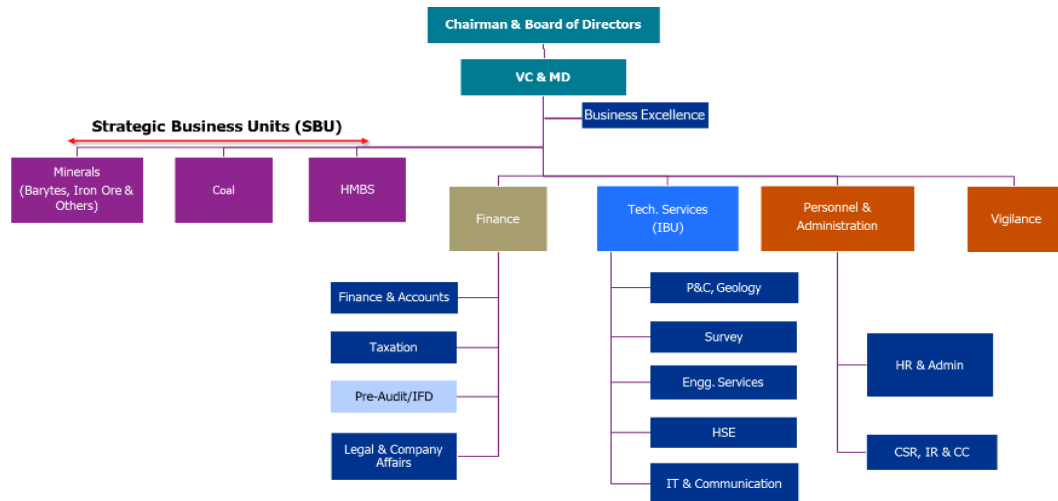

On standalone basis, significant increase in revenue, reduction in long term liabilities, and various cost initiatives taken by the Company lead to improvement in business performance and healthy operating profitability during the year under review. In terms of operating performance, Company's revenue grew by 82.71% to ₹ 3840.59 crore compared to ₹ 2101.91 crore of previous year, mainly due to increase in sales volume in Suliyari coal mine, from ~ 1.4 Mn. Ton in FY22-23 to 5.0 MN Ton in FY 23-24. Standalone EBITDA grew by 88.85% % compared to previous year which stood at ₹ 871.3 crore during the year under review. The company registered a Net Profit of ₹ 1063.19 crore for FY 2023-24 compared to ₹ 589.66 crore of previous year.

The Permanent Account Number of the Issuer is AAAC7391N.

The LEI of the Issuer is 335800S8NK5A3UC12866.

## (b) Structure of the group

## (c) Details of branches or units where the issuer carries on its business activities, if any:

- APMD Head Office – Vijayawada, Andhra Pradesh
- Mangampet Project Office – Mangampet, Annamaya (D), Andhra Pradesh (Barytes)
- Suliyari Project Office – Singrauli, Madhya Pradesh (Non-coking Coal)
- Brahmadaha Project Office – Giridih, Jharkhand (Coking Coal)

- Cheemakurthy Project Office – Cheemakurthy, Prakasam, Andhra Pradesh (Black Galaxy Granite)
- Dwaraka Tirumala Project Office – West Godavari, Andhra Pradesh (Ball Clay)
- Nimmalapadu Project Office – Ananthagiri, Visakhapatnam, Andhra Pradesh (Calcite)

(d) **A brief summary of the business activities of the subsidiaries of the Issuer:**

- **Ongole Iron Ore Mining Company**
  - This was formed for development of iron ore project in Prakasam district.
  - However, the project was discontinued, and both parties have entered into exit agreement.
  - Currently, no operations are being conducted through this company.
- **Andhra Phosphate Private Limited**
  - JV formed in 1974 with M/s Andhra Phosphate for mining of Apatite (Rockphosphate) and Vermiculite in Narasimharajapuram Village in Anantagiri Mandal, Visakhapatnam District.
  - However, currently no operations since lease is not in force.
- **APMDC SCCL Suliari Coal Company**
  - This was formed for development of Suliari coal project in Madhya Pradesh, which was earlier jointly allotted to APMDC and SCCL.
  - However, the block was cancelled as part of the coal block de-allocation by the Hon'ble Supreme Court in 2014.
  - Currently, no operations are being conducted through this company.
  - Note: Post de-allocation, the Suliari coal block was granted exclusively to APMDC and is current being operated by APMDC.
- **Nuagaon Coal Company**
  - This was formed for development of Nuagon Telisahi coal project in Odisha, which was earlier jointly allotted to APMDC and Odisha Mining Corporation (OMC).
  - However, the block was cancelled as part of the coal block de-allocation by the Hon'ble Supreme Court in 2014.
  - Currently, no operations are being conducted through this company.
  - Note: Post de-allocation, the Nuagon Telisahi coal block is yet to be granted to any new allottee. Once it is allotted, APMDC will be reimbursed its share of capital expenditure incurred towards development of the block after collecting from the new allottee.

(e) **Use of proceeds (in the order of priority for which the said proceeds will be utilized):**

(i) **purpose of the placement;**

The proceeds from the issue after meeting requirements of creation of debt service reserve and meeting all the issue related expenses would be utilized for the following:

- a) for prepayment and foreclosure of entire outstanding fund-based facilities, by way of loans, that has been availed by the Company from SBI; and
- b) for payment of consideration to the State Government of Andhra Pradesh towards grant by it to the Company of quarry leasehold rights and mining rights over 436 new minor mineral mines and other corporate purposes.

(ii) **break - up of the cost of the project for which the money is being raised;**

The proceeds from the issue of Bonds are not proposed to be utilized towards project financing therefore, these details are not applicable.

(iii) **means of financing for the project;**

The proceeds from the issue of Bonds are not proposed to be utilized towards project financing therefore, these details are not applicable.

**(iv) proposed deployment status of the proceeds at each stage of the project.**

The proceeds from the issue of Bonds are not proposed to be utilized towards project financing therefore, these details are not applicable.

**7.7 Expenses of the Issue:**

Particulars	Amount (INR Crores)		
	Amount Excluding Taxes	As Percentage Of The Issue Size (In %)	As Percentage Of Total Expenses Of The Issue (In %)
Fees payable to the legal advisors	0.20	0.0057%	11.24%

- 7.18 Details of pending litigation involving the issuer, promoter, director, subsidiaries, group companies or any other person, whose outcome could have material adverse effect on the financial position of the Issuer, which may affect the Issue or the investor’s decision to invest / continue to invest in the debt securities and/ or non-convertible redeemable preference shares.**

**a) Litigation with respect to the Issuer**

While there are certain pending litigations involving the issuer, promoter, director, subsidiaries, group companies or any other person, as on the date of this Key Information Document, the Issuer does not envisage that outcome of any of such litigations can have material adverse effect on the financial position of the issuer, which may affect the issue or the investor’s decision to invest / continue to invest in the debt securities.

In the ordinary course of business, Issuer is a party to certain cases which include cases involving National Green Tribunal, VAT, Income tax authorities, Supreme Court cases, City Civil courts, High Court cases, arbitration cases, Lokayukta cases, district court cases, contempt of court cases, certain mineral related matters, service-related matters, mining related cases, land acquisition related cases etc.

Details of outstanding tax related matters are as follows:

Name of the Statute	Nature of Dues	Forum where dispute is pending	Period to which amount relates	Amount in Rupees (2021-22)	Amount in Rupees (2022-23)	Amount in Rupees (2023-24)

## 7.26 UNDERTAKING BY THE ISSUER

- (a) For taking an investment decision, investors must rely on their own examination of the Issuer and the offer including the risks involved. The securities have not been recommended or approved by any regulatory authority in India, including the SEBI nor does SEBI guarantee the accuracy or adequacy of this document. Specific attention of investors is invited to the statement on the cover page under the section 'General Risk'.
- (b) The Issuer, having made all reasonable inquiries, accepts responsibility for, and confirms that this Key Information Document contains all information with regard to the Issuer and the issue, that the information contained in the issue document is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which make this document as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.
- (c) The Issuer has no side letter with any debenture holder except the one(s) disclosed in this Key Information Document. Any covenants later added shall be disclosed on the stock exchange website where the debt is listed.

## 7.27 A statement containing particulars of the dates of, and parties to all material contracts, agreements:

By very nature and volume of its business, the Company is involved in a large number of transactions involving financial obligations and therefore it may not be possible to furnish details of all material contracts and agreements involving financial obligations of the Company. Copies of these contracts together with the copies of documents referred hereinbelow may be inspected at the Registered Office of the Company between 10.00 a.m. and 12.00 noon on any Working Day until the Issue Closing Date:

1. Memorandum and Articles of Association of the Company.
2. Shareholders' Resolution under section 180(1)(c) and section 180(1) (a) of the Companies Act, 2013 dated 21.02.25 authorizing the board to borrow within the overall borrowing limits of the Company.
3. Board resolution and shareholders' resolution each dated 21.02.2025 authorizing the Issuer to issue Bonds.
4. Consent letter from Beacon Trusteeship Limited dated 11.03.25 for acting as a debenture trustee for and on behalf of the Debenture holders.
5. Consent letter from MUFG Intime India Private Limited dated 08.04.25 for acting as Registrars and Transfer Agents to the Issue.
6. Letter from India Ratings and Research Private Limited dated 16.04.25 conveying the credit rating for the Debentures of the Company.
7. Letter from Acuite Rating and Research Private Limited dated 06.05.25 conveying the credit rating for the Debentures of the Company.
8. Tripartite Agreement between the Company, National Securities Depository Limited ("NSDL") and the Registrar for the Issue of Debentures in dematerialised form.
9. Tripartite Agreement between the Company, Central Depository Services (India) Limited ("CDSL") and the Registrar for the Issue of Debentures in dematerialised form.
10. Annual reports of the company for FY16, FY17 & FY18.
11. Financials Statements of the Company for FY19, FY20, FY21, FY22, FY23, FY24 & stub period ended December 2024.

## 7.28 Other details:

- (a) **Creation of Debenture Redemption Reserve ("DRR") – relevant legislations and applicability:**

The Issuer shall have created a Debenture Redemption Reserve ("DRR") as per the provisions of the Companies Act, 2013 and the guidelines issued by the Ministry of Corporate Affairs and SEBI as amended from time to time (if and as applicable), and if during the currency of these presents, any guidelines are formulated (or modified or revised) by any government agency

having authority under law in respect of creation of DRR, the Issuer shall abide by such guidelines and execute all such supplemental letters, agreements and deeds of modifications as may be required by the Bond Trustee. The Issue of Debt Securities shall be in conformity with the applicable provisions of the the SEBI Debt Regulations, the SEBI Listing Regulations and the applicable SEBI guidelines.

- (b) **Issue/instrument specific regulations – relevant details (Companies Act, 2013, guidelines issued by the Reserve Bank of India, etc.):**

The Issue of Debt Securities shall be in conformity with the applicable provisions of the SEBI Debt Regulations, the SEBI Listing Regulations and the applicable SEBI guidelines.

- (c) **Default in payment:**

In case of default (including delay) in payment of Interest and/or principal redemption on the due dates, additional interest at 2% p.a. or such other rate as may be prescribed under the Applicable Law over and above the applicable Coupon Rate will be payable by the Issuer for the defaulting period in respect of the Debentures shall be payable by the Issuer in accordance with SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and SEBI circulars, as amended from time to time.

- (d) **Delay in listing:**

In case of delay in listing of the Debentures beyond 3 (three) trading days from the Issue Closing Date the Issuer shall pay penal interest to the Debenture Holders, of at least 1.00% p.a. over the Coupon Rate from the Deemed Date of Allotment until the listing of such Debentures on the entire outstanding amount pertaining to the Debentures.

- (e) **Delay in allotment of securities:**

The Issuer will undertake the allotment of the Debentures within the specified timeline, and in the event of delay of the same, the Issuer shall pay such penalty / default interest as may be prescribed under Applicable Law.

- (f) **Delay in execution of DTD:**

Where an issuer fails to execute the trust deed within the timelines specified, the issuer shall also pay interest of at least two percent per annum or such other rate, as specified by the board to the holder of debt securities, over and above the agreed Coupon Rate, till the execution of the trust deed.

- (j) **Project details: gestation period of the project; extent of progress made in the project; deadlines for completion of the project; the summary of the project appraisal report (if any), schedule of implementation of the project:**

- i) Gestation Period of the project: 1-2 years
- ii) Deadlines for completion of the project: The project will start in FY27 and will be ongoing for 10-50 years
- iii) Summary of the project appraisal report (if any):

APMDC has conceptualized a program to significantly expand its operations in the minor minerals sector. As a State-Govt. owned nodal mining company, APMDC has been given access for extraction of minor minerals across the state such as

- a. Granite Leases:** There are over 320 deposits, covering an extent of almost 1,600 Ha., in Govt. land, containing various types of granite viz., Black Galaxy Granite, Black Granite & Color Granite.
- b. Building Materials:** Over 100 deposits of building material, spanning over 400 Ha., have already been identified in Govt. land in Andhra Pradesh.
- c. Quartz/Quartzite/Silica Sand:** Close to 30 deposits of Quartz/Quartzite/Silica Sand, over an extent of ~180 Ha., have already been identified in Govt. land in Andhra Pradesh.
- d. Others:** In addition to the above, there are more than 30 deposits of various other minor minerals, including Dolomite, Pyrophilite, Barytes, Mosaic Chips, Clay etc. with a total extent of ~240 Ha. of Govt. land.

APMDC intends to pursue with the State Govt. to obtain preferential allocation of the above minor mineral deposits and subsequently take up their development & operations, so as to increase its portfolio of projects & augment revenues.

- iv) Schedule of implementation of the project:

NIL

- 7.35 The details of acts of material frauds committed against the issuer in the preceding three financial years and current financial year, if any, and actions taken by the issuer.**

NIL

### **7.36 Rights of Debenture Holders**

The rights, privileges and conditions attached to the Debt Securities may be varied, modified and/or abrogated with the consent in writing of the Debt Security Holders holding at least fifty one percent of the outstanding amount of the Debt Securities or with the sanction of special resolution passed at a meeting of the concerned Debt Security Holders, provided that nothing in such consent or resolution shall be operative against the Issuer, where such consent or resolution modifies or varies the terms and conditions governing the Debt Securities, if the same are not acceptable to the Issuer.

The registered Debt Security Holder shall be entitled to vote in respect of such Debt Securities, either in person or by proxy, at any meeting of the concerned Debt Security Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights shall be in proportion to the outstanding nominal value of Debt Securities held by him/her on every resolution placed before such meeting of the Debt Security Holders.

The Debt Securities are subject to the provisions of the Debenture Trust Deed and the terms of the Issue Document. Over and above such terms and conditions, the Debt Securities shall also be subject to other terms and conditions as may be incorporated in the Debenture Trust Deed / Debenture Trustee Agreement/ letters of allotment/ debenture certificates, guidelines, notifications and regulations issued from time to time by the Government of India and/or other authorities and other documents that may be executed in respect of the Debt Securities.

## **8. ISSUE PROCEDURE**

The Issuer proposes to issue each series/ tranche (as applicable) of the Debt Securities on the terms set out in this Key Information Document subject to the provisions of the SEBI Debt Regulations, the SEBI LODR Regulations and other terms and conditions as may be incorporated in the relevant Debt Security Trust Deed. This section applies separately to the issue of each series/ tranche (as applicable) of the Debt

### **Who Can Bid/Apply/Invest**

**All applicants are required to comply with the relevant regulations/ guidelines applicable to them for investing in the Issue as per the norms approved by Government of India, RBI or any other statutory body from time to time, including but not limited to SEBI Master Circular. The contents of the Issue Document and any other information supplied in connection with the Issue Document, or the Debt Securities are intended to be used only by those investors to whom it is distributed. It is not intended for distribution to any other person and should not be reproduced or disseminated by the recipient.**

**The Issue will be under the electronic book mechanism as required in terms of the SEBI Master Circular.**

However, out of the aforesaid class of investors eligible to invest, the Issue Document is intended solely for the use of the person to whom it has been sent by the Issuer for the purpose of evaluating a possible investment opportunity by the recipient(s) in respect of the securities offered herein, and it is not to be reproduced or distributed to any other persons (other than professional advisors of the prospective investor receiving the Issue Document from the Issuer).

### **8.1 Documents to be provided by successful bidders**

Investors need to submit the certified true copies of the following documents, along with the application form, as applicable:

- (a) Articles and Memorandum of Association/ Constitution/ Bye-laws;
- (b) Board Resolution authorizing the investment and containing operating instructions;

- (c) Power of Attorney/ relevant resolution/authority to make application;
- (d) Specimen signatures of the authorized signatories (ink signed), duly certified by an appropriate authority;
- (e) Copy of Permanent Account Number Card (“**PAN Card**”) issued by the Income Tax Department;
- (f) Necessary forms for claiming exemption from deduction of tax at source on interest on application money, wherever applicable.

## 8.2 How to bid

Eligible Investors should refer the SEBI master circular dated May 22, 2024, bearing reference SEBI/HO/DDHS/PoD1/P/CIR/2024/54 (“**SEBI Master Circular**”) for issuance of debt securities on private placement basis through an electronic book mechanism as available on web site of the relevant stock exchange. Eligible Investors will also have to complete the mandatory KYC verification process. Eligible Investors should refer to the EBP Guidelines of the relevant stock exchange. The Application Form will be filled in by each Investor. Applications for the Debt Securities must be in the prescribed form (enclosed) and completed in BLOCK LETTERS in English as per the instructions contained therein.

- (a) The details of the Issue shall be entered on the EBP platform to be used by the Issuer for the respective Tranche or Issuance within the applicable timelines in accordance with the SEBI Master Circular.
- (b) The Issue will be open for bidding for the duration of the bidding window that would be communicated through the Issuer’s bidding announcement on the EBP Platform, before the start of the Issue / Bid Opening Date within the applicable timelines in accordance with the SEBI Master Circular.
- (c) A bidder will enter the bid amount while placing their bids in the EBP Platform.

Some of the key guidelines in terms of the current SEBI master Circular on issuance of securities on private placement basis through an electronic book mechanism, are as follows:

## 8.3 Modification of Bid:

Investors may note that modification of bid is allowed during the bidding period / window. However, in the last 10 (ten) minutes of the bidding period / window, revision of bid is only allowed for improvement of price and/or upward revision of the bid amount placed by the investor.

## 8.4 Cancellation of Bid

Investors may note that cancellation of bid is allowed during the bidding period / window. However, in the last 10 (ten) minutes of the bidding period / window, no cancellation of bids is permitted.

## 8.5 Multiple Bids

Eligible Investors are permitted to place multiple bids on the EBP platform in line with the SEBI Master Circular.

## 8.6 Withdrawal of Issue

The Issuer may, at its discretion, may withdraw from the issue process on the following conditions:

- (i) Non receipt of the bids upto the base issue size;
- (ii) Bidder has defaulted on payment towards allotment, within the stipulated time frame, due to which the Issuer is unable to fulfil the base issue size;

- (iii) cut-off yield (i.e. the highest yield at which a bid is accepted) in the issue is higher than the estimated cut-off yield (i.e. the yield estimated by the Issuer, prior to opening of issue) disclosed to the EBP, where the base issue size is fully subscribed.

Disclosure of estimated cut-off yield on the EBP platform to the eligible participants, pursuant to closure of the Issuer.

Provided that, in case an issuer withdraws issues on the EBP platform because of the cut-off yield being higher than the estimated cut-off yield, the EBP shall mandatorily disclose the estimated cut-off yield to the eligible participants.

However, the Eligible Investors should refer to the SEBI Master Circular as prevailing on the date of the bid.

## **8.7 Manner of Bidding**

The Issue will be through book bidding on the EBP platform as mentioned in the section titled 'Issue Details' under this Key Information Document in line with SEBI Master Circular.

## **8.8 Method of Allotment**

The allotment will be done on multiple yield basis in line with SEBI Master Circular.

## **8.9 Right to accept or reject bids**

The Issuer reserves full, unqualified and absolute right to accept or reject any bid(s), in part or in full, without assigning any reason thereof and to make provisional / final allocations at its absolute discretion.

The application forms that are not complete in all respects are liable to be rejected and would not be paid any interest on the application money. Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- (a) Number of Debt Securities applied for is less than the minimum application size;
- (b) Application money received not being from the Issuer account of the person/entity subscribing to the Debt Securities or from the Issuer account of the person/ entity whose name appears first in the Application Form, in case of joint holders;
- (c) Issuer account details of the Applicants not given;
- (d) Details for issue of Debt Securities in dematerialized form not given;
- (e) PAN/GIR and IT circle/Ward/District not given;
- (f) In case of applications under power of attorney by limited companies, corporate bodies, trusts, etc. relevant documents not submitted;

In the event, if any Debt Securities applied for is/ are not allotted in full, the excess application monies of such Debt Securities will be refunded, as may be permitted.

## **8.10 How to fill the Application Form**

- (a) Applications should be for the number of Debt Securities applied by the Applicant. Applications not completed in the said manner are liable to be rejected.
- (b) The name of the applicant's bank, type of account and account number must be filled in the Application Form.

- (c) The Applicant or in the case of an application in joint names, each of the Applicant, should mention his/her PAN allotted under the Income -Tax Act, 1961 or where the same has not been allotted, the GIR No. and the Income tax Circle/Ward/District. As per the provision of Section 139A (5A) of the Income Tax Act, PAN/GIR No. needs to be mentioned on the certificates. Hence, the investor should mention their PAN/GIR No. Application Forms without this information will be considered incomplete and are liable to be rejected.
- (d) All applicants are requested to tick the relevant column “Category of Investor” in the Application Form. Public/ private/ religious/ charitable trusts, provident funds and other superannuation trusts and other investors requiring “approved security” status for making investments. These are not approved securities as defined under the Insurance Act, 1938.

Applications should be for the number of Debt Securities applied by the Applicant. Applications not completed in the said manner are liable to be rejected. The name of the applicant’s bank, type of account and account number must be filled in the Application Form. This is required for the applicant’s own safety and these details will be printed on the refund orders and interest/ redemption warrants.

For further instructions about how to make an application for applying for the Debt Securities and procedure for remittance of application money, please refer to the Issue Details and the Application Form.

#### **8.11 Terms of Payment**

The full-face value of the Debt Securities applied for is to be paid along with the Application Form. Eligible Investor(s) need to send in the Application Form and the details of NEFT/RTGS for the full value of Debt Securities applied for.

#### **8.12 Force Majeure**

The Issuer reserves the right to withdraw the Issue prior to the Issue / Bid Closing Date in accordance with the SEBI Master Circular, in the event of any unforeseen development adversely affecting the economic and regulatory environment or otherwise.

#### **8.13 Who can apply**

The Eligible Investors as identified under this Key Information Document to be issued by the Issuer for the respective Tranche. The bidders should be registered/enrolled with the relevant EBP Platform. All the registered and eligible participants are required to update the necessary bank account and demat details before participating in the bidding process on relevant EBP Platform.

#### **8.14 Application Procedure**

Eligible Investors may apply through the relevant EBP Platform through electronic book mechanism in line with the SEBI Master Circular, as amended from time to time.

The settlement procedure shall be in accordance with the SEBI Master Circular read with relevant EBP Guidelines:

- (a) Pay-in towards the allotment of Debt Securities shall be done from the account of the bidder to whom allocation is to be made;
- (b) Pay in shall be done through clearing corporation as intimated by the EBP to the bidder.

#### **8.15 Applications under Power of Attorney**

A certified true copy of the power of attorney or the relevant authority as the case may be along with the names and specimen signature(s) of all the authorized signatories and the tax exemption certificate/document, if any, must be lodged along with the submission of the completed Application Form. Further modifications/ additions in the power of attorney or authority should be notified to the

Issuer or to the Registrars or to such other person(s) at such other address(es) as may be specified by the Issuer from time to time through a suitable communication.

In case of an Application made by companies under a power of attorney or resolution or authority, a certified true copy thereof along with memorandum and articles of association and/or bye-laws along with other constitutional documents must be attached to the Application Form at the time of making the application, failing which, the Issuer reserves the full, unqualified and absolute right to accept or reject any application in whole or in part and in either case without assigning any reason thereto. Names and specimen signatures of all the authorized signatories must also be lodged along with the submission of the completed Application Form.

#### **8.16 Application by Mutual Funds**

In case of applications by Mutual Funds, a separate application must be made in respect of each scheme of an Indian Mutual Fund registered with SEBI and such applications will not be treated as multiple applications, provided that the application made by the asset management company/ trustees/ custodian clearly indicate their intention as to the scheme for which the application has been made.

The application forms duly filled shall clearly indicate the name of the concerned scheme for which application is being made and must be accompanied by certified true copies of:

- (a) SEBI registration certificate
- (b) Resolution authorizing investment and containing operating instructions
- (c) Specimen signature of authorized signatories

#### **8.17 Application by Provident Funds, Superannuation Funds and Gratuity Funds**

The applications must be accompanied by certified true copies of

- (a) Trust deed / bye laws /resolutions
- (b) Resolution authorizing investment
- (c) Specimen signatures of the authorized signatories

Those desirous of claiming tax exemptions on interest on application money are required to submit a certificate issued by the Income Tax officer along with the Application Form. For subsequent interest payments, such certificates have to be submitted periodically.

#### **8.18 Acknowledgements**

No separate receipts will be issued for the application money. However, the Issuer receiving the duly completed Application Form will acknowledge receipt of the application by stamping and returning to the applicant the acknowledgement slip at the bottom of each Application Form.

#### **8.19 Basis of allocation**

The Debt Securities shall be allocated in accordance with applicable SEBI regulations, the provisions of the SEBI Master Circular of the Stock Exchange and other Applicable Laws.

#### **8.20 Date of Subscription**

The Date of Subscription shall be the date of realization of proceeds of subscription money in the Designated Bank Account of relevant clearing corporation.

## 8.21 Signatures

Signatures should be made in English or in any of the Indian Languages. Thumb impressions must be attested by an authorized official of the Issuer or by a Magistrate/ Notary Public under his/her official seal.

## 8.22 Nomination Facility

Only individuals applying as sole applicant/joint applicant can nominate, in the prescribed manner, a person to whom his Debt Securities shall vest in the event of his death. Non-individuals including holders of power of attorney cannot nominate.

## 8.23 Eligible Investors

All Eligible Investors (as identified under this Key Information Document) are required to comply with the relevant regulations/guidelines applicable to them for investing in this issue of Debt Securities.

**Note:** Participation by potential investors in the Issue may be subject to statutory and/or regulatory requirements applicable to them in connection with subscription to Indian securities by such categories of persons or entities. Applicants are advised to ensure that they comply with all regulatory requirements applicable to them, including exchange controls and other requirements. Applicants ought to seek independent legal and regulatory advice in relation to the laws applicable to them.

## 8.24 Procedure for Applying for Dematerialised Facility

- (a) The applicant must have at least one beneficiary account with any of the DP's of NSDL/ CDSL prior to making the application.
- (b) The applicant must necessarily fill in the details (including the beneficiary account number and DP - ID) appearing in the Application Form under the heading "Details for Issue of Debt Securities in Electronic/Dematerialised Form".
- (c) Debt Securities allotted to an applicant will be credited to the applicant's respective beneficiary account(s) with the DP.
- (d) For subscribing to the Debt Securities, names in the Application Form should be identical to those appearing in the details in the Depository. In case of joint holders, the names should necessarily be in the same sequence as they appear in the account details maintained with the DP.
- (e) Non-transferable allotment advice/refund orders will be directly sent to the applicant by the Registrar to the Issue.
- (f) If incomplete/incorrect details are given under the heading "Details for Issue of Debt Securities in Electronic/ Dematerialised Form" in the Application Form, it will be deemed to be an incomplete application and the same may be held liable for rejection at the sole discretion of the Issuer.
- (g) For allotment of Debt Securities, the address, nomination details and other details of the applicant as registered with his/her DP shall be used for all correspondence with the applicant. The applicant is therefore responsible for the correctness of his/her demographic details given in the Application Form vis-a-vis those with his/her DP. In case the information is incorrect or insufficient, the Issuer would not be liable for the losses, if any.
- (h) The redemption amount or other benefits would be paid to those Holders whose names appear on the list of beneficial owners maintained by the Registrar as on the Record Date. In case of those Debt Securities for which the beneficial owner is not identified in the records of the Registrar as on the Record Date, the Issuer would keep in abeyance the payment of the redemption amount or other benefits, until such time that the beneficial owner is identified by

the Registrar and conveyed to the Issuer, whereupon the redemption amount and benefits will be paid to the beneficiaries, as identified.

#### **8.25 Depository Arrangements**

The Issuer has made necessary depository arrangements with NSDL and CDSL for the Issue and holding of Debentures in the dematerialised form by investors. In this context, the Issuer has signed tripartite agreements as under:

- (a) Tripartite Agreement between the Issuer, the Registrar and Transfer Agent and NSDL for offering Depository option to the investors.
- (b) Tripartite Agreement between the Issuer, the Registrar and Transfer Agent and CDSL for offering Depository option to the investors.

#### **8.26 Documents to be provided by Investors**

Investors need to submit the following documents, as applicable:

- (a) Memorandum and Articles of Association/ Constitution/ Bye-laws/ Trust Deed/Statute (in case of a statutory body);
- (b) Resolution authorising investment
- (c) Power of Attorney to custodian
- (d) Specimen signatures of the authorised signatories
- (e) SEBI registration certificate (for Mutual Funds and Foreign Portfolio Investors)
- (f) Government notification (in case of primary co-operative Issuer and regional rural Issuers);
- (g) Form 15 AA for investors seeking exemption from Tax deduction at source from interest on the application money
- (h) Copy of PAN card, if any; and
- (i) Application Form (including RTGS/ NEFT details)

#### **8.27 Applications to be accompanied with Bank Account Details**

Every application shall be required to be accompanied by the bank account details of the applicant and the magnetic ink character reader code of the bank.

#### **8.28 List of Beneficial Owners**

The Issuer shall request the Depository to provide a list of Beneficial Owners as at the end of the Record Date. This shall be the list, which shall be considered for payment of the Redemption Premium and Redemption Amount, as the case may be.

#### **8.29 Succession**

In the event of winding-up of the holder of the Debt Security(s), the Issuer will recognize the executor or administrator of the concerned Holder(s), or the other legal representative as having title to the Debt Security(s). The Issuer shall not be bound to recognize such executor or administrator or other legal representative as having title to the Debt Security(s), unless such executor or administrator obtains probate or letter of administration or other legal representation, as the case may be, from a court having jurisdiction over the matter.

The Issuer may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or other legal representation, in order to recognize such holder as being entitled to the Debt Security(s) standing in the name of the concerned Holder on production of sufficient documentary proof and/or an indemnity.

### **9. OTHERS**

- (a) **Right of holder(s)**

Holder is not a shareholder. The Holders will not be entitled to any rights and privilege of shareholders other than those available to them under statutory requirements. The Debt Security(s) shall not confer upon the holders the right to receive notice, or to attend and vote at the general meetings of the Issuer. The principal amount and interest on the Debt Securities will be paid to the registered Holders only and in case of Joint Holders, to the one whose name stands first.

Besides the above, the Debt Securities shall be subject to the provisions of the terms of this Issue and the other terms and conditions as may be incorporated in the Debenture Trustee Appointment Agreement and other documents that may be executed in respect of these Debt Securities.

**(b) Modification of Rights**

The rights, privileges, terms and conditions attached to the Debt Securities may be varied, modified or abrogated by the Issuer, with the consent, in writing, of those Holders who hold at least three fourth of the outstanding amount of the Debt Securities or with the sanction accorded pursuant to a special resolution passed at a meeting of the Holders, provided that nothing in such consent or resolution shall be operative against the Issuer where such consent or resolution modifies or varies the terms and conditions of the Debt Securities, if the same are not acceptable to the Issuer.

Further, the Issuer shall be entitled (without obtaining a prior approval from the Holders) to make any modifications in Key Information Document which in its opinion is of a formal, minor or technical nature or is to correct a manifest error.

**(c) Future Borrowings**

The Company will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ bonds/other securities in any manner by creating a charge on any assets, subject to applicable consents, approvals or permissions that may be required under any statutory/regulatory/contractual requirement as may be required under applicable law or existing financing agreements, including any intimation, if applicable under the Transaction Documents, provided stipulated security cover is maintained on the bonds and after obtaining the consent of, or intimation to, the Bond Holders or the Debenture Trustee and compliance with other terms of the Transaction Documents.

**(d) Notices**

All notices to the Holder(s) required to be given by the Issuer or the Trustee from time to time, shall be deemed to have been given if sent by registered post/ by courier/by email to the sole/ first holder or the sole/ first Beneficial Owner of the Debt Securities or registered email id of such holder, as the case may be, or if published in Mumbai.

All notice(s) to be given by the Holder(s) shall be sent by registered post or by hand delivery to the Issuer to the following address:

Managing Director, APMDC,  
# 294/1D, 100 Feet Tadigadapa to Enikepadu Road,  
Tadigadapa, Vijayawada – 521137, Andhra Pradesh

**(e) Minimum subscription**

Minimum subscription of INR 9 lakhs (comprising 1 Bond of INR 1 lakh face value in each Sub-Series A to I) and in multiples thereof.

**(f) Underwriting**

The issue is not underwritten. Hence, not applicable

(g) **Letter(s) of Allotment / Debt Securities Certificate(s) /Refund Order (s)/Issue of Letter(s) of Allotment**

The Issuer shall allot the Debt Securities in dematerialized form within 1 (one) working days from the Deemed Date of Allotment and ensure completion of all statutory formalities as required for such dematerialized credit within the said time period.

(h) **Issue of Debt Securities Certificate(s)**

The Issuer shall allot the Debt Securities in dematerialized form within 1 (one) working days from the Deemed Date of Allotment and ensure completion of all statutory formalities as required for such dematerialized credit within the said time period. The Debt Securities since issued in electronic (dematerialized) form, will be governed as per the provisions of the Depository Act, Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996, rules notified by NSDL/ CDSL/ Depository Participant from time to time and other Applicable Laws and rules notified in respect thereof. The Debt Securities shall be allotted in dematerialized form only.

(i) **Trading of Debt Securities**

The marketable lot for the purpose of trading of Debt Securities shall be 1 (one) Debt Security of face value of INR 1,00,000/- (Indian Rupees one lakh each. Trading of Debt Securities would be permitted in demat mode only in standard denomination of INR 1,00,000/- (Indian Rupees one lakh only) and such trades shall be cleared and settled in recognized stock exchange(s) subject to conditions specified by SEBI. In case of trading in Debt Securities which has been made over the counter, the trades shall be reported on a recognized stock exchange having a nationwide trading terminal or such other platform as may be specified by SEBI.

(j) **Mode of Transfer of Debt Securities**

The Debt Securities shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the CDSL/NSDL/Depository Participant of the transferor/transferee and any other Applicable Laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debt Securities held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Issuer.

Transfer of Debt Securities to and from NRIs/ OCBs, in case they seek to hold the Debt Securities and are eligible to do so, will be governed by the prevailing guidelines of RBI.

(k) **Common Form of Transfer**

The Issuer undertakes that it shall use a common form/procedure for transfer of Debt Securities issued under terms of this Key Information Document.

(l) **Interest on Application Money**

Not applicable.

(m) **Interest on the Debt Securities**

The face value of the Debt Securities outstanding shall carry interest at the Coupon Rate from deemed date of allotment and the Coupon Rate & frequency of payment (subject to deduction of income tax under the provisions of the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof, as applicable) are mentioned at summary term sheet.

Interest or other benefits with respect to the Debt Securities would be paid to those Investors whose names appear on the list of beneficial owners given by the depository participant to R&TA as on the Record Date. In case the beneficial owner is not identified by the depository on the Record Date due to any reason whatsoever, the Issuer shall keep in abeyance the payment of interest or other benefits, till such time the beneficial owner is identified by the depository and intimated to the Issuer and such amount shall be paid within 15 (fifteen) working days of the date of receipt of such intimation. The Issuer will not pay interest or any amount in whatever name for the intervening period from Record Date to the actual date of payment of interest,

The interest payment shall be made through electronic mode to the Holders whose names appear on the list of beneficial owners given by the depository participant to R&TA as on the record date fixed by Issuer in the bank account which is linked to the demat of the Holder.

However, in absence of complete bank details i.e. correct/updated bank account number, IFSC/RTGS code /NEFT code etc., the Issuer shall not be liable for any additional costs or interest on account of delay. Further, in such cases the Issuer shall make payment through cheques / DDs on the due date at the sole risk of the Holders.

**(n) Right to further issue under the ISINs**

The Issuer reserves right to effect multiple issuances under the same ISIN in accordance with the SEBI Debt Regulations. The Issue can be made either by way creation of a fresh ISIN or by way of issuance under the existing ISIN at premium, par or discount as the case may be in line with the SEBI Debt Regulations.

**(o) Right to Re-purchase, Re-issue or Consolidate the Debt Securities**

The Issuer will have power, exercisable at its sole and absolute discretion from time to time, to re-purchase a part or all of its Debt Securities from the secondary markets or otherwise, at any time prior to the Redemption Date, subject to Applicable Law and in accordance with the applicable guidelines or regulations, if any.

In the event of a part or all of the Issuer's Debt Securities being repurchased as aforesaid or redeemed under any circumstances whatsoever, the Issuer shall have and shall be deemed always to have had, the power to re-issue the Debt Securities either by re-issuing the same Debt Securities or by issuing other debt securities in their place. The Issuer shall have right to consolidate the Debt Securities under present series in accordance with Applicable Law.

Further the Issuer, in respect of such re-purchased or re-deemed Debt Securities shall have the power, exercisable either for a part or all of those Debt Securities, to cancel, keep alive, appoint nominee(s) to hold or re-issue at such price and on such terms and conditions as it may deem fit and as permitted under the ISIN circulars or by laws or regulations.

**(p) Deduction of Tax at Source**

All payments to be made by the Issuer to the Holders under the Transaction Documents shall be made free and clear of and without deduction for or on account of taxes, except as required under the Income Tax Act, 1961, in the case of payment of interest under any Transaction Document or any interest to be paid on the withheld premium or any other amount payable in relation to the Debt Securities, as applicable. Provided that, the Issuer within the time stipulated under Applicable Laws delivers to the Trustee/ Holders tax withholding or tax deduction certificates in respect of such withholding or deduction made in any Fiscal Year, evidencing that such deducted taxes or withholdings have been duly remitted to the appropriate Governmental Authority.

If the Issuer is required to make a tax deduction, it shall make that tax deduction, and any payment required in connection with such tax deduction within the time allowed and in the minimum amount required by Applicable Law.

**(q) Deemed Date of Allotment**

All benefits under the Debt Securities including payment of interest will accrue to the Holders from and including the respective Deemed Date of Allotment. The actual allotment of Debt Securities may take place on a date other than the Deemed Date of Allotment. In case if the issue closing date/pay-in dates is/are changed (pre-poned/ postponed), the Deemed Date of Allotment may also be changed (pre -pond/ postponed) by the Issuer at its sole and absolute discretion.

(r) **PAN Number**

Every applicant should, if applicable, mention its Permanent Account Number (“**PAN**”) allotted under Income Tax Act, 1961, on the Application Form and attach a self-attested copy as evidence. Application forms without PAN will be considered incomplete and are liable to be rejected.

**10. DISPUTES & GOVERNING LAW**

The Debt Securities are governed by and shall be construed in accordance with the existing laws of India. Any dispute arising thereof will be subject to the sole jurisdiction of courts of Vijaywada, Amravati and Mumbai.

**11. DISCLOSURES PERTAINING TO WILFUL DEFAULT (IF ANY)**

**In case of listing of debt securities made on private placement, the following disclosures shall be made:**

- (a) Name of the bank declaring the entity as a wilful defaulter: NIL
- (b) The year in which the entity is declared as a wilful defaulter: NIL
- (c) Outstanding amount when the entity is declared as a wilful defaulter: NIL
- (d) Name of the entity declared as a wilful defaulter: NIL
- (e) Steps taken, if any, for the removal of the director of the Issuer from the list of wilful defaulters: NIL
- (f) Other disclosures, as deemed fit by the Issuer in order to enable investors to take informed decisions: NIL
- (g) Any other disclosure as specified by the Board of the Issuer: NIL

**12. UNDERTAKINGS**

- (a) The Issuer hereby agrees and confirms that the permission or consent to create *pari-passu* charge on the assets of the Issuer has been obtained from the existing creditors/lenders/existing debenture trustee;
- (b) The Issuer hereby undertakes that the assets on which the charge or security has been created to meet the hundred percent security cover or higher security cover is free from any encumbrances and in case the assets are encumbered, the permissions or consent to create any further charge on the assets has been obtained from the existing creditors to whom the assets are charged, prior to creation of the charge.
- (c) The Issuer hereby undertakes that necessary documents for the creation of charge, where applicable, including Debt Security Trust Deed would be executed within time-frame prescribed in the Applicable Laws and the same would be uploaded on website of the designated stock exchange, where the debt securities will be listed.

**13. OTHER DISCLOSURES**

- (a) Debt Securities shall be considered as secured only if the charged asset is registered with sub-registrar and registrar of companies or Central Registry of Securitisation Asset Reconstruction and Security Interest or depository etc., as applicable or is independently verifiable by the Debenture Trustee;
- (b) Terms and conditions of debenture trustee agreement including fees charged by debenture trustees(s), details of security to be created and process of due diligence carried out by the debenture trustee:

Fees charged by the Debenture Trustee:

For the purpose of this Issue, the Issuer has agreed to pay to the Bond Trustee sums of Rs 4,00,000/- as the one-time acceptance fee and Rs 4,00,000/- as the annuity fee payable per annum. Terms and conditions of appointment of the Debenture Trustee and the due diligence to be carried out by the Debenture Trustee are further specified in the Debenture Trustee Agreement dated 11.03.2025

Details of security to be created: Please refer to Section 14 of this Key Information Document.

The Debenture Trustee shall perform its duties and obligations and exercise its rights and discretions, in keeping with the trust reposed in the Debenture Trustee by the holder(s) of the Debentures and shall further conduct itself, and comply with the provisions of all Applicable Laws, provided that, the provisions of Section 20 of the Indian Trusts Act, 1882, shall not be applicable to the Debenture Trustee. The Debenture Trustee shall carry out its duties and perform its functions as required to discharge its obligations under the terms of Companies Act, 2013, SEBI Regulations, the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, the Debenture Trusteeship Agreement, Debenture Trust Deed, Key Issue Document and all other related Transaction Documents, with due care, diligence and loyalty.

The Debenture Trustee shall be vested with the requisite powers for protecting the interest of holder(s) of the Debentures. The Debenture Trustee shall ensure disclosure of all material events on an on-going basis.

The Debentures shall be considered as secured only if the charged asset is registered with the sub-registrar, registrar of companies, CERSAI or depository, as applicable, or is independently verifiable by the Debenture Trustee.

- (c) Due Diligence Certificate – As per the **Annexure J**

**14. ISSUE DETAILS****Summary of Key Terms**

<b>Issuer</b>	<b>The Andhra Pradesh Mineral Development Corporation Limited (APMDCL/ Company/ Issuer)</b> is a company within the meaning of the Companies Act 2013, wholly owned by State Government of Andhra Pradesh and is primarily engaged in mining and mineral exploration activities.
<b>Security Name</b>	APMDC Bonds 2025-26
<b>Series</b>	Series I – 2025-26
<b>Business Model</b>	APMDCL is the nodal company of the State of Andhra Pradesh and has been granted the rights for mining and exploration of valuable minerals both within and outside the State of Andhra Pradesh.  APMDCL, though fully equipped to carry out integrated mining operations is presently following a model where the mining operations are delegated to

	<p>a selected Mine Developer and Operator (MDO) on a contractual basis after the APMDCL provides them with the mining land free of encumbrances.</p> <p>At present the Company is active in mining Barytes Mineral, along with minor minerals such as Granite, Ball Clay etc. It has also forayed into mining of thermal coal, coking coal, Beach Sand Minerals, Iron ore giving itself a well-diversified product mix.</p> <p>The Company is pursuing an expansion strategy for extraction of minerals from beach sand which has got abundant potential across the State of Andhra Pradesh apart from augmenting its coal mining capacity.</p> <p>The augmentation of capacity for production of minor minerals is being proposed to be implemented through acquisition of quarry leasehold rights and mining rights over 436 new minor mines from the State Government of Andhra Pradesh.</p>
<b>Guarantor</b>	State Government of Andhra Pradesh
<b>Type of Instrument</b>	Senior, Secured, Rated, Listed, Redeemable and Taxable Non-Convertible Debentures (“NCD” or “Debentures” or “Bonds”); supported by Unconditional & Irrevocable guarantee from the State Government of Andhra Pradesh (“GoAP”), in the form of a continuing obligation, for the timely servicing of the interest and principal in respect of such Debentures / Bonds.
<b>Nature and status of Bonds</b>	Secured
<b>Seniority</b>	Senior
<b>Issuance Mode</b>	Private Placement
<b>Issue Size</b>	<p>INR 1,999.98 crores with a green shoe option to retain over subscription of INR 6,999.93 crores i.e. aggregate Issue size of INR 8999.91 crores.</p> <p>The Issuer has accepted bids for subscription of Bonds for an aggregate amount of INR 3489,21,00,000 (Indian Rupees Three Thousand Four Hundred Eighty Nine Crores and Twenty One Lakhs only), comprising of a base issue size of INR 1999,98,00,000 (Indian Rupees One Thousand Nine Hundred Ninety Nine Crores and Ninety Eight Lakhs only) along with green shoe option of INR 1489,23,00,000 (Indian Rupees One Thousand Four Hundred Eighty Nine Crores and Twenty Three Lakhs Only).</p>
<b>Option to retain oversubscription (Amount)</b>	INR 6,999.93 crores, out of which issuer has retained over subscription of INR 1489.23 crores.
<b>Issuance in one or more tranches</b>	<p>The aggregate issue size of INR 8999.91 crores as above can be mobilized in one or more tranches by the Issuer. The Bonds issued under each tranche would have inter-se pari-passu status and rights in all respects. However, the interest rate on the different tranches could vary depending upon the coupon discovery at the time of bidding.</p> <p>The State Government has already issued its unconditional &amp; irrevocable guarantee for the entire issue size and as such the said guarantee along with Defined Recourse Mechanism, Security, Escrow and Default Escrow Mechanisms as set out in this term sheet and Transaction Documents shall apply mutatis-mutandis to the Bonds issued under all the tranches within the aggregate amount of INR 9000 crores.</p>

Eligible Investors	(a) Individuals (b) Hindu Undivided Family; (c) trust; (d) limited liability partnerships; (e) partnership firm(s); (f) portfolio managers registered with SEBI; (g) association of persons; (h) companies and bodies corporate including public sector undertakings; (i) scheduled commercial banks; (j) regional rural banks; (k) financial institutions; (l) insurance companies; (m) mutual funds; (n) foreign portfolio investors; and (o) any other investor eligible to invest in the Bonds as per applicable law.																						
Listing	In terms of the SEBI Master circular dated May 22, 2024, the debentures would be listed on NSE within 3 Working Days from the closure of the issue. In the event the Bonds are not listed within the above timeline, the Issuer shall pay additional interest of 1% p.a. over the Coupon Rate for the period of such delay from the date of allotment upto the date of listing.																						
Objects of the Issue	The proceeds from the issue after meeting requirements of creation of debt service reserve and meeting all the issue related expenses would be utilized for the following: a) for prepayment and foreclosure of entire outstanding fund based facilities, by way of loans, that has been availed by the Company from SBI; and b) for payment of consideration to the State Government of Andhra Pradesh towards grant by it to the Company of quarry leasehold rights and mining rights over 436 new minor mineral mines and other corporate purposes.																						
Details of the utilization of the Proceeds	Same as in the “Objects of the Issue”

<b>Settlement</b>	Demat Only
<b>Effect of holidays</b>	<p>#In terms of the SEBI Master Circular dated May 22, 2024:</p> <p>1. If the interest payment date falls on a holiday, the payment may be made on the following Working Day, however the dates of the future coupon payments would be as per the schedule originally stipulated at the time of issuing the security. In other words, the subsequent coupon schedule would not be disturbed merely because the payment date in respect of one particular coupon payment has been postponed earlier because of it having fallen on a holiday.</p> <p>2. If the Redemption Date and Coupon Payment Date of the debentures falls together on a day that is not a Working Day, the redemption proceeds shall be paid by the Issuer on previous Working Day along with interest accrued on the debentures until but excluding the date of such payment.</p>
<b>Record Date</b>	15 days prior to Redemption Date or Coupon Payment Date as the case may be. In the event the Record Date falls on a day which is not a Working Day, the immediately succeeding Working Day will be considered as the Record Date.
<b>Structure related Covenants of the Issuer</b>	<ol style="list-style-type: none"> <li>Unconditional and Irrevocable Guarantee from State Government of Andhra Pradesh for timely servicing of Interest and Principal in respect of Bonds.</li> <li>Maintenance of Debt Service Reserve Amount (DSRA) to the extent of fully covering the peak servicing requirements for 2 quarters as a liquidity support.</li> <li>Entire revenue of the Issuer from all activities to be collected in a single account – Revenue Collection Account.</li> <li>Stipulation for invocation of Government Guarantee for impairment of DSRA if not remedied within 30 days of stipulated timelines with activation of Defined Recourse Mechanism and ensuring Default Escrow Mechanism on the Revenue Collection Account remaining active till DSRA replenishment gets completed.</li> <li>Stipulation for invocation of Government Guarantee in case of an Event of Default, if settlement of entire liabilities not effected within stipulated timelines with activation of Defined Recourse Mechanism and of the Default Escrow Mechanism on the Revenue Collection Account in the post invocation scenario.</li> </ol>

<b>Revenue Collection Account under Default Escrow Mechanism</b>	<p>The Issuer would be required to open a designated account APMDCL Revenue Collection Account or RCA and ensure through an irrevocable undertaking that the entire revenue of the Issuer accruing from whatsoever activity would be deposited only in this account, either directly or through an irrevocable standing instruction to any other collection account(s) of the Issuer to transfer the entire collection to RCA on a day-to-day basis.</p> <p>The Issuer would need to give an undertaking that any violation of this arrangement including opening of any new account(s) for Revenue Collection under whatsoever condition would be treated as an Event of Default unless the said violation is fully remedied within next 3 Working Days.</p> <p>These undertakings from the Issuer would be an integral part of the Debenture Trust Deed and to be monitored by the Debenture Trustee on a regular basis.</p> <p>The waterfall mechanism of the Revenue Collection Account to be followed would be as below:</p> <ol style="list-style-type: none"> <li>1. Statutory dues and taxes</li> <li>2. Servicing of the bonds (including stipulated monthly transfer to BSA and DSRA replenishment)</li> <li>3. Payment for all operating expenditures</li> <li>4. Payment for all overheads</li> <li>5. Surplus, after meeting the above, can be utilised by the Issuer, after the closure of the concerned financial year, subject to the condition that the DSCR for the relevant financial year is computed and found to be 1.25 or above else the same would need to be transferred to Contingency Reserve Account.</li> </ol> <p>The RCA would be under a Default Escrow Mechanism. The above waterfall would be followed under normal conditions. However, once the Default Escrow Mechanism is enforced, all the revenue getting collected in the RCA would be directly transferred to BSA/DSRA till such time all the liabilities of the issuer in respect of the Bonds are fully met.</p>
<b>Bond Servicing Account (BSA)</b>	<p>The Issuer would be required to open a designated escrow account - “APMDCL BOND SERVICING ESCROW ACCOUNT” or “BSA” exclusively charged to the Debenture Trustee (for the benefit of the Bond holders). All funds for meeting servicing requirements of the Bonds should be credited within a specified timeline prior to the servicing date in the BSA.</p> <p>This would be a regular Escrow Account and all funds in this account would be solely utilised for servicing the Bonds throughout their tenor.</p>
<b>Debt Service Reserve Account (DSRA)</b>	<p>The Issuer would be required to open a designated escrow account - “APMDCL DEBT SERVICE RESERVE ESCROW ACCOUNT” or “DSRA” exclusively charged to the Debenture Trustee (for the benefit of the Bond holders).</p> <p>An amount equivalent to the peak servicing obligation (Interest plus Principal) of the outstanding Bonds for two quarterly payouts (falling due at the end of 5th and 6th quarter from the deemed date of allotment) would need to be maintained by the Issuer in the DSRA and the amount so calculated would need to be deposited on first priority basis out of the issue proceeds.</p>

	<p>Further, as the servicing liability would progressively come down after the peak, the Issuer would be permitted to take out the excess amount of DSRA progressively after obtaining approval of the Debenture Trustee, subject to no unresolved breach of any covenants.</p> <p>The DSRA would be in the form of cash or cash equivalent (deployed in permitted investments) and would remain charged in favour of the Debenture Trustee.</p>
<b>Contingency Reserve Fund</b>	<p>The Company would be required to open a designated escrow account - Contingency Reserve Account (CRA) where no funding is required initially.</p> <p>In the years where the DSCR at the annual computation is found to be below 1.25 times, the surplus (after meeting all expenses and tax payouts) for that particular year would be credited directly from the Revenue Collection Account to CRA without allowing the company to utilise the said surplus.</p> <p>The Company would be free to utilise the annual surplus in the years where the DSCR computed annually is above 1.25 times.</p> <p>However, any amount once transferred and lying in the Contingency Reserve Fund would be released only after DSCR remains at or above 1.25 times for minimum 2 consecutive years subject to the condition that there is no impairment of DSRA under both the conditions.</p> <p>DSCR would be tested annually at the end of each financial year and would be the ratio of surplus before interest depreciation but after tax to the total servicing obligation for the year (interest plus principal).</p> <p>This transfer of surplus from the Revenue Collection Account and the balance from the CRA as stipulated above would be allowed once at the expiry of the concerned financial year subject to the satisfactory compliance of the conditions aforesaid including completion of annual DSCR computation and the same being found to be above 1.25 times.</p>
<b>Permitted Investments</b>	<p>The funds in BSA, DSRA and CRA till such time being utilized would be allowed to be invested in permitted investments i.e.</p> <ul style="list-style-type: none"> <li>(a) Fixed Deposits with Scheduled Commercial Banks with a minimum Credit Rating of AA, without any restriction on premature encashment whenever called upon and/ or</li> <li>(b) Units of liquid mutual funds or overnight mutual funds and corporate bonds of public sector undertakings, having the highest possible investment grade rating.</li> </ul> <p>These investments are to be charged in favour of the Debenture Trustee.</p> <p>These investments would be made &amp; liquidated by the Debenture Trustee as per the instruction of the Issuer from time to time. However, any investment of funds of BSA, other than in Bank FDs would be compulsorily liquidated by the Trustee on T-3 days, if not liquidated earlier. The investment in Bank FDs, out of funds lying in BSA should have a maturity date at least 1 day prior to the forthcoming Bond servicing date.</p> <p>In case of any shortfall of funds to meet servicing requirement persisting in the BSA on T-10 day, the Debenture Trustee should ensure availability</p>

	<p>of adequate funds to meet such shortfall in cash form in the Contingency Reserve Fund and DSRA, if required, through need-based liquidation of investments/ fixed deposits made from the Contingency Reserve Fund and DSRA, as the case may be.</p>
<b>Structured Payment Mechanism</b>	<p>The Issuer would ensure that on the first Working Day of every quarterly servicing cycle, an amount equivalent to 30% of the requisite servicing amount should get transferred from RCA to the BSA.</p> <p>The Company should further transfer an amount equivalent to 35% of the quarterly servicing requirement both by T-60 and T-30 (i.e. 60 and 30 days prior to the servicing date) to BSA from the RCA so as to ensure full built up of servicing amount payable at-least 30 days prior to the relevant quarterly servicing date (T-30).</p> <p>The Debenture Trustee should independently check whether the requisite amount of funds has been transferred to BSA on the next Working Days in all the above cases and in case of any shortfall in amounts transferred, must immediately enforce the Default Escrow arrangement on RCA, which shall remain in force till the entire built up of the particular cycle gets completed.</p> <p>In the event of Debenture Trustee finding any shortfall during the monitoring on T-29 days, it shall immediately send a written communication to the State Government to provide fund support for meeting the shortfall.</p> <p>A provision in the Guarantee Deed would specifically stipulate a pre-invocation responsibility of the State Government to bridge this shortfall on or before T-9 (Final Funding Date) to prevent any DSRA impairment and consequential invocation of the guarantee.</p> <p>In case the shortfall in BSA still persists on T-5 day, such shortfall would be met by transferring requisite funds firstly from CRA to the extent available and further amount if required from DSRA to BSA. On the due date, the payout would be made to the Bond holders from BSA.</p>
<b>Description regarding Security (where applicable) including type of security (movable /immovable / tangible etc.), type of charge (pledge/ hypothecation/ mortgage etc.), date of creation of security/ likely date of creation of security, minimum security cover, revaluation</b>	<p>The Bonds would be secured by way of:</p> <ol style="list-style-type: none"> <li>1) Exclusive Charge on the Bond Servicing Account and the amount credited therein and which are required to be credited therein, which shall be utilized only for servicing of the bonds on quarterly servicing dates.</li> <li>2) Exclusive Charge on the DSRA and CRA Account and the funds lying there-in.</li> <li>3) Exclusive charge on the Revenue Collection Account and the amount accruing / lying there-in.</li> <li>4) Exclusive Charge by way of hypothecation (along with power of attorney) over quarry leasehold rights and mining rights of 436 identified mines of minor minerals projects granted by the State Government of Andhra Pradesh, including any replacement thereof as well as all cash flows arising therefrom. Valuation of such mining rights would be determined on the basis of the net present valuation of projected future cash flows arising out of the estimated mineral reserves available in such mines.</li> <li>5) Exclusive floating charge, by way of hypothecation over all the current assets of the Company, including receivables, both present and future.</li> <li>6) Unconditional &amp; Irrevocable guarantee from the State Government of Andhra Pradesh ("GoAP"), in the form of a continuing obligation for</li> </ol>

	<p>the timely servicing of the interest and principal in respect of the Debentures / Bonds.</p> <p>The value of quarry leasehold rights and mining rights of 436 identical mines of minor minerals projects, as stated in point 4 is estimated to be of an amount Rs 9637 crores.</p> <p>These accounts would be governed by an Escrow Agreement and the charge on such accounts and Permitted Investments made therefrom will be created through a Deed of Hypothecation in favour of the Debenture Trustee, immediately after allotment of debenture and prior to making application for listing.</p> <p>The above charge would be filed with the office of the concerned Registrar of Companies and Central Registry of Securitisation Asset Reconstruction and Security Interest ("CERSAI").</p> <p>It should be ensured that the value of security at any point of time should be sufficient to provide a cover of at least 1 time on the outstanding liabilities.</p> <p>The Debenture Trustee shall obtain the valuation and security cover certificate of the available Security on a quarterly basis by itself or through its empanelled agency. The Issuer shall also provide security cover certificate from its statutory auditor on a quarterly basis. Further, the Issuer shall submit to the Debenture Trustee the valuation of underlying mineral deposits in the identified mines once in every three years.</p> <p>If the security cover of the assigned charge on the mining rights over the identified mines as per valuation method described above along with funds lying to the credit of the BSA, DSRA, CRA and Revenue Collection Account falls below 1 time, the Issuer shall provide additional security in a form and manner, in consultation with and to the satisfaction of the Debenture Trustee to fully restore the security cover.</p>
<b>Replacement of security, interest to the debenture holder over and above the coupon rate</b>	<p>The Company shall have the right to replace any asset from the security package with another asset of the same or a higher value as acceptable to the Debenture Trustee and shall ensure that the minimum-security cover of 1 time shall be maintained until the redemption of the Bonds.</p>
<b>Permitted Indebtedness</b>	<p>The Issuer would be permitted to raise a maximum debt of INR 9,000 crores through issue of Bonds in one or more series/tranches and no other external senior liability till the DSCR is found to be above 1.5 times. However, there would be a separate limit for availing bank guarantee which would be unconditionally and irrevocably guaranteed by the State Government of Andhra Pradesh and without any recourse to the company. As of now the limit has been fixed at INR 906.52 crores, for which the State Government has given its unconditional and irrevocable guarantee. The Bank Guarantee limit, if required, can be enhanced subsequently subject to the same being unconditionally and irrevocably guaranteed by the State Government of Andhra Pradesh and without any recourse to the company, and furnishing of the relevant guarantee deed to the Debenture Trustee.</p> <p>If DSCR of the Issuer is found to be in excess of 1.50 times at the end of any financial year, it would be allowed to raise further direct liabilities (having recourse to the Company) only as per its requirements from time to time, subject to the condition that the aggregate external direct liability</p>

