Independent Auditor's Limited Review Report on the Unaudited Standalone Quarterly and Year to Date Financial Results of Andhra Pradesh State Beverages Corporation Limited for the Quarter and Half Year ended 30 September 2026 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
Andhra Pradesh State Beverages Corporation Limited

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Andhra Pradesh State Beverages Corporation Limited ("the Company") for the quarter and half year ended 30 September 2026 ("the Statement"), submitted pursuant to Regulations 52 and 54, to the extent applicable, of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

The Statement is the responsibility of the Company's Management and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, and other accounting principles generally accepted in India. The Statement has been approved by the Board of Directors on 10-Nov-2026. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists principally of making inquiries of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

Non-assessment of Lease Arrangements under Ind AS 116 – Leases

The Corporation operates 31 depots, including 18 in rented premises, and has additionally taken 17 godowns on rent. During our Limited Review, we observed that the original lease agreements for certain rented premises have expired, while the Corporation continues to occupy such premises and pay rent without furnishing sufficient documentary evidence, including renewed lease agreements or other supporting records, to establish the enforceable lease periods, renewal and termination provisions, and other key contractual terms. Further, the Corporation has not undertaken an appropriate lease-wise assessment in accordance with Ind AS 116 – *Leases*, to determine the applicable accounting treatment, including the requirement for recognition of right-of-use assets and corresponding lease liabilities, and continues to charge rental payments to the Statement of Profit and Loss. Consequently, in the absence of adequate supporting documentation and management's assessment, we are unable to determine the adjustments, if any, required to right-of-use assets, lease liabilities, depreciation, finance costs, rental expenditure and related disclosures, and the consequential impact on the financial statements remains unascertainable.

Qualified Conclusion

Based on our review conducted as stated above, except for the possible effects of the matter described the Basis for Qualified Conclusion section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 and, to the extent applicable, Regulation 54 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
