SIDBI has been built up as a financially sound, vibrant, forward looking and technology oriented institution and, it intends to sustain this orientation in future.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Financial Results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to Note No. 7 of the accompanying standalone financial results, regarding the impact of COVID-19 pandemic on the Bank's operations and asset quality for the quarter and year ended 31st March 2022. As stated therein, in view of continuing uncertainties, the extent of impact of the pandemic on the Bank's operations and financial position would depend on ongoing as well as future developments.

Our opinion is not modified in respect of this matter.

Management responsibilities for the standalone financial results.

5. These standalone Financial Results have been prepared on the basis of the audited standalone annual financial statements. The Bank's Management is responsible for the preparation of these standalone Financial Results that give a true and fair view of the net profit and other financial information in accordance with the Small Industries Development Bank of India General Regulations, 2000, and recognition and measurement principles laid down in the Accounting Standards notified by the Institute of Chartered Accountants of India, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Bank and for ascertaining and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the standalone Financial Results, the Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.
7. Bank's Management is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Results. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
 - Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure, and content of the standalone Financial Results, including the disclosures, and whether the standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

11. These standalone Financial Results incorporate the relevant returns of 26 branches visited/audited by us including Head Office which covers 93.50% of Advances, 99.22% of deposits and 100% of Borrowings as on 31st March 2022 and 91.95% of Interest income on advances, 98.28% of interest expense on deposits and 100% of interest expense on borrowings for the year ended 31st March 2022. These branches have been selected in consultation with the management of the Bank. In conduct of our audit, we have relied upon various information and returns received from remaining branches of the Bank not visited by us and generated through centralized data base at Head Office.
12. The standalone Financial Results includes the results for the quarter ended 31st March 2022, being the derived balancing figures between the standalone audited figures in respect of the full financial year ended 31st March 2022 and the published standalone unaudited year to date figures upto the nine months ended 31st December 2021, of the current financial year which have only been reviewed and not subjected to audit by us

Our opinion on the standalone financial results is not modified in respect of above matters.

Management Responsibilities for the Financial Results

These Financial Results have been compiled from the interim Financial Statements. The Bank's Management is responsible for the preparation of these Financial Results that give a true and fair view of the net profit and other financial information of the Bank in accordance with the Small Industries Development Bank of India General Regulations, 2020, and the recognition and measurement principles laid down in Accounting Standard notified by the Institute of Chartered Accountants of India, the RBI guidelines and the other accounting principles generally accepted in India and in compliance with regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Results, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Bank's Management is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than that for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events

or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosure in Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with the statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

Other Matters

Included in these Financial Results are the relevant returns of Mumbai Head Office audited by us which covers 94.23% of Advances, 99.28% of deposits, 100% of Borrowings as on September 30, 2022 and 89.59% of Interest income on advances, 96.93% of interest expense on deposits and 100% of interest expense on borrowings for the half year ended September 30, 2022. In conduct of our audit, we have relied upon various information and returns received from remaining branches of the Bank not visited by us for the purpose of audit and generated through centralized data base at Bank's Head Office.

Our opinion is not modified in respect of above matter.

Detailed rationale and key rating drivers

The ratings assigned to Small Industries Development Bank of India (SIDBI) continue to factor-in its position as the apex financial institution for the promotion and development of the micro, small and medium enterprises (MSME) sector in India. The ratings also continue to factor-in the Government of India's (GOI's) support in the form of equity contribution and governance (GOI has the power to appoint the Chairman and Managing Director (CMD), two Whole-time Directors and two Nominated Directors on the Board of SIDBI), guarantee for foreign currency borrowings, and continued access to the MSE Refinance Fund (Rural Infrastructure Development Fund (RIDF)) for strengthening the bank's refinancing capabilities, besides SIDBI's ownership by public sector entities. The ratings continue to consider SIDBI's healthy capitalisation levels, strong resource profile, comfortable liquidity profile and moderate asset quality. The continuation of SIDBI's position as the apex financial institution for the MSME sector, government support, and ownership by public sector entities, capitalisation levels and asset quality, and profitability are the key rating sensitivities.

Rating sensitivities

Positive factors – Factors that could lead to positive rating action/upgrade: Not applicable

Negative factors – Factors that could lead to negative rating action/downgrade:

- Any material changes in the government support and/or strategic role played by SIDBI in supporting the MSME sector.
- Significant dilution in ownership by GOI and public sector entities.
- Deterioration in SIDBI's asset quality with gross non-performing asset (GNPA) ratio increasing to more than 3% of the total advances.
- Deterioration in SIDBI's standalone credit profile, including its profitability, liquidity and/or capitalisation metrics.

Detailed description of the key rating drivers

Key rating strengths

Government support and ownership by public sector entities: SIDBI, being a nodal agency for the development of MSMEs in the country, receives continuous support from the GOI and the Reserve Bank of India (RBI) in the form of budgetary support and access to the MSE Refinance Fund from shortfall in priority sector lending (PSL) by the banks. SIDBI is owned by public sector banks, financial institutions, and the GOI, with the State Bank of India (SBI; 15.65%), GOI (20.85%), the Life Insurance Corporation of India (LIC; 13.33%) and the National Bank for Agriculture and Rural Development (NABARD; 9.36%), being the major shareholders.