	<p>(including all forms of guarantee obligations, if provided by the Company) should at all times be restricted to an amount such that the minimum Debt Servicing Coverage Ratio remains atleast 1.50 times throughout the tenure of the Bonds.</p> <p>All direct liabilities raised would enjoy pari-passu status in all respects including but not limited to seniority, State Government guarantee (including Defined Recourse Mechanism), security and servicing priority and circumstances triggering enforcement of Default Escrow Mechanism and Event of Default. However, in the event of any subsequent liability being raised on more favorable terms, the same shall apply, mutatis mutandis to all the series of the Bonds.</p>
<b>Collateral Support Structure</b>	<p>The Bonds would have further collateral support by way of unconditional and irrevocable guarantee from the State Government of Andhra Pradesh, in the form of a continuing obligation for the timely servicing of interest and principal of the Bonds. The Issuer has already paid the necessary fees to the State Government for providing the guarantee.</p> <p>The Guarantee Deed would also provide for necessary fund infusion in the DSRA, in the event of its impairment and in the case of Event of Default, provision of funding to the extent as called upon by the Debenture Trustee through DSRA shortfall/ Event of Default notice, within stipulated timelines, failing which the Debenture Trustee would issue the Guarantee Invocation Notice, for invocation of guarantee.</p> <p>The Guarantee Deed shall also contain a provision stipulating a pre-invocation responsibility of the State Government to bridge the shortfall in the BSA on or before T-9 to prevent any DSRA impairment and consequential invocation of the guarantee.</p> <p>The State Government of Andhra Pradesh has further agreed and confirmed that in case any of the 436 new minor mines are not operational for any reason whatsoever, the State Government of Andhra Pradesh shall undertake all required steps and do all such acts as may be required to replace such relevant non-operational minor mineral mines, with new minor mineral mines which have net present value of future cash flows of such amounts as are not less than the net present value of future cash flows of the relevant non-operational minor mineral mines and undertake all steps for the grant of the quarry leasehold rights and mining rights in respect of such replaced minor mineral mines.</p>
<b>Remedial Action for shortfall due to DSRA impairment</b>	<p>The Debenture Trustee would check the adequacy of funds available in the DSRA on the first day of every quarterly servicing cycle.</p> <p>In the event of any shortfall in DSRA due to impairment on account of transfer of funds to BSA or for any other reason, the Debenture Trustee would send DSRA Shortfall notice to GoAP on the next day stating that if the amount is not fully replenished within the next 30 days, the guarantee would be invoked to the extent of such shortfall along with simultaneous triggering of Defined Recourse Mechanism in the post invocation scenario.</p> <p>The Debenture Trustee should also ensure that the Default Escrow Mechanism on RCA remains in force till all the irregularities including requisite DSRA replenishment get completely remedied.</p> <p>If DSRA is not fully restored at the expiry of aforesaid 30 days, the Debenture Trustee would invoke the guarantee to the extent of such</p>

	<p>shortfall on the next Working Day through issue of Guarantee Invocation Notice, along with simultaneous triggering of Defined Recourse Mechanism in the post invocation scenario.</p> <p>This process of Guarantee invocation, triggering of Defined Recourse Mechanism in the post invocation scenario, can happen multiple times if situation so warrants during the tenure of the Bonds.</p> <p>Defined Recourse Mechanism means that if there is any shortfall in DSRA / BSA upon the expiry of stipulated time period, the Debenture Trustee can invoke the guarantee to the extent of such shortfall, along with triggering of the direct debit mandate issued by the GoAP to the RBI, to request RBI to meet such shortfall from the accounts of the GoAP maintained with it.</p>
<b>Transaction Documents</b>	<ol style="list-style-type: none"> <li>1. Offer Documents – GID, KID and PAS-4</li> <li>2. Debenture Trustee Agreement</li> <li>3. Debenture Trust Deed</li> <li>4. Deed of Guarantee cum Undertaking</li> <li>5. Deed of Hypothecation, along with power of attorney</li> <li>6. Accounts Agreement</li> <li>7. Within 7 (seven) days of Deemed Date of Allotment, the Issuer shall provide certified copy of all corporate actions approving and allotting the Bonds.</li> <li>9. Within 2 (two) working days of Deemed Date of Allotment, the Issuer shall credit the Bonds into the dematerialized accounts of the Bond Holders.</li> <li>10. Within 15 (fifteen) days of Deemed Date of Allotment, the Issuer shall enter the name of the Debenture Holders in the Register of Debenture Holders.</li> </ol>
--	---

	<p>11. Within 30 (thirty) days from the Deemed Date of Allotment, the Issuer shall provide evidence of filing of a return of allotment on the issue of the Bonds in Form PAS-3 specified pursuant to Rule 12 and 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, (as amended from time to time) by the Issuer.</p> <p>12. Within 30 (thirty) days from the Deemed Date of Allotment, the Issuer shall provide evidence of maintenance of a complete record of the private placement offers in Form PAS-5 maintained by the Issuer in accordance with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, (as amended from time to time).</p> <p>13. Within 15 (fifteen) days from the Deemed Date of Allotment, the Issuer shall have paid all fees, costs, charges and expenses (to the extent such costs, charges and expenses have been incurred in accordance with the relevant agreement) payable to or incurred by the Debenture Trustee, guarantee commission, arranger or advisors and any solicitors, advocates, company secretaries or consultants used by any of them in connection with the issuance and placement of the Bonds, creation and registration of the security interest created pursuant to any Transaction Documents with the relevant registrar(s) of companies, compilation of search/status reports and other similar matters.</p> <p>14. Receipt by the Debenture Trustee of the final rating letter from the Rating Agencies.</p> <p>15. Receipt by the Debenture Trustee, to its satisfaction, of evidence that the RBI has duly acknowledged and agreed to the direct debit mandate letter, within 10 (ten) Working Days from the Deemed Date of Allotment of the Bonds.</p>
<b>Creation recovery of expense fund</b>	The Issuer shall create the Recovery Expense Fund for a maximum limit of INR 25,00,000 (Indian Rupees Twenty-Five Lakh only) in accordance with the SEBI REF Circular with the Stock Exchange.
<b>Event of Default</b>	<p>Customary to a facility to this nature including but not limited to the following:</p> <ol style="list-style-type: none"> <li>Non- payment of any bond servicing obligation on due date.</li> <li>Any failure on behalf of issuer to perform or comply with one or more of its material obligations in relations to the Bonds issued in pursuance of terms and conditions stated in the Offer Documents and Debenture Trustee Agreement which in opinion of the Trustee is incapable of remedy.</li> <li>Breach of contractual agreement given by the State Government if not remedied as mentioned above with 30 (thirty) working days.</li> <li>Failure to honour State Government Guarantee invoked for DSRA replenishment within stipulated timelines.</li> <li>Application for initiation of any insolvency proceedings against the Issuer under any applicable bankruptcy / insolvency / winding up or other similar law (including the IBC) filed anytime during the pendency of the bonds and not stayed or dismissed within 7 (seven) days from the date of such filing.</li> <li>Failure to perform material obligations under Transaction Documents.</li> <li>Breach of State Government Guarantee, Debenture Trust Deed, Disclosure Document, Accounts Agreement, Hypothecation Deed and any other Transaction Documents which in the opinion of the Trustee is incapable of remedy.</li> </ol>

	<p>viii. The occurrence of any event or circumstances which is prejudicial to or imperils or depreciates the Security given to the Debenture Trustee materially;</p> <p>ix. Failure to create and / or perfect Security, Security ceasing to be valid first ranking security or the asset coverage ratio in respect of security falls below 1 time and the same is not replenished within a period of 30 days;</p> <p>x. Supply of misleading information;</p> <p>xi. Issuer ceasing or threatening to carry on its business;</p> <p>xii. The liabilities of the Issuer exceed the assets of the Issuer, indicating the inability of the Issuer to discharge the Secured Obligations;</p> <p>xiii. Expropriation of all or any material assets of the Issuer;</p> <p>xiv. Alteration of constitutional documents of the Issuer in a manner which is prejudicial to the interest of the Bond holders;</p> <p>xv. Any authorization / clearances is not received or is revoked, terminated, withdrawn, suspended, modified, withheld or ceases to be in full force;</p> <p>xvi. It is or becomes unlawful or illegal for the Issuer to perform or comply with any of its obligations under any Transaction Document and such default, if capable of being remedied, is not remedied within 90 (ninety) calendar days;</p> <p>xvii. Issuer/ State Government fails to perform its obligations under the Transaction Documents;</p> <p>xviii. Breach/ non-creation of any Security, within stipulated time frame, unless extended with mutual consent with the Debenture Trustee.</p> <p>xix. Breach of the terms of the Transaction documents and occurrence of any other event, which are likely to result, or which can have/ shall have material adverse effect.</p> <p>xx. Breach of undertaking requiring daily transfer of funds from all collection accounts to RCA if not remedied within 3 days.</p> <p>xxi. Issuer or any of their directors are included in RBI's wilful defaulters (except nominee directors nominated by any financial institution). In case an independent director is included in wilful defaulter list the company shall ensure that the director is replaced promptly.</p> <p>xxii. Rating suspension/ withdrawal by any of the rating agency if not remedied within 90 days.</p> <p>xxiii. Any other conditions as may be stipulated in the Debenture Trust Deed.</p> <p>Except for any specific cure period provided above, the above events shall have a cure period of 30 days, other than for defaults in servicing and non-replenishment of DSRA within stipulated timelines where no cure period shall be provided.</p> <p>For the details of events of default, please refer to the annexures of the Key Information document. The remedies available to the Debenture Trustee upon occurrence of an event of default shall be set out in the Debenture Trust Deed.</p>
<b>Remedies</b>	<p>In the event of occurrence of the EOD mentioned above, the Debenture Trustee shall accelerate the maturity of the bonds and declare all the amounts outstanding on the bonds (including, but not limited to any coupon accrued thereon) and other Secured Obligations as on that day to be immediately due and payable and on the next working day</p> <p>1) Ensure that the Default escrow Mechanism on RCA is in force and the full Revenue collection getting transferred to BSA for meeting default servicing obligation.</p>

	<p>2) Give final notice to the State Government of Andhra Pradesh clearly stating its intention to invoke the Guarantee and enforce its rights under the Deed of Guarantee if the entire accelerated dues as mentioned above are not paid within a period of 30 (Thirty) days from the date of such notice. Upon continuation of such event, beyond the time stipulated above, the Debenture Trustee should invoke the Guarantee of the State Government of Andhra Pradesh on the next working day through issue of Guarantee Invocation Notice and simultaneous triggering of Defined Recourse Mechanism in the post invocation scenario.</p> <p>3) Initiate legal recourse against the Issuer for recovery of dues and undertake all actions and proceedings as may be required for such purposes.</p> <p>4) The invocation of Security and Guarantee as well as enforcement of Default Escrow Mechanism for any default would cover the entire liabilities remaining outstanding in respect of the Bonds pursuant to accelerated redemption as mentioned above.</p> <p>Though both processes might be initiated simultaneously, once the requisite amount of outstanding dues are deposited in the BSA for full and final redemption, the Default Escrow Mechanism on RCA would be relaxed with immediate effect and there would be no further obligation on the Guarantor / Issuer.</p> <p>Prior to invocation of the Guarantee, the obligations with respect to servicing of the Bonds shall be solely upon the Issuer and the liability of the Guarantor shall not be direct but contingent to the terms of invocation set out in the Guarantee Deed. Upon invocation of the guarantee, the Guarantor (State Government of Andhra Pradesh) shall be construed as a principal debtor and would be directly and primarily liable for discharge of the obligations with respect to the Bonds and hence such invoked liability till full extinguishment would become a direct and primary liability of the State Government and shall be treated at par with all other liabilities of the Guarantor.</p>
<b>Provisions related to Cross Default Clause</b>	N.A.
<b>All Covenants of the Issue</b>	<p>The Issuer shall give the following undertakings:</p> <ul style="list-style-type: none"> <li>(i) maintenance of corporate existence.</li> <li>(ii) compliance with applicable laws.</li> <li>(iii) no change of business other than as may be permitted under the terms of the Debenture Trust Deed.</li> <li>(iv) creation of security and maintenance of security cover as per applicable law</li> <li>(v) compliance with information covenants including submission of financial results and providing compliance certificate as agreed under the Debenture Trust Deed</li> <li>(vi) Intimation to the Debenture Trustee prior to undertaking or entering into any amalgamation, demerger, merger or corporate restructuring or reconstruction scheme proposed by the Issuer</li> <li>(vii) to enter into / execute the relevant lease agreement(s) and all other documents, deeds, notices, letters, agreements, declarations, undertakings, instruments and forms as may be required in relation to or in connection with or for the purposes of the quarry leasehold rights and mining rights over the 436 new minor mineral projects, including any replacement thereof,</li> <li>(viii) undertake all steps for receipt of all necessary clearances from relevant authorities (including without limitation, required</li> </ul>

	<p>approvals from the relevant District Mines &amp; Geology Officer (DMGO) / Divisional Mines &amp; Geology Officer (Div. MGO)), as required under the APMMC Rules and other applicable laws.</p> <p>(ix) Compliance with all terms of the Transaction Documents;</p> <p>(x) Listing of Bonds within timelines prescribed under applicable laws;</p> <p>(xi) No modification to the structure of Bonds without prior approvals as required under Applicable Laws;</p> <p>(xii) No wilful defaulter on the Board;</p> <p>(xiii) No modification to the Constitutional Documents which imposes restrictions on the Issuer in complying with its obligations under the Transaction Documents;</p> <p>(xiv) Not to sell, assign, transfer, dispose off its business undertakings or assets or Secured Properties;</p> <p>(xv) No change in financial year end date unless required by law;</p> <p>(xvi) Full disclosure in respect of Use of proceeds in the Offer Documents;</p> <p>(xvii) Not to create any encumbrance without prior approval of the Debenture Trustee except as provided in the Transaction Documents;</p> <p>(xviii) Preservation of corporate existence and status;</p> <p>(xix) not do or voluntarily suffer any act which restricts right to transact its business;</p> <p>(xx) Timely payment of all applicable dues;</p> <p>(xxi) Secured Properties to be adequately insured;</p> <p>(xxii) Intimate Debenture Trustee of all orders, directions, notices of a court or tribunal that may affect the Issue or Secured Properties;</p> <p>(xxiii) Maintenance of Asset Coverage Ratio;</p> <p>(xxiv) Compliance with anti-Bribery and Corruption Law;</p> <p>(xxv) Maintenance of Internal Controls;</p> <p>(xxvi) Information Covenants in compliance with applicable laws and as agreed with the Debenture Trustee as detailed in the Key Information Document;</p> <p>(xxvii) Further Assurances;</p> <p>(xxviii) Additional covenants primarily relating to credit of securities, payment obligations and other covenants relating to the Bonds;</p> <p>(xxix) Pre-authorization to Debenture Trustee to seek redemption payment related details from Account Bank;</p> <p>(xxx) Confirmation that the State Government of Andhra Pradesh will make payments under the Deed of Guarantee cum Undertaking free from any withholding or deduction into the Bond Servicing Account and/or the Debt Service Reserve Account (as the case may be);</p> <p>(xxxi) State Government of Andhra Pradesh shall not amend, withdraw, revoke or alter the written instructions in relation to the defined recourse mechanism;</p> <p>(xxxii) State Government of Andhra Pradesh shall ensure that the all payment instructions provided by the Debenture Trustee under Defined Recourse Mechanism are honoured;</p> <p>(xxxiii) State Government of Andhra Pradesh shall not (i) dissent to the instructions of the Debenture Trustee, and / or (ii) do any action which may prevent the Defined Recourse Mechanism to be undertaken on the instructions of the Debenture Trustee;</p> <p>(xxxiv) Any change in shareholding of the Issuer shall be as per the covenants as per Annexure L of the Key Information Document;</p>
--	---

	<p>(xxxv) Issuer to ensure State Government of Andhra Pradesh complies with all undertakings given by it and covenants applicable to it;</p> <p>(xxxvi) Undertaking by the Issuer that it would not create any kind of encumbrance or dispose in any way, any of the quarry leasehold rights and mining rights that are presently held by it, including those relating to the Sulyari coal mines and the barytes mines.</p> <p>Details of all covenants and undertakings shall be as set out in the annexure(s) of the Key Information Document.</p>
<b>Role and Responsibilities of Trustees</b>	<ol style="list-style-type: none"> <li>1. Conducting diligence of assets offered as security and its continuous monitoring.</li> <li>2. Provide Due Diligence Certificate</li> <li>3. Call for periodical reports from the company</li> <li>4. Inspection of books of accounts, records, registration of the company and the trust property to the extent necessary for discharging claims</li> <li>5. ## 15. DECLARATION

The Issuer declares that all the relevant provisions in the regulations/guideline issued by SEBI and other Applicable Laws have been complied with and no statement made in the Issue Document is contrary to the provisions of the regulations/guidelines issued by SEBI and other Applicable Laws, as the case may be. The information contained in the Issue Document is subject to the information available with the Issuer. The extent of disclosures made in the Issue Document is consistent with disclosures permitted by regulatory authorities to the issue of securities made by the companies in the past.

The Issuer, having made all reasonable inquiries, accepts responsibility for, and confirms that this Key Information Document contains all information with regard to the Issuer and the Issue, that the information contained in such Issue Document is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which make this document as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.

Investors are advised to read the risk factors carefully before taking an investment decision in this Issue. For taking an investment decision, investors must rely on their own examination of the Issuer and the offer including the risks involved. The securities have not been recommended or approved by any regulatory authority in India, including the Securities and Exchange Board of India (SEBI) nor does SEBI guarantee the accuracy or adequacy of this document. Specific attention of investors is invited to the statement of 'Risk factors' given under section 6 '*General Risks*'.

The Issuer has no side letter with any debt securities holder except the one(s) disclosed in the Issue Document. Any covenants later added shall be disclosed on the relevant stock exchange's website where the Debentures are listed.

The Issuer declares that the credit rating as set out under Section 7.2 is valid as on the date of issuance and listing.

## DECLARATION BY THE AUTHORISED OFFICER OF THE ISSUER

Investment in non-convertible securities involve a degree of risk and investors should not invest any funds in such securities unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it. Specific attention of investors is invited to statement of risk factors contained under Section 6 'General Risks' of this Key Information Document. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the non-convertible securities or investor's decision to purchase such securities.

We, authorized officer of the Issuer hereby confirm and declare that:

- I. The undersigned person authorized by the Issuer hereby attests that:
  - a. Except as stated herein, the issuer is in compliance with the provisions of Securities Contracts (Regulation) Act, 1956 (42 of 1956) and the Securities and Exchange Board of India Act, 1992 (15 of 1992), Companies Act, 2013 (18 of 2013) and the rules and regulations made thereunder;
  - b. the compliance with the Companies Act, 2013 and the rules and regulations thereunder does not imply that payment of dividend or interest or repayment of non-convertible securities, is guaranteed by the Central Government;
  - c. the monies received under the offer shall be used only for the purposes and objects indicated in the relevant General Information Document;
  - d. whatever is stated in this Key Information Document and in the attachments thereto is true, correct and complete and no information material to the subject matter of this form has been suppressed or concealed and is as per the original records maintained by the promoters subscribing to the Memorandum of Association and Articles of Association.
  - e. The contents of this Key Information Document have been perused by the Board of Directors, and the final and ultimate responsibility of the contents mentioned herein shall also lie with the Board of Directors
  - f. We are duly authorised to attest as per this clause by the board of directors, by a resolution, a copy of which is annexed as an annexure in this Key Information Document.
  - g. It is further declared and verified that all the required attachments have been completely, correctly and legibly attached to this Key Information Document.

Dear Sir/Madam,

**Sub.: In-principle approval for listing of Non-Convertible Securities on private placement basis**

This is with reference to your application requesting in-principle approval for General Information Document dated April 22, 2025 for proposed listing of Non-Convertible Securities on private placement basis to be issued in various tranches by The Andhra Pradesh Mineral Development Corporation Limited. In this regard, the Exchange is pleased to grant in-principle approval for the said issue, subject to adequate disclosures to be made in the General Information Document / Key Information Document in terms of SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 as amended from time to time, applicable SEBI Circulars and other applicable laws in this regard and provided the Company prints the Disclaimer Clause as given below in the General Information Document / Key Information Document after the SEBI disclaimer clause:

**“As required, a copy of this General Information Document / Key Information Document has been submitted to National Stock Exchange of India Limited (hereinafter referred to as NSE). It is to be distinctly understood that the aforesaid submission or in-principle approval given by NSE vide its letter via ref. No.: NSE/LIST/8997 dated April 23, 2025 or hosting the same on the website of NSE in terms of SEBI (Issue And Listing of Non-Convertible Securities) Regulations, 2021 as amended from time to time, should not in any way be deemed or construed that the document has been cleared or approved by NSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this document; nor does it warrant that this Issuer’s securities will be listed or will continue to be listed on the Exchange; nor does it take any responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of this Issuer.**

This Document is Digitally Signed

Ref. No.: NSE/LIST/8997

April 23, 2025

**Every person who desires to apply for or otherwise acquire any securities of this Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Exchange whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription /acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever”**

Please note that the approval given by us should not in any way be deemed or construed that the General Information Document / Key Information Document has been cleared or approved by NSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this document; nor does it warrant that the securities will be listed or will continue to be listed on the Exchange; nor does it take any responsibility for the financial or other soundness of the Company, its promoters, its management or any scheme or project.

The in-principle approval granted by the Exchange is subject to the Issuer submitting to the Exchange prior to opening of the issue and at the time of listing, a valid credit rating letter/rationale covering the total issuance amount under the Key Information Document.

Kindly also note that these debt instruments may be listed on the Exchange after the allotment process has been completed, provided the securities of the issuer are eligible for listing on the Exchange as per our listing criteria and the issuer fulfills the listing requirements of the Exchange. The issuer is responsible to ensure compliance with all the applicable guidelines issued by appropriate authorities from time to time including SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 as amended from time to time, applicable SEBI Circulars, and other applicable laws in this regard.

Specific attention is drawn towards Para 1 of Chapter XV of SEBI Operational Circular No. SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021. Accordingly, Issuers of privately placed debt securities in terms of Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and for whom accessing the electronic book platform (EBP) is not mandatory shall upload details of the issue with any one of the EBPs within one working day of allotment of securities. The details can be uploaded using the following links:

redeemable, taxable, non-convertible debentures of the face value of INR 1,00,000 (Rupees One Lakh Only) each, in one or more tranches and/ or sub-series ("**Bonds**" / "**NCDs**" / "**Debentures**"), on private placement basis to identified investors (the "**Issue**"), from time to time, up to a maximum limit of INR 10,000,00,00,000 (Rupees Ten Thousand crores only), and which may be listed on one or more of the recognized stock exchange(s) at such coupon rates and on such terms and conditions in accordance with the SEBI NCS Regulations and any other law, rules, directions issued by the Government or any other regulatory authority, in this regard as may be determined by the persons authorized by the Board for this purpose, from time-to-time.

**RESOLVED FURTHER THAT** the aforesaid issue of Bonds by the Company be secured by way of creating charge over certain identified assets of the Company as stated in the draft term sheet placed before the Board and by an unconditional and irrevocable guarantee extended by the government of Andhra Pradesh (hereafter referred to as the "**Security**").

**RESOLVED FURTHER THAT** the proceeds arising from the proposed issue of Bonds shall be utilised inter alia towards acquisition of mining rights, development of mining infrastructure at large, and if required, for prepayment of existing borrowings and such other objects as determined in the draft term sheet for one or more tranches of the Issue, as placed before the Board.

**RESOLVED FURTHER THAT** Sri R. Kedaranatha Reddy, Executive Director of APMDCL Limited and Sri V V V Phani Kumar, General Manager (F&A) of the Company be and are hereby severally authorized to approve, implement, negotiate, carry out and decide upon, all activities in connection with the Issue, including, but not limited to:

- a. negotiate, modify and approve the terms of the Issue including but not limited to the actual size, timing, pricing, objects, eligible investors and all other terms and conditions of the Issue including coupon rate, yield, retention of over subscription, identification of investors, if any, etc, and to accept any amendments, modifications, variations or alterations thereto and all other related matters, including the determination of the size of the Issue up to the maximum limit prescribed by the Board and the minimum subscription for the Issue, if any;
- b. accept and execute any declarations required in connection with general information document, key information document(s) (collectively the "**Issue Documents**") for issue of the Bonds, debenture trustee agreement, debenture trust deed, deed of hypothecation, deed of mortgage, deed of pledge or such other security document as the case may be, power(s) of attorney and other necessary agreements, memorandum of understanding, deeds, general undertaking/indemnity, certificates, consents,

communications, affidavits, applications, letters or any other documents (including those to be filed with the regulatory authorities, if any) ("**Transaction Documents**") and negotiate and agree to/ accept any changes and modifications to the terms and conditions contained in the Transaction Documents (whether before or after the execution of the Transaction Documents) together with all other documents, agreements, instruments, power(s) of attorney letters and writings required in connection with, or ancillary to, the Transaction Documents (the "**Ancillary Documents**") as may be necessary or required for the aforesaid purpose including to sign and/or dispatch all forms, filings, documents and notices to be signed, submitted and/or dispatched by it under or in connection with the documents to which the Company is a party as well as to accept and execute any amendments, amendment and restatements or modifications to the Transaction Documents, the Ancillary Documents and other deeds, documents and other writings as and when necessary, including any advertisements, corrigendum, amendments supplements thereto and to approve any corrections or alterations therein on behalf of the Board and to take all such further steps as may be required to give effect to the aforesaid resolutions;

- c. negotiate and finalise fees payable to the Debenture Trustee, and all other intermediaries or other parties providing services or otherwise associated with the issue of the Bonds;
- d. make the necessary application for creation of International Securities Identification Number to National Securities Depository Limited or Central Depository Services (India) Limited, for rating letters to the rating agency, and such other applications to all such authorities as may be necessary from time to time for the purpose of issuance of the aforesaid Bonds;
- e. seeking the listing of the Bonds on one or more Indian stock exchange, submitting the listing application to such stock exchange, submitting an application to any stock exchange to act as the Designated Stock Exchange, and to execute and to deliver or arrange the delivery of the listing agreement(s) or equivalent documentation to the concerned Stock Exchange(s); and taking all actions that may be necessary in connection with obtaining such listing;
- f. arrange for payment of the applicable stamp duty, notarisation, registration charges and corporate action fees and other fees in respect of the above referred Transaction Documents and also in respect of all other transactions, documents and instruments executed in relation to the Issue;
- g. file with the relevant Registrar of Companies and any other authority(ies), all particulars in respect of the creation of charge/return of allotment or make any other filing as may be required for the issue of the Bonds in accordance with the Companies

Act, 2013 and rules made thereunder, as may be required in the Transaction Documents and the Ancillary Documents with any authority, and/ or any other applicable law(s) as may be required under Applicable Law;

- h. appoint any person(s) as the true and lawful attorney to take all such actions as contemplated herein, for and on behalf of the Company, and to execute any power(s) of attorney granting the authority to such person(s) in this regard;
- i. appoint/ ratify (as the case may be) the appointment of the lead managers, legal counsel, credit rating agencies, registrar and share transfer agents, debenture trustee, bankers to the Issue, professionals and other intermediaries to the Issue in accordance with the provisions of the SEBI NCS Regulations and to remunerate them by way of commission, brokerage, fees or the like and to negotiate, modify, enter into, execute, deliver and register all deeds, contracts, agreements, memorandum of understanding, arrangements, or documents with such intermediaries or agencies as may be required or desirable in connection with the Issue including the listing of the Bonds on the stock exchange(s) and creation of security for the Bonds;
- j. negotiate, finalize, decide and empanel on electronic bidding platform facilitated by the stock exchanges to facilitate bidding to the identified investors and carry out all necessary activities in this regard;
- k. seek, if required, any approval, consent or waiver from the lenders, and/or parties with whom the Company has entered into various commercial and other agreements, and/or any/all concerned government and regulatory authorities in India, and/or any other approvals, consents or waivers that may be required in connection with the issue, offer and allotment of the Bonds and creation of security;
- l. approve the materiality policy for the litigations to be disclosed in the Issue Documents, if required;
- m. grant of powers of attorney / authority, if required, to such officers / employees of the Company or of its subsidiary or any other concerned persons, as it may deem necessary, to do such acts, deeds and things as such attorney in his / her / its absolute discretion may deem necessary or desirable in connection with the Issue of the Bonds;
- n. to get the Bonds admitted to National Securities Depository Limited and Central Depository Services (India) Limited, and to execute or ratify the necessary or requisite agreement(s) with those depositories and the registrar and transfer agent and to negotiate, finalise and execute or ratify the agreements, undertakings or other writings required, with authorities / agencies for the Issue in the dematerialised form;

- o. appoint the debenture trustee and execution of the trust deed in connection with the Issue, in accordance with the provisions of the SEBI NCS Regulations;
- p. authorize persons for maintenance of a register of holders of the Bonds;
- q. open such banks accounts, demat accounts, with Scheduled Commercial Banks, institutions or agencies as may be required for the Issue;
- r. accept and appropriate of the proceeds of the Issue;
- s. finalization of the date of allotment and finalization of the basis of allotment of the Bonds on the basis of the applications received and to approve and to issue and allot the Bonds and to approve all other matters relating to the Issue including acceptance and appropriation of the proceeds of the Issue, credit of Bonds and do all such acts, deeds, matters and things in relation to the allotment of the Bonds;
- t. to appoint independent Chartered Accountant(s), Practising Company Secretary, Statutory Auditors to issue such reports including financial reports/statements for the purpose of Issue;
- u. approve, modify, finalise and adopt the Issue Documents (including amending, varying or modifying the same, as may be considered desirable or expedient) as finalized in consultation with the lead managers, in accordance with all applicable laws, rules, regulations and guidelines prior to the filing of the relevant Issue Documents with the Stock Exchange(s) where the Bonds are intended to be listed, the Registrar of Companies ("**RoC**") and/or any other statutory or regulatory authority, as may be necessary, and any advertisements, corrigendum, amendments supplements thereto and to approve any corrections or alterations therein on behalf of the Board; and
- v. to ratify all deeds, actions and things undertaken by the Company or any of its officials including but not limited to application to one or more regulatory or statutory authority for exemption or any other matter incidental to the proposed Issue.
- w. to do all acts, matters, deeds and things necessary or desirable in connection with or incidental to giving effect to the above resolutions and to execute on behalf of the Company, such deeds, documents, agreements and writings in this regard as may be necessary; and

**RESOLVED FURTHER THAT** the powers of the Authorized Persons set forth herein above are inclusive and not exclusive, and shall not be deemed to be restricted to, or be constrained by, the provisions of any other part of this resolution so long as the same is in connection with the Bonds.

**RESOLVED FURTHER THAT** Managing Director or any other Directors of the Company or the Authorised Persons, be and are hereby severally authorized also to negotiate, modify, sign, execute, register, deliver including sign any declarations required in connection with the Issue Documents, application form, confirmation of allocation, or issue of the Bonds, debenture trustee agreement, debenture trust deed, deed of hypothecation, deed of mortgage, power of attorney(s) and other necessary agreements, memorandum of understanding, deeds, general undertaking/indemnity, certificates, consents, communications, affidavits, applications (including those to be filed with the regulatory authorities, if any) ("**Transaction Documents**") (whether before or after execution of the Transaction Documents) together with all other documents, agreements, instruments, letters and writings required in connection with, or ancillary to, the Transaction Documents ("**Ancillary Documents**") as may be necessary or required for the aforesaid purpose including to sign and/or dispatch all forms, filings, documents and notices to be signed, submitted and/or dispatched under or in connection with the documents to which the Company is a party as well as to accept and execute any amendments to the Transaction Documents and the Ancillary Documents and further to do all acts, deeds, matters or things as they may deem necessary or incidental in connection with the Issue from time to time and matters connected therewith.

**RESOLVED FURTHER THAT** a copy of the above resolution, certified to be true by Managing Director or any Director of the Company, be forwarded to concerned authorities for necessary actions."

**Item No.2: To consider a note on Amendment to Articles of Association of the Company**

**To consider and, if through fit, to pass with or without modification the following resolution in respect of Amendment to Articles of Association of the Company as Special Resolution**

**“RESOLVED THAT** pursuant to the provisions of Section 14 of the Companies Act, 2013 and any other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification or re-enactment thereof, for the time being in force), and the rules framed thereunder and such other consents, intimations or other necessary approvals as may be required for the purpose, the consent of the members of the Company be and is hereby accorded to amend the Articles of Association of the Company in the following manner:

**Insertion of Article 64 (5) in respect of inclusion of right of bond trustee to appoint nominee directors in certain cases**

*“64 (5). Notwithstanding anything contained in this Articles, the Board shall have the power, to appoint a Nominee Director on the Board of the Company in the exercise of its duties under the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993 read with the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (together “SEBI Regulations”), as amended from time to time on receipt of the nomination by the debenture trustee in the following circumstances:*

- i. 2 (two) consecutive defaults in payment of interest to the debenture holders; or*
- ii. Default in the creation of security; or*
- iii. Default in the redemption of the debentures.*

*However, if more than one debenture trustee(s) are entitled to appoint a Director in terms of the SEBI Regulations, all such debenture trustee(s) shall jointly nominate only one person to be appointed as a Nominee Director on the Board of the Company in terms of this Article. The Director so appointed shall not be liable to retire by rotation and shall hold office so long as the default subsists.*

*Any vacancy in the office of such Director during the term shall be filled in by the debenture trustee(s) by nominating another person. Such changes shall be made in writing to the Company."*

**RESOLVED FURTHER THAT** Managing Director or any other Directors of the Company be and is hereby authorized to make consequent changes to the constitutional documents of the Company and to authorize person(s) to do all such acts, deeds and things as may be required to be done in this regard by the Company."

**TO THE DIRECTORS' REPORT  
ANNUAL REPORT ON CORPORATE SOCIAL  
RESPONSIBILITIES (CSR) ACTIVITIES**

[Pursuant to clause (a) of sub-section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]

**1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs:**

APMDC ("the Company") has developed its CSR policy, henceforth called "APMDC CSR Policy", in accordance with Section 135 of the Companies Act 2013 and the Companies (Corporate Social Responsibility policy) Rules, 2014 notified by the Ministry of Corporate Affairs, Government Of India.

The objectives of the APMDC CSR Policy are to:

1. To define CSR Projects or Programmes which APMDC plans to undertake and which fall within the preview of the Companies Act, 2013 and Companies (CSR Policy) Rules, 2014.
2. Outline mechanism to identify new CSR Activities which can create a positive difference in the area.
3. Outline Governance mechanism for the CSR activities taken up by APMDC.
4. Mode of implementation of such CSR Projects and Programmes.
5. Monitoring and reporting mechanism of such CSR Projects and Programmes.

APMDC CSR policy is aimed at working along with the community through its focus on:

Eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation including contribution to the Swachh Bharat Kesh set up by the central government for the promotion of sanitation and making available safe drinking water;

- i. Promoting preventive health care
  - a. Provision for operation and treatment for differently disable persons.
  - b. Enabling access to, or improving the delivery of, public health systems

- ii. Promoting education, including special education and employment enhancing vocation skills especially among children, women and elderly, and the differently abled and livelihood enhancement projects.
- iii. Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups
- iv. Enduring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agro-forestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the clean Ganga fund setup by the central government for rejuvenation of river Ganga.
- v. Protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts;
- vi. Measures for the benefit of armed forces veteran, war widows and their dependants;
- vii. Training to promote rural sport, nationally recognized sport, Paralympics sport and Olympic sport.
- viii. Contribution to the Prime Minister National Relief Fund or any other fund set up by the central government for socio economic development and relief and welfare of the scheduled castes, the scheduled tribes, other backward classes, minorities and women;
- ix. Contribution or fund provided to technology incubators located within the academic institutions which are approved by the central government.
- x. Rural development projects
- xi. Any other projects or activities approved by the central government pursuant to section 135 of the companies act, 2013, from time to time.

**2. Average net profit of the company for last three years : Rs. 3,62,48,77,029/-**

**3. Prescribed CSR Expenditure (two percent of the amount as in item 3 above): Rs.7,24,96,441/-**

**4. Details of CSR spent during the year.**

(a) Total amount spent on CSR for the financial year 2015-16: Rs.1,11,13,338/-

(b) Total amount to be spent on CSR for the financial year 2015-16: Rs.6,13,83,103/-

(c) Manner in which the amount spent during the financial year 2015-16:

- I. Primary Health Centre Maintenance Expenses
- II. School Maintenance Expenses
- III. RO Plants Maintenance Expenses
- IV. Rural Expenses

**5. In case the Company has failed to spend the two percent:**

During the financial year ended March 31<sup>st</sup>, 2016, the company was required to spend Rs. 7,21,96,441/- towards CSR activities but the Company has spent Rs. 1,11,13,338/- which is lesser than the required amount.

**6. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company:**

The CSR Committee affirms that the implementation and monitoring of CSR Policy is in compliance with the CSR Policy and Objectives of the Company.

Andhra Pradesh Mineral Development Corporation Limited for the year  
ended 31 March 2016.**

I am to forward herewith 'NIL' comments of the Comptroller and Auditor General of India under Section 143(6)(b) of the Companies Act, 2013 for Standalone and Consolidated financial statements of your Company for the year ended 31 March 2016 for necessary action.

1. The date of placing of 'NIL' comments along with financial statements and Auditors' Report before the shareholders of the Company may please be intimated and a copy of the proceedings of the meeting furnished.

2. The date of forwarding the annual report for year ended 31 March 2016 and financial statements of the Company together with the Auditors Report and 'NIL' comments of the Comptroller and Auditor General of India to the State Government for being placed before the Legislature may also be intimated.

3. Five copies of the annual report for the year ended 31 March 2016 may be furnished in due course.

Yours faithfully,

Deputy Accountant General/AMG-II

Encl: As Above

**Annexure I**

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA  
UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE  
FINANCIAL STATEMENTS OF THE ANDHRA PRADESH MINERAL  
DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED  
31 MARCH 2016**

The preparation of financial statements of The Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2016 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 05.06.2021.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of The Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2016 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment or supplement to the statutory auditors' report under section 143(6)(b) of the Act.

*For and on behalf of the  
Comptroller and Auditor General of India*

Accountant General/Audit

## **Annexure-VI**

### **COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE ANDHRA PRADESH MINERAL DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2016**

The preparation of consolidated financial statements of The Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2016 in accordance with financial reporting framework prescribed under Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 05.06.2021.

I, on behalf of the Comptroller & Auditor General of India, have conducted a supplementary audit of the financial statements of The Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2016 under section 143(6)(a) read with section 129(4) of the Act. We conducted a supplementary audit of financial statements of Ongole Iron Ore Mining (subsidiary) for the year ended on that date. Further, section 139 (5) and 143 (6)(a) of the Act are not applicable to subsidiary, Jointly Controlled Entities and Associate mentioned in Annexure A, for appointment of their Statutory Auditor and for conduct of supplementary Audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies.

This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' report under section 143(6)(b) of the Act.

*For and on behalf of the  
Comptroller and Auditor General of India*

## **INDEPENDENT AUDITOR'S REPORT**

**To**  
**The Members,**  
**The Andhra Pradesh Mineral Development Corporation limited,**  
**Vijayawada.**

### **Report on the Audit on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **The Andhra Pradesh Mineral Development Corporation limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and

fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion on the financial statements.

### **Basis for Disclaimer of Opinion**

- (i) The company has, during the previous year passed entries for "bifurcation" (based on the recommendations of a Committee and as per G.O. issued by the Govt. of A.P.), except w.r.t. Share capital. We are informed that such an exception is based on the agreement between the two companies (APMDC & TSMDC) for which no written document was produced for our verification. Hence, we are not able to comment on the appropriateness of not passing entries for bifurcation of share capital.

- (ii) In the absence of details of total area/ area mined out, we are not able to comment on the appropriateness of the provision for reclamation and rehabilitation expenses of ₹6,00,73,000.(Note No19)
- (iii) The amounts transferred to TSMDC. Consequent to bifurcation are subject to confirmation by them.. Hence we are not able to comment on the following amounts (a) ₹25,80,10,226 (cr) (Demerger adjustment), and ₹40,75,70,870 (cr) ( Interest on FDRs etc allocated to Telangana ) both included in Note 3 (Non current- Other liabilities). (b) ₹15,00,98,047 (dr) (Advance to Telangana region). ₹7,70,01,656 (dr) (Telangana Region Advance( Transfer of assets and Liabilities) and ₹ 31,55,58,083(dr) Demerger adjustment on account of FDRs etc) Included under Note 9(Non-Current Assets)

#### **Disclaimer of Opinion**

In our opinion and to the best of our information and according to the explanations given to us, Except for the effects of the matter(s) described in the Basis for Disclaimer of Opinion paragraphs above, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

(a) In the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2016;

(b) In the case of Profit and Loss Account, of the profit for the year ended on that date; and

(c) In the case of the cash Flow Statement, of the cash flows for the year ended on that date.

#### **Emphasis of Matter**

(a) We draw attention to Note 21(2)(VI) which describes that the figures of last financial year are not comparable to the current financial year as they show the status of 9 months 29 days (i.e. 02.06.2014 to 31.03.2015).

(b) We draw attention to Note 21(2)(V) which describes that G.O. has not been issued by Govt. of Telangana for giving finality to the Scheme of Bifurcation. Further, as per S.68(2) of the A.P.re-organisation Act,2014," The assets, rights and liabilities of the companies and corporations referred to in sub-section (1) shall be apportioned between the successor States in the manner provided in section 53. In terms of the said section, the Govt. of A.P./ Telangana is yet to issue a G.O.

Our opinion is not qualified in respect of the above

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. Except to the extent stated per paras (i)-(vi) of basis of disclaimer of opinion above
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
  - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Except, to the extent stated per paras (i)-(iv) of Basis of Qualified opinion above
  - e. In terms of GSR 463(E) dated 5<sup>th</sup> June, 2015, the provisions w.r.t. Disqualification of Directors u/s 164(2) of companies Act, 2013, are not applicable to APMDC, being a govt. company

- f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion, and to the best of our information and according to the explanations given to us:
- (i) The company has disclosed the impact of pending litigations as per Note 20(2) (f) to the Balance Sheet.
- (ii) There are no long-term contracts including derivative contracts entered by the company.
- (iii) There are no amounts which are required to be transferred, to the Investor Education and Protection Fund, by the Company.
- (iv) The company has not complied with the terms of S.124 of the Companies act,2013 w.r.t Unpaid Dividends. Further, in terms of s.123(6) of the said act, the Company cannot pay dividend since the company has violated provisions of S.73 w.r.t. deemed Deposits (Also see para(36) of Annexure 'A' attached)

3. In terms of S.143(5) of the Companies Act,2013, we report hereunder on the directions issued by C&AG:

S.No.	Directions of C&AG	Our Comment
1	Whether the company has clear title/lease deeds for freehold and leasehold land respectively? If not please state the area of freehold and leasehold land for which title/lease deeds are not available	We have not been shown any documents relating to the title to Leasehold property (835.431Hect). Hence, we are not able to comment on the same
2	Whether there are any cases of waiver/ write off of debts/loans/interest etc., if yes, the reasons there for and the amount involved	There are no cases of Waiver/write off of Debts/loans/interest etc.,during the year
3	Whether proper records are maintained for Inventories lying with third parties & assets received as gift/grant(s) from Government or other authorities	The company is maintaining proper records for Inventories lying with Third parties. The company has not received any assets as Grants/ gift from Government or other authorities

**Annexure A to the Independent Auditors' Report**

The Annexure A referred to in our Independent Auditor's Report to the members of the Company on the Standalone financial statements for the year ended 31 March 2016, we report that:

(i) In respect of its fixed assets:

- a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets of Head office and Mangampetbranch. However, there are no records maintained in respect of fixed assets for remaining branches.
- b. In the absence of any laid down procedure, we are not able to comment whether the physical verification of fixed assets has been conducted at reasonable intervals. No material discrepancies were noticed on physical verification, conducted during the year.
- c. The title deeds or legal possession documents of Lands (free hold as well as Leasehold) have not been made available to us. Hence, we cannot comment on this.

(ii) In respect of Inventories:

In our opinion and according to the information and explanation given to us, there are no laid down procedures of physical verification of inventory. Hence, we are not able to comment whether the same have been conducted at reasonable intervals.

The Inventory has been physically verified by the management during the year. The company is maintaining proper records of inventory. No discrepancy has been found on physical verification of inventory as compared to book records.

- (iii) The Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register-maintained u/s.189. Hence, provisions of Para - 3 (iii) (a) to (b) of the Companies (Auditors' Report) Order, 2016, are not applicable

- (iv) There are no Loans or guarantees given by the company that are attracted by the provisions of S.185 and 186 of the Act. The Investment made by the company are in accordance with the provisions of s.186 of the Act.
- (v) The Company has received amounts towards supply of material and which have not been adjusted within a period three hundred and sixty five days .These amounts are thus Deemed Deposits in terms clause 2(xii)(a) of The Companies (Acceptance of Deposit) Rules,2014. Provisions of the following sections of Companies Act,2013 and The Rules framed thereunder have not been complied with S.73-Acceptance of Deposit, R.3(1)(a) Acceptance of Deposit which is repayable on demand, R.3(8)(a) non obtention of Credit rating of its deposits,R.13- regarding Maintenance of Liquid assets,R.14- regarding maintenance of Register of Deposits and rule 16- regarding filing of return of deposits. No order has been passed by Company law Board or National company law tribunal or Reserve bank of India or any court or any other tribunal
- (vi) We have broadly reviewed the books of account maintained by the company pursuant to Rules made by the Central government for maintenance of cost records under section 148 of the Act, and are of the opinion that *prima facie* , the prescribed accounts and records have been made and maintained
- (vii) In respect of statutory dues:
- a) According to the information and explanations given to us and on the basis of examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues have been regularly deposited during the year by the Company with the appropriate authorities

According to the information and explanations given to us, no undisputed amounts are payable in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax or cess and other statutory dues which were in arrears as at March 31,2016, for a

period of more than six months from the date they became payable, except an amount of ₹---- representing---- dues and ₹202,26,440 Tax on Interim and special dividend are outstanding for a period exceeding six months from the date on which they have become payable

b) According to the information given to us and as per the records of the Company examined by us, there details of Income Tax, Sales Tax, Value added Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty or Cess, outstanding on account of disputes are given hereunder

**Annexure - B to the Auditors' Report**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **The Andhra Pradesh Mineral Development Corporation** ("the Company") as of 31 March 2016 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The company needs to document its procedures and controls vis a vis Internal controls Over Financial Reporting.

**Qualified Opinion on adequacy( and therefore operating effectiveness) of Internal Controls Over Financial reporting)**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2016;

(1) There is a lack of flow of information vis a vis pending litigation with the result that there is no review of such cases and resulting in repetition of amounts stated per earlier years

A "material weakness" is a deficiency, or a combination of deficiencies, in financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim statements will not be prevented or detected on a timely basis

In our,, except for the effects/ possible effects of the material weaknesses described above on the achievement of objectives of the control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance

Note on Audit of Internal Financial Controls Over Financial Reporting issued by  
the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in  
determining nature, timing and extent of audit tests applied in our audit of  
financial statements of the company and are not able to comment on the effect  
of such weaknesses on the financial statements of the company

Significant Accounting Policies and Notes forming part of the accounts for the year ended 31<sup>st</sup> March 2016

Note 1).Significant Accounting Policies

1). Significant accounting Policies

The accounting policies set out below have been applied consistently to the years presented in these financial statements

Basis for preparation of accounts

The financial statements of the Company has been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ( the Act ) read with Rule 7 of the Companies ( Accounts ) Rules, 2014 issued by the Central Government and the relevant provisions of the Act and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian rupees rounded nearest rupees.

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles in India (Indian GAAP) requires management to make judgment, estimates, assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

2). Current and Non-Current classifications

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the Operating Cycle (Operating cycle is assumed as 12 months by the company of the Company as per the guidance as set out in the Schedule III of the Companies Act, 2013

( I ) Assets

\* An asset shall be classified as current when it satisfies the following criteria:

a). It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.

b). It is held primarily for the purpose of being traded.

c). It is expected to be realized within twelve months after the reporting date, or (d). It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

**All other assets are classified as non-current."**

#### **( II ) Liabilities**

A liability is classified as Current when it satisfies the following criteria:

a). It is expected to be settled in the Company's normal Operating Cycle.

b). It is held primarily for the purpose of being traded

c). It is due to be settled within 12 months after the reporting date, or

d). the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current Liabilities include the current portion of non-current financial liabilities.

**All other liabilities are classified as non-current**

#### **3k. Fixed Assets & Depreciation:**

##### **a). Tangible fixed assets**

Tangible fixed assets are carried at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any.

The cost of an item of tangible fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is provided on the written down value method over the estimated useful life of each asset as specified in Schedule II of the Companies Act, 2013. The useful lives are considered as prescribed as per Part "C" of schedule II of the companies Act, 2013. Depreciation for the year is recognized in the statement of profit and loss.

To compute Depreciation, the useful lives of fixed assets are as follows:

Asset class	Useful life (in years)
<b>I. Buildings:</b>	60
a). Buildings ( other than factory building) RCC Frame Structures	30
b). Buildings other than factory building )Other than RCC	

Frame Structures	
<b>II. Plant &amp; Equipment:</b>	
a). Plant & Machinery	15
b). Mining Equipment	15
c). Weighing Machines	15
d). Survey & Drawing equipment	05
<b>III. Furniture &amp; Fixtures</b>	10
<b>IV. Office Equipment</b>	05
<b>V. Vehicles</b>	08
<b>VI. Others:</b>	
a). Data Processing Equipment	03
b). Wells	05
c). Electrical Installations	10
d). Vocational Training Centre Equipment	05
e). First Aid Equipment	05
f). Laboratory equipment	10
<b>VII. Software / Net work:</b>	06

**b). Intangible Fixed Assets:**

Intangible assets that are acquired by the Company are measured initial at cost. And depreciate as per the estimated useful life as specified in Schedule II of the Companies Act, 2013.

c). The cost of interior arrangements in rented building are capitalized and amortized over the Lease period.

**d). Impairment of Assets:**

The carrying amounts of assets in use are reviewed at each Balance sheet date to determine whether there is any indication of impairment. If any such indication exists, then the carrying value is reduced to the lower of the net selling price or the value in use. The value in use is the present value of estimated future net income expected from use of the asset.

Impairment losses are recognized in statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent the asset's carrying amount does not exceed carrying amount that would have been determined net depreciation if no impairment loss has been recognized.

#### 5). Investments:

- a) Investments are classified as Current and Non-Current Investments. Investments that are readily realized and are intended to be held for not more than one year from the date of which such investments are made, are classified as "Current Investments". All other investments are classified as "Long term Investments". The carrying amounts of Current Investments are valued at lower of cost and fair value. However, provision for diminution is made to recognize decline, other than temporary, in the value of Long Term Investments.
- b) Investments made in free-ride equity shares for consideration other than cash are disclosed as long term investment and corresponding amount under the head Capital Reserve.

#### 6). Inventories:

- a) Finished products are valued at weighted average cost or net realizable value whichever is lower. The Closing stocks of finished goods (Barytes Lumps) lying with the Company and Private Mills are valued on weighted average cost prices of A & B grades or any combination of the same. The cost of closing stock does not include Royalty /seigniorage (except on lumps supplied to Private Mills) as the same is liable to be paid in respect of any Mineral removed from the leased area as per Sec.9 of Mines & Minerals (Regulations & Development) Act, 1957 and Head Office overheads.
- b) Spares, HSD oil, Explosives and Packing Materials are valued at lower of cost (weighted average cost method) and net realizable value.
- c) Based on the past experience, sales statistics and the quantity quoted in the earlier tender, and as slow moving item the Closing stock of C+D+Waste grade of Barytes for a quantity of 5,00,000 MTs has been valued from the financial year 2012-13 onwards and the remaining quantity is disclosed in the statement of Closing Stock without value.

#### 7). Cash & Cash equivalents:

Cash and cash equivalent in the Balance sheet includes Cash at Bank,

- a). Cash equivalent are held for the purpose of meeting short - term cash commitments rather than for investment or other purposes. For an investment to qualify as a cash equivalent, it must be readily convertible to a known amount of cash and be subject to an insignificant risk of changes in value. Therefore, an investment normally qualifies as a cash equivalent only when it has a short maturity of, say, three months or less from the date of acquisition. Investment in shares are excluded from cash equivalent unless they are, in substance, cash equivalents; for example, preference shares of a company acquired shortly before their specified redemption date ( provided there is only an insignificant risk of failure of the company to repay the amount at maturity )
- b). Cash flows exclude movements between items that constitute cash or cash equivalent because these components are part of the cash management of an enterprises rather than part of its

operating, investing and financing activities. Cash management includes the investment of excess cash in cash equivalents.

## **81. Employees Benefits**

### **Short term Employee Benefits:**

Employee Benefits payable wholly within 12 months of receiving employee services are classified as short term employees benefits. These benefits include salary, wages, bonus and Ex-gratia. The undiscounted amount of short term employee benefits to be paid in exchange for employee services are recognized as an expense as the related service is rendered by employees

### **Defined contribution plans:**

A retirement benefit in the form of superannuation is a defined contribution scheme and the contribution towards defined contribution scheme is charged to the Statement of Profit and Loss of the year when the contribution to the Fund is due. There is no obligation other than the contribution payable to the Fund. Retirement benefit in the form of Provident Fund is a defined benefit.

### **Defined benefit plans:**

The Company's gratuity benefit scheme and Leave encashment fund scheme are defined benefit plans. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method. There is a Trust by LIC for each of the purpose.

The Company recognizes all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss.

### **Compensated absences:**

The employees can carry - forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on superannuation from employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized within twelve months after the end of such period, the benefit is classified as a long - term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method. There is a trust by LIC for the purpose.

#### Termination benefits

Termination benefits are recognized as an expense when, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

#### 9). Recognition of Revenue & Expenditure:

- a) Revenue/Income and Cost/Expenditure are generally accounted on accrual, as they are earned or incurred except to the extent mentioned per (i) hereunder.
- b) Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the customer.
- c) Income from services rendered is accounted as per contractual terms with the parties concerned.
- d) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- e) Dividend Income is accounted for when the right to receive is established.
- f) Consideration amount from Raising cum Sale contracts reduced to the extent of sales made, if any, i.e., on the total consideration, the sale amount of consideration will be considered as sale the remaining amount will be treated as consideration.
- g) Expenditure related to rehabilitation for the villagers falling within the danger Zone of Mining Project is charged to the revenue expenditure based on the information provided by the appropriate authority
- h) Expenditure incurred towards New Projects is treated as revenue expenditure and charged in the year in which such expenditure incurred as the viability of the Project is uncertain.
- i). All items of Income & Expenditure are accounted for on mercantile basis except in respect of the following:
  - i). Sale of scrap, interest on loan to employees, and other receipts of casual and contingent nature and Insurance Claims are accounted for on actual receipt basis.
  - ii). Interest receivable on consideration as per the terms & conditions of the Agreement, amount due in respect of joint venture Companies and RCSC will be recognized as income, in the year in which the interest received.
  - iii). Expenses on books, periodicals, membership and subscription fees, legal & professional fees (except Statutory Audit Fee, Internal Audit Fee and Cost Audit Fee) advertisements and sponsorships are charged as and when paid

#### 10). Taxation on Income:

Income tax expense comprises current tax ( i.e. amount of tax for the period determined in accordance with the income tax law ) and deferred tax charge or credit ( reflecting the tax effects of timing differences between accounting income and taxable income for the period ). Income tax

expense is recognized in profit or loss except that tax expense related to item recognized directly in reserves is also recognized in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable rates and tax laws. Deferred tax is recognized in respect of timing difference between taxable income and accounting income i.e., differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities recognized using in tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax asset are recognized only to the extent there is reasonable certainty that the asset can be realized in future, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed as at each balance sheet date.

#### 11). Provisions:

A provision is recognized if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the obligation at the Balance Sheet date. The provisions are measured on an undiscounted basis.

##### Onerous Contracts:

A Contract is considered as onerous when the expected economic benefits to be derived by the company from the contract are lower than the unavoidable cost of meeting its obligation under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with contract.

#### 12). Contingent liabilities and Contingent Assets:

A Contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, be probable will not, requires an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of out flow of resources remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent asset are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which change occurs.

**13). Reserve for bad & doubtful debts**

Reserve for bad and doubtful debts is maintained on trade @ 5.73% on net trade receivables.

**14). Segment Reporting:**

The operations of the Company predominantly comprises of mining of Barytes. This activity constitutes the primary segment and is the only reportable segment.

**15). Earnings per share:**

The earnings considered in ascertaining the company's Earnings per share (EPS) comprise the net profit / (loss) after tax for the year. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year. The number of shares used in computing Diluted EPS comprises of weighted average shares considered for deriving Basic EPS and also the weighted average number of equity shares which could have been issued on the conversion of diluted potential equity shares where applicable. Dilutive potential equity shares are deemed to have been converted as of the beginning of the year, and unless they have been issued at a later date.

- 16). The Company has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly provision has to be made in the books of accounts, for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Further the removal of overburden in excess over and above the Ratio of the mining Plan the same will be adjusted the against the provision.

g) The Corporation is contributing MRTU Fund as per G.O.RT No.237,  
dt 29-03-1997 and as per the GO, the Corporation has to contribute 10% of  
sales turnover every year. Since in 1997-98, the Income Tax authorities

disallowed the amount. The Government created a Trust and the Corporation contributed Rs.1.00 crores from the financial year 2013-14 onwards as the tax benefit available to the Corporation is very meagre.

The Government of Andhra Pradesh vide G.O.Ms.No.18,dt 13-01-2016 issued a G.O. rechristening of DMKTUF Trust as MERIT and permitted to collect 2% contribution on Seigniorage Fee from all the minor minerals lease holders in addition to the existing contribution of 10% on sales turnover. The Corporation requested the Government

i) To exempt APMDC from payment of contribution for the years 1998-99 to 2001-02 and 2004-05.

ii) To ratify the action taken viz., lump sum payments towards contribution of Rs.40,00,000/- for the years 2002-03 and 2003-04, 2005-06 to 2007-08, @Rs.50,00,000/- for the years 2008-09 and 2009-10, @ Rs.75,00,000/- from the years 2010-11 to 2012-13 and Rs.1,00,00,000/- from the year 2013-14 to 2015-16

iii) It is mentioned in the G.O. at para 1 that "as per the G.O.237, the APMDC is to contribute 10% of sales turnover for exclusive rights of exploration in certain minerals. However, the fund has not been utilised over last many years.

The Corporation requested to withdraw the G.O Rt No 237,dt 29-03-1997 from the financial year 2015-16 onwards as it will burden to the Corporation and 10% in addition to the clause for payment of 2% contribution on royalty for all minerals as MERIT is common to all lease holders and for prospecting cum lease holders including the Corporation. And to permit to contribute only 2% on seigniorage fee as per the G.O.Ms.No.18, dt 13/1/2016. There is no communication received from the Government.

## II. Assets:

i). The Corporation has opened Post Office Savings Accounts which are pledged with the Assistant Director of Mines and Geology for granting leases, of which copies of pass books of SR Accounts are as follows:				
	Current Year	Previous Year		
a). Copies of pass books available -Rs.39,76,002	39,80,002			
b). Passbooks not available	Rs. 66,000	66,000		
	<u>40,42,002</u>	<u>40,46,002</u>	40,42,002	40,46,002
( Refer Note -8 -II - a )				
ii) The Corporation obtained National Savings Certificates and pledged with Assistant Director of Mines and Geology for granting leases to the Corporation. Out of the above, the copies of the National Saving Certificates of Rs 1000 are not available. The National Saving Certificates amounting Rs. 1,21,00,000/- have been obtained in the personal name of VC&MD instead of Corporation. However office door number was mentioned in the certificates. Further the department of Mines & Geology (DMG) confirmed vide letter No.4118/S/ 2005, dt.07.10.2013 that the Corporation had paid the amounts in the form of National Savings Certificates towards security deposit at the time of execution of quarry lease deeds duly pledged in the name of Asst Director of Mines and Geology, Hyderabad towards Mine Zones. Further, the Corporation addressed a letter to the General manager Indian post office on 2-5-2014 duly informing that all the National Savings Certificates were issued in the name of the individuals and that since cheques were issued by the A.P.M.D.C. to the postal authorities at the time of purchase of NSC Certificates the Corporation and not the individuals will submit the NSC after its maturity date and requested for remittance of matured amount in favor of M/s. APMDC.

