

Ref No: NSE/CML/2016/1

January 28, 2016

The Company Secretary
All Listed Companies

Dear Madam/Sir,

Sub: Filing of Information on Electronic Platform

The Companies are required to submit all information under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 only through NSE Electronic Application Processing System (NEAPs).

In view of the same, until NEAPs is available for Debt Listed Companies (if Equity is not listed on NSE), the Exchange has created following email-id for Debt Listed Companies to submit the information to the Exchange:

debtlist@nse.co.in

The Companies are hereby informed that email-id cmlist@nse.co.in will be discontinued with effect from February 1, 2016. Information submitted through any other source shall not be considered as compliance as per the Listing Regulations, 2015.

The said circular shall be effective from February 1, 2016.

Yours faithfully,
For National Stock Exchange of India Limited

Avinash Kharkar
Asst. Vice President

P.S:- Fax is an environmental hazard due to usage of paper and carbon. Further Fax is an inconvenient mode of communication compared to electronic filing. It is learnt that a 20ft high tree is hacked to produce 3000 sheets of papers. If all the NSE listed companies give one fax to NSE, one tree will disappear from Earth. As you would appreciate, once you have filed the above information electronically in NEAPS, there is no need to send papers to the Exchange. NEAPs has a facility of automated acknowledgments besides facility to retrieve your earlier filing, take screen shots of filed returns as a proof of filing.