The GOI has appointed Sivasubramanian Ramani as the Chairman and Managing Director of SIDBI, and nominated Devendra Kumar Singh (IAS; Additional Secretary & Development Commissioner (MSME), Ministry of MSME) and Lt. Kumar Chandel (IAS; Additional Secretary, Development of Financial Services) as the non-executive directors.

Healthy capitalisation levels: SIDBI's capital adequacy parameters remained strong, with the bank reporting an overall capital adequacy ratio (CAR) of 21.53% as on June 30, 2022 and 24.26% as on March 31, 2022. During FY22 (refers to the period Apr 1 to March 31), SIDBI has increased its advance base by 29.16% after a negative growth in FY21, thereby resulting in increase in the risk-weighted assets.

The overall gearing increased from 9.06x as on March 31, 2022 to 10.70x as on June 30, 2022, owing to increase in borrowings to fund growth in advances. The RBI has enhanced the borrowing limit of SIDBI to 14x of its net-owned funds (NOF) until March 31, 2023. SIDBI has received approval from the RBI for an umbrella limit to 300% of NOF up to March 31, 2023. The 'umbrella limit' consists of five instruments, viz., term deposits, term money borrowings, certificates of deposits (CDs), commercial papers (CPs) and inter-corporate deposits (ICDs).

¹Complete definition of the ratings assigned are available at www.careratings.in and other CARE Ratings Ltd's publications.

Strong resource profile: SIDBI has a very strong resource profile, consisting of mainly domestic and some overseas borrowings. Some of the overseas borrowings of SIDBI are guaranteed by the GOI. SIDBI also has access to the low-cost MSE Refinance Fund from scheduled commercial banks due to their shortfall in PSI targets, which forms a large portion of its resource profile. As on June 30, 2022, domestic market borrowings constituted 42.10% (FY22: 36.59%), MSE (RTOF) deposits constituted 52.86% (FY22: 61.07%) of the total borrowings, respectively, with overseas borrowings constituting 1.75% (FY22: 2.35%).

Moderate profitability and spreads: During FY22, the bank's total income decreased by 18.15% owing to a 14.74% decline in the interest income. The interest income declined, as much of the growth in advances occurred during the last quarter of FY22. Also, yield on advances plunged to 4.02% in FY22 from 5.49% in FY21 and 6.61% in FY20 on account of fall in the interest rates in the past two years. As yields declined at a faster pace than reduction in cost of funds, the interest spread moved down by 45 bps to 1.02%. Correspondingly, the net interest income (NII) was 18.1% lower at ₹3,612 crore in FY22. Overall, the spread in the lending activity is low due to the cap on the margin that SIDBI can charge for lending to banks and financial institutions (FIs) against RTOF deposits. SIDBI reported a one-time gain of ₹515 crore during Q1FY21 on account of reversal of funds from exchange risk fluctuation fund, as approved by the GOI. Resultantly, the overall profitability declined from 1.32% in FY21 to 0.92% in FY22.

During Q1FY23, the bank's total income increased by 39.59% over Q1FY22 on the back of 40% rise in the interest income. The NII was 79% higher at ₹1,134 crore in Q1FY23. Resultantly, the overall profitability improved from 1.07% in Q1FY22 to 1.16% in Q1FY23.

Strong asset quality: The asset quality of SIDBI has been improving over the years, consequent to the bank entering into settlements with state finance corporations (SFCs) and having stopped taking additional exposures. Currently, majority of its lending portfolio comprises indirect financing, which predominantly constitutes banks and other finance companies, including non-banking finance companies (NBFCs). Indirect finance constituted 92.94% (FY22: 92.90%) of the total portfolio as on June 30, 2022, while direct financing stood at 7.06% (FY22: 7.10%). Of the indirect finance portfolio, refinance to banks (including SFCs) constituted 82.63% (FY22: 82.49%) of the total portfolio of the bank, assistance to NBFCs constituted 8.84% (FY22: 8.87%) of the total portfolio, while assistance to MFIs (including SFCs) constituted 1.47% (FY22: 1.54%). SIDBI's GNPA% decreased to ₹218 crore in FY22 from ₹282 crore in FY21. The GNPA levels remained stable in Q1FY23. This, in conjunction with significant growth in the advances improved GNPA ratio and net NPA ratio to 0.11% and 0.07%, respectively, as on March 31, 2022 and June 30, 2022. The asset quality in the indirect financing segment remains strong; and most of the NPAs are from direct finance. The restructured assets formed 3.01% of the direct advances portfolio, which formed just 0.21% of the overall advances portfolio, as on March 31, 2022.

Liquidity: Strong

The liquidity profile is strong, on account of the longer tenure borrowings vis-à-vis shorter tenure lending. SIDBI's liquidity profile, as on June 30, 2022, exhibits positive cumulative mismatches across all time buckets. SIDBI has cash and deposits with banks, of ₹13,250 crore, as on June 30, 2022. It also has strong access to the money market due to its status as an apex financial institution, owned by the GOI and its entities.

Analytical approach

While SIDBI's standalone profile has been considered, the assessment also factors in the support it receives from GOI.