	Net Deferred tax Asset (Refer Note -20 )		7,66,21,108		1,47,74,095

### III). Liabilities :

i). Other Liabilities include amount collected towards Service Tax from buyers who had paid under protest and the matter is pending with Service Tax Appellate Tribunal, Bangalore. Pending disposal of appeal, a sum of Rs. 2,00,00,00/- has been paid on 10-08-2012 as advance payment ( also refer Note -3-v ( e )	5,21,36,319	5,21,36,339
	35,77,120	22,44,446
	5,57,08,439	5,43,80,585

<p>ii). Amount recovered from contractors toward payment of VAT on the Explosives supplied to the contractor was treated as deemed Second sale by appropriate authorities. The Corporation preferred appeal against the same which has been decided in favor of the company. (also refer Note - 3 - v - (e))</p>	2,06,42,866	1,64,57,678
<p>iii). The Government notifies Miners Contribution to District Mineral Foundation fund and National Mineral Exploration trust fund on 17th September 2015, The miners have to contribution ( 30% ) and (2% ) on the applicable Royalty to the District Mineral foundation and National Mineral Exploration Trust fund, miners who were awarded leases before January 12,2015. Accordingly the District Mineral Foundation Fee for Rs,22,54,071/ and National Mineral Exploration Trust fund Rs.1,50,272 from January 12,2015 the date of coming into force of the MMDR Act. Accordingly the amounts have been adjusted against the Infrastructure Development Fund Rs.11,15,035 and balance amount of Rs. 12,89,308 has been recovered from the Buyers of Barytes.</p> <p>a) District Mineral Foundation Fees</p> <p>b) National Exploration Trust Fund ( Merit )</p> <p>( also refer Note - 3 - v - b</p>	<p>11,99,37,184</p> <p>79,95,819</p>	<p>22,54,071</p> <p>1,50,272</p>
<p>iv) i) Provision has been made for shortfall quantity of overburden from the financial year 2012-13 onwards in the books of accounts under the head of account 'Excavation &amp; Transport charges' of OB shortfall as per the stripping ratio. The aggregate amounts till the end of the period i.e., 31-03-2015</p> <p>ii) The stripping ratio as per the Mining Plan between ROM &amp; Overburden removal is 1 MT: 2.78 CBM. However, for the period from 01/04/2015 to 31/03/2016, the stripping ratio between ROM&amp; Overburden Removal is 1 MT: 0.82 CBM. It indicates that there is a significant shortfall in the quantity of Overburden removal against excavation of ROM. Hence the difference in Overburden removal value has been provided in the books of accounts based on the average rate of Rs.218.48 per CBM.</p> <p>Previous year</p> <p>Current year</p>	<p>1,05,50,74,715</p> <p>1,13,05,89,737</p>	<p>77,25,05,587</p> <p>28,25,69,128</p>

The aggregate amounts till the end of the Financial year as on 31-03-2016 (also include refer Note - 3-iv)	<u>2,18,56,63,952</u>	<u>1,05,40,73,715</u>
<p>v). As per clause 10 of the agreement entered with the joint venture companies, the Corporation has collected 5% consideration amount payable by each joint venture company and the same amount would be spent by a designated committee for infrastructure and other facilities in mining villages and as per clause(11)(5) of the Sale Agreements of Barytes, the Corporation collected @Rs.10/- per MT up to August,2011 and @ 1% of the sale value w.e.f.September,2011 towards Infrastructural development fees. The amounts so collected were shown as other liabilities.</p> <p>i) Aggregate amount at the beginning of the year Less: Expenditure during the year</p> <p>ii) For the current year Aggregate amount at the closing of the year (Refer Note -3 - v - f)</p>	<p>19,23,79,258 <u>(1,04,26,128)</u> 18,19,53,130 <u>74,24,761</u> <u>18,93,77,891</u></p>	<p>18,16,66,352 <u>(51,47,094)</u> 17,65,19,258 <u>58,60,000</u> <u>19,23,79,258</u></p>
<p>vi). The Corporation has not recognized the amount recovered from contractor towards penalties and kept the same under Penalty Suspense A/c since the matter was subjudice, at the close of the year</p> <p>i). The amount in subjudice (B Kumarswamy Reddy)</p> <p>ii). Balance amount for Annual review of contract period ( also refer Note - 3 - v - b</p> <p style="text-align: right;">Total</p>	<p>63,42,418 <u>17,33,53,617</u> <u>17,96,96,035</u></p>	<p>63,42,418 <u>16,57,34,941</u> <u>17,20,77,359</u></p>

## IV). Statement of Profit & Loss Items

i). Corporate Social Responsibility:

a. Gross amount required to be spent by the company during the year is Rs.7,23,6,759.

b. Amount spent during the year on

S. No	Particulars	Paid In cash	Total
1	Construction / Acquisition of any assets		
	ON Purposes other than one above ( Refer Note 17 - Is )	1,11,13,338	1,11,13,338

ii). Impact in the Statement of Profit & Loss due to Changes in the Policies:

New Project expenditure is treated as Revenue expenditure as per the accounting policy, due to this the impact in the Profit and Loss is Rs.4,64,76,624/-.

( refer Note - 17 - (i)- (iv)

Particulars	2015-16
Revenue	7,01,82,68,520
Total Expenditure ( Inclusive of New Project expenses )	2,93,96,35,262
Profit Before Tax ( PBT )	4,07,86,13,258
Less: New Project expenses	(4,64,76,624)
Expenditure after excluding of New Project expenses	2,89,31,28,638
Profit before tax (excluding New Project exp. )	4,12,50,89,882
Effect in P & L Account on the issue of New Project Expenses	(4,64,76,624)

iii). Earnings per Share

Particulars	As on 31 March 2016 Rs.	As on 31 March 2015 Rs.
Profit after tax	2,21,06,94,758	88,84,82,346
Profit available for Equity Shareholders	2,21,06,94,758	88,84,82,346

V). Treatment demerger plan in the Books of accounts

- The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh State into Andhra Pradesh & Telangana
- Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of Head Office and location basis for other projects.
- In line with the provisions of the Act, the Demerger Plan for bifurcation of Assets & Liabilities of APMDC as on 01.06.2014 between APMDC and TSMDC was prepared.
- The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions
- The Demerger Plan was discussed by the Boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC&TSMDC and the formula for bifurcation was approved.
- The Demerger Plan was subsequently presented before the Expert Appraisal Committee (EAC) constituted for this purpose. The EAC also approved the Demerger Plan and sent its recommendations to the respective governments.
- As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio.
  - o APMDC -58.32%
  - o TSMDC -41.68%
- APMDC has sent Demerger Plan to the Andhra Pradesh State Government and the same has been approved by GOAP vide G.O.Ms.No 19 dated 29.01.2019,  
The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lt. No APMDC/F&A/Demerger/2019- 20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government and complete the pending formalities

Distribution of the Assets & Liabilities of Common pool as on 01.06.2014 are given below:

Equity & Liabilities	Common Pool (Rs)	Andhra Pradesh (Rs)	Telangana (Rs)
Ratio		58.32%	41.68%
Share holders Funds			
a) Share capital	6,30,62,000	3,67,77,758	2,62,84,242
b) Reserve & Surplus	1042,81,41,579	608,16,92,169	434,64,49,410

## **INDEPENDENT AUDITOR'S REPORT**

To  
The Members,  
The Andhra Pradesh Mineral Development Corporation Limited,  
Hyderabad.

### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of The Andhra Pradesh Mineral Development Corporation Limited (herein referred to as "the Holding Company"), and its subsidiaries, (the Holding Company and its subsidiaries, together are referred to as "the Group"), its associates and Jointly controlled entities which comprise the Consolidated Balance Sheet as at March 31, 2016. Consolidated Statement of Profit and Loss for the year ended on that date and a summary of the Significant Accounting Policies and other information annexed thereto (herein after referred to as "the consolidated financial statements")

### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013, ( the Act ) that give a true and fair view of the consolidated financial position, financial performance and cash flows of the Group, its associates and Jointly controlled entities. In accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group/ its associates /and jointly owned entities and for preventing and detecting other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company. as aforesaid.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting standards and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Basis for Qualified Opinion**

- a) As per para 20 of AS-21(Consolidated Financial statements), para 25 of AS-23(Accounting for Investments in consolidated financial statements) and para 34 of AS-27(Financial Reporting of interests in Joint Ventures),"in case the subsidiaries/associates/ jointly owned entities use accounting policies other than those adopted for Consolidated financial statements appropriate adjustments should be made, if not practicable to do so, then the fact should be disclosed together with the proportions of the items in the Consolidated financial statements Though different accounting policies have been applied while preparing consolidated financial statements such disclosure with regard to different accountings polices applied along with the proportions of the items in

the consolidated financial statements to which the different accounting policies have been applied has not been disclosed. Such non disclosure is not in compliance with the said para 20 of AS-21, para 25 of AS-23 and para 35 of AS-27. In the absence of any details, we are not able to quantify the same.

- b) In terms of S.129(3) r/w s.129(4), of Companies Act, 2013 the Consolidated Cash flow statement is to be prepared and presented. However, such a cash flow statement has not been prepared, which is not in compliance with the said section
- c) While preparation of Consolidated Financial statement of the Group, Preference share capital issued by the Joint Venture companies (i.e, ANDHRA BARYTE CORPORATION PVT LTD & PALLAVA RED GRANITE PRIVATE LTD) is taken into share capital – (i.e, Note-1) of the Consolidated Financial statement which is not compliance with the AS-27. This has resulted in overstatement of the share capital account by ₹70,40,000/-
- d) As per para 14 of AS-21, para 6 of AS-23 & para 37 of AS-27, parent portion of equity Shall be derived from balance sheet as on the date of Investment. In case balance sheet is not available or impracticable to draw the balance sheet on the date of investment, then immediate preceding financial year's balance sheet shall be considered and adjustment for effect of significant transactions are events between the date of financial statement and date of investment.

However the same has not been followed while calculating Capital Reserve/ Goodwill in the following companies as required by the said accounting standards. In the absence of complete information we are not able to quantify the financial impact of the same.

- 1. Andhra Baryte Corporation (P) Ltd
- 2. Andhra Pradesh Iron Ore Company Ltd
- 3. Gimpex AP Barytes Beneficiation (P) Ltd
- 4. Trimex Barite Private Ltd
- 5. Pallava Red Granites ( P ) Ltd
- 6. A.P.Coastal sands & Metals Pvt Ltd

Moreover the Goodwill/capital reserve of Rs.1,43,01,956/- calculated by the parent company for the above said companies is adjusted in Opening Balance of Surplus under Reserve & Surplus instead of showing separately as Goodwill in Assets and Capital Reserve in Reserve & Surplus. The said adjustment in consolidated financial statement is not in line with para 13 of AS-21, para 12 of AS-23 & para 37 of AS-27.

Hence, Surplus is overstated by Rs.1,43,01,956/- consequently capital reserve is understated.

**e) Minority Interest:**

1. Minority interest for the said subsidiaries of Rs.16,49,000/- is added to the Opening Balance of Surplus under Reserve & Surplus instead showing as "Minority Interest" on under liabilities separately in the Consolidated Balance Sheet which is not compliance with para 13(e) of AS-21. Hence, Surplus under Reserve & Surplus is overstated by Rs. 16,49,000/- consequently Minority interest is understated.
  2. Minority interest of Rs.16,49,000/- for subsidiaries that is in case of Andhra Phosphate Private Limited and Ongole Iron Ore Mining Company Private Limited is not been calculated properly as required by para 13 of AS-21. In our opinion the same as per the latest available balance sheet of said subsidiaries should have been (Rs.28,27,581)/-.
- f) Capital reserve of Rs.1,61,91,000/- was created by parent company at the time of receipt of free ride equity shares of the following Companies. However while preparing Consolidated Financial Statement of Group, Capital reserve of Rs.1,61,91,000/- is not been eliminated which is not in compliance with AS-21, AS-23 & AS-27. Consequently the capital reserve has been overstated by the said amount. The details are as follows:

S.No	Particulars	Amount in Rs.
1	A.P.Granites(Midwest) P Ltd	1,10,00,000
2	A.P.Coastal sands & Metals Pvt Ltd	1,30,000
3	Ongole Iron Ore Mining Company Pvt Ltd	5,61,000
4	Trimex Barite Private Ltd	45,00,000

- g) ONGOLE IRON ORE MINING COMPANY (P) LTD recognise Intangible assets of Rs.5,61,000/- for the Lease rights given by the parent company against issue of Free ride equity shares. However the same is not been eliminated in the Consolidated Financial statement. Accordingly, Intangible assets is overstated by Rs.5,61,000/- consequently Capital Reserve is understated.
- h) Inter-company transactions between the companies considered in Consolidated Financial Statements have been eliminated to extent information available. However few companies have not reported related party transaction in notes to

accounts accompanying to their financial statements. In the absence of complete information, we cannot comment or quantify the elimination of Inter-company transactions within the group

In the absence of information para-a, para-d & para-h, as stated in paras above, we are not able to quantify the true impact on the financials

**Basis for Disclaimer of Opinion (as stated in the report of standalone financials)**

- a) The company has, during the previous year passed entries for "bifurcation" (based on the recommendations of a Committee and as per G.O. issued by the Govt. of A.P.), except w.r.t. Share capital. We are informed that such an exception is based on the agreement between the two companies (APMDC & TSMDC) for which no written document was produced for our verification. Hence, we are not able to comment on the appropriateness of not passing entries for bifurcation of share capital.
- b) In the absence of details of total area/ area mined out, we are not able to comment on the appropriateness of the provision for reclamation and rehabilitation expenses of Rs.6,00,73,000.(Note No19)
- c) The amounts transferred to TSMDC. Consequent to bifurcation are subject to confirmation by them.. Hence we are not able to comment on the following amounts (a)Rs.25,80,10,226 (cr) (Demerger adjustment),and Rs 40,75,70,870 (cr)( Interest on FDRs etc allocated to Telangana ) both included in Note 3 (Non current- Other liabilities), (b)Rs.15,00,98,047 (dr)(Advance to Telangana region), Rs.7,70,01,656 (dr) [Telangana Region Advance( Transfer of assets and Liabilities) and Rs. 31,55,58,083(dr) Demerger adjustment on account of FDRs etc) included under Note 9(Non-Current Assets)

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified/Disclaimer Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its subsidiaries, its Associates and its jointly owned entities, as at March 31, 2016, and their consolidated profit for the year ended on that date.

### **Emphasis of Matter**

We invite your attention to the matters mentioned below:

- a) We draw attention to Note 21(2)(VI) of Standalone Financial statement of Parent Company, which describes that the figures of last financial year are not comparable to the current financial year as they show the status of 9 months 29 days (i.e. 02.06.2014 to 31.03.2015).
- b) We draw attention to Note 21(2)(V) of Standalone Financial statement of Parent Company, which describes that G.O. has not been issued by Govt. of Telangana for giving finality to the Scheme of Bifurcation. Further, as per S.68(2) of the A.P.re-organisation Act, 2014, "The assets, rights and liabilities of the companies and corporations referred to in sub-section (1) shall be apportioned between the successor States in the manner provided in section 53. In terms of the said section, the Govt. of A.P./ Telangana is yet to issue a G.O."

Our opinion is not modified in respect of this matter.

### **Other Matters**

We did not audit the Financial Statements of two subsidiaries, whose Financial Statements reflect total assets (net) of Rs. 491.57 lakhs as at March 31, 2016, total revenues of Rs. 15.43 lakhs for the year ended March 31, 2016, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiaries, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiary, is based solely on the report such other auditor.

We did not audit the Financial Statements of Six jointly owned entities, whose Financial Statements reflect total assets (net) of Rs. 1621.10 lakhs as at March 31, 2016, total revenues of Rs. 1049.63 lakhs for the year ended March 31, 2016, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this jointly owned entities, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid jointly owned entities, is based solely on the report such other auditor.

We did not audit the Financial Statements of one associate entity, whose Financial Statements reflect total assets (net) of Nil as at March 31, 2016, total revenues of (Rs.0.04) lakhs for the year ended March 31, 2016, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid associate, is based solely on the report such other auditor.

In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, is not applicable.
2. As required by Section 143 (3) of the Act, we report that
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss dealt with by this Report are in agreement with the books of account;
  - d) Except to the extent matter stated in basis for Qualified/Disclaimer Opinion, in our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014

- e) On the basis of the written representations received from the Directors of the Company as on March 31, 2018, taken on record by the Board of Directors of the Holding Company and the reports of other Auditors of its subsidiaries, associates and Joint ventures incorporated in India, none of the Directors of the Holding company, its Subsidiaries, associates and Joint ventures, incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion, and to the best of our information and according to the explanations given to us:
- The holding company has disclosed the impact of pending litigations as per Note 2 to the Consolidated Balance Sheet.
  - There are no foreseeable losses on long-term contracts including derivative contracts by entered by the Holding Company.
  - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

3. In terms of S.143(5) of the Companies Act, 2013, we report hereunder on the directions issued by C&AG( Based only on Standalone Financials):

S No.	Directions of C&AG	Our Comment
1	Whether the company has clear title/lease deeds for freehold and leasehold land respectively? If not please state the area of freehold and leasehold land for which title/lease deeds are not available	We have not been shown any documents relating to the Leasehold property (835.431Hect). Hence, we are not able to comment on the same
2	Whether there are any cases of waiver/ write off of debts/loans/interest etc., if yes, the reasons there for and the amount involved	There are no cases of Waiver/write off of Debts/loans/interest etc., during the year

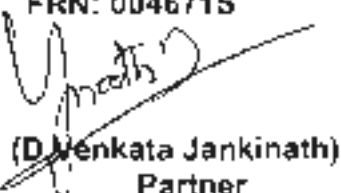

3	Whether proper records are maintained for inventories lying with third parties & assets received as gift/grant(s) from Government or other authorities	The company is maintaining proper records for Inventories lying with Third parties. The company has not received any assets as Grants/ gift from Government or other authorities

**Annexure - A to the Auditors' Report**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **The Andhra Pradesh Mineral Development Corporation Limited** (herein referred to as "the Holding Company") as of 31 March 2016 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

However we have not carried audit for the internal financial controls of its subsidiary companies, its associate companies and jointly controlled companies, since we have not received any reports from the auditors its subsidiary companies, its associate companies and jointly controlled companies

**Management's Responsibility for Internal Financial Controls**

The respective Boards of Directors of the Holding Company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be

prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

#### **Qualified Opinion on adequacy ( and therefore operating effectiveness) of Internal Controls Over Financial reporting)**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31,2016;

(1)There is a lack of flow of information via a vis pending litigation with the result that there is no review of such cases and resulting in repetition of amounts stated per earlier years

A "material weakness" is a deficiency, or a combination of deficiencies, in financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim statements will not be prevented or detected on a timely basis

In our,, except for the effects/ possible effects of the material weaknesses described above on the achievement of objectives of the control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining nature, timing and extent of audit tests applied in our audit of financial

statements of the company and are not able to comment on the effect of such weaknesses on the financial statements of the company

In our opinion to the best of our information and according to the explanations given to us, the Holding Company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 except as stated above, based on the internal control over financial reporting criteria established by the Company incorporated in India considering the essential components of internal control stated in the Guidance Note.

#### **Other Matter**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to holding Company only.

**Note 28 Significant Accounting Policies and Notes forming part of the accounts for the year ended 31<sup>st</sup> March 2016**

**Note 1). Significant Accounting Policies:**

**1. Significant accounting Policies**

The accounting policies set out below have been applied consistently to the years presented in these financial statements

**Basis for preparation of accounts**

The financial statements of the Company has been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ( the Act ) read with Rule 7 of the Companies ( Accounts ) Rules, 2014 issued by the Central Government and the relevant provisions of the Act and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian rupees rounded nearest rupees.

**Principles of Consolidation**

The Consolidated Financial Statements have been prepared on the following basis:

The Consolidated Financial Statements are prepared to the extent possible by using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements except as otherwise stated.

The financial statements of the Company and its subsidiary, Joint Venture and Associate companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra group transactions resulting in unrealized profits or losses as specified in Accounting Standard 21 - "Consolidated Financial Statements."

**Use of estimates**

The preparation of financial statements in conformity with Generally Accepted Accounting Principles in India (Indian GAAP) requires management to make judgment, estimates, assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could defer from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

**2. Current and Non-Current classifications**

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the Operating Cycle (Operating cycle is assumed as 12 months by the company of the Company as per the guidance as set out in the Schedule III of the Companies Act, 2013.

**(i) Assets**

"An asset shall be classified as current when it satisfies the following criteria:

- a). It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- b). It is held primarily for the purpose of being traded.

- c). It is excepted to be realized within twelve months after the reporting date;  
or  
d). It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current."

### (II) Liabilities

A liability is classified as Current when it satisfies the following criteria:

- a). it is excepted to be settled in the Company's normal Operating Cycle.  
b). it is held primarily for the purpose of being traded  
c). It is due to be settled within 12 months after the reporting date, or  
d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current Liabilities include the current portion of non-current financial liabilities.

All other liabilities are classified as non-current

### 3. Fixed Assets & Depreciation:

#### a) Tangible fixed assets

Tangible fixed assets are carried at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any.

The cost of an item of tangible fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is provided on the written down value method over the estimated useful life of each asset as specified in Schedule II of the Companies Act, 2013 except for the following Joint Ventures where it is provided on straight line method.

- i) Andhra Phosphate Pvt Ltd
- ii) TrimexBarytePvt Ltd
- iii) AP Granite Midwest Pvt Ltd
- iv) Andhra Baryte Corporation Pvt Ltd

The useful lives are considered as prescribed as per Part "C" of schedule II of the companies Act, 2013. Depreciation for the year is recognized in the statement of profit and loss.

To compute Depreciation, the useful lives of fixed assets is as follows:

Asset class	Useful life (in years)
I. Buildings	60
a). Buildings (other than factory building) RCC Frame Structures	
b). Buildings other than factory building)Other than RCC Frame Structures	30
II. Plant & Equipments	
a). Plant & Machinery	15
b). Mining Equipments	15
c). Weighing Machines	15
d). Survey & Drawing equipments	05

III. Furniture & Fixtures	10
IV. Office Equipments	05
V. Vehicles	08
VI. Others:	
a). Data Processing Equipments	03
b). Wells	05
c). Electrical Installations	10
d). Vocational Training Centre Equipments	05
e). First Aid Equipments	05
f). Laboratory equipments	10
VII. Software / Network:	06

#### **b)Intangible Fixed Assets:**

Intangible assets that are acquired by the Company are measured initial at cost And depreciate as per the estimated useful life as specified in Schedule II of the Companies Act, 2013.

c)The cost of interior arrangements in rented building are capitalized and amortized over the lease period

#### **4. Impairment of Assets:**

The carrying amounts of assets in use are reviewed at each Balance sheet date to determine whether there is any indication of impairment. If any such indication exists, then the carrying value is reduced to the lower of the net selling price or the value in use. The value in use is the present value of estimated future net income expected from use of the asset.

Impairment losses are recognized in statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the receivable amount. An impairment loss is reversed only to the extent the asset's carrying amount does not exceed carrying amount that would have been determined net depreciation if no impairment loss has been recognized.

#### **5. Investments:**

a) Investments are classified as Current and Non-Current Investments. Investments that are readily realized and are intended to be held for not more than one year from the date of which such investments are made, are classified as "Current Investments". All other investments are classified as "Long term Investments". The carrying amounts of current Investments are valued at lower of cost and fair value. In respect of the following Joint Ventures the current Investments are valued at cost and net realizable value:

- i) PallavaRED Granite Pvt Ltd
- ii) TrimexBarytePvt Ltd
- iii) Andhra Pradesh Granite (Midwest)
- iv) AP Coastal Sand Metals Pvt Ltd
- v) Andhra Baryte Corporation Pvt Ltd

However, provision for diminution is made to recognize decline, other than temporary, in the value of long-term investments.

b) Investments made in free-ride equity shares for consideration other than cash are disclosed as long-term investment and corresponding amount under the head Capital Reserve.

6. **Inventories:**

- a) Finished products are valued at weighted average cost or net realizable value whichever is lower. The Closing stocks of finished goods (Barytes Lumps) lying with the Company and Private Mills are valued on weighted average cost prices of A & B grades or any combination of the same. The cost of closing stock does not include Royalty /seigniorage(except on lumps supplied to Private Mills) as the same is liable to be paid in respect of any Mineral removed from the leased area as per Sec.9 of Mines & Minerals (Regulations & Development) Act, 1957 and Head Office overheads.
- b) Spares, HSD oil, Explosives and Packing Materials are valued at lower of cost and net realizable value (weighted average cost method).
- c) Based on the past experience, sales statistics and the quantity quoted in the earlier tender, and as slow moving item the Closing stock of C+D+Waste grade of Barytes for a quantity of 5,00,000 MTs has been valued from the financial year 2013-14 onwards and the remaining quantity is disclosed in the statement of Closing Stock without value.

7. **Cash & Cash equivalents:**

Cash and cash equivalent in the Balance sheet comprises cash at Bank.

- a) Cash equivalent are held for the purpose of meeting short - term cash commitments rather than for investment or other purposes. For an investment to qualify as a cash equivalent, it must be readily convertible to a known amount of cash and be subject to an insignificant risk of changes in value. Therefore, an investment normally qualifies as a cash equivalent only when it has a short maturity of, say, three months or less from the date of acquisition. Investment in shares are excluded from cash equivalent unless they are in substance, cash equivalents- for example, preference shares of a company acquired shortly before their specified redemption date (provided there is only an insignificant risk of failure of the company to repay the amount at maturity)
- b) Cash flows exclude movements between items that constitute cash or cash equivalent because these components are part of the cash management of an enterprises rather than part of its operating, investing and financing activities. Cash management includes the investment of excess cash in cash equivalents

8. **Employee Benefits**

**Short term Employee Benefits:**

Employee Benefits payable Wholly within 12 months of receiving employee services are classified as short term employees benefits. These benefits include salary, wages, bonus and Ex-gratia. The undiscounted amount of short term employee benefits to be paid in exchange for employee services are recognized as an expense as the related service is rendered by employees. In respect of the following Joint ventures, the liability of bonus and ex-gratia is provided on accrual basis:

- i) Andhra Phosphate Pvt Ltd
- ii) AP Granite Midwest Pvt Ltd

**Defined contribution plans:**

A retirement benefit in the form of superannuation is a defined contribution scheme and the contribution towards defined contribution scheme is charged to the Statement of Profit and

Loss of the year when the contribution to the Fund is due. There is no obligation other than the contribution payable to the Fund. Retirement benefit in the form of Provident Fund is a defined benefit.

**Defined benefit plans:**

The Company's gratuity benefit scheme and Leave encashment fund scheme are defined benefit plans. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method. There is a Trust by LIC for each of the purpose.

The Company recognizes all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss.

In respect of the following Joint Ventures the provision of gratuity and leave encashment is provided on cash basis:

- i) Andhra Phosphate Pvt Ltd
- ii) Andhra Baryte Corp Pvt Ltd

**Compensated absences:**

The employees can carry - forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on superannuation from employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and a also not expected to be utilized within twelve months after the end of such period, the benefit is classified as a long - term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of Independent actuarial valuation using the projected unit credit method. There is a trust by LIC for the purpose.

**Termination benefits:**

Termination benefits are recognized as an expense when, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

**9. Recognition of Revenue & Expenditure:**

- a) Revenue/Income and Cost/Expenditure are generally accounted on accrual, as they are earned or incurred except to the extent mentioned per (i) hereunder.
- b) Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the customer.
- c) Income from services rendered is accounted as per contractual terms with the parties concerned.
- d) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable.
- e) Dividend Income is accounted for when the right to receive is established.

- f) Consideration amount from Raising cum Sale contracts reduced to the extent of sales made, if any. ie on the total consideration, the sale amount of consideration will be considered as sale the remaining amount will be treated as consideration.
- g) Expenditure related to rehabilitation for the villagers falling within the danger Zone of Mining Project is charged to the revenue expenditure based on the information provided by the appropriate authority.
- h) Expenditure incurred towards New Projects is treated as revenue expenditure and charged in the year in which such expenditure incurred as the viability of the Project is uncertain (effect of change note pending).
- i) All items of Income & Expenditure are accounted for on mercantile basis except in respect of the following:
  - i). Sale of scrap, interest on loan to employees, and other receipts of casual and contingent nature and Insurance Claims are accounted for on actual receipt basis
  - ii) Interest receivable on consideration as per the terms & conditions of the Agreement, amount due in respective of Joint venture Companies and RCSC will be recognized as income, in the year in which the interest received.
  - iii). Expenses on books, periodicals, membership and subscription fees, legal & professional fees (except Statutory Audit Fee, Internal Audit Fee and Cost Audit Fee) advertisements and sponsorships are charged as and when paid

#### 10. Taxation on Income:

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income tax expense is recognized in profit or loss except that tax expense related to item recognized directly in reserves is also recognized in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable rates and tax laws. Deferred tax is recognized in respect of timing difference between taxable income and accounting income i.e., differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities recognized using in tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax asset are recognized only to the extent there is reasonable certainty that the asset can be realized in future, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed as at each balance sheet date.

#### 11. Provisions:

A provision is recognized if, as a result of a past event, the company has a present obligation that can be estimate reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the obligation at the Balance Sheet date. The provisions are measured on an undiscounted basis.

#### **Onerous Contracts:**

A Contract is considered as onerous when the expected economic benefits to be derived by the company from the contract are lower than the unavoidable cost of meeting its obligation under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with contract.

#### **12. Contingent liabilities and Contingent Assets:**

A Contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, be probable will not, requires an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of out flow of resources remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent asset are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which change occurs.

#### **13. Reserve for bad & doubtful debts**

Reserve for bad and doubtful debts is maintained on trade @ 5.73% on net trade receivables.

#### **14. Segment Reporting:**

The operations of the Company predominantly comprises of mining of Barytes. This activity constitutes the primary segment and is the only reportable segment.

#### **15. Earnings per share:**

The earnings considered in ascertaining the company's Earnings per share (EPS) comprise the net profit / (loss) after tax for the year. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the year. The number of shares used in computing Diluted EPS comprises of weighted average shares considered for deriving Basic EPS and also the weighted average number of equity shares which could have been issued on the conversion of diluted potential equity shares where applicable. Dilutive potential equity shares are deemed to have been converted as of the beginning of the year, and unless they have been issued at a later date.

#### **16. The Company is account for, for the Short fall quantity of over burden as per the Stripping ratio fixed in the Mining Plan. The excess will be adjusted to the provision of short fall quantity of Over burden, as and when occurs.**

Add: Adjustment for outstanding share options (Nos)	-
Weighted Average number of equity shares for Diluted EPS (Nos)	63,062

Face value per share ('000)	
Basic & Diluted EPS * ('000)	35,207.11

8. The milestones in respect of Suliya-Belwar Coal Block are completed in respect of preparation of Mine Plan, preparation of Geographical Report, Socio-impact Assessment, public hearing, submission of Mine Plan to Ministry of Coal and acquisition of private land to a tune of 791 Ha. and expected to start production by April, 2016. Hence, as per the 372nd Board Meeting held on 19th April, 2014, "the Board desired that so far as the expenditure in the project is concerned, it shall be converted into Equity or Debentures at a later date and the present Authorised Equity Capital of Rs.20.00 crores may be increased accordingly. The increased Paid Up Equity Capital shall always be in the ratio of 51:49 for APMDC and SCCL respectively. The A.G. Auditors pointed out that "As per the agreements entered into, the Company had to subscribe to equity of Rs.10.20 crore (51% of Rs.20.00 crore) in APMDC - SCCL Suliya Coal Company Limited i.e., a Joint Venture (JV) Company. The financing pattern stipulated all expenditure incurred should be reimbursed to the Company after formation of JVC or adjusted against the equity contribution of the Company. Though an amount of Rs.23.23 crore was spent on behalf of JV Company, the entire amount was shown under Long-term loans and Advances. The portion of expenditure (Rs.10.20 crore) incurred by the company in JV should have been treated as equity contribution and reflected as 'Non-current Investments' instead of 'Long term Loans and Advances'. This has resulted in understatement of Non-Current Investments by Rs.10.20 crore and overstatement of 'Long-term Loans & Advances' by a similar amount."

The Corporation entered into agreement with the JV Company only on 22nd April, 2013. Further, both the AG and Statutory audits have been completed upto the financial year 2010-11, the same has not been proportioned to Advance to expenditure in Suliya Coal Block at this stage. Accordingly the expenditure incurred from the financial year 2011-12 onwards was transferred to Suliya Coal Block Branch Advances the same will be capitalised and converted into Equity at a later date. (Rs.30025.78 lakhs for the period from 02/04/2014 to 31/3/2015) (Previous year Rs.15291.67 lakhs).

We are claiming 49% of the total due amount along with interest from SCCL and after the Corporation receives the amount along with the portion of Rs.10.77 crores incurred during the financial year 2004-05 to 2010-11, it can be treated as Income in the year in which the Corporation receives the amount from M/s SCCL. Further, the Corporation has paid Rs.1,56,87,000/- to Ministry of Coal, Government of India on 28-04-2014 towards proportionate Deduction of total Bank Guarantee of Rs.5.81 crores in respect of Suliya Coal Block due to delay in progress and slippage in milestones of the Suliya Coal Block and action imposed by Ministry of Coal, Govt. of India. The amount paid in April 2014 provision was made in the financial year 2013-14 and transferred to subsidiary company account Suliya Coal Block which was earlier allotted to APMDC Ltd., has been de-allocated as per the orders of Hon'ble Supreme Court of India on 24th

September, 2014. Now it is re-allocated to APMDC Ltd. as standalone basis vide (1) Order No.F.No.103/9/2016/NA at Madanpur South Coal Mine(Charisghar) an extent of 713.5 Hectares (2) Order No.F.No.103/10/2016/NA at Sullyari Coal Mine(Madhya Pradesh) an extent of 1298 hectares. . Fresh allocation of the same Coal block to APMDC was made on standalone basis and no JV arrangement is permitted. In view of this development and since APMDC is contemplating winding up of JV Company, accounting entries are required to be reviewed and appropriate adjustments and modifications etc., will be made as and when settlement of the issue

Letter No.CRP/CS/408 SUL./452,dt.09.09.2020, it is to submit that APMDC has placed the matter regarding winding up of APMDC-SCCL Sullyari Coal Company Ltd (JV Company) and to examine the request of M/s Singareni Collieries Co.Ltd., for refunding share application money of RS.9.80 crores before its 406<sup>th</sup> Board Meeting held on 1<sup>st</sup> February, 2021. The Board discussed the same and opined to defer the matter till settlement of the issues of Bifurcation of the State.

9. The Corporation has opened Post Office Savings Accounts which are pledged with the Assistant Director of Mines and Geology for granting leases, of which copies of pass books of SB Accounts are as follows:

a) Copies of pass books available-	Rs 39,76,002
b) Non-available of passbook	Rs. 66,000
Total	<u>Rs.40,42,002</u>

Further, the interest on copies available Postal Savings Account has been taken into the books of accounts from the year 2010-11 and the interest will be taken in the books of accounts every year from 2013-14 onwards.

10.(i).Other Liabilities Includes amount collected towards Service Tax from buyers who had paid under protest and the matter is pending with Service Tax Appellate Tribunal, Bangalore. Pending disposal of appeal, a sum of Rs. 200 lakhs has been paid on 10-08-2012 as advance payment.

(ii).Amount recovered from contractors toward payment of VAT on the Explosives supplied to the contractor was treated as deemed second sale by appropriate authorities. The Corporation preferred appeal against the same which is pending before the Sale Tax Appellate Tribunal

Particulars	As at March 31, 2016
Amount Pending before Service Tax Appellate Tribunal (Service Tax)	5,57,08,439
Amount Pending before Sales Tax Appellate Tribunal (VAT)	

11. The Corporation obtained National Savings Certificates and pledged with Assistant Director of Mines and Geology for granting leases to the Corporation. Out of the above, the copies of the National Saving Certificates of Rs.1500 are not available. The National Saving Certificates amounting Rs. 121 lakhs have been obtained in the personal name of VC&MD instead of Corporation. However office door number was mentioned in the certificates. Further the department of Mines & Geology (DMG) confirmed vide letter No 4118/S/2005, dt.07.10.2013 that the Corporation had paid the amounts in the form of National Savings Certificates towards security deposit at the time of execution of quarry lease deeds duly pledged in the name of Asst. Director of Mines and Geology, Hyderabad towards Mine Zones.

Further, the Corporation addressed a letter to the General manager Indian post office on 2-5-2014 duly informing that all the National Savings Certificates were issued in the name of the individuals and that since cheques were issued by the A.P.M.D.C. to the postal authorities at the time of purchase of NSC Certificates the Corporation and not the individuals will submit the NSC after its maturity date and requested for remittance of matured amount in favour of M/s. APMDC.

**Allocation to Two Regions:**

	A.P.	T.S	Total
Head Office	70,56,953	50,43,447	1,21,00,400
Branches	71,500	0	71,500
<b>Total</b>	<b>71,28,453</b>	<b>50,43,447</b>	<b>1,21,71,900</b>

12. The Corporation has not recognized the amount recovered from contractor towards penalties and kept the same under Penalty Suspense A/c since the matter was subjudice, at the close of the year.

Particulars	As at March 31, 2016
a) The amount in subjudice B. Kumar Swamy Reddy	63,42,418
b) Balance amount for review of contract period (VLC- SCKC)	17,33,53,617
<b>Total</b>	<b>17,96,96,035</b>

## 15.2 Subsidiaries and JVs not considered for consolidation:

Investment in the following company have been written off, there are no operations during the year in respect of the underlying financial statements and there are no financial statements for the year ended 31 March 2016 and hence these are not considered for consolidated financial statements.

### Subsidiary Companies:

APMDC SCCL Suliyan Coal Company Ltd	The said Company shall not be taken into CFS as the licence has been cancelled by the Supreme Court judgement please refer to the Para 11(b) of AS-21 and Para 29(b)/39(b) of AS-27
Damodhara Minerals Pvt Ltd	Shall not be taken into CFS as the shares transferred to TSMDC during FY 2015-16 as per AOC-4 filed by the said Company with ROC.

### Jointly Controlled Entity:

Nuagaon Coal Company Ltd	The was incorporated on 11.05.2011. As the company is Dormant U/s 455 as per the Records of MCA portal. Hence, The said Company shall not be taken into CFS.
Aswani Mineral Development (P) Ltd.	The was incorporated on 21.09.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS 2600 equity share are in the Nominee instead of APMDC
Arham Minerals Exports (P) Ltd	The was incorporated on 04.05.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS.
Isra Minerals Exports (P) Ltd	The was incorporated on 08.05.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS.
Margasree Granites (P) Ltd	The was incorporated on 11.05.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS.
Ongole Minerals Exports (P) Ltd	The was incorporated on 17.10.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS.
RLP Granites (P) Ltd	The was incorporated on 17.10.2001. Due to continues default the company is stricken off by the ROC and no records are available in respect of Balance Sheet & AGM held in earlier years on MCA portal. As the records for CFS are not available hence, the said Company is not considered in CFS
V V. Minerals (P) Ltd	The joint venture agreement expired in FY 2013-14 and later on State Government has rejected the renewal/fresh JV agreement in Oct, 2016. As there is no JV agreement exist as on the date preparation of CFS and even percentage of holding (i.e. 1100 equity shares which 12.36% of total voting power) in the said company is less than 20% of voting power hence it has not been considered in CFS

Alliance AP BGG Pvt Ltd	The JV requested to surrender the land allotted under JV agreement vide letter dated 30-03-2013 and Board of APMDC accepted the matter in 364th Board meeting held on 27-04-2013 and the same was approved by Director of Mines & Geology by order dated 03-03-2015. As there is not JV agreement exist as on the date preparation of CFS and even percentage of holding (i.e. 11,00,000 equity shares which 11% of total voting power) in the said company is less than 20% of voting power hence it has not been considered in CFS.
-------------------------	---

#### Associates

Andhra Pradesh Tribal Mining (P) Ltd	As the company is strike off and as per the Records of MCA portal the last AGM of company was held on 14.09.2006. Hence, The said Company shall not be taken into CFS.
--------------------------------------	--

15.3 The Company is in the process of reconciling its balances with certain Joint Ventures, while preparation of the consolidated financials, these intercompany balances have been eliminated to the extent of reconciled balances, and in case where balances were not reconciled the least of the balance in either of the related party books has been eliminated and the balance is disclosed under related party transactions.

16. On the first occasion that consolidated financial statements are presented, comparative figures for the previous period is not be presented as per Para 30 of AS-21.

#### 17. Treatment of demerger plan in the Books of accounts

The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh State into Andhra Pradesh & Telangana.

Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of Head Office and location basis for other projects.

In line with the provisions of the Act, the Demerger Plan for bifurcation of Assets & Liabilities of APMDC as on 01.06.2014 between APMDC and TSMDC was prepared.

The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions.

The Demerger Plan was discussed by the Boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC & TSMDC and the formula for bifurcation was approved.

- The Demerger Plan was subsequently presented before the Expert Appraisal Committee (EAC) constituted for the purpose. The EAC also approved the Demerger Plan and sent its recommendations to the respective governments.
- As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio.
  - APMDC -58.32%
  - TSMDC -41.68%
- APMDC has sent Demerger Plan to the Andhra Pradesh State Government and the same has been approved by GoAP vide G.O.Ms.No 19 dated 29.01.2019.

The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lr. APMDC/F&A/Demerger/2019-20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government to complete the pending formalities.

Distribution of the Assets & Liabilities of Common pool as on 01.06.2014 are given below:

Equity & Liabilities	Common Pool (Rs)	Andhra Pradesh (Rs)	Telangana (Rs)
Ratio		58.32%	41.68%
Share holders Funds			
a) Share capital	6,30,62,000	3,67,77,758	2,62,84,242
b) Reserve & Surplus	1042,81,41,579	608,16,92,169	434,64,49,410

**TO THE DIRECTORS' REPORT  
ANNUAL REPORT ON CORPORATE SOCIAL  
RESPONSIBILITIES (CSR) ACTIVITIES**

[Pursuant to clause (a) of sub-section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]

**1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs:**

APMDC ("the Company") has developed its CSR policy, henceforth called "APMDC CSR Policy", in accordance with Section 135 of the Companies Act 2013 and the Companies (Corporate Social Responsibility policy) Rules, 2014 notified by the Ministry of Corporate Affairs, Government Of India.

The objectives of the APMDC CSR Policy are to:

1. To define CSR Projects or Programmes which APMDC plans to undertake and which fall within the preview of the Companies Act, 2013 and Companies (CSR Policy) Rules, 2014.
2. Outline mechanism to identify new CSR Activities which can create a positive difference in the area.
3. Outline Governance mechanism for the CSR activities taken up by APMDC.
4. Mode of implementation of such CSR Projects and Programmes.
5. Monitoring and reporting mechanism of such CSR Projects and Programmes.

APMDC CSR policy is aimed at working along with the community through its focus on

Eradicating hunger, poverty and malnutrition, (promoting health care including preventive health care) and sanitation including contribution to the Swachh Bharat Kosh set up by the central government for the promotion of sanitation and making available safe drinking water;

- i. Promoting preventive health care:
  - a. Provision for operation and treatment for differently disable persons

- b. Enabling access to, or improving the delivery of, public health systems.
- ii. Promoting education, including special education and employment enhancing vocation skills especially among children, women and elderly, and the differently abled and livelihood enhancement projects.
- iii. Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups.
- iv. Enduring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agro-forestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the clean Ganga fund setup by the central government for rejuvenation of river Ganga.
- v. Protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts;
- vi. Measures for the benefit of armed forces veteran, war widows and their dependants;
- vii. Training to promote rural sport, nationally recognized sport, Paralympics sport and Olympic sport.
- viii. Contribution to the Prime Minister National Relief Fund or any other fund set up by the central government for socio-economic development and relief and welfare of the scheduled castes, the scheduled tribes, other backward classes, minorities and women;
- ix. Contribution or fund provided to technology incubators located within the academic institutions which are approved by the central government;
- x. Rural development projects.
- xi. Any other projects or activities approved by the central government pursuant to section 135 of the companies act, 2013, from time to time.

**2. Average net profit of the company for last three years : Rs.199,65,87,148/-**

**3. Prescribed CSR Expenditure (two percent of the amount as in item 3 above):Rs.3,99,31,743**

**4. Details of CSR spent during the year.**

(a) Total amount spent on CSR for the financial year 2016-17:Rs.1,91,60,020/-

(b) Total amount to be spent on CSR for the financial year 2016-17:Rs.2,07,71,723/-.

(c) Manner in which the amount spent during the financial year 2016-17:

- I. Primary Health Centre Maintenance Expenses
- II. School Maintenance Expenses
- III. RO Plants Maintenance Expenses
- IV. Rural Expenses

**5. In case the Company has failed to spend the two percent:**

During the financial year ended March 31, 2017, the company was required to spent Rs.3,99,31,743/-towards CSR activities but the Company has spent Rs.1,91,60,020/ which is lesser than the required amount.

**6. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company:**

The CSR Committee affirms that the implementation and monitoring of CSR Policy is in compliance with the CSR Policy and Objectives of the Company.

Sir,

**Sub: Provisional Comments on the Financial statements (Standalone and Consolidated) of the Andhra Pradesh Mineral Development Corporation Limited for the year 2016-17.**

I am to forward herewith supplementary provisional comments on the accounts of your Company for the year 2016-17. It is requested that remarks separately, if any, of the Management may please be communicated within **THREE** days from the date of receipt of this letter so as to enable this office to finalise the comments of the Comptroller and Auditor General of India under Section 143 of the Companies Act, 2013 expeditiously. In the event of non-receipt of replies within the stipulated time, it would be presumed that (i) the Management has no remarks to offer and (ii) that the facts and figures are accepted by the Management.

Soft copies in word format are also to be sent at [psu.anp.au@icag.gov.in](mailto:psu.anp.au@icag.gov.in). Replies may be furnished in the following pro forma.

Provisional Comment (1)	Reply of the		Remarks (4)
	Company (2)	Statutory Auditors (3)	

In case data, if any, is required for further issue of supplementary provisional comments, the same would be called for.

Encl: as above

Yours faithfully,

**PROVISIONAL COMMENTS UNDER SECTION 143(6)(b) OF THE COMPANIES ACT 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF THE ANDHRA PRADESH MINERAL DEVELOPMENT CORPORATION LIMITED, VIJAYAWADA FOR THE YEAR ENDED 31 MARCH 2017**

**A. Comments on Financial Position:**

**Assets**

**Non-Current Assets**

**Capital Work-in-Progress (Note 2): ₹ 296.28 crore**

1.The above includes an amount of ₹ 1.57 crore representing the Bank Guarantee encashed by Government of India towards penalty for non-achievement of milestone. As the deduction is in the nature of penalty, the same should be charged to Statement of Profit and Loss. This had resulted in overstatement of Capital Work-in-Progress and understatement of Expenses by ₹ 1.57 crore. Consequently, Profit for the year is overstated by the same amount.

2.Gol had allotted Suliaryi Coal Block in Madhya Pradesh to the Company in July 2007. As per the terms of allotment, the exploration and coal mining shall be carried out by the Company or a separate Company to be created with its participation. Accordingly, the Company had entered into a Joint Venture (JV) agreement with Singareni Collieries Company Limited (SCCL) and formed a JV Company viz., APMDC-SCCL Suliaryi Coal Company Limited in July 2013 to carry out the mining of coal. For preparation of JV agreement, the Company had engaged M/s.Centre for Good Governance and paid an amount of ₹ 3.50 lakh. it had included the above expenditure in Capital Work-in-Progress. Consequent on Supreme Court Judgement in September 2014, the Gol had cancelled the allocation of Suliaryi Coal Block to the Company. Subsequently, upon enactment of Coal Mines (Special Provisions) Act, 2015, Gol had reallocated the Suliaryi Coal Block to the Company in September 2016 with the terms to carry out the coal mining on its own.

As the existence of the JV Company is no longer relevant in view of the cancellation of the previous allocation and reallocation to the company and the JV Company being indicated as "Inactive" in the ROC database, the amount paid for preparation of JV agreement should be charged to Statement of Profit and Loss. Thus, in view of non-booking of the amount to Statement of Profit and Loss, Capital Work-in-Progress is overstated and Expenses are understated by ₹ 3.50 lakh.

3. (a)The above includes an amount of ₹ 293.96 crore spent by the company on behalf of its joint venture on Suliaryi coal block prior to September 2016, when the coal mine was allotted to the Company. As the investment in the JV Company is fully eroded, the amount should

have been fully provided for (as per Para 5.4.4) of Ind AS `109) instead of disclosing the same as CWIP.

Failure to do so has resulted in overstatement of Capital Work-in-Progress and understatement of provisions by 293.96 crore with consequent overstatement of profit for the year by the same amount.

(b) A combined reading of Para 15 and 16 of Ind AS 106 and Para 2 of Ind AS 38, it is established that expenditure incurred on development of mining rights should be classified as Intangible Asset under Development. However, the Company had classified the balance ₹ 1.30 crore (i.e., 295.26 crore less ₹ 293.96 crore) as Capital Work-in-Progress instead of as Intangible Asset Under Development. This had resulted in understatement of Intangible Asset underdevelopment and overstatement of Capital Work-in-Progress by ₹ 1.30 crore.

4. (a) During the year, the Company had incurred expenditure for ongoing modifications (₹ 0.13 crore) of the existing ERP Software and ₹ 0.05 crores for renewal of license of Business Ready Enhancement Plan (BREP). As per Para 119 (g) under Disclosure requirements of Ind AS 38 and Para 8.7 of Guidance Note on Schedule III to Companies Act, 2013, the Intangible Assets under Development should be disclosed on the face of the Balance Sheet, separately.

However, Company had included the above in the Capital Work-in-progress instead of depicting separately. Thus, the misclassification resulting understatement of Intangible assets under development by ₹ 0.13 crore and overstatement of Capital work in progress by the same amount.

(b) Accounting of Business Ready Enhancement Plan (BREP) license renewal fees of ₹ 0.05 crore as Capital Work-in-Progress instead of charging the same to Statement of Profit & Loss statement as revenue expenditure resulted in overstatement of Capital Work-in-Progress and profit for the year by ₹ 0.05 crore.

#### **B. Comments on Profitability:**

##### **Expenses**

##### **Finance Cost**

##### **Interest on Staff loans**

5. Company is providing vehicle loans and other loans to staff. While sanctioning the loans, the Company is indicating in the sanction order the amount of monthly instalment of principal as well as the interest on monthly diminution. Further, as per the practice, the Company is

first recovering the principal in certain specified instalments and on completion of principal recovery. Company is recovering the total interest (as computed in the sanction order) in certain specified instalments and as such booking the interest income on receipt basis.

While the Company prepared its financial statements on Ind AS basis, it did not recognise interest receivable in line with Para 27 of Ind AS 1, which stipulated accrual concept. It was observed that the Company had not disclosed policy with regard to the manner of recognition of interest income on staff loans. In the absence of policy and non-availability of sufficient documents/information as to the interest accrued on the staff loans as on March 2017, the impact of the non-booking of interest income and consequent understatement of asset could not be ascertained.

### C. Comments on Disclosure:

6.The Company was allotted mining lands to the extent of 2556.86 hectares of mining land at Mangampet (Barytes), Chimakurthy (Granite), Dwaraka Tirumala (Ball Clay) etc., by the GoAP/GoI on lease basis for carrying out mining activity. It has been earning revenue from the sale of barytes and receiving consideration amount from the JV Companies in respect of black galaxy granite and ball clay. While no operations have been carried out in the other mining lands as on 31 March 2017. The Company has been paying lease rentals/dead rent and royalties as the case may be. However, the Company did not disclose in the Notes to Financial Statements with regard to the extent of mining lands held under lease.

7.Consequent on bifurcation of Andhra Pradesh with effect from 2-6-2014, the erstwhile APMDC was to be demerged as per AP Reorganisation Act, 2014. As per the demerger Plan, as on date of demerger, the Company held funds in Current Accounts, FDs, Sweep Accounts to the extent of ₹ 953.53 crore in various Banks. Out of this, the share of AP Unit was ₹ 556.10 crore. Government of Telangana (GoT) instructed (24-10-2014) all the Banks to freeze all the funds that are in the name of the Company and not to allow any withdrawal or transfer of the funds to any other account unless specific instructions are issued by the GoT. Accordingly, the Banks had frozen all the funds since then. The Company had however, been renewing the FDs upon maturity and created fresh FDs together with the interest earned on the FDs. As on 31-3-2017, the share of the Company in the total FDs, Sweep Account, Current Account that were frozen was ₹ 670.70 crore (FDs: ₹ 663.34 crore; sweep accounts: ₹ 6.67 crore and current accounts: ₹ 0.68 crore).

While the Company had indicated that ₹ 0.68 crore held in current account was frozen, it had neither indicated nor disclosed the facts in the Notes to Financial Statements that FDs amounting to ₹ 663.34 crore and ₹ 6.67 crore held in sweep accounts were frozen on account of the instructions of Telangana Government to the Banks

8.In Compliance to previous year provisional comment no. 6, the Company had recognised revenue of ₹ 7.62 crore towards risk and cost amount recoverable from a contract subsequent to termination of contract for non-performance. However, as the matter is sub judice, the fact that the realisability of the same is subject to court's decision in it, should have been disclosed appropriately in notes to accounts.

#### **D. Comments on Independent Auditor's Report**

9.As on the reporting date, an amount of ₹ 100 crore was remitted (30-03-2017) to GoAP which was subsequently returned to the Company on 30-06-2017. In this context, the qualification no.(vi) that the Company had advanced an amount of ₹ 100 crore to M/s APSFNL is incorrect as the was given in next year i.e , 2017-18.

10.The Statutory Auditors in Point i(c) of Annexure-A to their Report stated that in respect of immovable property, title deeds are not available in respect of 1.61 Acres at Mangampet (Carrying amount ₹ 23,43,985) and 2.07 Acres at Dwaraka tirumala (Carrying amount ₹ 1,877). As the above lands were alienated by the Government to the Company, the above statement should have referred to the alienation orders, and not title deeds

**Senior Deputy Accountant General**

**PROVISIONAL COMMENTS UNDER SECTION 143(6)(b) OF THE COMPANIES ACT 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE ANDHRA PRADESH MINERAL DEVELOPMENT CORPORATION LIMITED, VIJAYAWADA FOR THE YEAR ENDED 31 MARCH 2017**

**A. Comments on Financial Position:**

**Assets**

**Non-Current Assets**

**Capital Work-in-Progress (Note 2): Rs.296.28 crore**

1. The above includes an amount of ₹ 1.57 crore representing the Bank Guarantee encashed by Government of India towards penalty for non-achievement of milestone. As the deduction is in the nature of penalty, the same should be charged to Statement of Profit and Loss

This had resulted in overstatement of Capital Work-in-Progress and understatement of Expenses by ₹ 1.57 crore. Consequently, Profit for the year is overstated by the same amount

2. GoI had allotted Suliari Coal Block in Madhya Pradesh to the Company in July 2007. As per the terms of allotment, the exploration and coal mining shall be carried out by the Company or a separate Company to be created with its participation. Accordingly, the Company had entered into a Joint Venture (JV) agreement with Singareni Collieries Company Limited (SCCL) and formed a JV Company viz., APMDC-SCCL Suliari Coal Company Limited in July 2013 to carry out the mining of coal. For preparation of JV agreement, the Company had engaged M/s.Centre for Good Governance and paid an amount of ₹ 3.50 lakh, it had included the above expenditure in Capital Work-in-Progress. Consequent on Supreme Court Judgement in September 2014, the GoI had cancelled the allocation of Suliari Coal Block to the Company. Subsequently, upon enactment of Coal Mines (Special Provisions) Act, 2015, GoI had reallocated the Suliari Coal Block to the Company in September 2016 with the terms to carry out the coal mining on its own.

As the existence of the JV Company is no longer relevant in view of the cancellation of the previous allocation and reallocation to the Company and the JV Company being indicated as "Inactive" in the ROC database, the amount paid for preparation of JV agreement should be charged to Statement of Profit and Loss. Thus, in view of non-booking of the amount to Statement of Profit and Loss, Capital Work-in-Progress is overstated and Expenses are understated by ₹ 3.50 lakh.

3. (a) The above includes an amount of ₹ 293.96 crore spent by the company on behalf of its joint venture on Suliari coal block prior to September 2016, when the coal mine was allotted to the Company. As the investment in the JV Company is fully eroded, the amount should have been fully provided for (as per Para 5.4.4) of Ind AS '109) instead of disclosing the same as CWIP.

Failure to do so has resulted in overstatement of Capital Work-in-Progress and understatement of provisions by 293.96 crore with consequent overstatement of profit for the year by the same amount.

(h) However, the Company had classified the balance ₹ 1.30 crore (i.e., 295.26 crore less ₹ 293.96 crore) as Capital Work-in-Progress instead of as Intangible Asset Under Development. This had resulted in understatement of Intangible Asset underdevelopment and overstatement of Capital Work-in-Progress by ₹ 1.30 crore.

4.(a) During the year, the Company had incurred expenditure for ongoing modifications (₹ 0.13 crore) of the existing ERP Software and ₹ 0.05 crores for renewal of license of Business Ready Enhancement Plan (BREP). As per Para 119 (g) under Disclosure requirements of Ind AS 38 and Para 8.7 of Guidance Note on Schedule III to Companies Act, 2013, the Intangible Assets under Development should be disclosed on the face of the Balance Sheet, separately.

However, Company had included the above in the Capital Work-in-progress instead of depicting separately. Thus, the misclassification resulting understatement of Intangible assets under development by ₹ 0.13 crore and overstatement of Capital work in progress by the same amount.

(b) Accounting of Business Ready Enhancement Plan (BREP) license renewal fees of ₹ 0.05 crore as Capital Work-in-Progress instead of charging the same to Statement of Profit & Loss statement as revenue expenditure resulted in overstatement of Capital Work-in-Progress and profit for the year by ₹ 0.05 crore.

## **B. Comments on Profitability**

### **Expenses**

#### **Finance Cost**

##### **Interest on Staff loans**

5. Company is providing vehicle loans and other loans to staff. While sanctioning the loans, the Company is indicating in the sanction order the amount of monthly instalment of principal as well as the interest on monthly diminution. Further, as per the practice, the Company is first recovering the principal in certain specified instalments and on completion of principal recovery, Company is recovering the total interest (as computed in the sanction order) in certain specified instalments and as such booking the interest income on receipt basis.

While the Company prepared its financial statements on Ind AS basis, it did not recognise interest receivable in line with Para 27 of Ind AS 1, which stipulated accrual concept. It was observed that the Company had not disclosed policy with regard to the manner of recognition of interest income on staff loans. In the absence of policy and non-availability of sufficient documents/information as to the interest accrued on the staff loans as on March 2017, the impact of the non-booking of interest income and consequent understatement of asset could not be ascertained.

## **C. Comments on Disclosure:**

6. The Company was allotted mining lands to the extent of 2556.86 hectares of mining land at Mangampet (Barytes), Chimakurthy (Granite), Dwaraka tirumala (Ball Clay) etc., by the

GoAP/GoI on lease basis for carrying out mining activity. The Company has been earning revenue from the sale of barytes and receiving consideration amount from the JV Companies in respect of black galaxy granite and ball clay. While no operations have been carried out in the other mining lands as on 31 March 2017. The Company has been paying lease rentals/dead rent and royalties as the case may be. However, the Company did not disclose in the Notes to Financial Statements with regard to the extent of mining lands held under lease.

7. Consequent on bifurcation of Andhra Pradesh with effect from 2-6-2014, the erstwhile APMDCL was to be demerged as per AP Reorganisation Act, 2014. As per the demerger Plan, as on date of demerger, the Company held funds in Current Accounts, FDs, Sweep Accounts to the extent of ₹ 953.53 crore in various Banks. Out of this, the share of AP Unit was ₹ 556.10 crore. Government of Telangana (GoT) instructed (24-10-2014) all the Banks to freeze all the funds that are in the name of the Company and not to allow any withdrawal or transfer of the funds to any other account unless specific instructions are issued by the GoT. Accordingly, the Banks had frozen all the funds since then. The Company had however, been renewing the FDs upon maturity and created fresh FDs together with the interest earned on the FDs. As on 31-3-2017, the share of the Company in the total FDs, Sweep Account, Current Account that were frozen was ₹ 670.70 crore (FDs: ₹ 663.34 crore; sweep accounts: ₹ 6.67 crore and current accounts: ₹ 0.68 crore).

While the Company had indicated that ₹ 0.68 crore held in current account was frozen, it had neither indicated nor disclosed the facts in the Notes to Financial Statements that FDs amounting to ₹ 663.34 crore and ₹ 6.67 crore held in sweep accounts were frozen on account of the instructions of Telangana Government to the Banks.

8. In Compliance to previous year provisional comment no. 5, the Company had recognised revenue of ₹ 7.62 crore towards risk and cost amount recoverable from a contract subsequent to termination of contract for non-performance. However, as the matter is sub judice, the fact that the realisability of the same is subject to court's decision in it, should have been disclosed appropriately in notes to accounts.

#### **D. Comments on Independent Auditors' Report**

9. In the Independent Auditors' Report the Statutory Auditors have made a qualification (No.1) on the Consolidated Financial Statements stating that the transactions of 19 Subsidiaries/JVs and their impact were not incorporated by the Company in their Consolidated Ind AS Financial Statements. However, the impact of the same or inability to assess the impact along with reasons was not mentioned.

Hence, the Auditors' qualification is deficient to the above extent.

10. As on the reporting date, an amount of ₹ 100 crore was remitted (30-03-2017) to GoAP which was subsequently returned to the Company on 30-06-2017. In this context, the

qualification no.(vii) that the Company had advanced an amount of ₹ 100 crore to M/s APSFNL is incorrect as the was given in next year i.e., 2017-18.

11. The Statutory Auditors in reply to the point no. 1 of Directions in Annexure-B to their Report stated that in respect of immovable property, title deeds are not available in respect of 1.61 Acres at Mangampet (Carrying amount ₹ 23,43,985) and 2.07 Acres at Dwaraka tirumala (Carrying amount ₹ 1,877). As the above lands were alienated by the Government to the Company, the above statement should have referred to the alienation orders, and not title deeds.

#### **E. Other Comments:**

12.The Company had prepared its consolidated financial statements by consolidating the financial statements of 2 JVs viz., Pallava Red Granite Private Limited and Andhra Pradesh Granite (Midwest) Private Limited for the year 2016-17.

Rule 4(d) of Companies (Indian Accounting Standards) Rules, 2015, *inter alia*, w.e.f. 1 April 2016, every holding, subsidiary, joint venture or associate companies of a company which is required to prepare financial statements as per Indian Accounting Standards, shall also prepare its accounts on the basis of Indian Accounting Standards.

However, it was observed that the above said 2 JVs had not prepared their financial statements in accordance with Ind AS and instead prepared based on Accounting Standards as per Companies (Accounting Standard) Rules, 2006.

Consolidation of financial statement based on Accounting Standard with financial statement based on Ind AS is against the provisions and the impact hereof, could not be ascertained by the audit, in the absence of necessary information.

Further, the Statutory Auditors had not adhered to the guidelines stipulated in Para 12 of SA 600 for using the work of other auditor which is evident from the fact that the above discrepancy was not qualified.

**Bhaskar Kalluru**

**Sr. Deputy Accountant General**

**INDEPENDENT AUDITORS' REPORT****To**

The Members of

Andhra Mineral Development Corporation Limited

**Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of Andhra Pradesh Mineral Development Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements")

**Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

#### Basis for Qualified Opinion

We draw attention to the following:

- i) The company has passed entries for bifurcation in the past years except w.r.t. share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for verification. Consequent to bifurcation, the amounts transferred by the Company to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") ledgers are subject to acceptance and confirmation by M/s TSMDC. Further, The Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to M/s TSMDC based on estimates for which no supporting document was produced. Hence, we are not able to comment on the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment Account	17	Other Financial liability(non-current)	32,38,69,314	Cr
2	Interest on the Portion of FDRs,BGs, and Sweep- SHI allocated to TSMDC	17	Other Financial liability(non-current)	61,21,14,691	Cr
3	APMDC - TSMDC - suliyani coal block	17	Other Financial liability(non-current)	1,25,07,58,691	Cr
4	APMDC - TSMDC - Advances	7	Other Non-current Assets	21,59,87,063	Dr
5	TSMDC - Advance ( Tr of Lia S. Assets)	7	Other Non-current Assets	7,70,01,656	Dr
6	Demerger Adjustment Account of Fixed Deposits and Fixed Deposits Kept for BGs	7	Other Non-current Assets	59,28,03,337	Dr
7	Fixed Deposits	5	Other Financial Assets ( Non-Current)	5,65,41,00,220	Dr
8	Fixed Deposits Kept for Bank Guarantees	5	Other Financial Assets ( Non-Current)	41,89,21,427	Dr
9	Fixed Deposits kept for Bg without Lien	5	Other Financial Assets (Non-Current)	91,79,56,185	Dr

10	Sweep Account (SBI, Kharatabad)	3	Other Financial Assets (Non-Current)	6,67,42,244	Dr
11	Interest Accrued on Fixed Deposits	12	Other Financial Assets (Current)	17,80,40,591	Dr
12	Interest Accrued on Fixed Deposits kept for Bank Guarantee	12	Other Financial Assets (Current)	42,99,356	Dr
13	Interest Accrued on FDR BG Without Lien	12	Other Financial Assets (Current)	7,78,48,063	Dr
14	Interest Accrued on Sweep Account SBI	12	Other Financial Assets (Current)	74,10,829	Dr
15	Interest on Fixed Deposits	26	Other Income	41,40,41,656	Cr
16	Interest on Fixed Deposits Kept for BG	26	Other Income	1,12,70,470	Cr
17	Interest on Fixed Deposits BGs without lien	26	Other Income	5,34,60,553	Cr
18	Interest Receipts Sweep a/c (Kharatabad)	26	Other Income	43,51,442	Cr

ii) The company is required to disclose contingent liabilities as per IND AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2017 by the company could not be audited by us as the company has not provided the related legal litigation files for our understanding and verification.

iii) The following Ledger balances as on 31<sup>st</sup> March 2017 are subject to receipt of Utilisation certificate and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at 31 <sup>st</sup> March 2017
Advance E.F. Panchayat Raj Rajampet	EE Panchayat Raj, Rajampet	98,00,000
Deposit with rehabilitation	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector	District Collector, Cuddapah	28,52,37,861
Deposit with Land Acquisition	Regional District Officer, Cuddapah	5,97,085
Deposit with Sub-Treasury	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificate and confirmation from respective party/ statutory authority, we are unable to ascertain the whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the Ind AS financial statements.

iv) as respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Further, Property, Plant and Equipment have not been physically verified during the year.

Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the INDAS financial statements.

- v) Stores and Spares Item wise ledgers amounting to Rs. 72,13,480 have not been provided for verification. Further, physical verification reports have also not been furnished in respect of store items. Accordingly, the existence and usability could not be ascertained. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis. The resultant impact on the INDAS Financial Statements could not be ascertained.
- vi) During the year, the Company has advanced a interest free loan of Rs. 100 Crores to M/s Andhra Pradesh state Fibrenet Limited. In the absence of the details of the terms, security and other relevant documentation, we are unable to comment on whether the loan is secured or not and whether or not the same are made at terms which are prejudicial to the interest of the company or its members.
- vi) Interest for delay in payment of consideration as prescribed in Clause No 16(i)(c) of the Agreement with M/s Pallava Red dated 3rd March 2008 and M/s Midwest Granite dated 4th June 2007 has not been ascertained by the Company. The agreement is silent on due date in few scenarios due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the INDAS Financial Statements could not be ascertained.
- vii) The company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable and Deposit for court Fees payable amounting to Rs. 28.40 Crores. Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with contractors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone INDAS financial statements.
- ix) The Company has balances in Sales Tax Payable, AFVAT Payable, Deposit with Sales Tax Department, and Deposit with Service Tax Department amounting to 1.22 Crores (Credit), 1.32 Crores (Credit), Rs. 5.74 Crores (Debit) and Rs. 1.16 Crores (Debit) respectively. The documents pertaining to the Tax cases entity are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the standalone INDAS financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.
- x) The Company has balances in Tax Assets amounting to Rs. 72.60 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. The Revised Return based on the Audited Financials are yet to be filed since Financial Year 2014-15. Any effect on account of revising previous year as well as current year returns has not been provided for in the books. Further the company has not disclosed the relationship between tax expense and accounting profit as prescribed under INDAS 12.
- xii) The company has Trade Receivables balance amounting to Rs. 16.49 Crores. Confirmations from Trade Receivables are not available. Considering non reconciliation of General Ledger balance with Sub Ledger balances and non-confirmation from parties, we are not in a position to ascertain and comment

on the correctness of the outstanding balances and the resultant impact on the standalone IndAS financial statements.

- x) We were informed that the balance in the following ledgers are pending final settlement on account of delayed court proceedings: -

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C-S.C.K.C-JV	5,42,81,229	Dr
4	Sr. R.V Ramana	1,13,403	Dr

The upto date status of the court proceedings are not available on record. Further the balance in the respective ledger balances are subject to confirmation and reconciliation on account of the dispute between the parties and APMDC. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone IndAS financial statements.

#### Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31<sup>st</sup> March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### Emphasis of Matter

We draw attention to the following.

- a) Note No 14 of the standalone Ind AS financial statements relating to reversal of provision classified under "Exceptional Items" held for "Excavation and Transport Charges Payable on Overburden on Shortfall as per the Stripping Ratio as per Mining Plan" amounting to Rs. 218.56 Crores. The reversal of provision was on account of change in mining plan as approved by Deputy Director of Mines and Geology, Kadapa Region on 25<sup>th</sup> May 2016 and corresponding change in estimate of the Stripping Ratio.

Our opinion is not modified in respect of the above matter.

#### Other Matters

The comparative financial information of the Company for the year ended 31<sup>st</sup> March 2016 and the opening balance sheet as at 1<sup>st</sup> April 2015 (i.e. date of transition) included in these standalone Ind AS financial statements, are based on the previously issued financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by predecessor auditors for the year ended 31<sup>st</sup> March 2016 whose report dated 5<sup>th</sup> June 2021 expressed disclaimer of opinion, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable which is subject to the possible effect of the matters described in the Basis for Qualified Opinion paragraphs above and our separate report on the Internal Controls over Financial Reporting.
2. As required under Section 143(1) of the Act, we report that in respect of loan given to M/s Andhra Pradesh State Fibrenet Limited amounting to Rs. 100 Crores in the absence of the terms and conditions, we are unable to comment whether the said loan is duly secured and whether or not the terms and conditions are prejudicial to the interest of the company and its members.
3. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
  - b) Due to the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, the Standalone Cash Flow Statement and the Standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.
  - e) As per Notification F. No. 1/2/2014-CLV dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Company is a Government Company.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure II'.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer Note 2.35 to the Standalone Ind AS financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. The Company has not complied with the terms of Section 124 of the Companies Act, 2013 w.r.t. Unpaid Dividends. Further in terms of Section 123(6) of the said Act, the Company cannot pay dividend since the Company has violated provisions of Section 73 of the Companies Act, 2013.
  - v. The Company has not provided requisite disclosures in the Standalone Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8<sup>th</sup> November, 2016 to 30<sup>th</sup> December, 2016.
4. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, in the Annexure-C.

### Annexure-A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended 31 March 2017)

With reference to Annexure – A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended 31 March 2017, we report the following:

- (i) In respect of Company's fixed assets
  - a) In our opinion, the Company has not maintained proper records showing full particulars such as location, asset identification number, state of the asset, quantity, etc.
  - b) In the absence of any documents being made available to substantiate the conduct of physical verification and no policy/ laid down procedure on the same, we are unable to comment on the process of physical verification of fixed assets by the company
  - c) In respect of immovable properties, title deeds are not available in respect of 1.51 Acres at Mangampeta (Carrying Amount: 23,43,985) and 2.07 Acres at Uwarakatirumala (Carrying Amount: 1877). Further, in respect of the other lands, Possession Certificates issued by concerned authorities are available on record
- (ii) Physical verification of Inventory has not been conducted by the Management during the year. Further there are no laid down procedures for physical verification of inventory at reasonable intervals and accordingly, we cannot comment upon the same. However, the Management has physically verified the inventory other than stores and spares in FY 2017-18 and reconciled the same with 31<sup>st</sup> March 2017 after making adjustments for stock movements after 31<sup>st</sup> March 2017. Discrepancies noted were reduced from the Closing Stock as on 31<sup>st</sup> March 2017.
- (iii) According to the information and explanations given to us, the Company has not maintained register as prescribed under Section 189 of Companies Act, 2013. Accordingly, we are unable to report on the reporting requirements as specified in Clause (iii) of the Order.
- (iv) As per Notification F. No. 1/2/2014-CL. V dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 185 and 186 of the Companies Act, 2013 are not applicable as the Company is a Government Company. Hence reporting under Clause (iv) is not applicable.
- (v) The company has received amounts towards supply of material but have not been adjusted within a period of three hundred and sixty days. Accordingly, these amounts are deemed deposits. The register of deposits as required to be maintained has not been provided for our verification. The entire outstanding is overdue and there is a default on repayment of deposit. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under sub section [1] of section 148 of the Act for the company in our opinion. However, no cost records have been

provided for our verification due to which we are unable to comment on whether the same have been made and maintained.

- (vii) (3) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues with appropriate authorities.
- (4) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the following Statutory dues have not been deposited by the company on account of disputes:

S.No	Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which amount relates	Amount in Rupees
1	Income Tax Act		ITAT	2011-12(A.Y)	5,49,46,047
2	Income Tax Act		ITAT	2012-13	1,10,70,279
3	Income Tax Act		ITAT		27,31,630
4	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale-Penalty	Tribunal	1998-99 1999-00 2000-01	2,87,617 3,36,253 5,08,165
5	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale-Penalty	Tribunal	2007-08	3,92,913
6	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale and Consideration Penalty interest	Tribunal	2008-09 2008-09 2008-09	1,00,47,014 33,49,005 6,02,821
7	VAT/Sales Tax	Consideration Penalty	Tribunal	2009-12 2009-12	2,32,95,681 83,61,030

The aforesaid details are provided solely based on the details made available by the company which could not be independently verified for want of information and records.

- (viii) The Company has no loans or borrowings from financial institutions, bank and Government. The Company has not issued any debentures as at Balance Sheet date.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Hence reporting under clause (ix) of the Order is not applicable.

- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) As per Notification No. 1/2/2014-CL.V dated 5th June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 197 of the Companies Act, 2013 are not applicable as the Company is a Government Company. Hence reporting under Clause 3(xi) of the Order is not applicable.
- (xii) The Company is not a Nidhi company. Accordingly, Clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, Clause 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, Clause 3(xv) of the Order is not applicable.
- (xvi) The nature of the business and activities of the Company are such that the Company is not required to obtain registration under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, Clause 3(xvi) of the Order is not applicable.

## Annexure- B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended 31<sup>st</sup> March 2017)

**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Basis for Qualified Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified:

- a) The system of internal financial controls over financial reporting with regard to the Company were not made available to us to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017.
- b) The company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The company is currently following manual system of accounting and did not have an effective system for timely accounting of entries.
- e) Non implementation of IT system for the nature and volume of activities of the Company.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company as at 31<sup>st</sup> March 2022 and these material weaknesses has affected our opinion on the standalone financial statements of the Company and we have issued a Qualified opinion on the financial statements of the Company.

Memo No: 227878

**ANNEXURE-C to the Independent Auditors' Report**

**Report on Directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013**

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the Company has the clear title / lease deeds for freehold and leasehold respectively. If not, please state the area of freehold and leasehold land for which the title / lease deeds are not available.	The title deeds are not available in respect of 1.61 Acres at Mangampeta (Carrying Amount: 23,43,985) and 2.07 Acres at Dwarakaturumala (Carrying Amount: 1877). Further, in respect of the other lands, Possession Certificates issued by concerned authorities are available on record
2.	Whether there are any cases of waiver / write off of debts / loans / interest etc? If yes, the reasons therefore and the amount involved	There are no cases of waiver/ write off of debts/loans/interest.
3.	Whether proper records are maintained for inventories lying with third parties & assets received as gift / grant(s) from Government or other authorities?	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no inventory lying with any third party. Further, there are no assets received as gifts/grants from government or other authorities during the financial year 2016-17.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.
2.	Where Grants are received from Central or State government(s)/ other user department(s) or their agencies.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no

	<p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.
3.	Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease);	There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provision of Ind AS
4.	Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately.	The Company has accounted for Tax Deducted at Source on Applicable Expenditure appropriately.
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but not cleared/ returned unpaid as on the reporting date along with age-wise analysis;</p>	According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no Public Deposit Account in the name of the Company.

6	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no funds which have been raised by the company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has physically verified the inventory other than stores and spares in FY 2017-18 and reconciled the same with 31st March 2017 after making adjustments for stock movements after 31st March 2017. Discrepancies noted were reduced from the Closing Stock as on 31st March 2017. The details pertaining to deterioration/obsolescence in the quality have not been shared and consequently, we are unable to comment upon the same.
9	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the company during the year.
10	Cases of wrong accounting of interest earned on account of non utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not received any amounts for projects/schemes.

11.	Whether the Lifeline plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable related disclosures are given. Deviations may be stated.	We have qualified our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2016-17 started in FY 2021-22. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2016-17.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa vide Letter No 2276/MS-KDP/2013 dt 25/05/2016.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2016-17 started in FY 2021-22. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2016-17.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(q) of the Standalone Ind AS financial statements.

## **APMDC LIMITED**

### **Notes forming part of the Financial Statements**

#### **1. Corporate Information**

The Andhra Pradesh Mineral Development Corporation Ltd., was incorporated on 24th Feb., 1961 as a wholly owned undertaking of the Government of Andhra Pradesh for the development of mineral resources and promotion of mineral-based industries in Andhra Pradesh including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products.

#### **1.1 Significant Accounting Policies**

##### **a. Statement of Compliance**

For all the periods up to and including the year ended March 31, 2015 the Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (Indian GAAP) and complied with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 and the presentation requirements of Companies Act, 2013.

Pursuant to the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (hereinafter referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended and relevant provisions of the Companies Act, 2013 with effect from April 1, 2016. The standalone financial statements for the year ended 31<sup>st</sup> March 2017 are the first financial statements of the Company prepared in accordance with Ind AS. The transition to Ind AS was carried out in accordance with Ind AS 101 First Time Adoption of Indian Accounting Standards. The date of transition to Ind AS is April 1, 2015. Previous periods have been restated to Ind AS.

##### **b. Basis of preparation**

These financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

##### **c. Functional and presentation currency**

The standalone financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

#### **d. Use of estimates and judgement**

The preparation of standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the periods presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Information about critical estimates, judgements or assumptions in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the accounting policies and/or the notes to the financial statements. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities.

#### **e. Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the company has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of excise duty but net of other taxes collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect and service taxes.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

**iv. Interest Income**

Interest Income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

**g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Company's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term. Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2015 (transition date) measured as per the previously applicable Indian GAAP and use that carrying value as its deemed cost as at transition date.

#### **h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April, 2015 (transition date) measured as per the previously applicable Indian GAAP and use that carrying value as its deemed cost as at transition date.

#### **i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

#### **j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Company at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses). Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, Closing Stock is recognised for quantity of 5,00,000 MTs from Financial Year 2013-14 onwards and the remaining Stock is considered without value.

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### **Post-employment obligation**

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax). They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Company recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

#### **n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

#### **o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

## **p. Provisions, Contingent Liabilities and Contingent Assets**

### **Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, It is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred. As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Company has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The company has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment.

### **r. Leases**

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount.

Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

**s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date,

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

#### **x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

#### **Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

##### **i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

## **ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

## **iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency. Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

## **iv. De-recognition of financial assets**

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

## **Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

## **i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

#### **ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

#### **iii. De-recognition of financial liabilities**

The Company de-recognizes financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

#### **y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

#### **z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of Income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

#### **aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential.

Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed.

Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Company will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Company.

The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

#### **ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

Provision for stripping adjustment no longer required	21,85,664	-
<b>Total</b>	<b>21,85,664</b>	<b>-</b>

During the year ended March 31, 2017, the company has reversed provision held for 'excavation and transport charges payable on over burden on shortfall as per stripping ratio as per mining plan' amounting to Rs.218.56 crores. The reversal of provision was on account of change in mining plan and corresponding change in estimate of stripping ratio. The modified mining plan was approved by deputy director of mines and geology, Kadapa region on 25-05-2016. Due to change in stripping ratio as per the mining plan the provision for stripping ratio created in previous years was no longer required and written back in financial year 2016-17

### 37 Financial Risk Management

#### A Management of Credit Risk

- Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.
- Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

#### B Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of, these risks is explained below:

#### i. Commercial risk

##### a. Sale price risk

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name Barytes	2,82,898	(2,82,898)	3,14,506	(3,14,506)

##### b. Packing material price risk

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name Packing material	(1,567)	1,667	(1,255)	1,255

**6. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense				
Excavation & Transport Charges for KUM	(20,057)	20,057	(12,712)	12,712
Excavation & Transport Charges for Overburden	(1,38,610)	1,38,610	(80,261)	80,261

**38. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2017**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years

vii. Effect on Leave Encashment valuation

Particulars	Defined benefit obligation		(% of change)	
	As at 31-03-2016	As at 01-04-2015	As at 31-03-2017	As at 31-03-2016
Under Base Scenario	45,875	47,022	0.00%	0.00%
Salary Escalation - Up by 1%	47,091	48,681	3.60%	3.50%
Salary Escalation - Down by 1%	45,747	45,445	-3.40%	-3.40%
Withdrawal Rates - Up by 1%	45,683	47,234	0.50%	0.50%
Withdrawal Rates - Down by 1%	45,256	46,799	-0.50%	-0.50%
Discount Rates - Up by 1%	44,786	45,794	-2.60%	-2.60%
Discount Rates - Down by 1%	46,751	48,338	2.80%	2.80%

viii. Risk exposure

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long term obligations to make future benefit payments

ix. Liability risks

a. Discount rate risk

Variances in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

b. Future salary escalation and inflation risk

Since once inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk

#### 44. Treatment demerger plan in the Books of accounts

A. The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh State into Andhra Pradesh & Telangana.

B. Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of Head Office and location basis for other projects.

C. In line with the provisions of the Act, the Demerger Plan for bifurcation of Assets & Liabilities of APMDC as on 01.06.2014 between APMDC and TSMDC was prepared.

D. The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions.

E. The Demerger Plan was discussed by the Boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC & TSMDC and the formula for bifurcation was approved.

F. The Demerger Plan was subsequently presented before the Expert Appraisal Committee (EAC) constituted for this purpose. The EAC also approved the Demerger Plan and sent its recommendations to the respective governments.

G. As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio.

- APMDC -58.32%
- TSMDC -41.68%

H. APMDC has sent Demerger Plan to the Andhra Pradesh State Government and the same has been approved by GOAP vide G.O.Ms.No 19 dated 29.01.2019.

I. The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lr. No APMDC/F&A/Demerger/2019-20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government and complete the pending formalities.

**Distribution of the Assets & Liabilities of Common pool as on 01.06.2014 are given below:**

(Rupees in 000's)			
Equity & Liabilities	Common Pool	AP	TS
<b>Ratio</b>		58.32%	41.68%
<b>Shareholder's Funds</b>			
a) Share capital	63,062	36,778	26,284

f). Other Current Assets	4,25,452	2,48,124	1,77,329
<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### 45. General

- A. Expenses are accounted under prepaid expenses only where the amounts relating to unexpired period is material.
- B. Some of the balances appearing under trade receivables, trade payables, advances, security deposits and other payables are subject to confirmations.
- C. Figures for the previous year have been regrouped/rearranged wherever considered necessary so as to confirm to the classification of the current year.
- D. All amounts have been reported in thousands except for the share data and earning per share (EPS).

#### 46. Explanation of Transition to IND AS

These are the Company's first standalone financial statements prepared in accordance with Ind AS. The accounting policies set out in Note 1.1 have been applied in preparing the financial statements for the year ended 31<sup>st</sup> March 2017, the comparative information presented in these financial statements for the year ended 31<sup>st</sup> March 2016 and in the preparation of an opening Ind AS balance sheet at 1<sup>st</sup> April 2015 (the Company's date of transition).

The Company has prepared the opening balance sheet as per Ind AS as on 1<sup>st</sup> April, 2015 by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, reclassifying items from the previously applicable Indian GAAP to Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and optional exemptions out of which the ones which are relevant for the Company are as detailed below:

##### Exemptions availed on first time adoption of Ind-AS 101

##### a. Deemed Cost for Property, Plant and Equipment and Intangible Assets

The company has elected to continue with the carrying value of all its property, plant and equipment and intangible assets as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

##### b. Decommissioning Liabilities

A first-time adopter need not to comply with these requirements for changes in such liabilities that occurred before the date of transition to Ind ASs. If a first-time adopter uses this exemption, it shall:

- Measure the liability at the transition date in accordance with Ind AS 37;
- Using the historical risk adjusted discount rate, determine the amount which would have been capitalised when the liability first arose; and
- Compute the amount of depreciation based on the estimated useful life.

Accordingly, the Company has elected to apply the exemption for the obligations arising on account of decommissioning cost.

**c. Leases**

For transition to Ind AS, the company has adopted the same determination of whether an arrangement contained a lease in accordance with previous GAAP as that required by Appendix C of Ind AS 17.

**d. Investment In subsidiaries, joint arrangements and associates**

When an entity prepares separate financial statements, Ind AS 27 requires it to account for its investments in Subsidiaries, Joint arrangements and Associates either:

- at cost; or
- in accordance with Ind AS 109.

Hence by availing the exemption the Investments in Subsidiaries, Joint arrangements and associates are measured at cost.

**e. Classification and measurement of financial assets**

Ind AS 101 provides exemptions to certain classification and measurement requirements of financial assets under Ind AS 109, where these are impracticable to implement and hence, classification and measurement needs to be done on the basis of facts and circumstances existing as on the transition date. Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the transition date.

**INDEPENDENT AUDITORS' REPORT**

To  
**The Members of  
Andhra Mineral Development Corporation Limited**

**Report on the Consolidated Ind AS Financial Statements**

We have audited the accompanying consolidated Ind AS financial statements of Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "consolidated Ind AS financial statements").

**Management's Responsibility for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of requirements of Companies Act, 2013 (hereinafter referred to as "the Act"), that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the group and its jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of Holding Company as aforesaid.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in Other Matters paragraph below is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated Ind AS financial statements.

#### **Basis for Qualified Opinion**

We draw attention to the following:

- i) In the absence of the audited financial statements or management certified accounts, for the year ended 31<sup>st</sup> March 2017, the transactions of subsidiaries and share in profit/losses of joint ventures, of the below mentioned entities are not incorporated in these consolidated Ind AS financial statements. The list of such entities are as tabulated below:

S.No	Name of the Company	Nature of Holding	% of Holding
1	Ongole iron ore mining company pvt ltd	Subsidiary	51.00%
2	Andhra phosphate private limited	Subsidiary	50.00%
3	APMDC SCCL suliyari coal company ltd	Subsidiary	51.00%
4	Nuagon coal company ltd	Subsidiary	50.00%
5	Andhra Baryte Corporation Private Limited	Joint Venture	11.00%
6	Andhra Pradesh Iron Ore Company Ltd	Joint Venture	11.00%
7	Gimpex AP Barytes Beneficiation Private Limited	Joint Venture	11.00%
8	Trimex Baryte Private Limited	Joint Venture	11.00%
9	V.V Minerals Private Limited	Joint Venture	12.36%
10	Alliance Andhra Pradesh Black Granites Pvt Ltd	Joint Venture	11.00%
11	Aswani Mineral Development Private Ltd	Joint Venture	26.00%
12	Arham Minerals Exports (P) Ltd	Joint Venture	26.00%
13	Isra Minerals Exports (P) Ltd	Joint Venture	26.00%
14	Margasree Granites (P) Ltd	Joint Venture	26.00%
15	Ongole Minerals Exports (P) Ltd	Joint Venture	26.00%
16	RLP Granites (P) Ltd	Joint Venture	26.00%
17	SRAP Minerals Private Limited	Joint Venture	26.00%
18	A.P.Coastal Sand & Metals Pvt Ltd	Joint Venture	26.00%
19	Andhra Pradesh Tribal Mining (P) Ltd	Joint Venture	26.00%

Holding Company's Basis for qualified Opinion (As stated in the report of standalone financial statements):-

- ii) The Holding company has passed entries for bifurcation in the past years except w.r.t share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for verification. Consequent to bifurcation, the amounts transferred by the Holding Company to M/s Tetangana State Mineral Development Corporation Limited ("TSMDC") ledgers are subject to acceptance and confirmation by M/s TSMDC. Further, The Holding Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to M/s TSMDC based on estimates for which no supporting document was produced. Hence, we are not able to comment on the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment account	17	Other Financial liability(non-current)	32,38,69,314	Cr
2	Interest on the Portion of FDRs,BGs,and Sweep- SBI allocated to TSMDC	17	Other Financial liability(non-current)	61,21,14,691	Cr
3	APMDC - TSMDC - suliyari coal block	17	Other Financial liability(non-current)	1,25,07,58,691	Cr
4	APMDC - TSMDC - Advances	7	Other Non-current Assets	21,59,87,063	Dr
5	TSMDC - Advance [ Tr.of.Lia & Assets]	7	Other Non-current Assets	7,70,01,656	Dr
6	Demerger Adjustment Account of Fixed Deposits and Fixed Deposits Kept for BGs	7	Other Non-current Assets	59,28,83,337	Dr
7	Fixed Deposits	5	Other Financial Assets (Non-Current)	5,65,44,00,220	Dr
8	Fixed Deposits Kept for Bank Guarantees	5	Other Financial Assets (Non-Current)	41,89,21,427	Dr
9	Fixed Deposits kept for Bg without Lien	5	Other Financial Assets (Non-Current)	91,79,56,185	Dr
10	Sweep Account (SBI, Khairatabad)	5	Other Financial Assets (Non-Current)	6,67,42,244	Dr
11	Interest Accrued on Fixed Deposits	12	Other Financial Assets (Current)	17,80,40,591	Dr
12	Interest Accrued on Fixed Deposits kept for Bank Guarantee	12	Other Financial Assets (Current)	42,99,356	Dr
13	Interest Accrued on FDR BG Without Lien	12	Other Financial Assets (Current)	7,78,48,063	Dr
14	Interest Accrued on Sweep Account SBI	12	Other Financial Assets (Current)	74,10,829	Dr

15	Interest on Fixed Deposits	26	Other Income	41,40,41,656 Cr
16	Interest on Fixed Deposits Kept for BG	26	Other Income	1,12,70,470 Cr
17	Interest on Fixed Deposits BGs without lien	26	Other Income	5,34,60,553 Cr
18	Interest Receipts Sweep a/c (Khairatabad)	26	Other Income	43,51,442 Cr

iii) The Holding company is required to disclose contingent liabilities as per IND AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2017 by the Holding company could not be audited by us as the Holding company has not provided the related legal litigation files for our understanding and verification.

iv) The following Ledger balances as on 31<sup>st</sup> March 2017 are subject to receipt of Utilisation certificate and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at 31 <sup>st</sup> March 2017
Advance E.E Panchayat Raj Rajampet	EE Panchayat Raj, Rajampet	98,00,000
Deposit with rehabilitation	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector	District Collector, Cuddapah	28,52,37,861
Deposit with Land Aquation	Regional District Officer, Cuddapah	5,97,085
Deposit with Sub-Treasury	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificate and confirmation from respective party/ statutory authority, we are unable to ascertain the whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the Ind AS financial statements.

v) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Further, Property, Plant and Equipment have not been physically verified during the year. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the IND AS financial statements.

vi) Stores and Spares item wise ledgers amounting to Rs. 72,13,480 have not been provided for verification. Further, physical verification reports have also not been furnished in respect of store items. Accordingly, their existence and usability could not be ascertained. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis. The resultant impact on the INDAS Financial Statements could not be ascertained.

vii) During the year, the Holding Company has advanced a interest free loan of Rs. 100 Crores to M/s Andhra Pradesh State Fibrenet Limited. In the absence of the details of the terms, security and other relevant documentation, we are unable to comment on whether the loan is secured or not and whether or not the same are made at terms which are prejudicial to the interest of the Holding company or its members.

viii) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red dated 3rd March 2008 and M/s Midwest Granite dated 4<sup>th</sup> June 2007 has not been ascertained by the Holding Company. The agreement is silent on due date in few scenarios due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the INDAS Financial Statements could not be ascertained.

x) The Holding company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable and Deposit for court Fees payable amounting to Rs. 28.40 Crores. Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with contractors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated INDAS financial statements.

x) The Holding Company has balances in Sales Tax Payable, APVAT Payable, Deposit with Sales Tax Department, and Deposit with Service Tax Department amounting to 1.22 Crores (Credit), 1.32 Crores (Credit), Rs. 5.74 Crores (Debit) and Rs. 1.16 Crores (Debit) respectively. The documents pertaining to the Tax cases enty are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the consolidated INDAS financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.

xi) The Holding Company has balances in Tax Assets amounting to Rs. 72.60 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Holding Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. The Revised Return based on the Audited Financials are yet to be filed since Financial Year 2014-15. Any effect on account of revising previous year as well as current year returns has not been provided for in the books. Further the company has not disclosed the relationship between tax expense and accounting profit as prescribed under INDAS 12.

xii) The Holding company has Trade Receivables balance amounting to Rs. 16.49 Crores. Confirmations from Trade Receivables are not available. Considering non reconciliation of General Ledger balance with Sub Ledger balances and non-confirmation from parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated INDAS financial statements.

- xiii) We were informed that the balance in the following ledgers are pending final settlement on account of delayed court proceedings: -

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C.-S.C.K.C.-JV	5,42,81,229	Dr
4	Sri R.V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further the balance in the respective ledger balances are subject to confirmation and reconciliation on account of the dispute between the parties and APMDC. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated INDAS financial statements.

#### Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group as at 31<sup>st</sup> March, 2017, and its consolidated financial performance including other comprehensive Income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

#### Emphasis of Matter

We draw attention to the following:

- Note No 34 of the consolidated Ind AS financial statements relating to reversal of provision classified under "Exceptional Items" held for "Excavation and Transport Charges Payable on Overburden on Shortfall as per the Stripping Ratio as per Mining Plan" amounting to Rs. 218.56 Crores. The reversal of provision was on account of change in mining plan as approved by Deputy Director of Mines and Geology, Kadapa Region on 25<sup>th</sup> May 2016 and corresponding change in estimate of the Stripping Ratio.

Our opinion is not modified in respect of the above matter.

#### Other Matters

We did not audit the financial statements/financial information of M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) and M/s Pallava Red Granite Private Limited (Joint Venture). The consolidated Ind AS financial statements include the Group's share of Net Loss of Rs. 77.02 lakhs for the year ended 31<sup>st</sup> March 2017 in respect of the above two joint ventures. These financial statements/financial information have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint ventures and our report in terms of sub section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditors

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
- b) Due to the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept by the holding Company so far as it appears from our examination of those books and the reports of other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.
- e) As per Notification F. No. 1/2/2014-CL. V dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the holding Company is a Government Company.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Group has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements- Refer Note 2.35 to the Consolidated Ind AS financial statements.
  - ii. The Group does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
  - iv. The Holding Company has not complied with the terms of Section 124 of the Companies Act, 2013 w.r.t. Unpaid Dividends. Further in terms of Section 123(6) of the said Act, the Holding Company cannot pay dividend since the Holding Company has violated provisions of Section 73 of the Companies Act, 2013.

- v. The Holding Company has not provided requisite disclosures in the Consolidated Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8<sup>th</sup> November, 2016 to 30<sup>th</sup> December, 2016.
- 2 We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Holding Company as we considered appropriate and according to the information and explanations given to us, in the Annexure- B.

#### **Annexure- A to the Independent Auditors' Report**

(Referred to in paragraph 1(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended 31<sup>st</sup> March 2017)

**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") as of March 31, 2017 in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the entities of the Group, are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Group, considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Subject to the matters described in Basis for Qualified Opinion paragraph, we believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports

is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified:

- a) The system of internal financial controls over financial reporting with regard to the Holding Company were not made available to us to enable us to determine if the Holding Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31 2017.
- b) The Holding company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The Holding company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Holding company is currently following manual system of accounting and did not have an effective system for timely accounting of entries.
- e) Non implementation of IT system for the nature and volume of activities of the Holding Company

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Group annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the consolidated financial statements of the Group as at 31<sup>st</sup> March 2017 and these material weaknesses has affected our opinion on the consolidated financial statements of the Group and we have issued a Qualified opinion on the financial statements of the Holding Company.

	<p>clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	
3.	Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)	There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provision of Ind AS.
4.	Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately	The Holding Company has accounted for Tax Deducted at Source or Applicable Expenditure appropriately.
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the holding Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans [with or without government guarantee] and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but not cleared/ returned</p>	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there is no Public Deposit Account in the name of the Holding Company.

	unpaid as on the reporting date along with age-wise analysis;	
6.	Where funds are raised by the holding Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no funds which have been raised by the Holding company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly
7.	Whether the land owned by the holding Company is encroached, under litigation, not put to use or declared surplus. Details may be provided	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has physically verified the inventory other than stores and spares in FY 2017-18 and reconciled the same with 31st March 2017 after making adjustments for stock movements after 31st March 2017. Discrepancies noted were reduced from the Closing Stock as on 31st March 2017. The details pertaining to deterioration/obsolescence in the quality have not been shared and consequently, we are unable to comment upon the same
9.	Whether the cost incurred on abandoned projects has been written off?	According to the Information and explanations given to us, no projects have been abandoned by the Holding company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, the Holding company has not received any amounts for projects/schemes.
11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the holding Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have qualified our report for want of Information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether The holding Company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for	Our audit for FY 2016-17 started in FY 2021-22. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2016-17.

	the relief and rehabilitation of displaced people.	
13.	Whether The holding Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The Holding company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa vide Letter No 2276/Ms-KDP/2013 dt 25/05/2016.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2016-17 started in FY 2021-22. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2016-17.
15.	Whether The holding Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the Holding company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether The holding Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Holding Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(q) of the Consolidated Ind AS financial statements.

## **APMDC LIMITED**

### **Notes forming part of the Consolidated Financial Statements**

#### **1. Corporate Information**

The Andhra Pradesh Mineral Development Corporation Ltd ("The Company") and its subsidiaries (collectively referred to as "The Group") are principally engaged in development of mineral resources and promotion of mineral-based industries in India including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products.

#### **1.1 Significant Accounting Policies**

##### **a. Statement of Compliance**

For all the periods up to and including the year ended March 31, 2016 the Group prepared its financial statements in accordance with Generally Accepted Accounting Principles (Indian GAAP) and complied with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 and the presentation requirements of Companies Act, 2013.

Pursuant to the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (hereinafter referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended and relevant provisions of the Companies Act, 2013 with effect from April 1, 2016. The consolidated financial statements for the year ended 31<sup>st</sup> March 2017 are the first financial statements of the Company prepared in accordance with Ind AS.

The transition to Ind AS was carried out in accordance with Ind AS 101 First Time Adoption of Indian Accounting Standards. The date of transition to Ind AS is April 1, 2015. Previous periods have been restated to Ind AS.

##### **b. Basis of preparation**

These financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**c. Basis of consolidation**

The Consolidated Financial Statements ("CFS") relate to Andhra Pradesh Mineral Development Corporation ("the Company") and its subsidiary companies (the Company and its subsidiaries collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

- i) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in un realised profits or losses, in accordance with Indian Accounting Standard 110 - "Consolidated Financial Statements".
- ii) In the case of investment in subsidiaries, where the Company's shareholding is less than 100%, Non-Controlling Interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company's shareholders.
- iii) An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies.
- iv) A Joint arrangement is an arrangement of which two or more parties have joint control. Joint control is considered when there is contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control. Investments in joint arrangements are classified as either joint operations or joint venture. A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.
- v) Investment in associates/joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income.
- vi) The difference between the cost of investment in the subsidiaries, joint ventures, and associates and the Company's share of net assets at the time of acquisition of shares in the subsidiaries, joint ventures and associates is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

**d. Functional and presentation currency**

The Consolidated financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

**e. Use of estimates and judgement**

The preparation of Consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the periods presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Information about critical estimates, judgements or assumptions in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the accounting policies and/or the notes to the financial statements. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities.

**f. Current and non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Group has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

#### **g. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

##### **i. Sale of products**

Revenue from sale of products / goods is recognized, when the Group has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Group and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of excise duty but net of other taxes collected on behalf of third parties.

##### **ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect and service taxes

##### **iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

##### **iv. Interest Income**

Interest Income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset.

While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### **h. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Group's past experiences.

Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term. Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2015 (transition date) measured as per the previously applicable Indian GAAP and use that carrying value as its deemed cost as at transition date.

**i. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Group as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The Intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April, 2015 (transition date) measured as per the previously applicable Indian GAAP and use that carrying value as its deemed cost as at transition date.

**j. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**k. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Group at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses). Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**l. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**m. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, Closing Stock is recognised for quantity of 5,00,000 MTs from Financial Year 2013-14 onwards and the remaining Stock is considered without value.

## **n. Employee benefits**

### **Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

### **Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### **Post-employment obligation**

The Group operates the following post-employment schemes

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax). They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

#### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Group recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

#### **o. Taxes on Income**

Income tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Consolidated financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**p. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**q. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans.

In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Group has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed.

Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

#### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

**r. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Group has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment.

**s. Leases**

Assets taken on lease by the Group in its capacity as lessee, where the Group has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

**t. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**u. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**v. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**w. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Group does not have any dilutive securities in any of the years presented.

**x. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Group takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**y. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Group becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

#### **Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

##### **i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

##### **ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

##### **iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

In addition, the Group may elect to designate a financial asset, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency. Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

#### **iv. De-recognition of financial assets**

The Group de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

#### **Financial liabilities - Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

#### **i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument.

#### **ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

#### **iii. De-recognition of financial liabilities**

The Group de-recognizes financial liabilities when and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

**z. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

**aa. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

**ab. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential.

Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed.

Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Group will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Group.

The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

**ac. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (Improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

	Provision for stripping adjustment no longer required	21,85,664	-
	<b>Total</b>	<b>21,85,664</b>	<b>-</b>

During the year ended March 31, 2017, the company has reversed provision held for "excavation and transport charges payable on over burden on shortfall as per stripping ratio as per mining plan" amounting to Rs.218.56 crores. The reversal of provision was on account of change in mining plan and corresponding change in estimate of stripping ratio. The modified mining plan was approved by deputy director of mines and geology, Kadapa region on 25-05-2016. Due to change in stripping ratio as per the mining plan the provision for stripping ratio created in previous years was no longer required and written back in financial year 2016-17.

v.	<p>The Corporation is contributing MRTU Fund as per G.O.RT No 237, dt.29-03-1997 and as per the GO, the Corporation has to contribute 10% of sales turnover every year. Since in 1997-98, the Income Tax authorities disallowed the amount. The Government created a Trust and the Corporation contributed Rs.1.00 crores from the financial year 2013-14 onwards as the tax benefit available to the Corporation is very meagre.</p> <p>The Government of Andhra Pradesh vide G.O.Ms.No.18, dt.13-01-2016 issued a G.O. rechristening of DMRTUF Trust as MERIT and permitted to collect 2% contribution on Seigniorage Fee from all the minor minerals lease holders in addition to the existing contribution of 10% on sales turnover. The Corporation requested the Government</p> <p>a. To exempt APMDC from payment of contribution for the years 1998-99 to 2001-02 and 2004-05.</p> <p>b. To ratify the action taken viz., lump sum payments towards contribution of Rs.40,00,000/- for the years 2002-03 and 2003-04, 2005-06 to 2007-08, @Rs.50,00,000/- for the years 2008-09 and 2009-10, @ Rs.75,00,000/- from the years 2010-11 to 2012-13</p>			
----	---	--	--	--

	and Rs.1,00,00,000/- from the year 2013-14 to 2015-16.			
c.	It is mentioned in the G.O. at para 1 that "as per the G.O.237, the APMDC is to contribute 10% of sales turnover for exclusive rights of exploration in certain minerals.			
d.	The Corporation requested to withdraw the G.O.Rt No.237,dt.29-03-1997 from the financial year 2015-16 onwards as it will burden to the Corporation and 10% in addition to the clause for payment of 2% contribution on royalty for all minerals as MERIT is common to all lease holders and for prospecting cum lease holders including the Corporation.			
e.	And to permit to contribute only 2% on seigniorage fee as per the G.O.Ms.No.18, dt.13/1/2016. There is no communication received from the Government.

### 37 Financial Risk Management

#### A Management of Credit Risk

- i. Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.
- ii. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and controls relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

#### B Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of, these risks is explained below:

##### a. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name Barytes	2,82,898	(2,82,898)	3,14,508	(3,14,508)

###### b. Packing material price risk

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name Packing material	(1,667)	1,667	(1,255)	1,255

c- **Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2016-17		2015-16	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense				
Excavation & Transport Charges for ROM	(10,057)	26,057	(12,732)	12,732
Excavation & Transport Charges for Overburden	(1,78,610)	1,78,610	(80,261)	80,261

38 **Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or rising damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2017**

Particulars	Carrying value	Contractual cash flows		
		Less than 1 year	1-2 years	More than 2 years
Trade payables	2,59,181	2,59,181	-	-
Other financial liabilities	24,40,187	1,93,326	24,47,061	-
	34,99,369	10,52,308	24,47,061	-

**As at 31st March 2016**

Particulars	Carrying value	Contractual cash flows		
		Less than 1 year	1-2 years	More than 2 years
Trade payables	89,718	83,142	4,776	-
Other financial liabilities	16,55,901	6,14,346	10,42,555	-
	17,46,619	6,97,488	10,47,331	-

**As at 1st April 2015**

Particulars	Carrying value	Contractual cash flows		
		Less than 1 year	1-2 years	More than 2 years
Borrowings	1,50,000	1,50,000	-	-
Trade payables	29,167	22,707	6,460	-
Other financial liabilities	11,55,156	3,29,697	8,65,459	-
	13,74,323	5,02,404	8,71,919	-

39 **Employee Benefits**

A. **Defined Contribution Plan**

Particulars	As at	As at
	31-03-2017	31-03-2016
Employers contribution to provident fund	6,817	7,871
Employers contribution to pension fund	4,641	4,533

B. **Defined benefit plans :**

- i. The following table set out the funded status of the Gratuity Plans (funded), Leave Encashment and the amounts recognized in the Company's financial statements as at 31st March 2017 & 31st March 2016:

Particulars	Gratuity			Leave Encashment		
	As at 31-03-2017	As at 31-03-2016	As at 01-04-2015	As at 31-03-2017	As at 31-03-2016	As at 01-04-2015
Change in benefit obligations						
Benefit obligations at the beginning	52,490	47,945	49,708	47,022	49,354	49,581
Service cost	1,146	1,655	1,563	3,444	3,619	316
Interest expenses	3,718	-	3,976	3,291	-	3,897
Contingent gains/losses	-	-	-	-	-	-
Transfer of obligation (net)	-	-	-	-	-	-
Benefits paid	(12,032)	(20,706)	(13,636)	(11,764)	(17,555)	(7,337)
Remeasurements - Actuarial (gains)/losses	1,489	23,197	6,242	3,462	11,605	3,907
Benefit obligations at the end	47,111	52,491	47,945	45,475	47,022	49,354

Particulars	Gratuity			Leave Encashment

Expected Cash flow in year 9	2,661	2,310	1,884	-	-
Expected Cash flow in year 10	3,123	2,658	1,858	-	-

vi. Significant estimates: Sensitivity Analysis

Discount rate, Salary escalation rate and Withdrawal rate are significant actuarial assumptions. The change in Present value of defined benefit obligation for a change of 100 basis points from the assumed assumption is given below

Effect on Gratuity valuation

Particulars	Defined benefit obligation		(% of change)	
	As at 31-03-2016	As at 01-04-2015	As at 31-03-2017	As at 31-03-2016
Under Base Scenario	47,112	52,450	0.00%	0.00%
Salary Escalation - Up by 1%	48,701	54,314	3.40%	3.50%
Salary Escalation - Down by 1%	45,418	50,601	-3.60%	-3.60%
Withdrawal Rates - Up by 1%	47,593	52,662	1.00%	0.90%
Withdrawal Rates - Down by 1%	46,585	51,476	-1.10%	-1.00%
Discount Rates - Up by 1%	45,275	50,545	-3.90%	-3.70%
Discount Rates - Down by 1%	49,144	54,634	4.30%	4.10%

vii. Effect on Leave Encashment valuation

Particulars	Defined benefit obligation		(% of change)	
	As at 31-03-2016	As at 01-04-2015	As at 31-03-2017	As at 31-03-2016
Under Base Scenario	45,475	47,022	0.00%	0.00%
Salary Escalation - Up by 1%	47,091	48,603	3.60%	3.50%
Salary Escalation - Down by 1%	43,842	45,145	-3.40%	-3.40%
Withdrawal Rates - Up by 1%	45,653	47,234	0.50%	0.50%
Withdrawal Rates - Down by 1%	45,256	46,709	-0.50%	-0.50%
Discount Rates - Up by 1%	44,206	45,794	-2.60%	-2.60%
Discount Rates - Down by 1%	46,751	48,338	2.80%	2.80%

viii. Risk exposure

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long term obligations to make future benefit payments.

ix. Liability risks

a. Discount rate risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

b. Future salary escalation and inflation risk

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

40. Earnings per share

Particulars	As at 31-03-2017	As at 31-03-2016
Profit after tax	31,67,841	29,85,254
Profit available for Equity Shareholders	31,67,841	29,85,254
Weighted number of Equity Shares Outstanding	63,062	63,062
Nominal Value of Equity share	1.000	1.000
Basic Earnings Per Share (In Rupees)	50,234	47,338
Equity shares used to compute diluted earnings per share	63,062	63,062
Diluted Earnings Per Share (In Rupees)	50,234	47,338

#### 44. Treatment demerger plan in the Books of accounts

- A. The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh State into Andhra Pradesh & Telangana.
- B. Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of Head Office and location basis for other projects.
- C. In line with the provisions of the Act, the Demerger Plan for bifurcation of Assets & Liabilities of APMDC as on 01.06.2014 between APMDC and TSMDC was prepared.
- D. The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions.
- E. The Demerger Plan was discussed by the Boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC & TSMDC and the formula for bifurcation was approved.
- F. The Demerger Plan was subsequently presented before the Expert Appraisal Committee (EAC) constituted for this purpose. The EAC also approved the Demerger Plan and sent its recommendations to the respective governments.
- G. As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio.
- APMDC -58.32%
  - TSMDC -41.68%

H. APMDC has sent Demerger Plan to the Andhra Pradesh State Government and the same has been approved by GOAP vide G.O.Ms.No 19 dated 29.01.2019.

I. The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lr. No APMDC/F&A/Demerger/2019-20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government and complete the pending formalities.

**Distribution of the Assets & Liabilities of Common pool as on 01.06.2014 are given below:**

		(Rupees in 000's)	
Equity & Liabilities	Common Pool	AP	TS

<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### 45. General

- A. Expenses are accounted under prepaid expenses only where the amounts relating to unexpired period is material.
- B. Some of the balances appearing under trade receivables, trade payables, advances, security deposits and other payables are subject to confirmations.
- C. Figures for the previous year have been regrouped/rearranged wherever considered necessary so as to confirm to the classification of the current year.
- D. All amounts have been reported in thousands except for the share data and earning per share (EPS).

#### 46. Explanation of Transition to IND AS

These are the Group's first Consolidated financial statements prepared in accordance with Ind AS. The accounting policies set out in Note 1.1 have been applied in preparing the financial statements for the year ended 31<sup>st</sup> March 2017, the comparative information presented in these financial statements for the year ended 31<sup>st</sup> March 2016 and in the preparation of an opening Ind AS balance sheet at 1<sup>st</sup> April 2015 (the Group's date of transition).

The Group has prepared the opening balance sheet as per Ind AS as on 1st April, 2015 by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, reclassifying items from the previously applicable Indian GAAP to Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and optional exemptions out of which the ones which are relevant for the Group are as detailed below:

##### Exemptions availed on first time adoption of Ind-AS 101

##### a. Deemed Cost for Property, Plant and Equipment and Intangible Assets

The Group has elected to continue with the carrying value of all its property, plant and equipment and intangible assets as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

##### b. Decommissioning Liabilities

A first-time adopter need not to comply with these requirements for changes in such liabilities that occurred before the date of transition to Ind ASs. If a first-time adopter uses this exemption, it shall:

- Measure the liability at the transition date in accordance with Ind AS 37;
- Using the historical risk adjusted discount rate, determine the amount which would have been capitalised when the liability first arose; and
- Compute the amount of depreciation based on the estimated useful life.

Accordingly, the Group has elected to apply the exemption for the obligations arising on account of decommissioning cost.

**c. Leases**

For transition to Ind AS, the Group has adopted the same determination of whether an arrangement contained a lease in accordance with previous GAAP as that required by Appendix C of Ind AS 17.

**d. Investment in subsidiaries, joint arrangements and associates**

When an entity prepares separate financial statements, Ind AS 27 requires it to account for its investments in Subsidiaries, Joint arrangements and Associates either:

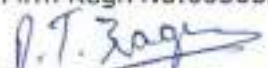

- at cost; or
- in accordance with Ind AS 109.

Hence by availing the exemption the Investments in Subsidiaries, Joint arrangements and associates are measured at cost.

**e. Classification and measurement of financial assets**

Ind AS 101 provides exemptions to certain classification and measurement requirements of financial assets under Ind AS 109, where these are impracticable to implement and hence, classification and measurement needs to be done on the basis of facts and circumstances existing as on the transition date. Accordingly, the Group has determined the classification of financial assets based on facts and circumstances that exist on the transition date.

**TO THE DIRECTORS' REPORT  
ANNUAL REPORT ON CORPORATE SOCIAL  
RESPONSIBILITIES (CSR) ACTIVITIES**

[Pursuant to clause (o) of sub-section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]

- 1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs:**

APMDC [the Company] has developed its CSR policy, henceforth called "APMDC CSR Policy", in accordance with Section 135 of the Companies Act 2013 and the Companies (Corporate Social Responsibility policy) Rules, 2014 notified by the Ministry of Corporate Affairs, Government Of India.

The objectives of the APMDC CSR Policy are to:

1. To define CSR Projects or Programmes which APMDC plans to undertake and which fall within the preview of the Companies Act, 2013 and Companies (CSR Policy) Rules, 2014.
2. Outline mechanism to identify new CSR Activities which can create a positive difference in the area.
3. Outline Governance mechanism for the CSR activities taken up by APMDC.
4. Mode of implementation of such CSR Projects and Programmes.
5. Monitoring and reporting mechanism of such CSR Projects and Programmes.

APMDC CSR policy is aimed at working along with the community through its focus on:

Eradicating hunger, poverty and malnutrition, (promoting health care including preventive health care) and sanitation including contribution to the Swachh Bharat Kosh set up by the central government for the promotion of sanitation and making available safe drinking water;

- i. Promoting preventive health care
  - a. Provision for operation and treatment for differently disable persons
  - b. Enabling access to, or improving the delivery of public health systems.

- ii. Promoting education, including special education and employment enhancing vocation skills especially among children, women and elderly, and the differently abled and livelihood enhancement projects.
- iii. Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups.
- iv. Enduring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agro-forestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the clean Ganga fund setup by the central government for rejuvenation of river Ganga.
- v. Protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts;
- vi. Measures for the benefit of armed forces veteran, war widows and their dependants;
- vii. Training to promote rural sport, nationally recognized sport, Paralympics sport and Olympic sport.
- viii. Contribution to the Prime Minister National Relief Fund or any other fund set up by the central government for socio-economic development and relief and welfare of the scheduled castes, the scheduled tribes, other backward classes, minorities and women;
- ix. Contribution or fund provided to technology incubators located within the academic institutions which are approved by the central government;
- x. Rural development projects.
- xi. Any other projects or activities approved by the central government pursuant to section 135 of the companies act, 2013, from time to time.

**2. Average net profit of the company for last three years : Rs.209,56,56,086/-**

**3. Prescribed CSR Expenditure (two percent of the amount as in item 3 above):Rs.4,19,13,121/-**

**4. Details of CSR spent during the year.**

(a) Total amount spent on CSR for the financial year 2017-18: Rs.13,72,47,076/-

(b) Total amount to be spent on CSR for the financial year 2017-18: Rs Nil

(c) Manner in which the amount spent during the financial year 2017-18:

- I. Primary Health Centre Maintenance Expenses
- II. School Maintenance Expenses

III. RO Plants Maintenance Expenses

IV. Rural Expenses

**5. In case the Company has failed to spend the two percent:**

During the financial year ended March 31, 2018, the company was required to spend Rs.4,19,13,121/-towards CSR activities but the Company has spent Rs. 13,72,47,076/-which is more than the required amount.

**6. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company:**

The CSR Committee affirms that the implementation and monitoring of CSR Policy is in compliance with the CSR Policy and Objectives of the Company.

Sub: Comments of the Comptroller and Auditor General of India under Section 143(6)(b) of the Companies Act, 2013 on Standalone Financial Statements and Consolidated Financial Statements of AMPDCL for the year ended 31 March 2018.

Sir,

I am to forward herewith Comments of the Comptroller and Auditor General of India (C&AG) under Section 143(6)(b) of the Companies Act, 2013 on Standalone Financial Statements and Consolidated Financial Statements of Andhra Pradesh Mineral Development Corporation Limited (AMPDCL) for the year ended 31 March 2018 for necessary action.

2. The date of placing of C&AG Comments along with Standalone and Consolidated Financial Statements, and Auditors' Reports before the shareholders of the Company may please be communicated along with a copy of proceedings of AGM meetings.

3. The date of forwarding the Annual report and financial statements (Standalone and Consolidated) of the Company together with the Auditors' Report and Comments of C&AG to the Government of Andhra Pradesh for the year ended 31 March 2018 for being laid before the State Legislature may also be intimated. Copy of letter from the Legislature Secretariat indicating date on which Annual Report is laid before State Legislature may also be intimated.

4. Five copies of the Annual Report for the year 2017-18 may also be furnished to this Office.

5. Management Letter containing deficiencies in internal controls noticed during supplementary audit of the accounts of the Company for the year is issued separately.

Encl: As above.

Yours faithfully,

Senior Deputy Accountant General

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF ANDHRA PRADESH MINERAL DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2018**

The preparation of financial statements of Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2018 in accordance with financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 17.09.2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a Supplementary audit of the standalone financial statements of the Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2018 under Section 143(6)(a) of the Act. This Supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report.

**A. Comments on Profitability**

**Expenses**

**Other Expenses (Note-34): ₹67.26 crore**

1. The above does not include ₹437.37 crore payable by the Company towards contribution to Mineral Exploration Research and Innovation Trust (MERIT) as on reporting date. The Company has been required to contribute 10 *per cent* of sales turnover to MERIT, which was formed by State Government (GO Ms.No.18 dated 13.01.2016) in place of "Development of Mineral Resources and Technology Up-gradation Fund (DMRTUF) established in March 1997. However, the required amount towards contribution was disclosed as Contingent Liability in Note-37 to accounts, indicating that Company requested (November 2019) the Government for exemption for contributing 10 *per cent* of sales turnover and fixed amount would be contributed. As per information (December 2022), no exemption was granted by the State Government/MERIT. Hence, suitable provision should have been recognised instead of disclosure as Contingent liability. Thus, non-recognition of provision resulted in understatement of 'Other Expenses' and 'Other Current Liabilities' by ₹437.37 crore<sup>1</sup> each with consequent overstatement of the Profit for the year by the same amount.

**B. Comments on Financial Position**

<sup>1</sup> Includes ₹187.15 crore for the period 2013-16 to 2017-18 and ₹250.22 crore for the period up to 2014-15.

## **Assets**

### **Non-current Assets**

#### **Exploration intangible assets under development (Note-3): ₹297.23 crore**

2. The above includes ₹14.08 lakh towards stamp duty paid (May 2013) by the Company for JV Company, viz. APMDC-SCCL Suhyari Coal Company Limited between the Company and Singareni Collieries Company Limited (SCCL) after allotment of Suhyari Coal Block in Madhya Pradesh to the Company by Govt in July 2007. Considering the status of the JV Company as on reporting date, where the JV was inactive and no business commenced due to cancellation of license, provision towards impairment of intangible asset under development should have been recognised. Thus, non-recognition of provision resulted in overstatement of Exploration intangible assets under Development and understatement of Provision by ₹14.08 lakh each with consequent overstatement of Profit by the same amount.

### **Financial assets**

#### **Loans (Note-5): ₹60.52 crore**

3. The Company released ₹60 crore to Andhra Pradesh State Electricity Limited (APSEL) during 2017-18 towards interest free loan and classified the same as Loans (Non-current) as disclosed in Note-47 to accounts. As per the repayment schedule mentioned in the agreement with APSEL, ₹20 crore receivable by the Company in 2018-19 i.e., within one year from the reporting date, qualifies to be a current asset instead of non-current asset. Thus, wrong classification resulted in overstatement of Loans (Non-current) and understatement of Current Assets – Loans (Note-13) by ₹20 crore each.

## **Equity and Liabilities**

### **Liabilities**

#### **Current Liabilities**

#### **Provisions (Note-24): ₹1.07 crore**

4(a). The Company enhanced of age of superannuation to their employees from 58 to 60 years as per GOs/Gs 138 dated 08.08.2017 retrospectively from 02.06.2014. Considering the orders, the employees of Company, who retired at the age of 58 were allowed to be reinstated and continue up to the age of 60 years. Though the Company reinstated 25 employees no liability was provided for ₹55.70 lakh of gratuity payable for the service period beyond 58 years which was not covered by actuarial valuation as on reporting date. This resulted in understatement of 'Provisions' and 'Employee Benefits Expense (Note-30)' by ₹55.70 lakh each with consequent overstatement of the Profit for the year by the same amount.

4(b). The Company did not disclose the fact that the post-retirement benefits accounted for in the year 2017-18 based on actuarial valuation did not include the payments made in respect of 25 employees for the service period due to enhancement of superannuation age from 58 years to 60 years.

## **B. Comments on Disclosure**

5. According to Para 8 of Ind AS 18 (Revenue), Revenue includes only the gross inflows of economic benefits received and receivable by the entity on its own account, and the amounts collected on behalf of third parties such as sales taxes, goods and services taxes (GST) and value

added taxes are not economic benefits which flow to the entity and do not result in increases in equity, therefore, are excluded from revenue. Hence, the Company's significant accounting policy disclosed vide Note-2(f)(i) (Revenue Recognition-Sale of Products) to recognise the sale of goods at gross value of all statutory levies i.e., Royalty, DMF, MERIT, cess collected on behalf of third parties is found deviating from the provisions of applicable Ind AS.

6. Significant Accounting Policy on Inventories under Note 2 stated that the Company recognized closing stock of 500000 MTs of C+D+W Grade of Barytes from financial year 2013-14 onwards and the remaining Stock was considered without value. This accounting policy is not in line with the Ind AS-2 (Inventories) as since sale prices declared for such quantity were available. As on 31 March 2018, there was a closing stock of 63,34,088 MTs of C+D+W Grade of Barytes. However, the Company neither disclosed information about the quantity of 63,34,088 MTs of C+D+W Grade of Barytes, which was remaining outside the books of accounts of the Company nor reasons for the same and financial impact thereon (except disclosure in Note 2).

*For and on behalf of the  
Comptroller and Auditor General of India*

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129 (4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ANDHRA PRADESH MINERAL DEVELOPMENT CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2018**

The preparation of Consolidated Financial Statements of Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with Section 129(4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with Section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 17.09.2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2018 under Section 143(6)(a) read with Section 129(4) of the Act. We conducted a supplementary audit of the financial statements of Ongole Iron Mining Corporation Limited for the year ended on that date but did not conduct supplementary audit of financial statements of APMDC-SCCL, Saliyani Coal Company Limited and Nuagun Coal Company Limited (which are not Companies of the Government of Andhra Pradesh). Further, Section 139(5) and 143(6)(a) of the Act are not applicable to the entities mentioned in Annexure being private entities for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This Supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) read with Section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report:

**A. Comments on Consolidated Profitability**

**Expenses**

**Other Expenses (Note-34): ₹67.26 crore**

1. The above does not include ₹437.77 crore payable by the Company towards contribution to Mineral Exploration Research and Innovation Trust (MERIT) as on reporting date. The Company has been required to contribute 10 per cent of sales turnover to MERIT, which was formed by State Government (GO Ms.No.18 dated 13.01.2016) in place of "Development of Mineral Resources and Technology Up-gradation Fund (DMRTUF) established in March 1997. However, the required amount towards contribution was disclosed as Contingent Liability in Note-37 to accounts, indicating that Company requested (November 2019) the Government for exemption for contributing 10 per cent of sales turnover and fixed amount would be contributed. As per

information (December 2023), no exemption was granted by the State Government-M.R.II. Hence, suitable provision should have been recognised instead of disclosure as Contingent liability. Thus, non-recognition of provision resulted in understatement of 'Other Expenses' and 'Other Current Liabilities' by ₹437.37 crore<sup>1</sup> each with consequent overstatement of the Profit for the year by the same amount.

## **B. Comments on Consolidated Financial Position**

### **Assets**

#### **Non-Current Assets**

##### **Exploration intangible assets under development (Note-3): ₹297.23 crore**

2. The above includes ₹14.08 lakh towards stamp duty paid (May 2013) by the Company for JV Company, viz. APMDC-SCCL Sulyari Coal Company Limited between the Company and Singareni Collieries Company Limited (SCCL) after allotment of Sulyari Coal Block in Madhya Pradesh to the Company by Govt in July 2007. Considering the status of the JV Company as on reporting date, where the JV was inactive and no business commenced due to cancellation of license, provision towards impairment of intangible asset under development should have been recognised. Thus, non-recognition of provision resulted in overstatement of Exploration intangible assets under Development and understatement of Provision by ₹14.08 lakh each with consequent overstatement of Profit by the same amount.

### **Financial assets**

#### **Loans (Note-5): ₹60.52 crore**

3. The Company released ₹60 crore to Andhra Pradesh State Fibernet Limited (APSFIL) during 2017-18 towards interest free loan and classified the same as Loans (Non-current) as disclosed in Note-48 to accounts. As per the repayment schedule mentioned in the agreement with APSFIL, ₹20 crore receivable by the Company in 2018-19 i.e., within one year from the reporting date, qualifies to be a current asset instead of non-current asset. Thus, wrong classification resulted in overstatement of Loans (Non-current) and understatement of Current Assets – Loans (Note-13) by ₹20 crore each.

### **Equity and Liabilities**

4(a). The Company enhanced of age of superannuation to their employees from 58 to 60 years as per GO Ms.138 dated 08.08.2017 retrospectively from 02.06.2014. Considering the orders, the employees of Company, who retired at the age of 58 were allowed to be reinstated and continue up to the age of 60 years. Though the Company reinstated 25 employees no liability was provided for ₹55.70 lakh of gratuity payable for the service period beyond 58 years which was not covered by actuarial valuation as on reporting date. This resulted in understatement of 'Provisions' and 'Employee Benefits Expense (Note-30)' by ₹55.70 lakh each with consequent overstatement of the Profit for the year by the same amount.

<sup>1</sup> Includes ₹187.15 crore for the period 2015-16 to 2017-18 and ₹250.22 crore for the period up to 2018-19

4(h). The Company did not disclose the fact that the post-retirement benefits accounted for in the year 2017-18 based on actuarial valuation did not include the payments made in respect of 25 employees for the service period due to enhancement of superannuation age from 58 years to 60 years.

**B. Comments on Disclosure**

5. According to Para 8 of Ind AS 18 (Revenue), Revenue includes only the gross inflows of economic benefits received and receivable by the entity on its own account, and the amounts collected on behalf of third parties such as sales taxes, goods and services taxes and value added taxes are not economic benefits which flow to the entity and do not result in increases in equity, therefore, are excluded from revenue. Hence, the Company's significant accounting policy disclosed vide Note-2(191) (Revenue Recognition-Sale of Products) to recognise the sale of goods at gross value of all statutory levies i.e., Royalty, DMF, MERIT, cess collected on behalf of third parties is found deviating from the provisions of applicable Ind AS.

6. Significant Accounting Policy on Inventories under Note-2 stated that the Company recognized closing stock of 500000 MTs of C-D+W Grade of Barytes from financial year 2013-14 onwards and the remaining Stock was considered without value. This accounting policy is not in line with the Ind AS-2 (Inventories) as since sale prices declared for such quantity were available. As on 31 March 2018, there was a closing stock of 63,34,988 MTs of C-D+W Grade of Barytes. However, the Company neither disclosed information about the quantity of 63,34,988 MTs of C-D+W Grade of Barytes, which was remaining outside the books of accounts of the Company nor reasons for the same and financial impact thereon (except disclosure in Note-2).

Lr.No.PAGAUAP/AMG-JBTSC-I/APMDCL-FY18/2024-25/36

Date: 17 April 2024

To  
The Managing Director,  
Andhra Pradesh Mineral Development Corporation Limited  
D.No.294, 1/D, 100 Feet, Kannur to Nidamanur Road,  
Krishna District, Andhra Pradesh - 521 137.

**Sub:** Management Letter- audit observations on deficiencies in internal controls noticed in connection with Supplementary Audit of Annual Accounts of Andhra Pradesh Mineral Development Corporation Limited for the year ended 31 March 2018.

Sir,

The following Provisional Comments and other audit observations on the financial statements of the Company issued to the Management are not pursued through CAG comments based on the replies /assurance of the Management.

- 1) The Company had written letter (10.06.2016) to the Member Secretary, MERIT stating that the Company had incurred expenditure of ₹ 2.11 crore on behalf of Director of Mines and Geology, GoAP from the contribution payable to MERIT from time to time and indicated net amount of ₹11,04,974/- as receivable from DMG after adjusting the expenditure with amount due to MERIT (erstwhile DMRUTF). Hence, no contribution was actually remitted to MERIT. Subsequently, the amount receivable from DMG was arrived at ₹14,71,970/- while computing contribution due to MERIT for the year 2016-17 & 2017-18 after netting the expenditure incurred on behalf of DMG. As incurring any expenditure out of funds of MERIT before actually remitting to MERIT without authority of MERIT is not found conforming to the Orders of the Government (GO Ms. No. 18 dated 13.01.2016), the Company should review all expenditure of ₹ 2.11 crore incurred by the Company so far and recognise the corresponding amount as receivable from DMG in the books of accounts of the Company instead of setting off with contribution due to MERIT. (It may be noted that CAG comment for recognising full amount of liability towards MERIT instead of disclosure of Contingent liability in Note-37 to the accounts is issued separately). Thus, omission to account for receivables coupled with incorrect setting off adjustment indicate material misstatement in the financial statements, which needs rectification.
- 2) The Company had awarded (22-2-2017) a contract for mining of ball clay at Dwaraka Tirumala on Raising-cum-Sale-Contract (RCSC) basis to M/s. CNR Tiles & Sanitary (Contractor). As per the terms and conditions of the agreement with Contractor, the contractor shall lift the material of stock within three months from expiry of contract, failing which the material that were not lifted shall be the sole property of the Company and the Company shall have the right to sell them at any price to any buyer. The contract was terminated by Company on 23-3-2020 and a fresh RCSC contract was awarded to

another contractor on 27-04-2020. Total stock remaining in the mine premises as at the end of March 2018 was 1.37 lakh MTs. Since the contract was terminated and the stock of 1.37 lakh MTs (including OB of 90,729 MTs) was left unsold by the Contractor, considering the agreement condition mentioned above, the stock as on 31-03-2018 would be the property of the Company. As the annual accounts for the year 2017-18 were approved in September 2022, before which the contract with Contractor was terminated, the Company did not take the stock of 1.37 lakh MTs was left unsold by the contractor into books of accounts. **Thus, omission to account for Company's stock indicates lack of proper internal controls on financial reporting.**

- 3) Note-18 is cross-referenced to Note-45 as 'Others', whereas Note-45 refers to disclosure of particulars of CSR Expenditure for the year and previous year. Hence, cross-referencing to Note-45 is not correct, hence wrong **disclosure needs rectification** in the financial statements. Incorrect reporting also indicates ineffective operation of internal controls on financial reporting.

**The Management confirmed that the same will be rectified at the time of printing the annual report.**

- 4) The Company has mining rights for Barytes (Mangampeta), Ball Clay (Dwaraka Tirumala), Granite (Chinnakurty) as at the end of March 2018. Out of these, APMDC is mining Barytes and Ball clay on its own, while for Granite quarry, APMDC had subleased the mines to JV Companies established by it with private partners. The disclosure of cost of mining rights should have been ensured in line with Ind AS 106. Further, accounting and disclosure of decommissioning cost of ₹17.85 lakh (WDV as at 31 March 2018) recognised as "Mining Property" should be reviewed to comply with applicable Ind AS.
- 5) As per Notes under Part-C of Schedule II to the Companies Act, 2013, the Company shall also disclose information in the accounts, inter alia, about depreciation methods used. Further, Para-73 (b) of Ind AS 16 'Property, Plant and Equipment (PPE)' stipulates that the financial statements shall disclose, the depreciation methods used for each class of PPE. However, the Company's accounting policy at Item-2(g) of Note-2 did not disclose the 'method of depreciation used for PPE' violating the provisions of Ind AS and the Schedule-II. Hence, the accounting policy on PPE is found deficient to that extent.
- 6) As per provisions of Section 143(2) of the Companies Act, 2013 the Statutory Auditors shall make a report to the members of the Company. However, the Independent Auditors Report dated 17.09.2022 addressed the Auditor Report in the Members of 'Andhra Mineral Development Corporation Limited' thereby missing the word 'Pradesh' in place of the Andhra Pradesh Mineral Development Corporation Limited. **The same needs correction in view of the Management's reply to rectify the same at the time of printing annual report.**
- 7) Para 24 under Consolidation Procedure of Ind AS 27 stipulates that Consolidated Financial Statements shall be prepared using uniform accounting policies for like transactions and other events in similar circumstances. Though accounting policies followed by the Company and its joint venture i.e., Andhra Pradesh Granite (Midwest) Private Limited (JV) were different in respect of revenue recognition and depreciation on PPE, as mentioned below, the Company neither disclosed the fact nor impact. The Company has to comply with the Provisions of Ind AS 27 and Schedule II of the Companies Act, 2013.

-73-

The above observations may be kept in view while preparing financial statements for the forthcoming year. Further point wise reply of the management to the above comments may be furnished while submitting next financial statements to this office for supplementary Audit or to the Audit team of this office during their field visit in connection with the supplementary Audit of the Company for further verification.

Yours faithfully,

## **INDEPENDENT AUDITORS' REPORT**

To  
The Members of  
The Andhra Mineral Development Corporation Limited

### **Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of The Andhra Pradesh Mineral Development Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the standalone Ind AS financial statements, that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that, the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

#### Basis for Qualified Opinion

- i) The company has passed entries for bifurcation in the past years except with respect to share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the amounts transferred by the Company to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") ledgers are subject to acceptance and confirmation by TSMDC. Further, The Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced. In the absence of information, we are not able to ascertain the impact on the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment	18	Other Financial liability(non-current)	38,96,55,505	Cr
2	Int. on FDR's, BGs & Sweep (SBI) to Telangana	18	Other Financial liability(non-current)	60,04,11,188	Cr
3	APMDC Telangana Region Advance (Cr)	18	Other Financial liability(non-current)	1,10,80,15,026	Cr
4	APMDC - TSMDC - Advances	8	Other Non-current Assets	21,60,18,311	Dr
5	Demerger Adj Acc of FD's & FD Kept for BG's	8	Other Non-current Assets	76,91,49,222	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	5,98,62,55,430	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	14,48,08,809	Dr
8	Fixed Deposits - BG - Without Lien	6	Other Financial Assets (Non-Current)	97,26,42,727	Dr
9	Sweep Account (SBI, Khairatabad)	6	Other Financial Assets (Non-Current)	7,07,15,374	Dr

10	Interest Accrued on Fixed deposit	14	Other Financial Assets (Current)	16,98,01,235	Dr
11	Int. Accr. on FDR kept for BGs	14	Other Financial Assets (Current)	24,39,261	Dr
12	Int. Accr. on FDR kept for BG - Without Lien	14	Other Financial Assets (Current)	5,19,61,836	Dr
13	Int. accr on sweep a/c (SBI)	14	Other Financial Assets (Current)	1,30,18,006	Dr
14	Int. on Fixed Deposits	27	Other Income	34,42,72,015	Cr
15	Int. on FD kept for BG	27	Other Income	90,53,788	Cr
16	Interest on FDR BG - Without Lien	27	Other Income	4,39,23,750	Cr
17	Int. on Sweep account SBIkh	27	Other Income	50,18,194	Cr

- i) The company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2018 by the company could not be audited by us, as the company has not provided the related legal litigation files for our clear understanding and verification.
- ii) The following Ledger balances as on March 31, 2018 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2018 (in Rs.)
Adv to EE Panch. Raj Dep(RIPT)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDO Rajampet (Rehabilitation)	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	28,52,37,861
Deposit With Sub Treasury (Rajampet)	Regional District Officer, Cuddapah	1,38,50,796

Due to non-availability of utilisation certificates and confirmation from the respective parties/ statutory authorities, we are unable to ascertain whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the standalone Ind AS financial statements.

- iv) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Further, Property, Plant and Equipment have not been physically verified during the year. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the standalone Ind AS financial statements.
- v) Inventories consisting of Finished Goods amounting to Rs. 82,59,92,232 and Stores and Spares amounting to Rs. 1,17,47,892 have not been physically verified during the year. Accordingly, their existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of inventories also could not be ascertained. Further in respect of Stores

and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the standalone Ind AS Financial Statements could not be ascertained.

- vi) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the standalone Ind AS Financial Statements could not be ascertained.
- vii) The company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable, Stale Cheques Payable, Non-Current Deposits, Special incentive on net profit payable and Deposit for Court Fees payable amounting to Rs. 32.66 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with vendors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone Ind AS financial statements.
- viii) The Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs.1.32 Crores (Credit), Deposit with Sales Tax Department of Rs. Rs. 5.90 Crores (Debit), Pre Deposit with Service Tax Department of Rs. 1.16 Crores (Debit), Service tax payable (Chlmakurty) of Rs. 0.13 Crores (Credit), Interest Payable on Service tax of seignorage fee of Rs. 0.35 crores (Credit), Deposit for court fee payable of Rs. 0.03 Crores (credit), Deposit for stamp duty payable of Rs. 0.10 Crores (Credit) and Service tax payable (Head Office) amounting to 5.24 Crores (Credit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the standalone Ind AS financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.
- ix) The Company has balances in Income Tax Assets amounting to Rs. 76.05 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 has not been provided for in the books, due to which we are unable to ascertain the resultant impact on the standalone Ind AS financial statements.
- x) The company has Trade Receivables balance amounting to Rs. 142.33 Crores. Balance confirmations from Parties under Trade Receivables amounting to Rs 138.42 Crores have not been obtained. Considering non-confirmation and non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone Ind AS financial statements.

- xi) We were informed that the balance in the following ledgers are pending final settlement on account of pending court proceedings. -

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C-S.C.K.C-IV	5,42,81,229	Dr
4	Sri R.V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further, the balance in the respective ledgers are subject to confirmation and reconciliation on account of the disputes between the parties and the company. Considering non reconciliation and non-confirmation and taking into further consideration, various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone Ind AS financial statements.

#### **Qualified Opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### **Emphasis of Matter**

We draw attention to the following:

- Note No 35 of the standalone Ind AS financial statements relating to reversal of provision classified under "Exceptional Items" held for "Excavation and Transport Charges Payable on Overburden on Shortfall as per the Stripping Ratio as per Mining Plan" amounting to Rs. 218.56 Crores pertaining to Financial Year 2016-17. The reversal of provision was on account of change in mining plan as approved by Deputy Director of Mines and Geology, Kadapa Region on 25<sup>th</sup> May 2016 and corresponding change in estimate of the Stripping Ratio.
- Note No 47 of the standalone financial statements wherein the Company has sanctioned an interest free loan to M/s Andhra Pradesh State FiberNet Limited amounting to Rs. 100 Crores and disbursed an amount of Rs. 60 Crores during the Financial Year 2017-18. However, the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was not clear on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule as specified in the loan agreement dated 22<sup>nd</sup> July 2017 has not been adhered to and revised loan agreement has not been entered into. Accordingly, the loan has been stated at transaction price.

Our opinion is not modified in respect of the above matter.

#### **Other Matters**

The financial statements of the Company for the year ended March 31, 2017 are not adopted by the members of the company at the adjourned Annual General Meeting held on July 14, 2022 due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2017, the Board of Directors of the Company in their meeting held on 17<sup>th</sup> September 2022 approved the financial statements for the year ended March 31, 2018. Consequently, we have completed our audit for the year ended March 31, 2018 considering the opening balances based on the financial statements as approved by the Board and audited by us for the year ended March 31, 2017. The reported amounts as on March 31, 2018 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2017 and subsequent approval at the Annual General Meeting.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable which is subject to the possible effect of the matters described in the Basis for Qualified Opinion paragraphs above and our separate report on the Internal Controls over Financial Reporting.
2. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
  - b) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
  - c) The standalone Balance Sheet, the standalone Statement of Profit and Loss, the standalone Cash Flow Statement and the standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.
  - e) As per Notification GSR 463 (6) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Company is a Government Company
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:-

- i. In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer Note 37 to the Standalone Ind AS financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
3. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, in the Annexure- C.

**Annexure - A to the Independent Auditors' Report**

(Referred to in paragraph 1 under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2018)

With reference to Annexure – A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended March 31, 2018, we report the following:

- (i) In respect of Company's fixed assets
  - a) In our opinion, the Company has not maintained proper records showing full particulars such as location, asset identification number, state of the asset, quantity, etc.
  - b) In the absence of any documents being made available to substantiate the conduct of physical verification and no policy/ laid down procedure on the same, we are unable to comment on the process of physical verification of fixed assets by the company.
  - c) In respect of immovable properties, title deeds/possession certificates are not available in respect of 1.61 Acres at Mangammapeta (Carrying Amount: 23,43,985) and 2.07 Acres at Dwarakatirumala (Carrying Amount- 1,877). Further, in respect of the other lands, only Possession Certificates issued by concerned authorities are available on record.
- (ii) Physical verification of inventory has not been conducted by the Management during the year. Further there are no laid down procedures for physical verification of inventory at reasonable intervals and accordingly, we cannot comment upon the same.
- (iii) According to the information and explanations given to us, the Company has not maintained register as prescribed under Section 189 of Companies Act, 2013. Accordingly, we are unable to report on the reporting requirements as specified in Clause (iii) of the Order.
- (iv) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 185 and 186 of the Companies Act, 2013 are not applicable as the Company is a Government Company and has obtained necessary approval from the Ministry/ State Government. Hence reporting under Clause (iv) is not applicable.
- (v) The company has received amounts towards supply of material but have not been adjusted within a period of three hundred and sixty days. Accordingly, these amounts are deemed deposits. The register of deposits as required to be maintained has not been provided for our verification. The entire outstanding is overdue and there is a default on repayment of deposit. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act for the company in our opinion. However, no cost records have been provided for our verification due to which we are unable to comment on whether the same have been made and maintained

- (vii) (a) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues with appropriate authorities.
- (b) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the following Statutory dues have not been deposited by the company on account of disputes:

S.No	Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which amount relates	Amount in Rupees
1	Income Tax Act		ITAT	2011-12(A.Y)	5,49,46,047
2	Income Tax Act		ITAT	2012-13	1,10,70,279
3	Income Tax Act		ITAT		27,31,630
4	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale-Penalty	Tribunal	1998-99 1999-00 2000-01	2,87,647 3,36,253 5,08,165
5	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale-Penalty	Tribunal	2007-08	3,92,913
6	VAT/Sales Tax	Tax on Explosive- 2 <sup>nd</sup> Sale and consideration Penalty Interest	Tribunal	2008-09 2008-09 2008-09	1,00,47,014 33,49,005 6,02,821
7	VAT/Sales Tax	Consideration Penalty	Tribunal	2009-12 2009-12	2,32,95,681 83,61,030

The aforesaid details are provided solely based on the details made available by the company which could not be independently verified for want of information and records.

- (viii) The Company has no loans or borrowings from financial institutions, bank and Government. The Company has not issued any debentures as at Balance Sheet date.
- (ix) The Company did not raise any money by way of Initial public offer or further public offer (including debt instruments) and term loans during the year. Hence reporting under clause (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

- (xi) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 197 of the Companies Act, 2013 are not applicable as the Company is a Government Company. Hence reporting under Clause 3(xi) of the Order is not applicable.
- (xii) The Company is not a Nidhi company. Accordingly, Clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, Clause 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, Clause 3(xv) of the Order is not applicable.
- (xvi) The nature of the business and activities of the Company are such that the Company is not required to obtain registration under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, Clause 3(xvi) of the Order is not applicable.

### **Annexure - B to the Independent Auditors' Report**

(Referred to in paragraph 2(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2018)

#### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Basis for Qualified Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls over financial reporting of the Company.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified:

- a) The system of internal financial controls over financial reporting with regard to the Company were not made available to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2018.
- b) The company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Company did not have a system for periodical verification of inventory and Property, Plant and Equipment.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the Company as at March 31, 2018 and these material weaknesses has affected our opinion on the standalone Ind AS financial statements of the Company and we have issued a Qualified opinion on the financial statements of the Company.

**ANNEXURE-C to the Independent Auditors' Report**

**Report on Directions Issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013**

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the Company has the clear title / lease deeds for freehold and leasehold respectively. If not, please state the area of freehold and leasehold land for which the title / lease deeds are not available.	The title deeds/Possession certificates are not available in respect of 1.61 Acres at Mangampeta (Carrying Amount: 23,43,985) and 2.07 Acres at Dwarakaturumala (Carrying Amount: 1,877). Further, in respect of the other lands, only Possession Certificates issued by concerned authorities are available on record.
2.	Whether there are any cases of waiver / write off of debts / loans / interest etc.? If yes, the reasons therefore and the amount involved	According to the information and explanations given to us and on the basis of our examination of the records of the company, There are no cases of waiver/ write off of debts/loans/interest during the Financial Year 2017-18.
3.	Whether proper records are maintained for inventories lying with third parties & assets received as gift / grant(s) from Government or other authorities?	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no inventory lying with any third party. Further, there are no assets received as gifts/grants from government or other authorities during the financial year 2017-18.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.

2.	<p>Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,</p> <p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.</p>
3.	<p>Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)</p>	<p>There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.</p>
4.	<p>Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, The Company has accounted for Tax Deducted at Source on Applicable Expenditure appropriately.</p>
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no Public Deposit Account in the name of the Company.</p>

	e) The quantitative details of the bills sent for clearing against the PO account balances but not cleared/ returned unpaid as on the reporting date along with age-wise analysis,	
6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no funds which have been raised by the company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has physically not verified the inventory and stores and spares in FY 2017-18. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not received any amounts for projects/schemes.

11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have qualified our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2017-18 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the FY 2017-18.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa vide Letter No 2276/MS-KDP/2013 dt 25/05/2016 which is effective for FY 2017-18.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2017-18 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2017-18.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(q) of the Standalone Ind AS financial statements.

## Notes forming part of the Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd., was incorporated on 24th Feb, 1961 as a wholly owned undertaking of the Government of Andhra Pradesh for the development of mineral resources and promotion of mineral-based industries in Andhra Pradesh including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products. The administrative office of the company is situated at 294/10, 100 ft road, Kanuru Village, Penamalluru Mandal, Vijayawada, Andhra Pradesh- 521137

### 2. Significant Accounting Policies

#### a. Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and 2017 as amended and relevant provisions of the Companies Act, 2013.

#### b. Basis of preparation

The standalone financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### c. Functional and presentation currency

The standalone financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

#### d. Use of Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind AS that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- a. relevant to the economic decision-making needs of users and
- b. reliable in that financial statements:
  - i. represent faithfully the financial position, financial performance and cash flows of the Company;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e. free from bias;
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Company operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geomining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc.

### **e. Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the company has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

#### **iv. Interest Income**

Interest Income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### **g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Company's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account.

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Company at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, Closing Stock is recognised for quantity of 5,00,000 MTs from Financial Year 2013-14 onwards and the remaining Stock is considered without value.

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method.

The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Post-employment obligation**

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

#### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

#### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Company recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

**n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred. As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Company has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

**Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The company has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment.

#### **r. Leases**

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

#### **s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

**Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

**iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

**iv. De-recognition of financial assets**

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

**i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

**ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

**iii. De-recognition of financial liabilities**

The Company de-recognizes financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

**y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

**z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

**aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed.

Evaluation expenditures are capitalised as intangible assets when there is a high degree of confidence that the Company will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Company. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

**ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

### 39. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified

Expected credit loss for trade receivables under simplified approach is as under.

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### i. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Barytes	3,38,395	(3,38,335)	2,82,898	(2,82,898)

###### b. Packing material price risk

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Packing material	(1,112)	1,112	(1,667)	1,667

**c. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense: Excavation & Transport Charges for ROM	(10,691)	10,691	(20,057)	20,057
Excavation & Transport Charges for Overburden	(1,26,183)	1,26,183	(1,38,610)	1,38,610

**40. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2018**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years
Trade payables	2,40,681	2,40,681	-	-
Other financial liabilities	32,96,710	7,29,925	25,66,785	-
<b>Total</b>	<b>35,37,391</b>	<b>9,70,606</b>	<b>25,66,785</b>	<b>-</b>

**As at 31st March 2017**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years
Trade payables	2,59,181	2,59,181	-	-
Other financial liabilities	32,40,187	7,93,126	24,47,061	-
<b>Total</b>	<b>34,99,369</b>	<b>10,52,308</b>	<b>24,47,061</b>	<b>-</b>

**41. Employee Benefits**

**A. Defined Contribution Plan**

Particulars	As at 31-03-2018	As at 31-03-2017
Employers contribution to provident fund	8,462	6,817
Employers contribution to pension fund	5,328	4,641

## 8. Defined benefit plans

i. The following table set out the funded status of the Gratuity Plans (funded), Leave Encashment and the amounts recognized in the Company's financial statements as at 31<sup>st</sup> March, 2018 and 31<sup>st</sup> March 2017

Particulars	Gratuity		Leave encashment	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
<b>Change in present value of benefit obligations</b>				
Benefit obligations at the beginning	47,111	52,490	45,475	47,022
Service cost	2,253	1,446	4,006	3,464
Interest expenses	3,657	3,718	3,619	3,291
Curtailment (gains)/losses	-	-	-	-
Transfer of obligation (net)	-	-	-	-
Benefits paid	(2,775)	(12,032)	(454)	(11,764)
Remeasurements - actuarial (gains)/losses	6,865	1,489	(1,486)	3,462
<b>Benefit obligations at the end</b>	<b>57,113</b>	<b>47,111</b>	<b>51,160</b>	<b>45,475</b>

Particulars	Gratuity		Leave encashment	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
<b>Change in face value of plan Assets</b>				
Fair value of plan assets at the beginning	37,394	34,294	31,169	28,726
Interest income	(3,353)	(74)	(3,072)	4,996
Employer contributions	11,808	12,707	14,924	9,001
Benefits payments from plan assets	(2,776)	(12,032)	(455)	(11,764)
Actuarial gain / (loss) on plan assets	1	2,499	(39)	210
<b>Benefit obligations at the end</b>	<b>48,973</b>	<b>37,394</b>	<b>48,555</b>	<b>31,169</b>

ii. Amount recognized in the balance sheet as at

Particulars	Gratuity		Leave encashment	
	31-03-2018	31-03-2017	31-03-2018	31-03-2017
PV of obligations at the end of the year	51,160	45,475	57,113	47,112
Fair value of plan assets at the end of the year	48,555	31,170	48,973	37,394
Liability (+)/Asset (-) recognised in the balance sheet	2,606	14,305	8,140	9,718

iii. Amount recognized in the statement of Profit and Loss under employee benefit expenses

Particulars	Gratuity		Leave encashment	
	For the year ended		For the year ended	
	31-03-2018	31-03-2017	31-03-2018	31-03-2017
Service cost	2,253	1,446	4,006	3,464
Interest expenses	304	3,792	547	(1,705)
Net expense recognised	2,557	5,238	4,553	1,759

iv. Amount for the year ended March 31, 2018 and March 31, 2017 recognized in the statement of other comprehensive income:

Particulars	Gratuity		Leave encashment	
	For the year ended		For the year ended	
	31-03-2018	31-03-2017	31-03-2018	31-03-2017
Actuarial (gain)/losses on obligations for the period	6,865	1,010	(1,487)	3,462
Actuarial (gain)/losses on plan assets for the period	(1)	(2,499)	(39)	(210)
Net expense recognised	5,864	(1,010)	(1,448)	3,252

Assumptions	Gratuity		Leave encashment	
	For the year ended		For the year ended	
	31-03-2018	31-03-2017	31-03-2018	31-03-2017
Rate of discounting	7.62%	8.00%	7.62%	8.00%
Rate of salary increase	4.00%	4.00%	4.00%	4.00%

**v. Summary of Demographic Assumptions**

Particulars	Gratuity		Leave Encashment	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Mortality rate	100.00%	100.00%	100.00%	100.00%
Disability rate	5.00%	5.00%	5.00%	5.00%

Normal retirement age	58 Years	58 Years	58 Years	58 Years
Adj. average future service	11.69	12.00	-	-
Leave encashment rate	-	-	10.00%	10.00%
Leave availment rate	-	-	2.00%	2.00%

**v. Maturity Profile of Defined Benefit Obligations:**

Particulars	Gratuity		Leave Encashment	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Expected Cash flow in year 1	25,041	11,128	22,279	12,310
Expected Cash flow in year 2	3,368	12,958	7,114	13,088
Expected Cash flow in year 3	3,649	2,642	5,901	5,590
Expected Cash flow in year 4	5,642	3,269	5,855	4,670
Expected Cash flow in year 5	5,240	5,081	4,713	4,619
Expected Cash flow in year 6	6,159	4,401	4,557	3,697
Expected Cash flow in year 7	2,942	4,397	2,535	3,575
Expected Cash flow in year 8	3,322	2,578	2,479	1,893
Expected Cash flow in year 9	3,764	2,661	2,417	1,884
Expected Cash flow in year 10	1,231	3,123	1,111	1,858

**vi. Significant estimates: Sensitivity analysis**

Discount rate, salary escalation rate and withdrawal rate are significant actuarial assumptions. The change in Present value of defined benefit obligation for a change of 100 basis points from the assumed assumption is given below:

**Effect on Gratuity valuation**

Particulars	Defined benefit obligation (Rs. in '000')		(% of change)	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Under Base Scenario	57,113	47,112	0.00%	0.00%
Salary Escalation - Up by 1%	59,777	48,701	4.60%	3.40%
Salary Escalation - Down by 1%	54,716	45,418	-4.20%	-3.60%
Withdrawal Rates - Up by 1%	57,550	47,593	0.80%	1.00%
Withdrawal Rates - Down by 1%	56,633	46,586	-0.80%	-1.10%
Discount Rates - Up by 1%	55,131	45,275	-3.50%	-3.90%
Discount Rates - Down by 1%	59,315	49,144	3.90%	4.30%

**vii. Effect on Leave Encashment valuation**

Particulars	Defined benefit obligation (Rs.in.'000')		(% of change)	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Under Base Scenario	51,160	45,475	0.00%	0.00%
Salary Escalation - Up by 1%	52,891	47,091	3.40%	3.60%
Salary Escalation - Down by 1%	49,520	43,942	3.20%	-3.40%
Withdrawal Rates - Up by 1%	51,333	45,683	0.30%	0.50%
Withdrawal Rates - Down by 1%	50,977	45,256	-0.40%	-0.50%
Discount Rates - Up by 1%	49,934	44,286	-2.40%	-2.60%
Discount Rates - Down by 1%	52,481	46,751	2.60%	2.80%

**viii. Risk exposure**

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as company take on uncertain long term obligations to make future benefit payments.

**ix. Liability risks**

**a. Discount rate risk**

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

**b. Future salary escalation and inflation risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

**42. Earnings per share (EPS)**

Particulars	As at 31-03-2018	As at 31-03-2017
Profit after tax before exceptional items	17,33,193	17,42,253
Add: exceptional items	-	14,29,249
Profit after tax after exceptional items	17,33,193	31,71,502
Profit available for Equity Shareholders	17,33,193	31,71,502
Weighted number of Equity Shares Outstanding	63,062	63,062
Nominal Value of equity share	1,000	1,000
Basic and diluted Earnings Per Share (In Rupees) – before exceptional item	27,491.93	27,568.77

Other Current Assets	4,25,452	2,48,124	1,77,329
<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### **Amounts held in current accounts, fixed deposits, sweep accounts**

Balances have been recognised to the extent of company share as per the demerger plan approved by the Government of Andhra Pradesh vide its G.O.Ms.No 19 dated 29.01.2019 consequent to bifurcation of the state of Andhra Pradesh with effect from 02-06-2014. Out of these balances an amount of Rs.70,97,058/- Thousands (Sweep accounts of Rs.70,715 /- and fixed deposits of Rs.70,26,343 /-) in various banks were frozen by all the banks as per instructions of the government of Telangana vide its letter dated 20-10-2014. However, company has been renewing the fixed deposits upon maturity and created fresh fixed deposits together with the interest earned there on.

#### **47. Loan to Andhra Pradesh State Fiber Net limited (APSFL)**

Corporation has received a Government Order (GO) from Energy, Infrastructure & Investment (Airports) Department vide G.O.M.No.161 dated 22-11-2016 to give an interest free loan of Rs.100.00 crores to AP State Fibernet Limited (APSFL) which is repayable within 5 years towards the margin money for the proposed procurement of 10 lakh sets of CPE boxes.

The board discussed the proposal in detail and accorded its approval to grant a Inter corporate loan of Rs.100.00 crores to APSFL at an interest rate of 7.00% p.a. In compliance with the Board decision matter has been communicated to the Secretary to Government (Mines), Industries & Commerce Department and also on 08-02-2017 duly requesting to take further action on the matter.

In responses to the above correspondence, a letter reference Lr.No.Fin-21022/6/2017 -AS, II – Finance dated 28-03-2017 has been received and directed to remit the amount of Rs.100.00 crores transferable to the consolidated fund of the state and they have also confirmed that, this amount would be refunded in the next financial year and same has been refunded on 29-06-2022.

Further, a letter reference APSFL/APMDC Loan/226/2017 dated 04-07-2017 received from the CFO, APSFL requesting to sanction Rs.100.00 crores loan and also shared draft loan agreement to be entered. Accordingly, loan agreement between the corporation and APSFL has been executed and corporation has remitted the funds as per terms of the loan agreement entered.

Wherein the company has sanctioned an interest free loan to M/s Andhra Pradesh State Fibernet limited amounting to Rs.100 crores and disbursed an amount of Rs.60 crore during the financial year 2017-18. However the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule has specified in the loan agreement dated 22<sup>nd</sup> July, 2017 has not been followed and no revised loan agreement was agreed upon with the party.

Out of the sanctioned amount of Rs.100.00 crores, an amount of Rs.60.00 crores has been released during the year and the balance amount of Rs.40 crores has been released in the subsequent year to be repayable in the period of 5 years as under:

(Rs.in.Crores)		
Sl.no	Year	Proposed repayment
1	2017-2018	Nil
2	2018-2019	20.00
3	2019-2020	25.00
4	2020-2021	25.00
5	2021-2022	30.00
<b>Total</b>		<b>100.00</b>

#### 48. Leasehold Lands

The company has been allotted following lands on lease hold basis and has rights of conducting mining operations as per the respective lease rights granted by the government authorities. Fair value of these mining rights has not been incorporated in the value of plant, property and equipment.

Sl.no	Project	Area in Hectors

#### 50. Non adoption of previous year financials at the general meeting by the Members

The financial statements of the company for the year ended 31<sup>st</sup> march, 2017 are considered but not adopted by the members of the company at the adjourned annual general meeting held on 14<sup>th</sup> July, 2022, due to non-completion of supplementary audit by the Comptroller and Audit General of India (C & AG). Pending completion of supplementary audit by the Comptroller and Audit General of India (C & AG), for the year ended 31<sup>st</sup> march, 2017, the board of directors of the company in their meeting held on 17<sup>th</sup> Sep, 2022 approved the financial statements for the ending 31<sup>st</sup> march, 2018. The reported amounts as on 31<sup>st</sup> march, 2018 may undergo change, based on the final comments of the Comptroller and Audit General of India (C & AG) for the year ended 31<sup>st</sup> march, 2017 and subsequent approval at annual general meeting. Necessary adjustments if any will be made in subsequent years.

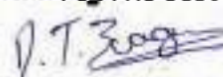

51. During the year, following head of accounts have been restated on account of correction of errors of earlier years.

(Rs.in.Thousands)			
Sl.no	Head of account	Amount	Note no
1	Exploration intangible assets under development & other equity	16,037	3 & 17
2	Other equity & Other financial liabilities	91	17 & 22

## **INDEPENDENT AUDITORS' REPORT**

**To**  
**The Members of**  
**The Andhra Mineral Development Corporation Limited**

### **Report on the Consolidated Ind AS Financial Statements**

We have audited the accompanying consolidated Ind AS financial statements of Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "consolidated Ind AS financial statements").

### **Management's Responsibility for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of requirements of Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the group and its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

The respective Board of Directors of the companies included in the Group and its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and jointly controlled entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of Holding Company as aforesaid.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in Other Matters paragraph below is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated Ind AS financial statements.

### **Basis for Qualified Opinion**

- i) We draw attention to Note No:- 44 of the consolidated Ind AS financial statements where in the company has stated the reasons for not consolidating the Subsidiaries , Associates and joint ventures as tabulated below. In the absence of audited Ind AS financial statements, management certified accounts for the year ended March 31, 2018 and further reasons as detailed in Note No 44, the transactions of subsidiaries and share in profit/losses of joint ventures and associates of the below mentioned entities are not incorporated in these consolidated Ind AS financial statements. The list of such entities are as tabulated below:

S.No	Name of the Company	Nature of Holding	% of Holding
1	Ongole Iron ore mining company pvt ltd	Subsidiary	51.00%
2	Andhra phosphate private limited	Subsidiary	50.00%
3	APMDC SECL suliyari coal company ltd	Subsidiary	51.00%
4	Nuagon coal company ltd	Subsidiary	50.00%
5	Andhra Baryte Corporation Private Limited	Joint Venture	11.00%
6	Andhra Pradesh Iron Ore Company Ltd	Joint Venture	11.00%
7	Gimpex AP Barytes Beneficiation Private Limited	Joint Venture	11.00%
8	Trimex Barite Private Limited	Joint Venture	11.00%
9	V.V Minerals Private Limited	Joint Venture	12.36%
10	Alliance Andhra Pradesh Black Granites Pvt Ltd	Joint Venture	11.00%

12	Pallava Red Granite Private Limited	Joint Venture	11.00%
12	Aswani Mineral Development Private Ltd	Associate	26.00%
13	Arham Minerals Exports (P) Ltd	Associate	26.00%
14	Isra Minerals Exports (P) Ltd	Associate	26.00%
15	Margasree Granites (P) Ltd	Associate	26.00%
16	Ongole Minerals Exports (P) Ltd	Associate	26.00%
17	RLP Granites (P) Ltd	Associate	26.00%
18	SRAP Minerals Private Limited	Associate	26.00%
19	A P Coastal Sand & Metals Pvt Ltd	Associate	26.00%
20	Andhra Pradesh Tribal Mining (P) Ltd	Associate	26.00%

In the absence of information, we are unable to quantify the impact on the Group's financials. Further, in respect of all the above entities, the carrying value of the investment (net of impairment/ provision) in Holding Company's books is NIL.

Holding Company's Basis for qualified Opinion (As stated in the report of standalone financial statements):

- ii) The Holding company has passed entries for bifurcation in the past years except with respect to share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the amounts transferred by the Company to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") ledgers are subject to acceptance and confirmation by TSMDC. Further, The Holding Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced. In the absence of information, we are not able to ascertain the impact on the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment	1B	Other Financial liability(non-current)	38,96,55,505	Cr
2	Int. on PDR's, BGs & Sweep (SBI) to Telangana	1B	Other Financial liability(non-current)	80,04,11,188	Cr
3	APMDC Telangana Region Advance (Cr)	1B	Other Financial liability(non-current)	1,10,80,15,026	Cr
4	APMDC - TSMDC - Advances	8	Other Non-current Assets	21,60,18,311	Dr
5	Demerger Adj Acc of FD's & FD Kept for BG's	8	Other Non-current Assets	76,91,49,222	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	5,98,62,55,430	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	14,48,08,809	Dr
8	Fixed Deposits - BG - Without Lien	6	Other Financial Assets (Non-Current)	97,26,42,727	Dr

9	Sweep Account (SBI, Khairatabad)	6	Other Financial Assets (Non-Current)	7,07,15,374	Dr
10	Interest Accrued on Fixed deposit	14	Other Financial Assets (Current)	16,98,01,235	Dr
11	Int. Accr. on FDR kept for BGs	14	Other Financial Assets (Current)	24,38,261	Dr
12	Int. Accr. on FDR kept for BG - Without Lien	14	Other Financial Assets (Current)	5,18,61,836	Dr
13	Int. accr on sweep a/c (SBI)	14	Other Financial Assets (Current)	1,30,18,006	Dr
14	Int. on Fixed Deposits	27	Other Income	34,42,72,015	Cr
15	Int. on FD kept for BG	27	Other Income	90,53,788	Cr
16	Interest on FDR BG - Without Lien	27	Other Income	4,39,23,750	Cr
17	Int. on Sweep account SBIkh	27	Other Income	50,18,194	Cr

iii) The Holding company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2018 by the holding company could not be audited by us, as the holding company has not provided the related legal litigation files for our clear understanding and verification.

iv) The following Ledger balances as on March 31, 2018 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2018
Adv. to EE Panch. Raj Dep (RUP)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDC Rajampet (Rehabilitation)	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	28,52,37,861
Deposit With Sub Treasury - (Rajampet)	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificate and confirmation from the respective party/ statutory authorities, we are unable to ascertain the whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the consolidated Ind AS financial statements.

v) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Further, Property, Plant and Equipment have not been physically verified during the year. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the consolidated Ind AS financial statements.

vi) Inventories consisting of Finished Goods amounting to Rs. 82,50,92,232 and Stores and Spares amounting to Rs. 1,17,47,892 have not been physically verified during the year. Accordingly, their

existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of inventories also could not be ascertained. Further in respect of Stores and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the consolidated Ind AS Financial Statements could not be ascertained.

- vii) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the holding Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the Consolidated Ind AS Financial Statements could not be ascertained.
- viii) The holding company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable, State Cheques Payable, Non-Current Deposits, Special Incentive on net profit payable and Deposit for court Fees payable amounting to Rs. 32.66 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with contractors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated Ind AS financial statements.
- ix) The holding Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs. 1.32 Crores (Credit), Deposit with Sales Tax Department Rs. 5.90 Crores (Debit), Pre-Deposit with Service Tax Department of Rs. 1.16 Crores (Debit), Service tax payable (Chimakurty) of Rs. 0.13 Crores (Credit), Interest Payable on Service tax of Selgnorage fee of Rs. 0.35 crores (Credit), Deposit for court fee payable of Rs. 0.03 Crores (credit), Deposit for stamp duty payable of Rs. 0.10 Crores (Credit) and Service tax payable (Head Office) amounting to 5.24 Crores (Credit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the consolidated Ind AS financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.
- x) The holding Company has balances in Tax Assets amounting to Rs. 76.05 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the holding Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 has not been provided for in the books, due to which we are unable to ascertain the resultant impact on the consolidated Ind AS financial statements.
- xi) The holding company has Trade Receivables balance amounting to Rs. 142.33 Crores. Balance confirmations from Parties under Trade Receivables amounting to Rs 138.42 Crores have not been obtained. Considering non-confirmation and non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated Ind AS financial statements.

xii) We were informed that the balance in the following ledgers are pending final settlement on account of pending court proceedings:-

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C-S.C.K.C./V	5,42,81,229	Dr
4	Sri R.V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further, the balance in the respective ledgers are subject to confirmation and reconciliation on account of the dispute between the parties and The company. Considering non reconciliation and non-confirmation and taking into further consideration, various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the consolidated Ind AS financial statements.

#### Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group and its associates and jointly controlled entities as at March 31, 2018 and its consolidated financial performance including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

#### Emphasis of Matter

We draw attention to the following.

- Note No 35 of the consolidated Ind AS financial statements relating to reversal of provision classified under "Exceptional Items" held for "Excavation and Transport Charges Payable on Overburden on Shortfall as per the Stripping Ratio as per Mining Plan" amounting to Rs. 218.56 Crores pertaining to Financial Year 2016-17. The reversal of provision was on account of change in mining plan as approved by Deputy Director of Mines and Geology, Kadapa Region on 25<sup>th</sup> May 2016 and corresponding change in estimate of the Stripping Ratio.
- Note No 47 of the consolidated Ind AS financial statements wherein the holding Company has sanctioned an interest free loan to M/s Andhra Pradesh State Fiber Net Limited amounting to Rs. 100 Crores and disbursed an amount of Rs. 60 Crores during the Financial Year 2017-18. However, the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule as specified in the loan agreement dated 22<sup>nd</sup> July 2017 has not been followed and no revised loan agreement was agreed upon with the party.

- c) We draw attention to Note no. 53 of the consolidated Ind AS Financial statements wherein it is stated that M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) incurred a net loss of Rs. 2,97,28,093 during the year ended 31<sup>st</sup> March 2018 and as of that date, the joint venture's current liabilities exceeded its current assets by Rs 5,92,69,970. These events or conditions, along with other matters as set forth in Note No. 53, indicate that a material uncertainty exists that may cast significant doubt on the joint venture's ability to continue as a going concern.

Our opinion is not modified in respect of the above matter.

#### Other Matters

1. The consolidated Ind AS financial statements of the holding Company for the year ended March 31, 2017 are not adopted at the adjourned Annual General Meeting held on July 14, 2022 due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2017 the Board of Directors of the holding Company in their meeting held on 17<sup>th</sup> September 2022 approved the consolidated Ind AS financial statements for the year ended March 31, 2018. Consequently, we have completed our audit for the year ended March 31, 2018 considering the opening balances based on the financial statements as approved by the Board and audited by us for the year ended March 31, 2018. The reported amounts as on March 31, 2018 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2017 and subsequent approval at the Annual General Meeting.
2. We did not audit the financial statements/financial information of one Joint Venture. The consolidated Ind AS financial statements include the Group's share of Net Loss of Rs. 21.76 lakhs for the year ended 31<sup>st</sup> March 2018 in respect of the one joint venture. This financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint venture and our report in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditor.

Our opinion on the consolidated Ind AS financial statements and our report on other legal and regulatory requirements below is not modified in respect of the above matters.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that
  - a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
  - b) Due to the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept by the Holding Company so far as it appears from our examination of those books and the reports of other auditors.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.
- e) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the holding Company is a Government Company.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Group has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements. Refer Note 37 to the Consolidated Ind AS financial statements.
  - The Group does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company.
2. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Holding Company as we considered appropriate and according to the information and explanations given to us, in Annexure- B.

#### **Annexure- A to the Independent Auditors' Report**

(Referred to in paragraph 1(i) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2018)

#### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") as of March 31, 2018 in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the entities of the Group, are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Holding company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding company with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Subject to the matters described in Basis for Qualified Opinion paragraph, we believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the Holding company's internal financial controls over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified:-

- a) The system of internal financial controls over financial reporting with regard to the Holding Company were not made available to us to enable us to determine if the Holding Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2018.
- b) The Holding company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The Holding company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Holding Company did not have a system for periodical verification of Inventory and Property, Plant and Equipment.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Group's annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the consolidated Ind AS financial statements of the Group as at March 31, 2018 and these material weaknesses has affected our opinion on the consolidated financial statements of the Group and we have issued a Qualified opinion on the financial statements of the Holding Company.

If not, please state the area of freehold and leasehold land for which the title / lease deeds are not available.	The title deeds/Possession certificates are not available in respect of 1.61 Acres at Mangampeta (Carrying Amount: 23,43,985) and 2.07 Acres at Dwarakaturumala (Carrying Amount: 1,877). Further, in respect of the other lands, Possession Certificates issued by concerned authorities are available on record.
2.	Whether there are any cases of waiver / write off of debts / loans / interest etc.? If yes, the reasons therefore and the amount involved	According to the information and explanations given to us and on the basis of our examination of the records of the company, There are no cases of waiver/ write off of debts/loans/interest during the financial Year 2017-18.
3.	Whether proper records are maintained for inventories lying with third parties & assets received as gift / grant(s) from Government or other authorities?	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no inventory lying with any third party. Further, there are no assets received as gifts/grants from government or other authorities during the financial year 2017-18.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.

2.	<p>Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,</p> <p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.</p>
3.	<p>Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)</p>	<p>There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.</p>
4.	<p>Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, The Company has accounted for Tax Deducted at Source on Applicable Expenditure appropriately.</p>
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no Public Deposit Account in the name of the Company.</p>

	e) The quantitative details of the bills sent for clearing against the PD account balances but not cleared/ returned unpaid as on the reporting date along with age-wise analysis;	
6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no funds which have been raised by the company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has physically not verified the inventory and stores and spares in FY 2017-18. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not received any amounts for projects/schemes.

11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have qualified our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2017-18 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2017-18.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa vide Letter No 2276/MS-KDP/2013 dt 25/05/2016 which is effective for FY 2017-18.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2017-18 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2017-18.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(q) of the Consolidated Ind AS financial statements.

## Notes to the Consolidated Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd ("The Company") and its subsidiaries (collectively referred to as "The Group") are principally engaged in development of mineral resources and promotion of mineral-based industries in India including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products.

### 2. Significant Accounting Policies

#### a. Statement of Compliance

These consolidated financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### b. Basis of consolidation

The Consolidated Financial Statements ("CFS") relate to Andhra Pradesh Mineral Development Corporation ("the Company") and its subsidiary companies (the Company and its subsidiaries collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

- I. The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-Group balances and intra-Group transactions resulting in unrealised profits or losses, in accordance with Indian Accounting Standard 110 - "Consolidated Financial Statements".
- II. In the case of investment in subsidiaries, where the Company's shareholding is less than 100%, Non-Controlling Interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company's shareholders.
- III. An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies.
- IV. A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is considered when there is contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Investments in joint arrangements are classified as either joint operations or joint venture. A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

V. Investment in associates/joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.

VI. The difference between the cost of investment in the subsidiaries, joint ventures, and associates and the Company's share of net assets at the time of acquisition of shares in the subsidiaries, joint ventures and associates is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

**c. Functional and presentation currency**

The Consolidated financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

**d. Use of Judgements, Estimates and Assumptions**

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

**Judgements**

In the process of applying the Group accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in consolidated financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind As that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- a. relevant to the economic decision-making needs of users and
- b. reliable in that financial statements:
  - i. represent faithfully the financial position, financial performance and cash flows of the Group;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e. free from bias;
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Group operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geomining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc.

### **e. Current and non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Group has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the Group has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Group and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

**iv. Interest Income**

Interest income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

**g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Group's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account.

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Group as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Group at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of Inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, Closing Stock is recognised for quantity of 5,00,000 MTs from Financial Year 2013-14 onwards and the remaining Stock is considered without value.

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Post-employment obligation**

The Group operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

#### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

#### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Group recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

#### **n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply

when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Group has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

#### **Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Group has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment

**r. Leases**

Assets taken on lease by the Group in its capacity as lessee, where the Group has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

**s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Group does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Group takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Group becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

**Financial assets – Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

**iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Group may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency. Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

**iv. De-recognition of financial assets**

The Group de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

**i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

**ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

#### **iii. De-recognition of financial liabilities**

The Group de-recognizes financial liabilities when and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

#### **y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

#### **z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

#### **aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods, and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed. Evaluation expenditures are capitalised as intangible assets when there is a high degree of confidence that the Group will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Group. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

#### **ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

Interest Payable	20 & 24	-	-	-	-	-
Total		-	-	-	35,03,155	35,03,155

### 39. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

Expected credit loss for trade receivables under simplified approach is as under.

Particulars	2017-18	2016-17
Ageing	>12 Months	>12 Months
Gross carrying amount	14,23,386	3,26,167
Expected loss rate	100.00%	100.00%
Expected credit loss (loss allowance provision)	14,23,386	3,26,167
Carrying amount of trade receivables (net of impairment)	-	-

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### i. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Barytes	3,38,335	(3,38,335)	2,82,898	(2,82,898)

###### b. Packing material price risk

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Packing material	(1,112)	1,112	(1,667)	1,667

#### c. Excavation & Transport Charges risk

Particulars	Impact on profit			
	2017-18		2016-17	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense:				
Excavation & Transport Charges for ROM	(10,691)	10,691	(20,057)	20,057
Excavation & Transport Charges for Overburden	(1,26,183)	1,26,183	(1,38,610)	1,38,610

#### 40. Management of Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

##### As at 31st March 2018

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years

Expected Cash flow in year 7	2,942	4,397	2,535	3,575
Expected Cash flow in year 8	3,322	2,578	2,479	1,893
Expected Cash flow in year 9	3,764	2,661	2,417	1,884
Expected Cash flow in year 10	1,231	3,123	1,111	1,858

vii. Significant estimates: Sensitivity analysis

Discount rate, salary escalation rate and withdrawal rate are significant actuarial assumptions. The change in Present value of defined benefit obligation for a change of 100 basis points from the assumed assumption is given below:

Effect on Gratuity valuation

Particulars	Defined benefit obligation (Rs.In.'000')		(% of change)	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Under Base Scenario	57,113	47,112	0.00%	0.00%
Salary Escalation - Up by 1%	59,727	48,701	4.60%	3.40%
Salary Escalation - Down by 1%	54,716	45,418	-4.20%	-3.60%
Withdrawal Rates - Up by 1%	57,550	47,593	0.80%	1.00%
Withdrawal Rates - Down by 1%	56,633	46,586	-0.80%	-1.10%
Discount Rates - Up by 1%	55,131	45,275	-3.50%	-3.90%
Discount Rates - Down by 1%	59,315	49,144	3.90%	4.30%

**viii. Effect on Leave Encashment valuation**

Particulars	Defined benefit obligation (Rs.In.'000')		(% of change)	
	As at 31-03-2018	As at 31-03-2017	As at 31-03-2018	As at 31-03-2017
Under Base Scenario	51,160	45,475	0.00%	0.00%
Salary Escalation - Up by 1%	52,891	47,091	3.40%	3.60%
Salary Escalation - Down by 1%	49,520	43,942	-3.20%	-3.40%
Withdrawal Rates - Up by 1%	51,333	45,683	0.30%	0.50%
Withdrawal Rates - Down by 1%	50,977	45,256	-0.40%	-0.50%
Discount Rates - Up by 1%	49,934	44,286	-2.40%	-2.60%
Discount Rates - Down by 1%	52,481	46,751	2.60%	2.80%

**ix. Risk exposure**

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as company take on uncertain long term obligations to make future benefit payments.

**x. Liability risks**

**a. Discount rate risk**

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

**b. Future salary escalation and inflation risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

**42. Earnings per share (EPS)**

Particulars	As at 31-03-2018	As at 31-03-2017
Profit after tax before exceptional items	17,31,017	17,38,950
Add: exceptional items	-	14,29,249
Profit after tax after exceptional items	17,31,017	31,68,200
Profit available for Equity Shareholders	17,31,017	31,68,200
Weighted number of Equity Shares Outstanding	63,062	63,062
Nominal Value of equity share	1,000	1,000
Basic and diluted Earnings Per Share (in Rupees) - before exceptional item	27,484.32	27,621.13

**44. The following subsidiaries/associates/joint venture companies are not consolidated for the following reasons:**

<b>Subsidiaries</b>	
Name of the subsidiary	Reason
Ongole iron ore mining company private limited	The company has not commenced the operations due to agreement cancelled by the GOAP and suffers from significant impairment in its ability to transfer the funds to the investor
Andhra phosphate private limited	The company lease rights was expired and not renewed. Hence it is not carrying on any activity.
APMDC - SCCL Suliari coal company limited	The license has been cancelled by the honourable supreme court. Hence business has not been commenced.
Nuagon coal company limited	The license has been cancelled by the honourable supreme court. Hence business has not been commenced.
<b>Associates</b>	
Name of the associate	Reason
Aswani mineral development private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
Arham minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.

Isra minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation
Margasree granites private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
Ongole minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
RLP granites private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
SRAP minerals private limited	The company has not commenced the operations and became in operative.
AP coastal sand & metals private limited	The lease rights and MOU have been cancelled by the GOAP. Hence the company became in operative.
Andhra Pradesh tribal mining private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
<b>Joint ventures</b>	
<b>Name of the joint venture</b>	<b>Reason</b>
Andhra baryte corporation private limited	The company has not commenced the operations and non-operative.
Andhra Pradesh Iron ore company limited	The company has not commenced the operations and non-operative.
Glimpex AP barytes beneficiation private limited	The company has not commenced the operations and non-operative.
Trimex barite private limited	The company has not commenced the operations and non-operative.
V.V minerals private limited	The joint venture agreement was expired in the financial year 2013 and same has not been renewed by the government. In absence of joint venture agreement as on the date of preparation of CFS, same has not been considered for consolidation.
Alliance Andhra Pradesh black granites private limited	The joint venture agreement was cancelled by the GOAP. Hence the company became in operative.

Pallava red granite private limited	The company's share of losses in joint venture has exceeded its interest in the joint venture. Hence, we have discontinued recognising its share of further losses. The company's interest in the joint venture is the carrying amount of the investment determined using the equity method together with any long term interests that, in substance, form part of the company's net investment in the joint venture.

<b>Deferred tax asset /(Liability) - net</b>	<b>87,333</b>	<b>69,429</b>

#### 46. CSR Expenditure

- Gross amount required to be spent by the company during the year is Rs.80,561 (Previous Year Rs.70,686).
- Amount spent during the year

Particulars	Year ended 31-03-2018	Year ended 31-03-2017
Construction/ acquisition of any assets	-	-
Purpose other than above	1,37,247	19,160

#### 47. Treatment demerger plan in the Books of accounts

- The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh state into Andhra Pradesh & Telangana.
- Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of head office and location basis for other projects.
- In line with the provisions of the Act, the demerger plan for bifurcation of assets & liabilities of APMDCL as on 01.06.2014 between APMDCL and TSMDC was prepared.

- d. The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions.
- e. The Demerger plan was discussed by the boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC and TSMDC and the formula for bifurcation was approved.
- f. The Demerger Plan was subsequently presented before the expert appraisal committee (EAC) constituted for this purpose. The EAC also approved the demerger plan and sent its recommendations to the respective governments.
- g. As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio.
  - APMDC –58.32%
  - TSMDC –41.68%
- h. APMDC has sent demerger plan to the Andhra Pradesh State Government and the same has been approved by GOAP vide G.O.Ms.No 19 dated 29.01.2019.
- i. The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lr. No APMDC/F&A/Demerger/2019-20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government and complete the pending formalities.

Distribution of the assets & liabilities of common pool as on 01.06.2014 are given below:

Equity & Liabilities	Common Pool	AP	TS
Ratio		58.32%	41.68%
Shareholder's Funds			
Share capital	63,062	36,778	26,284
Reserve & Surplus	1,04,28,142	60,81,692	43,46,449
Deferred Govt. Grants	19	11	8
Current/Non-Current liabilities			
Deferred tax liability	2,358	1,375	983
Trade payables	23,38,003	13,63,524	9,74,480
Other current liabilities	6,66,827	3,88,894	2,77,934
Provisions	1,07,230	62,536	44,693
Total	1,36,05,641	79,34,810	56,70,831

Assets	Common Pool	AP	TS
<b>Non-Current Assets</b>			
Fixed Assets (WDV)	34,405	20,065	14,340
Non-Current Investment	49,944	29,128	20,817
Loans & Advances	36,60,022	21,34,525	15,25,497
<b>Current Assets</b>			
Inventories	1,399	813	581
Trade receivables	16,563	9,659	6,903

Other Fixed Deposits	81,62,135	47,60,157	34,01,978
Other Current Assets	4,25,452	2,48,124	1,77,329
<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### **Amounts held in current accounts, fixed deposits, sweep accounts**

Balances have been recognised to the extent of company share as per the demerger plan approved by the Government of Andhra Pradesh vide its G.O.Ms.No 19 dated 29.01.2019 consequent to bifurcation of the state of Andhra Pradesh with effect from 02-06-2014. Out of these balances an amount of Rs.70,97,058/- Thousands (Sweep accounts of Rs.70,715 /- and fixed deposits of Rs.70,26,343 /-) in various banks were frozen by all the banks as per instructions of the government of Telangana vide its letter dated 20-10-2014. However, company has been renewing the fixed deposits upon maturity and created fresh fixed deposits together with the interest earned there on.

#### **48. Loan to Andhra Pradesh State Fiber Net limited (APSFL)**

Corporation has received a Government Order (GO) from Energy, Infrastructure & Investment (Airports) Department vide G.O.RT.No.161 dated 22-11-2016 to give an Interest free loan of Rs.100.00 crores to AP State Fibernet Limited (APSFL) which is repayable within 5 years towards the margin money for the proposed procurement of 10 Lakh sets of CPE boxes.

The board discussed the proposal in detail and accorded its approval to grant a inter corporate loan of Rs.100.00 crores to APSFL at an interest rate of 7.00% p.a. In compliance with the Board decision matter has been communicated to the Secretary to Government (Mines), Industries & Commerce Department and also on 08-02-2017 duly requesting to take further action on the matter.

In responses to the above correspondence, a letter reference Lr.No.Fin-21022/6/2017-AS, II - Finance dated 28-03-2017 has been received and directed to remit the amount of Rs.100.00 crores transferable to the consolidated fund of the state and they have also confirmed that, this amount would be refunded in the next financial year and same has been refunded on 29-06-2022.

Further, a letter reference APSFL/APMDC Loan/226/2017 dated 04-07-2017 received from the CFO, APSFL requesting to sanction Rs.100.00 crores loan and also shared draft loan agreement to be entered. Accordingly, loan agreement between the corporation and APSFL has been executed and corporation has remitted the funds as per terms of the loan agreement entered.

Wherein the company has sanctioned an interest free loan to M/s Andhra Pradesh State Fibernet limited amounting to Rs.100 crores and disbursed an amount of Rs.60 crore during the financial year 2017-18. However the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule has specified in the loan agreement dated 22<sup>nd</sup> July, 2017 has not been followed and no revised loan agreement was agreed upon with the party.

Out of the sanctioned amount of Rs 100.00 crores, an amount of Rs.60.00 crores has been released during the year and the balance amount of Rs.40 crores has been released in the subsequent year to be repayable in the period of 5 years as under:

(Rs.in.Crores)		
Sl.no	Year	Proposed repayment
1	2017-2018	Nil
2	2018-2019	20.00
3	2019-2020	25.00
4	2020-2021	25.00
5	2021-2022	30.00
<b>Total</b>		<b>100.00</b>

#### 49. Leasehold Lands

The company has been allotted following lands on lease hold basis and has rights of conducting mining operations as per the respective lease rights granted by the government authorities. Fair value of these mining rights has not been incorporated in the value of plant, property and equipment.

Sl.no	Project	Area in Hectors
1	Mangampet	443.67
2	Chimakurthy	33.60
3	Dwaraka Tirumala	13.29
4	Visakapathnam	46.31
5	Srikakulam	8.04
6	Suliyani	12,98.00
7	Madanpur	7,13.95
<b>Total</b>		<b>25,56.86</b>

## 51. Non adoption of previous year financials at the general meeting by the Members

The financial statements of the company for the year ended 31<sup>st</sup> march, 2017 are considered but not adopted by the members of the company at the adjourned annual general meeting held on 14<sup>th</sup> July, 2022, due to non-completion of supplementary audit by the Comptroller and Audit General of India (C & AG). Pending completion of supplementary audit by the Comptroller and Audit General of India (C & AG), for the year ended 31<sup>st</sup> march, 2017, the board of directors of the company in their meeting held on 17<sup>th</sup> Sep, 2022 approved the financial statements for the ending 31<sup>st</sup> march, 2018. The reported amounts as on 31<sup>st</sup> march, 2018 may undergo change, based on the final comments of the Comptroller and Audit General of India (C & AG) for the year ended 31<sup>st</sup> march, 2017 and subsequent approval at annual general meeting. Necessary adjustments if any will be made in subsequent years.

52. During the year, following head of accounts have been restated on account of correction of errors of earlier years.

### 53. Andhra Pradesh Granite (Midwest) Private Limited

The joint venture company operations were affected during previous year due to failure in approved quantity laid down in environmental clearance ("EC"). During the year the company incurred loss of Rs 29,728/- (thousands) and its current liabilities exceeded its current assets by Rs.59,270/- (thousands). The company stopped production in May, 2018 and the company made full and final settlement to employees in the month of Jun, 2018. The company is likely to be liable for penalties for excess production. However, the accounts of the company for the year ended 31<sup>st</sup> March, 2018 have been prepared on Going Concern basis. The joint venture company is confident of obtaining approvals from concerned authorities for enhanced production and is likely to resume operations shortly. The auditor of the joint venture had drawn an emphasis of matter relating to "Material Uncertainty relating to Going Concern" in their Audit Report for the year in this regard.

### 54. General

- Some of the balances appearing under trade receivables, trade payables, advances, security deposits and other payables are subject to confirmations and subsequent reconciliations if any.
- Figures of the previous year have been regrouped/rearranged wherever considered necessary, so as to confirm to the classification of the current year.
- All amounts have been reported in thousands unless otherwise stated/mentioned, except for the share data and earning per share (EPS).

**INDEPENDENT AUDITORS' REPORT**

To  
The Members of  
The Andhra Pradesh Mineral Development Corporation Limited

**Report on the Audit of the Standalone Financial Statements**

**Qualified Opinion**

We have audited the accompanying standalone financial statements of The Andhra Pradesh Mineral Development Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Qualified Opinion**

- i) The company has passed entries for bifurcation as per AP Reorganisation Act, 2014 in the past years except with respect to share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the Company has transferred certain amounts to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") account ledgers which are subject to acceptance and confirmation by TSMDC. The Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced. Further, during the year Income Tax of the erstwhile entity was recovered from the Company's Income Tax Refund but no entries were passed in the books, as the complete recovery details were not available. In the absence of information, we are not able to ascertain the impact of the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment	18	Other Financial liability(non-current)	46,87,42,953	Cr
2	Int. on FDR's, BCs & Sweep (SBI) to Telangana	18	Other Financial liability(non-current)	1,02,28,95,567	Cr

3	APMDC Telangana Region Advance (Cr)	18	Other Financial liability(non-current)	1,02,88,83,396	Cr
4	APMDC - TSMDC - Advances	9	Other Non-current Assets	21,59,63,767	Dr
5	Demerger Adj Acc of FD's & FD Kept for BG's	9	Other Non-current Assets	95,11,26,206	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	6,37,56,23,992	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	15,52,76,968	Dr
8	Fixed Deposits - BG - Without Lien	6	Other Financial Assets (Non-Current)	1,00,89,08,080	Dr
9	Sweep Account (SBI, Khairatabad)	6	Other Financial Assets (Non-Current)	7,35,65,991	Dr
10	Interest Accrued on Fixed deposit	14	Other Financial Assets (Current)	12,77,65,275	Dr
11	Int. Accr. on FDR kept for BG's	14	Other Financial Assets (Current)	48,20,239	Dr
12	Int. Accr. on FDR kept for BG - Without Lien	14	Other Financial Assets (Current)	8,97,85,546	Dr
13	Int. accr on sweep a/c (SBI)	14	Other Financial Assets (Current)	2,16,79,496	Dr
14	Int. on Fixed Deposits	27	Other Income	44,77,63,538	Cr
15	Int. on FD kept for BG	27	Other Income	84,87,688	Cr
16	Interest on FDR BG - Without Lien	27	Other Income	6,48,69,400	Cr
17	Int on Sweep account SBKh	27	Other Income	43,50,127	Cr

ii) The company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2019 by the company could not be audited by us, as the company has not provided the related legal litigation files for our clear understanding and verification.

iii) The following Ledger balances as on March 31, 2019 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2019 (In Rs.)
Adv.to EE Panc.Raj Dep(RJPT)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDO Rajampet (Rehabilitation )	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	51,52,37,861
Deposit With Sub Treasury - (Rajampet)	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificates and confirmation from the respective parties/ statutory authorities, we are unable to ascertain whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the standalone financial statements.

- iv) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Further, Property, Plant and Equipment have not been physically verified during the year. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the standalone financial statements.
- v) Inventories consists of Finished Goods amounting to Rs. 91,44,28,761 and Stores and Spares amounting to Rs. 69,17,837 as on 31<sup>st</sup> March 2019. However, physical verification of inventories could not be conducted during the year. Accordingly, their existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of inventories also could not be ascertained. Further in respect of Stores and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the Standalone Financial Statements could not be ascertained.
- vi) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the standalone Financial Statements could not be ascertained.
- vii) The company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable, Stale Cheques Payable, Non-Current Deposits, Penalty Suspense, Deposit for Stamp Duty Payable and Deposit for Court Fees payable amounting to Rs. 49.94 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with vendors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.
- viii) The Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs. 1.32 Crores (Credit), Deposit with Sales Tax Department of Rs. 5.90 Crores (Debit), Pre Deposit with Service Tax Department of Rs. 1.16 Crores (Debit), Service tax payable (Chimakurty) of Rs. 0.13 Crores (Credit), Interest Payable on Service tax of seignorage fee of Rs. 0.35 crores (Credit) and Service tax payable (Head Office) amounting to 5.25 Crores (Credit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the standalone financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.

- ix) The Company has balances in Income Tax Assets amounting to Rs. 65.76 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 on Income Tax and Deferred Tax has not been provided for in the books, due to which we are unable to ascertain the resultant impact on the standalone financial statements.
- x) The company has Trade Receivables balance amounting to Rs. 141.55 Crores. Balance confirmations from Parties under Trade Receivables amounting to Rs 138.51 Crores have not been obtained. Considering non-confirmation and non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.
- xi) We were informed that the balance in the following ledgers are pending final settlement on account of pending court proceedings: -

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C-S.C.K.C-JV	5,42,81,229	Dr
4	Sri R.V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further, the balance in the respective ledgers are subject to confirmation and reconciliation on account of the disputes between the parties and the company. Considering non reconciliation and non-confirmation and taking into further consideration, various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.

- xii) The Company has released an interest free unsecured loan of Rs. 100 Crores during Financial Year 2017-18 and 2018-19 to M/s Andhra Pradesh State FiberNet Limited ("APSFL"). The loan is repayable in 4 yearly installments starting from Financial Year 2018-19 and ending in Financial Year 2021-22. During the year, APSFL has not repaid the first installment of Rs. 20 crores on due date as per terms of the agreement. Further installments have also not been repaid till date. Further, the latest financials of APSFL are not available. In the absence of availability of audited financial statements from Financial Year 2017-18 and other supportive audit evidence substantiating the credit worthiness/Repayment capability of APSFL, we are unable to comment upon its impairment/recoverability and consequential impact on the Standalone Financial statements. Further, the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was not clear on purpose of issuance of interest free unsecured loan.
- xiii) The Company has released unsecured loan of Rs. 200 Crores to M/s Machilipatnam Urban Development Authority ("MUDA") on 01/11/2018 bearing interest at 8% per annum and repayable in 45 days. Though the due date for repayment is 15<sup>th</sup> December 2018, the said loan has not been repaid as on date also. In the absence of any financial information/supportive audit evidence substantiating the credit worthiness/Repayment capability of MUDA, we are unable to comment upon its impairment/recoverability and consequential impact on the Standalone Financial statements.

We conducted our audit of Standalone Financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone financial statements.

#### **Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, are not applicable to the Company as it is an unlisted company.

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

#### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditors' Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matters**

The financial statements of the Company for the year ended March 31, 2017 and March 31, 2018 respectively are not adopted by the members of the company at the adjourned Annual General Meeting held on July 14, 2022 and 17<sup>th</sup> September, 2022 respectively due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2017 and March 31, 2018, the Board of Directors of the Company in their meeting held on 21<sup>st</sup> October 2022 approved the financial statements for the year ended March 31, 2019. Consequently, we have completed our audit for the year ended March 31, 2019 and March 31, 2018 considering the opening balances based on the financial statements as approved by the Board and audited by us for the year ended March 31, 2018 and March 31, 2017 respectively. The reported amounts as on March 31, 2019 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2017 and March 31, 2018 and subsequent approval at the Annual General Meeting.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable which is subject to the possible effect of the matters described in the Basis for Qualified Opinion paragraphs above and our separate report on the Internal Controls over Financial Reporting.
2. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
  - b) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The standalone Balance Sheet, the standalone Statement of Profit and Loss, the standalone Cash Flow Statement and the standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.

e) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Company is a Government Company.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India, provisions of Section 197 of the Act, are not applicable to the company.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Note 37 to the Standalone financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

3. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, in the Annexure- C.

### Annexure - A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2019)

With reference to Annexure - A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended March 31, 2019, we report the following:

- (i) In respect of Company's fixed assets
  - a) In our opinion, the Company has not maintained proper records showing full particulars such as location, asset identification number, state of the asset, quantity, etc.
  - b) In the absence of any documents being made available to substantiate the conduct of physical verification and no policy/ laid down procedure on the same, we are unable to comment on the process of physical verification of fixed assets by the company.
  - c) In respect of immovable properties, title deeds/possession certificates are not available in respect of 1.61 Acres at Mangammampeta (Carrying Amount: 23,43,985) and 2.07 Acres at Dwarakaturumala (Carrying Amount: 1,877). Further, in respect of the other lands, only Possession Certificates issued by concerned authorities are available on record.
- (ii) Physical verification of Inventory has not been conducted by the Management during the year. Further there are no laid down procedures for physical verification of inventory at reasonable intervals and accordingly, we cannot comment upon the same.
- (iii) According to the information and explanations given to us, the Company has not maintained register as prescribed under Section 189 of Companies Act, 2013. Accordingly, we are unable to report on the reporting requirements as specified in Clause (III) of the Order.
- (iv) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 185 and 186 of the Companies Act, 2013 are not applicable as the Company is a Government Company and has obtained necessary approval from the Ministry/ State Government. Hence reporting under Clause (iv) is not applicable.
- (v) The company has received amounts towards supply of material but have not been adjusted within a period of three hundred and sixty days. Accordingly, these amounts are deemed deposits. The register of deposits as required to be maintained has not been provided for our verification. The entire outstanding is overdue and there is a default on repayment of deposit. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act for the company in our opinion. However, no cost records have been provided for our verification due to which we are unable to comment on whether the same have been made and maintained.
- (vii) (a) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the Company has generally been regular in depositing

undisputed statutory dues including Provident Fund, Employees State Insurance Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues with appropriate authorities.

- (b) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Qualified Opinion paragraph, the following Statutory dues have not been deposited by the company on account of disputes:

S.No	Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which amount relates	Amount in Rupees
1	Income Tax Act		ITAT	2011-12(A.Y)	5,49,46,047
2	Income Tax Act		ITAT	2012-13	1,10,70,279
3	Income Tax Act		ITAT		27,31,630
4	Income Tax Act		CIT Appeals	2016-17(A.Y)	36,55,65,643
5	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale-Penalty	Tribunal	1998-99 1999-00 2000-01	2,87,647 3,36,253 5,08,165
6	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale-Penalty	Tribunal	2007-08	3,92,913
7	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale and consideration Penalty Interest	Tribunal	2008-09 2008-09 2008-09	1,00,47,014 33,49,005 6,02,821
8	VAT/Sales Tax	Consideration Penalty	Tribunal	2009-12 2009-12	2,32,95,681 83,61,030

The aforesaid details are provided solely based on the details made available by the company which could not be independently verified for want of information and records except for AY 2016-17

- (viii) The Company has no loans or borrowings from financial institutions, bank and Government. The Company has not issued any debentures as at Balance Sheet date.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Hence reporting under clause (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 Issued by the Ministry of Corporate Affairs, the provisions of Section 197 of the Companies Act, 2013 are not applicable as the Company is a Government Company. Hence reporting under Clause 3(xi) of the Order is not applicable.

- (xii) The Company is not a Nidhi company. Accordingly, Clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, Clause 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, Clause 3(xv) of the Order is not applicable.
- (xvi) The nature of the business and activities of the Company are such that the Company is not required to obtain registration under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, Clause 3(xvi) of the Order is not applicable.

#### **Annexure - B to the Independent Auditors' Report**

{Referred to in paragraph 2(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2019}

#### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the Internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls both issued by ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Basis for Qualified Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls over financial reporting of the Company.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the Company has not established its internal control over financial reporting on criteria based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial controls over Financial reporting issued by the Institute of Chartered Accountants of India. As a result, we are unable to obtain sufficient and appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal control over financial reporting and whether such internal control was operating effectively as on 31<sup>st</sup> March, 2019.

Based on the limited audit procedures performed by us during the course of our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial control over financial reporting:

- a) The system of internal financial controls over financial reporting with regard to the Company were not made available to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2019.
- b) The company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.

d) The Company did not have a system for periodical verification of inventory and Property, Plant and Equipment.

e) The company does not have system of timely posting of entries in the ERP software. Further, the company does not have an integrated system which has led to accounting lapses such as Non-Reconciliation of Inter-Unit Transactions

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company as at March 31, 2019 and these material weaknesses has affected our opinion on the standalone financial statements of the Company and we have issued a Qualified opinion on the financial statements of the Company.

**ANNEXURE-C to the Independent Auditors' Report**

**Report on Directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013**

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The Company has system in place to process all the accounting transactions through IT System i.e., Microsoft Dynamics. However, many areas have not been covered under the ERP such as Accounting of Inventory, Depreciation etc. which are manually maintained. Based on Manual Stores Consumption Reports, consolidated entries are posted in to the IT System periodically. However, there are no implications of processing of Inventory consumption accounting outside IT system on the integrity of accounts subject to matters specified in Basis for Qualified opinion paragraph.
2.	Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated.	According to the information and explanations give to us and based on our examination of the records of the Company, there has been no restructuring/ waiver/write off of any existing loan taken by the Company. As such there is no financial impact involved.
3.	Whether funds received/receivable for specific schemes from central/ state agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	No such Funds have been received / receivable for specific schemes from central / state agencies.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.
2.	Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no

	<p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.
3.	Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)	There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.
4.	Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately	According to the information and explanations given to us and on the basis of our examination of the records of the company, The Company has accounted for Tax Deducted at Source on Applicable Expenditure appropriately.
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but not cleared/ returned unpaid as on the reporting date along with age-wise analysis;</p>	According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no Public Deposit Account in the name of the Company.

6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no funds which have been raised by the company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has not physically verified the inventory and stores and spares in FY 2018-19. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not received any amounts for projects/schemes.
11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have qualified our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2018-19 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the FY 2018-19.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa during the year.

14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2018-19 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2018-19.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(p) of the Standalone financial statements.

The Andhra Pradesh Mineral Development Corporation Limited  
Cash flow statement for the year ended March 31, 2019  
All amounts are in thousands, unless otherwise stated

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Profit before tax from continuing operations	52,99,127	28,10,791
Adjustments for:		
Interest expense	34,477	15,663
Unwinding of discounting on provisions	3,772	3,509
Interest income	(7,59,911)	(5,47,641)
Depreciation/amortization on continuing operations	56,901	46,864
Provision bad & doubtful debts	20,541	16,260
Provision bad & doubtful advances	10,838	3,424
Remeasurement of defined benefit plans	1,371	(5,417)
Provision no longer require within bank	(4,538)	(2)
Operating profit before working capital changes	46,82,479	23,53,451
Adjustments for working capital:		
Increase/(decrease) in trade payables	(55,794)	(18,500)
Increase/(decrease) in provisions	(6,179)	2,69,814
Increase/(decrease) in other financial liabilities	6,18,258	52,737
Increase/(decrease) in other liabilities	(863)	6,366
Decrease/(increase) in trade receivables	(12,660)	(1,13,479)
Decrease/(increase) in inventories	(85,606)	6,15,112
Decrease/(increase) in other assets	(5,18,421)	3,06,800
Decrease/(increase) in other financial assets	(4,51,594)	(1,00,841)
Cash generated from operations	41,41,490	23,71,460
Direct taxes paid (net of refunds)	14,95,417	13,74,509
Net cash flow from/(used in) operating activities (A)	26,46,073	12,46,951
Cash flow from investing activities		
Purchase of Property, plant and equipment, intangible assets, including intangible assets under development, CWIP and Capital advances	(29,13,104)	(1,20,473)
Movements in other bank balance	19,74,370	(21,21,551)
Loans repaid / Given to related parties	(24,00,000)	4,00,000
Loans repaid / Given to staff	(4,869)	(1,716)
Interest received	7,59,911	5,47,641
Net cash flow from/(used in) investing activities (B)	(25,83,692)	(13,06,101)
Cash flow from financing activities		
Interest paid	(34,477)	(25,663)
Net cash flow from/(used in) financing activities (C)	(34,477)	(25,663)
Net increase/(decrease) in cash and cash equivalents (A+B+C)	27,903	(84,813)
Cash and cash equivalents at the beginning of the year	1,09,695	2,34,508
Cash and cash equivalents at the end of the year	1,77,598	1,49,695
Components of cash and cash equivalents		
Cash on hand	104	135
With banks accounts	1,77,494	1,49,559
Total cash and cash equivalents (Note 12)	1,77,598	1,49,694

The accompanying notes are an integral part of these standalone financial statements.

a. Figures in brackets indicates outflow

b. The cash flow statement has been prepared using the Indirect method as set out in Ind As -7

## Notes forming part of the Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd., was incorporated on 24th Feb., 1961 as a wholly owned undertaking of the Government of Andhra Pradesh for the development of mineral resources and promotion of mineral-based industries in Andhra Pradesh including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products. The administrative office of the company is situated at 294/1D, 100 ft road, Kanuru Village, Penamaluru Mandal, Vijayawada, Andhra Pradesh- 521137

### 2. Significant Accounting Policies

#### a. Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and 2017 as amended and relevant provisions of the Companies Act, 2013.

#### b. Basis of preparation

The standalone financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### c. Functional and presentation currency

The standalone financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

#### d. Use of Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind AS that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- a. relevant to the economic decision-making needs of users and
- b. reliable in that financial statements:
  - i. represent faithfully the financial position, financial performance and cash flows of the Company;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e. free from bias;
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Company operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geomining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc.

### **e. Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the company has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

#### **iv. Interest Income**

Interest Income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### **g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Company's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account.

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use

Mining properties and other assets in the course of development or construction and freehold land are not depreciated

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Company at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, closing stock is recognised for quantity of 5,00,000 MTs from financial year 2013-14 onwards and the remaining stock is considered without value. Due to rise in demand in national and international markets for C+D+W grade of barytes, the sales of current financial year and also considering the current orders in hand as on balance sheet date closing stock is recognised for a quantity of 8,00,000 MTs from existing 5,00,000 MTs from financial year 2018-19 onwards and the remaining stock is considered without value.

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be

made in respect of services provided by employee up to the end of reporting period using the projected unit credit method.

The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Post-employment obligation**

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

##### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

##### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Company recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

**n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred. As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Company has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

**Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The company has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment.

#### **r. Leases**

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight line basis over the period of the lease.

#### **s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date,
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly, and
- Level 3 inputs are unobservable inputs for the asset or liability

**x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

### **Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

#### **i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

#### **ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

#### **iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency. Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

#### **iv. De-recognition of financial assets**

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

### **Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

#### **i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

#### **ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

#### **iii. De-recognition of financial liabilities**

The Company de-recognizes financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

#### **y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

#### **z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

#### **aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed

Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Company will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Company. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

**ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

**ac. Restatement of earliest prior period financials on material error/omissions**

The value of error and omissions is construed to be material for restating the opening balance of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income/expense exceeds 1.00% of the previous year turnover of the company

**The Andhra Pradesh Mineral Development Corporation Limited**

 Notes to standalone financial statements for the year ended March 31, 2019  
 All amounts are in thousands, unless otherwise stated

4	Non-current Investments	As at March 31, 2019	As at March 31, 2018
	Unquoted equity instruments - Investments measured at cost		
	Investment in subsidiary companies		
	i. M/s. APMDCL - SCCL Subjari coal company limited 5,100 equity shares (March 31, 2018: 5,100) of Rs.10/- each fully paid up	51 (51)	51 (51)
	Less: Provision made for diminution in the value of shares		
	ii. M/s. Huzgaon coal company limited 3,000 equity shares (March 31, 2018: 3,000) of Rs.100/- each fully paid up	5,957 (5,957)	5,957 (5,957)
	Less: Provision made for diminution in the value of shares		
	iii. M/s. Ongole iron ore mining company private limited 56,100 equity shares (March 31, 2018: 56,100) of Rs.10/- each fully paid up	561 (561)	561 (561)
	Less: Provision made for diminution in the value of shares		
	iv. M/s. Andhra phosphate private limited 1,110 equity shares (March 31, 2018: 1,110) of Rs.1000/- each fully paid up	1,110 (1,110)	1,110 (1,110)
	Less: Provision made for diminution in the value of shares		
	Investment in Associates		
	v. M/s. Aswat mineral development private limited 65,000 equity shares (March 31, 2018: 65,000) of Rs.10/- each fully paid up	650 (650)	650 (650)
	Less: Provision made for diminution in the value of shares		
	vi. M/s. SRAP mineral private limited 3,250 equity shares (March 31, 2018: 3,250) of Rs.10/- each fully paid up	3,250 (3,250)	3,250 (3,250)
	Less: Provision made for diminution in the value of shares		
	vii. M/s. Arjun minerals exports private limited 1,300 equity shares (March 31, 2018: 1,300) of Rs.10/- each fully paid up	1,300 (1,300)	1,300 (1,300)
	Less: Provision made for diminution in the value of shares		
	viii. M/s. hsa minerals exports private limited 1,300 equity shares (March 31, 2018: 1,300) of Rs.10/- each fully paid up	1,300 (1,300)	1,300 (1,300)
	Less: Provision made for diminution in the value of shares		
	ix. M/s. Morgaree granites private limited 1,100 equity shares (March 31, 2018: 1,100) of Rs.10/- each fully paid up	1,100 (1,100)	1,100 (1,100)
	Less: Provision made for diminution in the value of shares		
	x. M/s. Ongole minerals exports private limited 3,250 equity shares (March 31, 2018: 3,250) of Rs.10/- each fully paid up	3,250 (3,250)	3,250 (3,250)
	Less: Provision made for diminution in the value of shares		
	xi. M/s. RLP granites private limited 3,250 equity shares (March 31, 2018: 3,250) of Rs.10/- each fully paid up	3,250 (3,250)	3,250 (3,250)
	Less: Provision made for diminution in the value of shares		
	xii. M/s. AP coastal sands & metals private limited 13,000 equity shares (March 31, 2018: 13,000) of Rs.10/- each fully paid up	130 (130)	130 (130)
	Less: Provision made for diminution in the value of shares		
	xiii. M/s. Andhra Pradesh tribal mining private limited 28,600 equity shares (March 31, 2018: 28,600) of Rs.10/- each fully paid up	286 (286)	286 (286)
	Less: Provision made for diminution in the value of shares		

<b>Investment in Joint Ventures</b>		
vi. M/s A.P. Gratiast (Madhav) private limited 11,00,000 equity shares (March 31, 2018: 11,00,000) of Rs.10/- each fully paid up	11,000	11,000
vii. M/s Alliance A.P. Black galaxy games private limited 11,00,000 equity shares (March 31, 2018: 11,00,000) of Rs. 10/- each fully paid up Less: Provision made for diminution in the value of shares	11,000 (11,000)	11,000 (11,000)
viii. M/s. Allastand grantees private limited 11,00,000 equity shares (March 31, 2018: 11,00,000) of Rs.100/- each fully paid up Less: Provision made for diminution in the value of shares	11,000 (11,000)	11,000 (11,000)
ix. M/s. Gumpas AP banyan benligoon private limited 1,370 equity shares (March 31, 2018: 1,370) of Rs.10/- each fully paid up Less: Provision made for diminution in the value of shares	13 (13)	13 (13)
x. M/s Andhra banyan corporation private limited 8,52,500 equity shares (March 31, 2018: 8,52,500) of Rs.10/- each fully paid up Less: Provision made for diminution in the value of shares	8,525 (8,525)	8,525 (8,525)
xi. M/s Andhra Pradesh run one company limited 6,160 equity shares (March 31, 2018: 6,160) of Rs.10/- each fully paid up Less: Provision made for diminution in the value of shares	61 (61)	61 (61)
xii. M/s. Times banyan private limited 4,50,000 equity shares (March 31, 2018: 4,50,000) of Rs.10/- each fully paid up Less: Provision made for diminution in the value of shares	4,500 (4,500)	4,500 (4,500)
xiii. M/s K.V. minerals private limited 1,100 equity shares (March 31, 2018: 1,100) of Rs.100/- each fully paid up Less: Provision made for diminution in the value of shares	110 (110)	110 (110)

### 39. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables is monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

Expected credit loss for trade receivables under simplified approach is as under.

Particulars	2018-19	2017-18
<b>Ageing</b>	<b>&gt;12 Months</b>	<b>&gt;12 Months</b>
Gross carrying amount	57,659	58,564
Expected loss rate	100.00%	100.00%
Expected credit loss (loss allowance provision)	57,659	58,564
Carrying amount of trade receivables (net of impairment)	-	-

Particulars	2018-19	2017-18
<b>Ageing</b>	<b>&lt;12 Months</b>	<b>&lt;12 Months</b>
Gross carrying amount	14,15,504	14,23,386
Expected loss rate	0.00%	0.00%
Expected credit loss (loss allowance provision)	-	-
Carrying amount of trade receivables (net of impairment)	14,15,504	14,23,386

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### i. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Barytes	4,31,076	(4,31,076)	3,80,803	(3,80,803)

###### b. Packing material price risk

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Packing material	(993)	993	(1,112)	1,112

**c. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense:				
Excavation & Transport Charges for run of mine	(19,395)	19,395	(10,691)	10,691
Excavation & Transport Charges for Overburden	(66,296)	66,296	(1,26,183)	1,26,183

**40. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2019**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years
Trade payables	1,84,687	1,84,687	-	-
Other financial liabilities	35,50,642	7,68,971	27,81,670	-
<b>Total</b>	<b>37,35,329</b>	<b>9,53,658</b>	<b>27,81,670</b>	<b>-</b>

**As at 31st March 2018**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years
Trade payables	2,40,681	2,40,681	-	-
Other financial liabilities	31,56,832	5,90,047	25,66,785	-
<b>Total</b>	<b>31,56,832</b>	<b>8,30,728</b>	<b>25,66,785</b>	<b>-</b>

**41. Employee Benefits**

**A. Defined Contribution Plan**

Particulars	As at 31-03-2019	As at 31-03-2018
Employers contribution to provident fund	8,838	8,462
Employers contribution to pension fund	5,577	5,328

## B. Defined benefit plans

i. The following table set out the funded status of the Gratuity Plans (funded), Leave Encashment and the amounts recognized in the Company's financial statements as at 31<sup>st</sup> March, 2019 and 31<sup>st</sup> March 2018

Particulars	Gratuity		Leave encashment	
	As at 31-03-2019	As at 31-03-2018	As at 31-03-2019	As at 31-03-2018
<b>Change in present value of benefit obligations</b>				
Benefit obligations at the beginning	57,113	47,111	51,160	45,475
Service cost	2,405	2,253	1,982	4,006
Interest expenses	4,318	3,657	3,863	3,619
Curtailment (gains)/losses	-	-	-	-
Transfer of obligation (net)	-	-	-	-
Benefits paid	(899)	(2,775)	(916)	(454)
Remeasurements - actuarial (gains)/losses	766	6,865	(1,206)	(1,486)
<b>Benefit obligations at the end</b>	<b>63,703</b>	<b>57,113</b>	<b>54,884</b>	<b>51,160</b>

Particulars	Gratuity		Leave encashment	
	As at 31-03-2019	As at 31-03-2018	As at 31-03-2019	As at 31-03-2018
<b>Change in face value of plan Assets</b>				
Fair value of plan assets at the beginning	48,973	37,394	48,555	31,169
Interest income	4,182	3,353	4,272	(3,072)
Employer contributions	12,706	11,808	15,923	14,924
Benefits payments from plan assets	(1,770)	(3,584)	(1,197)	(573)
Actuarial gain / (loss) on plan assets	416	1	515	(39)
<b>Benefit obligations at the end</b>	<b>64,507</b>	<b>48,973</b>	<b>68,073</b>	<b>48,555</b>

ii. Amount recognized in the Balance sheet as at

Particulars	Gratuity		Leave encashment	
	31-03-2019	31-03-2018	31-03-2019	31-03-2018
PV of obligations at the end of the year	63,703	57,113	54,884	51,160
Fair value of plan assets at the end of the year	64,507	48,973	68,073	48,555

Liability (+)/Asset (-)	(803)	8,140	(13,189)	2,606
recognised in the balance sheet				

**iii. Amount recognized in the statement of Profit and Loss under employee benefit expenses**

Particulars	Gratuity		Leave encashment	
	For the year ended		For the year ended	
	31-03-2019	31-03-2018	31-03-2019	31-03-2018
Service cost	2,405	2,253	1,982	4,006
Interest expenses	136	305	(408)	547
<b>Net expense recognised</b>	<b>2,541</b>	<b>2,558</b>	<b>1,574</b>	<b>4,553</b>

**iv. Amount for the year ended March 31, 2019 and March 31, 2018 recognized in the statement of other comprehensive income:**

Particulars	Gratuity		Leave encashment	
	For the year ended		For the year ended	
	31-03-2019	31-03-2018	31-03-2019	31-03-2018

Expected Cash flow in year 10	6,890	1,231	2,425	1,111

**vii. Significant estimates: Sensitivity analysis**

Discount rate, salary escalation rate and withdrawal rate are significant actuarial assumptions. The change in Present value of defined benefit obligation for a change of 100 basis points from the assumed assumption is given below:

**Effect on Gratuity valuation**

Particulars	Defined benefit obligation (Rs.In.'000')		(% of change)	
	As at	As at	As at	As at
	31-03-2019	31-03-2018	31-03-2019	31-03-2018
Under Base Scenario	63,703	57,113	0.00%	0.00%
Salary Escalation - Up by 1%	66,358	59,727	4.20%	4.60%
Salary Escalation - Down by 1%	61,259	54,716	-3.90%	-4.20%
Withdrawal Rates - Up by 1%	64,133	57,550	0.70%	0.80%
Withdrawal Rates - Down by 1%	63,231	56,633	-0.80%	-0.80%
Discount Rates - Up by 1%	61,740	55,131	-3.10%	-3.50%
Discount Rates - Down by 1%	65,880	59,315	3.50%	3.90%

**viii. Effect on Leave Encashment valuation**

Particulars	Defined benefit obligation (Rs.In.'000')		(% of change)	
	As at	As at	As at	As at
	31-03-2019	31-03-2018	31-03-2019	31-03-2018
Under Base Scenario	54,884	51,160	0.00%	0.00%
Salary Escalation - Up by 1%	56,622	52,891	3.10%	3.40%
Salary Escalation - Down by 1%	53,231	49,520	-3.00%	-3.20%
Withdrawal Rates - Up by 1%	55,050	51,333	0.30%	0.30%
Withdrawal Rates - Down by 1%	54,707	50,977	-0.30%	-0.40%
Discount Rates - Up by 1%	53,682	49,934	-2.20%	-2.40%

Discount Rates - Down by 1%	56,176	52,481	2.30%	2.60%
-----------------------------	--------	--------	-------	-------

#### ix. Risk exposure

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as company take on uncertain long-term obligations to make future benefit payments.

#### x. Liability risks

##### a. Discount rate risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

##### b. Future salary escalation and inflation risk

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

#### 42. Earnings per share (EPS)

Particulars	As at 31-03-2019	As at 31-03-2018
Profit after tax before exceptional items	33,33,077	17,33,193
Add: exceptional items	-	-

#### 46. Treatment demerger plan in the Books of accounts

- a. The AP Re-organization Act 2014 has bifurcated the combined Andhra Pradesh state into Andhra Pradesh & Telangana.
- b. Section 53 of the AP Re-organization Act 2014 provides the basis and procedure for distribution of Assets & Liabilities between both the states in respect of head office and location basis for other projects.
- c. In line with the provisions of the Act, the demerger plan for bifurcation of assets & liabilities of APMDC as on 01.06.2014 between APMDC and TSMDC was prepared.
- d. The then Principal Secretary (Ind & Comm.), and Chairman, APMDC (United State) addressed letters on 24.10.2014 to all the bank instructing them to freeze the accounts of APMDC as on 01.06.2014 and directed them not to permit any transactions.
- e. The Demerger plan was discussed by the boards of APMDC and TSMDC. After detailed deliberations, consensus was arrived between APMDC and TSMDC and the formula for bifurcation was approved.
- f. The Demerger Plan was subsequently presented before the expert appraisal committee (EAC) constituted for this purpose. The EAC also approved the demerger plan and sent its recommendations to the respective governments.
- g. As per the Demerger Plan, the Assets & Liabilities of APMDC (Head Office) are to be split between APMDC and TSMDC in the following ratio
  - APMDC-58.32%
  - TSMDC-41.68%
- h. APMDC has sent demerger plan to the Andhra Pradesh State Government and the same has been approved by GOAP vide G.O.Ms.No 19 dated 29.01.2019.
- i. The approval of the Telangana State Government is still pending. VC&MD, APMDC has addressed TSMDC vide Lr. No APMDC/F&A/Demerger/2019-20/1959 dated 06.11.2019 to take up the issue with the Telangana State Government and complete the pending formalities.

Distribution of the assets & liabilities of common pool as on 01.06.2014 are given below:

Equity & Liabilities	Common Pool	AP	TS
Ratio		58.32%	41.68%
Shareholder's Funds			
Share capital	63,062	36,778	26,284
Reserve & Surplus	1,04,28,142	60,81,692	43,46,449
Deferred Govt. Grants	19	11	

<b>Current/Non-Current liabilities</b>			
Deferred tax liability	2,358	1,375	983
Trade payables	23,38,003	13,63,524	9,74,480
Other current liabilities	6,66,827	3,88,894	2,77,934
Provisions	1,07,230	62,536	44,693
<b>Total</b>	<b>1,36,05,641</b>	<b>79,34,810</b>	<b>56,70,831</b>

<b>Assets</b>	<b>Common Pool</b>	<b>AP</b>	<b>TS</b>
<b>Non-Current Assets</b>			
Fixed Assets (WDV)	34,405	20,065	14,340
Non-Current Investment	49,944	29,128	20,817
Loans & Advances	36,60,022	21,34,525	15,25,497
<b>Current Assets</b>			
Inventories	1,393	813	581

Other Fixed Deposits	81,62,135	47,60,157	34,01,978
Other Current Assets	4,25,452	2,48,124	1,77,329
<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### **Amounts held in current accounts, fixed deposits, sweep accounts**

Balances have been recognised to the extent of company share as per the demerger plan approved by the Government of Andhra Pradesh vide its G.O Ms.No 19 dated 29.01.2019 consequent to bifurcation of the state of Andhra Pradesh with effect from 02-06-2014. Out of these balances an amount of Rs.75,23,725/- Thousands (Sweep accounts of Rs.73,566 /- and fixed deposits of Rs.74,50,159 /-) in various banks were frozen by all the banks as per instructions of the government of Telangana vide its latter dated 20-10-2014. However, company has been renewing the fixed deposits upon maturity and created fresh fixed deposits together with the Interest earned there on.

#### **47. Loan to Andhra Pradesh State Fiber Net limited (APSFL)**

Corporation has received a Government Order (GO) from Energy, Infrastructure & Investment (Airports) Department vide G.O.RT.No.161 dated 22-11-2016 to give an interest free loan of Rs.100.00 crores to AP State Fibernet Limited (APSFL) which is repayable within 5 years towards the margin money for the proposed procurement of 10 Lakh sets of CPE boxes.

The board discussed the proposal in detail and accorded its approval to grant a inter corporate loan of Rs.100.00 crores to APSFL at an interest rate of 7.00% p.a. In compliance with the Board decision matter has been communicated to the Secretary to Government (Mines), Industries & Commerce Department and also on 08-02-2017 duly requesting to take further action on the matter.

In responses to the above correspondence, a letter reference Lr.No,Fin-21022/6/2017 -AS, II – Finance dated 28-03-2017 has been received and directed to remit the amount of Rs 100.00 crores transferable to the consolidated fund of the state and they have also confirmed that, this amount would be refunded in the next financial year and same has been refunded on 29-06-2017.

Further, a letter reference APSFL/APMDC Loan/226/2017 dated 04-07-2017 received from the CFO, APSFL requesting to sanction Rs.100.00 crores loan and also shared draft loan agreement to be entered. Accordingly, loan agreement between the corporation and APSFL has been executed and corporation has remitted the funds as per terms of the loan agreement entered.

Wherein the company has sanctioned an interest free loan to M/s Andhra Pradesh State Fibernet limited amounting to Rs.100 crores and disbursed an amount of Rs.60 crore during the financial year 2017-18. However the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule has specified in the loan agreement dated 22<sup>nd</sup> July, 2017 has not been followed and no revised loan agreement was agreed upon with the party.

Out of the sanctioned amount of Rs.100.00 crores, an amount of Rs.60.00 crores have been released during the year and the balance amount of Rs.40 crores has been released in the subsequent year to be repayable in the period of 5 years as under:

(Rs.in.Crores)		
Sl.no	Year	Proposed repayment
1	2017-2018	Nil
2	2018-2019	20.00
3	2019-2020	25.00
4	2020-2021	25.00
5	2021-2022	30.00
<b>Total</b>		<b>100.00</b>

During the year, APSFL has not repaid the due instalment amount of Rs.20.00 crores as per terms of the agreement. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **48. Loan to Machilipatnam Urban Development Authority (MUDA)**

Company has received a Government Order (GO) MS.No.127 dated 31-10-2018 to give loan of Rs.200.00 crores to Machilipatnam Urban Development Authority at an interest of 7.00% per annum and same shall be repaid within 45 days. Accordingly, Board of Directors in its 396<sup>th</sup> meeting held on 01-11-2018 approved the loan amount with interest of 8% and necessary loan agreement has been executed.

The company disbursed the loan amount of Rs.200.00 crores on 1<sup>st</sup> November 2018. As per terms of the Loan agreement in case of failure to repay by MUDA along with interest on due dates, penal interest at a rate charged by national banks will be paid. The stipulated time of 45 days was completed on 15<sup>th</sup> December, 2018, but the repayment has not been made by the MUDA. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **49. Advance to Rayalaseema steel corporation limited**

During the year company has paid an amount of Rs.2.61 crores to Rayalaseema steel corporation limited (RSCL) to meet the essential expenses relating to day to day operations of the company on reimbursement basis pursuant to G.O.MS No.131, 132 and 133 with the approval of the board of directors of the company. However, RSCL intimated that, Government of Andhra Pradesh has not infused any equity into the company and the company met the running expenses from the proceeds of loan sanctioned by the AMMDC. It further informed that company doesn't have any assets or shareholder funds to repay the loan to APMDC and all transactions of the company were closed. In view of the uncertainty in realising the advanced amount, an amount of Rs 2.61 crores has been provided towards provision for doubtful advance.

#### **50. Leasehold Lands**

The company has been allotted following lands on lease hold basis and has rights of conducting mining operations as per the respective lease rights granted by the government authorities. Fair value of these mining rights has not been incorporated in the value of plant, property and equipment.

Sl.no	Project	Area in Hectors
1	Mangampet	443.67
2	Chimakurthy	33.60
3	Dwaraka Tirumala	13.29
4	Visakapatnam	46.31
5	Srikakulam	8.04
6	Suliyari	12,98.00
7	Madanpur	7,13.95
Total		25,56.86

## 52. Non adoption of previous year financials at the general meeting by the Members

The financial statements of the company for the year ended 31<sup>st</sup> march, 2017 and 31<sup>st</sup> March, 2018 are considered but not adopted by the members of the company at the adjourned annual general meeting held on 14<sup>th</sup> July, 2022 and 17<sup>th</sup> September, 2022 respectively due to non-completion of supplementary audit by the Comptroller and Audit General of India (C & AG). Pending completion of supplementary audit by the Comptroller and Audit General of India (C & AG), for the year ended 31<sup>st</sup> March, 2017 and 31<sup>st</sup> March, 2018, the board of directors of the company in their meeting held on 21<sup>st</sup> October, 2022 approved the financial statements for the ending 31<sup>st</sup> march, 2019. The reported amounts as on 31<sup>st</sup> march, 2019 may undergo change, based on the final comments of the Comptroller and Audit General of India (C & AG) for the year ended 31<sup>st</sup> March, 2017 and 31<sup>st</sup> March, 2018 and subsequent approval at annual general meetings. Necessary adjustments if any will be made in subsequent years.

## 53. Revenue from contracts with customers

The Company has implemented Indian Accounting Standard (Ind AS) 115, Revenue from Contracts with Customers w.e.f. 01st April, 2018 using the modified retrospective method of adoption. However, there is no financial implication due to implementation of the said Ind AS at present.

#### 54. Ind AS issued and not yet effective:

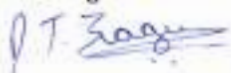

##### Ind AS 116 Leases :

Ministry of Corporate Affairs has notified 'The Companies (Indian Accounting Standards) Amendment Rules, 2019 dated March 30, 2019 which inter alia includes the new standard on Leases Ind AS 116 replacing the existing standard Ind AS 17, to be effective from the 1st April 2019. The impact of the same is yet to be assessed. The Company is proposing to use the Modified Retrospective Approach for transitioning to Ind AS 116

##### 55. General

- Some of the balances appearing under trade receivables, trade payables, advances, security deposits and other payables are subject to confirmations, subsequent reconciliations and consequential adjustment required if any.
- Amounts incurred towards power, fuel charges and excavation and transportation charges for run of mine and overburden have been reported separately in respective note no's 33 and 34 for better presentation purposes.
- Figures of the previous year have been regrouped/rearranged wherever considered necessary, so as to confirm to the classification of the current year.
- All amounts have been reported in thousands unless otherwise stated/mentioned, except for the share data and earning per share (EPS).

## INDEPENDENT AUDITORS' REPORT

To  
The Members of  
The Andhra Pradesh Mineral Development Corporation Limited

### **Report on the Audit of the Consolidated Financial Statements**

#### **Qualified Opinion**

We have audited the accompanying Consolidated financial statements of Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, which comprise the Consolidated Balance Sheet as at 31st March, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2019, its Consolidated profit (including other comprehensive income), Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

- i) We draw attention to Note No: - 44 of the consolidated financial statements where in the company has stated the reasons for not consolidating the Subsidiaries, Associates and joint ventures as tabulated below. In the absence of audited financial statements, management certified accounts for the year ended March 31, 2019 and further reasons as detailed in Note No 44, the transactions of subsidiaries and share in profit/losses of joint ventures and associates of the below mentioned entities are not incorporated in these consolidated financial statements. The list of such entities are as tabulated below:

S.No	Name of the Company	Nature of Holding	% of Holding
1	Ongole iron ore mining company pvt ltd	Subsidiary	51.00%
2	Andhra phosphate private limited	Subsidiary	50.00%
3	APMDC SCCL sullyani coal company ltd	Subsidiary	51.00%
4	Nuagon coal company ltd	Subsidiary	50.00%
5	Andhra Baryte Corporation Private Limited	Joint Venture	11.00%
6	Andhra Pradesh Iron Ore Company Ltd	Joint Venture	11.00%
7	Gimpex AP Barytes Beneficiation Private Limited	Joint Venture	11.00%
8	Trimex Barite Private Limited	Joint Venture	11.00%
9	V.V Minerals Private Limited	Joint Venture	12.36%

10	Alliance Andhra Pradesh Black Granites Pvt Ltd	Joint Venture	11.00%
11	Pallava Red Granite Private Limited	Joint Venture	11.00%
12	Aswani Mineral Development Private Ltd	Associate	26.00%
13	Arham Minerals Exports (P) Ltd	Associate	26.00%
14	Isra Minerals Exports (P) Ltd	Associate	26.00%
15	Margusree Granites (P) Ltd	Associate	26.00%
16	Ongole Minerals Exports (P) Ltd	Associate	26.00%
17	RLP Granites (P) Ltd	Associate	26.00%
18	SRAP Minerals Private Limited	Associate	26.00%
19	A.P.Coastal Sand & Metals Pvt Ltd	Associate	26.00%
20	Andhra Pradesh Tribal Mining (P) Ltd	Associate	26.00%

In the absence of information, we are unable to quantify the impact on the Group's financials. Further, in respect of all the above entities, the carrying value of the investment (net of impairment/ provision) in Holding Company's books is NIL.

Holding Company's Basis for qualified Opinion (As stated in the report of standalone financial statements):

- ii) The Holding company has passed entries for bifurcation as per AP Reorganisation Act, 2014 in the past years except with respect to share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the Holding Company has transferred certain amounts to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") account ledgers which are subject to acceptance and confirmation by TSMDC. The Holding Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced. Further, during the year Income Tax of the erstwhile entity was recovered from the Holding Company's Income Tax Refund but no entries were passed in the books, as the complete recovery details were not available. In the absence of information, we are not able to ascertain the impact of the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/ Cr
1	Demerger Adjustment	18	Other Financial liability(non-current)	46,87,42,953	Cr
2	Int. on FDR's, BGs & Sweep (SBI) to Telangana	18	Other Financial liability(non-current)	1,02,28,95,567	Cr
3	APMDC Telangana Region Advance (Cr)	18	Other Financial liability(non-current)	1,02,88,83,396	Cr
4	APMDC - TSMDC - Advances	9	Other Non-current Assets	21,59,63,767	Dr
5	Demerger Adj Acc of FD's & FD Kept for BG's	9	Other Non-current Assets	95,11,26,206	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	6,37,56,23,992	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	15,52,76,968	Dr

8	Fixed Deposits - BG - Without Lien	6	Other Financial Assets [Non-Current]	1,00,89,08,080	Dr
9	Sweep Account (SBI, Khairatabad)	6	Other Financial Assets [Non-Current]	7,35,65,991	Dr

17	Int. on Sweep account SBIkh	27	Other Income	43,50,127	Cr

iii) The Holding company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2019 by the Holding company could not be audited by us, as the Holding company has not provided the related legal litigation files for our clear understanding and verification.

iv) The following Ledger balances as on March 31, 2019 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2019 (in Rs.)
Adv.to EE Panch. Raj Dep(RIPT)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDO Rajampet (Rehabilitation)	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	51,52,37,861
Deposit With Sub Treasury (Rajampet)	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificates and confirmation from the respective parties/ statutory authorities, we are unable to ascertain whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the Consolidated financial statements.

v) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and

Equipment. Further, Property, Plant and Equipment have not been physically verified during the year. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the Consolidated financial statements.

vi) Inventories consists of Finished Goods amounting to Rs. 91,44,28,781 and Stores and Spares amounting to Rs. 69,17,837 as on 31<sup>st</sup> March 2019. However, physical verification of inventories could not be conducted during the year. Accordingly, their existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of Inventories also could not be ascertained. Further in respect of Stores and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of Inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the Consolidated Financial Statements could not be ascertained.

vii) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the Holding Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the Consolidated Financial Statements could not be ascertained.

viii) The Holding company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMO payable, Stale Cheques Payable, Non-Current Deposits, Penalty Suspense, Deposit for Stamp Duty Payable and Deposit for Court Fees payable amounting to Rs. 49.94 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with vendors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the Consolidated financial statements.

ix) The Holding Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs. 1.32 Crores (Credit), Deposit with Sales Tax Department of Rs. Rs. 5.90 Crores (Debit), Pre Deposit with Service Tax Department of Rs. 1.16 Crores (Debit), Service tax payable (Chimakurty) of Rs. 0.13 Crores (Credit), Interest Payable on Service tax of seignorage fee of Rs. 0.35 crores (Credit) and Service tax payable (Head Office) amounting to 5.25 Crores (Credit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the Consolidated financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.

x) The Holding Company has balances in Income Tax Assets amounting to Rs. 65.76 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Holding Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 on Income Tax and Deferred Tax has not been provided for in the books, due to which we are unable to ascertain the resultant impact on the Consolidated financial statements.

requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in the "Other Matters" paragraph herein below is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial statements.

#### **Material Uncertainty Related to Going Concern**

We draw attention to the following "Materiality Uncertainty Related to Going Concern" paragraph in Independent Auditor's Report dated 22<sup>nd</sup> August 2019 on the separate financial statements of Andhra Pradesh Granite (Midwest) Private Limited, a joint venture of the company for the financial year 2018-19

*"We draw attention to Note no. 38 of the Ind AS Financial statements which indicates that the company incurred a net loss of Rs. 14,19,26,952, during the year ended 31<sup>st</sup> March 2019 and as of that date, the company's current liabilities exceeded its current assets by Rs 10,83,36,166. These events or conditions, along with other matters as set forth in Note No. 38, indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern".*

The same has been referred to by the Group in Note No 56 to the consolidated financial statements.

Our opinion is not modified in respect of the above matter.

#### **Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, are not applicable to the Holding Company as it is an unlisted company.

#### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Consolidated financial statements and our auditor's report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair

view of the Consolidated financial position, Consolidated financial performance including Consolidated other comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the Group's financial reporting process.

#### **Auditors' Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiaries have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Other Matters

1. The Consolidated financial statements of the Holding Company for the year ended March 31, 2017 and March 31, 2018 respectively are not adopted by the members of the Holding company at the adjourned Annual General Meeting held on July 14, 2022 and 17<sup>th</sup> September, 2022 respectively due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2017 and March 31, 2018, the Board of Directors of the Holding Company in their meeting held on 21<sup>st</sup> October 2022 approved the Consolidated financial statements for the year ended March 31, 2019. Consequently, we have completed our audit for the year ended March 31, 2019 and March 31, 2018 considering the opening balances based on the Consolidated financial statements as approved by the Board and audited by us for the year ended March 31, 2018 and March 31, 2017 respectively. The reported amounts as on March 31, 2019 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2017 and March 31, 2018 and subsequent approval at the Annual General Meeting.
2. We did not audit the financial statements/financial information of one Joint Venture. The consolidated financial statements include the Group's share of Net Loss of Rs 150.11 lakhs for

the year ended 31<sup>st</sup> March 2019 in respect of the one joint venture. This financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint venture and our report in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements and our report on other legal and regulatory requirements below is not modified in respect of the above matters

**Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except for the matters as described in the Basis for qualified opinion paragraph.
- b) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph of our report, proper books of account as required by law have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph.
- e) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Holding Company is a Government Company.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India, provisions of Section 197 of the Act, are not applicable to the Holding company.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. In view of the related matters described in Basis for Qualified Opinion paragraph, we are unable to state whether the Group has disclosed the impact of pending litigations on its

financial position in its Consolidated financial statements- Refer Note 37 to the Consolidated financial statements.

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
2. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Holding Company as we considered appropriate and according to the information and explanations given to us, in the Annexure - B.

### **Annexure - A to the Independent Auditors' Report**

(Referred to in paragraph 2(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2019)

#### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Andhra Pradesh Mineral Development Corporation Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, as of March 31, 2019 in conjunction with our audit of the Consolidated financial statements of the Group for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the companies included in the Group are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Companies/Entities considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Because of the matter described in Basis for Qualified Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls over financial reporting of the Group.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the Holding Company has not established its internal control over financial reporting on criteria based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial controls over Financial reporting issued by the Institute of Chartered Accountants of India. As a result, we are unable to obtain sufficient and appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal control over financial reporting and whether such internal control was operating effectively as on 31<sup>st</sup> March, 2019

Based on the limited audit procedures performed by us during the course of our audit, the following material weaknesses have been identified in the operating effectiveness of the Holding Company's internal Financial control over financial reporting:

- a) The system of internal financial controls over financial reporting with regard to the Holding Company were not made available to enable us to determine if the Holding Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2019.
- b) The Holding company did not have effective internal audit system commensurate with the size, nature and complexities of the business.

- c) The Holding company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Holding Company did not have a system for periodical verification of inventory and Property, Plant and Equipment.
- e) The Holding company does not have system of timely posting of entries in the ERP software. Further, the Holding company does not have an integrated system which has led to accounting lapses such as Non-Reconciliation of Inter-Unit Transactions

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Group's annual financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the Consolidated financial statements of the Group as at March 31, 2019 and these material weaknesses has affected our opinion on the Consolidated financial statements of the Group and we have issued a Qualified opinion on the financial statements of the Group.

**ANNEXURE-B to the Independent Auditors' Report**

**Report on Directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013**

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The Holding Company has system in place to process all the accounting transactions through IT System i.e., Microsoft Dynamics. However, many areas have not been covered under the ERP such as Accounting of Inventory, Depreciation etc. which are manually maintained. Based on Manual Stores Consumption Reports, consolidated entries are posted in to the IT System periodically. However, there are no implications of processing of Inventory consumption accounting outside IT system on the integrity of accounts subject to matters specified in Basis for Qualified opinion paragraph.
2.	Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated.	According to the information and explanations give to us and based on our examination of the records of the Holding Company, there has been no restructuring/ waiver/write off of any existing loan taken by the Holding Company. As such there is no financial impact involved
3.	Whether funds received/receivable for specific schemes from central/ state agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	No such Funds have been received / receivable for specific schemes from central / state agencies.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.
2.	Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there

-	<p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	are no grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.
3.	Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)	There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.
4.	Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, The Company has accounted for Tax Deducted at Source on Applicable Expenditure appropriately.
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but not cleared/ returned unpaid as on the reporting date along with age-wise analysis;</p>	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there is no Public Deposit Account in the name of the Holding Company.

6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no funds which have been raised by the Holding company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the Inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has not physically verified the inventory and stores and spares in FY 2018-19. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the Holding company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, the Holding company has not received any amounts for projects/schemes.
11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have qualified our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Qualified Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2018-19 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the FY 2018-19.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The Holding company has submitted modified Mining Plan in respect of Mangampeta Mine and the same has been approved by Deputy Director of Mines and Geology, Kadapa during the year

14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2018-19 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2018-19.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the Holding company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Holding Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(p) of the Consolidated financial statements.

## Notes to the Consolidated Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd ("The Company") and its subsidiaries (collectively referred to as "The Group") are principally engaged in development of mineral resources and promotion of mineral based industries in India including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products.

### 2. Significant Accounting Policies

#### a. Statement of Compliance

These consolidated financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### b. Basis of consolidation

The Consolidated Financial Statements ("CF5") relate to Andhra Pradesh Mineral Development Corporation ("the Company") and its subsidiary companies (the Company and its subsidiaries collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

- I. The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-Group balances and intra-Group transactions resulting in unrealised profits or losses, in accordance with Indian Accounting Standard 110 - "Consolidated Financial Statements".
- II. In the case of investment in subsidiaries, where the Company's shareholding is less than 100%, Non-Controlling Interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company's shareholders.
- III. An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies.
- IV. A Joint arrangement is an arrangement of which two or more parties have joint control. Joint control is considered when there is contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Investments in joint arrangements are classified as either joint operations or joint venture. A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

V. Investment in associates/joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.

VI. The difference between the cost of investment in the subsidiaries, joint ventures, and associates and the Company's share of net assets at the time of acquisition of shares in the subsidiaries, joint ventures and associates is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

**c. Functional and presentation currency**

The Consolidated financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

**d. Use of Judgements, Estimates and Assumptions**

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

**Judgements**

In the process of applying the Group accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in consolidated financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind As that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is

- a. relevant to the economic decision-making needs of users and
- b. reliable in that financial statements
  - i. represent faithfully the financial position, financial performance and cash flows of the Group;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e. free from bias,
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Group operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geomining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc

### **e. Current and non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/non-current classification

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Group has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the Group has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Group and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

**iv. Interest income**

Interest income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

**g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except for certain assets where the useful life is determined by technical assessment/ Group's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Group as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Group at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, closing stock is recognised for quantity of 5,00,000 MTs from financial year 2013-14 onwards and the remaining stock is considered without value. Due to rise in demand in national and international markets for C+D+W grade of barytes, the sales of current financial year and also considering the current orders in hand as on balance sheet date closing stock is recognised for a quantity of 8,00,000 MTs from existing 5,00,000 MTs from financial year 2018-19 onwards and the remaining stock is considered without value.

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months.

after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Post-employment obligation**

The Group operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

#### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net of deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

#### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Group recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

#### **n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Group has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

#### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Group has only business segment (industry practice) i.e., extraction and processing of mineral which is the reportable segment.

**r. Leases**

Assets taken on lease by the Group in its capacity as lessee, where the Group has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Leases where the risks and rewards of ownership substantially vest with the lessor are classified as operating lease. Payments made under operating leases are charged to Statement of Profit and Loss on a straight-line basis over the period of the lease.

**s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Group does not have any dilutive securities in any of the years presented.

#### **w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Group takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly, and
- Level 3 inputs are unobservable inputs for the asset or liability.

#### **x. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Group becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

##### **Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

##### **i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

**iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Group may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency. Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

**iv. De-recognition of financial assets**

The Group de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

**i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

**ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

### iii. De-recognition of financial liabilities

The Group de-recognizes financial liabilities when and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

### y. Reserve for bad and doubtful debts

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

### z. Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

### aa. Exploration and Evaluation

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods, and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed. Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Group will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Group. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

### ab. Stripping cost

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

**ac. Restatement of earliest prior period financials on material error/omissions**

The value of error and omissions is construed to be material for restating the opening balance of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income/expense exceeds 1.00% of the previous year turnover of the company.

### 39. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

Expected credit loss for trade receivables under simplified approach is as under.

Particulars	2018-19	2017-18
<b>Ageing</b>	<b>&gt;12 Months</b>	<b>&gt;12 Months</b>
Gross carrying amount	57,659	58,564
Expected loss rate	100.00%	100.00%
Expected credit loss (loss allowance provision)	57,659	58,564
Carrying amount of trade receivables (net of impairment)	-	-

Particulars	2018-19	2017-18
<b>Ageing</b>	<b>&lt;12 Months</b>	<b>&lt;12 Months</b>
Gross carrying amount	14,15,504	14,23,386
Expected loss rate	0.00%	0.00%
Expected credit loss (loss allowance provision)	-	-
Carrying amount of trade receivables (net of impairment)	14,15,504	14,23,386

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### i. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Baryes	4,31,076	(4,31,076)	3,80,803	(3,80,803)

###### b. Packing material price risk

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Packing material	(993)	993	(1,112)	1,112

**c. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2018-19		2017-18	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense:				
Excavation & Transport Charges for run of mine	(19,395)	19,395	(10,691)	10,691
Excavation & Transport Charges for Overburden	(66,296)	66,296	(1,26,183)	1,26,183

**40. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2019**

Particulars	Contractual cash flows			
	Carrying value	Less than 1 year	1-2 years	More than 2 years
Trade payables	1,84,687	1,84,687	-	-
Other financial liabilities	35,50,642	7,68,971	27,81,670	-
<b>Total</b>	<b>37,35,329</b>	<b>9,53,658</b>	<b>27,81,670</b>	<b>-</b>

Discount Rates - Down by 1%	56,176	52,481	2.30%	2.60%
-----------------------------	--------	--------	-------	-------

#### ix. Risk exposure

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as company take on uncertain long term obligations to make future benefit payments.

#### x. Liability risks

##### a. Discount rate risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

##### b. Future salary escalation and inflation risk

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

#### 42. Earnings per share (EPS)

Particulars	As at 31-03-2019	As at 31-03-2018

**44. The following subsidiaries/associates/joint venture companies are not consolidated for the following reasons:**

Subsidiaries	
Name of the subsidiary	Reason
Ongole iron ore mining company private limited	The company has not commenced the operations due to agreement cancelled by the GOAP and suffers from significant impairment in its ability to transfer the funds to the investor
Andhra phosphate private limited	The company lease rights was expired and not renewed. Hence it is not carrying on any activity.
APMDC - SCCL Suliya coal company limited	The license has been cancelled by the honourable supreme court. Hence business has not been commenced.
Nuagon coal company limited	The license has been cancelled by the honourable supreme court. Hence business has not been commenced.
Associates	
Name of the associate	Reason
Aswani mineral development private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
Arham minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
Isra minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records

	available. Hence same has not been considered in consolidation.
Margasree granites private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
Ongole minerals exports private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
RLP granites private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.
SRAP minerals private limited	The company has not commenced the operations and became in operative.
AP coastal sand & metals private limited	The lease rights and MOU have been cancelled by the GOAP. Hence the company became in operative.
Andhra Pradesh tribal mining private limited	Due to continuous defaults the company has been strike of by the ROC and no financial records are available. Hence same has not been considered in consolidation.

Joint ventures	
Name of the joint venture	Reason
Andhra baryte corporation private limited	The company has not commenced the operations and non-operative.
Andhra Pradesh iron ore company limited	The company has not commenced the operations and non-operative.
Gimpex AP barytes beneficiation private limited	The company has not commenced the operations and non-operative.
Trimex barite private limited	The company has not commenced the operations and non-operative.
V.V minerals private limited	The joint venture agreement was expired in the financial year 2013 and same has not been renewed by the government. In absence of joint venture agreement as on the date of preparation of CFS, same has not been considered for consolidation.
Alliance Andhra Pradesh black granites private limited	The joint venture agreement was cancelled by the GOAP. Hence the company became in operative.
Pallava red granite private limited	The company's share of losses in joint venture has exceeded its interest in the joint venture. Hence, we have discontinued recognising its share of further losses. The company's interest in the joint venture is the carrying amount of the investment determined using the equity method together with any long term interests that, in substance, form part of the company's net investment in the joint venture.

**45. Deferred tax asset /(liability)**

<b>Total</b>	<b>1,37,23,125</b>	<b>80,03,326</b>	<b>57,19,798</b>

#### **Amounts held in current accounts, fixed deposits, sweep accounts**

Balances have been recognised to the extent of company share as per the demerger plan approved by the Government of Andhra Pradesh vide its G.O.Ms.No 19 dated 29.01.2019 consequent to bifurcation of the state of Andhra Pradesh with effect from 02-06-2014. Out of these balances an amount of Rs.70,97,058/- Thousands (Sweep accounts of Rs 70,715 /- and fixed deposits of Rs 70,26,343 /-) in various banks were frozen by all the banks as per instructions of the government of Telangana vide its letter dated 20-10-2014. However, company has been renewing the fixed deposits upon maturity and created fresh fixed deposits together with the interest earned there on.

#### **48. Loan to Andhra Pradesh State Fiber Net limited (APSFL)**

Corporation has received a Government Order (GO) from Energy, Infrastructure & Investment (Airports) Department vide G.O.Rf.No.161 dated 22-11-2016 to give an interest free loan of Rs.100.00 crores to AP State Fiber Net Limited (APSFL) which is repayable within 5 years towards the margin money for the proposed procurement of 10 Lakh sets of CPE boxes.

The board discussed the proposal in detail and accorded its approval to grant a inter corporate loan of Rs.100.00 crores to APSFL at an interest rate of 7.00% p a. In compliance with the Board decision matter has been communicated to the Secretary to Government (Mines, Industries & Commerce Department and also on 08-02-2017 duly requesting to take further action on the matter.

In responses to the above correspondence, a letter reference Lt No.Fin 21022/6/2017 -AS, II —Finance dated 28-03-2017 has been received and directed to remit the amount of Rs.100.00 crores transferable to the consolidated fund of the state and they have also confirmed that, this amount would be refunded in the next financial year and same has been refunded on 29-06-2022.

Further, a letter reference APSFL/APMDC Loan/226/2017 dated 04-07-2017 received from the CFO, APSFL requesting to sanction Rs.100.00 crores loan and also shared draft loan agreement to be entered. Accordingly, loan agreement between the corporation and APSFL has been executed and corporation has remitted the funds as per terms of the loan agreement entered.

Wherein the company has sanctioned an interest free loan to M/s Andhra Pradesh State Fiber Net limited amounting to Rs.100 crores and disbursed an amount of Rs.60 crore during the financial year 2017-18. However the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule has specified in the loan agreement dated 22<sup>nd</sup> July, 2017 has not been followed and no revised loan agreement was agreed upon with the party.

Out of the sanctioned amount of Rs.100.00 crores, an amount of Rs.60.00 crores has been released during the year and the balance amount of Rs.40 crores has been released in the subsequent year to be repayable in the period of 5 years as under:

(Rs.in.Crores)		
Sl.no	Year	Proposed repayment
1	2017-2018	Nil
2	2018-2019	20.00
3	2019-2020	25.00
4	2020-2021	25.00
5	2021-2022	30.00
<b>Total</b>		<b>100.00</b>

During the year, APSFL has not repaid the due instalment amount of Rs.20.00 crores as per terms of the agreement. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **49. Loan to Machilipatnam Urban Development Authority (MUDA)**

Company has received a Government Order (GO) M5.No 127 dated 31-10-2018 to give loan of Rs.200.00 crores to Machilipatnam Urban Development Authority at an interest of 7.00% per annum and same shall be repaid within 45 days. Accordingly, Board of Directors in its 396<sup>th</sup> meeting held on 01-11-2018 approved the loan amount with interest of 8% and necessary loan agreement has been executed.

The company disbursed the loan amount of Rs.200.00 crores on 1<sup>st</sup> November 2018. As per terms of the Loan agreement in case of failure to repay by MUDA along with interest on due dates, penal interest at a rate charged by national banks will be paid. The stipulated time of 45 days was completed on 15<sup>th</sup> December, 2018, but the repayment has not been made by the MUDA. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **50. Advance to Rayalaseema steel corporation limited**

During the year company has paid an amount of Rs.2.61 crores to Rayalaseema steel corporation limited (RSCL) to meet the essential expenses relating to day to day operations of the company on reimbursement basis pursuant to G.O MS No.131, 132 and 133 with the approval of the board of directors of the company. However, RSCL intimated that, Government of Andhra Pradesh has not infused any equity into the company and the company met the running expenses from the proceeds of loan sanctioned by the AMMDC. It further informed that company doesn't have any assets or shareholder funds to repay the loan to APMDCL and all transactions of the company were closed. In view of the uncertainty in realising the advanced amount, an amount of Rs.2.61 crores has been provided towards provision for doubtful advance.

## 51. Leasehold Lands

The company has been allotted following lands on lease hold basis and has rights of conducting mining operations as per the respective lease rights granted by the government authorities. Fair value of these mining rights has not been incorporated in the value of plant, property and equipment.

Sl.no	Project	Area in Hectors
1	Mangampet	443.67
2	Chimakurthy	33.60
3	Dwaraka Tirumala	13.29
4	Visakapatnam	46.31
5	Srikakulam	8.04

## 53. Non adoption of previous year financials at the general meeting by the Members

The financial statements of the company for the year ended 31<sup>st</sup> march, 2017 are considered but not adopted by the members of the company at the adjourned annual general meeting held on 14<sup>th</sup> July, 2022, due to non-completion of supplementary audit by the Comptroller of the Accounts.

and Audit General of India (C & AG). Pending completion of supplementary audit by the Comptroller and Audit General of India (C & AG), for the year ended 31<sup>st</sup> march, 2017, the board of directors of the company in their meeting held on 17<sup>th</sup> Sep, 2022 approved the financial statements for the ending 31<sup>st</sup> march, 2018. The reported amounts as on 31<sup>st</sup> march, 2018 may undergo change, based on the final comments of the Comptroller and Audit General of India (C & AG) for the year ended 31<sup>st</sup> march, 2017 and subsequent approval at annual general meeting. Necessary adjustments if any will be made in subsequent years.

#### **54. Revenue from contracts with customers**

The Company has implemented Indian Accounting Standard (Ind AS) 115, Revenue from Contracts with Customers w.e.f. 01st April, 2018 using the modified retrospective method of adoption. However, there is no financial implication due to implementation of the said Ind AS at present.

#### **55. Ind AS issued and not yet effective:**

##### **Ind AS 116 Leases :**

Ministry of Corporate Affairs has notified (The Companies (Indian Accounting Standards) Amendment Rules, 2019 dated March 30, 2019 which inter alia includes the new standard on Leases Ind AS 116 replacing the existing standard Ind AS 17, to be effective from the 1st April 2019. The impact of the same is yet to be assessed. The Company is proposing to use the Modified Retrospective Approach for transitioning to Ind AS 116.

#### **56. Andhra Pradesh Granite (Midwest) Private Limited**

The joint venture company operations were affected during previous year due to failure in renewal of approved quantity laid down in environmental clearance ('EC'). During the year the company incurred loss of Rs.1,41,927/- (thousands) and its current liabilities exceeded its current assets by Rs 1,08,336/- (thousands). The company stopped production in May, 2018 and the company made full and final settlement to employees in the month of Jun, 2018. The company is likely to be liable for penalties for excess production. However, the accounts of the company for the year ended 31<sup>st</sup> March, 2019 have been prepared on Going Concern basis. The joint venture company is confident of obtaining approvals from concerned authorities for enhanced production and is likely to resume operations shortly. The auditor of the Joint venture had drawn an emphasis of matter relating to "Material Uncertainty relating to Going Concern" in their Audit Report for the year in this regard.

#### **57. General**

- a. Some of the balances appearing under trade receivables, trade payables, advances, security deposits and other payables are subject to confirmations, subsequent reconciliations and consequential adjustment required if any.

- b. Amounts incurred towards power, fuel charges and excavation and transportation charges for run of mine and overburden have been reported separately in respective note no's 33 and 34 for better presentation purposes.
- c. Figures of the previous year have been regrouped/rearranged wherever considered necessary, so as to confirm to the classification of the current year
- d. All amounts have been reported in thousands unless otherwise stated/mentioned, except for the share data and earning per share (EPS).

## INDEPENDENT AUDITOR'S REPORT

To  
The Members of  
The Andhra Pradesh Mineral Development Corporation Limited

**Report on the Audit of the Standalone Financial Statements**

### **Disclaimer of Opinion**

We were engaged to audit the accompanying standalone Ind AS financial statements of The Andhra Pradesh Mineral Development Corporation Limited ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), the standalone Statement of Cash Flows and the standalone Statement of Changes in Equity for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

We do not express an opinion on accompanying standalone financial statements of the Company. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these standalone financial statements.

### **Basis for Disclaimer of Opinion**

- 1) The company has passed entries for bifurcation as per AP Reorganisation Act, 2014 in the past years except with respect to share capital based on recommendations of the Committee and as per GO issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the Company has transferred certain amounts to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") account ledgers which are subject to acceptance and confirmation by TSMDC. The Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced further. during the years after bifurcation, Income Tax of the erstwhile entity was recovered from the Company's Income Tax Refund but no entries were passed in the books, as the complete recovery details are not available. In the absence of information, we are not able to ascertain the impact of the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment	18	Other Financial liability(non-current)	53,66,24,751	Cr
2	Int. on FDR's, BFs & Sweep (SBI) to Telangana	18	Other Financial liability(non-current)	1,29,26,10,396	Cr

3	APMDC Telangana Region Advance (Cr)	18	Other Financial liability(non-current)	96,05,88,230	Cr
4	APMDC - TSMDC - Advances	9	Other Non-current Assets	21,77,16,901	Dr
5	Demerger Adj Alc of FD's & FD Kept for BG's	9	Other Non-current Assets	1,10,06,81,527	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	2,18,93,95,110	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	14,46,17,175	Dr

- i) The company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2020 by the company could not be audited by us, as the company has not provided the related legal litigation files for our clear understanding and verification.
- ii) The following Ledger balances as on March 31, 2020 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2020 (In Rs.)
Adv.to EE Panch.Raj Dep (RJPT)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDO Rajampet (Rehabilitation)	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	1,15,76,37,861
Deposit With Sub Treasury - (Rajampet)	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificates and confirmation from the respective parties/ statutory authorities, we are unable to ascertain whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the standalone financial statements of the Company.

- iv) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Property, Plant and Equipment have not been physically verified during the year. Further, in respect of additions to Property, Plant and Equipment during the year, no supportings are available for verifying the date put to use. In the absence of the same, in many of the cases the date of invoice has been assumed as date put to use except in the cases where other evidences such as statutory approval certificates were available for determining the date put to use. Further, in respect of Purchase of CCTV Monitoring Systems from M/s Apple Vision, the Invoice Copies could not be matched with Purchase Orders. The DSO certificates evidencing installation also could not be produced. The date of capitalization has been taken as 1<sup>st</sup> February 2020 for which no supporting has been provided. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the standalone financial statements. Further, we are also not able to comment upon the effect on current year depreciation and consequent impact on the carrying value of Property, Plant and Equipment due to assuming date put to use as specified above.
- v) Inventories consists of Finished Goods amounting to Rs. 77,34,84,215 and Stores and Spares amounting to Rs. 1,31,36,227 as on 31<sup>st</sup> March 2020. However, physical verification of inventories could not be conducted during the year. Accordingly, their existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of inventories also could not be ascertained. Further in respect of Stores and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the standalone Financial Statements could not be ascertained.
- vi) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the standalone Financial Statements could not be ascertained.
- vii) The company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable, Stale Cheques Payable, Exp of Entep. Social Resp. Payable, Non-Current Deposits, Penalty Suspense, Deposit for Stamp Duty Payable and Deposit for Court Fees payable amounting to Rs. 47.53 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with vendors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.

- viii) The Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs.1.32 Crores (Credit) and Deposit with Sales Tax Department of Rs. Rs. 5.90 Crores (Debit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the standalone financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.
- ix) The Company has balances in Income Tax Assets amounting to Rs. 65.76 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 on Income Tax and Deferred Tax has not been provided for in the books, due to which we are unable to ascertain the resultant impact on the standalone financial statements.
- x) The company has Trade Receivables balance amounting to Rs. 186.76 Crores and advance from customers amounting to Rs. 8.91 crores. Balance confirmations from Parties under Trade Receivables amounting to Rs. 186.76 Crores and Advance from Customers amounting to Rs. 8.91 crores have not been obtained. Considering non-confirmation and non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.
- xi) We were informed that the balance in the following ledgers are pending final settlement on account of pending court proceedings. -

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M Ramakrishna Reddy	90,82,476	Dr
2	Sri B.Kumaraswamy Reddy	51,55,150	Cr
3	M/s V.L.C.-S.C.K.C.-JV	5,42,81,279	Dr
4	Sri R V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further, the balance in the respective ledgers are subject to confirmation and reconciliation on account of the disputes between the parties and the company. Considering non-reconciliation and non-confirmation and taking into further consideration, various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.

- xii) The Company has released an interest free unsecured loan of Rs. 100 Crores during Financial Year 2017-18 and 2018-19 to M/s Andhra Pradesh State FiberNet Limited ("APSFL"). The loan is repayable in 4 yearly installments starting from Financial Year 2018-19 and ending in Financial Year 2021-22. M/s APSFL has not repaid the installments due in Financial Year 2018-19 and Financial Year 2019-20 as per terms of the agreement. Further installments have also not been repaid till date. Further, the latest financials of APSFL are not available. In the absence of availability of audited financial statements from Financial Year 2017-18 and other supportive audit evidence substantiating the credit worthiness/Repayment capability of APSFL, we are unable to comment upon its impairment/recoverability and consequential impact on the Standalone Financial statements. Further, the difference between fair value of the instrument and transaction price on

initial recognition of the instrument has not been recognised in the books as the loan agreement was not clear on purpose of issuance of interest free unsecured loan.

- xiii) The Company has released unsecured loan of Rs. 200 Crores to M/s Machilipatnam Urban Development Authority("MUDA") on 01/11/2018 bearing interest at 8% per annum and repayable in 45 days. Though the due date for repayment is 15<sup>th</sup> December 2018, the said loan has not been repaid as on date also. In the absence of any financial information/supportive audit evidence substantiating the credit worthiness/Repayment capability of MUDA, we are unable to comment upon its impairment/recoverability and consequential impact on the Standalone Financial statements.
- xiv) The company has accounted for interest on credit sales amounting to Rs. 3.07 crores and Penalty Receipts from buyers amounting to Rs. 0.83 crores for the financial year 2019-20. The basis along with the calculation for accounting interest on credit sales and Penalty Receipts from buyers has not been provided. The contractual copies which contain the terms and conditions for levying interest and penalty have not been provided. Further, the Accrual entry for the unbilled interest income as on 31<sup>st</sup> March 2020 has not been recognised which is not in line with the accounting policy followed by the company. Considering the non-availability of the records we are not able to ascertain and comment on the correctness of the Income recognised under the head Interest on credit sales and penalty receipts from buyers and the outstanding balance under the head Interest accrued on credit sales as on 31<sup>st</sup> March 2020. Accordingly, the resultant impact on the standalone financial statements could not be ascertained.
- xv) Balance in Suspense Account amounting to Rs. 37,12,449 has been classified under Other Current Liabilities as the details pertaining to the transactions in the account are not available. Accordingly, the resultant impact on the standalone financial statements could not be ascertained.
- xvi) Sand Inventory records pertaining to Sand Operations were not provided to us for verification due to which inventory records could not be matched with inventory handled as per the financial statements. The data from the software which was used for running Sand Portal has not been provided to us for our verification. The reports from the software were used for tracking the entire operations of sand and is the source for details pertaining to sale amounts received from Department of Mines and Geology, Sand Stock available at each site, Sand Stock in Transit and payments made to Sand Project Contractors using Sand Portal Data. In the absence of the data from the software,
  - a) Sales pertaining to Agency Services and Transportation Services provided to Director of Mines and Geology entered in the books could not be verified with the Software data. The Sale vouchers and supporting documents have not been made available to us for our verification. The details pertaining to reach, stock yard, stock depot and party on which The Company earned Income such as Agency Service and Transportation Service have not been provided. As per the explanations provided to us, the consideration for each service (i.e Agency Service, Internal Transportation Service and Door Delivery Transportation Service) to Director Mines and Geology has been orally agreed upon and there is no written communication to authenticate the same. Further, the details of amounts received from Director of Mines and Geology are not available and no reconciliation has been provided for the sale and receipt entries in Director of Mines and Geology Trade Receivable Ledger. Considering the non-availability of records for our verification, we are not able to ascertain the impact and correctness of the Income pertaining to Agency Services, Transportation Services recognised in Sand Operations and Balance in Trade Receivable ledger of Director of Mines and Geology.

- b) Excavation Charges (includes Loading, Heaping, Ramp Maintenance and Pattadar Beneficiary Charges) were paid to Sand Contractors at rates agreed upon by the Company and the Contractor by way of agreement. The Quantity excavated is derived from the District Sand Officer (hereinafter referred to as "DSO") certification enclosed to the invoice. However, in many cases the DSO certificates are not available on record and even in cases where the DSO certificates are available the same could not be authenticated as there was no documentation of the specimen signature of the certifying authority. In a case where the certificate from DSO is not available, the expenditure was recognised based on the Invoice submitted by the Contractor and payment was partially processed subject to receipt of certification. As per the financial statements for Financial Year 2019-20, Agency Income on account of Sand Excavation, Charges and billed to Director Mines and Geology upto 31<sup>st</sup> March 2020 has been accounted for 83,07,052 MTs whereas the Total Sand Excavation Charges billed by the Contractor to the Company upto 31<sup>st</sup> March 2020 has been accounted for 76,63,936 MTs. The reason for variation between Quantity booked in Income and Quantity booked in Expenditure could not be explained by the Management. Considering the non-availability of records as detailed above for our verification and no proper explanation from the Management, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Sand Excavation Charges recognised in Sand Operations.
- c) Internal Transportation Charges (i.e. Sand Transport from pattalands/ desiltation points/ stockyards to sand depots/ other stockyards) payable to Transporter are calculated at Rs. 4.9 per Ton per kilometre (inclusive of GST) as given in Government Orders from time to time and as per the individual Agreements entered by the Company with the Transporters. The transportation charges payable has to be derived based on the Kilometres as certified by the Director of Mines and Geology (hereinafter referred to as "DMG")/DSO through GPS based vehicle tracking devices. However, the Kilometres certification from DMG/DSO is not available in majority of the cases. In cases where the certification is not available, Kilometres as agreed upon by APMDC and the contractor were taken as the basis for passing the entries for transportation charges. It has been informed to us that Internal Transport Charges receivable from Director of Mines and Geology are also at the same kilometres and rate per kilometre but however, no supporting has been provided to support the claim. As per the financial statements for Financial Year 2019-20, Internal Transportation Income has been accounted for Rs. 78,68,83,041 whereas Internal Transportation Expense has been accounted for Rs. 107,95,37,457. The reason for difference between Income and Expenditure in an Internal Transportation Transaction where rates for both are same could not be explained by the Management. Considering the non-availability of records for our verification as specified above, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Internal Transportation Services recognised in Sand Operations.
- d) Sand Door Delivery Charges were paid to Transporters based on the report generated from the software. The payment entry was directly debited to expenditure head "Sand Transportation Door Delivery". The vouchers and supporting documents such as invoices and trip sheets have not been made available to us for verification. The only evidence available is the bank statement but the details of the payee are not reflecting in the bank statement. The details of Vendors such as Name and PAN have also not been provided to us for verification. TDS was deducted on Door Delivery Payments but there is no evidence such as TDS certificates to prove whether TDS deducted has been remitted and filed with the Income Tax Department. Door Delivery Transportation Charges payable to

Transporter are calculated as per the base rates for Door Delivery as given in Government Orders. It has been informed to us that Door Delivery Transport Charges receivable from Director of Mines and Geology are also at the same rates but however, no supporting has been provided to support the claim. As per the financial statements for Financial Year 2019-20, Sand Transportation Door Delivery Income has been accounted for Rs. 85,35,79,638 whereas Sand Transportation Door Delivery Expense has been accounted for Rs. 77,52,27,226. The reason for difference between Income and Expenditure in a Door Delivery Transaction where rates for both are same could not be explained by the Management. Considering the non-availability of records for our verification, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Door Delivery Transportation Services recognised in Sand Operations.

e) Sand Boatsmen Excavation charges were paid to Boatsmen Societies based on the excavation reports certified by the District Collector/DSO/Online Portal Data. However, in many of the cases, Proper supportings are not available for verification, the details of which are as follows:

- 1) Excavation of sand by Boatsmen Societies in East Godavari and West Godavari districts was initially booked at Rs.211 per MT. Later on, the prices varied from Rs.177 per MT to Rs.233 per MT, depending on the reach where the sand was excavated in respect of West Godavari District. However, the approval/supporting/contract/LOA (as applicable) for the above-mentioned excavation rates have not been provided for our verification. Due to non-availability of the records, we are not able to ascertain whether the excavation rate is inclusive of GST or exclusive of GST.
- 2) Sand Excavation Invoices by the Boatsmen Societies are not available on record. All the payments were made either based on District Collector/ DSO certification/ Online Portal Data. The KYC details of the Society such as PAN, Proof of Identity, GSTIN.etc. are also not available. The details of the payee are also not reflecting in the bank statement. Bank payment vouchers and relevant supportings could not be provided.
- 3) TDS was deducted on Excavation Charges paid to Boatsmen Societies but there is no evidence such as TDS certificates of the Deductees to prove whether TDS deducted has been remitted and filed with the Income Tax Department. Further TDS GST has not been deducted on any of the payments made to Boatsmen Societies.
- 4) As per page 1 of note for approval pertaining to boatsmen society payments of the West Godavari district, 355323 MTs were dispatched from 1-10-2019 to 21-11-2019 based on a letter dated 18-11-2019 from the District Collector, West Godavari. The above quantity amounts to boatsmen excavation charges of Rs.7,49,73,153. Of the above amount Rs.5,42,34,000 was directly credited to Collectors account by Department of Mines and Geology and has been accordingly adjusted to boatsmen charges payable West Godavari. The payments for the above period were handled directly by the District Collector. The Company has not deducted statutory deductions such as TDS, TDS GST.etc. on the above payment. However, the records pertaining to the above claim including the letter received from district collector, the evidences pertaining to payments made by District Collector to Boatsmen on behalf of the company have not been provided for our verification.
- 5) The Excavation Charges payments to Boatsmen Society in respect of the months from September 2019 to January 2020 were partly looked after by the respective District Collector. The details of such payments, the expenditure to be booked in the company books for the period looked after by District Collector and the statutory deductions on such payments such as TDS, GST TDS are not available on record.

- 6) The DSO/District Collector confirmations in respect of 745746 MT's amounting to Rs.16,16,66,674 of Sand excavated by Sand Boatsmen Societies are not available on record.
- 7) As per the financial statements for Financial Year 2019-20, Agency Income on account of Excavation by Sand Boatsman has been accounted for 18,95,192 MTs whereas Sand Boatsmen Excavation Charges Expenses has been accounted for 14,24,707 MTs. The reason for variation between Quantity booked in Income and Quantity booked in Expenditure could not be explained by the Management.

Considering the non-availability of records as detailed above for our verification, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Sand Boatsman Excavation Charges recognised in Sand Operations.

- f) Due to the above reasons, the reconciliation of Balances of TDS payable, TDS payable under GST and GST Ledgers with the respective statutory records is pending. Considering non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the standalone financial statements.
- g) The Management has not conducted physical verification of the stock lying at Sand Reach, Stock Yards and Stock Depots. The Company has not recognised any Unbilled Revenue on Agency Services and Transportation Services provided to Director of Mines and Geology but not billed in Financial Year 2019-20. In the absence of the sufficient audit evidence, we are unable to satisfy ourselves by alternative means as to the amount of Unbilled Revenue to Department of Mines and Geology not recognised in books as on 31<sup>st</sup> March 2020.

#### **Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, are not applicable to the Company as it is an unlisted company.

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Standalone Financial Statements**

Our responsibility is to conduct an audit of the standalone financial statements in accordance with Standards of Auditing and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these standalone financial statements.

We are independent of the Company in accordance with the Code of Ethics and provisions of the Act that are relevant to our audit of the standalone financial statements in India under the Act, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Act.

### **Other Matters**

The financial statements of the Company for the year ended March 31, 2018 and March 31, 2019 respectively are not adopted by the members of the company at the adjourned Annual General Meeting held on 17<sup>th</sup> September, 2022 and 16<sup>th</sup> November 2022 respectively due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2018 and March 31, 2019, the Board of Directors of the Company in their meeting held on 22<sup>nd</sup> August 2023 approved the financial statements for the year ended March 31, 2020. Consequently, we have conducted our audit for the year ended March 31, 2020 /and March 31, 2019 considering the opening balances based on the financial statements as approved by the Board and audited by us for the year ended March 31, 2019 and March 31, 2018 respectively. The reported amounts as on March 31, 2020 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2018 and March 31, 2019 and subsequent approval at the Annual General Meetings.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a) As described in the Basis for Disclaimer of Opinion paragraph, we sought but were unable to obtain all the information and explanation which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph of our report, we are unable to state whether proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone Statement of Cash Flows and the standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - d) Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph of our report, we are unable to state whether the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.
  - e) The matter described in the Basis for Disclaimer of Opinion section may have an adverse affect on the functioning of the Company.
  - f) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Company is a Government Company.
  - g) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Disclaimer of Opinion paragraph above.
  - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
  - i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India, provisions of Section 197 of the Act, are not applicable to the company.
  - j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph, we are unable to state whether the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements- Refer Note 36 to the Standalone financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
3. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, in the Annexure- C.

### **Annexure - A to the Independent Auditors' Report**

(Referred to in paragraph 1 under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of The Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2020)

With reference to Annexure – A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended March 31, 2020, we report the following:

- (i) In respect of Company's fixed assets
  - a) In our opinion, the Company has not maintained proper records showing full particulars such as location, asset identification number, state of the asset, quantity, etc.
  - b) In the absence of any documents being made available to substantiate the conduct of physical verification and no policy/ laid down procedure on the same, we are unable to comment on the process of physical verification of fixed assets by the company.
  - c) In respect of immovable properties, title deeds/possession certificates are not available in respect of 1.61 Acres at Mangampeta (Carrying Amount: Rs. 23,43,985) and 2.07 Acres at Dwarakatirumala (Carrying Amount: Rs. 1,877). Further, in respect of the other lands, only Possession Certificates issued by concerned authorities are available on record.
- (ii) Physical verification of Inventory has not been conducted by the Management during the year. Further there are no laid down procedures for physical verification of inventory at reasonable intervals and accordingly, we are unable to comment upon the same.
- (iii) According to the information and explanations given to us, the Company has not maintained register as prescribed under Section 189 of Companies Act, 2013. Accordingly, we are unable to report on the reporting requirements as specified in Clause (iii) of the Paragraph 3 of the Order.
- (iv) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 185 and 186 of the Companies Act, 2013 are not applicable as the Company is a Government Company and has obtained necessary approval from the Ministry/ State Government. Hence reporting under Clause (iv) of Paragraph 3 of the Order is not applicable.
- (v) The company has received amounts towards supply of material but have not been adjusted within a period of three hundred and sixty days. Accordingly, these amounts are deemed deposits. The register of deposits as required to be maintained has not been provided for our verification. The entire outstanding is overdue and there is a default on repayment of deposit. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act for the company in our opinion. However, no cost records have been provided for our verification due to which we are unable to comment on whether the same have been made and maintained.

- (vii) (a) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Disclaimer of Opinion paragraph, the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Goods and Service Tax, Duty of Customs, Cess and other material statutory dues as applicable with appropriate authorities except for dues towards tax deducted at source under Income Tax Act, tax deducted at source under GST which are as tabulated below. Further, few statutory dues such as District Mineral Foundation, Merit and Cess could not be paid on account of non-availability of payment portal.

S.No	Name of Statute	Nature of Dues	Period to which amount relates	Amount in Rupees
1	Income Tax Act	Tax deducted at Source	2019-20	8,32,824
2	Central Goods and Services Tax, Act	Tax deducted at Source	2019-20	1,29,10,730
3	Income Tax Act	Tax deducted at Source	2018-19	5,01,375
4	Mines and Minerals (Development Regulation Act)	District mineral foundation	2016-17 to 2019-20	13,71,60,972
5	Mines and Minerals (Development Regulation Act)	Merit	2016-17 to 2019-20	90,66,196
6	Mines and Minerals (Development Regulation Act)	Cess	2016-17 to 2019-20	10,57,30,693
7	Mines and Minerals (Development Regulation Act)	Royalty from Sub leaseholders	2018-19 to 2019-20	10,65,002

- (b) According to the information and explanations given to us and on the basis of examination of the records of the Company subject to the matters described in Basis for Disclaimer of Opinion paragraph, the following Statutory dues have not been deposited by the company on account of disputes:

S.No	Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which amount relates	Amount in Rupees
1	Income Tax Act		ITAT	2011-12(A.Y)	5,49,46,047
2	Income Tax Act		ITAT	2012-13	1,10,70,279
3	Income Tax Act		ITAT		27,31,630
4	Income Tax Act		CIT Appeals	2016-17(A.Y)	36,55,65,643

5	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale-Penalty	Tribunal	1998-99 1999-00 2000-01	2,87,647 3,36,253 5,08,155
6	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale-Penalty	Tribunal	2007-08	3,97,913
7	VAT/Sales Tax	Tax on Explosive-2 <sup>nd</sup> Sale and consideration Penalty Interest	Tribunal	2008-09 2008-09 2008-09	1,00,47,014 33,49,005 6,02,821
8	VAT/Sales Tax	Consideration Penalty	Tribunal	2009-12 2009-12	2,32,95,681 83,61,030

The aforesaid details are provided solely based on the details made available by the company which could not be independently verified for want of information and records except for AY 2016-17.

- (viii) The Company has no loans or borrowings from financial institutions, bank and Government. The Company has not issued any debentures during the year.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Hence reporting under clause (ix) of paragraph 3 of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) As per Notification GSR 463 (E) dated 3<sup>rd</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 197 of the Companies Act, 2013 are not applicable as the Company is a Government Company. Hence reporting under Clause (xi) of Paragraph 3 of the Order is not applicable.
- (xii) The Company is not a Nidhi company. Accordingly, Clause (xii) of Paragraph 3 of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, Clause (xiv) of Paragraph 3 of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non cash transactions with directors or persons connected with them. Accordingly, Clause (xv) of Paragraph 3 of the Order is not applicable.

- (xvi) The nature of the business and activities of the Company are such that the Company is not required to obtain registration under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, Clause (xvi) of Paragraph 3 of the Order is not applicable.

## **Annexure – B to the Independent Auditors' Report**

(Referred to in paragraph 2(h) under 'Reports or Other Legal and Regulatory Requirements' section of our report of even date to the members of The Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2020)

**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We were engaged to audit the internal financial controls over financial reporting of The Andhra Pradesh Mineral Development Corporation Limited ('the Company') as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') and Standard on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Because of the matter described in the Disclaimer of Opinion section below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system with reference to the standalone financial statements of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Basis for Disclaimer of Opinion**

According to the information and explanations given to us, the Company has not established its internal control over financial reporting on criteria based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial controls over Financial reporting issued by the Institute of Chartered Accountants of India. As a result, we are unable to obtain sufficient and appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal control over financial reporting and whether such internal control was operating effectively as on 31<sup>st</sup> March, 2020

The following material weaknesses/ limitations have been identified in the operating effectiveness of the Company's internal Financial control over financial reporting:

- a) The system of internal financial controls over financial reporting with regard to the Company were not made available to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2020.
- b) The company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Company did not have a system for periodical verification of inventory and Property, Plant and Equipment.
- e) The company does not have system of timely posting of entries in the ERP software. Further, the company does not have an integrated system which has led to accounting lapses such as Non-Reconciliation of Inter-Unit Transactions.
- f) In respect of sand operations,
  - i. The company does not have proper documents evidencing "dispatch/ sale quantities of sand" and has no standard operating procedures in place for confirmation of quantities.
  - ii. Periodic Reconciliation of Bank Balances have not been done.

iii. Non reconciliation of book balances of statutory ledgers with statutory records on account of filing the statutory returns based on provisional figures.

iv. Non maintenance of registers/records such as cheque book register, fixed asset register, RG registers, EMD/PSD register, register of contractors and register of tender schedules sold.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer Opinion paragraph above and based on the information and explanation given to us, the Company has not adequately established its internal financial control over financial reporting on criteria based on or considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

We have considered the disclaimer reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company as at March 31, 2020 and the disclaimer has affected our opinion on the standalone financial statements of the Company and we have issued a Disclaimer of opinion on the standalone financial statements of the Company.

**ANNEXURE-C to the Independent Auditors' Report**

**Report on Directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013**

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The Company has system in place to process all the accounting transactions through IT System i.e., Microsoft Dynamics. However, many areas have not been covered under the ERP such as Accounting of Inventory, Depreciation etc. which are manually maintained. Based on Manual Stores Consumption Reports, consolidated entries are posted in to the IT System periodically. However, there are no implications of processing of Inventory consumption accounting outside IT system on the integrity of accounts subject to matters specified in Basis for Disclaimer opinion paragraph
2.	Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes the financial impact may be stated.	According to the information and explanations give to us and based on our examination of the records of the Company, there has been no restructuring/ waiver/write off of any existing loan taken by the Company. As such there is no financial impact involved.
3.	Whether funds received/receivable for specific schemes from central/ state agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	No such Funds have been received / receivable for specific schemes from central / state agencies
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work-in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impalreo, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.

2.	<p>Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,</p> <p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.</p>
3.	<p>Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)</p>	<p>There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.</p>
4.	<p>Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, The Company has accounted Taxes on Expenditure appropriately, wherever applicable.</p>
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no Public Deposit Account in the name of the Company.</p>

	not cleared/ returned unpaid as on the reporting date along with age-wise analysis;	
6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no funds which have been raised by the company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has not physically verified the inventory and stores and spares in FY 2019-20. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the company during the year.
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported.	According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not received any amounts for projects/schemes.
11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have disclaimed our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Disclaimer of Opinion paragraph, we are unable to comment upon the same.
12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2019-20 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2019-20

13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The company has submitted modified Mining Plan in respect of Mangampeta Mine in FY 2018-19 and the same has been approved by Deputy Director of Mines and Geology, Kadapa.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2019-20 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2019-20.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(p) of the Standalone financial statements.

## Notes forming part of the Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd., was incorporated on 24th Feb., 1961 as a wholly owned undertaking of the Government of Andhra Pradesh for the development of mineral resources and promotion of mineral-based industries in Andhra Pradesh including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products. The administrative office of the company is situated at 294/1D, 100 ft road, Kanuru Village, Penamaluru Mandal, Vijayawada, Andhra Pradesh- 521137

### 2. Significant Accounting Policies

#### a. Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and 2017 as amended and relevant provisions of the Companies Act, 2013.

#### b. Basis of preparation

The standalone financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### c. Functional and presentation currency

The standalone financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

#### d. Use of Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind AS that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- a. relevant to the economic decision-making needs of users and
- b. reliable in that financial statements:
  - i. represent faithfully the financial position, financial performance and cash flows of the Company;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e., free from bias;
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Company operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geo mining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc.

### **e. Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the company has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

#### **iv. Interest Income**

Interest Income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### **g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 on written down value basis. except for certain assets where the useful life is determined by technical assessment/ Company's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term. Fixed assets costing five thousand or less are fully depreciated in the year of purchase.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account.

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Company as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Company at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, closing stock is recognised for quantity of 8,00,000 MTs from financial year 2018-19 onwards and the remaining stock is considered without value (Refer note no. 53).

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method.

The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Post-employment obligation**

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

##### **Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

##### **Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Company recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

**n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred. As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Company has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

**Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note no. 42 for segment information presented.

#### **r. Leases**

The company has adopted Ind AS 116-Leases effective from 1<sup>st</sup> April 2019, using modified retrospective method. The company has applied the standard to its lease with the cumulative impact recognised on the date of initial application (1<sup>st</sup> April, 2019). Accordingly, previous period information has not been restated.

The company lease assets consist of lease for Buildings. The company assesses whether a contract is or contain a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assess whether:

- The contract involves the use of identified asset.
- The company has substantially all of the economic benefits from use of the asset through the period of lease and
- The company has right to direct the use of the asset.

At the date of commencement of the lease, the company recognised a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term lease) and leases of low value assets up to one lakh per month.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on straight line basis over the shorter of the lease term and useful life of the asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as change in lease term or change in an index or rate used to determine lease payments. The remeasurement normally also adjust the leased assets.

**s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

**Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

**iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

**iv. De-recognition of financial assets**

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

**i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

## **ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

## **iii. De-recognition of financial liabilities**

The Company de-recognizes financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

## **y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables.

## **z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

## **aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;
- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed.

Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Company will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Company. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

## **ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

**ac. Restatement of earliest prior period financials on material error/omissions**

The value of error and omissions is construed to be material for restating the opening balance of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income/expense exceeds 1.00% of the previous year turnover of the company.

**The Andhra Pradesh Mineral Development Corporation Limited**

#### Nature and purposes of reserves

##### General Reserve

General reserve is created by the company by appropriating the balance of Retained earnings. It is a free reserve which can be used for meeting future contingencies, creating working capital for business expansion, strengthening the financial position of the company.

##### Reserve for bad and doubtful debts

Reserve for bad and doubtful debts is created by appropriating the balance of retained earnings. It is a free reserve which can be used to meet the contingencies related to debts.

##### Retained earnings

Retained earnings are the profits that the company has earned in a year, less any transfers to general reserve, reserve for bad and doubtful debts, dividends or other distributions paid to shareholders.

### 38. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables is monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined / modified.

Expected credit loss for trade receivables under simplified approach is as under:

Particulars	2019-20	2018-19
Ageing	>12 Months	>12 Months
Gross carrying amount	3,77,960	57,659
Expected loss rate	100.00%	100.00%
Expected credit loss (loss allowance provision)	3,77,960	57,659
Carrying amount of trade receivables (net of impairment)	-	-

Particulars	2019-20	2018-19
Ageing	<12 Months	<12 Months
Gross carrying amount	14,89,634	14,15,504
Expected loss rate	0.00%	0.00%
Expected credit loss (loss allowance provision)	-	-
Carrying amount of trade receivables (net of impairment)	14,89,634	14,15,504

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### 1. Commercial risk

##### a. Sale price risk

Particulars	Impact on profit	
	2019-20	2018-19
Selling price increase by 5%		
Barytes	5,08,883	4,31,076
Agency services	1,55,962	-
Selling price decrease by 5%		
Barytes	(5,08,883)	(4,31,076)
Agency services	(1,55,962)	-

**b. Packing material price risk**

Particulars	Impact on profit			
	2019-20		2018-19	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name.				
Packing material	(410)	410	(993)	993

**c. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2019-20		2018-19	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense:				
Excavation & Transport Charges for run of mine	(16,748)	16,748	(19,395)	19,395
Excavation & Transport Charges for Overburden	(1,13,909)	1,13,909	(66,296)	66,296

**39. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

**As at 31st March 2020**

Particulars	Contractual cash flows			
	Carrying amount	Total	Less than 12 months	More than 12 months
<b>Non-derivative financial liabilities:</b>				
Trade payables	8,64,306	8,64,306	8,64,306	-
Non-current financial liabilities	30,73,179	30,73,179	-	30,73,179
Current financial liabilities	8,24,948	8,24,948	8,24,948	-
<b>Total</b>	<b>47,62,433</b>	<b>47,62,433</b>	<b>16,89,254</b>	<b>30,73,179</b>

Leave encashment rate	-	-	10.00%	10.00%
Leave availment rate	-	-	2.00%	2.00%

vi. Maturity Profile of Defined Benefit Obligations:

Particulars	Gratuity		Leave Encashment	
	As at 31-03-2020	As at 31-03-2019	As at 31-03-2020	As at 31-03-2019
Expected Cash flow in year 1	22,239	30,539	22,842	26,299
Expected Cash flow in year 2	6,477	3,074	8,451	6,373
Expected Cash flow in year 3	5,995	6,190	6,726	7,166
Expected Cash flow in year 4	6,801	5,732	5,548	5,630
Expected Cash flow in year 5	2,474	5,570	3,706	5,435
Expected Cash flow in year 6	4,062	3,207	3,546	3,109
Expected Cash Flow in year 7	4,467	3,895	3,611	2,972
Expected Cash flow in year 8	1,461	4,170	1,646	3,031
Expected Cash flow in year 9	7,323	1,362	2,922	1,341
Expected Cash flow in year 10	2,761	6,890	1,400	2,425

**vii. Significant estimates: Sensitivity analysis**

Discount rate, salary escalation rate and withdrawal rate are significant actuarial assumptions. The change in Present value of defined benefit obligation for a change of 100 basis points from the assumed assumption is given below:

**Effect on Gratuity valuation**

Particulars	Defined benefit obligation (Rs.in. '000')		(% of change)	
	As at	As at	As at	As at
	31-03-2020	31-03-2019	31-03-2020	31-03-2019
Under Base Scenario	59,039	63,703	0.00%	0.00%
Salary Escalation - Up by 1%	61,802	66,358	4.70%	4.20%
Salary Escalation - Down by 1%	56,512	61,259	-4.30%	-3.90%
Withdrawal Rates - Up by 1%	59,362	64,133	0.50%	0.70%
Withdrawal Rates - Down by 1%	58,682	63,231	-0.60%	-0.80%
Discount Rates - Up by 1%	56,933	61,740	-3.60%	-3.10%
Discount Rates - Down by 1%	61,386	65,880	4.00%	3.50%

**viii. Effect on Leave Encashment valuation**

Particulars	Defined benefit obligation (Rs.in. '000')		(% of change)	
	As at	As at	As at	As at
	31-03-2020	31-03-2019	31-03-2020	31-03-2019
Under Base Scenario	54,194	54,884	0.00%	0.00%
Salary Escalation - Up by 1%	55,596	56,627	3.30%	3.10%
Salary Escalation - Down by 1%	52,485	53,231	-3.70%	-3.00%
Withdrawal Rates - Up by 1%	54,317	55,050	0.20%	0.30%
Withdrawal Rates - Down by 1%	54,064	54,707	-0.20%	-0.30%
Discount Rates - Up by 1%	52,314	53,682	-2.40%	-2.20%
Discount Rates - Down by 1%	55,573	56,176	2.50%	2.30%

**ix. Risk exposure**

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as company take on uncertain long-term obligations to make future benefit payments.

**x. Liability risks**

**a. Discount rate risk**

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

**b. Future salary escalation and Inflation risk**

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

**41. Earnings per share (EPS)**

Particulars	As at 31-03-2020	As at 31-03-2019
Profit after tax before exceptional items	34,41,692	33,31,731
Add: exceptional items	-	-
Profit after tax after exceptional items	34,41,692	33,31,731
Profit available for Equity Shareholders	34,41,692	33,31,731
Weighted number of Equity Shares Outstanding	53,062	63,062
Nominal Value of equity share	1,000	1,000
Basic and diluted Earnings Per Share (In Rupees) – before exceptional item	54,576.32	52,832.59
Basic and diluted Earnings Per Share (In Rupees) – after exceptional item	54,576.32	52,832.59

**42. Segment Information**

**i. Description of segment and principal activities**

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment, and accordingly, the Company has identified two reportable operating segments viz. Mining and Sand Operations. Operating segments have been identified and reported in a manner consistent with the internal reporting provided to the CODM.

**ii. Segment revenue and expense**

Revenue and expenses have been identified to a segment on the basis of relationship to operating of the segment. Revenue and expenses which relate to enterprise as a whole and are not allocable to a segment on a reasonable basis have been disclosed as unallocable.

**iii. Segment assets and liabilities**

Segment assets and segment liabilities represent assets and liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on a reasonable basis have been disclosed as unallocable.

**iv. Secondary segment reporting**

The Company does not have geographical distribution of revenue as the operations of the Company are carried out within the country and hence secondary segmental reporting based on geographical locations of its customers is not applicable to the Company.

**v. Information about major customers**

Revenue from mining segment (which exceeds 10% of total segment revenue) amounting to Rs. 67,28,557 thousand is derived from three customers and 100% of revenue from sand operations are derived from single customer.

**vi. Information about product and services**

The company revenue from external customers for each product is same as that disclosed below under "segment revenue"

Particulars	For the year ended 2019-20			
	Mining Projects	Sand Operations	Unallocated	Total
<b>Segment Revenue</b>				
External Revenue *	1,01,77,668	31,19,243	-	1,32,96,910
<b>Total Segment Revenue</b>	<b>1,01,77,668</b>	<b>31,19,243</b>	<b>-</b>	<b>1,32,96,910</b>

\* Segment Revenue includes other income which is directly attributable to each segment.

Particulars	For the year ended 2019-20			
	Mining Projects	Sand Operations	Unallocated	Total
<b>Segment Results</b>

**44. Note on sand operations**

- a. The Government of Andhra Pradesh had appointed the corporation as an agent vide G.O.Ms.No.70 dated 04.09.2019 and directed the company to carry out the following initial activities.
  - i. Put in place an online system for registration of end consumers and transporters, receipt of orders directly from the end consumers, collection of payments and remittance to the treasury account of the State Government online and maintenance of stockyards, disposal of sand from the stockyards and real time tracking of Sand carrying vehicles.
  - ii. Allot the work of sand extraction, loading and transportation of sand to stockyard, ramp maintenance, loading of sand into dispatch vehicles at the stockyard through a competitive reverse tendering process.
  - iii. Install weighbridges at the stockyards and CCTV cameras at Sand reaches and Stockyards to monitor sand operations and vehicular movement.
- b. Accordingly, under the overall authorization provided under the above GO, company had executed the sand policy and had allotted various work orders for excavation, loading, and ramp maintenance at various locations across the state and performed the necessary activities. Additionally, the company has appointed several transporters for Internal Transport and Sand Door Delivery across the state.
- c. As per oral instructions from the Government, it has been stipulated that company will be reimbursed for all its actual expenditures and will be provided with a margin. Consequently, revenue from sand operations has been recognized as follows. However, written representations from the government regarding rates are not available.
  - i. Excavation, loading and ramp maintenance services at Rs.127 per MT (Inclusive of GST).
  - ii. Sand Boatsman Excavation services recognised at rates ranging from Rs. 345 per MT to Rs. 375 per MT (inclusive of GST).
  - iii. Internal Transportation Services at Rs.4.90 per km per MT (inclusive of GST) and same has been paid to the respective transporter without any mark up to the company.

- iv. Door Delivery Transportation Services at the rates specified in GO No M.S. 40 dated 10.08.2020 (inclusive of GST) and same has been paid to respective transporter without any mark up to the company.

The reach wise and party wise details of Agency Income and Transportation Income is not available. The same have been initially recognized based on the output from the Code Tree Software. However, the data from Code Tree Software is presently not available and relevant supporting to the Sale Vouchers are also not available. Due to the non-availability of records as explained above, we are unable to reconcile the difference between Quantity billed to Director Mines and Geology in Agency Income (83,07,052 MTs) and Quantity booked in Sand Excavation Expenditure (76,63,936 MTs) amounting to 6,43,116 MTs. Similarly, the difference between Internal Transportation Income and Internal Transportation Expense amounting to Rs. 29,27,22,581 could not be reconciled.

- d. Payments to the Sand Excavation, Internal transportation Expense have been based on the certification by the District sand officer/ District Sand In charge (DSO /DSI). The relevant office documents that authorize an individual as District sand officer/ District Sand In charge (DSO /DSI) for certifying bills such as employee's name, role of authorization, and their specimen signature are missing. In the cases where the certification is not available, the payments were processed based on the invoices submitted by the vendors.
- e. The data from the software developed by M/s Code Tree Software Solutions was used for recognizing Agency Income and Transportation Income. However, on conclusion of the sand operations in May 2021, the Sand portal as well as the agreement with M/s Code Tree was discontinued. Despite several requests, Code Tree software solutions Private Limited has not handed over the sand portal data till date. Hence, the sand portal data used by the company for recognizing income and expenditure could not be reconciled with the books.
- f. Regarding the Door Delivery of Sand
- i. Due to large number of transactions involved in the door-to-door delivery charges, daily reconciliations have not been made.
- ii. Considering the voluminous of data, payments were made through HDFC bank on consolidated basis to individual transporters for the completed trips based on trip-completion confirmation recorded on the Sand portal. Basic KYC details such as Name, PAN. etc. regarding Sand Door delivery Transporters were not available on record.
- iii. Considering the large number of transactions (more than 7,000 trips per day on average), the payments were made to the transporters based on Sand Portal data and the Transporters were not insisted to submit invoices for each trip. Hence, invoices are not available.

- iv. We do not possess the required records to reconcile the difference between the Sand Transportation Door Delivery Income and Sand Transportation Door Delivery Expense, which amounts to Rs. 7,83,52,411/-.
- g. The details of the receipts have not been provided to us by Director of Mines and Geology due to which we could not reconcile the sale entries with receipt entries. Accordingly, the balance in Trade Receivable in the name of Director of Mines and Geology amounting to Rs. 20,32,31,193/- is subject to reconciliation for want of records.
- h. We have not maintained any kind of stock registers including stock movement register at the sand reaches/ stock yards for capturing excavation, dispatch and internally transported quantities. Further any reconciliation of such stock and stock movement records with books of accounts could not be completed due to non-availability of such records.
- i. The vouchers nor supporting's were maintained for the bulk payments of Door Delivery of Transportation of Sand and Boatmen Charges. On many days during the year, the total transactions as per books could not be matched with the transactions as per bank statement and further reconciliation could not be made due to non-availability of records as mentioned above.
- j. Further, due to no standard operating procedures approved for sand as such, there were many cases where Sand Receipt amounts were received from End Customers directly in our bank account without routing it through Director of Mines and Geology. The information regarding such as details of customers, quantity of sand dispatched and value of sand dispatched are not known to the company. The same also was never reconciled with Director of Mines and Geology. The receipts were received in various mode of payments such as DDs, UPIs and Cash directly deposited in our Bank Account. The share owed to Director of Mines and Geology was also never transferred back to them due to non-availability of details. Accordingly, all such amounts have been classified under Unknown Receipts and have been classified as Current Liability due to pending reconciliation with Director of Mines and Geology.
- k. With regards to sand operations through desiltation by Boatman societies, the following is submitted:
- i. In the districts of East and West Godavari, the operations of boatman societies were directly managed by the respective district administration, but no formal communication or order regarding this arrangement is available on record. The responsibility for operations was transferred to the corporation in December 2019 (West Godavari) & January 2020 (East Godavari).
- ii. Since sand transactions were made by the District Administration, the details of the sale transactions are available with them and the same is not available with the company.

- iii. The pending payments during the period when operations were done by district administration was certified and advised to the company for payment, which was undertaken.
- The District Collector, East Godavari remitted an amount of Rs. 8,51,78,158 on 20th February 2020, which remained in their bank account as on date. As in the initial days of operations of the boatsman societies were handled by the districts administration and subsequently handed over to the company, the details of quantities handled by the respective district administrations were not provided to the company. However, we have not been provided with the details of payments made directly to the boatmen or the receipts from the Director of Mines and Geology (Sand), and therefore, we could not include these transactions in our books due to the lack of records.
  - Regarding West Godavari, sand boatsman entries for the period from 01/10/2019 to 21/11/2019 were processed based on a letter dated 18th November 2019 from the District Collector, amounting to Rs. 7,49,73,153. However, we have not been provided with the details of payments made directly by the boatmen or the receipts from the Director of Mines and Geology (Sand). Additionally, the letter dated 18th November 2019 is currently not available in our records.
  - Since then, the corporation has been paying all the bills based on certificates from the respective District Collector/DSO/Tahsildar as applicable. However, due to non-availability of records, the supporting vouchers are not available in respect of below expenditures.
    - ◆ Sand Boatsmen Excavation Expenses of West Godavari district amounting to Rs.7,56,55,256 for the excavation of 3,61,326 MT's from the period 01-10-2019 to 09-01-2020.
    - ◆ Sand Boatsmen Excavation Expenses of East Godavari district amounting to Rs.8,60,11,418 for the excavation of 3,84,271 MT's from the period 26-11-2019 to 31-03-2020.
- iv. No verification of Basic KYC details of the Boatsman Societies such as PAN, Proof of Constitution, GSTIN, etc. were necessitated and accordingly, not available on record. Since they did not provide PAN details, while IT TDS was deducted, the challans were not included in the TDS return at the time of filing. As such, majority of these challans were lying unconsumed at end of Financial Year.
- v. The price for excavation of sand per MT varied from Rs.177/MT to Rs.233/MT. The approval/contract/supporting's for the above-mentioned prices are not available with the company.
- vi. There was no written instruction from the Government as to whether the above price is inclusive/exclusive of GST. As explained in sub-para above, there is no practice of collection of GST for these sand supplies while with the District Administration. Therefore, we have assumed the above price is excluding GST while passing the entries in our books.

- vii. We do not possess the required records to reconcile the difference between Quantity billed to Director Mines and Geology in Agency Income on account of Excavation of Sand Boatsmen (18,95,192 MTs) and Quantity booked in Sand Boatsmen Excavation Charge Expenses (14,24,707MTs), amounting to 4,70,485 MTs. As in the initial days of operations of the boatsman societies were handled by the districts administration and subsequently handed over to the company, the details of quantities handled by the respective district administrations were not provided to the company. Hence this difference in quantities could not be reconciled.

- i. In view of the complexities involved in the transactions, volume of transactions and due to non-availability of data during the lock down period on account of COVID - 19, we could not complete the detailed reconciliation of TDS, GST, GST TDS.

#### 45. Deferred tax asset /(liability)

Particulars	As at 31-03-2020	As at 31-03-2019
<b>Tax effect of items constituting deferred tax assets</b>

#### Amounts held in current accounts, fixed deposits, sweep accounts

Balances have been recognised to the extent of company share as per the demerger plan approved by the Government of Andhra Pradesh vide its G.O.Ms.No 19 dated 29.01.2019 consequent to bifurcation of the state of Andhra Pradesh with effect from 07-06-2014. Out of these balances an amount of Rs.78,50,479/- Thousands (Sweep accounts of Rs.75,954 /- and fixed deposits of Rs.77,74,525 /-) in various banks were frozen by all the banks as per instructions of the government of Telangana vide its letter dated 20-10-2014. However, company has been renewing the fixed deposits upon maturity and created fresh fixed deposits together with the interest earned there on.

#### 48. Loan to Andhra Pradesh State Fiber Net limited (APSFL)

Corporation has received a Government Order (GO) from Energy, Infrastructure & Investment (Airports) Department vide G.O.RT.No.161 dated 22-11-2016 to give an interest free loan of Rs.100.00 crores to AP State Fibernet Limited (APSFL) which is repayable within 5 years towards the margin money for the proposed procurement of 10 Lakh sets of CPE boxes.

The board discussed the proposal in detail and accorded its approval to grant a inter corporate loan of Rs.100.00 crores to APSFL at an interest rate of 7.00% p.a. in compliance with the Board decision matter has been communicated to the Secretary to Government (Mines), Industries & Commerce Department and also on 08-02-2017 duly requesting to take further action on the matter.

In responses to the above correspondence, a letter reference Lr.No.Fin-21022/6/2017 -AS, II – Finance dated 28-03-2017 has been received and directed to remit the amount of Rs.100.00 crores transferable to the consolidated fund of the state and they have also

confirmed that, this amount would be refunded in the next financial year and same has been refunded on 29-06-2017.

Further, a letter reference APSFL/APMDC Loan/226/2017 dated 04-07-2017 received from the CFO, APSFL requesting to sanction Rs.100.00 crores loan and also shared draft loan agreement to be entered. Accordingly, loan agreement between the corporation and APSFL has been executed and corporation has remitted the funds as per terms of the loan agreement entered.

Wherein the company has sanctioned an interest free loan to M/s Andhra Pradesh State Fibernet limited amounting to Rs.100 crores and disbursed an amount of Rs.60 crore during the financial year 2017-18 and the balance amount of Rs.40 crores has been released in the financial year 2018-19, However the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was silent on purpose of issuance of interest free loan. Further, the disbursement schedule and repayment schedule has specified in the loan agreement dated 22<sup>nd</sup> July, 2017 has not been followed and no revised loan agreement was agreed upon with the party.

Out of the sanctioned amount of Rs.100.00 crores, an amount of Rs.60.00 crores have been released during the financial year 2017-18 and the balance amount of Rs.40 crores has been released in the financial year 2018-19 to be repayable in the period of 5 years as under:

(Rs. in. Crores)		
Sl.no	Year	Proposed repayment
1	2017-2018	Nil
2	2018-2019	20.00
3	2019-2020	25.00
4	2020-2021	25.00
5	2021-2022	30.00
<b>Total</b>		<b>100.00</b>

APSFL has not repaid the due instalments as per terms of the agreement. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **49. Loan to Machilipatnam Urban Development Authority (MUDA)**

Company has received a Government Order (GO) MS.No.127 dated 31-10-2018 to give loan of Rs.200.00 crores to Machilipatnam Urban Development Authority at an interest of 7.00% per annum and same shall be repaid within 45 days. Accordingly, Board of Directors in its 396<sup>th</sup> meeting held on 01-11-2018 approved the loan amount with interest of 8% and necessary loan agreement has been executed.

The company disbursed the loan amount of Rs.200.00 crores on 1<sup>st</sup> November 2018. As per terms of the Loan agreement in case of failure to repay by MUDA along with interest on due dates, penal interest at a rate charged by national banks will be paid. The stipulated time of 45 days was completed on 15<sup>th</sup> December, 2018, but the repayment has not been made by the MUDA. However, continuous follow ups are being made for repayment and management is confident of recovery of this advance and considered this advance as good.

#### **50. Advance to Rayalaseema steel corporation limited**

Company has paid an amount of Rs.3.27 crores to Rayalaseema steel corporation limited (RSCL) to meet the essential expenses relating to day to day operations of the company on reimbursement basis pursuant to G.O.MS No.131, 132 and 133 with the approval of the board of directors of the company. However, RSCL intimated that, Government of Andhra Pradesh has not infused any equity into the company and the company met the running expenses from the proceeds of loan sanctioned by the APMDC. It is further informed that company doesn't have any assets or shareholder funds to repay the loan to APMDC and all transactions of the company were closed. In view of the uncertainty in realising the advanced amount, an amount of Rs.3.27 crores have been provided towards provision for doubtful advance.

#### **51. Advance to AP High Grade Steel Limited**

As per the endorsement of Special Chief Secretary, Industries & Commerce Department, Company has paid Rs.3.00 crores (Rs.2.00 crores to AP High Grade Steels Limited and Rs.1.00 crore to District Collector, YSR Kadapa district) towards expenses incurred for laying of foundation and inaugural function for the integrated steel plant till 31<sup>st</sup> March, 2020 and same has been ratified by the board of directors in their 404th meeting held on 17-07-2020.

Further, no agreement has executed between the company and AP High Grade Steels Limited as on 31<sup>st</sup> March, 2020, management has uncertainty in realising the amount advanced to AP High Grade Steel Limited and District Collector, YSR Kadapa district, an amount of Rs.3.00 crores have been provided towards provision for doubtful advance.

#### **52. Loan to M/s. Thriveni Earth Movers Private Limited**

During the year M/s. Thriveni Earth Movers Private Limited, an excavation contractor, carried out certain developmental works such as construction of overpass and the introduction of the electrical rope shovel, which is first of its kind at barytes project. Due to which they have incurred substantial expenses and are requesting a loan of Rs. 40 crores against the bank guarantee, and same to be deducted in 18 instalments from the running bills. Accordingly, corporation has sanctioned an amount of Rs. 40 crores on October 18, 2019 at the prevailing interest rates.

Further, M/s. Thriveni Earth Movers Private Limited stated in its letter dated March 12, 2020, that they have expanded their investment in procurement of mining equipment and

other capital expenditure at Mangampet Barytes project in view of achieving the targets set by the corporation. Due to which their company is undergoing in financial crunch and requested for an amount of Rs.35 Crores. Recognising the contractor's significant investment in mine development, and the performance of the contractor is satisfactory, the corporation release an amount of Rs.30 Crores on March 18, 2020, against the bank guarantee. This amount to be deducted in 13 instalments from the ongoing bills, with the applicable prevailing interest rates.

### 53. Non valuation of Inventory

#### a. C+D+W Grade of Barytes

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, closing stock is recognised for a quantity of 5,00,000 MTs from financial year 2013-14 onwards, and due to the rise in demand in national and international markets for C+D+W grade of barytes, the sales of current financial year, and also considering the current orders in hand as on balance sheet date closing stock is recognised for a quantity of 8,00,000 MTs from existing 5,00,000 MTs from financial year 2018-19 onwards and the remaining stock (50.19 lakhs MTs) is considered without value.

#### b. Inventory of Ball clay at Dwaraka Tirumala

The company has awarded a contract for mining of ball clay at Dwaraka Tirumala on Raising-cum-sale basis to M/s. CNR Tiles & Sanitary (RCS Contractor) on February 02, 2017 for a period of 5 years with a consideration of Rs. 72 per MT of quantity sold by the contractor with a minimum consideration of 24,000 MT every year

As per the terms and conditions of the agreement with RCS Contractor, the contractor shall lift the stock available within three months from the expiration of the contract, failing which the stock available shall be the sole property of the company. During the year, the company terminated the contract with the RCS Contractor for violation of the mining rules, and the contractor handed over the stock of 2.13 lakh MT (including 2.128 lakhs MT of 2<sup>nd</sup> Grade), which the company has not valued.

### 54. Leasehold Lands

The company has been allotted following lands on lease hold basis and has rights of conducting mining operations as per the respective lease rights granted by the government authorities. Fair value of these mining rights has not been incorporated in the value of plant, property and equipment.

Sl.no	Project	Area in Hectors
1	Mangampet	143.67
2	Chimakurthy	33.60
3	Dwaraka Tirumala	13.29
4	Visakapatnam	46.31

5	Srikakulam	8.04
6	Sullyari	12,98.00

## 56. Non adoption of previous year financials at the general meeting by the Members

The financial statements of the company for the year ended 31<sup>st</sup> March, 2018 and 31<sup>st</sup> March, 2019 are considered but not adopted by the members of the company at the adjourned annual general meetings held 17<sup>th</sup> September, 2022 and 16<sup>th</sup> November, 2022 respectively, due to non-completion of supplementary audit by the Comptroller and Audit General of India (C & AG). Pending completion of supplementary audit by the Comptroller and Audit General of India (C & AG), for the year ended 31<sup>st</sup> March, 2018 and 31<sup>st</sup> March, 2019, the board of directors of the company in their meeting held on 21<sup>st</sup> October, 2022 approved the financial statements for the ending 31<sup>st</sup> march, 2019. The reported amounts as on 31<sup>st</sup> march, 2020 may undergo change, based on the final comments of the Comptroller and Audit General of India (C & AG) for the year ended 31<sup>st</sup> March, 2018 and 31<sup>st</sup> March, 2019 subsequent approval at annual general meetings. Necessary adjustments if any will be made in subsequent years.

### 57. Ind AS 116 Leases

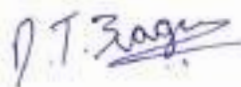

Ministry of corporate Affairs has notified "The Companies (Indian Accounting Standards) Amendment Rules, 2019 dated March 30, 2019 which inter alia include the new standard on Leases Ind AS 116 replacing the existing standard Ind AS 17, to be effective from the April 1, 2019. The company has applied the standard to its leases using modified retrospective approach and comparative information is not restated.

This has resulted in the recognising of Right-of-Use Assets of Rs.24,478/- thousands with a corresponding lease liability of Rs. 27,526/- thousands and the difference of Rs. 3,048/- has been adjusted to the opening equity (retained earnings) as of April 01, 2019. The impact on profit for the period is not material.

### 58. General

- Some of the balances appearing under trade receivables, trade payables, advances, security deposits, unknown receipts and other payables are subject to confirmations, subsequent reconciliations and consequential adjustment required if any.
- Amounts incurred towards power, fuel charges and excavation and transportation charges for run of mine and overburden have been reported separately in respective note no's 32 and 33 for better presentation purposes.
- Figures of the previous year have been regrouped/rearranged wherever considered necessary, so as to confirm to the classification of the current year.
- All amounts have been reported in thousands unless otherwise stated/mentioned, except for the share data and earning per share (EPS).

## INDEPENDENT AUDITOR'S REPORT

To  
The Members of  
The Andhra Pradesh Mineral Development Corporation Limited

### **Report on the Audit of the Consolidated Financial Statements**

#### **Disclaimer of Opinion**

We were engaged to audit the accompanying Consolidated Ind AS financial statements of The Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and notes to the Consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements").

We do not express an opinion on accompanying Consolidated financial statements of the Group. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these Consolidated financial statements.

#### **Basis for Disclaimer of Opinion**

- i) We draw attention to Note No: - 45 of the consolidated financial statements where in the company has stated the reasons for not consolidating the Subsidiaries, Associates and joint ventures as tabulated below. In the absence of audited financial statements, management certified accounts for the year ended March 31, 2020 and further reasons as detailed in Note No 45, the transactions of subsidiaries and share in profit/losses of joint ventures and associates of the below mentioned entities are not incorporated in these consolidated financial statements. The list of such entities are as tabulated below:

S.No	Name of the Company	Nature of Holding	% of Holding
1	Ongole iron ore mining company pvt ltd	Subsidiary	51.00%
2	Andhra phosphate private limited	Subsidiary	50.00%
3	APMDC SCCCL suiyari coal company ltd	Subsidiary	51.00%
4	Nuagon coal company ltd	Subsidiary	50.00%
5	Andhra Baryte Corporation Private Limited	Joint Venture	11.00%
6	Andhra Pradesh Iron Ore Company Ltd	Joint Venture	11.00%
7	Gimpex AP Barytes Beneficiation Private Limited	Joint Venture	11.00%
8	Trimex Barite Private Limited	Joint Venture	11.00%
9	V.V Minerals Private Limited	Joint Venture	12.36%
10	Alliance Andhra Pradesh Black Granites Pvt Ltd	Joint Venture	11.00%
11	Pallava Red Granite Private Limited	Joint Venture	11.00%
12	Aswani Mineral Development Private Ltd	Associate	16.00%

13	Arham Minerals Exports (P) Ltd	Associate	26.00%
14	Isra Minerals Exports (P) Ltd	Associate	26.00%
15	Margasree Granites (P) Ltd	Associate	26.00%
16	Ongole Minerals Exports (P) Ltd	Associate	26.00%
17	RLP Granites (P) Ltd	Associate	26.00%
18	SRAP Minerals Private Limited	Associate	26.00%
19	A.P.Coastal Sand & Metals Pvt Ltd	Associate	26.00%
20	Andhra Pradesh Tribal Mining (P) Ltd	Associate	26.00%

In the absence of information, we are unable to quantify the impact on the Group's financials. Further, in respect of all the above entities, the carrying value of the investment (net of impairment/ provision) in Holding Company's books is NIL.

Holding Company's Basis for Disclaimer Opinion (As stated in the report of standalone financial statements):

- a) The Holding company has passed entries for bifurcation as per AP Reorganisation Act, 2014 in the past years except with respect to share capital based on recommendations of the Committee and as per GO Issued by Govt of Andhra Pradesh. We are informed that such an exception is based on agreement between both the companies for which no written document was produced for our verification. Consequent to bifurcation, the Holding Company has transferred certain amounts to M/s Telangana State Mineral Development Corporation Limited ("TSMDC") account ledgers which are subject to acceptance and confirmation by TSMDC. The Holding Company has passed entries for Interest Income on Fixed Deposits, Interest Accrued on Fixed Deposits and Tax on Interest Income pertaining to TSMDC based on estimates for which no supporting document was produced. Further, during the years after bifurcation, Income Tax of the erstwhile entity was recovered from the Holding Company's Income Tax Refund but no entries were passed in the books, as the complete recovery details are not available. In the absence of information, we are not able to ascertain the impact of the following amounts:

S.No	Name of the ledger	Note no	Classification	Amount	Dr/Cr
1	Demerger Adjustment	18	Other Financial Liability(non-current)	53,66,24,781	Cr
2	Int. on FDR's, BGs & Sweep (SBI) to Telangana	18	Other Financial liability(non-current)	1,29,26,10,396	Cr
3	APMDC Telangana Region Advance (Cr)	18	Other Financial liability(non-current)	96,05,88,230	Cr
4	APMDC - TSMDC - Advances	9	Other Non-current Assets	21,77,16,901	Dr
5	Demerger Adj Acc of FD's & FD Kept for BG's	9	Other Non-current Assets	1,10,06,81,527	Dr
6	Fixed deposits (Above 365 Days)	6	Other Financial Assets (Non-Current)	7,18,93,95,110	Dr
7	Fixed Deposit kept for Bank Guarantee	6	Other Financial Assets (Non-Current)	14,46,17,175	Dr
8	Fixed Deposits - BG - Without Lien	6	Other Financial Assets (Non-Current)	1,06,98,23,137	Dr
9	Sweep Account (SBI, Khairatabad)	6	Other Financial Assets (Non-Current)	7,59,53,935	Dr

10	Interest Accrued on Fixed deposit	14	Other Financial Assets (Current)	37,26,68,937	Dr
11	Int. Accr. on FDR kept for BGs	14	Other Financial Assets (Current)	59,65,219	Dr

15	Int. on FD kept for BG	26	Other Income	1,01,96,036	Cr
16	Interest on FDR BG - Without Lien	26	Other Income	7,03,23,604	Cr
17	Int on Sweep account SBIkh	26	Other Income	51,53,011	Cr
18	Vijayawada (bank)	12	Cash and cash equivalents	1,49,78,581	Dr

iii) The Holding company is required to disclose contingent liabilities as per Ind AS 37. The best estimate of amount of contingent liabilities created and disclosed in notes on accounts as at March 31, 2020 by the Holding company could not be audited by us, as the Holding company has not provided the related legal litigation files for our clear understanding and verification.

iv) The following Ledger balances as on March 31, 2020 are subject to receipt of utilisation certificates and confirmation from the respective party/ statutory authority:

Name of the Ledger	Party/ Authority Name	Balance as at March 31 2020 (in Rs.)
Adv.to EE Panch.Raj Dep (RJPT)	EE Panchayat Raj, Rajampet	53,90,237
Deposit with RDO Rajampet (Rehabilitation)	Regional District Officer, Cuddapah	85,32,478
Deposit with District Collector (Rehabilitation)	District Collector, Cuddapah	1,15,76,37,861
Deposit With Sub Treasury - (Rajampet)	Regional District Officer, Cuddapah	2,38,50,796

Due to non-availability of utilisation certificates and confirmation from the respective parties/ statutory authorities, we are unable to ascertain whether the above balances have been utilised or lying unutilized as advance/ deposit. In the absence of sufficient and appropriate audit evidence, we are unable to comment upon the resultant impact on the Consolidated financial statements.

v) In respect of property, plant and equipment, Fixed Asset Register providing details such as Identification Number, Location of the Assets is not available. In the absence of the same, we are unable to comment upon the maintenance of adequate records in respect of Property, Plant and Equipment. Property, Plant and Equipment have not been physically verified during the year. Further, in respect of additions to Property, Plant and Equipment during the year, no supporting documents are available for verifying the date put to use. In the absence of the same, in many of the cases the date of invoice has been assumed as date put to use except in the cases where other evidences

such as statutory approval certificates were available for determining the date put to use. Further, in respect of Purchase of CCTV Monitoring Systems from M/s Apple Vision, the Invoice Copies could not be matched with Purchase Orders. The DSO certificates evidencing installation also could not be produced. The date of capitalization has been taken as 1<sup>st</sup> February 2020 for which no supporting has been provided. Accordingly, we are not able to comment upon the resultant impact of non-availability, non-existence and impairment of Property, Plant and Equipment on the Consolidated financial statements. Further, we are also not able to comment upon the effect on current year depreciation and consequent impact on the carrying value of Property, Plant and Equipment due to assuming date put to use as specified above.

- vi) Inventories consists of Finished Goods amounting to Rs. 77,34,84,215 and Stores and Spares amounting to Rs. 1,31,36,227 as on 31<sup>st</sup> March 2020. However, physical verification of inventories could not be conducted during the year. Accordingly, their existence and usability could not be ascertained. Any financial impact on account of differences arising out of physical verification of inventories also could not be ascertained. Further in respect of Stores and Spares Item wise ledgers have not been provided for verification. No records are made available regarding valuation of inventories on weighted average cost or net realisable value basis in respect of stores and spares. Accordingly, the resultant impact on the Consolidated Financial Statements could not be ascertained.
- vii) Interest for delay in payment of consideration as prescribed in Clause No 16(ii)(c) of the Agreement with M/s Pallava Red Granite Private Limited (Joint Venture) dated 3<sup>rd</sup> March 2008 and M/s Andhra Pradesh Granite (Midwest) Private Limited (Joint Venture) dated 4<sup>th</sup> June 2007 has not been ascertained by the Holding Company. The agreement is silent about "due date for payment in different scenarios" due to which we are unable to ascertain the liability. Accordingly, the resultant impact on the Consolidated Financial Statements could not be ascertained.
- viii) The Holding company has balances in Security Deposit payable to Contractors, Security Deposit from Suppliers, Security Deposit from Others, Deposit from Customer, EMD payable, Stale Cheques Payable, Exp of Entep. Social Resp. Payable, Non-Current Deposits, Penalty Suspense, Deposit for Stamp Duty Payable and Deposit for Court Fees payable amounting to Rs. 47.53 Crores (Cr Balance). Party wise Ledger has not been maintained. Further, confirmations from Parties are also not available. Considering non reconciliation and non-confirmation and further taking into consideration various disputes with vendors & non availability of records, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the Consolidated financial statements.
- ix) The Holding Company has balances in Sales Tax Payable of Rs. 1.22 Crores (Credit), APVAT Payable of Rs.1.32 Crores (Credit) and Deposit with Sales Tax Department of Rs. Rs. 5.90 Crores (Debit). The documents pertaining to the Long Pending Tax cases are not available due to which we are unable to ascertain the correctness of the balances in the respective ledgers and the resultant impact on the Consolidated financial statements. Further, the contingent liability, if any on the above cases is also not ascertainable.
- x) The Holding Company has balances in Income Tax Assets amounting to Rs. 65.76 Crores which are pending on account of various disputes at different forums. The balances are subject to reconciliation and consequential adjustments on outcomes, the impact of which is not ascertainable. Further, the Holding Company has been generally filing Income Tax Returns based on Provisional Financials without fully complying with the provisions of Income Tax Act. Any consequential effect on account of actual tax liability based on the audited financial statements with effect from FY 2014-15 on Income Tax and Deferred Tax has not been provided for in the

books, due to which we are unable to ascertain the resultant impact on the Consolidated financial statements

- xi) The Holding company has Trade Receivables balance amounting to Rs. 186.76 Crores and advance from customers amounting to Rs. 8.91 crores. Balance confirmations from Parties under Trade Receivables amounting to Rs. 186.76 Crores and Advance from Customers amounting to Rs. 8.91 crores have not been obtained. Considering non confirmation and non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the Consolidated financial statements.

- xii) We were informed that the balance in the following ledgers are pending final settlement on account of pending court proceedings:-

S.No	Name of the ledger	Amount	Dr/Cr
1	Sri M.Ramakrishna Reddy	90,82,476	Dr
2	Sri B.K. maraswamy Reddy	51,55,150	Cr
3	M/s V.L.C-S.C.K.C-JV	5,42,81,229	Dr
4	Sn R.V Ramana	1,13,403	Dr

The up to date status of the court proceedings are not available on record. Further, the balance in the respective ledgers are subject to confirmation and reconciliation on account of the disputes between the parties and the Holding company. Considering non-reconciliation and non-confirmation and taking into further consideration, various disputes with parties, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the Consolidated financial statements.

- xiii) The Holding Company has released an interest free unsecured loan of Rs. 100 Crores during Financial Year 2017-18 and 2018-19 to M/s Andhra Pradesh State FiberNet Limited ("APSFL"). The loan is repayable in 4 yearly installments starting from Financial Year 2018-19 and ending in Financial Year 2021-22. M/s APSFL has not repaid the installments due in Financial Year 2018-19 and Financial Year 2019-20 as per terms of the agreement. Further installments have also not been repaid till date. Further, the latest financials of APSFL are not available. In the absence of availability of audited financial statements from Financial Year 2017-18 and other supportive audit evidence substantiating the credit worthiness/Repayment capability of APSFL, we are unable to comment upon its impairment/recoverability and consequential impact on the Consolidated Financial statements. Further, the difference between fair value of the instrument and transaction price on initial recognition of the instrument has not been recognised in the books as the loan agreement was not clear on purpose of issuance of interest free unsecured loan.
- xiv) The Holding Company has released unsecured loan of Rs. 200 Crores to M/s Machilipatnam Urban Development Authority ("MUDA") on 01/11/2018 bearing interest at 8% per annum and repayable in 45 days. Though the due date for repayment is 15<sup>th</sup> December 2018, the said loan has not been repaid as on date also. In the absence of any financial information/supportive audit evidence substantiating the credit worthiness/Repayment capability of MUDA, we are unable to comment upon its impairment/recoverability and consequential impact on the Consolidated financial statements.
- xv) The Holding company has accounted for interest on credit sales amounting to Rs. 3.07 crores and Penalty Receipts from buyers amounting to Rs. 0.83 crores for the financial year 2019-20. The basis along with the calculation for accounting interest on credit sales and Penalty Receipts from buyers has not been provided. The contractual copies which contain the terms and conditions for levying

interest and penalty have not been provided. Further, the Accrual entry for the unbilled interest income as on 31<sup>st</sup> March 2020 has not been recognised which is not in line with the accounting policy followed by the Holding company. Considering the non-availability of the records we are not able to ascertain and comment on the correctness of the Income recognised under the head Interest on credit sales and penalty receipts from buyers and the outstanding balance under the head Interest accrued on credit sales as on 31<sup>st</sup> March 2020. Accordingly, the resultant impact on the Consolidated financial statements could not be ascertained.

xvi) Balance in Suspense Account amounting to Rs. 37,12,449 has been classified under Other Current Liabilities as the details pertaining to the transactions in the account are not available. Accordingly, the resultant impact on the Consolidated financial statements could not be ascertained.

xvii) Sand Inventory records pertaining to Sand Operations were not provided to us for verification due to which inventory records could not be matched with inventory handled as per the financial statements. The data from the software which was used for running Sand Portal has not been provided to us for our verification. The reports from the software were used for tracking the entire operations of sand and is the source for details pertaining to sale amounts received from Department of Mines and Geology, Sand Stock available at each site, Sand Stock in Transit and payments made to Sand Project Contractors using Sand Portal Data. In the absence of the data from the software,

a) Sales pertaining to Agency Services and Transportation Services provided to Director of Mines and Geology entered in the books could not be verified with the Software data. The Sale vouchers and supporting documents have not been made available to us for our verification. The details pertaining to reach, stock yard, stock depot and party on which The Company earned Income such as Agency Service and Transportation Service have not been provided. As per the explanations provided to us, the consideration for each service (i.e Agency Service, Internal Transportation Service and Door Delivery Transportation Service) to Director Mines and Geology has been orally agreed upon and there is no written communication to authenticate the same. Further, the details of amounts received from Director of Mines and Geology are not available and no reconciliation has been provided for the sale and receipt entries in Director of Mines and Geology Trade Receivable Ledger. Considering the non-availability of records for our verification, we are not able to ascertain the impact and correctness of the Income pertaining to Agency Services, Transportation Services recognised in Sand Operations and Balance in Trade Receivable ledger of Director of Mines and Geology.

b) Excavation Charges (includes Loading, Heaping, Ramp Maintenance and Pattadar Beneficiary Charges) were paid to Sand Contractors at rates agreed upon by the Holding Company and the Contractor by way of agreement. The Quantity excavated is derived from the District Sand Officer (hereinafter referred to as "DSO") certification enclosed to the invoice. However, in many cases the DSO certificates are not available on record and even in cases where the DSO certificates are available the same could not be authenticated as there was no documentation of the specimen signature of the certifying authority. In a case where the certificate from DSO is not available, the expenditure was recognised based on the Invoice submitted by the Contractor and payment was partially processed subject to receipt of certification. As per the financial statements for Financial Year 2019-20, Agency Income on account of Sand Excavation, Charges and billed to Director Mines and Geology upto 31<sup>st</sup> March 2020 has been accounted for 83,07,052 MTs whereas the Total Sand Excavation Charges billed by the Contractor to the Holding Company upto 31<sup>st</sup> March 2020 has been accounted for 76,63,936 MTs. The reason for

variation between Quantity booked in Income and Quantity booked in Expenditure could not be explained by the Management. Considering the non-availability of records as detailed above for our verification and no proper explanation from the Management, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Sand Excavation Charges recognised in Sand Operations.

- c) Internal Transportation Charges (i.e. Sand Transport from pattalands/ desiltation points/ stockyards to sand depots/ other stockyards) payable to Transporter are calculated at Rs. 4.9 per Ton per kilometre (inclusive of GST) as given in Government Orders from time to time and as per the individual Agreements entered by the Holding Company with the Transporters. The transportation charges payable has to be derived based on the Kilometres as certified by the Director of Mines and Geology (hereinafter referred to as "DMG")/DSO through GPS based vehicle tracking devices. However, the Kilometres certification from DMG/DSO is not available in majority of the cases. In cases where the certification is not available, Kilometres as agreed upon by APMDC and the contractor were taken as the basis for passing the entries for transportation charges. It has been informed to us that Internal Transport Charges receivable from Director of Mines and Geology are also at the same kilometres and rate per kilometre but however, no supporting has been provided to support the claim. As per the financial statements for Financial Year 2019-20, Internal Transportation Income has been accounted for Rs. 78,68,83,041 whereas Internal Transportation Expense has been accounted for Rs. 107,95,37,457. The reason for difference between Income and Expenditure in an Internal Transportation Transaction where rates for both are same could not be explained by the Management. Considering the non-availability of records for our verification as specified above, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Internal Transportation Services recognised in Sand Operations.
- d) Sand Door Delivery Charges were paid to Transporters based on the report generated from the software. The payment entry was directly debited to expenditure head "Sand Transportation Door Delivery". The vouchers and supporting documents such as invoices and trip sheets have not been made available to us for verification. The only evidence available is the bank statement but the details of the payee are not reflecting in the bank statement. The details of Vendors such as Name and PAN have also not been provided to us for verification. TDS was deducted on Door Delivery Payments but there is no evidence such as TDS certificates to prove whether TDS deducted has been remitted and filed with the Income Tax Department. Door Delivery Transportation Charges payable to Transporter are calculated as per the base rates for Door Delivery as given in Government Orders. It has been informed to us that Door Delivery Transport Charges receivable from Director of Mines and Geology are also at the same rates but however, no supporting has been provided to support the claim. As per the financial statements for Financial Year 2019-20, Sand Transportation Door Delivery Income has been accounted for Rs. 85,35,79,638 whereas Sand Transportation Door Delivery Expense has been accounted for Rs. 77,52,27,226. The reason for difference between Income and Expenditure in a Door Delivery Transaction where rates for both are same could not be explained by the Management. Considering the non-availability of records for our verification, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Door Delivery Transportation Services recognised in Sand Operations.

- e) Sand Boatsmen Excavation charges were paid to Boatsmen Societies based on the excavation reports certified by the District Collector/DSO/Online Portal Data. However, in many of the cases, Proper supportings are not available for verification, the details of which are as follows:
- 1) Excavation of sand by Boatsmen Societies in East Godavari and West Godavari districts was initially booked at Rs.211 per MT. Later on, the prices varied from Rs.177 per MT to Rs.233 per MT, depending on the reach where the sand was excavated in respect of West Godavari District. However, the approval/supporting/contract/LOA (as applicable) for the above-mentioned excavation rates have not been provided for our verification. Due to non-availability of the records, we are not able to ascertain whether the excavation rate is inclusive of GST or exclusive of GST.
  - 2) Sand Excavation Invoices by the Boatsmen Societies are not available on record. All the payments were made either based on District Collector/ DSO certification/ Online Portal Data. The KYC details of the Society such as PAN, Proof of Identity, GSTIN.etc. are also not available. The details of the payee are also not reflecting in the bank statement. Bank payment vouchers and relevant supportings could not be provided.
  - 3) TDS was deducted on Excavation Charges paid to Boatsmen Societies but there is no evidence such as TDS certificates of the Deductees to prove whether TDS deducted has been remitted and filed with the Income Tax Department. Further TDS GST has not been deducted on any of the payments made to Boatsmen Societies.
  - 4) As per page 1 of note for approval pertaining to boatsmen society payments of the West Godavari district, 355323 MTs were dispatched from 1-10-2019 to 21-11-2019 based on a letter dated 18-11-2019 from the District Collector, West Godavari. The above quantity amounts to boatsmen excavation charges of Rs.7,49,73,153. Of the above amount Rs.5,42,34,000 was directly credited to Collectors account by Department of Mines and Geology and has been accordingly adjusted to boatsmen charges payable West Godavari. The payments for the above period were handled directly by the District Collector. The Holding Company has not deducted statutory deductions such as TDS, TDS GST.etc. on the above payment. However, the records pertaining to the above claim including the letter received from district collector, the evidences pertaining to payments made by District Collector to Boatsmen on behalf of the Holding company have not been provided for our verification.
  - 5) The Excavation Charges payments to Boatsmen Society in respect of the months from September 2019 to January 2020 were partly looked after by the respective District Collector. The details of such payments, the expenditure to be booked in the Holding company books for the period looked after by District Collector and the statutory deductions on such payments such as TDS, GST TDS are not available on record.
  - 6) The DSO/District Collector confirmations in respect of 745746 MT's amounting to Rs.16,16,66,674 of Sand excavated by Sand Boatsmen Societies are not available on record.
  - 7) As per the financial statements for Financial Year 2019-20, Agency Income on account of Excavation by Sand Boatsman has been accounted for 18,95,192 MTs whereas Sand Boatsmen Excavation Charges Expenses has been accounted for 14,24,707 MTs. The

reason for variation between Quantity booked in Income and Quantity booked in Expenditure could not be explained by the Management.

Considering the non-availability of records as detailed above for our verification, we are not able to ascertain the impact and correctness of the Expenditure pertaining to Sand Boatsman Excavation Charges recognised in Sand Operations.

- f) Due to the above reasons, the reconciliation of Balances of TDS payable, TDS payable under GST and GST Ledgers with the respective statutory records is pending. Considering non-reconciliation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and the resultant impact on the Consolidated financial statements.
- g) The Management has not conducted physical verification of the stock lying at Sand Reach, Stock Yards and Stock Depots. The Holding Company has not recognised any Unbilled Revenue on Agency Services and Transportation Services provided to Director of Mines and Geology but not billed in Financial Year 2019-20. In the absence of the sufficient audit evidence, we are unable to satisfy ourselves by alternative means as to the amount of Unbilled Revenue to Department of Mines and Geology not recognised in books as on 31<sup>st</sup> March 2020.

#### **Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, are not applicable to the Holding Company as it is an unlisted company.

#### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Consolidated financial statements and our auditor's report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associates and joint ventures for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management included in the group and of its associates and joint ventures is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for overseeing the financial reporting process of each company.

## **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our responsibility is to conduct an audit of the Group's Consolidated financial statements in accordance with Standards of Auditing and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these Consolidated financial statements.

We are independent of the Group in accordance with the Code of Ethics and provisions of the Act that are relevant to our audit of the Consolidated financial statements in India under the Act, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Act.

## **Other Matters**

The financial statements of the Holding Company for the year ended March 31, 2018 and March 31, 2019 respectively are not adopted by the members of the Holding company at the adjourned Annual General Meeting held on 17<sup>th</sup> September, 2022 and 16<sup>th</sup> November 2022 respectively due to non-completion of supplementary audit by the Comptroller and Auditor General of India (C&AG). Pending completion of supplementary audit by the Comptroller and Auditor General of India (C&AG), for the year ended March 31, 2018 and March 31, 2019, the Board of Directors of the Holding Company in their meeting held on 22<sup>nd</sup> August 2023 approved the financial statements for the year ended March 31, 2020. Consequently, we have conducted our audit for the year ended March 31, 2020 and March 31, 2019 considering the opening balances based on the financial statements as approved by the Board and audited by us for the year ended March 31, 2019 and March 31, 2018 respectively. The

reported amounts as on March 31, 2020 are subject to final comments of the Comptroller and Auditor General of India (C&AG) for the year ended March 31, 2018 and March 31, 2019 and subsequent approval at the Annual General Meetings.

We did not audit the financial statements/financial information of one Joint Venture. The consolidated financial statements include the Group's share of Net Profit of Rs 59.38 lakhs for the year ended March 31, 2020 in respect of the one joint venture. This financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint venture, and our report in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements and our report on other legal and regulatory requirements below is not modified in respect of the above matters

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report that:

- a) As described in the Basis for Disclaimer of Opinion paragraph, we sought but were unable to obtain all the information and explanation which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph of our report, we are unable to state whether proper books of account as required by law have been kept by the Holding company so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph of our report, we are unable to state whether the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.
- e) The matter described in the Basis for Disclaimer of Opinion section may have an adverse affect on the functioning of the Group.
- f) As per Notification GSR 463 (E) dated 5<sup>th</sup> June 2015 issued by the Ministry of Corporate Affairs, the provisions of Section 164 (2) of the Companies Act, 2013 is not applicable as the Holding Company is a Government Company.
- g) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Disclaimer of Opinion paragraph above.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India, provisions of Section 197 of the Act, are not applicable to the Holding company

- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph, we are unable to state whether the Group has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements. Refer Note 36 to the Consolidated financial statements.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

2. We are enclosing our report in terms of Section 143 (5) of the Act, on the directions and sub-directions issued by the Comptroller and Auditor General of India on the basis of such checks of the books and records of the Holding Company as we considered appropriate and according to the information and explanations given to us, in the Annexure- B.

## **Annexure - A to the Independent Auditors' Report**

[Referred to in paragraph 2(h) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of The Andhra Pradesh Mineral Development Corporation Limited on the financial statements for the year ended March 31, 2020]

**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We were engaged to audit the internal financial controls over financial reporting of The Andhra Pradesh Mineral Development Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities as of March 31, 2020 in conjunction with our audit of the Consolidated financial statements of the Holding Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company included in the Group are responsible for establishing and maintaining internal financial controls with reference to Consolidated financial statements based on the internal control over financial reporting criteria established by the Companies/Entities, considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to Consolidated financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting with reference to Consolidated financial statements based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') and Standard on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Because of the matter described in the Disclaimer of Opinion section below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls over financial reporting of the Holding company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Basis for Disclaimer of Opinion**

According to the information and explanations given to us, the Holding Company has not established its internal control over financial reporting on criteria based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial controls over Financial reporting issued by the Institute of Chartered Accountants of India. As a result, we are unable to obtain sufficient and appropriate audit evidence to provide a basis for our opinion whether the Holding company had adequate internal control over financial reporting and whether such internal control was operating effectively as on 31<sup>st</sup> March, 2020

The following material weaknesses/ limitations have been identified in the operating effectiveness of the Holding Company's internal financial control over financial reporting:

- a) The system of internal financial controls over financial reporting with regard to the Holding Company were not made available to enable us to determine if the Holding Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2020.
- b) The Holding company did not have effective internal audit system commensurate with the size, nature and complexities of the business.
- c) The Holding company did not have an appropriate internal control system for obtaining confirmation of balances on a periodic basis and reconciliation of unmatched Receivables and Payables.
- d) The Holding Company did not have a system for periodical verification of inventory and Property, Plant and Equipment.
- e) The Holding company does not have system of timely posting of entries in the ERP software. Further, the Holding company does not have an integrated system which has led to accounting lapses such as Non-Reconciliation of Inter-Unit Transactions.

- f) In respect of sand operations of the Holding company,
- The Holding company does not have proper documents evidencing "dispatch/ sale quantities of sand" and has no standard operating procedures in place for confirmation of quantities.
  - Periodic Reconciliation of Bank Balances have not been done.
  - Non reconciliation of book balances of statutory ledgers with statutory records on account of filing the statutory returns based on provisional figures.
  - Non maintenance of registers/records such as cheque book register, fixed asset register, BG registers, EMD/PSD register, register of contractors and register of tender schedules sold.

#### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer Opinion paragraph above and based on the information and explanation given to us, the Holding Company has not adequately established its internal financial control over financial reporting on criteria based on or considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

We have considered the disclaimer reported above in determining the nature, timing and extent of audit tests applied in our audit of the Consolidated financial statements of the Holding company as at March 31, 2020 and the disclaimer has affected our opinion on the Consolidated financial statements of the Holding company and we have issued a Disclaimer of opinion on the Consolidated financial statements of the Holding company.

# ANNEXURE-B to the Independent Auditors' Report

## Report on Directions issued by the Comptroller and Auditor General of India under section 143(5) of the Companies Act, 2013

Sl.No	Directions/Sub-directions	Observations/Findings
<b>A. Directions</b>		
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The Holding Company has system in place to process all the accounting transactions through IT System i.e., Microsoft Dynamics. However, many areas have not been covered under the ERP such as Accounting of Inventory, Depreciation, etc. which are manually maintained. Based on Manual Stores Consumption Reports, consolidated entries are posted in to the IT System periodically. However, there are no implications of processing of Inventory consumption accounting outside IT system on the integrity of accounts subject to matters specified in Basis for Disclaimer opinion paragraph.
2.	Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated.	According to the information and explanations given to us and based on our examination of the records of the Holding Company, there has been no restructuring/ waiver/write off of any existing loan taken by the Company. As such there is no financial impact involved.
3.	Whether funds received/receivable for specific schemes from central/ state agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	No such Funds have been received / receivable for specific schemes from central / state agencies.
<b>B. Sub-Directions</b>		
1.	In case of works executed with the funds of Central or State government(s)/ other user department(s) or their agencies, whether there is conclusive evidence that the assets created will be the assets of the PSU? If not, the accounting treatment of the funds received, utilised, returned, assets created up to and during the year (work in-progress or completed), assets handed over to the fund-giving agency up to and during the year, assets impaired, if any, and the revenue/ commission/ centage realised on these works, with full quantitative details may be detailed.	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no works executed with the funds of Central or State government(s)/ other user department(s) or their agencies.

2.	<p>Where Grants are received from Central or State government(s)/ other user department(s) or their agencies,</p> <p>a) Where grants are taken as revenue for the year, whether the concerned orders are clear that the funds can be utilised for revenue expenditure;</p> <p>b) Where guarantee commission is to be paid, the quantitative details viz., amount guaranteed, rate of guarantee commission, whether the commission was paid or payable along with the details of the purpose of raising the funds with guarantee and whether the funds were utilised for the stated purpose;</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no grants received by the corporation from Central or State government(s)/ other user department(s) or their agencies.</p>
3.	<p>Where any long-term liability is undertaken against an asset of finite lifetime, whether there is a clear accounting policy thereon (for instance, land obtained on lease for a specific period (whether renewable or non-renewable) but shares issued in lieu of the land lease)</p>	<p>There are no long term liabilities in respect of asset with finite life time except for mines in respect of which Provision for Decommissioning of Mine has been provided in line with the provisions of Ind AS.</p>
4.	<p>Whether the corresponding expenditure on which the taxes paid/ payable are accounted in the financial statements is also included appropriately</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, The Company has accounted Taxes on Expenditure appropriately, wherever applicable.</p>
5.	<p>Whether there is a Public Deposit account in the name of the PSU? If yes,</p> <p>a) Funds debited from the PD account erroneously/ lapsed by the treasury, but claimed by the Company as receivable/ its own funds;</p> <p>b) If any funds given by any Government or agencies other than the State Government were lapsed, the details of the same may be detailed;</p> <p>c) Details of the funds raised through loans (with or without government guarantee) and deposited in PD Account; Purpose of the loans and whether the purpose is initiated/completed;</p> <p>d) Whether suitable disclosure on the restrictions or additional permissions required on withdrawing the funds in PD Accounts is included or not;</p> <p>e) The quantitative details of the bills sent for clearing against the PD account balances but</p>	<p>According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there is no Public Deposit Account in the name of the Holding Company.</p>

	not cleared/ returned unpaid as on the reporting date along with age-wise analysis;	
6.	Where funds are raised by the Company and the payment of Principal or Interest or both are met by the State Government or its agencies, directly or indirectly, the details and the purpose of these loans may be stated along with the fact whether the funds were utilised for the stated purpose	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, there are no funds which have been raised by the Holding company for which payment of principal or interest or both are met by the State Government or its agencies, directly or indirectly.
7.	Whether the land owned by the Company is encroached, under litigation, not put to use or declared surplus. Details may be provided.	As physical verification of property, plant and equipment could not take place during the year, we are unable to comment upon the same.
8.	Whether the inventory has been taken on the basis of physical verification after adjustment of shortage/ excess found and whether due consideration has been given for deterioration/ obsolescence in the quality which may result into overvaluation of stock?	The Management has not physically verified the inventory and stores and spares in FY 2019-20. Hence, the details pertaining to shortage/excess found and deterioration/obsolescence in the quality have not been available and consequently, we are unable to comment upon the same.
9.	Whether the cost incurred on abandoned projects has been written off?	According to the information and explanations given to us, no projects have been abandoned by the Holding company during the year
10.	Cases of wrong accounting of interest earned on account of non-utilization of amounts received for certain projects/schemes may be reported	According to the information and explanations given to us and on the basis of our examination of the records of the Holding company, the Holding company has not received any amounts for projects/schemes.
11.	Whether the bifurcation plan (between Andhra Pradesh & Telangana States), if any, for the Company is finalised and approved; Whether the accounting treatment as per the plan and the suitable detailed disclosures are given. Deviations may be stated.	We have disclaimed our report for want of information and records. Accordingly on account of the reasons as stated in Basis for Disclaimer of Opinion paragraph, we are unable to comment upon the same.

12.	Whether the company has taken adequate measures to reduce the adverse effect on environment as per established norms and taken up adequate measures for the relief and rehabilitation of displaced people.	Our audit for FY 2019-20 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2019-20.
13.	Whether the Company had obtained the requisite statutory compliances that was required under mining and environmental rules and regulations?	The Holding company has submitted modified Mining Plan in respect of Mangampeta Mine in FY 2018-19 and the same has been approved by Deputy Director of Mines and Geology, Kadapa.
14.	Whether overburden removal from mines and backfilling of mines are commensurate with the mining activity?	Our audit for FY 2019-20 started in FY 2022-23. Accordingly, we are unable to comment upon the same as we have not visited the mine during the Financial Year 2019-20.
15.	Whether the Company has disbanded and discontinued mines, if so, the payment of corresponding dead rent there against may be verified.	According to the explanations given to us and on perusal of mining plans submitted to us, the Holding company has not disbanded and discontinued any mines during the year covered under our audit.
16.	Whether the Company's financial statements had properly accounted for the effect of Rehabilitation Activity and Mine Closure Plan?	The Holding Company has provided for Provision for Mine Closure Cost in line with Accounting Policy referred to in Note 2(p) of the Consolidated financial statements.

## Notes to the Consolidated Financial Statements

### 1. Corporate Information

The Andhra Pradesh Mineral Development Corporation Ltd ("The Company") and its subsidiaries (collectively referred to as "The Group") are principally engaged in development of mineral resources and promotion of mineral-based industries in India including exploration, exploitation, conservation, processing, beneficiation and conversion into value added products.

### 2. Significant Accounting Policies

#### a. Statement of Compliance

These consolidated financial statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair values/ amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### b. Basis of consolidation

The Consolidated Financial Statements ("CFS") relate to Andhra Pradesh Mineral Development Corporation ("the Company") and its subsidiary companies (the Company and its subsidiaries collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

- I. The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-Group balances and intra-Group transactions resulting in unrealised profits or losses, in accordance with Indian Accounting Standard 110 - "Consolidated Financial Statements"
- II. In the case of investment in subsidiaries, where the Company's shareholding is less than 100%, Non-Controlling Interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company's shareholders.
- III. An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies.
- IV. A Joint arrangement is an arrangement of which two or more parties have joint control. Joint control is considered when there is contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Investments in joint arrangements are classified as either joint operations or joint venture. A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

- V. Investment in associates/joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.
- VI. The difference between the cost of investment in the subsidiaries, joint ventures, and associates and the Company's share of net assets at the time of acquisition of shares in the subsidiaries, joint ventures and associates is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.

**c. Functional and presentation currency**

The Consolidated financial statements are presented in Indian rupees, which is also the functional currency for all its operations. All financial information presented in Indian rupees has been rounded to the nearest thousands, unless stated otherwise.

**d. Use of Judgements, Estimates and Assumptions**

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period.

Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

**Judgements**

In the process of applying the Group accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### **Formulation of Accounting Policies**

Accounting policies are formulated in a manner that result in consolidated financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial. In the absence of an Ind As that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- a.** relevant to the economic decision-making needs of users and
- b.** reliable in that financial statements:
  - i. represent faithfully the financial position, financial performance and cash flows of the Group;
  - ii. reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
  - iii. are neutral, i.e. free from bias;
  - iv. are prudent; and
  - v. are complete in all material respects on a consistent basis.

In making the judgement, management considers the most recent pronouncements of the Institute of Chartered Accountants of India and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted industry practices, to the extent that these do not conflict with the sources in above paragraph.

The Group operates in the mining sector (a sector where the exploration, evaluation, development production phases are based on the varied topographical and geomining terrain spread over the lease period running over decades and prone to constant changes), the accounting policies whereof have evolved based on specific industry practices supported by research committees and approved by the various regulators owing to its consistent application over the last several decades. The key areas involving critical estimates or judgements are in respect of useful lives of Property, Plant and Equipment, valuation of deferred tax assets, provisions and contingent liabilities etc.

### **e. Current and non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current, when it satisfies any of the following criteria:

- It is expected to be realized in or is intended for sale or consumption in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is expected to be realised within twelve months after the reporting date; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after reporting date.

All other assets are classified as non-current.

A liability is classified as current, when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle
- it is held primarily for the purpose of being traded;
- it is expected to be settled within twelve months after the reporting date; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Group has deemed its operating cycle as twelve months for the purpose of current/non-current classification.

**f. Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable.

**i. Sale of products**

Revenue from sale of products / goods is recognized, when the Group has transferred significant risks and rewards of ownership of the goods to the buyer, it no longer retains control over the goods sold, it is probable that the economic benefits associated with the transaction will flow to the Group and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognised gross of all statutory levies i.e. Royalty, DMF, MERIT, cess collected on behalf of third parties.

**ii. Consideration**

Consideration amount from raising cum sale contracts is reduced to the extent of sales made subject to charge of minimum consideration amount as per terms the agreements entered with the respective customers. Consideration is reported net of discounts, indirect, service taxes and GST.

**iii. Dividend**

Dividend income is recognized in the statement of profit and loss only when the right to receive dividend is established.

**iv. Interest Income**

Interest Income from debt instruments is accrued on a time basis, by reference to the principal outstanding using the effective interest rate method. Interest income from loans and advances to employees has been recognised on realisation basis. Interest income on irregular/overdue advances has been recognised on realisation basis.

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation and can be measured reliably.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

**g. Property, Plant and Equipment**

Property, plant and equipment other than freehold land are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset until the Property, Plant and Equipment are ready for use, as intended by the Management. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is de-recognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and carrying amount of the property, plant and equipment and is recognised in the Statement of Profit and Loss.

Depreciation is provided for Property, Plant and Equipment so as to expense the cost over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 on written down value basis. except for certain assets where the useful life is determined by technical assessment/ Group's past experiences. Assets acquired under finance lease and leasehold improvements are depreciated over the lower of estimated useful life and lease term. Fixed assets costing five thousand or less are fully depreciated in the year of purchase.

Mining property assets (incl. decommissioning cost) is depreciated on a unit of production method over the expected useful life of the identified component of the ore body. The estimated useful lives and residual values are reviewed at end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Assets in the course of construction are capitalized in capital work in progress account.

At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs (net of income) associated with the commissioning of an asset are capitalised until the period of commissioning has been completed and the asset is ready for its intended use.

Mining properties and other assets in the course of development or construction and freehold land are not depreciated.

**h. Intangible assets**

Intangible assets are measured on initial recognition at cost. They are amortised on Written Down Value method (WDV) based on the useful lives determined based on technical evaluation done by the management except mining rights which are amortised using a unit-of-production method based on the data available with the Group as regards extraction of the minerals as compared to the technical estimation of gross geological mineral reserves as mentioned in the mining plan submitted/approved to the mining authorities. Capitalised mining rights are amortised once commercial production commences. The intangible assets are assessed for impairment whenever there is an indication that the item of intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting date.

**i. Impairment**

Assets are tested for impairment when carrying cost exceeds its recoverable value. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired.

**j. Foreign currency transactions and balances**

Transactions in foreign currency are translated to the functional currency of the Group at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains / (losses).

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

**k. Investment in subsidiaries, associates and joint ventures**

A subsidiary is an entity controlled by the Company. Investment in subsidiaries is measured at cost less impairment. The cost comprises price paid to acquire investment and directly attributable cost.

Investments in Subsidiary, Associates and Joint Ventures are measured at cost as per Ind AS 27 – Separate Financial Statements.

**l. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on the 'weighted average' basis and comprises expenditure incurred in the normal course of business for bringing such inventories to their present location and condition and includes, wherever applicable, appropriate overheads. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Based on the past experience, sales statistics and considering slow moving nature of C+D+W Grade of Barytes, closing stock is recognised for quantity of 8,00,000 MTs from financial year 2018-19 onwards and the remaining stock is considered without value (Refer note no. 54).

**m. Employee benefits**

**Short term employee benefit obligations**

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

**Post-employment obligation**

The Group operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees,
- Defined contribution plans such as provident fund

**Defined Benefit Plan**

The liability or asset recognized in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the Government Bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (net-off deferred tax).

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

**Defined Contribution Plan**

Employee benefits in the form of Provident Fund, Pension Fund, Superannuation Fund and Employees State Insurance are defined contribution plans. The Group recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service.

**n. Taxes on income**

Income Tax expense comprises of current tax and deferred tax.

The current income tax is the amount of income taxes payable in respect of the taxable income for a period, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply

when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**o. Government grants**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-financial liabilities as deferred income and are recognised in Statement of Profit and Loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognized in Statement of Profit and Loss in the period in which they become receivable.

**p. Provisions, Contingent Liabilities and Contingent Assets**

**Provisions**

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of PPE. Progressive mine closure expenses are accounted for as and when incurred.

As per the mine closure guidelines issued by the Department of Mines and Geology, Government of Andhra Pradesh on 27th Feb 2017, the annual mine closure cost needs to be provided @ Rs. 3 Lakh per hectare for category A mines and Rs. 2 lakhs per hectare for category B mines. Such annual cost is required to be modified with reference to WPI as mentioned and considered in the mine closure plan submitted / approved for the respective mines. The mine closure provisions are required to be provided in line with the approved / submitted / prepared mine closure plans. In case the mine closure plan has not been submitted / approved / prepared, the annual cost is estimated based on the above referred guidelines.

The Group has to maintain Stripping Ratio as per the Mining Plan every year. Accordingly, provision has to be made for the shortfall in the quantity of Overburden not removed as per the ratio of the Mining Plan. Mining Plans are generally prepared every 5 years or such shorter intervals as prescribed by mining authorities and the stripping ratio estimate keeps changing based on the situation as on the date of preparation of the plan. The provision for shortfall in the quantity of overburden is restated in line with the updated Mining Plan and the previous provision, if any shall be reversed. Excess quantity of overburden removed over and above the Stripping Ratio as per Mining Plan is adjusted to the extent of provision available in the books. Any further excess quantity which is in the nature of an asset is not recognised in the books.

#### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:-

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

#### **Contingent assets**

Contingent Assets are not recognised in the financial statements. However, the same is disclosed, where an inflow of economic benefit is probable.

#### **q. Segment reporting**

Operating segments are defined as components of our entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note no. 42 for segment information presented.

**r. Leases**

The group has adopted Ind AS 116-Leases effective from 1<sup>st</sup> April 2019, using modified retrospective method. The company has applied the standard to its lease with the cumulative impact recognised on the date of initial application (1<sup>st</sup> April, 2019). Accordingly, previous period information has not been restated.

The company lease assets consist of lease for Buildings. The company assesses whether a contract is or contain a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assess whether:

- i. The contract involves the use of identified asset.
- ii. The company has substantially all of the economic benefits from use of the asset through the period of lease and
- iii. The company has right to direct the use of the asset.

At the date of commencement of the lease, the company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term lease) and leases of low value assets up to one lakh per month.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on straight line basis over the shorter of the lease term and useful life of the asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as change in lease term or change in an index or rate used to determine lease payments. The remeasurement normally also adjust the leased assets.

**s. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand and short-term money market deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**t. Cash flow statement**

Cash flows are reported using the indirect method, whereby the profit before tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**u. Borrowing costs**

Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalized as part of cost of the assets until such time as the assets are substantially ready for their intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes foreign exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

**v. Earnings per share (EPS)**

Basic EPS is calculated by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Group does not have any dilutive securities in any of the years presented.

**w. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Group takes into account those characteristics of the assets or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**x. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognised in the balance sheet when the Group becomes party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

**Financial assets - Subsequent Measurement**

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**i. Financial Assets measured at amortised cost**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets and the asset's contractual cash flows represents solely payments of principal and interest.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity instruments not held for trading. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). On sale of investments, cumulative gain or loss is recognised in OCI and the amount is not reclassified to profit or loss.

**iii. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income. In addition, the Group may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency Debt instruments that do not meet the amortized cost criteria are measured at FVTPL.

**iv. De-recognition of financial assets**

The Group de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities – Subsequent measurement**

All financial liabilities are subsequently measured at amortized cost using the effective interest method except for financial liabilities at FVTPL.

**i. Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when it is held for trading or it is designated as at FVTPL upon initial recognition.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

**ii. Financial liabilities measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

**iii. De-recognition of financial liabilities**

The Group de-recognizes financial liabilities when and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred and the consideration paid and payable is recognized in Statement of profit and loss as other income or finance costs.

**y. Reserve for bad and doubtful debts**

Reserve for bad and doubtful debts is maintained @ 5.73% of net trade receivables

**z. Exceptional Items**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements

**aa. Exploration and Evaluation**

Exploration and evaluation expenditure comprises costs that are directly attributable to:

- researching and analysing existing exploration data;

- conducting geological studies, exploratory drilling and sampling;
- examining and testing extraction and treatment methods; and/or
- compiling pre-feasibility and feasibility studies.

Exploration expenditure relates to the initial search for deposits with economic potential. Evaluation expenditure relates to a detailed assessment of deposits or other projects that have been identified as having economic potential. All evaluation and exploration expenses till high degree of confidence is achieved are expensed. Evaluation expenditures are capitalised as Intangible assets when there is a high degree of confidence that the Group will determine that a project is commercially viable, that is the project will provide a satisfactory return relative to its perceived risks, and therefore it is considered probable that future economic benefits will flow to the Group. The carrying values of capitalized evaluation expenditure are reviewed for impairment every year by management.

**ab. Stripping cost**

The stripping cost incurred during the production phase of a surface mine is recognised as an asset if such cost provides a benefit in terms of improved access to ore in future periods and following criteria are met:

- It is probable that the future economic benefits (improved access to an ore body) associated with the stripping activity will flow to the entity,
- The entity can identify the component of an ore body for which access has been improved, and
- The costs relating to the improved access to that component can be measured reliably.

**ac. Restatement of earliest prior period financials on material error/omissions**

The value of error and omissions is construed to be material for restating the opening balance of assets and liabilities and equity for the earliest prior period presented if the amount in each case of earlier period income/expense exceeds 1.00% of the previous year turnover of the company

**The Andhra Pradesh Mineral Development Corporation Limited**  
Property, Plant and Equipment, Capital work in progress, Intangible assets, Intangible assets under development, Right of use asset for the year ended March 31, 2020

#### Nature and purpose of Reserves

##### General Reserve

General Reserve is created by the company by appropriating the balance of Retained Earnings. It is a free reserve which can be used in: meeting future contingencies, creating working capital for business operations, strengthening the financial position of the company.

##### Reserve for bad and doubtful debts

Reserve for bad and doubtful debts is created by appropriating the balance of retained earnings. It is a free reserve which can be used to meet the contingencies related to trade receivables.

##### Retained earnings

Retained earnings are the profits that the company has earned till date, less any transfers to general reserve, reserve for bad and doubtful debts, dividends or other distributions paid to shareholders.

### 38. Financial Risk Management

#### A. Management of Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables is monitored on a continuous basis by the receivables team.

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified.

Expected credit loss for trade receivables under simplified approach is as under.

Particulars	2019-20	2018-19
Ageing	>12 Months	>12 Months
Gross carrying amount	3,77,960	57,659
Expected loss rate	100.00%	100.00%
Expected credit loss (loss allowance provision)	3,77,960	57,659
Carrying amount of trade receivables (net of impairment)	-	-

Particulars	2019-20	2018-19
Ageing	<12 Months	<12 Months
Gross carrying amount	14,89,634	14,15,504
Expected loss rate	0.00%	0.00%
Expected credit loss (loss allowance provision)	-	-
Carrying amount of trade receivables (net of impairment)	14,89,634	14,15,504

#### B. Management of market risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and the Management of these risks is explained below:

##### 1. Commercial risk

###### a. Sale price risk

Particulars	Impact on profit	
	2019-20	2018-19
Selling price increase by 5%		
Barytes	5,08,883	4,31,076
Agency services	1,55,962	-
Selling price decrease by 5%		
Barytes	(5,08,883)	(4,31,076)
Agency services	(1,55,962)	-

**b. Packing material price risk**

Particulars	Impact on profit			
	2019-20		2018-19	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Product name: Packing material	(410)	410	(993)	993

**c. Excavation & Transport Charges risk**

Particulars	Impact on profit			
	2019-20		2018-19	
	Increase by 5%	Decrease by 5%	Increase by 5%	Decrease by 5%
Name of the expense: Excavation & Transport Charges for run of mine	(15,748)	16,748	(19,395)	19,395
Excavation & Transport Charges for Overburden	(1,13,909)	1,13,909	(66,296)	66,296

**39. Management of Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Company to meet its obligations. The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

As at 31st March 2020

Particulars	Contractual cash flows			
	Carrying amount	Total	Less than 12 months	More than 12 months
<b>Non-derivative financial liabilities:</b>				
Trade payables	8,64,306	8,64,306	8,64,306	-
Non-current financial liabilities	30,73,179	30,73,179	-	30,73,179
Current financial liabilities	8,24,948	8,24,948	8,24,948	-
<b>Total</b>	<b>47,62,433</b>	<b>47,62,433</b>	<b>16,89,254</b>	<b>30,73,179</b>

As at 31st March 2019

Particulars	Contractual cash flows			
	Carrying amount	Total	Less than 12 months	More than 12 months
<b>Non-derivative financial liabilities:</b>				
Trade payables	1,84,687	1,84,687	1,84,687	-
Non-current financial liabilities	27,81,670	27,81,670	-	27,81,670
Current financial liabilities	5,59,269	5,59,269	5,59,269	-
